This authority shall consist of, but is not limited to, the following powers:

(1) (a) The power to examine the books and records of any limited partnership to which this chapter applies, and it shall be the duty of any general partner or agent of such limited partnership to produce such books and records for examination on demand of the secretary of state or designated employee; provided, that no person shall be subject to any criminal prosecution on account of any matter or thing which may be disclosed by the examination of any limited partnership books, or records, which they may produce or exhibit for examination; or on account of any matter or thing concerning which they may make any voluntary and truthful statement in writing to the secretary of state, or designated employee. All facts obtained in the examination of the books and records of any limited partnership, or through voluntary sworn statement of any partner, agent, or employee of any limited partnership, shall be treated as confidential, except insofar as official duty may require the disclosure of same; or when such facts are material to any issue in any legal proceeding in which the secretary of state or designated employee may be a party or called as a witness, and, if the secretary of state or designated employee shall, except as herein provided, disclose any information relative to the private accounts, affairs, and transactions of any such limited partnership, he shall be deemed guilty of a class C misdemeanor.

(b) If any general partner, or registered agent, of any such limited partnership shall refuse the demand of the secretary of state, or designated employee, to exhibit the books and records of such limited partnership for examination, he, or they, shall be deemed guilty of a class B misdemeanor.

(2) (a) The power to cancel or disapprove any certificate of limited partnership or other filing required under this chapter, if the limited partnership fails to comply with the provisions of this chapter by failing to file required documents under this chapter by failing to maintain a registered agent, by failing to pay the required filing fees, by using fraud or deception in effecting any filing, by filing a required document containing a false statement, or by violating any section or sections of the criminal laws of Missouri, the federal government or any other state of the United States. Thirty days before such cancellation shall take effect, the secretary of state shall notify the limited partnership with written notice, either personally or by mail. If mailed, the notice shall be deemed delivered five days after it is deposited in the United States mail in a sealed envelope addressed to such limited partnership's last registered agent and office or to one of the limited partnership's general partners. The written notice of the secretary of state's

proposed cancellation to the limited partnership, domestic or foreign, will specify the reasons for such action.

(b) The limited partnership may appeal this notice of proposed cancellation to the circuit court of the county in which the registered office of such limited partnership is or is proposed to be situated by filing with the clerk of such court a petition setting forth a copy of the certificate of limited partnership or other relevant documents and a copy of the proposed written cancellation thereof by the secretary of state, such petition to be filed within thirty days after notice of such cancellation shall have been given, and the matter shall be tried by the court, and the court shall either sustain the action of the secretary of state or direct him to take such action as the court may deem proper. An appeal from the circuit court in such a case shall be allowed as in civil action.

(c) The limited partnership may provide information to the secretary of state that would allow the secretary of state to withdraw the notice of proposed cancellation. This information may consist of, but need not be limited to, corrected statements and documents, new filings, affidavits and certified copies of other filed documents.

(3) The power to rescind a cancellation provided for in subsection 2 of this section upon compliance with either of the following:

(a) The affected limited partnership provides the necessary documents and affidavits indicating the limited partnership has corrected the conditions causing the proposed cancellation or the cancellation;

(b) The limited partnership provides the correct statements or documentation that the limited partnership is not in violation of any section of the criminal code.

(4) The power to charge late filing fees for any filing fee required under this chapter. Late filing fees shall be assessed at a rate of ten dollars for each thirty-day period of delinquency.

(5) (a) The power to administratively cancel a certificate of limited partnership if the limited partnership's period of duration stated in the certificate of limited partnership expires.

(b) Not less than thirty days before such administrative cancellation shall take effect, the secretary of state shall notify the limited partnership with written notice, either personally or by mail. If mailed, the notice shall be deemed delivered five days after it is deposited in the United States mail in a sealed envelope addressed to such limited partnership's last registered agent and office or to one of the limited partnership's general partners.

(c) If the limited partnership does not timely file a certificate of amendment in accordance with section 359.101 to extend the duration of the limited partnership, which may be any number of years or perpetual, or demonstrate to the reasonable satisfaction of the secretary of state that the period of duration determined by the secretary of state is incorrect, within sixty days after service of the notice is perfected by posting with the United States Postal Service, then the secretary of state shall cancel the certificate of limited partnership by signing a certificate of administrative cancellation that recites the grounds for cancellation and its effective date. The secretary of state shall file the original of the certificate and serve a copy on the limited partnership as provided in section 359.141.

(d) A limited partnership whose certificate of limited partnership has been administratively cancelled continues its existence but may not carry on any business except that necessary to wind up and liquidate its business and affairs under section 359.471 and notify claimants under section 359.481.

(e) The administrative cancellation of a certificate of limited partnership does not terminate the authority of its registered agent.

(6) (a) The power to rescind an administrative cancellation and reinstate the certificate of limited partnership.

(b) Except as otherwise provided in the partnership agreement, a limited partnership whose certificate of limited partnership has been administratively cancelled under subdivision (5) of this section may file a certificate of amendment in accordance with section 359.101 to extend the duration of the limited partnership, which may be any number or perpetual.

(c) A limited partnership whose certificate of limited partnership has been administratively cancelled under subdivision (5) of this section may apply to the secretary of state for reinstatement. The applicant shall:

a. Recite the name of the limited partnership and the effective date of its administrative cancellation;

b. State that the grounds for cancellation either did not exist or have been eliminated, as applicable, and be accompanied by documentation satisfactory to the secretary of state evidencing the same;

c. State that the limited partnership's name satisfies the requirements of section 359.021;

d. Be accompanied by a reinstatement fee in the amount of one hundred dollars, or such greater amount as required by state regulation, plus any delinquent fees, penalties, and other charges as determined by the secretary of state to then be due.

(d) If the secretary of state determines that the application contains the information and is accompanied by the fees required in paragraph (c) of this subdivision and that the information and fees are correct, the secretary of state shall rescind the certificate of administrative cancellation and prepare a certificate of reinstatement that recites his or her determination and the effective date of reinstatement, file the original of the certificate, and serve a copy on the limited partnership as provided in section 359.141.

(e) When the reinstatement is effective, it shall relate back to and take effect as of the effective date of the administrative cancellation of the certificate of limited partnership and the limited partnership may continue carrying on its business as if the administrative cancellation had never occurred.

(f) In the event the name of the limited partnership was reissued by the secretary of state to another entity prior to the time application for reinstatement was filed, the limited partnership applying for reinstatement may elect to reinstate using a new name that complies with the requirements of section 359.021 and that has been approved by appropriate action of the limited partnership for changing the name thereof.

(g) If the secretary of state denies a limited partnership's application for reinstatement following administrative cancellation of the certificate of limited partnership, he or she shall serve the limited partnership as provided in section 359.141 with a written notice that explains the reason or reasons for denial.

(h) The limited partnership may appeal a denial of reinstatement as provided for in paragraph (b) of subdivision (2) of this section.

(7) Subdivision (6) of this section shall apply to any limited partnership whose certificate of limited partnership was cancelled because such limited partnership's period of duration stated in the certificate of limited partnership expired on or after August 28, 2003.

[10.**]** **11.** The filing of a parenting plan for any child over the age of eighteen for whom custody, visitation, or support is being established or modified by a court of competent jurisdiction is not required. Nothing in this section shall be construed as precluding the filing of a parenting plan upon agreement of the parties or if ordered to do so by the court for any child over the age of eighteen for whom custody, visitation, or support is being established or modified by a court of competent jurisdiction.

452.312. PARTIES' CURRENT EMPLOYERS AND SOCIAL SECURITY NUMBERS TO BE CONTAINED IN CERTAIN PLEADINGS AND DECREES. — 1. 452.423. GUARDIAN AD LITEM APPOINTED, WHEN, DUTIES — DISQUALIFICATION, WHEN — FEES. — 1. In all proceedings for child custody or for dissolution of marriage or legal separation where custody, visitation, or support of a child is a contested issue, the court may appoint a guardian ad litem. Disqualification of a guardian ad litem shall be ordered in any legal

proceeding only pursuant to this chapter, upon the filing of a written application by any party within ten days of appointment, or within ten days of August 28, 1998, if the appointment occurs prior to August 28, 1998. Each party shall be entitled to one disqualification of a guardian ad litem appointed under this subsection in each proceeding, except a party may be entitled to additional disqualifications of a guardian ad litem for good cause shown.

2. The court shall appoint a guardian ad litem in any proceeding in which child abuse or neglect is alleged.

3. The guardian ad litem shall:

(1) Be the legal representative of the child at the hearing, and may examine, cross-examine, subpoena witnesses and offer testimony;

(2) Prior to the hearing, conduct all necessary interviews with persons having contact with or knowledge of the child in order to ascertain the child's wishes, feelings, attachments and attitudes. If appropriate, the child should be interviewed;

(3) Request the juvenile officer to cause a petition to be filed in the juvenile division of the circuit court if the guardian ad litem believes the child alleged to be abused or neglected is in danger.

4. The appointing judge shall require the guardian ad litem to faithfully discharge such guardian ad litem's duties, and upon failure to do so shall discharge such guardian ad litem and appoint another. The judge in making appointments pursuant to this section shall give preference to persons who served as guardian ad litem for the child in the earlier proceeding, unless there is a reason on the record for not giving such preference.

5. The guardian ad litem shall be awarded a reasonable fee for such services to be set by the court. The court, in its discretion, may:

(1) Issue a direct payment order to the parties. If a party fails to comply with the court's direct payment order, the court may find such party to be in contempt of court; or

(2) Award such fees as a judgment to be paid by any party to the proceedings or from public funds. Such an award of guardian fees shall constitute a final judgment in favor of the guardian ad litem. Such final judgment shall be enforceable against the parties in accordance with chapter 513, RSMo.

[6. The court may designate volunteer advocates, who may or may not be attorneys licensed to practice law, to assist in the performance of the guardian ad litem duties for the court. The volunteer advocate shall be provided with all reports relevant to the case made to or by any agency or person and shall have access to all records of such agencies or persons relating to the child or such child's family members. Any such designated person shall receive no compensation from public funds. This shall not preclude reimbursement for reasonable expenses.**]**

452.426. RISK OF INTERNATIONAL ABDUCTION, COURT MAY IMPOSE RESTRICTIONS AND RESTRAINTS. — If the judge determines that there is potential risk of international abduction of the child by either party, the judge may place any restraints on the parties or grant any remedies to either party that is necessary.

452.430. LIMITATION ON INSPECTION OF CERTAIN DOCUMENTS — REDACTION OF SOCIAL SECURITY NUMBERS. — Any pleadings, other than the interlocutory or final judgment, in a dissolution of marriage or legal separation filed prior to August 28, 2009, shall be subject to inspection only by the parties or an attorney of record or upon order of the court for good cause shown, or by the family support division within the department of social services when services are being provided under section 454.400, RSMo. ARTICLE II
JURISDICTION

452.740. INITIAL CHILD CUSTODY JURISDICTION. — 1. Except as otherwise provided in section 452.755, a court of this state has jurisdiction to make an initial child custody determination only if:

(1) This state is the home state of the child on the date of the commencement of the proceeding, or was the home state of the child within six months prior to the commencement of the proceeding and the child is absent from this state but a parent or person acting as a parent continues to live in this state;

(2) A court of another state does not have jurisdiction under subdivision (1) of this subsection, or a court of the home state of the child has declined to exercise jurisdiction on the ground that this state is the more appropriate forum under section 452.770 or 452.775, and:

(a) The child and the child's parents, or the child and at least one parent or person acting as a parent have a significant connection with this state other than mere physical presence; and

(b) Substantial evidence is available in this state concerning the child's care, protection, training and personal relationships;

(3) All courts having jurisdiction under subdivisions (1) and (2) of this subsection have declined to exercise jurisdiction on the ground that a court of this state is the more appropriate forum to determine the custody of the child under section 452.770 or 452.775; or

(4) No state would have jurisdiction under subdivision (1), (2) or (3) of this subsection.

2. Subsection 1 of this section is the exclusive jurisdictional basis for making a child custody determination by a court of this state.

3. Physical presence of, or personal jurisdiction over, a party or a child is not necessary or sufficient to make a child custody determination.

452.745. EXCLUSIVE, CONTINUING JURISDICTION. — 1. Except as otherwise provided in section 452.755, a court of this state that has made a child custody determination consistent with section 452.740 or 452.750 has exclusive continuing jurisdiction over the determination until:

(1) A court of this state determines that neither the child, the child and one parent, nor the child and a person acting as a parent have a significant connection with this state, and that substantial evidence is no longer available in this state concerning the child's care, protection, training and personal relationships; or

(2) A court of this state or a court of another state determines that neither the child, nor a parent, nor any person acting as a parent presently resides in this state.

2. A court of this state that has exclusive continuing jurisdiction under this section may decline to exercise its jurisdiction if the court determines that it is an inconvenient forum under section 452.770.

3. A court of this state that has made a child custody determination and does not have exclusive continuing jurisdiction under this section may modify that determination only if it has jurisdiction to make an initial determination under section 452.740.

452.747. VERIFIED PETITION — SERVICE OF PROCESS. — 1. Any petition for modification of child custody decrees filed under the provisions of section 452.410 or sections 452.700 to 452.930 shall be verified and, if the original proceeding originated in the state of Missouri, shall be filed in that original case, but service shall be obtained and responsive pleadings may be filed as in any original proceeding.

2. Before making a decree under section 452.410 or sections 452.700 to 452.930, the litigants, any parent whose parental rights have not been previously terminated, and any person who has physical custody of the child shall be served in the manner provided by the rules of civil procedure and applicable court rules and may within thirty days after the date of service (forty-five days if service by publication) file a verified answer. If any such persons are outside this state, notice and opportunity to be heard shall be given under section 452.740.

452.750. JURISDICTION TO MODIFY DETERMINATION. — Except as otherwise provided in section 452.755, a court of this state shall not modify a child custody determination made by a court of another state unless a court of this state has jurisdiction to make an initial determination under subdivision (1) or (2) of subsection 1 of section 452.740 and:

(1) The court of the other state determines it no longer has exclusive continuing jurisdiction under section 452.745 or that a court of this state would be a more convenient forum under section 452.770; or

(2) A court of this state or a court of the other state determines that neither the child, nor a parent, nor any person acting as a parent presently resides in the other state.

452.755. TEMPORARY EMERGENCY JURISDICTION. — 1. A court of this state has temporary emergency jurisdiction if the child is present in this state and the child has been

abandoned, or it is necessary in an emergency to protect the child because the child, or a sibling or parent of the child, is subjected to or threatened with mistreatment or abuse.

2. If there is no previous child custody determination that is entitled to be enforced under sections 452.700 to 452.930, and if no child custody proceeding has been commenced in a court of a state having jurisdiction under sections 452.740 to 452.750, a child custody determination made under this section remains in effect until an order is obtained from a court of a state having jurisdiction under sections 452.740 to 452.750. If a child custody proceeding has not been or is not commenced in a court of a state having jurisdiction under sections 452.740 to 452.750, a child custody determination made under this section becomes a final determination if:

(1) It so provides; and

(2) This state becomes the home state of the child.

3. If there is a previous child custody determination that is entitled to be enforced under sections 452.700 to 452.930, or a child custody proceeding has been commenced in a court of a state having jurisdiction under sections 452.740 to 452.750, any order issued by a court of this state under this section shall specify in the order a period of time which the court considers adequate to allow the person seeking an order to obtain an order from the state having jurisdiction under sections 452.740 to 452.750. The order issued in this state remains in effect until an order is obtained from the other state within the period specified or the period expires.

4. A court of this state that has been asked to make a child custody determination under this section, upon being informed that a child custody proceeding has been commenced, or a child custody determination has been made, by a court of a state having jurisdiction under sections 452.740 to 452.750, shall immediately communicate with the other court. A court of this state that is exercising jurisdiction under sections 452.740 to 452.750, upon being informed that a child custody proceeding has been commenced, or a child custody determination has been made by a court of another state under a statute similar to this section shall immediately communicate with the court of that state. The purpose of such communication is to resolve the emergency, protect the safety of the parties and the child, and determine a period for the duration of the temporary order.

452.760. NOTICE — OPPORTUNITY TO BE HEARD — JOINDER. — 1. Before a child custody determination is made under sections 452.700 to 452.930, notice and an opportunity to be heard in accordance with the standards of section 452.762 shall be given to:

(1) All persons entitled to notice under the provisions of the law of this state as in child custody proceedings between residents of this state;

(2) Any parent whose parental rights have not been previously terminated; and

(3) Any person having physical custody of the child.

2. Sections 452.700 to 452.930 shall not govern the enforceability of a child custody determination made without notice and an opportunity to be heard.

3. The obligation to join a party and the right to intervene as a party in a child custody proceeding under sections 452.700 to 452.930 are governed by the law of this state as in child custody proceedings between residents of this state.

452.762. NOTICE FOR EXERCISE OF JURISDICTION. — 1. Notice required for the exercise of jurisdiction when a person is outside this state may be given in a manner prescribed by the law of this state for the service of process or by the law of the state in which the service is made. Notice must be given in a manner reasonably calculated to give actual notice, but may be by publication if other means are not effective.

2. Proof of service may be made in the manner prescribed by law of this state or by the law of the state in which the service is made.

3. Notice is not required for the exercise of jurisdiction with respect to a person who submits to the jurisdiction of the court.

452.765. SIMULTANEOUS PROCEEDINGS. — 1. Except as otherwise provided in section 452.755, a court of this state shall not exercise its jurisdiction under sections 452.740 to 452.785 if, at the time of the commencement of the proceeding, a proceeding concerning the custody of the child had been previously commenced in a court of another state having jurisdiction substantially in conformity with sections 452.700 to 452.930, unless the proceeding has been terminated or is stayed by the court of the other state because a court of this state is a more convenient forum under section 452.770.

2. Except as otherwise provided in section 452.755, a court of this state, prior to hearing a child custody proceeding, shall examine the court documents and other information supplied by the parties under section 452.780. If the court determines that a child custody proceeding was previously commenced in a court in another state having jurisdiction substantially in accordance with sections 452.700 to 452.930, the court of this state shall stay its proceeding and communicate with the court of the other state. If the court of the state having jurisdiction substantially in accordance with sections 452.700 to 452.930 does not determine that the court of this state is a more appropriate forum, the court of this state shall dismiss the proceeding.

3. In a proceeding to modify a child custody determination, a court of this state shall determine if a proceeding to enforce the determination has been commenced in another state. If a proceeding to enforce a child custody determination has been commenced in another state, the court may:

(1) Stay the proceeding for modification pending the entry of an order of a court of the other state enforcing, staying, denying or dismissing the proceeding for enforcement;

(2) Enjoin the parties from continuing with the proceeding for enforcement; or

(3) Proceed with the modification under conditions it considers appropriate.

452.770. INCONVENIENT FORUM. — 1. A court of this state that has jurisdiction under sections 452.700 to 452.930 to make a child custody determination may decline to exercise its jurisdiction at any time if the court determines that it is an inconvenient forum under the circumstances and that a court of another state is a more appropriate forum. The issue of inconvenient forum may be raised upon the court's own motion, at the request of another court or upon motion of a party.

2. Before determining whether the court is an inconvenient forum, a court of this state shall consider whether it is appropriate that a court of another state exercise jurisdiction. For this purpose, the court shall allow the parties to submit information and shall consider all relevant factors, including:

(1) Whether domestic violence has occurred and is likely to continue in the future and which state could best protect the parties and the child;

(2) The length of time the child has resided outside this state;

(3) The distance between the court in this state and the court in the state that would assume jurisdiction;

(4) The relative financial circumstances of the parties;

(5) Any agreement of the parties as to which state should assume jurisdiction;

(6) The nature and location of the evidence required to resolve the pending litigation, including the testimony of the child;

(7) The ability of the court of each state to decide the issue expeditiously and the procedures necessary to present the evidence; and

(8) The familiarity of the court of each state with the facts and issues of the pending litigation.

3. If a court of this state determines that it is an inconvenient forum and that a court of another state is a more appropriate forum, the court shall stay the proceedings on the condition that a child custody proceeding be promptly commenced in another designated state and may impose any other condition the court considers just and proper.

4. A court of this state may decline to exercise its jurisdiction under sections 452.700 to 452.930 if a child custody determination is incidental to an action for divorce or another proceeding while still retaining jurisdiction over the divorce or other proceeding.

452.775. JURISDICTION DECLINED BY REASON OF CONDUCT. — 1. Except as otherwise provided in section 452.755, if a court of this state has jurisdiction under sections 452.700 to 452.930 because a person invoking the jurisdiction has engaged in unjustifiable conduct, the court shall decline to exercise its jurisdiction unless:

(1) The parents and all persons acting as parents have acquiesced in the exercise of jurisdiction;

(2) A court of the state otherwise having jurisdiction under sections 452.740 to 452.750 determines that this state is a more appropriate forum under section 452.770; or

(3) No other state would have jurisdiction under sections 452.740 to 452.750.

2. If a court of this state declines to exercise its jurisdiction under subsection 1 of this section, the court may fashion an appropriate remedy to ensure the safety of the child and prevent a repetition of the wrongful conduct, including staying the proceeding until a child custody proceeding is commenced in a court having jurisdiction under sections 452.740 to 452.750.

3. If a court dismisses a petition or stays a proceeding because it declines to exercise its jurisdiction under subsection 1 of this section, the court shall charge the party invoking the jurisdiction of the court with necessary and reasonable expenses including costs, communication expenses, attorney's fees, investigative fees, expenses for witnesses, travel expenses and child care during the course of the proceedings, unless the party from whom fees are sought establishes that the award would be clearly inappropriate. The court may not assess fees, costs or expenses against this state except as otherwise provided by law other than sections 452.700 to 452.930.

452.780. INFORMATION TO BE SUBMITTED TO COURT. — 1. Subject to local law providing for the confidentiality of procedures, addresses, and other identifying information, in a child custody proceeding, each party, in its first pleading or in an attached affidavit, shall give information, if reasonably ascertainable, under oath as to the child's present address, the places where the child has lived during the last five years, and the names and present addresses of the persons with whom the child has lived during such period. The pleading or affidavit shall state whether the party:

(1) Has participated, as a party or witness or in any other capacity, in any other proceeding concerning the custody of or visitation with the child and, if so, identify the court, case number of the proceeding and date of the child custody determination, if any;

(2) Knows of any proceeding that could affect the current proceeding, including proceedings for enforcement and proceedings relating to domestic violence, protective orders, termination of parental rights, and adoptions and, if so, identify the court and case number and nature of the proceeding; and

(3) Knows the names and addresses of any person not a party to the proceeding who has physical custody of the child or claims rights of legal custody or physical custody of, or visitation with, the child and, if so, the names and addresses of such persons.

2. If the information required by subsection 1 of this section is not furnished, the court, upon its own motion or that of a party, may stay the proceeding until the information is furnished.

3. If the declaration as to any of the items described in subdivisions (1) to (3) of subsection 1 of this section is in the affirmative, the declarant shall give additional information under oath as required by the court. The court may examine the parties under oath as to details of the information furnished and other matters pertinent to the court's jurisdiction and the disposition of the case.

4. Each party has a continuing duty to inform the court of any proceeding in this or any other state that could affect the current proceeding.

5. If a party alleges in an affidavit or a pleading under oath that the health, safety, or liberty of a party or child would be put at risk by the disclosure of identifying information, that information shall be sealed and not disclosed to the other party or the public unless the court orders the disclosure to be made after a hearing in which the court takes into consideration the health, safety, or liberty of the party or child and determines that the disclosure is in the interest of justice.

452.782. JOINDER OF A PARTY. — If the court learns from information furnished by the parties under section 452.800 or from other sources that a person not a party to the custody proceeding has physical custody of the child or claims to have custody or visitation rights with respect to the child, it may order that person to be joined as a party and to be duly notified of the pendency of the proceeding and of his or her joinder as a party. If the person joined as a party is outside this state, such person shall be served with process or otherwise notified in accordance with section 452.762.

452.785. APPEARANCE OF PARTIES AND CHILD. — 1. The court may order any party to the proceeding who is in this state to appear before the court personally. If the court finds the physical presence of the child to be in the best interest of the child, the court may order that the party who has physical custody of the child to appear physically with the child.

2. If a party to a child custody proceeding whose presence is desired by the court is outside this state, with or without the child, the court may order that a notice given under section 452.762 include a statement directing the party to appear personally with or without the child.

3. If a party to the proceeding who is outside this state is directed to appear under subsection 1 of this section or desires to appear personally before the court with or without the child, the court may require another party to pay to the clerk of the court travel and other necessary expenses of the party so appearing and of the child, if this is just and proper under the circumstances.

4. If the court finds it to be in the best interest of the child that a guardian ad litem be appointed, the court may appoint a guardian ad litem for the child. The guardian ad litem so appointed shall be an attorney licensed to practice law in the state of Missouri. Disqualification of a guardian ad litem shall be ordered in any legal proceeding under this chapter upon the filing of a written application by any party within ten days of appointment. Each party shall be entitled to one disqualification of a guardian ad litem appointed under this subsection in each proceeding, except a party may be entitled to additional disqualifications of a guardian ad litem for good cause shown. The guardian ad litem may, for the purpose of determining custody of the child only, participate in the proceeding as if such guardian ad litem were a party. The court shall enter judgment allowing a reasonable fee to the guardian ad litem.

5. The court shall appoint a guardian ad litem in any proceeding in which child abuse or neglect is alleged.

6. The court may enter any orders necessary to ensure the safety of the child and of any person ordered to appear under this section.

452.790. EFFECT OF CHILD CUSTODY DETERMINATION. — A child custody determination made by a court of this state that had jurisdiction under sections 452.700 to 452.930 binds all persons who have been served in accordance with the laws of this state or notified in accordance with section 452.762 or who have submitted to the jurisdiction of the court, and who have been given an opportunity to be heard. The determination is conclusive as to them as to all decided issues of law and fact except to the extent the determination is modified.

452.795. FULL FAITH AND CREDIT. — A court of this state shall accord full faith and credit to an order made consistently with sections 452.700 to 452.930 which enforces a child custody determination by a court of another state unless the order has been vacated, stayed, or modified by a court authorized to do so under sections 452.740 to 452.845.

452.800. MODIFICATION OF ANOTHER COURT'S DETERMINATION. — Except as otherwise provided in section 452.755, a court of this state may not modify a child custody determination made by a court of another state unless a court of this state has jurisdiction to make an initial determination under subdivision (1) or (2) of subsection 1 of section 452.740 and:

(1) The court of the other state determines that it no longer has exclusive, continuing jurisdiction under section 452.745 or that a court of this state would be a more convenient forum under section 452.770; or

(2) A court of this state or a court of the other state determines that neither child, nor a parent, nor any person acting as a parent presently resides in the other state.

452.805. FILING OF CERTIFIED COPY OF CUSTODY DECREE. — 1. A certified copy of a custody decree of another state may be filed in the office of the clerk of any circuit court of this state. The clerk shall treat the decree in the same manner as a custody decree of the circuit court of this state. A custody decree so filed has the same effect and shall be enforced in like manner as a custody decree rendered by a court of this state.

2. A person violating a custody decree of another state which makes it necessary to enforce the decree in this state may be required to pay necessary travel and other expenses, including attorneys' fees, incurred by the party entitled to the custody or the party's witnesses.

3. A court of this state shall recognize and enforce a child custody determination of a court of another state if the latter court exercised jurisdiction that was in substantial conformity with sections 452.700 to 452.930 or the determination was made under factual circumstances meeting the jurisdictional standards of sections 452.700 to 452.930 and the determination has not been modified in accordance with sections 452.700 to 452.930.

4. A court may utilize any remedy available under other law of this state to enforce a child custody determination made by a court of another state. The procedure provided by sections 452.740 to 452.845 does not affect the availability of other remedies to enforce a child custody determination.

452.810. REGISTRATION OF CHILD CUSTODY DETERMINATION. — 1. A child custody determination issued by a court of another state may be registered in this state, with or without a simultaneous request for enforcement, by sending to the appropriate court in this state:

(1) A letter or other document requesting registration;

(2) Two copies, including one certified copy, of the determination sought to be registered, and a statement under penalty of perjury that to the best of the knowledge and belief of the person seeking registration the order has not been modified; and

(3) Except as otherwise provided in section 452.780, the name and address of the person seeking registration and any parent or person acting as a parent who has been awarded custody or visitation in the child custody determination sought to be registered.

2. On receipt of the documents required in subsection 1 of this section, the registering court shall:

(1) Cause the determination to be filed as a foreign judgment, together with one copy of any accompanying documents and information, regardless of their form; and

(2) Serve notice upon the persons named under subdivision (3) of subsection 1 of this section and provide them with an opportunity to contest the registration in accordance with this section.

3. The notice required by subdivision (2) of subsection 2 of this section must state:

(1) That a registered determination is enforceable as of the date of the registration in the same manner as a determination issued by a court of this state;

(2) That a hearing to contest the validity of the registered determination must be requested within twenty days after service of notice; and

(3) That failure to contest the registration will result in confirmation of the child custody determination and preclude further contest of that determination with respect to any matter that could have been asserted.

4. A person seeking to contest the validity of a registered order must request a hearing within twenty days after service of the notice. At that hearing, the court shall confirm the registered order unless the person contesting registration establishes that:

(1) The issuing court did not have jurisdiction under sections 452.740 to 452.845;

(2) The child custody determination sought to be registered has been vacated, stayed, or modified by a court of a state having jurisdiction to do so under sections 452.740 to 452.845; or

(3) The person contesting registration was entitled to notice, but notice was not given in accordance with the standards of section 452.740 in the proceedings before the court that issued the order for which registration is sought.

5. If a timely request for a hearing to contest the validity of the registration is not made, the registration is confirmed as a matter of law and the person requesting registration and all persons served must be notified of the confirmation.

6. Confirmation of a registered order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter which could have been asserted at the time of registration.

452.815. FORWARDING COPIES OF DECREES. — The clerk of the circuit court of this state, at the request of the court of another state or at the request of any person who is affected by or has a legitimate interest in a custody decree, may, upon payment therefor, certify and forward a copy of the decree to that court or person.

452.820. TESTIMONY OF WITNESSES. — 1. In addition to other procedures available to a party, a party to a child custody proceeding may offer testimony of witnesses who are located in another state, including testimony of the parties and the child, by deposition or other means allowable in this state for testimony taken in another state. The court on its own motion may order that the testimony of a person be taken in another state and may prescribe the manner in which and the terms upon which the testimony is taken.

2. A court of this state may permit an individual residing in another state to be deposed or to testify by telephone, audiovisual means, or other electronic means before a designated court or at another location in that state. A court of this state shall cooperate with courts of other states in designating an appropriate location for the deposition or testimony.

3. Documentary evidence transmitted from another state to a court of this state by technological means that do not produce an original writing may not be excluded from evidence on an objection based on the means of transmission.

452.825. REQUEST FOR ANOTHER COURT TO HOLD HEARING. — 1. A court of this state may request the appropriate court of another state to hold a hearing to obtain evidence, to order persons within that state to produce or give evidence under other procedures of that state, or to have social studies made with respect to the custody of a child involved in proceedings pending in the court of this state; and to forward to the court of this state certified copies of the transcript of the record of the hearing, the evidence otherwise obtained, or any social studies prepared in compliance with the request. The cost of the services may be assessed against the parties.

2. A court of this state may request the appropriate court of another state to order a party to custody proceedings pending in the court of this state to appear in the proceedings and, if that party has physical custody of the child, to appear with the child. The request may state that travel and other necessary expenses of the party and of the child whose appearance is desired will be assessed against the appropriate party.

452.830. APPEARANCE AT HEARING. — 1. Upon request of the court of another state, the courts of this state which are competent to hear custody matters may order a person in this state to appear at a hearing to obtain evidence or to produce or give evidence under other procedures available in this state for use in a custody proceeding in another state. A certified copy of the transcript of the record of the hearing or the evidence otherwise obtained may, in the discretion of the court and upon payment therefor, be forwarded to the requesting court.

2. A person within this state may voluntarily give his testimony or statement in this state for use in a custody proceeding outside this state.

3. Upon request of the court of another state, a competent court of this state may order a person in this state to appear alone or with the child in a custody proceeding in another state. The court may condition compliance with the request upon assurance by the other state that travel and other necessary expenses will be advanced or reimbursed.

452.835. PRESERVATION OF DOCUMENTS. — A court of this state shall preserve the pleadings, orders, decrees, records of hearings, evaluations, and other pertinent records with respect to a child custody proceeding until the child reaches eighteen years of age. Upon appropriate request by the court or law enforcement official of another state, the court shall forward certified copies of these records.

452.840. TRANSFER OF TRANSCRIPTS AND DOCUMENTS. — If a custody decree has been rendered in another state concerning a child involved in a custody proceeding pending in a court of this state, the court of this state, upon taking jurisdiction of the case, shall request of the court of the other state a certified copy of the transcript of any court record and other documents mentioned in section 452.835.

452.845. PRIORITY OF JURISDICTIONAL QUESTION. — If a question of existence or exercise of jurisdiction under sections 452.700 to 452.930 is raised in a child custody proceeding, the question, upon request of a party, must be given priority on the calendar and handled expeditiously.

ARTICLE III
ENFORCEMENT

452.850. DEFINITIONS. — As used in sections 452.850 to 452.915:

(1) "Petitioner" means a person who seeks enforcement of a child custody determination or enforcement of an order for the return of the child under the Hague Convention on the Civil Aspects of International Child Abduction;

(2) "Respondent" means a person against whom a proceeding has been commenced for enforcement of a child custody determination or enforcement of an order for the return of the child under the Hague Convention on the Civil Aspects of International Child Abduction.

452.855. TEMPORARY VISITATION. — 1. Sections 452.850 to 452.915 may be invoked to enforce:

(1) A child custody determination; and

(2) An order for the return of the child made under the Hague Convention on the Civil Aspects of International Child Abduction.

2. A court of this state which does not have jurisdiction to modify a child custody determination may issue a temporary order enforcing:

(1) A visitation schedule made by a court of another state; or

(2) The visitation provisions of a child custody determination of another state that does not provide for a specific visitation schedule.

3. If a court of this state makes an order under subdivision (2) of subsection 2 of this section, the court shall specify in the order a period of time which it considers adequate to allow the person seeking the order to obtain an order from the state having jurisdiction under sections 452.740 to 452.845. The order remains in effect until an order is obtained from the other state or the period expires.

452.860. ENFORCEMENT OF REGISTERED DETERMINATION. — 1. A court of this state may grant any relief normally available under the provisions of the laws of this state to enforce a registered child custody determination made by a court of another state.

2. A court of this state shall recognize and enforce, but shall not modify, except in accordance with sections 452.740 to 452.845, a registered child custody determination of another state.

452.865. SIMULTANEOUS PROCEEDING. — If a proceeding for enforcement under sections 452.850 to 452.915 has been or is commenced in this state and a court of this state determines that a proceeding to modify the determination has been commenced in another state having jurisdiction to modify the determination under sections 452.740 to 452.845, the enforcing court shall immediately communicate with the modifying court. The proceeding for enforcement continues unless the enforcing court, after consultation with the modifying court, stays or dismisses the proceeding.

452.870. EXPEDITED ENFORCEMENT OF CHILD CUSTODY DETERMINATION. — 1. A petition under sections 452.850 to 452.915 shall be verified. Certified copies of all orders sought to be enforced and of the order confirming registration, if any, shall be attached to the petition. A copy of a certified copy of an order may be attached instead of the original.

2. A petition for enforcement of a child custody determination shall state:

(1) Whether the court that issued the determination identified the jurisdictional basis it relied upon in exercising jurisdiction and, if so, what the basis was;

(2) Whether the determination for which enforcement is sought has been vacated, stayed or modified by a court whose decision shall be enforced under sections 452.700 to 452.930 or federal law and, if so, identify the court, case number of the proceeding and action taken;

(3) Whether any proceeding has been commenced that could affect the current proceeding, including proceedings relating to domestic violence, protective orders, termination of parental rights and adoptions, and, if so, identify the court, and the case number and nature of the proceeding;

(4) The present physical address of the child and respondent, if known; and

(5) Whether relief in addition to the immediate physical custody of the child and attorney's fees is sought, including a request for assistance from law enforcement officials and, if so, the relief sought.

3. If the child custody determination has been registered and confirmed under section 452.810, the petition shall also state the date and place of registration.

4. The court shall issue an order directing the respondent to appear with or without the child at a hearing and may enter any orders necessary to ensure the safety of the parties and the child.

5. The hearing shall be held on the next judicial day following service of process unless such date is impossible. In such event, the court shall hold the hearing on the first day possible. The court may extend the date of hearing at the request of the petitioner.

6. The order shall state the time and place of the hearing, and shall advise the respondent that at the hearing the court will order the delivery of the child and payment of fees, costs and expenses under section 452.890, and may set an additional hearing to determine if further relief is appropriate, unless the respondent appears and establishes that:

(1) The child custody determination is not registered and confirmed under section 452.810, and:

(a) The issuing court did not have jurisdiction under sections 452.740 to 452.845;

(b) The child custody determination for which enforcement is sought has been vacated, stayed or modified by a court of a state having jurisdiction to do so under sections 452.740 to 452.845 or federal law; or

(c) The respondent was entitled to notice, but notice was not given in accordance with the standards of section 452.762 in the proceedings before the court that issued the order for which enforcement is sought; or

(2) The child custody determination for which enforcement is sought was registered and confirmed under section 452.810, but has been vacated, stayed or modified by a court of a state having jurisdiction to do so under sections 452.740 to 452.845 or federal law.

452.875. SERVICE OF PETITION AND ORDER. — Except as otherwise provided in section 452.885, the petition and order shall be served by any method authorized by the laws of this state upon the respondent and any person who has physical custody of the child.

452.880. HEARING AND ORDER. — 1. Unless the court enters a temporary emergency order under section 452.755, upon a finding that a petitioner is entitled to the physical custody of the child immediately, the court shall order the child delivered to the petitioner unless the respondent establishes that:

(1) The child custody determination has not been registered and confirmed under section 452.810, and that:

(a) The issuing court did not have jurisdiction under sections 452.740 to 452.845;

(b) The child custody determination for which enforcement is sought has been vacated, stayed or modified by a court of a state having jurisdiction to do so under sections 452.740 to 452.845 or federal law; or

(c) The respondent was entitled to notice, but notice was not given in accordance with the standards of section 452.762 in the proceedings before the court that issued the order for which enforcement is sought; or

(2) The child custody determination for which enforcement is sought was registered and confirmed under section 452.810, but has been vacated, stayed or modified by a court of a state having jurisdiction to do so under sections 452.740 to 452.845 or federal law.

2. The court shall award the fees, costs and expenses authorized under section 452.890 and may grant additional relief, including a request for the assistance of law enforcement officials, and set a further hearing to determine if additional relief is appropriate.

3. If a party called to testify refuses to answer on the grounds that the testimony may be self-incriminating, the court may draw an adverse inference from such refusal.

4. A privilege against disclosure of communications between spouses and a defense of immunity based on the relationship of husband and wife, or parent and child shall not be invoked in a proceeding under sections 452.850 to 452.915.

452.885. WARRANT TO TAKE PHYSICAL CUSTODY OF CHILD. — 1. Upon the filing of a petition seeking enforcement of a child custody determination, the petitioner may file a verified application for the issuance of a warrant to take physical custody of the child if the child is likely to suffer serious imminent physical harm or removal from this state.

2. If the court, upon the testimony of the petitioner or other witnesses, finds that the child is likely to suffer serious imminent physical harm or be imminently removed from this state, the court may issue a warrant to take physical custody of the child. The petition shall be heard on the next judicial day after the warrant is executed. The warrant shall include the statements required under subsection 2 of section 452.870.

3. A warrant to take physical custody of a child shall:

(1) Recite the facts which a conclusion of serious imminent physical harm or removal from the jurisdiction is based;

(2) Direct law enforcement officers to take physical custody of the child immediately; and

(3) Provide for the placement of the child pending final relief.

4. The respondent shall be served with the petition, warrant and order immediately after the child is taken into physical custody.

5. A warrant to take physical custody of a child is enforceable throughout this state. If the court finds on the basis of the testimony of the petitioner or other witness that a less intrusive remedy is not effective, the court may authorize law enforcement officers to enter private property to take physical custody of the child. If required by the exigency of the case, the court may authorize law enforcement officers to make a forcible entry at any hour.

6. The court may impose conditions on the placement of a child to ensure the appearance of the child and the child's custodian.

452.890. COSTS, FEES, AND EXPENSES. — 1. The court shall award the prevailing party, including a state, necessary and reasonable expenses incurred by or on behalf of the party, including costs, communication expenses, attorney's fees, investigative fees, expenses for witnesses, travel expenses and child care during the course of the proceedings, unless the party from whom fees or expenses are sought establishes that the award would be clearly inappropriate.

2. The court shall not assess fees, costs or expenses against a state except as otherwise provided by law other than sections 452.700 to 452.930.

452.895. RECOGNITION AND ENFORCEMENT. — A court of this state shall accord full faith and credit to an order made consistently with sections 452.700 to 452.930 which enforces a child custody determination by a court of another state unless the order has

been vacated, stayed or modified by a court authorized to do so under sections 452.740 to 452.845.

452.900. APPEALS. — An appeal may be taken from a final order in a proceeding under sections 452.850 to 452.915 in accordance with appellate procedures in other civil cases. Unless the court enters a temporary emergency order under section 452.755, the enforcing court shall not stay an order enforcing a child custody determination pending appeal.

452.905. ROLE OF PROSECUTOR OR PUBLIC OFFICIAL. — 1. In a case arising under sections 452.700 to 452.930 or involving the Hague Convention on the Civil Aspects of International Child Abduction, the appropriate public official may take any lawful action, including resort to a proceeding under sections 452.850 to 452.915 or any other available civil proceeding to locate a child, obtain the return of a child or enforce a child custody determination if there is:

(1) An existing child custody determination;

(2) A request from a court in a pending child custody case;

(3) A reasonable belief that a criminal statute has been violated; or

(4) A reasonable belief that the child has been wrongfully removed or retained in violation of the Hague Convention on the Civil Aspects of International Child Abduction.

2. A prosecutor or an appropriate public official shall act on behalf of the court and shall not represent any party to a child custody determination.

452.910. ROLE OF LAW ENFORCEMENT. — At the request of a prosecutor or other appropriate public official acting under section 452.905, a law enforcement officer may take any lawful action reasonably necessary to locate a child or a party and assist such prosecutor or public official with responsibilities under section 452.905.

452.915. COSTS AND EXPENSES. — If the respondent is not the prevailing party, the court may assess against the respondent all direct expenses and costs incurred by the prosecutor or other appropriate public official and law enforcement officers under sections 452.905 and 452.910.

ARTICLE IV
MISCELLANEOUS PROVISIONS

452.920. APPLICATION AND CONSTRUCTION. — In applying and construing sections 452.700 to 452.930, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

452.925. SEVERABILITY CLAUSE. — If any provision of sections 452.700 to 452.930 or its application to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of sections 452.700 to 452.930 which can be given effect without the invalid provision or application, and to this end the provisions of sections 452.700 to 452.930 are severable.

452.930. TRANSITIONAL PROVISION. — A motion or other request for relief made in a child custody or enforcement proceeding which was commenced before August 28, 2009, is governed by the law in effect at the time the motion or other request was made.

454.500. MODIFICATION OF AN ADMINISTRATIVE ORDER, PROCEDURE, EFFECT — RELIEF FROM ORDERS, WHEN. — 1. At any time after the entry of an order pursuant to sections 454.470 and 454.475, the obligated parent, the division, or the person or agency having custody

of the dependent child may file a motion for modification with the director. Such motion shall be in writing, shall set forth the reasons for modification, and shall state the address of the moving party. The motion shall be served by the moving party in the manner provided for in subsection 5 of section 454.465 upon the obligated parent or the party holding the support rights, as appropriate. In addition, if the support rights are held by the division of family services on behalf of the state, a true copy of the motion shall be mailed by the moving party by certified mail to the person having custody of the dependent child at the last known address of that person. A hearing on the motion shall then be provided in the same manner, and determinations shall be based on considerations set out in section 454.475, unless the party served fails to respond within thirty days, in which case the director may enter an order by default. If the child for whom the order applies is no longer in the custody of a person receiving public assistance or receiving support enforcement services from the department, or a division thereof, pursuant to section 454.425, the director may certify the matter for hearing to the circuit court in which the order was filed pursuant to section 454.490 in lieu of holding a hearing pursuant to section 454.475. If the director certifies the matter for hearing to the circuit court, service of the motion to modify shall be had in accordance with the provisions of subsection 5 of section 452.370, RSMo. If the director does not certify the matter for hearing to the circuit court, service of the motion to modify shall be considered complete upon personal service, or on the date of mailing, if sent by certified mail. For the purpose of 42 U.S.C. 666(a)(9)(C), the director shall be considered the "appropriate agent" to receive the notice of the motion to modify for the obligee or the obligor, but only in those instances in which the matter is not certified to circuit court for hearing, and only when service of the motion is attempted on the obligee or obligor by certified mail.

2. A motion for modification made pursuant to this section shall not stay the director from enforcing and collecting upon the existing order pending the modification proceeding unless so ordered by the court.

3. Only payments accruing subsequent to the service of the motion for modification upon all named parties to the motion may be modified. Modification may be granted only upon a showing of a change of circumstances so substantial and continuing as to make the terms unreasonable. In a proceeding for modification of any child support award, the director, in determining whether or not a substantial change in circumstances has occurred, shall consider all financial resources of both parties, including the extent to which the reasonable expenses of either party are, or should be, shared by a spouse or other person with whom he or she cohabits, and the earning capacity of a party who is not employed. If the application of the guidelines and criteria set forth in supreme court rule 88.01 to the financial circumstances of the parties would result in a change of child support from the existing amount by twenty percent or more, then a prima facie showing has been made of a change of circumstances so substantial and continuing as to make the present terms unreasonable.

4. The circuit court may, upon such terms as may be just, relieve a parent from an administrative order entered against that parent because of mistake, inadvertence, surprise, or excusable neglect.

5. No order entered pursuant to section 454.476 shall be modifiable pursuant to this section, except that an order entered pursuant to section 454.476 shall be amended by the director to conform with any modification made by the court that entered the court order upon which the director based his or her order.

6. When the party seeking modifications has met the burden of proof set forth in subsection 3 of this section, then the child support shall be determined in conformity with the criteria set forth in supreme court rule 88.01.

7. The **last four digits of the** Social Security number of the parents shall be recorded on any order entered pursuant to this section. **The full Social Security number of each party and each child shall be retained in the manner required by section 509.520, RSMo.**

455.010. DEFINITIONS. — As used in sections 455.010 to 455.085, unless the context clearly indicates otherwise, the following terms shall mean:

(1) "Abuse" includes but is not limited to the occurrence of any of the following acts, attempts or threats against a person who may be protected pursuant to sections 455.010 to 455.085:

(b) "Battery", purposely or knowingly causing physical harm to another with or without a deadly weapon;

(d) "Harassment", engaging in a purposeful or knowing course of conduct involving more than one incident that alarms or causes distress to another adult and serves no legitimate purpose. The course of conduct must be such as would cause a reasonable adult to suffer substantial emotional distress and must actually cause substantial emotional distress to the petitioner. Such conduct might include, but is not limited to:

a. Following another about in a public place or places;

b. Peering in the window or lingering outside the residence of another; but does not include constitutionally protected activity;

(e) "Sexual assault", causing or attempting to cause another to engage involuntarily in any sexual act by force, threat of force, or duress;

(f) "Unlawful imprisonment", holding, confining, detaining or abducting another person against that person's will;

(3) "Court", the circuit or associate circuit judge or a family court commissioner;

(4) "Ex parte order of protection", an order of protection issued by the court before the respondent has received notice of the petition or an opportunity to be heard on it;

(5) "Family" or "household member", spouses, former spouses, adults related by blood or marriage, adults who are presently residing together or have resided together in the past, an adult who is or has been in a continuing social relationship of a romantic or intimate nature with the victim, and adults who have a child in common regardless of whether they have been married or have resided together at any time;

(6) "Full order of protection", an order of protection issued after a hearing on the record where the respondent has received notice of the proceedings and has had an opportunity to be heard;

(2) Upon receipt of a written request for expungement, a certified copy of the final court order reversing the conviction or setting aside the plea and any other information necessary to ascertain the validity of the request, the Missouri state highway patrol crime laboratory shall expunge all DNA records and identifiable information in the database pertaining to the person and destroy the DNA sample of the person, unless the Missouri state highway patrol determines that the person is otherwise obligated to submit a DNA sample. Within thirty days after the receipt of the court order, the Missouri state highway patrol shall notify the individual that it has expunged his or her DNA sample and DNA profile, or the basis for its determination that the person is otherwise obligated to submit a DNA sample.

(3) The Missouri state highway patrol is not required to destroy any item of physical evidence obtained from a DNA sample if evidence relating to another person would thereby be destroyed.

(4) Any identification, warrant, arrest, or evidentiary use of a DNA match derived from the database shall not be excluded or suppressed from evidence, nor shall any conviction be invalidated or reversed or plea set aside due to the failure to expunge or a delay in expunging DNA records.

This term does not include a decision relating to child support or any other monetary obligation of any person; but the court shall have the right in any custody determination where jurisdiction is had pursuant to section 452.460 and where it is in the best interest of the child to adjudicate the issue of child support;

(2) "Custody proceeding" includes proceedings in which a custody determination is one of several issues, such as an action for dissolution of marriage, legal separation, separate maintenance, appointment of a guardian of the person, child neglect or abandonment, but excluding actions for violation of a state law or municipal ordinance;

(3) "Decree" or "custody decree" means a custody determination contained in a judicial decree or order made in a custody proceeding, and includes an initial decree and a modification decree;

(4) "Home state" means the state in which, immediately preceding the filing of custody proceeding, the child lived with his parents, a parent, an institution; or a person acting as parent, for at least six consecutive months; or, in the case of a child less than six months old, the state in which the child lived from birth with any of the persons mentioned. (1) This state:

(a) Is the home state of the child at the time of commencement of the proceeding; or

(b) Had been the child's home state within six months before commencement of the proceeding and the child is absent from this state for any reason, and a parent or person acting as parent continues to live in this state; or

(a) The child and his parents, or the child and at least one litigant, have a significant connection with this state; and

(b) There is available in this state substantial evidence concerning the child's present or future care, protection, training, and personal relationships; or

(3) The child is physically present in this state and:

(a) The child has been abandoned; or

(b) It is necessary in an emergency to protect the child because he has been subjected to or threatened with mistreatment or abuse, or is otherwise being neglected; or

(4) It appears that no other state would have jurisdiction under prerequisites substantially in accordance with subdivision (1), (2), or (3), or another state has declined to exercise jurisdiction on the ground that this state is the more appropriate forum to determine the custody of the child, and it is in the best interest of the child that this court assume jurisdiction.

2. Except as provided in subdivisions (3) and (4) of subsection 1 of this section, physical presence of the child, or of the child and one of the litigants, in this state is not sufficient alone to confer jurisdiction on a court of this state to make a child custody determination.

3. Physical presence of the child, while desirable, is not a prerequisite for jurisdiction to determine his custody.**]**

4. When a person filing a petition for modification of a child custody decree owes past due child support to a custodial parent in an amount in excess of ten thousand dollars, such person shall post a bond in the amount of past due child support owed as ascertained by the division of child support enforcement or reasonable legal fees of the custodial parent, whichever is greater, before the filing of the petition. The court shall hold the bond in escrow until the modification proceedings pursuant to this section have been concluded wherein such bond shall be transmitted to the division of child support enforcement for disbursement to the custodial parent.**]**

3. The notice provided for in this section is not required for a person who submits to the jurisdiction of the court.**]**

[452.465. SIMULTANEOUS PROCEEDINGS IN OTHER STATES. — 1. A court of this state shall not exercise its jurisdiction under sections 452.440 to 452.550 if, at the time of filing the petition, a proceeding concerning the custody of the child was pending in a court of another state exercising jurisdiction substantially in conformity with sections 452.440 to 452.550, unless the proceeding is stayed by the court of that other state for any reason.

2. Before hearing the petition in a custody proceeding, the court shall examine the pleadings and other information supplied by the parties under section 452.480 and shall consult the child custody registry established under section 452.515 concerning the pendency of proceedings with respect to the child in other states. If the court has reason to believe that proceedings may be pending in another state, it shall direct an inquiry to the state court administrator or other appropriate official of that state.

3. If the court is informed during the course of the proceeding that a proceeding concerning the custody of the child was pending in another state before the court assumed jurisdiction, it shall stay the proceeding and communicate with the court in which the other proceeding is pending in order that the issue may be litigated in the more appropriate forum and that information may be exchanged in accordance with sections 452.530 to 452.550. If a court of this state has made a custody decree before being informed of a pending proceeding in a court of another state, it shall immediately inform that court of the fact. If the court is informed that a proceeding was commenced in another state after it assumed jurisdiction, it shall likewise inform the other court in order that the issues may be litigated in the more appropriate forum.**]**

[452.470. INCONVENIENT FORUM. — 1. A court which has jurisdiction under this act to make an initial or modification decree may decline to exercise its jurisdiction any time before making a decree if it finds that it is an inconvenient forum to make a custody determination under the circumstances of the case and that a court of another state is a more appropriate forum.

2. A finding that a court is an inconvenient forum under subsection 1 above may be made upon the court's own motion or upon the motion of a party or a guardian ad litem or other representative of the child. In determining if it is an inconvenient forum, the court shall consider if it is in the interest of the child that another state assume jurisdiction.

3. Before determining whether to decline or retain jurisdiction the court may communicate with a court of another state and exchange information pertinent to the assumption of jurisdiction by either court, with a view to assuring that jurisdiction will be exercised by the more appropriate court and that a forum will be available to the parties.

4. If the court finds that it is an inconvenient forum and that a court of another state is a more appropriate forum, it may dismiss the proceedings, or it may stay the proceedings upon condition that a custody proceeding be promptly commenced in another named state or upon any other conditions which may be just and proper, including the condition that a moving party stipulate his consent and submission to the jurisdiction of the other forum.

5. The court may decline to exercise its jurisdiction under this act if a custody determination is incidental to an action for dissolution of marriage or another proceeding while retaining jurisdiction over the dissolution of marriage or other proceeding.

6. If it appears to the court that it is clearly an inappropriate forum, it may require the party who commenced the proceedings to pay, in addition to the costs of the proceedings in this state, necessary travel and other expenses, including attorneys' fees, incurred by other parties or their witnesses. Payment is to be made to the clerk of the court for remittance to the proper party.

7. Upon dismissal or stay of proceedings under this section, the court shall inform the court found to be the more appropriate forum of this fact or, if the court which would have jurisdiction in the other state is not certainly known, shall transmit the information to the court administrator or other appropriate official for forwarding to the appropriate court.

8. Any communication received from another state informing this state of a finding that a court of this state is the more appropriate forum shall be filed in the custody registry of the appropriate court. Upon assuming jurisdiction the court of this state shall inform the original court of this fact.**]**

[452.475. JURISDICTION DECLINED BECAUSE OF CONDUCT. — 1. If the petitioner for an initial decree has wrongfully taken the child from another state or has engaged in similar reprehensible conduct, the court may decline to exercise jurisdiction if this is just and proper under the circumstances.

2. Unless required in the interest of the child, the court shall not exercise its jurisdiction to modify a custody decree of another state if the petitioner, without consent of the person entitled to custody, has improperly removed the child from the physical custody of the person entitled to custody or has improperly retained the child after a visit or other temporary relinquishment of physical custody. If the petitioner has violated any other provision of a custody decree of another state, the court may decline to exercise its jurisdiction if this is just and proper under the circumstances.

3. In appropriate cases a court dismissing a petition under this section may charge the petitioner with necessary travel and other expenses, including attorneys' fees, incurred by other parties or their witnesses.**]**

4. If the court finds it to be in the best interest of the child that a guardian ad litem be appointed, the court may appoint a guardian ad litem for the child. The guardian ad litem so appointed shall be an attorney licensed to practice law in the state of Missouri. Disqualification of a guardian ad litem shall be ordered in any legal proceeding pursuant to this chapter, upon the filing of a written application by any party within ten days of appointment. Each party shall be entitled to one disqualification of a guardian ad litem appointed under this subsection in each proceeding, except a party may be entitled to additional disqualifications of a guardian ad litem for good cause shown. The guardian ad litem may, for the purpose of determining custody of the child only, participate in the proceedings as if such guardian ad litem were a party. SECTION

A. Enacting clause.

160.545. A+ school program established — purpose — rules — variable fund match requirement — waiver of rules and regulations, requirement — reimbursement for higher education costs for students — evaluation — reimbursement for two-year schools.

Be it enacted by the General Assembly of the state of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Section 160.545, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 160.545, to read as follows:

160.545. A+ SCHOOL PROGRAM ESTABLISHED — PURPOSE — RULES — VARIABLE FUND MATCH REQUIREMENT — WAIVER OF RULES AND REGULATIONS, REQUIREMENT — REIMBURSEMENT FOR HIGHER EDUCATION COSTS FOR STUDENTS — EVALUATION — REIMBURSEMENT FOR TWO-YEAR SCHOOLS. — 1. There is hereby established within the department of elementary and secondary education the "A+ Schools Program" to be administered by the commissioner of education. The program shall consist of grant awards made to public secondary schools that demonstrate a commitment to ensure that:

(1) All students be graduated from school;

(2) All students complete a selection of high school studies that is challenging and for which there are identified learning expectations; and

(3) All students proceed from high school graduation to a college or postsecondary vocational or technical school or high-wage job with work place skill development opportunities.

2. The state board of education shall promulgate rules and regulations for the approval of grants made under the program to schools that:

(1) Establish measurable districtwide performance standards for the goals of the program outlined in subsection 1 of this section; and

(2) Specify the knowledge, skills and competencies, in measurable terms, that students must demonstrate to successfully complete any individual course offered by the school, and any course of studies which will qualify a student for graduation from the school; and

(3) Do not offer a general track of courses that, upon completion, can lead to a high school diploma; and

(4) Require rigorous coursework with standards of competency in basic academic subjects for students pursuing vocational and technical education as prescribed by rule and regulation of the state board of education; and

(5) Have a partnership plan developed in cooperation and with the advice of local business persons, labor leaders, parents, and representatives of college and postsecondary vocational and technical school representatives, with the plan then approved by the local board of education. The plan shall specify a mechanism to receive information on an annual basis from those who developed the plan in addition to senior citizens, community leaders, and teachers to update the plan in order to best meet the goals of the program as provided in subsection 1 of this section. Further, the plan shall detail the procedures used in the school to identify students that may drop out of school and the intervention services to be used to meet the needs of such students. The plan shall outline counseling and mentoring services provided to students who will enter the work force upon graduation from high school, address apprenticeship and intern programs, and shall contain procedures for the recruitment of volunteers from the community of the school to serve in schools receiving program grants.

3. A school district may participate in the program irrespective of its accreditation classification by the state board of education, provided it meets all other requirements.

4. By rule and regulation, the state board of education may determine a local school district variable fund match requirement in order for a school or schools in the district to receive a grant under the program. Further, no school in any district shall receive a grant under the program unless the district makes available facilities and services for adult literacy training as specified by rule of the state board of education.

5. For any school that meets the requirements for the approval of the grants authorized by this section and specified in subsection 2 of this section for three successive school years, by August first following the third such school year, the commissioner of education shall present a plan to the superintendent of the school district in which such school is located for the waiver

of rules and regulations to promote flexibility in the operations of the school and to enhance and encourage efficiency in the delivery of instructional services in the school. Further, the provisions of other law to the contrary notwithstanding, the plan shall detail a means for the waiver of requirements otherwise imposed on the school related to the authority of the state board of education to classify school districts pursuant to subdivision (9) of section 161.092, RSMo, and such other rules and regulations as determined by the commissioner of education, except such waivers shall be confined to the school and not other schools in the school district unless such other schools meet the requirements of this subsection. However, any waiver provided to any school as outlined in this subsection shall be void on June thirtieth of any school year in which the school fails to meet the requirements for the approval of the grants authorized by this section as specified in subsection 2 of this section.

6. For any school year, grants authorized by subsections 1 to 3 of this section shall be funded with the amount appropriated for this program, less those funds necessary to reimburse eligible students pursuant to subsection 7 of this section.

7. The commissioner of education shall, by rule and regulation of the state board of education and with the advice of the coordinating board for higher education, establish a procedure for the reimbursement of the cost of tuition, books and fees to any public community college or **[**within the limits established in subsection 9 of this section any two-year public or private**]** vocational or technical school **or within the limits established in subsection 9 of this section for any two-year private vocational or technical school** for any student:

8. The commissioner of education shall develop a procedure for evaluating the effectiveness of the program described in this section. Such evaluation shall be conducted annually with the results of the evaluation provided to the governor, speaker of the house, and president pro tempore of the senate.

The Commission may meet in camera only after a majority of the entire membership votes to close a meeting en toto or in part. As soon as practicable, the Commission must make public (i) a copy of the vote to close the meeting revealing the vote of each Member with no proxy votes allowed, and (ii) votes taken during such meeting;

v. Establishing the titles, duties and authority and reasonable procedures for the election of the officers of the Commission;

The executive director shall serve as secretary to the Commission, but shall not be a Member of the Commission. The executive director shall hire and supervise such other staff as may be authorized by the Commission.

3. Legislative and Advisory Committees

A legislative committee comprising state legislators or their designees shall be established to monitor the operations of, and make recommendations to, the Commission, including the Management Committee; provided that the manner of selection and term of any legislative committee member shall be as set forth in the Bylaws. Prior to the adoption by the Commission of any Uniform Standard, revision to the Bylaws, annual budget or other significant matter as may be provided in the Bylaws, the Management Committee shall consult with and report to the legislative committee.

b. The Commission shall establish two (2) advisory committees, one of which shall comprise consumer representatives independent of the insurance industry, and the other comprising insurance industry representatives.

c. The Commission may establish additional advisory committees as its Bylaws may provide for the carrying out of its functions.

4. Corporate Records of the Commission

The Commission shall maintain its corporate books and records in accordance with the Bylaws.

5. Qualified Immunity, Defense and Indemnification

a. The Members, officers, executive director, employees and representatives of the Commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities; provided, that nothing in this paragraph shall be construed to protect any such person from suit and/or liability for any damage, loss, injury or liability caused by the intentional or willful and wanton misconduct of that person.

b. The Commission shall defend any Member, officer, executive director, employee or representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of Commission employment, duties or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities; provided, that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error or omission did not result from that person's intentional or willful and wanton misconduct.

c. The Commission shall indemnify and hold harmless any Member, officer, executive director, employee or representative of the Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of Commission employment, duties or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities, provided, that the actual or alleged act, error or omission did not result from the intentional or willful and wanton misconduct of that person.

ARTICLE VI. MEETINGS AND ACTS OF THE COMMISSION

1. The Commission shall meet and take such actions as are consistent with the provisions of this Compact and the Bylaws.

2. Each Member of the Commission shall have the right and power to cast a vote to which that Compacting State is entitled and to participate in the business and affairs of the Commission. A Member shall vote in person or by such other means as provided in the Bylaws. The Bylaws may provide for Members' participation in meetings by telephone or other means of communication.

3. The Commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the Bylaws.

ARTICLE VII. RULES AND OPERATING PROCEDURES: RULEMAKING FUNCTIONS OF THE COMMISSION AND OPTING OUT OF UNIFORM STANDARDS

1. Rulemaking Authority. The Commission shall promulgate reasonable Rules, including Uniform Standards, and Operating Procedures in order to effectively and efficiently achieve the purposes of this Compact. Notwithstanding the foregoing, in the event the Commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this Act, or the powers granted hereunder, then such an action by the Commission shall be invalid and have no force and effect.

2. Rulemaking Procedure. Rules and Operating Procedures shall be made pursuant to a rulemaking process that conforms to the Model State Administrative Procedure Act of 1981 as amended, as may be appropriate to the operations of the Commission. Before

the Commission adopts a Uniform Standard, the Commission shall give written notice to the relevant state legislative committee(s) in each Compacting State responsible for insurance issues of its intention to adopt the Uniform Standard. The Commission in adopting a Uniform Standard shall consider fully all submitted materials and issue a concise explanation of its decision.

3. Effective Date and Opt Out of a Uniform Standard. A Uniform Standard shall become effective ninety (90) days after its promulgation by the Commission or such later date as the Commission may determine; provided, however, that a Compacting State may opt out of a Uniform Standard as provided in this Article. "Opt out" shall be defined as any action by a Compacting State to decline to adopt or participate in a promulgated Uniform Standard. All other Rules and Operating Procedures, and amendments thereto, shall become effective as of the date specified in each Rule, Operating Procedure or amendment.

4. Opt Out Procedure. A Compacting State may opt out of a Uniform Standard, either by legislation or regulation duly promulgated by the Insurance Department under the Compacting State's Administrative Procedure Act. If a Compacting State elects to opt out of a Uniform Standard by regulation, it must (a) give written notice to the Commission no later than ten (10) business days after the Uniform Standard is promulgated, or at the time the State becomes a Compacting State and (b) find that the Uniform Standard does not provide reasonable protections to the citizens of the State, given the conditions in the State. The Commissioner shall make specific findings of fact and conclusions of law, based on a preponderance of the evidence, detailing the conditions in the State which warrant a departure from the Uniform Standard and determining that the Uniform Standard would not reasonably protect the citizens of the State. The Commissioner must consider and balance the following factors and find that the conditions in the State and needs of the citizens of the State outweigh: (i) the intent of the legislature to participate in, and the benefits of, an interstate agreement to establish national uniform consumer protections for the Products subject to this Act; and (ii) the presumption that a Uniform Standard adopted by the Commission provides reasonable protections to consumers of the relevant Product. Notwithstanding the foregoing, a Compacting State may, at the time of its enactment of this Compact, prospectively opt out of all Uniform Standards involving long-term care insurance products by expressly providing for such opt out in the enacted Compact, and such an opt out shall not be treated as a material variance in the offer or acceptance of any State to participate in this Compact. Such an opt out shall be effective at the time of enactment of this Compact by the Compacting State and shall apply to all existing Uniform Standards involving long-term care insurance products and those subsequently promulgated.

5. Effect of Opt Out. If a Compacting State elects to opt out of a Uniform Standard, the Uniform Standard shall remain applicable in the Compacting State electing to opt out until such time the opt out legislation is enacted into law or the regulation opting out becomes effective. Once the opt out of a Uniform Standard by a Compacting State becomes effective as provided under the laws of that State, the Uniform Standard shall have no further force and effect in that State unless and until the legislation or regulation implementing the opt out is repealed or otherwise becomes ineffective under the laws of the State. If a Compacting State opts out of a Uniform Standard after the Uniform Standard has been made effective in that State, the opt out shall have the same prospective effect as provided under Article XIV for withdrawals.

6. Stay of Uniform Standard. If a Compacting State has formally initiated the process of opting out of a Uniform Standard by regulation, and while the regulatory opt out is pending, the Compacting State may petition the Commission, at least fifteen (15) days before the effective date of the Uniform Standard, to stay the effectiveness of the Uniform Standard in that State. The Commission may grant a stay if it determines the

regulatory opt out is being pursued in a reasonable manner and there is a likelihood of success. If a stay is granted or extended by the Commission, the stay or extension thereof may postpone the effective date by up to ninety (90) days, unless affirmatively extended by the Commission; provided, a stay may not be permitted to remain in effect for more than one (1) year unless the Compacting State can show extraordinary circumstances which warrant a continuance of the stay, including, but not limited to, the existence of a legal challenge which prevents the Compacting State from opting out. A stay may be terminated by the Commission upon notice that the rulemaking process has been terminated.

7. Not later than thirty (30) days after a Rule or Operating Procedure is promulgated, any person may file a petition for judicial review of the Rule or Operating Procedure; provided, that the filing of such a petition shall not stay or otherwise prevent the Rule or Operating Procedure from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the Commission consistent with applicable law and shall not find the Rule or Operating Procedure to be unlawful if the Rule or Operating Procedure represents a reasonable exercise of the Commission's authority.

ARTICLE VIII. COMMISSION RECORDS AND ENFORCEMENT

1. The Commission shall promulgate Rules establishing conditions and procedures for public inspection and copying of its information and official records, except such information and records involving the privacy of individuals and insurers' trade secrets. The Commission may promulgate additional Rules under which it may make available to federal and state agencies, including law enforcement agencies, records and information otherwise exempt from disclosure, and may enter into agreements with such agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

2. Except as to privileged records, data and information, the laws of any Compacting State pertaining to confidentiality or nondisclosure shall not relieve any Compacting State Commissioner of the duty to disclose any relevant records, data or information to the Commission; provided, that disclosure to the Commission shall not be deemed to waive or otherwise affect any confidentiality requirement; and further provided, that, except as otherwise expressly provided in this Act, the Commission shall not be subject to the Compacting State's laws pertaining to confidentiality and nondisclosure with respect to records, data and information in its possession. Confidential information of the Commission shall remain confidential after such information is provided to any Commissioner.

3. The Commission shall monitor Compacting States for compliance with duly adopted Bylaws, Rules, including Uniform Standards, and Operating Procedures. The Commission shall notify any non-complying Compacting State in writing of its noncompliance with Commission Bylaws, Rules or Operating Procedures. If a non-complying Compacting State fails to remedy its noncompliance within the time specified in the notice of noncompliance, the Compacting State shall be deemed to be in default as set forth in Article XIV.

4. The Commissioner of any State in which an Insurer is authorized to do business, or is conducting the business of insurance, shall continue to exercise his or her authority to oversee the market regulation of the activities of the Insurer in accordance with the provisions of the State's law. The Commissioner's enforcement of compliance with the Compact is governed by the following provisions:

a. With respect to the Commissioner's market regulation of a Product or Advertisement that is approved or certified to the Commission, the content of the Product or Advertisement shall not constitute a violation of the provisions, standards or requirements of the Compact except upon a final order of the Commission, issued at the

request of a Commissioner after prior notice to the Insurer and an opportunity for hearing before the Commission.

b. Before a Commissioner may bring an action for violation of any provision, standard or requirement of the Compact relating to the content of an Advertisement not approved or certified to the Commission, the Commission, or an authorized Commission officer or employee, must authorize the action. However, authorization pursuant to this paragraph does not require notice to the Insurer, opportunity for hearing or disclosure of requests for authorization or records of the Commission's action on such requests.

ARTICLE IX. DISPUTE RESOLUTION

The Commission shall attempt, upon the request of a Member, to resolve any disputes or other issues that are subject to this Compact and which may arise between two or more Compacting States, or between Compacting States and Non-compacting States, and the Commission shall promulgate an Operating Procedure providing for resolution of such disputes.

ARTICLE X. PRODUCT FILING AND APPROVAL

1. Insurers and Third-Party Filers seeking to have a Product approved by the Commission shall file the Product with, and pay applicable filing fees to, the Commission. Nothing in this Act shall be construed to restrict or otherwise prevent an insurer from filing its Product with the insurance department in any State wherein the insurer is licensed to conduct the business of insurance, and such filing shall be subject to the laws of the States where filed.

2. The Commission shall establish appropriate filing and review processes and procedures pursuant to Commission Rules and Operating Procedures. Notwithstanding any provision herein to the contrary, the Commission shall promulgate Rules to establish conditions and procedures under which the Commission will provide public access to Product filing information. In establishing such Rules, the Commission shall consider the interests of the public in having access to such information, as well as protection of personal medical and financial information and trade secrets, that may be contained in a Product filing or supporting information.

3. Any Product approved by the Commission may be sold or otherwise issued in those Compacting States for which the Insurer is legally authorized to do business.

ARTICLE XI. REVIEW OF COMMISSION DECISIONS REGARDING FILINGS

1. Not later than thirty (30) days after the Commission has given notice of a disapproved Product or Advertisement filed with the Commission, the Insurer or Third Party Filer whose filing was disapproved may appeal the determination to a review panel appointed by the Commission. The Commission shall promulgate Rules to establish procedures for appointing such review panels and provide for notice and hearing. An allegation that the Commission, in disapproving a Product or Advertisement filed with the Commission, acted arbitrarily, capriciously, or in a manner that is an abuse of discretion or otherwise not in accordance with the law, is subject to judicial review in accordance with Article III, Section 4.

2. The Commission shall have authority to monitor, review and reconsider Products and Advertisement subsequent to their filing or approval upon a finding that the product does not meet the relevant Uniform Standard. Where appropriate, the Commission may withdraw or modify its approval after proper notice and hearing, subject to the appeal process in Section 1 above.

ARTICLE XII. FINANCE

1. The Commission shall pay or provide for the payment of the reasonable expenses of its establishment and organization. To fund the cost of its initial operations, the Commission may accept contributions and other forms of funding from the National Association of Insurance Commissioners, Compacting States and other sources.

Contributions and other forms of funding from other sources shall be of such a nature that the independence of the Commission concerning the performance of its duties shall not be compromised.

2. The Commission shall collect a filing fee from each Insurer and Third Party Filer filing a product with the Commission to cover the cost of the operations and activities of the Commission and its staff in a total amount sufficient to cover the Commission's annual budget.

3. The Commission's budget for a fiscal year shall not be approved until it has been subject to notice and comment as set forth in Article VII of this Compact.

4. The Commission shall be exempt from all taxation in and by the Compacting States.

5. The Commission shall not pledge the credit of any Compacting State, except by and with the appropriate legal authority of that Compacting State.

6. The Commission shall keep complete and accurate accounts of all its internal receipts, including grants and donations, and disbursements of all funds under its control. The internal financial accounts of the Commission shall be subject to the accounting procedures established under its Bylaws. The financial accounts and reports including the system of internal controls and procedures of the Commission shall be audited annually by an independent certified public accountant. Upon the determination of the Commission, but no less frequently than every three (3) years, the review of the independent auditor shall include a management and performance audit of the Commission. The Commission shall make an Annual Report to the Governor and legislature of the Compacting States, which shall include a report of the independent audit. The Commission's internal accounts shall not be confidential and such materials may be shared with the Commissioner of any Compacting State upon request provided, however, that any work papers related to any internal or independent audit and any information regarding the privacy of individuals and insurers' proprietary information, including trade secrets, shall remain confidential.

7. No Compacting State shall have any claim to or ownership of any property held by or vested in the Commission or to any Commission funds held pursuant to the provisions of this Compact.

ARTICLE XIII. COMPACTING STATES, EFFECTIVE DATE AND AMENDMENT

1. Any State is eligible to become a Compacting State.

2. The Compact shall become effective and binding upon legislative enactment of the Compact into law by two Compacting States; provided, the Commission shall become effective for purposes of adopting Uniform Standards for, reviewing, and giving approval or disapproval of, Products filed with the Commission that satisfy applicable Uniform Standards only after twenty-six (26) States are Compacting States or, alternatively, by States representing greater than forty percent (40%) of the premium volume for life insurance, annuity, disability income and long-term care insurance products, based on records of the NAIC for the prior year. Thereafter, it shall become effective and binding as to any other Compacting State upon enactment of the Compact into law by that State.

3. Amendments to the Compact may be proposed by the Commission for enactment by the Compacting States. No amendment shall become effective and binding upon the Commission and the Compacting States unless and until all Compacting States enact the amendment into law.

ARTICLE XIV. WITHDRAWAL, DEFAULT AND TERMINATION

1. Withdrawal

a. Once effective, the Compact shall continue in force and remain binding upon each and every Compacting State; provided, that a Compacting State may withdraw from the

Compact ("Withdrawing State") by enacting a statute specifically repealing the statute which enacted the Compact into law.

b. The effective date of withdrawal is the effective date of the repealing statute. However, the withdrawal shall not apply to any product filings approved or self-certified, or any Advertisement of such products, on the date the repealing statute becomes effective, except by mutual agreement of the Commission and the Withdrawing State unless the approval is rescinded by the Withdrawing State as provided in Paragraph e of this section.

c. The Commissioner of the Withdrawing State shall immediately notify the Management Committee in writing upon the introduction of legislation repealing this Compact in the Withdrawing State.

d. The Commission shall notify the other Compacting States of the introduction of such legislation within ten (10) days after its receipt of notice thereof.

e. The Withdrawing State is responsible for all obligations, duties and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal, except to the extent those obligations may have been released or relinquished by mutual agreement of the Commission and the Withdrawing State. The Commission's approval of Products and Advertisement prior to the effective date of withdrawal shall continue to be effective and be given full force and effect in the Withdrawing State, unless formally rescinded by the Withdrawing State in the same manner as provided by the laws of the Withdrawing State for the prospective disapproval of products or advertisement previously approved under state law.

f. Reinstatement following withdrawal of any Compacting State shall occur upon the effective date of the Withdrawing State reenacting the Compact.

2. Default

a. If the Commission determines that any Compacting State has at any time defaulted ("Defaulting State") in the performance of any of its obligations or responsibilities under this Compact, the Bylaws or duly promulgated Rules or Operating Procedures, then, after notice and hearing as set forth in the Bylaws, all rights, privileges and benefits conferred by this Compact on the Defaulting State shall be suspended from the effective date of default as fixed by the Commission. The grounds for default include, but are not limited to, failure of a Compacting State to perform its obligations or responsibilities, and any other grounds designated in Commission Rules. The Commission shall immediately notify the Defaulting State in writing of the Defaulting State's suspension pending a cure of the default. The Commission shall stipulate the conditions and the time period within which the Defaulting State must cure its default. If the Defaulting State fails to cure the default within the time period specified by the Commission, the Defaulting State shall be terminated from the Compact and all rights, privileges and benefits conferred by this Compact shall be terminated from the effective date of termination.

b. Product approvals by the Commission or product self-certifications, or any Advertisement in connection with such product, that are in force on the effective date of termination shall remain in force in the Defaulting State in the same manner as if the Defaulting State had withdrawn voluntarily pursuant to Section 1 of this article.

c. Reinstatement following termination of any Compacting State requires a reenactment of the Compact.

3. Dissolution of Compact

a. The Compact dissolves effective upon the date of the withdrawal or default of the Compacting State which reduces membership in the Compact to one Compacting State.

b. Upon the dissolution of this Compact, the Compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Commission shall be wound up and any surplus funds shall be distributed in accordance with the Bylaws.

ARTICLE XV. SEVERABILITY AND CONSTRUCTION

1. The provisions of this Compact shall be severable; and if any phrase, clause, sentence or provision is deemed unenforceable, the remaining provisions of the Compact shall be enforceable.

2. The provisions of this Compact shall be liberally construed to effectuate its purposes.

ARTICLE XVI. BINDING EFFECT OF COMPACT AND OTHER LAWS

1. Other Laws

a. Nothing herein prevents the enforcement of any other law of a Compacting State, except as provided in Paragraph b of this section.

b. For any Product approved or certified to the Commission, the Rules, Uniform Standards and any other requirements of the Commission shall constitute the exclusive provisions applicable to the content, approval and certification of such Products. For Advertisement that is subject to the Commission's authority, any Rule, Uniform Standard or other requirement of the Commission which governs the content of the Advertisement shall constitute the exclusive provision that a Commissioner may apply to the content of the Advertisement. Notwithstanding the foregoing, no action taken by the Commission shall abrogate or restrict: (i) the access of any person to state courts; (ii) remedies available under state law related to breach of contract, tort, or other laws not specifically directed to the content of the Product; (iii) state law relating to the construction of insurance contracts; or (iv) the authority of the attorney general of the state, including but not limited to maintaining any actions or proceedings, as authorized by law.

c. All insurance products filed with individual States shall be subject to the laws of those States.

2. Binding Effect of this Compact

a. All lawful actions of the Commission, including all Rules and Operating Procedures promulgated by the Commission, are binding upon the Compacting States.

b. All agreements between the Commission and the Compacting States are binding in accordance with their terms.

c. Upon the request of a party to a conflict over the meaning or interpretation of Commission actions, and upon a majority vote of the Compacting States, the Commission may issue advisory opinions regarding the meaning or interpretation in dispute.

d. In the event any provision of this Compact exceeds the constitutional limits imposed on the legislature of any Compacting State, the obligations, duties, powers or jurisdiction sought to be conferred by that provision upon the Commission shall be ineffective as to that Compacting State, and those obligations, duties, powers or jurisdiction shall remain in the Compacting State and shall be exercised by the agency thereof to which those obligations, duties, powers or jurisdiction are delegated by law in effect at the time this Compact becomes effective.

5. For good cause shown, the director may grant an extension of time during which the educational requirements imposed by this section may be completed, but such extension of time shall not exceed the period of one calendar year. An insurer may make application to the director for relief from the above rotation requirement on the basis of unusual circumstances. **Such application shall be made at least thirty days before the end of the calendar year. The insurer shall file, with its annual statement filing, the approval, if any, for relief from this subsection with the states that it is licensed in or doing business in and with the NAIC. If the nondomestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format acceptable to the NAIC.** The director may consider the following factors in determining if the relief should be granted:

(1) Number of partners, expertise of the partners or the number of insurance clients in the currently registered firm;

(2) Premium volume of the insurer; or

(3) Number of jurisdictions in which the insurer transacts business.

4. The director shall **[**not**]** **neither** recognize as **[**capable or competent,**]** a **qualified independent** certified public accountant, nor **[**shall the director**]** accept any annual audited financial report, prepared in whole or in part by any **natural** person who:

An accountant's actuary may also issue an actuarial opinion or certification ("opinion") on an insurer's reserves if the following conditions have been met:

(a) Neither the accountant nor the accountant's actuary has performed any management functions or made any management decisions;

8. Insurers having direct written and assumed premiums of less than one hundred million dollars in any calendar year may request an exemption from subsection 7 of this section. The insurer shall file with the director a written statement discussing the reasons why the insurer should be exempt from these provisions. If the director finds, upon review of this statement, that compliance with this requirement would constitute a financial or organizational hardship upon the insurer, an exemption may be granted.

9. A qualified independent certified public accountant who performs the audit may engage in other nonaudit services, including tax services, that are not described in and do not conflict with subsection 7 of this section, only if the activity is approved in advance by the audit committee, in accordance with subsection 10 of this section.

10. All auditing services and nonaudit services provided to an insurer by the qualified independent certified public accountant of the insurer shall be preapproved by the audit committee. The preapproval requirement is waived with respect to nonaudit services if the insurer is a SOX compliant entity or a direct or indirect wholly owned subsidiary of a SOX compliant entity or:

(1) The aggregate amount of all such nonaudit services provided to the insurer constitutes not more than five percent of the total amount of fees paid by the insurer to its qualified independent certified public accountant during the fiscal year in which the nonaudit services are provided;

(2) The services were not recognized by the insurer at the time of the engagement to be nonaudit services; and

(3) The services are promptly brought to the attention of the audit committee and approved prior to the completion of the audit by the audit committee or by one or more members of the audit committee who are the members of the board of directors to whom authority to grant such approvals has been delegated by the audit committee.

11. The audit committee may delegate to one or more designated members of the audit committee the authority to grant the preapprovals required by subsection 10 of this section. The decisions of any member to whom this authority is delegated shall be presented to the full audit committee at each of its scheduled meetings.

12. The director shall not recognize an independent certified public accountant as qualified for a particular insurer if a member of the board, president, chief executive officer, controller, chief financial officer, chief accounting officer, or any person serving in an equivalent position for that insurer was employed by the independent certified public accountant and participated in the audit of that insurer during the one-year period preceding the date that the most current statutory opinion is due.

13. Subsection 12 of this section shall only apply to partners and senior managers involved in the audit. An insurer may make application to the director for relief from subsection 12 of this section on the basis of unusual circumstances. The insurer shall file, with its annual statement filing, the approval for relief from subsection 12 of this section with the states that it is licensed in or doing business in and the NAIC. If the nondomestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format acceptable to the NAIC.

375.1038. CONSOLIDATED OR COMMINGLED FINANCIAL STATEMENTS PERMITTED, WHEN — WORKSHEET , CONTENTS. — An insurer may make written application to the director for approval to file audited consolidated or combined financial statements in lieu of separate annual audited financial statements if the insurer is part of a group of insurance companies that utilizes a pooling or one hundred percent reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer

cedes all of its direct and assumed business to the pool. In such cases, a columnar consolidating or combining worksheet shall be filed with the report as follows:

(2) The background and experience in general, and the experience in audits of insurers, of the staff assigned to audit the financial statements of the insurer and whether each is an independent certified public accountant**. Nothing within this requirement shall be construed as prohibiting the accountant from utilizing such staff as he or she deems appropriate where use is consistent with the standards prescribed by generally accepted auditing standards**;

(3) That the accountant understands the annual audited financial report and his opinion thereon will be filed in compliance with sections 375.1025 to 375.1062 and that the director will be relying on this information in the monitoring and regulation of the financial position of the insurer;

(4) That the accountant consents to the requirements of section 375.1050 and that the accountant consents and agrees to make available for review by the director, **[**his**]** **the director's** designee or **[**his**]** appointed agent, the workpapers, as defined in section 375.1050;

The insurer required to furnish the annual audited financial report shall require the independent certified public accountant to report, in writing, within five business days to the board of directors or its audit committee any determination by the independent certified public accountant that the insurer has materially misstated its financial condition as reported to the director as of the balance sheet date currently under **[**examination**]** **audit** or that the insurer does not meet the minimum capital and surplus requirement of the law as of that date. An insurer who has received a report pursuant to this subsection shall forward a copy of the report to the director within five business days of receipt of such report and shall provide the independent certified public accountant making the report with evidence of the report being furnished to the director. No reinsurance premium tax shall be payable in connection with the receipt of assets in exchange for the assumption of loss reserves and other liabilities of another insurer under common ownership and control if such transaction is part of a plan to discontinue the operations of such other insurer, and if the intent of the parties to such transaction is to renew or maintain such business with the captive insurance company.

3. The annual minimum aggregate tax to be paid by a captive insurance company calculated under subsections 1 and 2 of this section shall be seven thousand five hundred dollars, and the annual maximum aggregate tax shall be two hundred thousand dollars.

4. 10. The tax provided for in this section shall be calculated on an annual basis, notwithstanding policies or contracts of insurance or contracts of reinsurance issued on a multiyear basis. In the case of multiyear policies or contracts, the premium shall be prorated for purposes of determining the tax under this section.

11. A captive insurance company may deduct from premium taxes payable to this state, in addition to all other credits allowed by law, license fees and renewal fees payable under section 379.1302. A deduction for fees which exceeds a captive insurance company's premium tax liability for the same tax year shall not be refundable, but may be carried forward to any subsequent tax year, not to exceed five years, until the full deduction is claimed.

379.1332. PROMOTION OF CAPTIVE INSURANCE, MONEYS FROM DEDICATED INSURANCE FUND TO BE USED. — 1. 3. In the case of a conversion authorized under subsection 1 of this section:

(a) Satisfies the provisions of subsection 2 of this section;

(b) Provides for a hearing, of which notice is given or to be given to the captive insurance company, its directors, officers, and policyholders, and in the case of a stock insurer, its stockholders, and in the case of a mutual insurer, its members, all of which persons shall be entitled to attend and appear at such hearing; provided, however, that if notice of a hearing is given and no director, officer, policyholder, member, or stockholder requests a hearing, the director may cancel such hearing;

(c) Provides a fair and equitable plan for the conversion of stockholder, member, or policyholder interests into subscriber interests in the resulting reciprocal insurer substantially proportionate to the corresponding interests in the stock or mutual insurer; provided, however, that this requirement shall not preclude the resulting reciprocal insurer from applying underwriting criteria that could affect ongoing ownership interests; and

(d) Is approved:

a. In the case of a stock insurer, by a majority of the shares entitled to vote represented in person or by proxy at a duly called regular or special meeting at which a quorum is present; and

b. In the case of a mutual insurer, by a majority of the voting interests of policyholders represented in person or by proxy at a duly called regular or special meeting thereof at which a quorum is present;

(2) The director shall approve such plan of conversion if the director finds that the conversion will promote the general good of the state in conformity with those standards set forth in subdivision (1) of subsection 4 of section 379.1310;

(3) If the director approves the plan, the director shall amend the converting insurer's certificate of authority to reflect conversion to a reciprocal insurer and issue such amended certificate of authority to the company's attorney-in-fact;

(4) Upon the issuance of an amended certificate of authority of a reciprocal insurer by the director, the conversion shall be effective; and

(5) Upon the effectiveness of such conversion the corporate existence of the converting insurer shall cease and the resulting reciprocal insurer shall notify the secretary of state of such conversion.

4. A merger authorized under subsection 1 of this section shall be accomplished substantially in accordance with such procedures and plan of merger adopted by the board of directors of the captive insurance company and as authorized by the director; except that, solely for purposes of such merger:

forth in subdivision (1) of subsection 4 of section 379.1310. If the director approves the articles of merger, the director shall endorse the director's approval thereon and the surviving insurer shall present the same to the secretary of state at the secretary of state's office;

(6) Notwithstanding section 379.1306, the director may permit the formation, without surplus, of a captive insurance company organized as a reciprocal insurer into which an existing captive insurance company may be merged for the purpose of facilitating a transaction under this section; provided, however, that there shall be no more than one authorized insurance company surviving such merger; and

(7) An alien insurer may be a party to a merger authorized under subsection 1 of this section; provided that such alien insurer shall be treated as a foreign insurer and such other jurisdictions shall be the equivalent of a state.

5. To the extent such effects are not inconsistent with the provisions of sections 379.1300 to 379.1350, a conversion or merger under this section shall have all of the following effects:

(1) The several insurers which are parties to the agreement of merger or consolidation shall be a single insurer which such single insurer shall have all of the rights, privileges, immunities, and powers and shall be subject to all of the duties and liabilities of an insurer organized under sections 379.1300 to 379.1350;

(2) Such single insurer shall thereupon and thereafter possess all the rights, privileges, immunities, powers, and franchises of a public as well as of a private nature of each of the insurers so merged or consolidated; and all property, real, personal, and mixed, and all debts due on whatever account, including subscriptions to shares of capital stock, and all other choices in action and all and every other interest of or belonging to or due to each of the insurers so merged or consolidated shall be taken and deemed to be transferred to and vested in such single insurer without further act or deed; and the title to any real estate, or any interest therein, under the laws of this state vested in any of such insurers shall not revert or be in any way impaired by reason of such merger or consolidation; and

(3) Such single insurer shall thenceforth be responsible and liable for all the liabilities and obligations of each of the insurers so merged or consolidated in the same manner and to the same extent as if such single insurer had itself incurred the same or contracted therefor; and any claim existing or action or proceeding pending by or against any of such insurers may be prosecuted to judgment as if such merger or consolidation had not taken place. Neither the rights of creditors nor any liens upon the property of any such insurers shall be impaired by such merger or consolidation, but such liens shall be limited to the property upon which they were liens immediately prior to the time of such merger or consolidation, unless otherwise provided in the agreement of merger or consolidation.

2. A controlled insurer shall not accept business from a controlling **[**broker**]** **producer** and a controlling **[**broker**]** **producer** shall not place business with a controlled insurer unless there is a written contract between the controlling **[**broker**]** **producer** and the insurer specifying the responsibilities of each party, which contract has been approved by the board of directors of the insurer and contains the following minimum provisions:

(1) The controlled insurer may terminate the contract for cause, upon written notice to the controlling **[**broker**]** **producer**. Nothing in this subdivision is intended to exempt employment where the inmate, patient or resident was hired by a state, county or municipal government agency after direct competition with persons who are not inmates, patients or residents and the compensation for the position of employment is not contingent upon or affected by the worker's status as an inmate, patient or resident;

The election shall take effect on the effective date of the workers' compensation insurance policy or endorsement, or by written notice to the group self-insurer of which the employer is a member, and continue while such policy or endorsement remains in effect or until further written notice to the group self-insurer of which the employer is a member. Any such exempt employer or employer with an exempt class of employees may withdraw such election by the cancellation or nonrenewal of the workers' compensation insurance policy or endorsement, or by written notice to the group self-insurer of which the employer is a member. In the event the employer is electing out of coverage as to the employer, the cancellation shall take effect on the later date of the cancellation of the policy or the filing of notice pursuant to subsection 3 of this section.

3. Any insurance company authorized to write insurance under the provisions of this chapter in this state shall file with the division a memorandum on a form prescribed by the division of any workers' compensation policy issued to any employer and of any renewal or cancellation thereof.

The election shall take effect and continue from the date of filing with the division by the corporation of the notice of withdrawal from liability under this chapter. Any corporation making such an election may withdraw its election by filing with the division a notice to withdraw the election, which shall take effect thirty days after the date of the filing, or at such later date as may be specified in the notice of withdrawal.

If a claim is made within one year of the date of death of a law enforcement officer, emergency medical technician, air ambulance pilot, air ambulance registered professional nurse, or firefighter killed in the line of duty, compensation shall be paid, if the division finds that the claimant is entitled to compensation under this section.

(2) The amount of compensation paid to the claimant shall be twenty-five thousand dollars, subject to appropriation, for death occurring on or after the effective date of this section.

5. The compensation provided for under this section is in addition to, and not exclusive of, any pension rights, death benefits, or other compensation the claimant may otherwise be entitled to by law.

The procedures applicable to the processing of such hearings and determinations shall be those established by this chapter. Decisions of the administrative law judge under this section shall be binding, subject to review by either party under the provisions of section 287.480.

8. Pursuant to section 23.253, RSMo, of the Missouri Sunset Act:

The division shall promulgate rules to administer this section, including but not limited to the appointment of claims to multiple claimants, record retention, and procedures for information requests. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly under chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after the effective date of this section, shall be invalid and void.

SECTION B. EMERGENCY CLAUSE. — Because monetary support for the families of emergency personnel ensures that such personnel know that their loved ones will be provided for upon his or her death, it is deemed necessary for the immediate preservation of the public, health, welfare, peace, and safety of this state and is hereby declared to be an emergency act within the meaning of the constitution and shall be in full force and effect upon its passage and approval.

260.273. FEE, SALE OF NEW TIRES, AMOUNT — COLLECTION, USE OF MONEYS — TERMINATION — REPORT TO GENERAL ASSEMBLY. — 1. Any person purchasing a new tire may present to the seller the used tire or remains of such used tire for which the new tire purchased is to replace.

The fee shall be charged by the retailer to the person who purchases a tire for use and not for resale. Such fee shall be imposed at the rate of fifty cents for each new tire sold. Such fee shall be added to the total cost to the purchaser at retail after all applicable sales taxes on the tires have been computed. The fee imposed, less six percent of fees collected, which shall be retained by the tire retailer as collection costs, shall be paid to the department of revenue in the form and manner required by the department of revenue and shall include the total number of new tires sold during the preceding month. The department of revenue shall promulgate rules and regulations necessary to administer the fee collection and enforcement. The terms "sold at retail" and "retail sales" do not include the sale of new tires to a person solely for the purpose of resale, if the subsequent retail sale in this state is to the ultimate consumer and is subject to the fee.

3. The department of revenue shall administer, collect and enforce the fee authorized pursuant to this section pursuant to the same procedures used in the administration, collection and enforcement of the general state sales and use tax imposed pursuant to chapter 144, RSMo, except as provided in this section. The proceeds of the new tire fee, less four percent of the proceeds, which shall be retained by the department of revenue as collection costs, shall be transferred by the department of revenue into an appropriate subaccount of the solid waste management fund, created pursuant to section 260.330.

4. Up to five percent of the revenue available may be allocated, upon appropriation, to the department of natural resources to be used cooperatively with the department of elementary and secondary education for the purposes of developing **environmental** educational **materials,** programs**,** and curriculum **[**pursuant to section 260.342**] that assist in the department's implementation of sections 260.200 to 260.345**.

5. Up to **[**twenty-five**] fifty** percent of the moneys received pursuant to this section may, upon appropriation, be used to administer the programs imposed by this section. Up to **[**five**] forty-five** percent of the moneys received under this section may, upon appropriation, be used for the grants authorized in subdivision (2) of subsection 6 of this section **[**and authorized in section 260.274**]**. All remaining moneys shall be allocated, upon appropriation, for the projects authorized in section 260.276, except that any unencumbered moneys may be used for public health, environmental, and safety projects in response to environmental **or public health** emergencies **and threats** as determined by the director.

6. The department shall promulgate, by rule, a statewide plan for the use of moneys received pursuant to this section to accomplish the following:

(1) Removal of waste tires from illegal tire dumps;

(2) Providing grants to persons that will use products derived from waste tires, or used waste tires as a fuel or fuel supplement; and

(3) Resource recovery activities conducted by the department pursuant to section 260.276.

7. The fee imposed in subsection 2 of this section shall begin the first day of the month which falls at least thirty days but no more than sixty days immediately following August 28, 2005, and shall terminate January 1, **[**2010**]** **2015**.

[8. By January 1, 2009, the department shall report to the general assembly a complete accounting of the tire cleanups completed or in progress, the cost of the cleanups, the number of tires remaining, the balance of the fund, and enforcement actions completed or initiated to address waste tires.**]**

Each operator of a scrap tire site shall ensure that the area is properly closed upon cessation of operations. The department of natural resources may require that a closure plan be submitted with the application for a permit. The closure plan, as approved by the department, shall include at least the following:

(1) A description of how and when the area will be closed;

(2) The method of final disposition of any scrap tires remaining on the site at the time notice of closure is given to the department.

2. The operator shall notify the department at least ninety days prior to the date he expects closure to begin. No scrap tires may be received by the scrap tire site after the date closure is to begin.

3. The permittee shall provide a financial assurance instrument in such an amount and form as prescribed by the department to ensure that, upon abandonment, cessation or interruption of the operation of the site, an approved closure plan is completed. The amount of the financial assurance instrument shall be based upon the current costs of similar cleanups using data from actual scrap tire cleanup project bids received by the department to remediate scrap tire sites of similar size. If scrap tires are accumulated at a solid **[**scrap management**]** **waste disposal** area, the existing **closure** financial assurance instrument filed for the solid **[**scrap**]** **waste** disposal area may be applied to the requirements of this section. Any interest that accrues to any financial assurance instrument established pursuant to this section shall remain with that instrument and shall be applied against the operator's obligation under this section until the instrument is released by the department. The director shall authorize the release of the financial assurance instrument after the department has been notified by the operator that the site has been closed, and after inspection, the department approves closure of the scrap tire site.

4. If the operator of a scrap tire site fails to properly implement the closure plan, the director shall order the operator to implement such plan, and take other steps necessary to assure the proper closure of the site pursuant to section 260.228 and this section.

The department shall give first priority to cleanup of sites owned by persons who present satisfactory evidence that such persons were not responsible for the creation of the nuisance conditions or any violations of section 260.270 at the site.

2. The department may ask the attorney general to initiate a civil action to recover from any persons responsible the reasonable and necessary costs incurred by the department for its nuisance abatement activities and its legal expenses related to the abatement; except that in no

case shall the attorney general seek to recover cleanup costs from the owner of the property if such person presents satisfactory evidence that such person was not responsible for the creation of the nuisance condition or any violation of section 260.270 at the site.

3. The department shall allow any person, firm, corporation, state agency, charitable, fraternal, or other nonprofit organization to bid on a contract for each resource recovery or nuisance abatement activity authorized under this section. The contract shall specify the cost per tire for delivery to a registered scrap tire processing or end-user facility, and the cost per tire for processing. The recipient or recipients of any contract shall not be compensated by the department for the cost of delivery and the cost of processing for each tire until such tire is delivered to a registered scrap tire processing or end-user facility and the contract recipient has provided proof of delivery to the department. **[**Any charitable, fraternal, or other nonprofit organization which voluntarily cleans up land or water resources may turn in scrap tires collected in the course of such cleanup under the rules and regulations of the department.**]**

4. Subject to the availability of funds, any charitable, fraternal, or other nonprofit organization which voluntarily cleans up land or water resources may be eligible for reimbursement for the disposal costs of scrap tires collected in the course of such cleanup under the rules and regulations of the department. Also, subject to the availability of funds, any municipal or county government which voluntarily cleans up scrap tires from illegal dumps, not incidental to normal governmental activities or resulting from tire collection events, may also be eligible for reimbursement for the disposal costs of scrap tires collected in the course of such cleanup under the rules and regulations of the department.

There is hereby established, as a subfund of the water and wastewater fund established in section 644.122, RSMo, the "Drinking Water Revolving Fund", which shall be maintained and accounted for separately, and which shall consist of moneys from all lawful public and private sources including legislative appropriations, federal capitalization grants, interest on investments and principal and interest payments with respect to loans made from the drinking water revolving fund. Money in the drinking water revolving fund may be used only for purposes as are authorized in the federal Safe Drinking Water Act, as amended **and the American Recovery and Reinvestment Act of 2009 as enacted by the 111th United States Congress**.

4. Consistent with the requirements of the federal Safe Drinking Water Act, and only to the extent funds are available to be obligated for eligible projects of public water systems, in developing its annual intended use plan, the commission shall make available no less than thirty-five percent, but may make available greater than thirty-five percent, of the moneys credited to the drinking water revolving fund solely for project loans and loan subsidies for projects of systems serving fewer than ten thousand people in accordance with the following:

Systems Serving:	Percentage:
0 - 3,300 people	20%
3,301 - 9,999 people	15%

provided that, in any fiscal year, loan subsidies may not exceed the maximum percentage as specified in the federal Safe Drinking Water Act. In any fiscal year in which there are

insufficient applicants and projects in the population categories listed in this subsection to allocate the percentages of funds specified pursuant to this subsection, any balance of funds otherwise reserved for systems serving fewer than ten thousand people shall be available for obligation to eligible projects from any eligible applicant. Such uncommitted balances shall be redistributed in accordance with the intended use plan.

5. The department shall make available two percent of the moneys from the federal capitalization grants received pursuant to this section for training and technical assistance to public water systems serving fewer than ten thousand people. Training and technical assistance provided pursuant to this subsection shall be consistent with rules of the commission.

6. The state may provide assistance, as funds are available, pursuant to this chapter, to any eligible public water system pursuant to the federal Safe Drinking Water Act, as amended, to assist in the construction of public drinking water facilities as authorized by the commission. Further, the state may provide additional assistance or subsidies to any eligible entity as described in this subsection in the form of principal forgiveness, negative interest loans, grants, or any combination thereof, to the extent allowed by the federal Safe Drinking Water Act or American Recovery and Reinvestment Act of 2009, as enacted by the 111th United States Congress, and within the process provided by the Missouri Constitution and revised statutes of the state of Missouri.

2. No funds shall be expended to implement the provisions of this section until funds are specifically appropriated for that purpose. **In order to carry out its responsibilities under this section, the department may expend any such appropriated funds by entering into**

In addition, any interested persons, whether or not heard, may submit, within seven days subsequent to the hearings, a written statement of their views. The commission may solicit the views, in writing, of persons who may be affected by, or interested in, proposed rules and regulations, or standards. Any person heard or represented at the hearing or making written request for notice shall be given written notice of the action of the commission with respect to the subject thereof.

3. Any standard, rule or regulation or amendment or repeal thereof shall not be deemed adopted or in force and effect until it has been approved in writing by at least four members of the commission. In the event this subsection or any portion thereof is held to violate article IV, section 30(b) of the Missouri Constitution, no motor vehicle dealer shall be authorized to collect and remit sales taxes on motor vehicles under this section. No motor vehicle dealer shall seek compensation from the state of Missouri or its agencies if a court of competent jurisdiction declares that the retention of two percent of the motor vehicle sales tax is unconstitutional and orders the return of such revenues.

Any local government agency, other than a law enforcement agency, authorizing a tow pursuant to this section where property is towed away from the immediate vicinity shall report the tow to the local law enforcement agency within two hours along with a crime inquiry and inspection report.

4. Neither the law enforcement officer, government agency official nor anyone having custody of abandoned property under his direction shall be liable for any damage to such abandoned property occasioned by a removal authorized by this section or by ordinance of a county or municipality licensing and regulating the sale of abandoned property by the municipality, other than damages occasioned by negligence or by willful or wanton acts or omissions.

5. The owner of abandoned property removed as provided in this section or in section 304.157 shall be responsible for payment of all reasonable charges for towing and storage of such abandoned property as provided in section 304.158.

6. Upon the towing of any abandoned property pursuant to this section or under authority of a law enforcement officer or local government agency pursuant to section 304.157, the law enforcement agency that authorized such towing or was properly notified by another government agency of such towing shall promptly make an inquiry with the national crime information center and any statewide Missouri law enforcement computer system to determine if the abandoned property has been reported as stolen and shall enter the information pertaining to the towed property into the statewide law enforcement computer system. If the abandoned property is not claimed within ten working days of the towing, the tower who has online access to the department of revenue's records shall make an inquiry to determine the abandoned property owner and lienholder, if any, of record. In the event that the records of the department of revenue fail to disclose the name of the owner or any lienholder of record, the tower shall comply with the requirements of subsection 3 of section 304.156. If the tower does not have online access, the law enforcement agency shall submit a crime inquiry and inspection report to the director of revenue. A towing company that does not have online access to the department's records and that is in possession of abandoned property after ten working days shall report such fact to the law enforcement agency with which the crime inquiry and inspection report was filed.

The crime inquiry and inspection report shall be designed by the director of revenue and shall include the following:

This information shall be entered only by the law enforcement agency making the inquiry;

(8) The signature and printed name of the officer authorizing the tow; **[**and**]**

(9) The name of the towing company, the signature and printed name of the towing operator, and an indicator disclosing whether the tower has online access to the department's records; **and**

(10) Any additional information the director of revenue deems appropriate.

7. One copy of the crime inquiry and inspection report shall remain with the agency which authorized the tow. One copy shall be provided to and retained by the storage facility and one copy shall be retained by the towing facility in an accessible format in the business records for a period of three years from the date of the tow or removal.

8. The owner of such abandoned property, or the holder of a valid security interest of record, may reclaim it from the towing company upon proof of ownership or valid security interest of record and payment of all reasonable charges for the towing and storage of the abandoned property.

9. Any person who removes abandoned property at the direction of a law enforcement officer or an officer of a government agency where that agency's real property is concerned as provided in this section shall have a lien for all reasonable charges for the towing and storage of the abandoned property until possession of the abandoned property is voluntarily relinquished to the owner of the abandoned property or to the holder of a valid security interest of record. Any personal property within the abandoned property need not be released to the owner thereof until the reasonable or agreed charges for such recovery, transportation or safekeeping have been paid or satisfactory arrangements for payment have been made, except that any medication prescribed by a physician shall be released to the owner thereof upon request. The company holding or storing the abandoned property shall either release the personal property to the owner of the abandoned property or allow the owner to inspect the property and provide an itemized receipt for the contents. The company holding or storing the property shall be strictly liable for the condition and safe return of the personal property. Such lien shall be enforced in the manner provided under section 304.156.

10. Towing companies shall keep a record for three years on any abandoned property towed and not reclaimed by the owner of the abandoned property. Such record shall contain information regarding the authorization to tow, copies of all correspondence with the department of revenue concerning the abandoned property, including copies of any online records of the towing company accessed and information concerning the final disposition of the possession of the abandoned property.

11. If a lienholder repossesses any motor vehicle, trailer, all-terrain vehicle, outboard motor or vessel without the knowledge or cooperation of the owner, then the repossessor shall notify the local law enforcement agency where the repossession occurred within two hours of the repossession and shall further provide the local law enforcement agency with any additional information the agency deems appropriate. The local law enforcement agency shall make an inquiry with the national crime information center and the Missouri statewide law enforcement

computer system and shall enter the repossessed vehicle into the statewide law enforcement computer system.

12. Notwithstanding the provisions of section 301.227, RSMo, any towing company who has complied with the notification provisions in section 304.156 including notice that any property remaining unredeemed after thirty days may be sold as scrap property may then dispose of such property as provided in this subsection. Such sale shall only occur if at least thirty days has passed since the date of such notification, the abandoned property remains unredeemed with no satisfactory arrangements made with the towing company for continued storage, and the owner or holder of a security agreement has not requested a hearing as provided in section 304.156. The towing company may dispose of such abandoned property by selling the property on a bill of sale as prescribed by the director of revenue to a scrap metal operator or licensed salvage dealer for destruction purposes only. The towing company shall forward a copy of the bill of sale provided by the scrap metal operator or licensed salvage dealer to the director of revenue within two weeks of the date of such sale. Provided however, a recreational vehicle as defined in section 700.010, RSMo, may exceed the foregoing width limits if the appurtenances on such recreational vehicle extend no further than the rearview mirrors. Such mirrors may only extend the distance necessary to provide the required field of view before the appurtenances were attached.

2. No vehicle operated upon the interstate highway system or upon any route designated by the chief engineer of the state transportation department shall have a height, including load, in excess of fourteen feet. On all other highways, no vehicle shall have a height, including load, in excess of thirteen and one-half feet, except that any vehicle or combination of vehicles transporting automobiles or other motor vehicles may have a height, including load, of not more than fourteen feet.

4. No bus, recreational motor vehicle or trackless trolley coach operated upon the highways of this state shall have a length in excess of forty-five feet, except that such vehicles may exceed the forty-five feet length when such excess length is caused by the projection of a front safety bumper or a rear safety bumper or both. Such safety bumper shall not cause the length of the bus or recreational motor vehicle to exceed the forty-five feet length limit by more than one foot in the front and one foot in the rear. The term "safety bumper" means any device which may be fitted on an existing bumper or which replaces the bumper and is so constructed, treated, or manufactured that it absorbs energy upon impact.

5. No combination of truck-tractor and semitrailer or truck-tractor equipped with dromedary and semitrailer operated upon the highways of this state shall have a length, including load, in excess of sixty feet; except that in order to comply with the provisions of Title 23 of the United States Code (Public Law 97-424), no combination of truck-tractor and semitrailer or truck-tractor equipped with dromedary and semitrailer operated upon the interstate highway system of this

state shall have an overall length, including load, in excess of the length of the truck-tractor plus the semitrailer or truck-tractor equipped with dromedary and semitrailer. The length of such semitrailer shall not exceed fifty-three feet.

On those primary highways not designated by the state highways and transportation commission as provided in subsection 10 of this section, no combination of truck-tractor, semitrailer and trailer shall have an overall length, including load, in excess of sixty-five feet; provided, however, the state highways and transportation commission may designate additional routes for such sixty-five foot combinations.

All length provisions regarding automobile or boat transporters, truck-trailer boat transporter combinations and stinger-steered combinations shall include a semitrailer length not to exceed fifty-three feet and are exclusive of front and rear overhang, which shall be no greater than a three-foot front overhang and no greater than a four-foot rear overhang.

8. Driveaway saddlemount combinations having a length not in excess of ninety-seven feet may be operated on the interstate highways of this state and such other highways as may be designated by the highways and transportation commission for the operation of such vehicles plus a distance not to exceed ten miles from such interstate or designated highway. The B-train assembly is excluded from the measurement of semitrailer length when used between the first and second semitrailer of a truck-tractor semitrailer-semitrailer combination, except that when there is no semitrailer mounted to the B-train assembly, it shall be included in the length measurement of the semitrailer.

10. The highways and transportation commission is authorized to designate routes on the state highway system other than the interstate system over which those combinations of vehicles of the lengths specified in subsections 5, 6, 7, 8 and 9 of this section may be operated. Combinations of vehicles operated under the provisions of subsections 5, 6, 7, 8 and 9 of this section may be operated at a distance not to exceed ten miles from the interstate system and such routes as designated under the provisions of this subsection.

foot saddlemount combinations. Any vehicle or combination of vehicles transporting automobiles, boats or other motor vehicles may carry a load which extends no more than three feet beyond the front and four feet beyond the rear of the transporting vehicle or combination of vehicles.

12. (1) Except as hereinafter provided, these restrictions shall not apply to agricultural implements operating occasionally on the highways for short distances**[**,**]** **including tractor parades for fund-raising activities or special events, provided the tractors are driven by licensed drivers during daylight hours only and with the approval of the superintendent of the Missouri state highway patrol;** or to self-propelled hay-hauling equipment or to implements of husbandry, or to the movement of farm products as defined in section **[**400.9-109**]** **400.9-102**, RSMo, or to vehicles temporarily transporting agricultural implements or implements of husbandry or roadmaking machinery, or road materials or towing for repair purposes vehicles that have become disabled upon the highways; or to implement dealers delivering or moving farm machinery for repairs on any state highway other than the interstate system.

(4) No motor vehicle or person is approaching on the street or highway to be crossed or entered or is so far away from the intersection that it does not constitute an immediate hazard.

Each inspection station shall also be supplied with one or more posters which must be displayed in a conspicuous location at the place of inspection and which informs the public that required repairs or corrections need not be made at the inspection station.

2. No person operating an official inspection station pursuant to the provisions of sections 307.350 to 307.390 may issue a certificate of inspection and approval for any vehicle except upon an official form furnished by the superintendent of the Missouri state highway patrol for that purpose and only after inspecting the vehicle and determining that its brakes, lighting equipment, signaling devices, steering mechanisms, horns, mirrors, windshield wipers, tires, wheels, exhaust system, glazing, air pollution control devices, fuel system and any other safety equipment as required by the state are in proper condition and adjustment to be operated upon the public highways of this state with safety to the driver or operator, other occupants therein, as well as other persons and property upon the highways, as provided by sections 307.350 to 307.390 and the regulations prescribed by the superintendent of the Missouri state highway patrol. Such fee shall be conspicuously posted on the premises of each such official inspection station. No owner shall be charged an additional inspection fee upon having corrected defects or unsafe conditions found in an inspection completed within the previous twenty consecutive days, excluding Saturdays, Sundays and holidays, if such follow-up inspection is made by the station making the initial inspection. Every inspection for which a fee is charged shall be a complete inspection, and upon completion of the inspection, if any defects are found the owner of the vehicle shall be furnished a list of the defects and a receipt for the fee paid for the inspection. The written estimate shall have plainly written upon it that the owner understands that the corrections need not be made by the official inspection station and shall have a signature line for the owner. The owner must sign below the statement on the signature line before any repairs are made.

The superintendent of the Missouri state highway patrol shall collect a fee of one dollar and fifty cents for each certificate of inspection, sticker, seal or other device issued to the official inspection stations, except that no charge shall be made for certificates of inspection, sticker, seal or other device issued to official inspection stations operated by governmental entities. All fees collected shall be deposited in the state treasury with one dollar of each fee collected credited to the state highway fund and, for the purpose of administering and enforcing the state motor vehicle laws and traffic regulations, fifty cents credited to the "Highway Patrol Inspection Fund" which is hereby created. The moneys collected and deposited in the highway patrol inspection fund shall be expended subject to appropriations by the general assembly for the administration and enforcement of sections 307.350 to 307.390 by the Missouri state highway patrol. If the defects or unsafe conditions found constitute an immediate danger, the bus shall not be used until corrections are made and the superintendent of the Missouri state highway patrol or those persons authorized by the superintendent are notified.

4. The Missouri highway patrol may inspect any school bus at any time and if such inspection reveals a deficiency affecting the safe operation of the bus, the provisions of subsection 3 of this section shall be applicable.

Members of the Missouri state highway patrol are authorized to enter the cargo area of a commercial motor vehicle or trailer to inspect the contents when reasonable grounds exist to cause belief that the vehicle is transporting hazardous materials as defined by Title 49 of the Code of Federal Regulations. The director of the department of public safety is hereby authorized to further regulate the safety of commercial motor vehicles and trailers as he deems necessary to govern and control their operation on the public highways of this state by promulgating and publishing rules and regulations consistent with this chapter. Any such rules shall, in addition to any other provisions deemed necessary by the director, require:

(1) Every commercial motor vehicle and trailer and all parts thereof to be maintained in a safe condition at all times;

(2) Accidents arising from or in connection with the operation of commercial motor vehicles and trailers to be reported to the department of public safety in such detail and in such manner as the director may require.

Except for the provisions of subdivisions (1) and (2) of this subsection, the provisions of this section shall not apply to any commercial motor vehicle operated in intrastate commerce and licensed for a gross weight of sixty thousand pounds or less when used exclusively for the transportation of solid waste or forty-two thousand pounds or less when the license plate has been designated for farm use by the letter "F" as authorized by the Revised Statutes of Missouri,

unless such vehicle is transporting hazardous materials as defined in Title 49, Code of Federal Regulations.

2. Notwithstanding the provisions of subsection 1 of this section to the contrary, Part 391, Subpart E, Title 49, Code of Federal Regulations, relating to the physical requirements of drivers shall not be applicable to drivers in intrastate commerce, provided such drivers were licensed by this state as chauffeurs to operate commercial motor vehicles on May 13, 1988. Persons who are otherwise qualified and licensed to operate a commercial motor vehicle in this state may operate such vehicle intrastate at the age of eighteen years or older, except that any person transporting hazardous material must be at least twenty-one years of age.

3. Commercial motor vehicles and drivers of such vehicles may be placed out of service if the vehicles are not equipped and operated according to the requirements of this section. Criteria used for placing vehicles and drivers out of service are the North American Uniform Out-of-Service Criteria adopted by the Commercial Vehicle Safety Alliance and the United States Department of Transportation, as such criteria have been and may periodically be amended.

4. Notwithstanding the provisions of subsection 1 of this section to the contrary, Part 395, Title 49, Code of Federal Regulations, relating to the hours of drivers, shall not apply to any vehicle owned or operated by any public utility, rural electric cooperative or other public service organization, or to the driver of such vehicle, while providing restoration of essential utility services during emergencies and operating intrastate. For the purposes of this subsection, the term "essential utility services" means electric, gas, water, telephone and sewer services.

5. Part 395, Title 49, Code of Federal Regulations, relating to the hours of drivers, shall not apply to drivers transporting agricultural commodities or farm supplies for agricultural purposes in this state if such transportation:

(1) Is limited to an area within a one hundred air mile radius from the source of the commodities or the distribution point for the farm supplies; and

(2) Is conducted during the planting and harvesting season within this state, as defined by the department of public safety by regulation.

6. The provisions of Part 395.8, Title 49, Code of Federal Regulations, relating to recording of a driver's duty status, shall not apply to drivers engaged in agricultural operations referred to in subsection 5 of this section, if the motor carrier who employs the driver maintains and retains for a period of six months accurate and true records showing:

(1) The total number of hours the driver is on duty each day; and

(2) The time at which the driver reports for, and is released from, duty each day.

7. Notwithstanding the provisions of subsection 1 of this section to the contrary, Parts 390 through 397, Title 49, Code of Federal Regulations shall not apply to commercial motor vehicles operated in intrastate commerce to transport property, which have a gross vehicle weight rating or gross combination weight rating of twenty-six thousand pounds or less. The exception provided by this subsection shall not apply to vehicles transporting hazardous materials or to vehicles designed to transport sixteen or more passengers including the driver as defined by Title 49 of the Code of Federal Regulations. Nothing in this subsection shall be construed to prohibit persons designated by the department of public safety from inspecting vehicles defined in this subsection.

8. Violation of any provision of this section or any rule promulgated as authorized therein is **[**a class B misdemeanor**]** **an infraction**.

9. **[**No rule or portion of a rule promulgated under the authority of this chapter shall become effective unless it has been promulgated pursuant to the provisions of section 536.024, RSMo**]** **Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo,**

to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

The effect of such an order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction, as if such event had never happened. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction or expungement in response to any inquiry made of him or her for any purpose whatsoever. A person shall be entitled to only one expungement pursuant to this section. Nothing contained in this section shall prevent courts or other state officials from maintaining such records as are necessary to ensure that an individual receives only one expungement pursuant to this section.

387.040. TRANSPORTATION PROHIBITED UNTIL SCHEDULE OF RATES AND FARES IS FILED AND PUBLISHED. — 1. No motor carrier subject to the provisions of this chapter shall engage or participate in the transportation of passengers or household goods, between points within this state, until its schedules of rates, fares and charges shall have been filed and published in accordance with the provisions of this chapter. The associate circuit judges of each county may meet en banc and adopt the schedule of fines and participation in the centralized bureau pursuant to this section. Notice of such adoption and participation shall be given in the

manner provided by supreme court rule. Upon order of the supreme court, the associate circuit judges of each county may meet en banc and establish and maintain a schedule of fines to be paid for violations of municipal ordinances for cities, towns and villages electing to have violations of its municipal ordinances heard by associate circuit judges, pursuant to section 479.040, RSMo; and for traffic court divisions established pursuant to section 479.500, RSMo. The schedule of fines adopted for violations of municipal ordinances may be modified from time to time as the associate circuit judges of each county en banc deem advisable. No fine established pursuant to this subsection may exceed the maximum amount specified by statute or ordinance for such violation.

2. In no event shall any schedule of fines adopted pursuant to this section include offenses involving the following:

The centralized bureau shall collect, with any plea of guilty and payment of a fine, all court costs which would have been collected by the court of the jurisdiction from which the violation originated.

4. If a person elects not to contest the alleged violation, the person shall send payment in the amount of the fine and any court costs established for the violation to the centralized bureau. Such payment shall be payable to the "central violations bureau", shall be made by mail or in any other manner established by the centralized bureau, and shall constitute a plea of guilty, waiver of trial and a conviction for purposes of section 302.302, RSMo, and for purposes of imposing any collateral consequence of a criminal conviction provided by law. **By paying the fine and costs, the person also consents to attendance at any driver-improvement program or motorcycle-rider training course ordered by the court and consents to verification of such attendance as directed by the bureau.** Notwithstanding any provision of law to the contrary, the prosecutor shall not be required to sign any information, ticket or indictment if disposition is made pursuant to this subsection. In the event that any payment is made pursuant to this section by credit card or similar method, the centralized bureau may charge an additional fee in order to reflect any transaction cost, surcharge or fee imposed on the recipient of the credit card payment by the credit card company.

5. If a person elects to plead not guilty, such person shall send the plea of not guilty to the centralized bureau. The bureau shall send such plea and request for trial to the prosecutor having original jurisdiction over the offense. Any trial shall be conducted at the location designated by the court. The clerk of the court in which the case is to be heard shall notify in writing such person of the date certain for the disposition of such charges. The prosecutor shall not be required to sign any information, ticket or indictment until the commencement of any proceeding by the prosecutor with respect to the notice of violation.

6. In courts adopting a schedule of fines pursuant to this section, any person receiving a notice of violation pursuant to this section shall also receive written notification of the following:

(1) The fine and court costs established pursuant to this section for the violation or information regarding how the person may obtain the amount of the fine and court costs for the violation;

(2) That the person must respond to the notice of violation by paying the prescribed fine and court costs, or pleading not guilty and appearing at trial, and that other legal penalties prescribed by law may attach for failure to appear and dispose of the violation. The supreme court may modify the suggested forms for uniform complaint and summons for use in courts

adopting the procedures provided by this section, in order to accommodate such required written notifications.

7. Any moneys received in payment of fines and court costs pursuant to this section shall not be considered to be state funds, but shall be held in trust by the centralized bureau for benefit of those persons or entities entitled to receive such funds pursuant to this subsection. All amounts paid to the centralized bureau shall be maintained by the centralized bureau, invested in the manner required of the state treasurer for state funds by sections 30.240, 30.250, 30.260 and 30.270, RSMo, and disbursed as provided by the constitution and laws of this state. Any interest earned on such fund shall be payable to the director of the department of revenue for deposit into a revolving fund to be established pursuant to this subsection. The state treasurer shall be the custodian of the revolving fund, and shall make disbursements, as allowed by lawful appropriations, only to the judicial branch of state government for goods and services related to the administration of the judicial system.

Any person who receives a notice of violation subject to this section who fails to dispose of such violation as provided by this section shall be guilty of failure to appear provided by section 544.665, RSMo; and may be subject to suspension of driving privileges in the manner provided by section 302.341, RSMo. The centralized bureau shall notify the appropriate prosecutor of any person who fails to either pay the prescribed fine and court costs, or plead not guilty and request a trial within the time allotted by this section, for purposes of application of section 544.665, RSMo. The centralized bureau shall also notify the department of revenue of any failure to appear subject to section 302.341, RSMo, and the department shall thereupon suspend the license of the driver in the manner provided by section 302.341, RSMo, as if notified by the court.

9. In addition to the remedies provided by subsection 8 of this section, the centralized bureau and the courts may use the remedies provided by sections 488.010 to 488.020, RSMo, for the collection of court costs payable to courts, in order to collect fines and court costs for violations subject to this section.

633.401. DEFINITIONS — ASSESSMENT IMPOSED, FORMULA — RATES OF PAYMENT — FUND CREATED, USE OF MONEYS — RECORD-KEEPING REQUIREMENTS — REPORT — APPEAL PROCESS — RULEMAKING AUTHORITY. — 1. For purposes of this section, the following terms mean:

(1) "Engaging in the business of providing health benefit services", accepting payment for health benefit services;

Such term shall include habilitation centers and private or public intermediate care facilities for the mentally retarded that have been certified to meet the conditions of participation under 42 CFR, Section 483, Subpart 1;

(3) "Net operating revenues from providing services of intermediate care facilities for the mentally retarded" shall include, without limitation, all moneys received on account of such services pursuant to rates of reimbursement established and paid by the department of social services, but shall not include charitable contributions, grants, donations, bequests and income from nonservice related fund-raising activities and government deficit financing, contractual allowance, discounts or bad debt;

(4) "Services of intermediate care facilities for the mentally retarded" has the same meaning as the term used in Title 42 United States Code, Section 1396b(w)(7)(A)(iv), as amended, and as such qualifies as a class of health care services recognized in federal Public Law 102-234, the Medicaid Voluntary Contribution and Provider Specific Tax Amendment of 1991.

2. Beginning July 1, 2008, each provider of services of intermediate care facilities for the mentally retarded shall, in addition to all other fees and taxes now required or paid, pay assessments on their net operating revenues for the privilege of engaging in the business of providing services of the intermediate care facilities for the mentally retarded or developmentally disabled in this state.

3. Each facility's assessment shall be based on a formula set forth in rules and regulations promulgated by the department of mental health.

5. Assessments shall be submitted by or on behalf of each provider of services of intermediate care facilities for the mentally retarded on a monthly basis to the director of the department of mental health or his or her designee and shall be made payable to the director of the department of revenue.

6. In the alternative, a provider may direct that the director of the department of social services offset, from the amount of any payment to be made by the state to the provider, the amount of the assessment payment owed for any month.

7. Assessment payments shall be deposited in the state treasury to the credit of the "Intermediate Care Facility Mentally Retarded Reimbursement Allowance Fund", which is hereby created in the state treasury. All investment earnings of this fund shall be credited to the fund. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, any unexpended balance in the intermediate care facility mentally retarded reimbursement allowance fund at the end of the biennium shall not revert to the general revenue fund but shall accumulate from year to year. The state treasurer shall maintain records that show the amount of money in the fund at any time and the amount of any investment earnings on that amount.

8. Each provider of services of intermediate care facilities for the mentally retarded shall keep such records as may be necessary to determine the amount of the assessment for which it is liable under this section. On or before the forty-fifth day after the end of each month commencing July 1, 2008, each provider of services of intermediate care facilities for the mentally retarded shall submit to the department of social services a report on a cash basis that reflects such information as is necessary to determine the amount of the assessment payable for that month.

9. Every provider of services of intermediate care facilities for the mentally retarded shall submit a certified annual report of net operating revenues from the furnishing of services of intermediate care facilities for the mentally retarded. The reports shall be in such form as may be prescribed by rule by the director of the department of mental health. Final payments of the assessment for each year shall be due for all providers of services of intermediate care facilities for the mentally retarded upon the due date for submission of the certified annual report.

10. The director of the department of mental health shall prescribe by rule the form and content of any document required to be filed pursuant to the provisions of this section.

11. Upon receipt of notification from the director of the department of mental health of a provider's delinquency in paying assessments required under this section, the director of the department of social services shall withhold, and shall remit to the director of the department of revenue, an assessment amount estimated by the director of the department of mental health from any payment to be made by the state to the provider.

12. In the event a provider objects to the estimate described in subsection 11 of this section, or any other decision of the department of mental health related to this section, the provider of services may request a hearing. If a hearing is requested, the director of the department of mental

health shall provide the provider of services an opportunity to be heard and to present evidence bearing on the amount due for an assessment or other issue related to this section within thirty days after collection of an amount due or receipt of a request for a hearing, whichever is later. The director shall issue a final decision within forty-five days of the completion of the hearing. After reconsideration of the assessment determination and a final decision by the director of the department of mental health, an intermediate care facility for the mentally retarded provider's appeal of the director's final decision shall be to the administrative hearing commission in accordance with sections 208.156 and 621.055, RSMo.

13. Notwithstanding any other provision of law to the contrary, appeals regarding this assessment shall be to the circuit court of Cole County or the circuit court in the county in which the facility is located. The circuit court shall hear the matter as the court of original jurisdiction.

14. Nothing in this section shall be deemed to affect or in any way limit the tax-exempt or nonprofit status of any intermediate care facility for the mentally retarded granted by state law.

15. The director of the department of mental health shall promulgate rules and regulations to implement this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

The amounts to be offset shall result, so far as practicable, in withholding from the in-home services provider an amount substantially equal to the assessment due from the in-home services provider. The office of administration and the state treasurer may make any fund transfers necessary to execute the offset.

In addition, the department of social services may cancel or refuse to issue, extend, or reinstate a Medicaid provider agreement to any in-home services provider that fails to pay the tax imposed by section 660.425.

AN ACT to repeal sections 339.503 and 339.710, RSMo, and to enact in lieu thereof two new sections relating to real estate.

SECTION
A. Enacting clause.
339.503. Definitions.
339.710. Definitions.

Be it enacted by the General Assembly of the state of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Sections 339.503 and 339.710, RSMo, are repealed and two new sections enacted in lieu thereof, to be known as sections 339.503 and 339.710, to read as follows:

339.503. DEFINITIONS. — As used in sections 339.500 to 339.549, the following words and phrases mean, unless the context clearly indicates otherwise:

(1) "Appraisal" or "real estate appraisal", an objective analysis, evaluation, opinion, or conclusion relating to the nature, quality, value or utility of specified interests in, or aspects of, identified real estate. An appraisal may be classified by subject matter into either a valuation or an analysis;

(2) "Appraisal assignment", an engagement for which a person is employed or retained to act as a disinterested third party in rendering an objective appraisal;

(4) "Appraisal report", any communication, written or oral, of an appraisal. The purpose of an appraisal is immaterial, therefore valuation reports, real estate counseling reports, real estate tax counseling reports, real estate offering memoranda, mortgage banking offers, highest and best use studies, market demand and economic feasibility studies and all other reports communicating an appraisal analysis, opinion or conclusion are "appraisal reports", regardless of title;

(6) "Appraiser qualifications board (AQB)", the independent board of the appraisal foundation which establishes minimum experience, education and examination criteria for state licensing of appraisers;

(7) **"Boat dock", a structure for loading and unloading boats and connecting real property to water, public or private. A boat dock is real property and has riparian rights, provided:**

(a) The lender includes the boat dock as a fixture both in the lender's deed of trust and a uniform commercial code fixture filing under section 400.9-502, RSMo;

(b) The boat dock is attached to the real property by steel cable, bar, or chain that is permanently imbedded in concrete or rock, and otherwise securely attached to the dock; and

(c) The owner of the dock has riparian rights by means of real estate rights bordering the body of water, including such rights by license, grant, or other means allowing access to the body of water, which access may be seasonal because the water may be reduced for electric power production or flood control;

(8) "Broker price opinion", an opinion of value, prepared by a real estate licensee for a fee, that includes, but is not limited to, analysis of competing properties, comparable sold properties, recommended repairs and costs or suggested marketing techniques. A broker price opinion is not an appraisal and shall specifically state it is not an appraisal;

[(8)**]** **(9)** "Certificate", the document issued by the Missouri real estate appraisers commission evidencing that the person named therein has satisfied the requirements for certification as a state-certified real estate appraiser and bearing a certificate number assigned by the commission;

[(15)**]** **(16)** "Real estate", an identified parcel or tract of land, including improvements, if any;

[(16)**]** **(17)** "Real estate appraiser" or "appraiser", a person who for a fee or valuable consideration develops and communicates real estate appraisals or otherwise gives an opinion of the value of real estate or any interest therein;

The term "specialized services" may include valuation work and analysis work. Regardless of the intention of the client or employer, if the appraiser is acting as a disinterested third party in rendering an unbiased analysis, opinion or conclusion, the work is classified as an appraisal assignment and not specialized services;

[(21)**]** **(22)** "State-certified general real estate appraiser", a person who holds a current, valid certificate as a state-certified general real estate appraiser issued pursuant to the provisions of sections 339.500 to 339.549;

Establishes the Child Witness Protection Act that applies to certain children seventeen years of age or younger who are testifying in any judicial proceeding

AN ACT to amend chapter 491, RSMo, by adding thereto one new section relating to the child witness protection act.

SECTION
A. Enacting clause.
491.725. Citation of law — definitions — applicability.

Be it enacted by the General Assembly of the state of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Chapter 491, RSMo, is amended by adding thereto one new section, to be known as section 491.725, to read as follows:

491.725. CITATION OF LAW — DEFINITIONS — APPLICABILITY. — 1. This section shall be known and may be cited as the "Child Witness Protection Act".

2. As used in this section, the following terms shall mean:

(1) "Child", a person fourteen years of age or under, or at the discretion of the court, a person fifteen to seventeen years of age, who is a witness in any judicial proceeding under chapter 452 or 453, RSMo, or the alleged victim or witness in any judicial proceeding under chapter 455, 565, 566, or 568, RSMo. The court shall make written findings on the record when a child fifteen to seventeen years of age is included under this subdivision. "Victim" or "witness" shall not include any child accused of committing a felony; however, these terms may, in the court's discretion, include:

(a) A child where such child's participation in a felony appears to have been induced, coerced, or unwilling; or

(b) A child who has participated in the felony, but who has subsequently and voluntarily agreed to testify on behalf of the state;

(2) "Support person", an adult, designated by the court to serve as a support person, who is known to the child victim or witness and who has no direct legal or pecuniary interest in the outcome of the judicial proceeding.

3. In order to facilitate testimony that is fair and accurate, for the benefit of all parties, and in order to protect all parties from the risks of a child becoming confused while testifying in a judicial proceeding, the following child witness protection act shall apply to all children testifying in court:

(1) Whether at a competency hearing or trial itself, the judge shall ensure that any oath that is required of a child shall be administered in such a manner that the child may fully understand his or her duty to tell the truth;

(2) The court shall take care to ensure that questions are stated in a form which is appropriate to the age of the child. The court shall explain to the child that if he or she does not understand a question, the child has the right to say that he or she does not understand the question and to have the question restated in a form that the child does understand;

(3) In the court's discretion, the taking of testimony from a child victim or witness may be limited in duration or limited to normal school hours. The court may order a recess when the energy, comfort, or attention span of the child warrants;

(4) Upon motion made by the child, his or her representative, or any party to the judicial proceeding, at least thirty days in advance of the judicial proceeding, the court may allow the child to have a toy, blanket, or similar item in his or her possession while testifying, but such item shall only be allowed if:

(a) All parties agree; or

(b) If the movant shows the court by a preponderance of evidence that:

a. The child in question cannot reliably testify without the item in his or her possession; and

b. Allowing the item is not likely to prejudice the trier of fact in hearing and evaluating the child's testimony;

(5) Upon motion made by the child, his or her representative, or any party to the judicial proceeding, at least thirty days in advance of the judicial proceeding, the court may designate a support person, who shall be present in the courtroom, in view of the child witness. The court may allow the support person to remain in close proximity to the child during the child's testimony, but such action shall only be allowed if:

(a) All parties agree; or

(b) If the movant shows the court by a preponderance of the evidence that:

a. The child in question cannot reliably testify without the support person in close proximity during the testimony; and

b. Allowing the support person to be in close proximity to the child during testimony is not likely to prejudice the trier of fact in hearing and evaluating the child's testimony.

The support person shall not obscure the child from the view of the defendant or the trier of fact. A support person shall not provide the child with an answer to any question directed to the child during the course of the child's testimony or otherwise prompt the child or otherwise influence the testimony of the child. If the support person attempts to influence or affect in any manner the testimony of the child victim or witness during the giving of testimony or at any other time, the court shall exclude that support person, refer the matter of misconduct of the support person to the prosecuting attorney, and designate an alternative support person;

(6) The court shall prevent intimidation or harassment of the child witness by the parties or their attorneys. Insofar as it is consistent with the constitutional rights of the parties to confront and cross-examine adverse witnesses, the judge may rephrase any questions in order to prevent any such intimidation or harassment; and

(7) Upon its own motion or the motion of any party to the judicial proceeding, at least thirty days in advance of the judicial proceeding, the court may order such accommodations as are appropriate under the circumstances to ensure the comfort of the child victim or witness, including the following measures:

(a) Adjusting the layout of the courtroom;

(b) Conducting the proceedings outside the normal courtroom; or

(c) Relaxing the formalities of the proceedings; provided that, such measures are consistent with the rights of all parties under the constitution and laws of the United States and the State of Missouri.

30.260. INVESTMENT POLICY REQUIRED — TIME AND DEMAND DEPOSITS — INVESTMENTS — INTEREST RATES. — 1. The state treasurer shall prepare, maintain and adhere to a written investment policy which shall include an asset allocation plan which limits the total amount of state moneys which may be invested in any particular investment authorized by section 15, article IV of the Missouri Constitution. **Such asset allocation plan shall also set diversification limits, as applicable, which shall include a restriction limiting the total amount of time deposits of state moneys, not including linked deposits, placed with any one single banking institution to be no greater than ten percent of all time deposits of state moneys.** The state treasurer shall present a copy of such policy to the governor, commissioner of administration, state auditor and general assembly at the commencement of each regular session of the general assembly or at any time the written investment policy is amended.

2. The state treasurer shall determine by the exercise of the treasurer's best judgment the amount of state moneys that are not needed for current operating expenses of the state government and shall keep on demand deposit in banking institutions in this state selected by the treasurer and approved by the governor and state auditor the amount of state moneys which the treasurer has so determined are needed for current operating expenses of the state government and disburse the same as authorized by law.

Within the parameters of the state treasurer's written investment policy, the state treasurer shall place the state moneys which the treasurer has determined are not needed for current operations of the state government on time deposit drawing interest in banking institutions in this state selected by the treasurer and approved by the governor and the state auditor, or place them outright or, if applicable, by repurchase agreement in obligations described in section 15, article IV, Constitution of Missouri, as the treasurer in the exercise of the treasurer's best judgment determines to be in the best overall interest of the people of the state of Missouri, giving due consideration to:

(1) The preservation of such state moneys;

(2) The benefits to the economy and welfare of the people of Missouri when such state money is invested in banking institutions in this state that, in turn, provide additional loans and investments in the Missouri economy and generate state taxes from such initial investments and the loans and investments created by the banking institutions, compared to the removal or withholding from banking institutions in the state of all or some such state moneys and investing same in obligations authorized in section 15, article IV of the Missouri Constitution;

(3) The liquidity needs of the state;

(4) The aggregate return in earnings and taxes on the deposits and the investment to be derived therefrom; and

(1) Beginning January 1, 2010, the rate of interest payable by a banking institution on up to seven million dollars of time deposits of state moneys shall be the same as the average rate paid during the week next preceding the week in which the deposit was made for United States of America treasury securities maturing and becoming payable closest to the time of termination of the deposit, as determined by the state treasurer, adjusted to the nearest one-tenth of a percent. In the case of a banking institution that holds more than seven million dollars of time deposits of state moneys, the rate of interest payable on deposits in excess of seven million dollars of time deposits of state moneys shall be set at the market rate as determined in subsection 6 of this section;

(2) Beginning January 1, 2011, the rate of interest payable by a banking institution on up to five million dollars of time deposits of state moneys shall be the same as the average rate paid during the week next preceding the week in which the deposit was made for United States of America treasury securities maturing and becoming payable closest to the time of termination of the deposit, as determined by the state treasurer, adjusted to the nearest one-tenth of a percent. In the case of a banking institution that holds more than five million dollars of time deposits of state moneys, the rate of interest payable on deposits in excess of five million dollars of time deposits of state moneys shall be set at the market rate as determined in subsection 6 of this section;

In the case of a banking institution that holds more than three million dollars of time deposits of state moneys, the rate of interest payable on deposits in excess of three million dollars of time deposits of state moneys shall be set at the market rate as determined in subsection 6 of this section;

(4) Beginning January 1, 2013, the rate of interest payable by a banking institution on up to one million dollars of time deposits of state moneys shall be the same as the average rate paid during the week next preceding the week in which the deposit was made for United States of America treasury securities maturing and becoming payable closest to the time of termination of the deposit, as determined by the state treasurer, adjusted to the nearest one-tenth of a percent. In the case of a banking institution that holds more than one million dollars of time deposits of state moneys, the rate of interest payable on

deposits in excess of one million dollars of time deposits of state moneys shall be set at the market rate as determined in subsection 6 of this section;

(5) Beginning January 1, 2014, the rate of interest payable by a banking institution on all time deposits of state moneys shall be set at the market rate as determined in subsection 6 of this section.

5. Notwithstanding subdivisions (1) to (5) of subsection 4 of this section, for any new time deposits of state moneys placed after January 1, 2010, with a term longer than eighteen months, the rate of interest payable by a banking institution shall be set at the market rate as determined in subsection 6 of this section.

6. Market rate shall be determined no less frequently than once a month by the director of investments in the office of state treasurer. The process for determining a market rate shall include due consideration of prevailing rates offered for certificates of deposit by well-capitalized Missouri financial institutions, the advance rate established by the Federal Home Loan Bank of Des Moines for member institutions and the costs of collateralization, as well as an evaluation of the credit risk associated with other authorized securities under section 15, article IV, of the Missouri Constitution. Banking institutions may also offer a higher rate than the market rate for any time deposit placed with the state treasurer in excess of the total amount of state moneys set at the United States of America treasury securities maturing and becoming payable closest to the time of termination of the deposit indicated in subdivisions (1) to (5) of subsection 4 of this section.

[5.**]** **7.** Within the parameters of the state treasurer's written investment policy, the state treasurer may subscribe for or purchase outright or by repurchase agreement investments of the character described in subsection 3 of this section which the treasurer, in the exercise of the treasurer's best judgment, believes to be the best for investment of state moneys at the time and in payment therefor may withdraw moneys from any bank account, demand or time, maintained by the treasurer without having any supporting warrant of the commissioner of administration. The state treasurer may bid on subscriptions for such obligations in accordance with the treasurer's best judgment. The state treasurer shall provide for the safekeeping of all such obligations so acquired in the same manner that securities pledged to secure the repayment of state moneys deposited in banking institutions are kept by the treasurer pursuant to law. The state treasurer may hold any such obligation so acquired by the treasurer until its maturity or prior thereto may sell the same outright or by reverse repurchase agreement provided the state's security interest in the underlying security is perfected or temporarily exchange such obligation for cash or other authorized securities of at least equal market value with no maturity more than one year beyond the maturity of any of the traded obligations, for a negotiated fee as the treasurer, in the exercise of the treasurer's best judgment, deems necessary or advisable for the best interest of the people of the state of Missouri in the light of the circumstances at the time prevailing. The state treasurer may pay all costs and expenses reasonably incurred by the treasurer in connection with the subscription, purchase, sale, collection, safekeeping or delivery of all such obligations at any time acquired by the treasurer.

[6.**]** **8.** As used in this chapter, except as more particularly specified in section 30.270, obligations of the United States shall include securities of the United States Treasury, and United States agencies or instrumentalities as described in section 15, article IV, Constitution of Missouri. The word "temporarily" as used in this section shall mean no more than six months.

30.270. SECURITY FOR SAFEKEEPING OF STATE FUNDS. — 1. For the security of the moneys deposited by the state treasurer pursuant to the provisions of this chapter, the state treasurer shall, from time to time, submit a list of acceptable securities to be approved by the governor and state auditor if satisfactory to them, and the state treasurer shall require of the selected and approved banks or financial institutions as security for the safekeeping and payment of deposits, securities from the list provided for in this section, which list shall include only

securities of the following kind and character, unless it is determined by the state treasurer that the use of such securities as collateral may place state public funds at undue risk:

(1) Bonds or other obligations of the United States;

(2) Bonds or other obligations of the state of Missouri including revenue bonds issued by state agencies or by state authorities created by legislative enactment;

(3) Bonds **or other obligations** of any city in this state having a population of not less than two thousand;

(c) A status report on all such mortgage securities shall be provided to the state treasurer on a calendar monthly basis in the manner and format prescribed by the state treasurer by the financial institutions pledging such mortgage securities and also shall certify their compliance with subsection 2 for such mortgage securities;

(d) In the alternative to paragraph (a) of this subdivision, a financial institution may provide a blanket lien on all loans secured by one to four family real estate, all loans secured by commercial real estate, all loans secured by farm real estate, or any combination of these categories, provided the financial institution secures such blanket liens with real estate located in Missouri and states adjacent to Missouri and otherwise complies with paragraphs (b) and (c) of this subdivision;

(e) The provisions of paragraphs (a) to (d) of this subdivision are not authorized for any Missouri political subdivision, notwithstanding the provisions of chapter 110, RSMo, to the contrary;

(f) As used in this subdivision, the term "unencumbered" shall mean mortgage securities pledged for state funds as provided in subsection 1 of this section, and not subject to any other express claims by any third parties, including but not limited to a blanket lien on the bank assets by the Federal Home Loan Bank, a depositary arrangement when securities are loaned and repurchased daily or otherwise, or the depositary has pledged its stock and assets for a loan to purchase another depositary or otherwise; and

(g) As used in this subdivision, the term "well capitalized" shall mean a banking institution that according to its most recent report of condition and income or thrift financial report, publicly available as applicable, qualifies as well capitalized under the uniform capital requirements established by the federal banking regulators or as determined by state banking regulators under substantially similar requirements;

(17) Any investment that the state treasurer may invest in as provided in article IV, section 15 of the Missouri Constitution, and subject to the state treasurer's written investment policy in section 30.260, that is not otherwise provided for in this section, provided the banking institution or eligible lending institution as defined in subdivision **[**(7)**] (10)** of section 30.750 is well capitalized, as defined in subdivision (16) of this subsection. The provisions of this subdivision are not authorized for political subdivisions, notwithstanding the provisions of chapter 110, RSMo, to the contrary.

2. Changes the laws regarding unemployment compensation

AN ACT to repeal sections 288.062 and 288.330, RSMo, and to enact in lieu thereof three new sections relating to unemployment compensation, with an emergency clause.

SECTION

A. Enacting clause.
288.062. "On" and "Off" indicators, state and national, how determined — extended benefits, defined — amount and how computed, suspended after March 6, 1993, to January 1, 1995.
288.330. State liability for benefits limited, authority for application and repayment of federal advances — board of unemployment fund financing created, duties, requirements, powers — disposition of unobligated funds.
288.501. Extension of benefits — alternate base period defined — use of federal moneys.
B. Emergency clause.

Be it enacted by the General Assembly of the state of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Sections 288.062 and 288.330, RSMo, are repealed and three new sections enacted in lieu thereof, to be known as sections 288.062, 288.330, and 288.501, to read as follows:

288.062. "ON" AND "OFF" INDICATORS, STATE AND NATIONAL, HOW DETERMINED — EXTENDED BENEFITS, DEFINED — AMOUNT AND HOW COMPUTED, SUSPENDED AFTER MARCH 6, 1993, TO JANUARY 1, 1995. — 1. As used in this section, unless the context clearly requires otherwise:

(1) "Extended benefit period" means a period which begins with the third week after a week for which there is a state "on" indicator, and ends with either of the following weeks, whichever occurs later:

(a) The third week after the first week for which there is a state "off" indicator; or

(b) The thirteenth consecutive week of such period; provided, that no extended benefit period may begin by reason of a state "on" indicator before the fourteenth week following the end of a prior extended benefit period which was in effect with respect to this state.

(2) There is a "state 'on' indicator" for this state for a week if the director determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding twelve weeks, the rate of insured unemployment (not seasonally adjusted) under this law:

(a) Equaled or exceeded one hundred twenty percent of the average of such rates for the corresponding thirteen-week period ending in each of the preceding two calendar years; **[**and**]**

(b) Equaled or exceeded four percent for weeks beginning prior to or on September 25, 1982, or five percent for weeks beginning after September 25, 1982; except that, if the rate of insured unemployment as contemplated in this subdivision equals or exceeds five percent for weeks beginning prior to or on September 25, 1982, or six percent for weeks beginning after September 25, 1982, the determination of an "on" indicator shall be made under this subdivision as if this subdivision did not contain the provisions of paragraph (a) of this subdivision**; and**

(c) With respect to weeks of unemployment beginning on or after February 1, 2009, and ending on or before December 5, 2009:

a. The average rate of total unemployment in the state (seasonally adjusted), as determined by the United States Secretary of Labor, for the period consisting of the most

recent three months for which data for all states are published before the close of such week equals or exceeds six and one-half percent; and

b. The average rate of total unemployment in the state (seasonally adjusted), as determined by the United States Secretary of Labor, for the three-month period referred to in subparagraph a. of this paragraph, equals or exceeds one hundred and ten percent of such average for either or both of the corresponding three-month periods ending in the two preceding calendar years.

(3) There is a "state 'off' indicator" for this state for a week if the director determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding twelve weeks, the rate of insured unemployment (not seasonally adjusted) under this law:

(a) Was less than one hundred twenty percent of the average of such rates for the corresponding thirteen-week period ending in each of the preceding two calendar years; or

(b) Was less than four percent (five percent for weeks beginning after September 25, 1982); except, there shall not be an "off" indicator for any week in which an "on" indicator as contemplated in paragraph (b) of subdivision (2) of this subsection exists.

(4) "Rate of insured unemployment", for the purposes of subdivisions (2) and (3) of this subsection, means the percentage derived by dividing:

(a) The average weekly number of individuals filing claims for regular compensation in this state for weeks of unemployment with respect to the most recent thirteen-consecutive-week period, as determined by the director on the basis of his **or her** reports to the United States Secretary of Labor, by

(b) The average monthly employment covered under this law for the first four of the most recent six completed calendar quarters ending before the end of such thirteen-week period.

(5) "Regular benefits" means benefits payable to an individual under this law or under any other state law (including benefits payable to federal civilian employees and ex-servicemen pursuant to 5 U.S.C. chapter 85) other than extended benefits.

(6) "Extended benefits" means benefits (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85) payable to an individual under the provisions of this section for weeks of unemployment in his **or her** eligibility period.

(7) "Eligibility period" of an individual means the period consisting of the weeks in his **or her** benefit year which begin in an extended benefit period and, if his **or her** benefit year ends within such extended benefit period, any weeks thereafter which begin in such period.

(8) "Exhaustee" means an individual who, with respect to any week of unemployment in his **or her** eligibility period:

(a) Has received, prior to such week, all of the regular benefits that were available to him **or her** under this law or any other state law (including dependents' allowances and benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. chapter 85) in his **or her** current benefit year that includes such week; provided, that, for the purposes of this paragraph, an individual shall be deemed to have received all of the regular benefits that were available to him **or her** although as a result of a pending appeal with respect to wages or employment, or both, that were not considered in the original monetary determination in his **or her** benefit year, he may subsequently be determined to be entitled to added regular benefits; or

(b) Has received, prior to such week, all the regular compensation available to him **or her** in his **or her** current benefit year that includes such week under the unemployment compensation law of the state in which he **or she** files a claim for extended compensation or the unemployment compensation law of any other state after a cancellation of some or all of his **or her** wage credits or the partial or total reduction of his **or her** right to regular compensation; or

(c) His **or her** benefit year having expired prior to such week, he **or she** has insufficient wages or employment, or both, on the basis of which he **or she** could establish in any state a new benefit year that would include such week, or having established a new benefit year that includes such week, he **or she** is precluded from receiving regular compensation by reason of

a state law provision which meets the requirement of section 3304(a)(7) of the Internal Revenue Code of 1954; and

(d) a. Has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, the Trade Expansion Act of 1962, the Automotive Products Trade Act of 1965 and such other federal laws as are specified in regulations issued by the United States Secretary of Labor; and

b. Has not received and is not seeking unemployment benefits under the unemployment compensation law of Canada; but if he **or she** is seeking such benefits and the appropriate agency finally determines that he **or she** is not entitled to benefits under such law he **or she** is considered an exhaustee.

(9) "State law" means the unemployment insurance law of any state, approved by the United States Secretary of Labor under section 3304 of the Internal Revenue Code of 1954.

2. Except when the result would be inconsistent with the other provisions of this section, as provided in the regulations of the director, the provisions of this law which apply to claims for, or the payment of, regular benefits shall apply to claims for, and the payment of, extended benefits.

3. An individual shall be eligible to receive extended benefits with respect to any week of unemployment in his **or her** eligibility period only if the deputy finds that with respect to such week:

(1) He **or she** is an "exhaustee" as defined in subdivision (8) of subsection 1 of this section;

(2) He **or she** has satisfied the requirements of this law for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification for the receipt of benefits; except that, in the case of a claim for benefits filed in another state, which is acting as an agent state under the Interstate Benefits Payment Plan as provided by regulation, which claim is based on benefit credits accumulated in this state, eligibility for extended benefits shall be limited to the first two compensable weeks unless there is an extended benefit period in effect in both this state and the agent state in which the claim was filed;

(3) The other provisions of this law notwithstanding, as to new extended benefit claims filed after September 25, 1982, an individual shall be eligible to receive extended benefits with respect to any week of unemployment in his **or her** eligibility period only if the deputy finds that the total wages in the base period of his **or her** benefit year equal at least one and one-half times the wages paid during that quarter of his **or her** base period in which his **or her** wages were highest.

4. A claimant shall not be eligible for extended benefits following any disqualification imposed under subsection 1 or 2 of section 288.050, unless subsequent to the effective date of the disqualification, the claimant has been employed during at least four weeks and has earned wages equal to at least four times his **or her** weekly benefit amount.

5. For the purposes of determining eligibility for extended benefits, the term "suitable work" means any work which is within such individual's capabilities except that, if the individual furnishes satisfactory evidence that the prospects for obtaining work in his **or her** customary occupation within a reasonably short period are good, the determination of what constitutes "suitable work" shall be made in accordance with the provisions of subdivision (3) of subsection 1 of section 288.050. If a deputy finds that a person who is claiming extended benefits has refused to accept or to apply for suitable work, as defined in this subsection, or has failed to actively engage in seeking work subsequent to the effective date of his **or her** claim for extended benefits, that person shall be ineligible for extended benefits for the period beginning with the first day of the week in which such refusal or failure occurred. That ineligibility shall remain in effect until the person has been employed for at least four weeks after the week in which the refusal or failure occurred and has earned wages equal to at least four times his **or her** weekly benefit amount.

6. Extended benefits shall not be denied under subsection 5 of this section to any individual for any week by reason of a failure to accept an offer of or apply for suitable work if:

(1) The gross average weekly remuneration for such work does not exceed the individual's weekly benefit amount plus the amount of any supplemental unemployment benefits, as defined in section 501(c)(17)(d) of the Internal Revenue Code, payable to such individual for such week; or

(2) The position was not offered to such individual in writing or was not listed with the state employment service; or

(3) If the remuneration for the work offered is less than the minimum wage provided by section 6(a)(1) of the Fair Labor Standards Act of 1938, as amended, without regard to any exemption or any applicable state or local minimum wage, whichever is the greater.

7. For the purposes of this section, an individual shall be considered as actively engaged in seeking work during any week with respect to which the individual has engaged in a systematic and sustained effort to obtain work as indicated by tangible evidence which the individual provides to the division.

8. Extended benefits shall not be denied for failure to apply for or to accept suitable work if such failure would not result in a denial of benefits under subdivision (3) of subsection 1 of section 288.050 to the extent that the provisions of subdivision (3) of subsection 1 of section 288.050 are not inconsistent with the provisions of subsection 5 and subsection 6 of this section.

9. The division shall refer any claimant entitled to extended benefits under this law to any suitable work which meets the criteria established in subsections 5 and 6 of this section.

10. Notwithstanding other provisions of this chapter to the contrary, as to claims of extended benefits, subsections 4 to 9 of this section shall not apply to weeks of unemployment beginning after March 6, 1993, and before January 1, 1995. Entitlement to extended benefits for weeks beginning after March 6, 1993, and before January 1, 1995, shall be determined in accordance with provisions of this chapter not excluded by this subsection.

11. "Weekly extended benefit amount." The weekly extended benefit amount payable to an individual for a week of total unemployment in his **or her** eligibility period shall be an amount equal to the weekly benefit amount payable to him **or her** during his **or her** applicable benefit year, reduced by a percentage equal to the percentage of the reduction in federal payments to states under section 204 of the Federal State Extended Unemployment Compensation Act of 1970, in accord with any order issued under any law of the United States. Such weekly benefit amount, if not a multiple of one dollar, shall be reduced to the nearest lower full dollar amount.

12. (1) "Total extended benefit amount." The total extended benefit amount payable to any eligible individual with respect to his **or her** applicable benefit year shall be the lesser of the following amounts:

(a) Fifty percent of the total amount of regular benefits which were payable to him **or her** under this law in his **or her** applicable benefit year;

(b) Thirteen times his **or her** weekly benefit amount which was payable to him **or her** under this law for a week of total unemployment in the applicable benefit year.

(2) Notwithstanding subdivision (1) of this subsection, during any fiscal year in which federal payments to states under section 204 of the Federal State Extended Unemployment Compensation Act of 1970 are reduced under any order issued under any law of the United States, the total extended benefit amount payable to an individual with respect to his **or her** applicable benefit year shall be reduced by an amount equal to the aggregate of the reductions under subsection 11 of this section in the weekly amounts paid to the individual.

(3) Notwithstanding the other provisions of this subsection, if the benefit year of any individual ends within an extended benefit period, the remaining balance of extended benefits that such individual would, but for this subdivision, be entitled to receive in that extended benefit period, with respect to weeks of unemployment beginning after the end of the benefit year, shall be reduced, but not below zero, by the product of the number of weeks for which the individual

received trade readjustment allowances under the Trade Act of 1974, as amended, within that benefit year, multiplied by the individual's weekly benefit amount for extended benefits.

(4) (a) Effective with respect to weeks beginning in a high unemployment period, subdivision (1) of this subsection shall be applied by substituting:

a. Eighty percent for fifty percent in paragraph (a) of subdivision (1) of this subsection; and

b. Twenty times for thirteen times in paragraph (b) of subdivision (1) of this subsection.

(b) For purposes of paragraph (a) of this subdivision, the term "high unemployment period" means any period during which an extended benefit period would be in effect if subparagraph a. of paragraph (c) of subdivision (2) of subsection 1 of this section were applied by substituting eight percent for six and one-half percent.

13. (1) Whenever an extended benefit period is to become effective in this state as a result of a state "on" indicator, or an extended benefit period is to be terminated in this state as a result of a state "off" indicator, the director shall make an appropriate public announcement.

(2) Computations required by the provisions of subdivision (4) of subsection 1 of this section, shall be made by the director, in accordance with regulations prescribed by the United States Secretary of Labor.

288.330. STATE LIABILITY FOR BENEFITS LIMITED, AUTHORITY FOR APPLICATION AND REPAYMENT OF FEDERAL ADVANCES — BOARD OF UNEMPLOYMENT FUND FINANCING CREATED, DUTIES, REQUIREMENTS, POWERS — DISPOSITION OF UNOBLIGATED FUNDS. — 1. Benefits shall be deemed to be due and payable only to the extent that moneys are available to the credit of the unemployment compensation fund and neither the state nor the division shall be liable for any amount in excess of such sums. The governor is authorized to apply for an advance to the state unemployment fund and to accept the responsibility for the repayment of such advance in order to secure to this state and its citizens the advantages available under the provisions of federal law.

2. (1) The purpose of this subsection is to provide a method of providing funds for the payment of unemployment benefits or maintaining an adequate fund balance in the unemployment compensation fund, and as an alternative to borrowing or obtaining advances from the federal unemployment trust fund or for refinancing those loans or advances.

(2) For the purposes of this subsection, "credit instrument" means any type of borrowing obligation issued under this section, including any bonds, commercial line of credit note, tax anticipation note or similar instrument.

(3) (a) There is hereby created for the purposes of implementing the provisions of this subsection a body corporate and politic to be known as the "Board of Unemployment Fund Financing". The powers of the board shall be vested in five board members who shall be the governor, lieutenant governor, attorney general, director of the department of labor, and the commissioner of administration. The board shall have all powers necessary to effectuate its purposes including, without limitation, the power to provide a seal, keep records of its proceedings, and provide for professional services. The governor shall serve as chair, the lieutenant governor shall serve as vice chair, and the commissioner of administration shall serve as secretary. Staff support for the board shall be provided by the commissioner of administration;

(b) Notwithstanding the provisions of any other law to the contrary:

a. No officer or employee of this state shall be deemed to have forfeited or shall forfeit his or her office or employment by reason of his or her acceptance of an appointment as a board member or for his or her service to the board;

b. Board members shall receive no compensation for the performance of their duties under this subsection, but each commissioner shall be reimbursed from the funds of the commission for his or her actual and necessary expenses incurred in carrying out his or her official duties under this subsection.

(c) In the event that any of the board members or officers of the board whose signatures or facsimile signatures appear on any credit instrument shall cease to be board members or officers before the delivery of such credit instrument, their signatures or facsimile signatures shall be valid and sufficient for all purposes as if such board members or officers had remained in office until delivery of such credit instrument.

(d) Neither the board members executing the credit instruments of the board nor any other board members shall be subject to any personal liability or accountability by reason of the issuance of the credit instruments.

(4) The board is authorized, by offering for public negotiated sale, to issue, sell, and deliver credit instruments, bearing interest at a fixed or variable rate as shall be determined by the board, which shall mature no later than ten years after issuance, in the name of the board in an amount determined by the board**[**, provided that the unpaid principal amount of any outstanding credit instruments, combined with the unpaid principal amount of any financing agreement entered into under subdivision (17) of this subsection, shall not exceed four hundred fifty million dollars at any one time**]**. Such credit instruments may be issued, sold, and delivered for the purposes set forth in subdivision (1) of this subsection. Such credit instrument may only be issued upon the approval of a resolution authorizing such issuance by a simple majority of the members of the board, with no other proceedings required.

(5) The board shall provide for the payment of the principal of the credit instruments, any redemption premiums, the interest on the credit instruments, and the costs attributable to the credit instruments being issued or outstanding as provided in this chapter. Unless the board directs otherwise, the credit instrument shall be repaid in the same time frame and in the same amounts as would be required for loans issued pursuant to 42 U.S.C. Section 1321; however, in no case shall credit instruments be outstanding for more than ten years.

(6) The board may irrevocably pledge money received from the credit instrument and financing agreement repayment surcharge under subsection 3 of section 288.128, and other money legally available to it, which is deposited in an account authorized for credit instrument repayment in the special employment security fund, provided that the general assembly has first appropriated moneys received from such surcharge and other moneys deposited in such account for the payment of credit instruments.

(7) Credit instruments issued under this section shall not constitute debts of this state or of the board or any agency, political corporation, or political subdivision of this state and are not a pledge of the faith and credit of this state, the board or of any of those governmental entities and shall not constitute an indebtedness within the meaning of any constitutional or statutory limitation upon the incurring of indebtedness. The credit instruments are payable only from revenue provided for under this chapter. The credit instruments shall contain a statement to the effect that:

(a) Neither the state nor the board nor any agency, political corporation, or political subdivision of the state shall be obligated to pay the principal or interest on the credit instruments except as provided by this section; and

(b) Neither the full faith and credit nor the taxing power of the state nor the board nor any agency, political corporation, or political subdivision of the state is pledged to the payment of the principal, premium, if any, or interest on the credit instruments.

(8) The board pledges and agrees with the owners of any credit instruments issued under this section that the state will not limit or alter the rights vested in the board to fulfill the terms of any agreements made with the owners or in any way impair the rights and remedies of the owners until the credit instruments are fully discharged.

(9) The board may prescribe the form, details, and incidents of the credit instruments and make such covenants that in its judgment are advisable or necessary to properly secure the payment thereof. If such credit instruments shall be authenticated by the bank or trust company acting as registrar for such by the manual signature of a duly authorized officer or employee thereof, the duly authorized officers of the board executing and attesting such credit instruments

may all do so by facsimile signature provided such signatures have been duly filed as provided in the uniform facsimile signature of public officials law, sections 105.273 to 105.278, RSMo, when duly authorized by resolution of the board, and the provisions of section 108.175, RSMo, shall not apply to such credit instruments. The board may provide for the flow of funds and the establishment and maintenance of separate accounts within the special employment security fund, including the interest and sinking account, the reserve account, and other necessary accounts, and may make additional covenants with respect to the credit instruments in the documents authorizing the issuance of credit instruments including refunding credit instruments. The resolutions authorizing the issuance of credit instruments may also prohibit the further issuance of credit instruments or other obligations payable from appropriated moneys or may reserve the right to issue additional credit instruments to be payable from appropriated moneys on a parity with or subordinate to the lien and pledge in support of the credit instruments being issued and may contain other provisions and covenants as determined by the board, provided that any terms, provisions or covenants provided in any resolution of the board shall not be inconsistent with the provisions of this section.

(10) The board may issue credit instruments to refund all or any part of the outstanding credit instruments issued under this section including matured but unpaid interest. As with other credit instruments issued under this section, such refunding credit instruments may bear interest at a fixed or variable rate as determined by the board.

(11) The credit instruments issued by the board, any transaction relating to the credit instruments, and profits made from the sale of the credit instruments are free from taxation by the state or by any municipality, court, special district, or other political subdivision of the state.

(12) As determined necessary by the board the proceeds of the credit instruments less the cost of issuance shall be placed in the state's unemployment compensation fund and may be used for the purposes for which that fund may otherwise be used. If those net proceeds are not placed immediately in the unemployment compensation fund they shall be held in the special employment security fund in an account designated for that purpose until they are transferred to the unemployment compensation fund provided that the proceeds of refunding credit instruments may be placed in an escrow account or such other account or instrument as determined necessary by the board.

(13) The board may enter into any contract or agreement deemed necessary or desirable to effectuate cost-effective financing hereunder. Such agreements may include credit enhancement, credit support, or interest rate agreements including, but not limited to, arrangements such as municipal bond insurance; surety bonds; tax anticipation notes; liquidity facilities; forward agreements; tender agreements; remarketing agreements; option agreements; interest rate swap, exchange, cap, lock or floor agreements; letters of credit; and purchase agreements. Any fees or costs associated with such agreements shall be deemed administrative expenses for the purposes of calculating the credit instrument and financing agreement repayment surcharge under subsection 3 of section 288.128. The board, with consideration of all other costs being equal, shall give preference to Missouri-headquartered financial institutions, or those out-of-state-based financial institutions with at least one hundred Missouri employees.

(14) To the extent this section conflicts with other laws the provisions of this section prevail. This section shall not be subject to the provisions of sections 23.250 to 23.298, RSMo.

(15) If the United States Secretary of Labor holds that a provision of this subsection or of any provision related to the levy or use of the credit instrument and financial agreement repayment surcharge does not conform with a federal statute or would result in the loss to the state of any federal funds otherwise available to it the board, in cooperation with the department of labor and industrial relations, may administer this subsection, and other provisions related to the credit instrument and financial agreement repayment surcharge, to conform with the federal statute until the general assembly meets in its next regular session and has an opportunity to amend this subsection or other sections, as applicable.

(16) Nothing in this chapter shall be construed to prohibit the officials of the state from borrowing from the government of the United States in order to pay unemployment benefits under subsection 1 of this section or otherwise.

(17) (a) As used in this subdivision the term "lender" means any state or national bank.

(b) The board is authorized to enter financial agreements with any lender for the purposes set forth in subdivision (1) of this subsection, or to refinance other financial agreements in whole or in part, upon the approval of the simple majority of the members of the board of a resolution authorizing such financial agreements, with no other proceedings required. **[**The total amount of the outstanding obligation under all such agreements at any one time shall not exceed the difference of four hundred fifty million dollars and the principal amount of credit instruments outstanding under this subsection.**]** In no instance shall the outstanding obligation under any financial agreement continue for more than ten years. Repayment of obligations to lenders shall be made from the special employment security fund, section 288.310, subject to appropriation by the general assembly.

(c) Financial agreements entered into under this subdivision shall not constitute debts of this state or of the board or any agency, political corporation, or political subdivision of this state and are not a pledge of the faith and credit of this state, the board or of any of those governmental entities and shall not constitute an indebtedness within the meaning of any constitutional or statutory limitation upon the incurring of indebtedness. The financial agreements are payable only from revenue provided for under this chapter. The financial agreements shall contain a statement to the effect that:

a. Neither the state nor the board nor any agency, political corporation, or political subdivision of the state shall be obligated to pay the principal or interest on the financial agreements except as provided by this section; and

b. Neither the full faith and credit nor the taxing power of the state nor the board nor any agency, political corporation, or political subdivision of the state is pledged to the payment of the principal, premium, if any, or interest on the financial agreements.

(d) Neither the board members executing the financial agreements nor any other board members shall be subject to any personal liability or accountability by reason of the execution of such financial agreements.

(e) The board may prescribe the form, details and incidents of the financing agreements and make such covenants that in its judgment are advisable or necessary to properly secure the payment thereof provided that any terms, provisions or covenants provided in any such financing agreement shall not be inconsistent with the provisions of this section. If such financing agreements shall be authenticated by the bank or trust company acting as registrar for such by the manual signature of a duly authorized officer or employee thereof, the duly authorized officers of the board executing and attesting such financing agreements may all do so by facsimile signature provided such signatures have been duly filed as provided in the uniform facsimile signature of public officials law, sections 105.273 to 105.278, RSMo, when duly authorized by resolution of the board and the provisions of section 108.175, RSMo, shall not apply to such financing agreements.

(18) The commission may issue credit instruments to refund all or any part of the outstanding borrowing issued under this section including matured but unpaid interest.

(19) The credit instruments issued by the commission, any transaction relating to the credit instruments, and profits made from the issuance of credit are free from taxation by the state or by any municipality, court, special district, or other political subdivision of the state.

3. In event of the suspension of this law, any unobligated funds in the unemployment compensation fund, and returned by the United States Treasurer because such Federal Social Security Act is inoperative, shall be held in custody by the treasurer and under supervision of the division until the legislature shall provide for the disposition thereof. In event no disposition is made by the legislature at the next regular meeting subsequent to suspension of said law, then all unobligated funds shall be returned ratably to those who contributed thereto.

4. For purposes of this section, as contained in senate substitute no. 2 for senate committee substitute for house substitute for house committee substitute for house bill nos. 1268 and 1211, ninety-second general assembly, second regular session, the revisor of statutes shall renumber subdivision (16) of subsection 2 of such section as subdivision (17) of such subsection and renumber subdivision (17) of subsection 2 of such section as subdivision (16) of such subsection.

288.501. EXTENSION OF BENEFITS — ALTERNATE BASE PERIOD DEFINED — USE OF FEDERAL MONEYS. — Notwithstanding any other provision of law to the contrary:

(1) If a claimant does not have sufficient wages in the base period to be an insured worker, as those terms are defined in section 288.030, the individual's base period shall be the four most recently completed calendar quarters preceding the first day of the individual's benefit year. Such base period shall be known as the "alternate base period". If information as to wages for the most recent quarter of the alternate base period is not available to the deputy from the regular quarterly reports of wage information, which are systematically accessible, the deputy may base the determination of eligibility for benefits on the affidavit of the claimant with respect to wages for that calendar quarter. The claimant shall furnish payroll documentation, where available, in support of the affidavit. The determination based upon the alternate base period as it relates to the claimant's benefit rights shall be amended if the quarterly report of wage information from the employer is timely received and that information causes a change in the determination. No calendar quarter in a base period or alternate base period for a claimant's current benefit year shall be used to establish a subsequent benefit year.

(2) The claimant shall not be disqualified from unemployment compensation for separating from employment if that separation is for any compelling family reason. For the purposes of this section, the term "compelling family reason" shall mean:

(a) The illness or disability of a member of the claimant's immediate family, which shall include the claimant's spouse, parent, or minor child under the age of eighteen;

(b) The need for the claimant to accompany such claimant's spouse to a location from which it is impractical for the claimant to commute and due to a change in location of the spouse's employment;

(c) Domestic violence, verified by reasonable and confidential documentation, which causes the claimant reasonably to believe that the claimant's continued employment would jeopardize the safety of the claimant or of any member of the claimant's family, as defined by the United States Secretary of Labor.

(3) A claimant who has commenced training under the Workforce Investment Act of 1998, or director-approved training under section 288.055, and has exhausted the claimant's regular unemployment benefits shall be eligible for additional unemployment benefits, not to exceed twenty-six times the claimant's weekly benefit amount. The weekly benefit amount shall be the same as the claimant's regular weekly benefit amount and shall be paid under the same terms and conditions as regular benefits. These training benefits shall be paid after any extended benefits or any similar benefits paid by a federally funded program.

(4) Priority for training funds provided under subdivision (3) of this section shall be given to claimants laid off through no fault of their own from Missouri automobile manufacturing facilities.

(5) No charges shall be made against an employer's account in respect to benefits paid to a claimant under this section.

(6) The director shall separately track payments that were made under this section. Once the amount of payments exceeds the amount of federal incentive funds made available because of the enactment of this section, the unemployment compensation fund shall be reimbursed from general revenue for all subsequent payments to the claimants.

(7) The provisions of this section shall be subject to renewal in the second regular session of the ninety-fifth general assembly. If not renewed, the provisions of this section shall expire once the funds provided under the American Recovery and Reinvestment Act of 2009 are expended as provided in this section.

(8) The provisions of this section shall not take effect, and no benefits paid under this section, unless first certified by the United States Secretary of Labor under 42 U.S.C.1103, as amended by the American Recovery and Reinvestment Act of 2009.

SECTION B. EMERGENCY CLAUSE. — Because immediate action is necessary to help Missourians during economic hardship, section A of this act is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and section A of this act shall be in full force and effect upon its passage and approval.

Failure of any such person to do so shall be a violation of the provisions of sections 436.005 to 436.071 and shall be cause for suspension or revocation of that person's license under the provisions of section 333.061, RSMo.

3. 4. All expenses of establishing and administering a preneed trust, including, without limitation, trustee's fees, legal and accounting fees, investment expenses, and taxes, shall be paid or reimbursed directly by the seller of the preneed contracts administered through such trust and shall not be paid from the principal of a preneed trust.

5. The trustee of a preneed trust shall maintain adequate books of account of all transactions administered through the trust and pertaining to the trust generally. Such private jails shall be subject to all applicable state laws and local ordinances.

2. Any written report regarding any violation of a state criminal law that would result in a punishment of at least one year in prison shall contain the name and address of the private jail, the name of the prisoner or person who may have committed the law violation, information regarding the nature of the law violation, the name of the complainant, and other information which might be relevant.

568.040. Criminal nonsupport, penalty — payment of support as a condition of parole — prosecuting attorneys to report cases to division of child support enforcement.

Be it enacted by the General Assembly of the State of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Section 568.040, RSMo, is repealed and two new sections enacted in lieu thereof, to be known as sections 478.495 and 568.040, to read as follows:

478.495. CRIMINAL NONSUPPORT COURTS AUTHORIZED — REFERRAL OF CASES — ALLOCATION OF RESOURCES — FUND CREATED, USE OF MONEYS. — 1. Criminal nonsupport courts may be established by any circuit court to provide an alternative for the criminal justice system to dispose of cases which stem from criminal nonsupport. A criminal nonsupport court shall combine judicial supervision, substance abuse treatment, education including general education development certificate (GED) programs, vocational or employment training, work programs, and support payment plans for criminal nonsupport court participants. Except for good cause found by the court, a criminal nonsupport court making a referral for education, substance abuse treatment, vocational or employment training, or work programs, when such program will receive state or federal funds in connection with such referral, shall refer the person only to a program which is certified by a department of the state of Missouri, unless no appropriate certified program is located within the same county as the criminal nonsupport court. Upon successful completion of the education, substance abuse treatment, vocational or employment training program, work program, or support payment plan, the defendant becoming gainfully employed, or the defendant commencing payment of current and accrued support, the charges, petition, or penalty against a criminal nonsupport court participant may be dismissed, reduced, or modified. Any fees received by a court from a defendant as payment for education, substance abuse treatment, or training programs shall not be considered court costs, charges, or fines.

2. Each circuit court shall establish conditions for referral of proceedings to the criminal nonsupport court. The defendant in any criminal proceeding accepted by a criminal nonsupport court for disposition shall be a nonviolent person, as determined by the prosecuting attorney, and shall be subject to the conditions set forth in subsection 6 of section 568.040, RSMo. Any proceeding accepted by the criminal nonsupport court program for disposition shall be upon agreement of the parties.

3. Any report made by the staff of the program shall not be admissible as evidence against the participant in the underlying criminal nonsupport case. Notwithstanding the foregoing, termination from the criminal nonsupport court program and the reasons for termination may be considered in sentencing or disposition.

4. Notwithstanding any other provision of law, criminal nonsupport court staff shall be provided with access to all records of any state or local government agency relevant to the supervision of any program participant. Upon general request, employees of all such agencies shall fully inform criminal nonsupport court staff of all matters relevant to the supervision of the participant. All such records and reports and the contents thereof shall be treated as closed records and shall not be disclosed to any person outside of the criminal nonsupport court, and shall be maintained by the court in a confidential file not available to the public.

5. 568.040. CRIMINAL NONSUPPORT, PENALTY — PAYMENT OF SUPPORT AS A CONDITION OF PAROLE — PROSECUTING ATTORNEYS TO REPORT CASES TO DIVISION OF CHILD SUPPORT ENFORCEMENT. — 1. A person commits the crime of nonsupport if **[**he**]** **such person** knowingly fails to provide, without good cause, adequate support for his **or her** spouse; a parent commits the crime of nonsupport if such parent knowingly fails to provide, without good cause, adequate support which such parent is legally obligated to provide for his **or her** child or stepchild who is not otherwise emancipated by operation of law.

2. For purposes of this section:

(1) "Child" means any biological or adoptive child, or any child **[**legitimated by legal process**]** **whose paternity has been established under chapter 454, RSMo, or chapter 210, RSMo**, or any child whose relationship to the defendant has been determined, by a court of law in a proceeding for dissolution or legal separation, to be that of child to parent;

(2) "Good cause" means any substantial reason why the defendant is unable to provide adequate support. Good cause does not exist if the defendant purposely maintains his inability to support;

(3) "Support" means food, clothing, lodging, and medical or surgical attention;

(4) It shall not constitute a failure to provide medical and surgical attention, if nonmedical remedial treatment recognized and permitted under the laws of this state is provided.

3. **Inability to provide support for good cause shall be an affirmative defense under this section. A person who raises such affirmative defense has the burden of proving the defense by a preponderance of the evidence.**

4. The defendant shall have the burden of injecting the issues raised by subdivisions (2) and (4) of subsection 2 **and subsection 3 of this section**.

[4.**]** **5.** Criminal nonsupport is a class A misdemeanor, unless **[**the person obligated to pay child support commits the crime of nonsupport in each of six individual months within any twelve-month period, or**]** the total arrearage is in excess of **[**five thousand dollars**]** **an aggregate of twelve monthly payments due under any order of support issued by any court of competent jurisdiction or any authorized administrative agency**, in **[**either of**]** which case it is a class D felony.

6. If at any time a defendant convicted of criminal nonsupport is placed on probation or parole, there may be ordered as a condition of probation or parole that the defendant commence payment of current support as well as satisfy the arrearages. Arrearages may be satisfied first by making such lump sum payment as the defendant is capable of paying, if any, as may be shown after examination of defendant's financial resources or assets, both real, personal, and mixed, and second by making periodic payments. Periodic payments toward satisfaction of arrears when added to current payments due may be in such aggregate sums as is not greater than fifty percent of the defendant's adjusted gross income after deduction of payroll taxes, medical insurance that also covers a dependent spouse or children, and any other court or administrative ordered support, only. If the defendant fails to pay the current support and arrearages as ordered, the court may revoke probation or parole and then impose an appropriate sentence within the range for the class of offense that the defendant was convicted of as provided by law, unless the defendant proves good cause for the failure to pay as required under subsection 3 of this section.

7. During any period that a nonviolent defendant is incarcerated for criminal nonsupport, if the defendant is ready, willing, and able to be gainfully employed during said period of incarceration, the defendant, if he or she meets the criteria established by the department of corrections, may be placed on work release to allow the defendant to satisfy defendant's obligation to pay support. Arrearages shall be satisfied as outlined in the collection agreement.

8. Beginning August 28, 2009, every nonviolent first and second time offender then incarcerated for criminal nonsupport, who has not been previously placed on probation or parole, for conviction of criminal nonsupport, may be considered for parole, under the conditions set forth in subsection 6 of this section, or work release, under the conditions set forth in subsection 7 of this section.

[5.**]** **9.** Beginning January 1, 1991, every prosecuting attorney in any county which has entered into a cooperative agreement with the division of child support enforcement shall report to the division on a quarterly basis the number of charges filed and the number of convictions obtained under this section by the prosecuting attorney's office on all IV-D cases. The division shall consolidate the reported information into a statewide report by county and make the report available to the general public.

[6.**]** **10.** Persons accused of committing the offense of nonsupport of the child shall be prosecuted:

(1) In any county in which the child resided during the period of time for which the defendant is charged; or

(2) In any county in which the defendant resided during the period of time for which the defendant is charged.

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

Modifies the law on the establishment of paternity

AN ACT to repeal sections 210.826 and 210.828, RSMo, and to enact in lieu thereof three new sections relating to paternity determinations.

SECTION
A. Enacting clause.
210.826. Determination of father and child relationship, who may bring action, when action may be brought.
210.828. Statute of limitations, exception — notification form required, when.
210.854. Paternity and support, setting aside of judgment, criteria — division to track cases.

Be it enacted by the General Assembly of the State of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Sections 210.826 and 210.828, RSMo, are repealed and three new sections enacted in lieu thereof, to be known as sections 210.826, 210.828, and 210.854, to read as follows:

210.826. DETERMINATION OF FATHER AND CHILD RELATIONSHIP, WHO MAY BRING ACTION, WHEN ACTION MAY BE BROUGHT. — 1. A child, his natural mother, a man presumed to be his father under subsection 1 of section 210.822, a man alleging himself to be a father, any person having physical or legal custody of a child for a period of more than sixty days or the **family support** division **[**of child support enforcement**]** may bring an action at any time for the purpose of declaring the existence or nonexistence of the father and child relationship presumed under subsection 1 of section 210.822.

2. An action to determine the existence of the father and child relationship with respect to a child who has no presumed father under section 210.822 may be brought by the child, the mother or the person who has legal custody of the child, any person having physical or legal custody of a child for a period of more than sixty days, the **family support** division **[**of child support enforcement**]**, the personal representative or a parent of the mother if the mother has died, a man alleging himself to be the father, or the personal representative or a parent of the alleged father if the alleged father has died or is a minor.

3. Regardless of its terms, an agreement, other than an agreement approved by the court in accordance with subsection 2 of section 210.838, between an alleged or presumed father and the mother or child, does not bar an action under this section.

4. If an action under this section is brought before the birth of the child, all proceedings shall be stayed until after the birth, except service of process and the taking of depositions to perpetuate testimony.

5. In an action to determine the existence of the father and child relationship under this section, a notification form, as specified in this subsection, shall be attached to the delivery of the petition through service of process. The notification form shall prominently state in bold face type as follows: "Important Notice. If you do not respond to this action, a judgment of paternity may be entered against you and you may be ordered to pay child support, medical support, or reimburse someone for support previously provided for the child. You have the right to contest that you are the father of the named child and you have the right to request genetic testing to prove whether or not you are the father.".

210.828. STATUTE OF LIMITATIONS, EXCEPTION — NOTIFICATION FORM REQUIRED, WHEN. — 1. An action to determine the existence of the father and child relationship as to a child who has no presumed father under section 210.822 may not be brought later than eighteen years after the birth of the child, except that an action to determine the existence of the father and child relationship as to a child who has no presumed father under the provisions of section 210.822 may be brought by the child within three years after such child attains the age of eighteen.

2. A parent's retroactive liability to another party for reimbursement of necessary support provided by that party to the child for whom a parent and child relationship is established under sections 210.817 to 210.852 is limited to a period of five years next preceding the commencement of the action.

3. Sections 210.826 and 210.828 do not extend the time within which a right of inheritance or a right to a succession may be asserted beyond the time provided by law relating to distribution and closing of decedents' estates or to the determination of heirship, or otherwise.

4. In an action to determine the existence of the father and child relationship under this section, a notification form, as specified in this subsection, shall be attached to the delivery of the petition through service of process. The notification form shall prominently state in bold face type as follows: "Important Notice. If you do not respond to this action, a judgment of paternity may be entered against you and you may be ordered to pay child support, medical support or reimburse someone for support previously provided for the child. You have the right to contest that you are the father of the named child and you have the right to request genetic testing to prove whether or not you are the father.".

210.854. PATERNITY AND SUPPORT, SETTING ASIDE OF JUDGMENT, CRITERIA — DIVISION TO TRACK CASES. — 1. In the event of the entry of a judgment or judgments of paternity and support, whether entered in one judgment or separately, a person against whom such a judgment or judgments have been entered may file a petition requesting a circuit court with jurisdiction over the subject child or children to set aside said judgment or judgments in the interests of justice and upon the grounds set forth in this section. Such a petition may be filed at any time prior to December 31, 2011. After that date, the petition shall be filed within two years of the entry of the original judgment of paternity and support or within two years of entry of the later judgment in the case of separate judgments of paternity and support and shall be filed in the county which entered the judgment or judgments of paternity and support. Any such petition shall be served upon the biological mother and any other legal guardian or custodian in the same manner provided for service of process in the rules of civil procedure. The child or children shall be made a party and shall have a guardian ad litem appointed for the child or children before any further proceedings are had. If the child or children are recipients of IV-D services as defined in subdivision (8) of section 454.460, RSMo, the family support division shall also be made a party and shall be duly served.

2. The petition shall include an affidavit executed by the petitioner alleging that evidence exists which was not considered before entry of judgment and either:

(1) An allegation that genetic testing was conducted within ninety days prior to the filing of such petition using DNA methodology to determine the probability or improbability of paternity, and performed by an expert as defined in section 210.834. The affidavit shall also allege that the test results, which are attached thereto, indicate that a person subject to the child support payment order has been excluded as the child's father; or

(2) A request to the court for an order of genetic paternity testing using DNA methodology.

3. The court, after a hearing wherein all interested parties have been given an opportunity to present evidence and be heard, and upon a finding of probable cause to believe said testing may result in a determination of non-paternity, shall order the relevant parties to submit to genetic paternity testing. The genetic paternity testing costs shall be paid by the petitioner.

4. Upon a finding that the genetic test referred to herein was properly conducted, accurate, and indicates that the person subject to the child support payment order has been excluded as the child's father, the court shall, unless it makes written findings of fact and conclusions of law that it is in the best interest of the parties not to do so:

(1) Grant relief on the petition and enter judgment setting aside the previous judgment or judgements of paternity and support, or acknowledgment of paternity under section 210.823 only as to the child or children found not to be the biological child or children of the petitioner;

(2) Extinguish any existing child support arrearage only as to the child or children found not to be the biological child or children of the petitioner; and

(3) Order the department of health and senior services to modify the child's birth certificate accordingly.

5. The provisions of this section shall not apply to grant relief to the parent of any adopted child.

6. A finding under subsection 4 of this section shall constitute a material mistake of fact under section 210.823.

7. The provisions of this section shall not be construed to create a cause of action to recover child support or state debt, under subdivision (2) of subsection 1 of section 454.465, RSMo, and subsection 10 of section 452.340, RSMo, that was previously paid pursuant to the order. The petitioner shall have no right for reimbursement for any moneys previously paid pursuant to said order.

8. Any petitioner who has pled guilty to or been found guilty of an offense for criminal nonsupport under section 568.040, RSMo, as to a child or children who have been found not to be the biological child or children of the petitioner, may apply to the court in which the petitioner pled guilty or was sentenced for an order to expunge from all official records all recordations of his arrest, plea, trial, or conviction. If the court determines, after hearing, that the petitioner has had a judgment or judgments of paternity and support set aside under this section, the court shall enter an order of expungement. Upon granting of the order of expungement under this subsection, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the circuit court under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea, or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his failure to recite or acknowledge such arrest, plea, trial, conviction, or expungement in response to any inquiry made of him for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section.

9. Beginning in 2010, the family support division shall track and report to the general assembly the number of cases known to the division in which a court, within the calendar year, set aside a previous judgment or judgments of paternity and support under subsection 4 of this section. The family support division shall submit the report annually by December 31.

AN ACT to repeal sections 347.183, 351.225, and 359.681, RSMo, and to enact in lieu thereof three new sections relating to corporate shareholders' meetings.

SECTION
A. Enacting clause.
347.183. Additional duties of secretary.
351.225. Shareholders' meetings prescribed by bylaws.
359.681. Powers and authority of secretary of state — examination of books and records — failure to exhibit, penalty — cancellation or disapproval of certificate, when, notice, appeal in circuit court — petition for appeal, filed when — rescission of cancellation — late filing fees, penalty.

Be it enacted by the General Assembly of the State of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Sections 347.183, 351.225, and 359.681, RSMo, are repealed and three new sections enacted in lieu thereof, to be known as sections 347.183, 351.225, and 359.681, to read as follows:

347.183. ADDITIONAL DUTIES OF SECRETARY. — In addition to the other powers of the secretary established in sections 347.010 to 347.187, the secretary shall, as is reasonably necessary to enable the secretary to administer sections 347.010 to 347.187 efficiently and to perform the secretary's duties, have the following powers including, but not limited to:

(1) The power to examine the books and records of any limited liability company to which sections 347.010 to 347.187 apply, and it shall be the duty of any manager, member or agent of such limited liability company having possession or control of such books and records, to produce such books and records for examination on demand of the secretary or his designated employee; except that no person shall be subject to any criminal prosecution on account of any matter or thing which may be disclosed by examination of any limited liability company books and records, which they may produce or exhibit for examination; or on account of any other matter or thing concerning which they may make any voluntary and truthful statement in writing to the secretary or his designated employee. All facts obtained in the examination of the books and records of any limited liability company, or through the voluntary sworn statement of any

manager, member, agent or employee of any limited liability company, shall be treated as confidential, except insofar as official duty may require the disclosure of same, or when such facts are material to any issue in any legal proceeding in which the secretary or his designated employee may be a party or called as witness, and, if the secretary or his designated employee shall, except as provided in this subdivision, disclose any information relative to the private accounts, affairs, and transactions of any such limited liability company, he shall be guilty of a class C misdemeanor. If any manager, member or registered agent in possession or control of such books and records of any such limited liability company shall refuse a demand of the secretary or his designated employee, to exhibit the books and records of such limited liability company for examination, such person shall be guilty of a class B misdemeanor;

(2) The power to cancel or disapprove any articles of organization or other filing required under sections 347.010 to 347.187, if the limited liability company fails to comply with the provisions of sections 347.010 to 347.187 by failing to file required documents under sections 347.010 to 347.187, by failing to maintain a registered agent, by failing to pay the required filing fees, by using fraud or deception in effecting any filing, by filing a required document containing a false statement, or by violating any section or sections of the criminal laws of Missouri, the federal government or any other state of the United States. Thirty days before such cancellation shall take effect, the secretary shall notify the limited liability company with written notice, either personally or by certified mail, deposited in the United States mail in a sealed envelope addressed to such limited liability company's last registered agent in office, or to one of the limited liability company's members or managers. Written notice of the secretary's proposed cancellation to the limited liability company, domestic or foreign, shall specify the reasons for such action. The limited liability company may appeal this notice of proposed cancellation to the circuit court of the county in which the registered office of such limited liability company is or is proposed to be situated by filing with the clerk of such court a petition setting forth a copy of the articles of organization or other relevant documents and a copy of the proposed written cancellation thereof by the secretary, such petition to be filed within thirty days after notice of such cancellation shall have been given, and the matter shall be tried by the court, and the court shall either sustain the action of the secretary or direct him to take such action as the court may deem proper. An appeal from the circuit court in such a case shall be allowed as in civil action. The limited liability company may provide information to the secretary that would allow the secretary to withdraw the notice of proposed cancellation. This information may consist of, but need not be limited to, corrected statements and documents, new filings, affidavits and certified copies of other filed documents;

(3) The power to rescind cancellation provided for in subdivision (2) of this section upon compliance with either of the following:

(a) The affected limited liability company provides the necessary documents and affidavits indicating the limited liability company has corrected the conditions causing the proposed cancellation or the cancellation; or

(b) The limited liability company provides the correct statements or documentation that the limited liability company is not in violation of any section of the criminal code; and

(4) The power to charge late filing fees for any filing fee required under sections 347.010 to 347.187 and the power to impose civil penalties as provided in section 347.053. Late filing fees shall be assessed at a rate of ten dollars for each thirty-day period of delinquency**;**

(5) (a) The power to administratively cancel an articles of organization if the limited liability company's period of duration stated in articles of organization expires.

(b) Not less than thirty days before such administrative cancellation shall take effect, the secretary shall notify the limited liability company with written notice, either personally or by mail. If mailed, the notice shall be deemed delivered five days after it is deposited in the United States mail in a sealed envelope addressed to such limited liability company's last registered agent and office or to one of the limited liability company's managers or members.

(c) If the limited liability company does not timely file an articles of amendment in accordance with section 347.041 to extend the duration of the limited liability company, which may be any number of years or perpetual, or demonstrate to the reasonable satisfaction of the secretary that the period of duration determined by the secretary is incorrect, within sixty days after service of the notice is perfected by posting with the United States Postal Service, then the secretary shall cancel the articles of organization by signing an administrative cancellation that recites the grounds for cancellation and its effective date. The secretary shall file the original of the administrative cancellation and serve a copy on the limited liability company as provided in section 347.051.

(d) A limited liability company whose articles of organization has been administratively cancelled continues its existence but may not carry on any business except that necessary to wind up and liquidate its business and affairs under section 347.147 and notify claimants under section 347.141.

(e) The administrative cancellation of an articles of organization does not terminate the authority of its registered agent.

(6) (a) The power to rescind an administrative cancellation and reinstate the articles of organization.

(b) Except as otherwise provided in the operating agreement, a limited liability company whose articles of organization has been administratively cancelled under subdivision (5) of this section may file an articles of amendment in accordance with section 347.041 to extend the duration of the limited liability company, which may be any number or perpetual.

d. Be accompanied by a reinstatement fee in the amount of one hundred dollars, or such greater amount as required by state regulation, plus any delinquent fees, penalties, and other charges as determined by the secretary to then be due.

(d) If the secretary determines that the application contains the information and is accompanied by the fees required in paragraph (c) of this subdivision and that the information and fees are correct, the secretary shall rescind the cancellation and prepare a certificate of reinstatement that recites his or her determination and the effective date of reinstatement, file the original articles of organization, and serve a copy on the limited liability company as provided in section 347.051.

(e) When the reinstatement is effective, it shall relate back to and take effect as of the effective date of the administrative cancellation of the articles of organization and the limited liability company may continue carrying on its business as if the administrative cancellation had never occurred.

(f) In the event the name of the limited liability company was reissued by the secretary to another entity prior to the time application for reinstatement was filed, the limited liability company applying for reinstatement may elect to reinstate using a new name that complies with the requirements of section 347.020 and that has been approved by appropriate action of the limited liability company for changing the name thereof.

(g) If the secretary denies a limited liability company's application for reinstatement following administrative cancellation of the articles of organization, he or she shall serve

the limited liability company as provided in section 347.051 with a written notice that explains the reason or reasons for denial.

The school board may file objections with the proposed sponsor, and, if a charter is granted, the school board may file objections with the state board of education. The charter shall include a mission statement for the charter school, a description of the charter school's organizational structure and bylaws of the governing body, which will be responsible for the policy and operational decisions of the

charter school, a financial plan for the first three years of operation of the charter school including provisions for annual audits, a description of the charter school's policy for securing personnel services, its personnel policies, personnel qualifications, and professional development plan, a description of the grades or ages of students being served, the school's calendar of operation, which shall include at least the equivalent of a full school term as defined in section 160.011, and an outline of criteria specified in this section designed to measure the effectiveness of the school. The charter shall also state:

The sponsor's decision of approval or denial shall be made within ninety days of the filing of the proposed charter;

(2) If the charter is denied, the proposed sponsor shall notify the applicant in writing as to the reasons for its denial and forward a copy to the state board of education within five business days following the denial;

(3) If a proposed charter is denied by a sponsor, the proposed charter may be submitted to the state board of education, along with the sponsor's written reasons for its denial. If the state board determines that the applicant meets the requirements of this section, that the applicant is sufficiently qualified to operate the charter school, and that granting a charter to the applicant would be likely to provide educational benefit to the children of the district, the state board may grant a charter and act as sponsor of the charter school. The state board shall review the proposed charter and make a determination of whether to deny or grant the proposed charter within sixty days of receipt of the proposed charter, provided that any charter to be considered by the state board of education under this subdivision shall be submitted no later than March first prior to the school year in which the charter school intends to begin operations. The state board of education shall notify the applicant in writing as the reasons for its denial, if applicable; and

(4) The sponsor of a charter school shall give priority to charter school applicants that propose a school oriented to high-risk students and to the reentry of dropouts into the school system. If a sponsor grants three or more charters, at least one-third of the charters granted by the sponsor shall be to schools that actively recruit dropouts or high-risk students as their student body and address the needs of dropouts or high-risk students through their proposed mission, curriculum, teaching methods, and services. For purposes of this subsection, a "high-risk" student is one who is at least one year behind in satisfactory completion of course work or obtaining credits for graduation, pregnant or a parent, homeless or has been homeless sometime within the preceding six months, has limited English proficiency, has been suspended from school three or more times, is eligible for free or reduced-price school lunch, or has been referred by the school district for enrollment in an alternative program. "Dropout" shall be defined

through the guidelines of the school core data report. The provisions of this subsection do not apply to charters sponsored by the state board of education.

3. If a charter is approved by a sponsor, the charter application shall be submitted to the state board of education, along with a statement of finding that the application meets the requirements of sections 160.400 to 160.420 and section 167.439, RSMo, and a monitoring plan under which the charter sponsor will evaluate the academic performance of students enrolled in the charter school. The state board of education may, within sixty days, disapprove the granting of the charter. The state board of education may disapprove a charter on grounds that the application fails to meet the requirements of sections 160.400 to 160.420 and section 167.349, RSMo, or that a charter sponsor previously failed to meet the statutory responsibilities of a charter sponsor.

4. Any disapproval of a charter pursuant to subsection 3 of this section shall be subject to judicial review pursuant to chapter 536, RSMo.

5. A charter school shall, as provided in its charter:

(1) Be nonsectarian in its programs, admission policies, employment practices, and all other operations;

(2) Comply with laws and regulations of the state, county, or city relating to health, safety, and state minimum educational standards, as specified by the state board of education, including the requirements relating to student discipline under sections 160.261, 167.161, 167.164, and 167.171, RSMo, notification of criminal conduct to law enforcement authorities under sections 167.115 to 167.117, RSMo, academic assessment under section 160.518, transmittal of school records under section 167.020, RSMo, and the minimum number of school days and hours required under section 160.041;

(3) Except as provided in sections 160.400 to 160.420, be exempt from all laws and rules relating to schools, governing boards and school districts;

(4) Be financially accountable, use practices consistent with the Missouri financial accounting manual, provide for an annual audit by a certified public accountant, publish audit reports and annual financial reports as provided in chapter 165, RSMo, provided that the annual financial report may be published on the department of elementary and secondary education's Internet web site in addition to other publishing requirements, and provide liability insurance to indemnify the school, its board, staff and teachers against tort claims. A charter school that receives local educational agency status under subsection 6 of this section shall meet the requirements imposed by the Elementary and Secondary Education Act for audits of such agencies. For purposes of an audit by petition under section 29.230, RSMo, a charter school shall be treated as a political subdivision on the same terms and conditions as the school district in which it is located. For the purposes of securing such insurance, a charter school shall be eligible for the Missouri public entity risk management fund pursuant to section 537.700, RSMo. A charter school that incurs debt must include a repayment plan in its financial plan;

(5) Provide a comprehensive program of instruction for at least one grade or age group from kindergarten through grade twelve, which may include early childhood education if funding for such programs is established by statute, as specified in its charter;

(6) (a) Design a method to measure pupil progress toward the pupil academic standards adopted by the state board of education pursuant to section 160.514, collect baseline data during at least the first three years for determining how the charter school is performing and to the extent applicable, participate in the statewide system of assessments, comprised of the essential skills tests and the nationally standardized norm-referenced achievement tests, as designated by the state board pursuant to section 160.518, complete and distribute an annual report card as prescribed in section 160.522, which shall also include a statement that background checks have been completed on the charter school's board members, report to its sponsor, the local school district, and the state board of education as to its teaching methods and any educational innovations and the results thereof, and provide data required for the study of charter schools pursuant to subsection 4 of section 160.410. No charter school will be considered in the

Missouri school improvement program review of the district in which it is located for the resource or process standards of the program.

(b) For proposed high risk or alternative charter schools, sponsors shall approve performance measures based on mission, curriculum, teaching methods, and services. Sponsors shall also approve comprehensive academic and behavioral measures to determine whether students are meeting performance standards on a different time frame as specified in that school's charter. Student performance shall be assessed comprehensively to determine whether a high risk or alternative charter school has documented adequate student progress. Student performance shall be based on sponsor-approved comprehensive measures as well as standardized public school measures. Annual presentation of charter school report card data to the department of elementary and secondary education, the state board, and the public shall include comprehensive measures of student progress.

(c) Nothing in this paragraph shall be construed as permitting a charter school to be held to lower performance standards than other public schools within a district; however, the charter of a charter school may permit students to meet performance standards on a different time frame as specified in its charter;

(7) Assure that the needs of special education children are met in compliance with all applicable federal and state laws and regulations;

(8) Provide along with any request for review by the state board of education the following:

(a) Documentation that the applicant has provided a copy of the application to the school board of the district in which the charter school is to be located, except in those circumstances where the school district is the sponsor of the charter school; and

(b) A statement outlining the reasons for approval or disapproval by the sponsor, specifically addressing the requirements of sections 160.400 to 160.420 and 167.349, RSMo.

6. The charter of a charter school may be amended at the request of the governing body of the charter school and on the approval of the sponsor. The sponsor and the governing board and staff of the charter school shall jointly review the school's performance, management and operations at least once every two years or at any point where the operation or management of the charter school is changed or transferred to another entity, either public or private. The governing board of a charter school may amend the charter, if the sponsor approves such amendment, or the sponsor and the governing board may reach an agreement in writing to reflect the charter school's decision to become a local educational agency for the sole purpose of seeking direct access to federal grants. In such case the sponsor shall give the department of elementary and secondary education written notice no later than March first of any year, with the agreement to become effective July first. The department may waive the March first notice date in its discretion. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

4. If the state board of education appoints a successor member to replace the chair of the special administrative board, the serving members of the special administrative board shall be authorized to appoint a superintendent of schools and contract for his or her services.

5. On a date set by the state board of education, any district operating under the governance of a special administrative board shall return to local governance, and continue operation as a school district as otherwise authorized by law.

A school district shall not use or maintain digital or electronic storage media beyond the manufacturer suggested or recommended period of time.

162.215. SCHOOL OFFICERS MAY BE COMMISSIONED TO ENFORCE CERTAIN CRIMINAL LAWS (CITY OF BLUE SPRINGS). — 1. The school board of a district with its administrative headquarters located within a home rule city with more than forty-eight thousand but fewer than forty-nine thousand inhabitants may authorize and commission school officers to enforce laws relating to crimes committed on school premises, at school activities, and on school buses operating within the school district only upon the execution of a memorandum of understanding with each municipal law enforcement agency and county sheriff's office which has law enforcement jurisdiction over the school district's

premises and location of school activities, provided that the memorandum shall not grant statewide arrest authority. School officers shall be licensed peace officers, as defined in section 590.010, RSMo, and shall comply with the provisions of chapter 590, RSMo. The powers and duties of a peace officer shall continue throughout the employee's tenure as a school officer.

School officers may conduct any justified stop on school property and enforce any local violation that occurs on school grounds. School officers shall have the authority to stop, detain, and arrest for crimes committed on school property, at school activities, and on school buses.

162.431. BOUNDARY CHANGE — PROCEDURE — ARBITRATION — COMPENSATION OF ARBITRATORS — RESUBMISSION OF CHANGES RESTRICTED. — 1. When it is necessary to change the boundary lines between seven-director school districts, in each district affected, ten percent of the voters by number of those voting for school board members in the last annual school election in each district may petition the district boards of education in the districts affected, regardless of county lines, for a change in boundaries. The question shall be submitted at the next election, as the term "election" is referenced and defined in section 115.123, RSMo.

2. The voters shall decide the question by a majority vote of those who vote upon the question. If assent to the change is given by each of the various districts voting, each voting separately, the boundaries are changed from that date.

3. If one of the districts votes against the change and the other votes for the change, the matter may be appealed to the state board of education, in writing, within fifteen days of the submission of the question by either one of the districts affected, or in the above event by a majority of the signers of the petition requesting a vote on the proposal. At the first meeting of the state board following the appeal, a board of arbitration composed of three members, none of whom shall be a resident of any district affected, shall be appointed. In determining whether it is necessary to change the boundary line between seven-director districts, the board of arbitration shall base its decision upon the following:

(1) The presence of school-aged children in the affected area;

(2) The presence of actual educational harm to school-aged children, either due to a significant difference in the time involved in transporting students or educational deficiencies in the district which would have its boundary adversely affected; and

(3) The presence of an educational necessity, not of a commercial benefit to landowners or to the district benefitting for the proposed boundary adjustment. **For purposes of subdivision (2) of this subsection, "significant difference in the time involved in transporting students" shall mean a difference of forty-five minutes or more per trip in travel time. "Travel time" is the period of time required to transport a pupil from the pupil's place of residence or other designated pickup point to the site of the pupil's educational placement.**

4. **[**If the potential receiving district obtained a score consistent with the criteria for classification of the district as accredited on its most recent annual performance report and the potential sending district obtained a score consistent with the criteria for classification of the district as unaccredited on its most recent annual performance report, the board shall approve the

proposed boundary change for the educational well-being of the children enrolled in the potential sending district.

5.**]** Within twenty days after notification of appointment, the board of arbitration shall meet and consider the necessity for the proposed changes and shall decide whether the boundaries shall be changed as requested in the petition or be left unchanged, which decision shall be final. The decision by the board of arbitration shall be rendered not more than thirty days after the matter is referred to the board. The chairman of the board of arbitration shall transmit the decision to the secretary of each district affected who shall enter the same upon the records of his district and the boundaries shall thereafter be in accordance with the decision of the board of arbitration. The members of the board of arbitration shall be allowed a fee of fifty dollars each, to be paid at the time the appeal is made by the district taking the appeal or by the petitioners should they institute the appeal.

[6.**]** **5.** If the board of arbitration decides that the boundaries shall be left unchanged, no new petition for the same, or substantially the same, boundary change between the same districts shall be filed until after the expiration of two years from the date of the municipal election at which the question was submitted to the voters of the districts.

162.492. DIRECTOR DISTRICTS, CANDIDATES FROM DISTRICTS AND AT LARGE — TERMS — DECLARATION OF CANDIDACY — VACANCY, HOW FILLED (URBAN DISTRICTS). — 1. In all urban districts containing the greater part of the population of a city which has more than three hundred thousand inhabitants the terms of the members of the board of directors in office in 1967 shall continue until the end of the respective terms to which each of them has been elected to office and in each case thereafter until the next school election be held and until their successors, then elected, are duly qualified as provided in this section.

2. In each urban district designated in subsection 1, the election authority of the city in which the greater portion of the school district lies, and of the county if the district includes territory not within the city limits, shall serve ex officio as a redistricting commission. The commission shall on or before November 1, 1969, divide the school district into six subdistricts, all subdistricts being of compact and contiguous territory and as nearly equal in the number of inhabitants as practicable and thereafter the board shall redistrict the district into subdivisions as soon as practicable after each United States decennial census. In establishing the subdistricts each member shall have one vote and a majority vote of the total membership of the commission is required to make effective any action of the commission.

3. School elections for the election of directors shall be held on municipal election days in each even-numbered year. At the election in 1970, one member of the board of directors shall be elected by the voters of each subdistrict. The seven candidates, one from each of the subdistricts, who receive a plurality of the votes cast by the voters of that subdistrict shall be elected and the at-large candidate receiving a plurality of the at-large votes shall be elected. In addition to other qualifications prescribed by law, each member elected from a subdistrict must be a resident of the subdistrict from which he is elected. The subdistricts shall be numbered from one to six and the directors elected from subdistricts one, three and five shall hold office for terms of two years and until their successors are elected and qualified, and the directors elected from subdistricts two, four and six shall hold office for terms of four years and until their successors are elected and qualified. Every two years thereafter a member of the board of directors shall be elected for a term of four years and until his successor is elected and qualified from each of the three subdistricts having a member on the board of directors whose term expires in that year. Those members of the board of directors who were in office in 1967 shall, when their terms of office expire, be succeeded by the members of the board of directors elected from subdistricts. In addition to the directors elected by the voters of each subdistrict, additional directors shall be elected at large by the voters of the entire school district as follows: In 1970 one director at large shall be elected for a two-year term. In 1972 one director at large shall be elected for a four-year term. In 1974 two at-large directors shall be elected for a four-year term

and thereafter in alternative elections one director shall be elected for a four-year term and then two directors shall be elected for a four-year term, so that from and after the 1970 election the board of directors not including those members who were in office in 1967 shall consist of seven members until the 1974 election and thereafter the board shall consist of nine members. In those years in which one at-large director is to be elected each voter may vote for one candidate and the candidate receiving a plurality of votes cast shall be elected. In those years in which two at-large directors are to be elected each voter may vote for two candidates and the two receiving the largest number of votes cast shall be elected.

4. The six candidates, one from each of the subdistricts, who receive a plurality of the votes cast by the voters of that subdistrict and the at-large candidates receiving a plurality of the at-large votes shall be elected. The name of no candidate for nomination shall be printed on the ballot unless the candidate has at least sixty days prior to the election filed a declaration of candidacy with the secretary of the board of directors containing the signatures of at least two hundred fifty registered voters who are residents of the subdistrict within which the candidate for nomination to a subdistrict office resides, and in case of at-large candidates the signatures of at least five hundred registered voters. The election authority shall determine the validity of all signatures on declarations of candidacy.

5. In any election either for at-large candidates or candidates elected by the voters of subdistricts, if there are more than two candidates, a majority of the votes are not required to elect but the candidate having a plurality of the votes if there is only one office to be filled and the candidates having the highest number of votes, if more than one office is to be filled, shall be elected.

6. The names of all candidates shall appear upon the ballot without party designation and in the order of the priority of the times of filing their petitions of nomination. No candidate may file both at large and from a subdistrict and the names of all candidates shall appear only once on the ballot, nor may any candidate file more than one declaration of candidacy. All declarations shall designate the candidate's residence and whether the candidate is filing at large or from a subdistrict and the numerical designation of the subdistrict or at-large area.

7. The provisions of all sections relating to seven-director school districts shall also apply to and govern urban districts in cities of more than three hundred thousand inhabitants, to the extent applicable and not in conflict with the provisions of those sections specifically relating to such urban districts.

8. Vacancies which occur on the school board between the dates of election shall be filled by **[**majority vote of the remaining members of the school board to serve until the time of the next regular school board election. Subdistrict director vacancies shall be filled by appointment of a resident of the subdistrict in which the vacancy occurs**]** **special election if such vacancy happens more than six months prior to the time of holding a general municipal election, as provided in section 115.121, RSMo. The state board of education shall order a special election to fill such a vacancy. A letter from the commissioner of education, delivered by certified mail to the election authority or authorities that would normally conduct an election for school board members shall be the authority for the election authority or authorities to proceed with election procedures. If a vacancy occurs less than six months prior to the time of holding a general municipal election, no special election shall occur and the vacancy shall be filled at the next general municipal election.**

12. Grantees shall coordinate preschool programs with the nearest parents as teachers site to ensure a continuum of care.

13. The department shall accept applications in a competitive bid process to begin implementation of the program for the 2010-2011 school year.

This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

Course completion shall be calculated in two increments, fifty percent completion and one hundred percent completion, based on the student's completion of defined assignments and assessments, with distribution of state funding to a school district or charter school at each increment equal to forty-seven percent of hours of attendance possible for such course delivered in the non-virtual program in a student's school district of residence or charter school.

4. When courses are purchased from an outside vendor, the district or charter school shall ensure that they are aligned with the show-me curriculum standards and comply with state requirements for teacher certification. The state board of education reserves the right to request information and materials sufficient to evaluate the online course. 163.011. DEFINITIONS — METHOD OF CALCULATING STATE AID. — As used in this chapter unless the context requires otherwise:

(1) "Adjusted operating levy", the sum of tax rates for the current year for teachers' and incidental funds for a school district as reported to the proper officer of each county pursuant to section 164.011, RSMo;

(2) "Average daily attendance", the quotient or the sum of the quotients obtained by dividing the total number of hours attended in a term by resident pupils between the ages of five and twenty-one by the actual number of hours school was in session in that term. To the average daily attendance of the following school term shall be added the full-time equivalent average

daily attendance of summer school students. "Full-time equivalent average daily attendance of summer school students" shall be computed by dividing the total number of hours, except for physical education hours that do not count as credit toward graduation for students in grades nine, ten, eleven, and twelve, attended by all summer school pupils by the number of hours required in section 160.011, RSMo, in the school term. For purposes of determining average daily attendance under this subdivision, the term "resident pupil" shall include all children between the ages of five and twenty-one who are residents of the school district and who are attending kindergarten through grade twelve in such district. If a child is attending school in a district other than the district of residence and the child's parent is teaching in the school district or is a regular employee of the school district which the child is attending, then such child shall be considered a resident pupil of the school district which the child is attending for such period of time when the district of residence is not otherwise liable for tuition. Average daily attendance for students below the age of five years for which a school district may receive state aid based on such attendance shall be computed as regular school term attendance unless otherwise provided by law;

(3) "Current operating expenditures":

(a) For the fiscal year 2007 calculation, "current operating expenditures" shall be calculated using data from fiscal year 2004 and shall be calculated as all expenditures for instruction and support services except capital outlay and debt service expenditures minus the revenue from federal categorical sources; food service; student activities; categorical payments for transportation costs pursuant to section 163.161; state reimbursements for early childhood special education; the career ladder entitlement for the district, as provided for in sections 168.500 to 168.515, RSMo; the vocational education entitlement for the district, as provided for in section 167.332, RSMo; and payments from other districts;

(b) In every fiscal year subsequent to fiscal year 2007, current operating expenditures shall be the amount in paragraph (a) **of this subdivision** plus any increases in state funding pursuant to sections 163.031 and 163.043 subsequent to fiscal year 2005, not to exceed five percent, per recalculation, of the state revenue received by a district in the 2004-05 school year from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payments for any district from the first preceding calculation of the state adequacy target**. Beginning on July 1, 2010, current operating expenditures shall be the amount in paragraph (a) of this subdivision plus any increases in state funding pursuant to sections 163.031 and 163.043 subsequent to fiscal year 2005 received by a district in the 2004-05 school year from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payments for any district from the first preceding calculation of the state adequacy target**;

(4) "District's tax rate ceiling", the highest tax rate ceiling in effect subsequent to the 1980 tax year or any subsequent year. Such tax rate ceiling shall not contain any tax levy for debt service;

(5) "Dollar-value modifier", an index of the relative purchasing power of a dollar, calculated as one plus fifteen percent of the difference of the regional wage ratio minus one, provided that the dollar value modifier shall not be applied at a rate less than 1.0:

(a) "County wage per job", the total county wage and salary disbursements divided by the total county wage and salary employment for each county and the city of St. Louis as reported by the Bureau of Economic Analysis of the United States Department of Commerce for the fourth year preceding the payment year;

(b) "Regional wage per job":

a. The total Missouri wage and salary disbursements of the metropolitan area as defined by the Office of Management and Budget divided by the total Missouri metropolitan wage and salary employment for the metropolitan area for the county signified in the school district number or the city of St. Louis, as reported by the Bureau of Economic Analysis of the United States Department of Commerce for the fourth year preceding the payment year and recalculated upon

every decennial census to incorporate counties that are newly added to the description of metropolitan areas; or if no such metropolitan area is established, then:

b. The total Missouri wage and salary disbursements of the micropolitan area as defined by the Office of Management and Budget divided by the total Missouri micropolitan wage and salary employment for the micropolitan area for the county signified in the school district number, as reported by the Bureau of Economic Analysis of the United States Department of Commerce for the fourth year preceding the payment year, if a micropolitan area for such county has been established and recalculated upon every decennial census to incorporate counties that are newly added to the description of micropolitan areas; or

c. If a county is not part of a metropolitan or micropolitan area as established by the Office of Management and Budget, then the county wage per job, as defined in paragraph (a) of this subdivision, shall be used for the school district, as signified by the school district number;

(c) "Regional wage ratio", the ratio of the regional wage per job divided by the state median wage per job;

(d) "State median wage per job", the fifty-eighth highest county wage per job;

(6) "Free and reduced lunch pupil count", the number of pupils eligible for free and reduced lunch on the last Wednesday in January for the preceding school year who were enrolled as students of the district, as approved by the department in accordance with applicable federal regulations;

(7) "Free and reduced lunch threshold" shall be calculated by dividing the total free and reduced lunch pupil count of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, by the total average daily attendance of all included performance districts;

(8) "Limited English proficiency pupil count", the number in the preceding school year of pupils aged three through twenty-one enrolled or preparing to enroll in an elementary school or secondary school who were not born in the United States or whose native language is a language other than English or are Native American or Alaskan native, or a native resident of the outlying areas, and come from an environment where a language other than English has had a significant impact on such individuals' level of English language proficiency, or are migratory, whose native language is a language other than English, and who come from an environment where a language other than English is dominant; and have difficulties in speaking, reading, writing, or understanding the English language sufficient to deny such individuals the ability to meet the state's proficient level of achievement on state assessments described in Public Law 107-10, the ability to achieve successfully in classrooms where the language of instruction is English, or the opportunity to participate fully in society;

(9) "Limited English proficiency threshold" shall be calculated by dividing the total limited English proficiency pupil count of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, by the total average daily attendance of all included performance districts;

(10) "Local effort":

(a) For the fiscal year 2007 calculation, "local effort" shall be computed as the equalized assessed valuation of the property of a school district in calendar year 2004 divided by one hundred and multiplied by the performance levy less the percentage retained by the county assessor and collector plus one hundred percent of the amount received in fiscal year 2005 for school purposes from intangible taxes, fines, escheats, payments in lieu of taxes and receipts from state-assessed railroad and utility tax, one hundred percent of the amount received for school purposes pursuant to the merchants' and manufacturers' taxes under sections 150.010 to 150.370, RSMo, one hundred percent of the amounts received for school purposes from federal properties under sections 12.070 and 12.080, RSMo, except when such amounts are used in the calculation of federal impact aid pursuant to P.L. 81-874, fifty percent of Proposition C revenues

received for school purposes from the school district trust fund under section 163.087, and one hundred percent of any local earnings or income taxes received by the district for school purposes. Under this paragraph, for a special district established under sections 162.815 to 162.940, RSMo, in a county with a charter form of government and with more than one million inhabitants, a tax levy of zero shall be utilized in lieu of the performance levy for the special school district;

(b) In every year subsequent to fiscal year 2007, "local effort" shall be the amount calculated under paragraph (a) of this subdivision plus any increase in the amount received for school purposes from fines. If a district's assessed valuation has decreased subsequent to the calculation outlined in paragraph (a) of this subdivision, the district's local effort shall be calculated using the district's current assessed valuation in lieu of the assessed valuation utilized in **the** calculation outlined in paragraph (a) of this subdivision;

(11) "Membership" shall be the average of:

(a) The number of resident full-time students and the full-time equivalent number of part-time students who were enrolled in the public schools of the district on the last Wednesday in September of the previous year and who were in attendance one day or more during the preceding ten school days; and

(b) The number of resident full-time students and the full-time equivalent number of part-time students who were enrolled in the public schools of the district on the last Wednesday in January of the previous year and who were in attendance one day or more during the preceding ten school days, plus the full-time equivalent number of summer school pupils. "Full-time equivalent number of part-time students" is determined by dividing the total number of hours for which all part-time students are enrolled by the number of hours in the school term. "Full-time equivalent number of summer school pupils" is determined by dividing the total number of hours for which all summer school pupils were enrolled by the number of hours required pursuant to section 160.011, RSMo, in the school term. Only students eligible to be counted for average daily attendance shall be counted for membership;

(12) "Operating levy for school purposes", the sum of tax rates levied for teachers' and incidental funds plus the operating levy or sales tax equivalent pursuant to section 162.1100, RSMo, of any transitional school district containing the school district, in the payment year, not including any equalized operating levy for school purposes levied by a special school district in which the district is located;

(13) "Performance district", any district that has met all performance standards and indicators as established by the department of elementary and secondary education for purposes of accreditation under section 161.092, RSMo, and as reported on the final annual performance report for that district each year;

(14) "Performance levy", three dollars and forty-three cents;

(15) "School purposes" pertains to teachers' and incidental funds;

(16) "Special education pupil count", the number of public school students with a current individualized education program **or services plan** and receiving services from the resident district as of December first of the preceding school year, except for special education services provided through a school district established under sections 162.815 to 162.940, RSMo, in a county with a charter form of government and with more than one million inhabitants, in which case the sum of the students in each district within the county exceeding the special education threshold of each respective district within the county shall be counted within the special district and not in the district of residence for purposes of distributing the state aid derived from the special education pupil count;

(17) "Special education threshold" shall be calculated by dividing the total special education pupil count of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, by the total average daily attendance of all included performance districts;

(18) "State adequacy target", the sum of the current operating expenditures of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, divided by the total average daily attendance of all included performance districts **[**plus the total amount of funds placed in the schools first elementary and secondary education improvement fund in the preceding fiscal year divided by the total average daily attendance of all school districts for the preceding fiscal year**]**. The department of elementary and secondary education shall first calculate the state adequacy target for fiscal year 2007 and recalculate the state adequacy target every two years using the most current available data**[**; provided that the state adequacy target shall be recalculated every year to reflect the per-pupil amount of funds placed in the schools first elementary and secondary education improvement fund in the preceding fiscal year**]**. The recalculation shall never result in a decrease from the previous state adequacy target amount. Should a recalculation result in an increase in the state adequacy target amount, fifty percent of that increase shall be included in the state adequacy target amount in the year of recalculation, and fifty percent of that increase shall be included in the state adequacy target amount in the subsequent year. The state adequacy target may be adjusted to accommodate available appropriations;

(20) "Weighted average daily attendance", the average daily attendance plus the product of twenty-five hundredths multiplied by the free and reduced lunch pupil count that exceeds the free and reduced lunch threshold, plus the product of seventy-five hundredths multiplied by the number of special education pupil count that exceeds the special education threshold, **[**and**]** plus the product of six-tenths multiplied by the number of limited English proficiency pupil count that exceeds the limited English proficiency threshold. For special districts established under sections 162.815 to 162.940, RSMo, in a county with a charter form of government and with more than one million inhabitants, weighted average daily attendance shall be the average daily attendance plus the product of twenty-five hundredths multiplied by the free and reduced lunch pupil count that exceeds the free and reduced lunch threshold, plus the product of seventy-five hundredths multiplied by the sum of the special education pupil count that exceeds the threshold for each county district, plus the product of six-tenths multiplied by the limited English proficiency pupil count that exceeds the limited English proficiency threshold. None of the districts comprising a special district established under sections 162.815 to 162.940, RSMo, in a county with a charter form of government and with more than one million inhabitants, shall use any special education pupil count in calculating their weighted average daily attendance.

b. For the 2007-08 school year, if a school district experiences a decrease in summer school average daily attendance of more than thirty percent from the district's 2005-06 summer school average daily attendance, an amount equal to the product of the percent reduction that is in excess of thirty percent of the district's summer school average daily attendance multiplied by the funds generated by the district's summer school program in the 2005-06 school year shall be subtracted from the district's payment amount.

d. Notwithstanding the provisions of this paragraph, no such reduction shall be made in the case of a district that is receiving a payment under section 163.044 or any district whose regular school term average daily attendance for the preceding year was three hundred fifty or less.

e. This paragraph shall not be construed to permit any reduction applied under this paragraph to result in any district receiving a current-year payment that is less than the amount calculated for such district under subsection 2 of this section.

(c) If a school district experiences a decrease in its gifted program enrollment of more than twenty percent from its 2005-06 gifted program enrollment in any year governed by this subsection, an amount equal to the product of the percent reduction in the district's gifted program enrollment multiplied by the funds generated by the district's gifted program in the 2005-06 school year shall be subtracted from the district's current year payment amount.

6. (1) No less than seventy-five percent of the state revenue received under the provisions of subsections 1, 2, and 4 of this section shall be placed in the teachers' fund, and the remaining percent of such moneys shall be placed in the incidental fund. (b) An amount equal to at least seventy-five percent of one-half of the funds received from the school district trust fund distributed under section 163.087 during the preceding school year; and

(c) Beginning in fiscal year 2008, as much as was spent per the second preceding year's weighted average daily attendance for certificated compensation and tuition expenditures the previous year from revenue produced by local and county tax sources in the teachers' fund, plus the amount of the incidental fund to teachers' fund transfer calculated to be local and county tax sources by dividing local and county tax sources in the incidental fund by total revenue in the incidental fund. In the event a district fails to comply with this provision, the amount by which the district fails to spend funds as provided herein shall be deducted from the district's state revenue received under the provisions of subsections 1, 2, and 4 of this section for the following year, provided that the state board of education may exempt a school district from this provision if the state board of education determines that circumstances warrant such exemption.

7. If a school district's annual audit discloses that students were inappropriately identified as eligible for free and reduced lunch, special education, or limited English proficiency and the district does not resolve the audit finding, the department of elementary and secondary education shall require that the amount of aid paid pursuant to the weighting for free and reduced lunch, special education, or limited English proficiency in the weighted average daily attendance on the inappropriately identified pupils be repaid by the district in the next school year and shall additionally impose a penalty of one hundred percent of such aid paid on such pupils, which penalty shall also be paid within the next school year. Such amounts may be repaid by the district through the withholding of the amount of state aid.

LOUIS COUNTY). — For any district in the county with a charter form of government and with more than one million inhabitants that in calendar year 2005 (school year 2005-2006) erroneously set a levy in the capital projects fund rather than the incidental fund and reported the capital projects amount to the county for which the county issued tax notices and the district received taxes for calendar year 2005, the department of elementary and secondary education shall calculate the

amount the district would have received in state school aid for fiscal year 2006 had the district placed the levy in the incidental fund rather than the capital projects fund and use this revised 2005-2006 calculated funding amount in the distribution of state school aid for fiscal year 2007 and subsequent years. The sum of the amounts due to the school district in state school aid after recalculation for fiscal years 2007, 2008, 2009, and 2010, shall be divided and distributed to the school district in equal amounts in fiscal years 2010, 2011, 2012, and 2013. 6. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo,

to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

Any parent, guardian or other person who enrolls a child between the ages of five and seven years in a public school program of academic instruction shall cause such child to attend the academic program on a regular basis, according to this section. Nonattendance by such child shall cause such parent, guardian or other responsible person to be in violation of the provisions of section 167.061, except as provided by this section. A parent, guardian or other person in this state having charge, control, or custody of a child between the ages of seven years of age and the compulsory attendance age for the district shall cause the child to attend regularly some public, private, parochial, parish, home school or a combination of such schools not less than the entire school term of the school which the child attends; except that:

(2) A child between fourteen years of age and the compulsory attendance age for the district may be excused from attendance at school for the full time required, or any part thereof, by the superintendent of public schools of the district, or if there is none then by a court of competent jurisdiction, when legal employment has been obtained by the child and found to be desirable, and after the parents or guardian of the child have been advised of the pending action; or

(3) A child between five and seven years of age shall be excused from attendance at school if a parent, guardian or other person having charge, control or custody of the child makes a written request that the child be dropped from the school's rolls.

(3) The requirements of subdivision (2) of this subsection shall not apply to any pupil above the age of sixteen years.

3. Nothing in this section shall require a private, parochial, parish or home school to include in its curriculum any concept, topic, or practice in conflict with the school's religious doctrines or to exclude from its curriculum any concept, topic, or practice consistent with the school's religious doctrines. Any other provision of the law to the contrary notwithstanding, all departments or agencies of the state of Missouri shall be prohibited from dictating through rule, regulation or other device any statewide curriculum for private, parochial, parish or home schools.

4. A school year begins on the first day of July and ends on the thirtieth day of June following.

Home school education enforcement and records pursuant to this section, and sections 210.167 and 211.031, RSMo, shall be subject to review only by the local prosecuting attorney.

167.126. CHILDREN ADMITTED TO CERTAIN PROGRAMS OR FACILITIES, RIGHT TO EDUCATIONAL SERVICES — SCHOOL DISTRICT, PER PUPIL COST, PAYMENT — INCLUSION IN AVERAGE DAILY ATTENDANCE, PAYMENTS IN LIEU OF TAXES, WHEN. — 1. Children who are admitted to programs or facilities of the department of mental health or whose domicile is one school district in Missouri but who reside in another school district in Missouri as a result of placement arranged by or approved by the department of mental health, the department of social services or placement arranged by or ordered by a court of competent jurisdiction shall have a right to be provided the educational services as provided by law and shall not be denied admission to any appropriate regular public school or special school district program or program operated by the state board of education, as the case may be, where the child actually resides because of such admission or placement; provided, however, that nothing in this section shall prevent the department of mental health, the department of social services or a court of competent jurisdiction from otherwise providing or procuring educational services for such child.

2. Each school district or special school district constituting the domicile of any child for whom educational services are provided or procured under this section shall pay toward the per-

pupil costs for educational services for such child. A school district which is not a special school district shall pay an amount equal to the average sum produced per child by the local tax effort of the district of domicile. A special school district shall pay an amount not to exceed the average sum produced per child by the local tax efforts of the domiciliary districts.

3. When educational services have been provided by the school district or special school district in which a child actually resides, **including a child who temporarily resides in a children's hospital licensed under chapter 197, RSMo, for rendering health care services to children under the age of eighteen for more than three days,** other than the district of domicile, the amounts as provided in subsection 2 **of this section** for which the domiciliary school district or special school district is responsible shall be paid by such district directly to the serving district. The school district, or special school district, as the case may be, shall send a written voucher for payment to the regular or special district constituting the domicile of the child served and the domiciliary school district or special school district receiving such voucher shall pay the district providing or procuring the services an amount not to exceed the average sum produced per child by the local tax efforts of the domiciliary districts. In the event the responsible district fails to pay the appropriate amount to the district within ninety days after a voucher is submitted, the state department of elementary and secondary education shall deduct the appropriate amount due from the next payments of any state financial aid due that district and shall pay the same to the appropriate district.

4. In cases where a child whose domicile is in one district is placed in programs or facilities operated by the department of mental health or resides in another district pursuant to assignment by that department or is placed by the department of social services or a court of competent jurisdiction into any type of publicly contracted residential site in Missouri, the department of elementary and secondary education shall, as soon as funds are appropriated, pay the serving district from funds appropriated for that purpose the amount by which the per-pupil costs of the educational services exceeds the amounts received from the domiciliary district except that any other state money received by the serving district by virtue of rendering such service shall reduce the balance due.

5. Institutions providing a place of residence for children whose parents or guardians do not reside in the district in which the institution is located shall have authority to enroll such children in a program in the district or special district in which the institution is located and such enrollment shall be subject to the provisions of subsections 2 and 3 of this section. The provisions of this subsection shall not apply to placement authorized pursuant to subsection 1 of this section or if the placement occurred for the sole purpose of enrollment in the district or special district. "Institution" as used in this subsection means a facility organized under the laws of Missouri for the purpose of providing care and treatment of juveniles.

6. Children residing in institutions providing a place of residence for three or more such children whose domicile is not in the state of Missouri may be admitted to schools or programs provided on a contractual basis between the school district, special district or state department or agency and the proper department or agency, or persons in the state where domicile is maintained. Such contracts shall not be permitted to place any financial burden whatsoever upon the state of Missouri, its political subdivisions, school districts or taxpayers.

7. For purposes of this section the domicile of the child shall be the school district where the child would have been educated if the child had not been placed in a different school district. No provision of this section shall be construed to deny any child domiciled in Missouri appropriate and necessary, gratuitous public services.

8. For the purpose of distributing state aid under section 163.031, RSMo, a child receiving educational services provided by the district in which the child actually resides, other than the district of domicile, shall be included in average daily attendance, as defined under section 163.011, RSMo, of the district providing the educational services for the child.

9. Each school district or special school district where the child actually resides, other than the district of domicile, may receive payment from the department of elementary and secondary

education, in lieu of receiving the local tax effort from the domiciliary school district. Such payments from the department shall be subject to appropriation and shall only be made for children that have been placed in a school other than the domiciliary school district by a state agency or a court of competent jurisdiction and from whom excess educational costs are billed to the department of elementary and secondary education.

Such reports shall be made either by using the telephone hot line number or on forms developed by the department of elementary and secondary education. Upon such notification, the state literacy hot line office shall contact the student who has been reported and refer that student to the nearest location that provides adult basic education instruction leading to the completion of a general educational development certificate.

2. All records and reports from or based upon the reports required by this section shall be made available by free electronic record on the department's web site or otherwise on the first business day of each month. administrator or other school employee under the supervision of a certificated teacher or administrator.

Such certificate shall be limited to the major area of study of the holder and shall be restricted to those certificates established under subdivision (1) of subsection 3 of this section. Holders of certificates granted under this subdivision shall be exempt from the teacher tenure act under sections 168.102 to 168.130 and each school district shall have the decision-making authority on whether to hire the holders of such certificates; or**

(5) By the state board, under rules and regulations prescribed by it, on the basis of certification by the American Board for Certification of Teacher Excellence (ABCTE) and verification of ability to work with children as demonstrated by sixty contact hours in any one of the following areas as validated by the school principal: sixty contact hours in the classroom, of which at least forty-five must be teaching; sixty contact hours as a substitute teacher, with at least thirty consecutive hours in the same classroom; sixty contact hours of teaching in a private school; or sixty contact hours of teaching as a paraprofessional, for an initial four-year ABCTE certificate of license to teach, except that such certificate shall not be granted for the areas of early childhood education, elementary education, or special education. Upon the completion of the requirements listed in paragraphs (a), (b), (c), and (d) of this subdivision, an applicant shall be eligible to apply for a career continuous professional certificate under subdivision (2) of subsection 3 of this section:

(a) Completion of thirty contact hours of professional development within four years, which may include hours spent in class in an appropriate college curriculum;

(c) Attainment of a successful performance-based teacher evaluation; and

(d) Participate in a beginning teacher assistance program.

2. All valid teaching certificates issued pursuant to law or state board policies and regulations prior to September 1, 1988, shall be exempt from the professional development requirements of this section and shall continue in effect until they expire, are revoked or suspended, as provided by law. When such certificates are required to be renewed, the state board or its designee shall grant to each holder of such a certificate the certificate most nearly equivalent to the one so held. Anyone who holds, as of August 28, 2003, a valid PC-I, PC-II, or continuous professional certificate shall, upon expiration of his or her current certificate, be issued the appropriate level of certificate based upon the classification system established pursuant to subsection 3 of this section.

3. Certificates of license to teach in the public schools of the state shall be based upon minimum requirements prescribed by the state board of education. The state board shall provide for the following levels of professional certification: an initial professional certificate and a career continuous professional certificate.

(1) The initial professional certificate shall be issued upon completion of requirements established by the state board of education and shall be valid based upon verification of actual teaching within a specified time period established by the state board of education. The state board shall require holders of the four-year initial professional certificate to:

(a) Participate in a mentoring program approved and provided by the district for a minimum of two years;

(b) Complete thirty contact hours of professional development, which may include hours spent in class in an appropriate college curriculum**, or for holders of a certificate under subdivision (4) of subsection 1 of this section, an amount of professional development in proportion to the certificate holder's hours in the classroom, if the certificate holder is employed less than full time**; and

(c) Participate in a beginning teacher assistance program;

(2) (a) The career continuous professional certificate shall be issued upon verification of completion of four years of teaching under the initial professional certificate and upon verification of the completion of the requirements articulated in paragraphs (a), (b), and (c) of subdivision (1) of this subsection or paragraphs (a), (b), (c), and (d) of subdivision **[**(4)**]** **(5)** of subsection 1 of this section.

(b) The career continuous professional certificate shall be continuous based upon verification of actual employment in an educational position as provided for in state board guidelines and completion of fifteen contact hours of professional development per year which may include hours spent in class in an appropriate college curriculum. Should the possessor of a valid career continuous professional certificate fail, in any given year, to meet the fifteen-hour professional development requirement, the possessor may, within two years, make up the missing hours. In order to make up for missing hours, the possessor shall first complete the fifteen-hour requirement for the current year and then may count hours in excess of the current year requirement as make-up hours. Should the possessor fail to make up the missing hours within two years, the certificate shall become inactive. In order to reactivate the certificate, the possessor shall complete twenty-four contact hours of professional development which may include hours spent in the classroom in an appropriate college curriculum within the six months prior to or after reactivating his or her certificate. The requirements of this paragraph shall be monitored and verified by the local school district which employs the holder of the career continuous professional certificate.

(c) A holder of a career continuous professional certificate shall be exempt from the professional development contact hour requirements of paragraph (b) of this subdivision if such

teacher has a local professional development plan in place within such teacher's school district and meets two of the three following criteria:

a. Has ten years of teaching experience as defined by the state board of education;

b. Possesses a master's degree; or

c. Obtains a rigorous national certification as approved by the state board of education.

4. Policies and procedures shall be established by which a teacher who was not retained due to a reduction in force may retain the current level of certification. There shall also be established policies and procedures allowing a teacher who has not been employed in an educational position for three years or more to reactivate his or her last level of certification by completing twenty-four contact hours of professional development which may include hours spent in the classroom in an appropriate college curriculum within the six months prior to or after reactivating his or her certificate.

5. The state board shall, upon an appropriate background check, issue a professional certificate classification in the areas most closely aligned with an applicant's current areas of certification, commensurate with the years of teaching experience of the applicant, to any person who is hired to teach in a public school in this state and who possesses a valid teaching certificate from another state **or certification under subdivision (4) of subsection 1 of this section**, provided that the certificate holder shall annually complete the state board's requirements for such level of certification, and shall establish policies by which residents of states other than the state of Missouri may be assessed a fee for a certificate license to teach in the public schools of Missouri. Such fee shall be in an amount sufficient to recover any or all costs associated with the issuing of a certificate of license to teach. The board shall promulgate rules to authorize the issuance of a provisional certificate of license, which shall allow the holder to assume classroom duties pending the completion of a criminal background check under section 168.133, for any applicant who:

(1) Is the spouse of a member of the armed forces stationed in Missouri;

(2) Relocated from another state within one year of the date of application;

(3) Underwent a criminal background check in order to be issued a teaching certificate of license from another state; and

(4) Otherwise qualifies under this section.

6. The state board may assess to holders of an initial professional certificate a fee, to be deposited into the excellence in education revolving fund established pursuant to section 160.268, RSMo, for the issuance of the career continuous professional certificate. However, such fee shall not exceed the combined costs of issuance and any criminal background check required as a condition of issuance. Applicants for the initial ABCTE certificate shall be responsible for any fees associated with the program leading to the issuance of the certificate, but nothing in this section shall prohibit a district from developing a policy that permits fee reimbursement.

7. Any member of the public school retirement system of Missouri who entered covered employment with ten or more years of educational experience in another state or states and held a certificate issued by another state and subsequently worked in a school district covered by the public school retirement system of Missouri for ten or more years who later became certificated in Missouri shall have that certificate dated back to his or her original date of employment in a Missouri public school.

8. The provisions of subdivision **[**(4)**]** **(5)** of subsection 1 of this section, as well as any other provision of this section relating to the American Board for Certification of Teacher Excellence, shall terminate on August 28, 2014.

168.133. CRIMINAL BACKGROUND CHECKS REQUIRED FOR SCHOOL PERSONNEL, WHEN, PROCEDURE — RULEMAKING AUTHORITY. — 1. The school district shall ensure that a criminal background check is conducted on any person employed after January 1, 2005, authorized to have contact with pupils and prior to the individual having contact with any pupil. Such persons

include, but are not limited to, administrators, teachers, aides, paraprofessionals, assistants, secretaries, custodians, cooks, and nurses. The school district shall also ensure that a criminal background check is conducted for school bus drivers. The district may allow such drivers to operate buses pending the result of the criminal background check. For bus drivers, the background check shall be conducted on drivers employed by the school district or employed by a pupil transportation company under contract with the school district.

2. In order to facilitate the criminal history background check on any person employed after January 1, 2005, the applicant shall submit two sets of fingerprints collected pursuant to standards determined by the Missouri highway patrol. One set of fingerprints shall be used by the highway patrol to search the criminal history repository and the family care safety registry pursuant to sections 210.900 to 210.936, RSMo, and the second set shall be forwarded to the Federal Bureau of Investigation for searching the federal criminal history files.

3. The applicant shall pay the fee for the state criminal history record information pursuant to section 43.530, RSMo, and sections 210.900 to 210.936, RSMo, and pay the appropriate fee determined by the Federal Bureau of Investigation for the federal criminal history record when he or she applies for a position authorized to have contact with pupils pursuant to this section. The department shall distribute the fees collected for the state and federal criminal histories to the Missouri highway patrol.

4. The school district may adopt a policy to provide for reimbursement of expenses incurred by an employee for state and federal criminal history information pursuant to section 43.530, RSMo.

5. If, as a result of the criminal history background check mandated by this section, it is determined that the holder of a certificate issued pursuant to section 168.021 has pled guilty or nolo contendere to, or been found guilty of a crime or offense listed in section 168.071, or a similar crime or offense committed in another state, the United States, or any other country, regardless of imposition of sentence, such information shall be reported to the department of elementary and secondary education.

6. Any school official making a report to the department of elementary and secondary education in conformity with this section shall not be subject to civil liability for such action.

7. For any teacher who is employed by a school district on a substitute or part-time basis within one year of such teacher's retirement from a Missouri school, the state of Missouri shall not require such teacher to be subject to any additional background checks prior to having contact with pupils. Nothing in this subsection shall be construed as prohibiting or otherwise restricting a school district from requiring additional background checks for such teachers employed by the school district.

8. **A criminal background check and fingerprint collection conducted under subsections 1 and 2 of this section shall be valid for at least a period of one year and transferrable from one school district to another district. A teacher's change in type of certification shall have no effect on the transferability or validity of such records.**

9. Nothing in this section shall be construed to alter the standards for suspension, denial, or revocation of a certificate issued pursuant to this chapter.

[9.**]** **10.** The state board of education may promulgate rules for criminal history background checks made pursuant to this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after January 1, 2005, shall be invalid and void.

168.221. PROBATIONARY PERIOD FOR TEACHERS — REMOVAL OF PROBATIONARY AND PERMANENT PERSONNEL — HEARING — DEMOTIONS — REDUCTION OF PERSONNEL (METROPOLITAN DISTRICTS). — 1. The first five years of employment of all teachers entering the employment of the metropolitan school district shall be deemed a period of probation during which period all appointments of teachers shall expire at the end of each school year. During the probationary period any probationary teacher whose work is unsatisfactory shall be furnished by the superintendent of schools with a written statement setting forth the nature of his incompetency. If improvement satisfactory to the superintendent is not made within one semester after the receipt of the statement, the probationary teacher shall be dismissed. The semester granted the probationary teacher in which to improve shall not in any case be a means of prolonging the probationary period beyond five years and six months from the date on which the teacher entered the employ of the board of education. The superintendent of schools on or before the fifteenth day of April in each year shall notify probationary teachers who will not be retained by the school district of the termination of their services. Any probationary teacher who is not so notified shall be deemed to have been appointed for the next school year. Any principal who prior to becoming a principal had attained permanent employee status as a teacher shall upon ceasing to be a principal have a right to resume his or her permanent teacher position with the time served as a principal being treated as if such time had been served as a teacher for the purpose of calculating seniority and pay scale. The rights and duties and remuneration of a teacher who was formerly a principal shall be the same as any other teacher with the same level of qualifications and time of service.

2. After completion of satisfactory probationary services, appointments of teachers shall become permanent, subject to removal for any one or more causes herein described and to the right of the board to terminate the services of all who attain the age of compulsory retirement fixed by the retirement system. In determining the duration of the probationary period of employment in this section specified, the time of service rendered as a substitute teacher shall not be included.

3. No teacher whose appointment has become permanent may be removed except for one or more of the following causes: immorality, inefficiency in line of duty, violation of the published regulations of the school district, violation of the laws of Missouri governing the public schools of the state, or physical or mental condition which incapacitates him for instructing or associating with children, and then only by a vote of not less than a majority of all the members of the board, upon written charges presented by the superintendent of schools, to be heard by the board after thirty days' notice, with copy of the charges served upon the person against whom they are preferred, who shall have the privilege of being present, together with counsel, offering evidence and making defense thereto. Notifications received by an employee during a vacation period shall be considered as received on the first day of the school term following. At the request of any person so charged the hearing shall be public. The action and decision of the board upon the charges shall be final. Pending the hearing of the charges, the person charged may be suspended if the rules of the board so prescribe, but in the event the board does not by a majority vote of all the members remove the teacher upon charges presented by the superintendent, the person shall not suffer any loss of salary by reason of the suspension. Inefficiency in line of duty is cause for dismissal only after the teacher has been notified in writing at least one semester prior to the presentment of charges against him by the superintendent. The notification shall specify the nature of the inefficiency with such particularity as to enable the teacher to be informed of the nature of his inefficiency.

4. No teacher whose appointment has become permanent shall be demoted nor shall his salary be reduced unless the same procedure is followed as herein stated for the removal of the teacher because of inefficiency in line of duty, and any teacher whose salary is reduced or who is demoted may waive the presentment of charges against him by the superintendent and a hearing thereon by the board. The foregoing provision shall apply only to permanent teachers prior to the compulsory retirement age under the retirement system. Nothing herein contained

shall in any way restrict or limit the power of the board of education to make reductions in the number of teachers or principals, or both, because of insufficient funds, decrease in pupil enrollment, or abolition of particular subjects or courses of instruction, except that the abolition of particular subjects or courses of instruction shall not cause those teachers who have been teaching the subjects or giving the courses of instruction to be placed on leave of absence as herein provided who are qualified to teach other subjects or courses of instruction, if positions are available for the teachers in the other subjects or courses of instruction.

5. Whenever it is necessary to decrease the number of teachers because of insufficient funds or a substantial decrease of pupil population within the school district, the board of education upon recommendation of the superintendent of schools may cause the necessary number of teachers beginning with those serving probationary periods to be placed on leave of absence without pay, but only in the inverse order of their appointment. Nothing herein stated shall prevent a readjustment by the board of education of existing salary schedules. No teacher placed on a leave of absence shall be precluded from securing other employment during the period of the leave of absence. Each teacher placed on leave of absence shall be reinstated in inverse order of his placement on leave of absence. Such reemployment shall not result in a loss of status or credit for previous years of service. No new appointments shall be made while there are available teachers on leave of absence who are seventy years of age or less and who are adequately qualified to fill the vacancy unless the teachers fail to advise the superintendent of schools within thirty days from the date of notification by the superintendent of schools that positions are available to them that they will return to employment and will assume the duties of the position to which appointed not later than the beginning of the school year next following the date of the notice by the superintendent of schools.

6. If any regulation which deals with the promotion of **[**either**]** teachers is amended by increasing the qualifications necessary to be met before a teacher is eligible for promotion, the amendment shall fix an effective date which shall allow a reasonable length of time within which teachers may become qualified for promotion under the regulations.

7. A teacher whose appointment has become permanent may give up the right to a permanent appointment to participate in the teacher choice compensation package under sections 168.745 to 168.750.

168.251. NONCERTIFICATED EMPLOYEES — APPOINTMENT, PROMOTION, REMOVAL, SUSPENSION (METROPOLITAN DISTRICTS). — 1. All employees of a metropolitan school district shall be appointed and promoted under rules and regulations prescribed by the board of education of the school district. The rules shall be complementary to the provisions of sections 168.251 to 168.291 as to the removal, discharge, suspension without pay or demotion of permanent employees and not in derogation thereof. The word "employee" or "employees" as used in this section means all employees, male or female, except certificated employees.

2. All appointments and promotions of noncertificated employees shall be made in the case of appointment by examination, and in case of promotion by length and character of service. Examinations for appointments shall be conducted by the director of personnel under regulations to be made by the board.

3. Sections 168.251 to 168.291 shall not apply to employees hired after August 28, 2009.

168.745. COMPENSATION PACKAGE CREATED — FUND CREATED. — 1. There is hereby created the "Teacher Choice Compensation Package" to permit performance-based salary stipends upon the decision of the teacher in a metropolitan school district as described in section 168.747, to reward teachers for objectively demonstrated superior performance.

2. There is hereby created the "Teacher Choice Compensation Fund" in the state treasury. The fund shall be administered by the department of elementary and secondary

education. The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo.

3. The teacher choice compensation fund shall consist of all moneys transferred to it under this section, and all moneys otherwise appropriated to or donated to it. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The general assembly shall annually appropriate five million dollars to the fund created in this section.

168.747. ELIGIBILITY FOR COMPENSATION PACKAGE. — 1. To be eligible for the teacher choice compensation package, all classroom personnel in a metropolitan school district reported as a code forty, fifty, or sixty through the core data system of the department of elementary and secondary education shall opt out of his or her indefinite contract under section 168.221 for the duration of employment with the district. A teacher may decide to end his or her eligibility for the teacher choice stipend but may not resume permanent teacher status with that district. A probationary teacher may opt out of consideration for a permanent contract in the second or subsequent years of employment by the district to participate in the teacher choice compensation package but may not return to permanent status in that district or resume the process for qualification for an indefinite contract in that district. A teacher who has chosen the teacher choice compensation package and changes employment to another district may choose to resume the process for qualification for an indefinite contract in that district. The teacher choice compensation package shall only be available for teachers in a metropolitan school district.

2. Teachers shall qualify annually in October for the stipends described in section 168.749. Stipends shall be offered in five thousand dollar increments, up to fifteen thousand dollars, but shall not exceed fifty percent of a teacher's base salary, before deductions for retirement but including designated pay for additional duties such as coaching, sponsoring, or mentoring. Any stipend received under section 168.749 shall be in addition to the base salary to which the teacher would otherwise be entitled. Teachers receiving the stipend shall receive any pay and benefits received by teachers of similar training, experience, and duties. Such stipends shall not be considered compensation for retirement purposes.

3. Subject to appropriation, the department of elementary and secondary education shall make a payment to the district in the amount of the stipend, to be delivered as a lump sum in January following the October of qualification. If the amount appropriated is not enough to fund the total of five thousand dollar increment payments, the department may prorate the payments.

4. Every person employed by the district in a teaching position, regardless of the certification status of the person, who qualifies under any of the indicators listed in section 168.749 is eligible for the teacher choice compensation package. Teachers who are employed less than full-time are eligible for teacher choice stipends on a pro-rated basis. Any teacher who is dismissed for cause who has otherwise qualified for a teacher choice stipend shall forfeit the stipend for that year.

168.749. ELIGIBILITY FOR STIPENDS, CRITERIA. — 1. Beginning with school year 2010-2011, teachers who elect to participate in the teacher choice compensation package shall be eligible for stipends based on the following criteria:

(1) Score on a value-added test instrument or instruments. Such instruments shall be defined as those which give a reliable measurement of the skills and knowledge transferred to students during the time they are in a teacher's classroom and shall be selected by the school district from one or more of the following assessments:

(a) A list of recognized value-added instruments developed by the department of elementary and secondary education;

(b) Scores on the statewide assessments established under section 160.518, RSMo, may be used for this purpose, and the department of elementary and secondary education shall develop a procedure for identifying the value added by teachers that addresses the fact that not all subjects are tested at all grade levels each year under the state assessment program;

(c) Scores on annual tests required by the federal Elementary and Secondary Education Act reauthorization of 2002 for third through eighth grade may be used as value-added instruments if found appropriate after consideration and approval by the state board of education;

(2) Evaluations by principals or other administrators with expertise to evaluate classroom performance;

Such election for newly established cemeteries shall be filed with the division, on a form provided by the division. 214.330. ENDOWED CARE FUND HELD IN TRUST OR SEGREGATED ACCOUNT — REQUIREMENTS — DUTIES OF TRUSTEE OR INDEPENDENT INVESTMENT ADVISOR — OPERATOR'S DUTIES — ENDOWED CARE FUND AGREEMENT. — 1. The cemetery operator shall have the duty and responsibility to apply the income to provide care and maintenance only for that part of the cemetery in which burial space shall have been sold and with respect to which sales the endowed care fund shall have been established and not for any other purpose. The principal of such funds shall be kept intact and appropriately invested by the trustee, or the independent investment advisor. An endowed care trust agreement may provide that when the principal in an endowed care trust exceeds two hundred fifty thousand dollars, investment decisions regarding the principal and undistributed income may be made by a federally registered or Missouri-registered independent qualified investment advisor designated by the cemetery owner, relieving the trustee of all liability regarding investment decisions made by such qualified investment advisor. It shall be the duty of the trustee, or the investment advisor, in the investment of such funds to exercise the diligence and care men of ordinary prudence, intelligence and discretion would employ, but with a view to permanency of investment considering probable safety of capital investment, income produced and appreciation of capital investment. No funds shall be expended without the signature of either the administrator of the office of endowed care cemeteries, or a licensed practicing attorney with escrow powers in this state. The account shall be insured by the Federal Deposit Insurance Corporation or comparable deposit insurance and held in the state- or federally chartered financial institution authorized to do business in Missouri and located in this state. The income from the endowed care fund shall be distributed to the cemetery operator at least in annual or semiannual installments. The cemetery operator shall have the duty and responsibility to apply the income to provide care and maintenance only for that part of the cemetery in which burial space shall have been sold and with respect to which sales the endowed care fund shall have been established and not for any other purpose. The principal of such funds shall be kept intact and appropriately invested by the cemetery operator with written approval of either the administrator of the office of endowed care cemeteries or a licensed practicing attorney with escrow powers in this state. It shall be the duty of the cemetery owner in the investment of such funds to exercise the diligence and care a person of reasonable prudence, intelligence and discretion would employ, but with a view to permanency of investment considering probable safety of capital investment, income produced and appreciation of capital investment. The cemetery owner's duties shall be the maintenance of records and the accounting for an investment of moneys deposited by the operator to the endowed care fund. For purposes of sections 214.270 to 214.410, the administrator of the office of endowed care cemeteries or the licensed practicing attorney with escrow powers in this state shall not be deemed to be responsible for the care, maintenance, or operation of the cemetery. With respect to cemetery property maintained by cemetery care funds, the cemetery operator shall be responsible for the performance of the care and maintenance of the cemetery property owned by the cemetery operator and for the opening and closing of all graves, crypts, or niches for human remains in any cemetery property owned by the cemetery operator.

3. The cemetery operator shall be accountable to the owners of burial space in the cemetery for compliance with sections 214.270 to 214.410.

4. All endowed care funds shall be administered in accordance with an endowed care fund agreement. The endowed care fund agreement shall be subject to review and approval by the office of endowed care cemeteries or by a licensed practicing attorney with escrow powers in this state. The endowed care cemetery shall be notified in writing by the office of endowed care cemeteries or by a licensed practicing attorney with escrow powers in this state regarding the approval or disapproval of the endowed care fund agreement and regarding any changes required to be made for compliance with this chapter and the rules and regulations promulgated thereunder. A copy of the proposed endowed care fund agreement shall be submitted to the office of endowed care cemeteries. The office of endowed care cemeteries or a licensed practicing attorney with escrow powers in this state shall notify the endowed care cemetery in writing of approval and of any required change. Any amendment or change to the endowed care fund agreement shall be submitted to the office of endowed care cemeteries or to a licensed practicing attorney with escrow powers in this state for review and approval. Said amendment or change shall not be effective until approved by the office of endowed care cemeteries or by a licensed practicing attorney with escrow powers in this state. All endowed care cemeteries shall be under a continuing duty to file with the office of endowed care cemeteries or with a licensed

practicing attorney with escrow powers in this state and to submit for approval any and all changes, amendment, or revisions of the endowed care fund agreement.

3. Upon the delivery of a monument, marker or memorial sold by the cemetery or its agent, or the cancellation of the contract for the purchase of such property, the cemetery operator may withdraw from the segregated account an amount equal to (i) the market value of the segregated account based on the most recent account statement issued to the cemetery operator, times (ii) the ratio the delivered property's deposit in the account bears to the aggregate deposit of all property which is paid in full but not delivered. All of the general provisions, definitions and powers enumerated in section 1 of the Omnibus State Reorganization Act of 1974 and Executive Order 06-04 shall apply to this department and its divisions, agencies, and personnel.

3. The director of the division of professional registration shall promulgate rules and regulations which designate for each board or commission assigned to the division the renewal date for licenses or certificates. Each board or commission shall by rule or regulation establish licensing periods of one, two, or three years. Registration fees set by a board or commission shall be effective for the entire licensing period involved, and shall not be increased during any current licensing period. Persons who are required to pay their first registration fees shall be allowed to pay the pro rata share of such fees for the remainder of the period remaining at the time the fees are paid. Each board or

commission shall provide the necessary forms for initial registration, and thereafter the director may prescribe standard forms for renewal of licenses and certificates. Each board or commission shall by rule and regulation require each applicant to provide the information which is required to keep the board's records current. **Each board or commission shall have the authority to collect and analyze information required to support workforce planning and policy development. Such information shall not be publicly disclosed so as to identify a specific health care provider, as defined in section 376.1350, RSMo.** Each board or commission shall issue the original license or certificate.

4. The division shall provide clerical and other staff services relating to the issuance and renewal of licenses for all the professional licensing and regulating boards and commissions assigned to the division. It does not include any discretionary authority with regard to the original review of an applicant's qualifications for licensure or certification, or the subsequent review of licensee's or certificate holder's qualifications, or any disciplinary action contemplated against the licensee or certificate holder. The division may develop and implement microfilming systems and automated or manual management information systems.

5. The director of the division shall maintain a system of accounting and budgeting, in cooperation with the director of the department, the office of administration, and the state auditor's office, to ensure proper charges are made to the various boards for services rendered to them. The fund shall consist of moneys deposited into it from each board's fund. The agency which possesses the records or information shall disclose the records or information if the person whose records or information is involved has

consented to the disclosure. Each agency is entitled to the attorney-client privilege and work-product privilege to the same extent as any other person. Provided, however, that any board may disclose confidential information without the consent of the person involved in the course of voluntary interstate exchange of information, or in the course of any litigation concerning that person, or pursuant to a lawful request, or to other administrative or law enforcement agencies acting within the scope of their statutory authority. Information regarding identity, including names and addresses, registration, and currency of the license of the persons possessing licenses to engage in a professional occupation and the names and addresses of applicants for such licenses is not confidential information.

9. Any deliberations conducted and votes taken in rendering a final decision after a hearing before an agency assigned to the division shall be closed to the parties and the public. Once a final decision is rendered, that decision shall be made available to the parties and the public.

10. A compelling governmental interest shall be deemed to exist for the purposes of section 536.025, RSMo, for licensure fees to be reduced by emergency rule, if the projected fund balance of any agency assigned to the division of professional registration is reasonably expected to exceed an amount that would require transfer from that fund to general revenue.

(2) The boards and commissions assigned to the division shall exercise all their respective statutory duties and powers, except those clerical and other staff services involving collecting and accounting for moneys and financial management relating to the issuance and renewal of licenses, which services shall be provided by the division, within the appropriation therefor. Nothing herein shall prohibit employment of professional examining or testing services from professional associations or others as required by the boards or commissions on contract. Nothing herein shall be construed to affect the power of a board or commission to expend its funds as appropriated. However, the division shall review the expense vouchers of each board. The results of such review shall be submitted to the board reviewed and to the house and senate appropriations committees annually.

(3) Notwithstanding any other provisions of law, the director of the division shall exercise only those management functions of the boards and commissions specifically provided in the Reorganization Act of 1974, and those relating to the allocation and assignment of space, personnel other than board personnel, and equipment.

For the purposes of this section, the percentage of time a physician assistant provides patient care with the supervising physician on-site shall be measured each calendar quarter. The supervising physician must be readily available in person or via telecommunication during the time the physician assistant is providing patient care. The board shall promulgate rules pursuant to chapter 536, RSMo, for documentation of joint review of the physician assistant activity by the supervising physician and the physician assistant. The physician assistant shall be limited to practice at locations where the supervising physician is no further than thirty miles by road using the most direct route available, or in any other fashion so distanced as to create an impediment to effective intervention and supervision of patient care or adequate review of services. Any other provisions of this chapter notwithstanding, for up to ninety days following the effective date of rules promulgated by the board to establish the waiver process under subsection 2 of this section, any physician assistant practicing in a health professional shortage area as of April 1, 2007, shall be allowed to practice under the on-site requirements stipulated by the supervising physician on the supervising physician form that was in effect on April 1, 2007.

The rule shall establish a process by which the public is invited to comment on the application for a waiver, and shall specify that a waiver may only be granted if a supervising

physician and physician assistant demonstrate to the board's satisfaction in accordance with its uniformly applied criteria that:

(1) Adequate supervision will be provided by the physician for the physician assistant, given the physician assistant's training and experience and the acuity of patient conditions normally treated in the clinical setting;

(2) The physician assistant shall be limited to practice at locations where the supervising physician is no further than fifty miles by road using the most direct route available, or in any other fashion so distanced as to create an impediment to effective intervention and supervision of patient care or adequate review of services;

(3) The community or communities served by the supervising physician and physician assistant would experience reduced access to health care services in the absence of a waiver; **[**and**]**

(4) The applicant will practice in an area designated at the time of application as a health professional shortage area;

(5) Nothing in this section shall be construed to require a physician-physician assistant team to increase their on-site requirement allowed in their initial waiver in order to qualify for renewal of such waiver**;**

(6) If a waiver has been granted by the board of healing arts to a physician assistant working in a rural health clinic under the federal Rural Health Clinic Services Act, P.L. 95-210, as amended, no additional waiver shall be required, so long as the rural health clinic maintains its status as a rural health clinic under such federal act, and such physician assistant and supervising physician comply with federal supervision requirements;

(7) A physician assistant shall only be required to seek a renewal of a waiver every five years or when his or her supervising physician is a different physician than the physician shown on the waiver application or they move their primary practice location more than ten miles from the location shown on the waiver application.

(10) Physician assistants shall not perform abortions.

4. Physician assistants shall not prescribe nor dispense any drug, medicine, device or therapy independent of consultation with the supervising physician, nor prescribe lenses, prisms or contact lenses for the aid, relief or correction of vision or the measurement of visual power or visual efficiency of the human eye, nor administer or monitor general or regional block anesthesia during diagnostic tests, surgery or obstetric procedures. Prescribing and dispensing of drugs, medications, devices or therapies by a physician assistant shall be pursuant to a

physician assistant supervision agreement which is specific to the clinical conditions treated by the supervising physician and the physician assistant shall be subject to the following:

(1) A physician assistant shall **[**not**] only** prescribe controlled substances **in accordance with section 334.747**;

No physician assistant shall practice or attempt to practice without physician supervision or in any location where the supervising physician is not immediately available for consultation, assistance and intervention, except as otherwise provided in this section, and in an emergency situation, nor shall any physician assistant bill a patient independently or directly for any services or procedure by the physician assistant.

6. For purposes of this section, the licensing of physician assistants shall take place within processes established by the state board of registration for the healing arts through rule and regulation. The board of healing arts is authorized to establish rules pursuant to chapter 536, RSMo, establishing licensing and renewal procedures, supervision, supervision agreements, fees, and addressing such other matters as are necessary to protect the public and discipline the profession. An application for licensing may be denied or the license of a physician assistant may be suspended or revoked by the board in the same manner and for violation of the standards as set forth by section 334.100, or such other standards of conduct set by the board by rule or regulation. Persons licensed pursuant to the provisions of chapter 335, RSMo, shall not be required to be licensed as physician assistants. All applicants for physician assistant licensure who complete a physician assistant training program after January 1, 2008, shall have a master's degree from a physician assistant program.

7. "Physician assistant supervision agreement" means a written agreement, jointly agreed-upon protocols or standing order between a supervising physician and a physician assistant, which provides for the delegation of health care services from a supervising physician to a physician assistant and the review of such services.

8. When a physician assistant supervision agreement is utilized to provide health care services for conditions other than acute self-limited or well-defined problems, the supervising physician or other physician designated in the supervision agreement shall see the patient for evaluation and approve or formulate the plan of treatment for new or significantly changed conditions as soon as practical, but in no case more than two weeks after the patient has been seen by the physician assistant.

9. At all times the physician is responsible for the oversight of the activities of, and accepts responsibility for, health care services rendered by the physician assistant.

10. It is the responsibility of the supervising physician to determine and document the completion of at least a one-month period of time during which the licensed physician assistant

shall practice with a supervising physician continuously present before practicing in a setting where a supervising physician is not continuously present.

11. No contract or other agreement shall require a physician to act as a supervising physician for a physician assistant against the physician's will. A physician shall have the right to refuse to act as a supervising physician, without penalty, for a particular physician assistant. No contract or other agreement shall limit the supervising physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any physician assistant, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. Physician assistants shall file with the board a copy of their supervising physician form.

13. No physician shall be designated to serve as supervising physician for more than three full-time equivalent licensed physician assistants. This limitation shall not apply to physician assistant agreements of hospital employees providing inpatient care service in hospitals as defined in chapter 197, RSMo.

334.747. PRESCRIBING CONTROLLED SUBSTANCES AUTHORIZED, WHEN — SUPERVISING PHYSICIANS — CERTIFICATION. — 1. A physician assistant with a certificate of controlled substance prescriptive authority as provided in this section may prescribe any controlled substance listed in schedule III, IV, or V of section 195.017, RSMo, when delegated the authority to prescribe controlled substances in a supervision agreement. Such authority shall be listed on the supervision verification form on file with the state board of healing arts. The supervising physician shall maintain the right to limit a specific scheduled drug or scheduled drug category that the physician assistant is permitted to prescribe. Any limitations shall be listed on the supervision form. Physician assistants shall not prescribe controlled substances for themselves or members of their families. Schedule III controlled substances shall be limited to a five-day supply without refill. Physician assistants who are authorized to prescribe controlled substances under this section shall register with the federal Drug Enforcement Administration and the state bureau of narcotics and dangerous drugs, and shall include such registration numbers on prescriptions for controlled substances.

2. The supervising physician shall be responsible to determine and document the completion of at least one hundred twenty hours in a four-month period by the physician assistant during which the physician assistant shall practice with the supervising physician on-site prior to prescribing controlled substances when the supervising physician is not on-site. Such limitation shall not apply to physician assistants of population-based public health services as defined in 20 CSR 2150-5.100 as of April 30, 2009.

3. A physician assistant shall receive a certificate of controlled substance prescriptive authority from the board of healing arts upon verification of the completion of the following educational requirements:

(1) Successful completion of an advanced pharmacology course that includes clinical training in the prescription of drugs, medicines, and therapeutic devices. A course or courses with advanced pharmacological content in a physician assistant program accredited by the Accreditation Review Commission on Education for the Physician Assistant (ARC-PA) or its predecessor agency shall satisfy such requirement;

(4) A physician assistant previously licensed in a jurisdiction where physician assistants are authorized to prescribe controlled substances may obtain a state bureau of narcotics and dangerous drugs registration if a supervising physician can attest that the physician assistant has met the requirements of subdivisions (1) to (3) of this subsection and provides documentation of existing federal Drug Enforcement Agency registration.

334.850. PERSONNEL PROVIDED THROUGH DIVISION OF PROFESSIONAL REGISTRATION, DUTIES — RULEMAKING. — The division of professional registration shall provide all necessary personnel to carry out the provisions of sections 334.800 to 334.930. The division shall:

(1) Exercise all budgeting, purchasing, reporting and other related management functions;

(2) **[**Establish application and licensure fees, in cooperation with the board, and collect such fees;

(3)**]** Deposit all fees collected pursuant to sections 334.800 to 334.930 by transmitting such funds to the department of revenue for deposit to the state treasury to the credit of the "Respiratory Care Practitioners Fund", which is hereby created. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, money in this fund shall not be transferred and placed to the credit of general revenue until the amount in the fund at the end of the biennium exceeds two times the amount of the appropriations from the fund for the preceding fiscal year, or three times the amount if the board requires renewal of licenses less often than annually. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the appropriate multiple of the appropriations from the fund for the preceding fiscal year;

[(4)**] (3)** Process applications and notify licensees when a license is to expire;

[(5)**] (4)** Establish the amount the board shall receive as per diem for each day devoted to the member's official duties on the board and reimburse any actual and necessary expenses a board member incurs in the performance of the member's official duties;

[(6)**] (5)** Promulgate, in cooperation with the board, such rules and regulations as are necessary to administer the provisions of sections 334.800 to 334.930. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in sections 334.800 to 334.930 shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. All rulemaking authority delegated prior to August 28, 1999, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with all applicable provisions of law. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

NURSE LICENSURE COMPACT
ARTICLE I

335.300. FINDINGS AND DECLARATION OF PURPOSE. —1. The party states find that:

(1) The health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to state nurse licensure laws;

(2) Violations of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public;

(3) The expanded mobility of nurses and the use of advanced communication technologies as part of our nation's healthcare delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation;

(4) New practice modalities and technology make compliance with individual state nurse licensure laws difficult and complex;

(5) The current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant to both nurses and states.

2. The general purposes of this compact are to:

(1) Facilitate the states' responsibility to protect the public's health and safety;

(2) Ensure and encourage the cooperation of party states in the areas of nurse licensure and regulation;

(3) Facilitate the exchange of information between party states in the areas of nurse regulation, investigation, and adverse actions;

(4) Promote compliance with the laws governing the practice of nursing in each jurisdiction;

(5) Invest all party states with the authority to hold a nurse accountable for meeting all state practice laws in the state in which the patient is located at the time care is rendered through the mutual recognition of party state licenses.

ARTICLE II

335.305. DEFINITIONS. — As used in this compact, the following terms shall mean:

(1) "Adverse action", a home or remote state action;

(2) "Alternative program", a voluntary, non-disciplinary monitoring program approved by a nurse licensing board;

(3) "Coordinated licensure information system", an integrated process for collecting, storing, and sharing information on nurse licensure and enforcement activities related to nurse licensure laws, which is administered by a non-profit organization composed of and controlled by state nurse licensing boards;

(4) "Current significant investigative information":

(a) Investigative information that a licensing board, after a preliminary inquiry that includes notification and an opportunity for the nurse to respond if required by state law, has reason to believe is not groundless and, if proved true, would indicate more than a minor infraction; or

(b) Investigative information that indicates that the nurse represents an immediate threat to public health and safety regardless of whether the nurse has been notified and had an opportunity to respond;

(5) "Home state", the party state that is the nurse's primary state of residence;

(6) "Home state action", any administrative, civil, equitable, or criminal action permitted by the home state's laws that are imposed on a nurse by the home state's licensing board or other authority including actions against an individual's license such as: revocation, suspension, probation, or any other action affecting a nurse's authorization to practice;

(7) "Licensing board", a party state's regulatory body responsible for issuing nurse licenses;

(8) "Multistate licensing privilege", current, official authority from a remote state permitting the practice of nursing as either a registered nurse or a licensed practical/vocational nurse in such party state. All party states have the authority, in accordance with existing state due process law, to take actions against the nurse's privilege such as: revocation, suspension, probation, or any other action that affects a nurse's authorization to practice;

(9) "Nurse", a registered nurse or licensed/vocational nurse, as those terms are defined by each state's practice laws;

(10) "Party state", any state that has adopted this compact;

(11) "Remote state", a party state, other than the home state:

(a) Where a patient is located at the time nursing care is provided; or

(b) In the case of the practice of nursing not involving a patient, in such party state where the recipient of nursing practice is located;

(12) "Remote state action":

(a) Any administrative, civil, equitable, or criminal action permitted by a remote state's laws which are imposed on a nurse by the remote state's licensing board or other authority including actions against an individual's multistate licensure privilege to practice in the remote state; and

(b) Cease and desist and other injunctive or equitable orders issued by remote states or the licensing boards thereof;

(13) "State", a state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico;

(14) "State practice laws", those individual party's state laws and regulations that govern the practice of nursing, define the scope of nursing practice, and create the methods and grounds for imposing discipline. State practice laws does not include the initial qualifications for licensure or requirements necessary to obtain and retain a license, except for qualifications or requirements of the home state.

ARTICLE III

335.310. GENERAL PROVISIONS AND JURISDICTION. — 1. A license to practice registered nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a multistate licensure privilege to practice as a registered nurse in such party state. A license to practice licensed practical/vocational nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a multistate licensure privilege to practice as a licensed practical/vocational nurse in such party state. In order to obtain or retain a license, an applicant must meet the home state's qualifications for licensure and license renewal as well as all other applicable state laws.

2. Party states may, in accordance with state due process laws, limit or revoke the multistate licensure privilege of any nurse to practice in their state and may take any other actions under their applicable state laws necessary to protect the health and safety of their citizens. If a party state takes such action, it shall promptly notify the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the home state of any such actions by remote states.

3. Every nurse practicing in a party state must comply with the state practice laws of the state in which the patient is located at the time care is rendered. In addition, the practice of nursing is not limited to patient care, but shall include all nursing practice as defined by the state practice laws of a party state. The practice of nursing will subject a nurse to the jurisdiction of the nurse licensing board and the courts, as well as the laws, in that party state.

4. This compact does not affect additional requirements imposed by states for advanced practice registered nursing. However, a multistate licensure privilege to practice registered nursing granted by a party state shall be recognized by other party states as a license to practice registered nursing if one is required by state law as a precondition for qualifying for advanced practice registered nurse authorization.

5. Individuals not residing in a party state shall continue to be able to apply for nurse licensure as provided for under the laws of each party state. However, the license granted to these individuals will not be recognized as granting the privilege to practice nursing in any other party state unless explicitly agreed to by that party state.

ARTICLE IV

335.315. APPLICATIONS FOR LICENSURE IN A PARTY STATE. — 1. Upon application for a license, the licensing board in a party state shall ascertain, through the coordinated licensure information system, whether the applicant has ever held, or is the holder of, a

license issued by any other state, whether there are any restrictions on the multistate licensure privilege, and whether any other adverse action by any state has been taken against the license.

2. A nurse in a party state shall hold licensure in only one party state at a time, issued by the home state.

3. A nurse who intends to change primary state of residence may apply for licensure in the new home state in advance of such change. However, new licenses will not be issued by a party state until after a nurse provides evidence of change in primary state of residence satisfactory to the new home state's licensing board.

4. When a nurse changes primary state of residence by:

(1) Moving between two party states, and obtains a license from the new home state, the license from the former home state is no longer valid;

(2) Moving from a non-party state to a party state, and obtains a license from the new home state, the individual state license issued by the non-party state is not affected and will remain in full force if so provided by the laws of the non-party state;

(3) Moving from a party state to a non-party state, the license issued by the prior home state converts to an individual state license, valid only in the former home state, without the multistate licensure privilege to practice in other party states.

ARTICLE V

335.320. ADVERSE ACTIONS. — In addition to the general provisions described in article III of this compact, the following provisions apply:

(1) The licensing board of a remote state shall promptly report to the administrator of the coordinated licensure information system any remote state actions including the factual and legal basis for such action, if known. The licensing board of a remote state shall also promptly report any significant current investigative information yet to result in a remote state action. The administrator of the coordinated licensure information system shall promptly notify the home state of any such reports;

(2) The licensing board of a party state shall have the authority to complete any pending investigations for a nurse who changes primary state of residence during the course of such investigations. It shall also have the authority to take appropriate actions, and shall promptly report the conclusions of such investigations to the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the new home state of any such actions;

(3) A remote state may take adverse action affecting the multistate licensure privilege to practice within that party state. However, only the home state shall have the power to impose adverse action against the license issued by the home state;

(4) For purposes of imposing adverse action, the licensing board of the home state shall give the same priority and effect to reported conduct received from a remote state as it would if such conduct had occurred within the home state, in so doing, it shall apply its own state laws to determine appropriate action;

(5) The home state may take adverse action based on the factual findings of the remote state, so long as each state follows its own procedures for imposing such adverse action;

(6) Nothing in this compact shall override a party state's decision that participation in an alternative program may be used in lieu of licensure action and that such participation shall remain non-public if required by the party state's laws. Party states must require nurses who enter any alternative programs to agree not to practice in any other party state during the term of the alternative program without prior authorization from such other party state.

ARTICLE VI

335.325. ADDITIONAL AUTHORITIES INVESTED IN PARTY STATE NURSE LICENSING BOARDS. — Notwithstanding any other powers, party state nurse licensing boards shall have the authority to:

(1) If otherwise permitted by state law, recover from the affected nurse the costs of investigations and disposition of cases resulting from any adverse action taken against that nurse;

(2) Issue subpoenas for both hearings and investigations which require the attendance and testimony of witnesses, and the production of evidence. Subpoenas issued by a nurse licensing board in a party state for the attendance and testimony of witnesses, and/or the production of evidence from another party state, shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the state where the witnesses and evidence are located;

(3) Issue cease and desist orders to limit or revoke a nurse's authority to practice in their state;

(4) Promulgate uniform rules and regulations as provided for in subsection 3 of section 335.335.

ARTICLE VII

335.330. COORDINATED LICENSURE INFORMATION SYSTEM. — 1. All party states shall participate in a cooperative effort to create a coordinated database of all licensed registered nurses and licensed practical/vocational nurses. This system will include information on the licensure and disciplinary history of each nurse, as contributed by party states, to assist in the coordination of nurse licensure and enforcement efforts.

2. Notwithstanding any other provision of law, all party states' licensing boards shall promptly report adverse actions, actions against multistate licensure privileges, any current significant investigative information yet to result in adverse action, denials of applications, and the reasons for such denials to the coordinated licensure information system.

3. Current significant investigative information shall be transmitted through the coordinated licensure information system only to party state licensing boards.

4. Notwithstanding any other provision of law, all party states' licensing boards contributing information to the coordinated licensure information system may designate information that may not be shared with non-party states or disclosed to other entities or individuals without the express permission of the contributing state.

5. Any personally identifiable information obtained by a party states' licensing board from the coordinated licensure information system may not be shared with non-party states or disclosed to other entities or individuals except to the extent permitted by the laws of the party state contributing the information.

6. Any information contributed to the coordinated licensure information system that is subsequently required to be expunged by the laws of the party state contributing that information shall also be expunged from the coordinated licensure information system.

7. The compact administrators, acting jointly with each other and in consultation with the administrator of the coordinated licensure information system, shall formulate necessary and proper procedures for the identification, collection, and exchange of information under this compact.

ARTICLE VIII

335.335. COMPACT ADMINISTRATION AND INTERCHANGE OF INFORMATION. — 1. The head of the nurse licensing board, or his/her designee, of each party state shall be the administrator of this compact for his/her state.

2. The compact administrator of each party shall furnish to the compact administrator of each other party state any information and documents including, but not limited to, a uniform data set of investigations, identifying information, licensure data, and disclosable alternative program participation information to facilitate the administration of this compact.

3. Compact administrators shall have the authority to develop uniform rules to facilitate and coordinate implementation of this compact. These uniform rules shall be adopted by party states, under the authority invested under subsection 4 of section 335.325.

ARTICLE IX

335.340. IMMUNITY. — No party state or the officers or employees or agents of a party state's nurse licensing board who acts in accordance with the provisions of this compact shall be liable on account of any act or omission in good faith while engaged in the performance of their duties under this compact. Good faith in this article shall not include willful misconduct, gross negligence, or recklessness.

ARTICLE X

Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until six months after the withdrawing state has given notice of the withdrawal to the executive heads of all other party states.

2. No withdrawal shall affect the validity or applicability by the licensing boards of states remaining party to the compact of any report of adverse action occurring prior to the withdrawal.

3. Nothing contained in this compact shall be construed to invalidate or prevent any nurse licensure agreement or other cooperative arrangement between a party state and a non-party state that is made in accordance with the other provisions of this compact.

of drugs and devices and the maintenance of proper records thereof; consultation with patients and other health care practitioners about the safe and effective use of drugs and devices; and the offering or performing of those acts, services, operations, or transactions necessary in the conduct, operation, management and control of a pharmacy. No person shall engage in the practice of pharmacy unless he is licensed under the provisions of this chapter. This chapter shall not be construed to prohibit the use of auxiliary personnel under the direct supervision of a pharmacist from assisting the pharmacist in any of his duties. This assistance in no way is intended to relieve the pharmacist from his responsibilities for compliance with this chapter and he will be responsible for the actions of the auxiliary personnel acting in his assistance. This chapter shall also not be construed to prohibit or interfere with any legally registered practitioner of medicine, dentistry, podiatry, or veterinary medicine, or the practice of optometry in accordance with and as provided in sections 195.070 and 336.220, RSMo, in the compounding or dispensing of his own prescriptions.

2. Any pharmacist who accepts a prescription order for a medication therapeutic plan shall have a written protocol from the physician who refers the patient for medication therapy services. The written protocol and the prescription order for a medication therapeutic plan shall come from the physician only, and shall not come from a nurse engaged in a collaborative practice arrangement under section 334.104, RSMo, or from a physician assistant engaged in a supervision agreement under section 334.735, RSMo.

3. Nothing in this section shall be construed as to prevent any person, firm or corporation from owning a pharmacy regulated by sections 338.210 to 338.315, provided that a licensed pharmacist is in charge of such pharmacy.

4. Nothing in this section shall be construed to apply to or interfere with the sale of nonprescription drugs and the ordinary household remedies and such drugs or medicines as are normally sold by those engaged in the sale of general merchandise.

5. No health carrier as defined in chapter 376, RSMo, shall require any physician with which they contract to enter into a written protocol with a pharmacist for medication therapeutic services.

6. This section shall not be construed to allow a pharmacist to diagnose or independently prescribe pharmaceuticals.

7. The state board of registration for the healing arts, under section 334.125, RSMo, and the state board of pharmacy, under section 338.140, shall jointly promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Such rules shall require protocols to include provisions allowing for timely communication between the pharmacist and the referring physician, and any other patient protection provisions deemed appropriate by both boards. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither board shall separately promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.

8. The state board of pharmacy may grant a certificate of medication therapeutic plan authority to a licensed pharmacist who submits proof of successful completion of a board-approved course of academic clinical study beyond a bachelor of science in pharmacy, including but not limited to clinical assessment skills, from a nationally accredited college or university, or a certification of equivalence issued by a nationally recognized professional organization and approved by the board of pharmacy.

9. Such registration shall be the sole authorization permitted to allow persons to assist licensed pharmacists in the practice of pharmacy as defined in this chapter.

2. The board may refuse to issue a certificate of registration as a pharmacy technician to an applicant that has been adjudicated and found guilty, or has entered a plea of guilty or nolo contendere, of a violation of any state, territory or federal drug law, or to any felony or has violated any provision of subsection 2 of section 338.055. Alternately, the board may issue such person a registration, but may authorize the person to work as a pharmacy technician provided that person adheres to certain terms and conditions imposed by the board. The board shall place on the employment disqualification list the name of an applicant who the board has refused to issue a certificate of registration as a pharmacy technician, or the name of a person who the board has issued a certificate of registration as a pharmacy technician but has authorized to work under certain terms and conditions. The board shall notify the applicant of the applicant's right to file a complaint with the administrative hearing commission as provided by chapter 621, RSMo.

3. If an applicant has submitted the required fee and an application for registration to the board of pharmacy, the applicant for registration as a pharmacy technician may assist a licensed pharmacist in the practice of pharmacy as defined in this chapter **[**for a period of up to ninety days prior to the issuance of a certificate of registration**]**. The applicant shall keep a copy of the submitted application on the premises where the applicant is employed. **[**When**] If** the board refuses to issue a certificate of registration as a pharmacy technician to an applicant, the applicant shall immediately cease assisting a licensed pharmacist in the practice of pharmacy.

6. The board shall maintain an employment disqualification list. No person whose name appears on the employment disqualification list shall work as a pharmacy technician, except as otherwise authorized by the board. The board may authorize a person whose name appears on the employment disqualification list to work or continue to work as a pharmacy technician provided the person adheres to certain terms and conditions imposed by the board.

7. The board may place on the employment disqualification list the name of a pharmacy technician who has been adjudicated and found guilty, or has entered a plea of guilty or nolo contendere, of a violation of any state, territory **[**of**] or** federal drug law, or to any felony or has violated any provision of subsection 2 of section 338.055.

8. After an investigation and a determination has been made to place a person's name on the employment disqualification list, the board shall notify such person in writing mailed to the person's last known address **[**that**]**:

(1) **That** an allegation has been made against the person, the substance of the allegation and that an investigation has been conducted which tends to substantiate the allegation;

(2) **That** such person's name has been added in the employment disqualification list of the board;

(3) The consequences to the person of being listed and the length of time the person's name will be on the list; and

(4) The person's right to file a complaint with the administrative hearing commission as provided in chapter 621, RSMo.

9. The length of time a person's name shall remain on the disqualification list shall be determined by the board.

10. No hospital or licensed pharmacy shall knowingly employ any person whose name appears on the employee disqualification list, except that a hospital or licensed pharmacy may employ a person whose name appears on the employment disqualification list but the board has authorized to work under certain terms and conditions. Any hospital or licensed pharmacy shall report to the board any final disciplinary action taken against a pharmacy technician or the voluntary resignation of a pharmacy technician against whom any complaints or reports have been made which might have led to final disciplinary action that can be a cause of action for discipline by the board as provided for in subsection 2 of section 338.055. Compliance with the foregoing sentence may be interposed as an affirmative defense by the employer. Any hospital or licensed pharmacy which reports to the board in good faith shall not be liable for civil damages.

The permit or license issued shall be renewable upon payment of a

renewal fee. Separate applications shall be made and separate permits or licenses required for each pharmacy opened, established, operated, or maintained by the same owner.

3. All permits, licenses or renewal fees collected pursuant to the provisions of sections 338.210 to 338.370 shall be deposited in the state treasury to the credit of the Missouri board of pharmacy fund, to be used by the Missouri board of pharmacy in the enforcement of the provisions of sections 338.210 to 338.370, when appropriated for that purpose by the general assembly.

190.800. IMPOSITION OF TAX — DEFINITIONS. — 1. Each ground ambulance service, except for any ambulance service owned and operated by an entity owned and operated by the state of Missouri, including but not limited to any hospital owned or operated by the board of curators, as defined in chapter 172, RSMo, or any department of the state, shall, in addition to all other fees and taxes now required or paid, pay an ambulance service reimbursement allowance tax for the privilege of engaging in the business of providing ambulance services in this state.

2. For the purpose of this section, the following terms shall mean:

(1) "Ambulance", the same meaning as such term is defined in section 190.100;

(2) "Ambulance service", the same meaning as such term is defined in section 190.100;

(3) "Engaging in the business of providing ambulance services in this state", accepting payment for such services;

(4) "Gross receipts", all amounts received by an ambulance service licensed under section 190.109 for its own account from the provision of all emergency services, as defined in section 190.100, to the public in the state of Missouri, but shall not include revenue from taxes collected under law, grants, subsidies received from governmental agencies, or the value of charity care.

190.803. FORMULA FOR TAX BASED ON GROSS RECEIPTS — MAXIMUM RATE — CHALLENGE OF VALIDITY OF RULES. — 1. Each ambulance service's reimbursement allowance shall be based on its gross receipts using a formula established by the department of social services by rule. The determination of tax due shall be the monthly gross receipts reported to the department of social services multiplied by the tax rate established by rule by the department of social services. Such tax rate may be a graduated rate based on gross receipts and shall not exceed a rate of six percent per annum of gross receipts.

2. Notwithstanding any other provision of law to the contrary, any action respecting the validity of the rules promulgated under this section or section 190.815 or 190.833 shall be filed in the circuit court of Cole County. The circuit court of Cole County shall hear the matter as the court of original jurisdiction.

190.806. RECORD-KEEPING REQUIREMENTS, CONFIDENTIALITY. — Each ambulance service shall keep such records as may be necessary to determine the amount of its reimbursement allowance. On or before the first day of October of each year, every ambulance service shall submit to the department of social services a statement that accurately reflects such information as is necessary to determine such ambulance service's reimbursement allowance tax. Each licensed ambulance service shall report gross receipts to the department of social services. The information obtained by the department of social services shall be confidential.

190.809. AMOUNT DUE, DETERMINATION — NOTIFICATION PROCEDURE — OFFSET PERMITTED, WHEN — QUARTERLY ADJUSTMENT OF TAX PERMITTED. — 1. The director of the department of social services shall make a determination as to the amount of ambulance service reimbursement allowance tax due from each ambulance service.

2. The director of the department of social services shall notify each ambulance service of the annual amount of its reimbursement allowance tax on or before the first day of October each year. Such amount may be paid in monthly increments over the balance of the reimbursement allowance tax period, as set forth in subsection 1 of section 190.821.

3. The department of social services is authorized to offset the federal reimbursement allowance tax owed by an ambulance service against any MO HealthNet payment due such ambulance service, if the ambulance service requests such an offset. The amounts to be offset shall result, so far as practicable, in withholding from the ambulance service an amount substantially equivalent to the assessment to be due from the ambulance service. The office of administration and state treasurer are authorized to make any fund transfers necessary to execute the offset.

4. The department of social services may adjust the tax rate quarterly on a prospective basis. The department of social services may adjust more frequently for individual ambulance services if there is a substantial and statistically significant change in their service provider characteristics. The department of social services may define such adjustment criteria by rule.

190.812. DETERMINATION OF TAX FINAL, WHEN — TIMELY PROTEST PERMITTED. — 1. Each ambulance service reimbursement allowance tax determination shall be final after receipt of written notice from the department of social services, unless the ambulance service files a protest with the director of the department of social services setting forth the grounds on which the protest is based, within thirty days from the date of receipt of written notice from the department of social services to the ambulance service.

2. If a timely protest is filed, the director of the department of social services shall reconsider the determination and, if the ambulance service has so requested, the director or the director's designee shall grant the ambulance service a hearing to be held within

forty-five days after the protest is filed, unless extended by agreement between the ambulance service and the director. The director shall issue a final decision within forty-five days of the completion of the hearing. After reconsideration of the reimbursement allowance determination and a final decision by the director of the department of social services, an ambulance service's appeal of the director's final decision shall be to the administrative hearing commission in accordance with section 208.156, RSMo, and section 621.055, RSMo.

190.815. RULEMAKING AUTHORITY. — The director of the department of social services shall prescribe by rule the form and content of any document required to be filed under sections 190.800 to 190.836. No later than November 30, 2009, the department of social services shall promulgate rules to implement the provisions of sections 190.830 to 190.836.

190.818. REMITTANCE OF TAX — FUND CREATED, USE OF MONEYS. — 1. The ambulance service reimbursement allowance tax owed or, if an offset has been requested, the balance, if any, after such offset shall be remitted by the ambulance service to the department of social services. The remittance shall be made payable to the director of the department of revenue. The amount remitted shall be deposited in the state treasury to the credit of the "Ambulance Service Reimbursement Allowance Fund", which is hereby created for the sole purpose of providing payments to ambulance services. All investment earnings of the ambulance service reimbursement allowance fund shall be credited to the ambulance service reimbursement allowance fund. The unexpended balance in the ambulance service reimbursement allowance fund at the end of the biennium is exempt from the provisions of section 33.080, RSMo. The unexpended balance shall not revert to the general revenue fund, but shall accumulate in the ambulance service reimbursement allowance fund from year to year.

2. An offset as authorized by this section or a payment to the ambulance service reimbursement allowance fund shall be accepted as payment of the ambulance service's obligation imposed by section 190.800.

3. The state treasurer shall maintain records that show the amount of money in the ambulance service reimbursement allowance fund at any time and the amount of any investment earnings on that amount. The department of social services shall disclose such information to any interested party upon written request.

190.821. TAX PERIOD — FAILURE TO PAY, DELINQUENCY, ENFORCEMENT PROCEDURES. — 1. An ambulance service reimbursement allowance tax period as provided in sections 190.800 to 190.836 shall be from the first day of October to the thirtieth day of September. The department shall notify each ambulance service with a balance due on the thirtieth day of September of each year the amount of such balance due. If any ambulance service fails to pay its ambulance service reimbursement allowance tax within thirty days of such notice, the reimbursement allowance shall be delinquent. The reimbursement allowance tax may remain unpaid during an appeal as provided in section 190.812.

2. Except as otherwise provided in this section, if any reimbursement allowance tax imposed under section 190.800 is unpaid and delinquent, the department of social services may proceed to enforce the state's lien against the property of the ambulance service and to compel the payment of such reimbursement allowance tax in the circuit court having jurisdiction in the county where the ambulance service is located. In addition, the director of the department of social services or the director's designee may cancel or refuse to issue, extend, or reinstate a MO HealthNet participation agreement to any ambulance service which fails to pay such delinquent reimbursement allowance tax required by section 190.800 unless under appeal as allowed in section 190.812.

3. Except as otherwise provided in this section, failure to pay a delinquent reimbursement allowance tax imposed under section 190.800 shall be grounds for denial, suspension, or revocation of a license granted under this chapter. The director of the department of social services may notify the department of health and senior services to deny, suspend, or revoke the license of any ambulance service which fails to pay a delinquent reimbursement allowance tax unless under appeal as provided in section 190.812.

190.824. TAX-EXEMPT STATUS OF AMBULANCE SERVICE NOT AFFECTED. — Nothing in sections 190.800 to 190.836 shall be deemed to affect or in any way limit the tax-exempt or nonprofit status of any ambulance service granted by state or federal law.

190.827. PAYMENTS TO AMBULANCE SERVICES, WHEN. — The department of social services shall make payments to those ambulance services that have a valid MO HealthNet participation agreement with the department. The ambulance service reimbursement allowance shall not be used to supplant, and shall be in addition to, general revenue payments to ambulance services.

190.830. FEDERAL FINANCIAL PARTICIPATION REQUIRED. — The requirements of sections 190.800 to 190.830 shall apply only so long as the revenues generated under section 190.800 are eligible for federal financial participation as provided in sections 190.800 to 190.836 and payments are made under section 190.800. For the purpose of this section, "federal financial participation" means the federal government's share of Missouri's expenditures under the MO HealthNet program. Notwithstanding any other provision of this section to the contrary, in the event federal financial participation is either denied, discontinued, reduced in excess of five percent per year, or no longer available for the revenues generated under section 190.800, the director of the department of social services shall cause disbursement of all moneys held in the ambulance service reimbursement allowance fund to be made to all ambulance services in accordance with rules promulgated by the department of social services, along with a full accounting of such disbursements, within forty-five days of receipt of notice thereof by the department of social services.

190.833. NO TAX IMPOSED PRIOR TO EFFECTIVE DATE. — The ambulance service reimbursement allowance tax provided in section 190.800 shall not be imposed prior to the effective date of rules promulgated by the department of social services, but in no event prior to October 1, 2009.

190.836. RULES REQUIREMENTS, AUTHORITY. — No rules implementing sections 190.800 to 190.836 may be filed with the secretary of state without first being provided to interested parties registered on a list of such parties to be maintained by the director of the department of social services. Rules shall be provided to all interested parties seventy-two hours prior to being filed with the secretary of state. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in sections 190.800 to 190.836 shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. Sections 190.800 to 190.836 and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

190.839. EXPIRATION DATE. — Sections 190.800 to 190.839 shall expire on September 30, 2011.

205.202. CERTAIN DISTRICTS MAY IMPOSE SALES TAX INSTEAD OF PROPERTY TAX — VOTE REQUIRED — FUND CREATED, USE OF MONEYS (RIPLEY COUNTY). — 1. The governing body of any hospital district established under sections 205.160 to 205.379 in any county of the third classification without a township form of government and with more than thirteen thousand five hundred but fewer than thirteen thousand six hundred inhabitants may, by resolution, abolish the property tax levied in such district under this chapter and impose a sales tax on all retail sales made within the district which are subject to sales tax under chapter 144, RSMo. The tax authorized in this section shall be not more than one percent, and shall be imposed solely for the purpose of funding the hospital district. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes.

2. No such resolution adopted under this section shall become effective unless the governing body of the hospital district submits to the voters residing within the district at a state general, primary, or special election a proposal to authorize the governing body of the district to impose a tax under this section. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notification of adoption of the local sales tax. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question.

3. All revenue collected under this section by the director of the department of revenue on behalf of the hospital district, except for one percent for the cost of collection which shall be deposited in the state's general revenue fund, shall be deposited in a special trust fund, which is hereby created and shall be known as the "Hospital District Sales Tax Fund", and shall be used solely for the designated purposes. Moneys in the fund shall not be deemed to be state funds, and shall not be commingled with any funds of the state. The director may make refunds from the amounts in the fund and credited to the district for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such district. Any funds in the special fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The governing body of any hospital district that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the district. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

5. Whenever the governing body of any hospital district that has adopted the sales tax authorized in this section receives a petition, signed by a number of registered voters of the district equal to at least ten percent of the number of registered voters of the district voting in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this section, the governing body shall submit to the voters of the district a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified

voters voting thereon are in favor of the repeal, the repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

6. If the tax is repealed or terminated by any means, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes, and the hospital district shall notify the director of the department of revenue of the action at least ninety days before the effective date of the repeal and the director may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such district, the director shall remit the balance in the account to the district and close the account of that district. The director shall notify each district of each instance of any amount refunded or any check redeemed from receipts due the district.

4. The fee imposed under this section shall be determined based on the reasonable costs incurred by the department of mental health in its programs of certification of providers of health benefit services. Imposition of the fee shall be contingent upon receipt of all necessary federal approvals under federal law and regulation to assure that the collection of the fee will not adversely affect the receipt of federal financial participation in medical assistance under Title XIX of the federal Social Security Act.

5. Fees shall be determined annually and prorated monthly by the director of the department of mental health or his or her designee and shall be made payable to the director of the department of revenue.

6. In the alternative, a provider may direct that the director of the department of social services offset, from the amount of any payment to be made by the state to the provider, the amount of the fee payment owed for any month.

7. Fee payments shall be deposited in the state treasury to the credit of the "Home and Community-Based Developmental Disabilities Waiver Reimbursement Allowance

Fund", which is hereby created in the state treasury. All investment earnings of this fund shall be credited to the fund. The state treasurer shall be custodian and may approve disbursement. 11. In the event a provider objects to the estimate described in subsection 10 of this section, or any other decision of the department of mental health related to this section, the provider of services may request a hearing. If a hearing is requested, the director of the department of mental health shall provide the provider of services an opportunity to be heard and to present evidence bearing on the amount due for an assessment or other issue related to this section within thirty days after collection of an amount due or receipt of a request for a hearing, whichever is later. The director of the department of mental health shall issue a final decision within forty-five days of the completion of the hearing. After reconsideration of the fee determination and a final decision by the director of the department of mental health, a residential habilitation, individualized supported living, and day habilitation services to developmentally disabled individuals provider's appeal of the director of the department of mental health's final decision shall be to the administrative hearing commission in accordance with section 208.156, RSMo, and section 621.055, RSMo.

12. Notwithstanding any other provision of law to the contrary, appeals regarding this assessment shall be to the circuit court of Cole County or the circuit court in the county in which the provider is located. The circuit court shall hear the matter as the court of original jurisdiction.

13. Nothing in this section shall be deemed to affect or in any way limit the tax-exempt or nonprofit status of any provider of residential habilitation, individualized supported living, and day habilitation services to developmentally disabled individuals, granted by state law.

14. The director of the department of mental health shall promulgate rules and regulations to implement this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

15. The provisions of this section shall expire on September 30, 2011.

Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

3. The director of the department of social services or the director's designee may prescribe the form and contents of any forms or other documents required by sections 660.425 to 660.465.

4. Notwithstanding any other provision of law to the contrary, appeals regarding the promulgation of rules under this section shall be made to the circuit court of Cole County. The circuit court of Cole County shall hear the matter as the court of original jurisdiction.

2. Each in-home services provider subject to sections 660.425 to 660.465 shall keep such records as may be necessary to determine the total payments received for the provision of in-home services under chapter 208, RSMo, by the in-home services provider. Every in-home services provider shall submit to the department of social services a statement that accurately reflects such information as is necessary to determine such in-home services provider's tax due.

3. The director of the department of social services may prescribe the form and contents of any forms or other documents required by this section.

4. Each in-home services provider shall report the total payments received for the provision of in-home services under chapter 208, RSMo, to the department of social services.

660.440. EFFECTIVE DATE OF TAX. — 1. The tax imposed by sections 660.425 to 660.465 shall become effective upon authorization by the federal Centers for Medicare & Medicaid Services for a gross receipts tax for in-home services.

2. If the federal Centers for Medicare & Medicaid Services determines that their authorization is not necessary for the tax imposed under sections 660.425 to 660.465, the tax shall become effective sixty days after the date of such determination.

660.445. DETERMINATION OF TAX AMOUNT — NOTIFICATION TO PROVIDER — QUARTERLY TAX ADJUSTMENTS PERMITTED. — 1. The determination of the amount of tax due shall be the total amount of payments reported to the department multiplied by the tax rate established by rule by the department of social services.

2. The department of social services shall notify each in-home services provider of the amount of tax due. Such amount may be paid in increments over the balance of the assessment period.

3. The department of social services may adjust the tax due quarterly on a prospective basis. The department of social services may adjust the tax due more frequently for individual providers if there is a substantial and statistically significant change in the in-home services provided or in the payments received for such services provided under chapter 208, RSMo. The department of social services may define such adjustment criteria by rule.

660.450. OFFSET OF TAX PERMITTED, WHEN. — The director of the department of social services may offset the tax owed by an in-home services provider against any Missouri Medicaid payment due such in-home services provider, if the in-home services provider requests such an offset. The amounts to be offset shall result, so far as practicable, in withholding from the in-home services provider an amount substantially equal to the assessment due from the in-home services provider. The office of administration and the state treasurer may make any fund transfers necessary to execute the offset.

660.455. REMITTANCE OF TAX — FUND CREATED — RECORD-KEEPING REQUIREMENTS. — 1. The in-home services tax owed or, if an offset has been made, the balance after such offset, if any, shall be remitted by the in-home services provider to the department of social services. The remittance shall be made payable to the director of the department of social services and shall be deposited in the state treasury to the credit of the "In-home Services Gross Receipts Tax Fund" which is hereby created to provide payments for in-home services provided under chapter 208, RSMo. All investment earnings of the fund shall be credited to the fund.

If any in-home services provider fails to pay its in-home services tax within thirty days of such notice, the in-home services tax shall be delinquent.

2. If any tax imposed under sections 660.425 to 660.465 is unpaid and delinquent, the department of social services may proceed to enforce the state's lien against the property of the in-home services provider and compel the payment of such assessment in the circuit court having jurisdiction in the county where the in-home services provider is located. In addition, the department of social services may cancel or refuse to issue, extend, or reinstate a Medicaid provider agreement to any in-home services provider that fails to pay the tax imposed by section 660.425.

3. Failure to pay the tax imposed under section 660.425 shall be grounds for failure to renew a provider agreement for services under chapter 208, RSMo, or failure to renew a provider contract. The department of social services may revoke the provider agreement of any in-home services provider that fails to pay such tax, or notify the department of health and senior services to revoke the provider contract.

Unless a claimant requests and is granted an extension of time by the **[**division**]** **department**, the **[**division**]** **department** shall reject with prejudice the claim of the claimant for failure to file the additional information or materials within the specified time.

6. The claimant, victim or dependent shall cooperate with law enforcement officials in the apprehension and prosecution of the offender in order to be eligible, or the **[**division**]** **department** has found that the failure to cooperate was for good cause.

2. An offender or an accomplice of an offender shall in no case be eligible to receive compensation with respect to a crime committed by the offender. No victim or dependent shall be denied compensation solely because he is a relative of the offender or was living with the offender as a family or household member at the time of the injury or death. However, the **[**division**]** **department** may award compensation to a victim or dependent who is a relative, family or household member of the offender only if the **[**division**]** **department** can reasonably determine the offender will receive no substantial economic benefit or unjust enrichment from the compensation.

3. No compensation of any kind may be made to a victim or intervenor injured while confined in any federal, state, county, or municipal jail, prison or other correctional facility, including house arrest **or electronic monitoring**.

4. 5. In the case of a claimant who is not otherwise ineligible pursuant to subsection 4 of this section, who is incarcerated as a result of a conviction of a crime not related to the incident upon which the claim is based at the time of application, or at any time following the filing of the application:

(1) The **[**division**]** **department** shall suspend all proceedings and payments until such time as the claimant is released from incarceration;

(2) The **[**division**]** **department** shall notify the applicant at the time the proceedings are suspended of the right to reactivate the claim within six months of release from incarceration. The notice shall be deemed sufficient if mailed to the applicant at the applicant's last known address;

(3) The claimant shall file an application to request that the case be reactivated not later than six months after the date the claimant is released from incarceration. Failure to file such request within the six-month period shall serve as a bar to any recovery.

6. Victims of crime who are not residents of the state of Missouri may be compensated only when federal funds are available for that purpose. Compensation for nonresident victims shall terminate when federal funds for that purpose are no longer available.

7. A Missouri resident who suffers personal physical injury or, in the case of death, a dependent of the victim or any member of the family who legally assumes the obligation, or who pays the medical or burial expenses incurred as a direct result thereof, in another state, possession or territory of the United States may make application for compensation in Missouri if:

(1) The victim of the crime would be compensated if the crime had occurred in the state of Missouri;

(2) The place that the crime occurred is a state, possession or territory of the United States, or location outside of the United States that is covered and defined in 18 U.S.C. section 2331, that does not have a crime victims' compensation program for which the victim is eligible and

2. A claim shall be filed not later than two years after the occurrence of the crime or the discovery of the crime upon which it is based.

3. Each claim shall be filed in person or by mail. The **[**division of workers' compensation**]** **department of public safety** shall investigate such claim, prior to the opening of formal proceedings. The claimant shall be notified of the date and time of any hearing on such claim. In determining the amount of compensation for which a claimant is eligible, the **[**division**]** **department** shall consider the facts stated on the application filed pursuant to section 595.015, and:

(1) Need not consider whether or not the alleged assailant has been apprehended or brought to trial or the result of any criminal proceedings against that person; however, if any person is convicted of the crime which is the basis for an application for compensation, proof of the conviction shall be conclusive evidence that the crime was committed;

(2) Shall determine the amount of the loss to the claimant, or the victim's survivors or dependents;

(3) Shall determine the degree or extent to which the victim's acts or conduct provoked, incited, or contributed to the injuries or death of the victim.

4. The claimant may present evidence and testimony on his own behalf or may retain counsel. The **[**division of workers' compensation**]** **department of public safety** may, as part of any award entered under sections 595.010 to 595.075, determine and allow reasonable attorney's fees, which shall not exceed fifteen percent of the amount awarded as compensation under sections 595.010 to 595.075, which fee shall be paid out of, but not in addition to, the amount of compensation, to the attorney representing the claimant. No attorney for the claimant shall ask for, contract for or receive any larger sum than the amount so allowed.

5. The person filing a claim shall, prior to any hearing thereon, submit reports, if available, from all hospitals, physicians or surgeons who treated or examined the victim for the injury for which compensation is sought. If, in the opinion of the **[**division of workers' compensation**]** **department of public safety**, an examination of the injured victim and a report thereon, or a report on the cause of death of the victim, would be of material aid, the **[**division of workers' compensation**]** **department of public safety** may appoint a duly qualified, impartial physician to make such examination and report.

6. Each and every payment shall be exempt from attachment, garnishment or any other remedy available to creditors for the collection of a debt.

7. Payments of compensation shall not be made directly to any person legally incompetent to receive them but shall be made to the parent, guardian or conservator for the benefit of such minor, disabled or incapacitated person.

595.030. COMPENSATION, OUT-OF-POCKET LOSS REQUIREMENT, MAXIMUM AMOUNT FOR COUNSELING EXPENSES — AWARD, COMPUTATION — MEDICAL CARE, REQUIREMENTS — COUNSELING, REQUIREMENTS — MAXIMUM AWARD — JOINT CLAIMANTS, DISTRIBUTION — METHOD, TIMING OF PAYMENT DETERMINED BY DEPARTMENT. — 1. No compensation shall be paid unless the claimant has incurred an out-of-pocket loss of at least fifty dollars or has lost two continuous weeks of earnings or support from gainful employment. "Out-of-pocket

loss" shall mean unreimbursed or unreimbursable expenses or indebtedness reasonably incurred:

(1) For medical care or other services, including psychiatric, psychological or counseling expenses, necessary as a result of the crime upon which the claim is based, except that the amount paid for psychiatric, psychological or counseling expenses per eligible claim shall not exceed two thousand five hundred dollars; or

(2) As a result of personal property being seized in an investigation by law enforcement. Compensation paid for an out-of-pocket loss under this subdivision shall be in an amount equal to the loss sustained, but shall not exceed two hundred fifty dollars.

2. No compensation shall be paid unless the **[**division of workers' compensation**]** **department of public safety** finds that a crime was committed, that such crime directly resulted in personal physical injury to, or the death of, the victim, and that police records show that such crime was promptly reported to the proper authorities. In no case may compensation be paid if the police records show that such report was made more than forty-eight hours after the occurrence of such crime, unless the **[**division of workers' compensation**]** **department of public safety** finds that the report to the police was delayed for good cause. If the victim is under eighteen years of age such report may be made by the victim's parent, guardian or custodian; by a physician, a nurse, or hospital emergency room personnel; by the division of family services personnel; or by any other member of the victim's family. In the case of a sexual offense, filing a report of the offense to the proper authorities may include, but not be limited to, the filing of the report of the forensic examination by the appropriate medical provider, as defined in section **[**191.225, RSMo**]** **595.220**, with the prosecuting attorney of the county in which the alleged incident occurred.

3. No compensation shall be paid for medical care if the service provider is not a medical provider as that term is defined in section 595.027, and the individual providing the medical care is not licensed by the state of Missouri or the state in which the medical care is provided.

4. No compensation shall be paid for psychiatric treatment or other counseling services, including psychotherapy, unless the service provider is a:

(1) Physician licensed pursuant to chapter 334, RSMo, or licensed to practice medicine in the state in which the service is provided;

(2) Psychologist licensed pursuant to chapter 337, RSMo, or licensed to practice psychology in the state in which the service is provided;

(3) Clinical social worker licensed pursuant to chapter 337, RSMo; or

(4) Professional counselor licensed pursuant to chapter 337, RSMo.

5. Any compensation paid pursuant to sections 595.010 to 595.075 for death or personal injury shall be in an amount not exceeding out-of-pocket loss, together with loss of earnings or support from gainful employment, not to exceed two hundred dollars per week, resulting from such injury or death. In the event of death of the victim, an award may be made for reasonable and necessary expenses actually incurred for preparation and burial not to exceed five thousand dollars.

6. Any compensation for loss of earnings or support from gainful employment shall be in an amount equal to the actual loss sustained not to exceed two hundred dollars per week; provided, however, that no award pursuant to sections 595.010 to 595.075 shall exceed twenty-five thousand dollars. If two or more persons are entitled to compensation as a result of the death of a person which is the direct result of a crime or in the case of a sexual assault, the compensation shall be apportioned by the **[**division of workers' compensation**]** **department of public safety** among the claimants in proportion to their loss.

7. The method and timing of the payment of any compensation pursuant to sections 595.010 to 595.075 shall be determined by the **[**division**]** **department**.

595.035. AWARD STANDARDS TO BE ESTABLISHED — AMOUNT OF AWARD, FACTORS TO BE CONSIDERED — PURPOSE OF FUND, REDUCTION FOR OTHER COMPENSATION

RECEIVED BY VICTIM, EXCEPTIONS — TIME LIMITATION. — 1. For the purpose of determining the amount of compensation payable pursuant to sections 595.010 to 595.075, the **[**division of workers' compensation**]** **department of public safety** shall, insofar as practicable, formulate standards for the uniform application of sections 595.010 to 595.075, taking into consideration the provisions of sections 595.010 to 595.075, the rates and amounts of compensation payable for injuries and death pursuant to other laws of this state and of the United States, excluding pain and suffering, and the availability of funds appropriated for the purpose of sections 595.010 to 595.075. All decisions of the **[**division of workers' compensation**]** **department of public safety** on claims **[**heard**]** pursuant to sections 595.010 to 595.075 shall be in writing, setting forth the name of the claimant, the amount of compensation and the reasons for the decision. The **[**division of workers' compensation**]** **department of public safety** shall immediately notify the claimant in writing of the decision and shall forward to the state treasurer a certified copy of the decision and a warrant for the amount of the claim. The state treasurer, upon certification by the commissioner of administration, shall, if there are sufficient funds in the crime victims' compensation fund, pay to or on behalf of the claimant the amount determined by the **[**division**]** **department**.

2. The crime victims' compensation fund is not a state health program and is not intended to be used as a primary payor to other health care assistance programs, but is a public, quasi-charitable fund whose fundamental purpose is to assist victims of violent crimes through a period of financial hardship, as a payor of last resort. Accordingly, any compensation paid pursuant to sections 595.010 to 595.075 shall be reduced by the amount of any payments, benefits or awards received or to be received as a result of the injury or death:

(1) From or on behalf of the offender;

(2) Under private or public insurance programs, including champus, Medicare, Medicaid and other state or federal programs, but not including any life insurance proceeds; or

(3) From any other public or private funds, including an award payable pursuant to the workers' compensation laws of this state.

3. In determining the amount of compensation payable, the **[**division of workers' compensation**]** **department of public safety** shall determine whether, because of the victim's consent, provocation, incitement or negligence, the victim contributed to the infliction of the victim's injury or death, and shall reduce the amount of the compensation or deny the claim altogether, in accordance with such determination; provided, however, that the **[**division of workers' compensation**]** **department of public safety** may disregard the responsibility of the victim for his or her own injury where such responsibility was attributable to efforts by the victim to aid a victim, or to prevent a crime or an attempted crime from occurring in his or her presence, or to apprehend a person who had committed a crime in his or her presence or had in fact committed a felony.

4. In determining the amount of compensation payable pursuant to sections 595.010 to **[**595.070**]** **595.075**, monthly Social Security disability or retirement benefits received by the victim shall not be considered by the **[**division**]** **department** as a factor for reduction of benefits.

5. The **[**division**]** **department** shall not be liable for payment of compensation for any out-of-pocket expenses incurred more than three years following the date of the occurrence of the crime upon which the claim is based.

595.037. OPEN RECORDS, EXCEPTIONS — DEPARTMENT OR DIVISION ORDER TO CLOSE RECORDS. — 1. All information submitted to the **department or** division **of workers' compensation** and any hearing of the division **of workers' compensation** on a claim filed pursuant to sections 595.010 to **[**595.070**]** **595.075** shall be open to the public except for the following claims which shall be deemed closed and confidential:

(1) A claim in which the alleged assailant has not been brought to trial and disclosure of the information or a public hearing would adversely affect either the apprehension, or the trial, of the alleged assailant;

(2) A claim in which the offense allegedly perpetrated against the victim is rape, sodomy or sexual abuse and it is determined by the **department or** division **of workers' compensation** to be in the best interest of the victim or of the victim's dependents that the information be kept confidential or that the public be excluded from the hearing;

(3) A claim in which the victim or alleged assailant is a minor; or

(4) A claim in which any record or report obtained by the **department or** division **of workers' compensation**, the confidentiality of which is protected by any other law, shall remain confidential subject to such law.

2. The **department and** division **of workers' compensation**, by separate order, may close any record, report or hearing if it determines that the interest of justice would be frustrated rather than furthered if such record or report was disclosed or if the hearing was open to the public.

595.040. SUBROGATION, STATE'S RIGHT, WHEN — ATTORNEY GENERAL TO BRING ACTION — LIEN FOR INJURIES, PROCEEDING BY CLAIMANT TO RECOVER DAMAGES, DEPARTMENT MAY INTERVENE — DEPARTMENT MAY RECEIVE RESTITUTION. — 1. Acceptance of any compensation under sections 595.010 to 595.075 shall subrogate this state, to the extent of such compensation paid, to any right or right of action accruing to the claimant or to the victim to recover payments on account of losses resulting from the crime with respect to which the compensation has been paid. The attorney general may enforce the subrogation, and he shall bring suit to recover from any person to whom compensation is paid, to the extent of the compensation actually paid under sections 595.010 to 595.075, any amount received by the claimant from any source exceeding the actual loss to the victim.

2. The **[**division**]** **department** shall have a lien on any compensation received by the claimant, in addition to compensation received under provisions of sections 595.010 to 595.075, for injuries or death resulting from the incident upon which the claim is based. The claimant shall retain, as trustee for the **[**division**]** **department**, so much of the recovered funds as necessary to reimburse the Missouri crime victims' compensation fund to the extent that compensation was awarded to the claimant from that fund.

3. If a claimant initiates any legal proceeding to recover restitution or damages related to the crime upon which the claim is based, or if the claimant enters into negotiations to receive any proceeds in settlement of a claim for restitution or damages related to the crime, the claimant shall give the **[**division**]** **department** written notice within fifteen days of the filing of the action or entering into negotiations. The **[**division**]** **department** may intervene in the proceeding of a complainant to recover the compensation awarded. If a claimant fails to give such written notice to the **[**division**]** **department** within the stated time period, or prior to any attempt by claimant to reach a negotiated settlement of claims for recovery of damages related to the crime upon which the claim is based, the **[**division's**]** **department's** right of subrogation to receive or recover funds from claimant, to the extent that compensation was awarded by the **[**division**]** **department**, shall not be reduced in any amount or percentage by the costs incurred by claimant attributable to such legal proceedings or settlement, including, but not limited to, attorney's fees, investigative cost or cost of court. If such notice is given, attorney fees may be awarded in an amount not to exceed fifteen percent of the amount subrogated to the **[**division**]** **department**.

4. Whenever compensation is awarded to a claimant who is entitled to restitution from a criminal defendant, the **[**division**]** **department** may initiate restitution hearings in such criminal proceedings or intervene in the same. The **[**division**]** **department** shall be entitled to receive restitution in such proceedings to the extent compensation was awarded; provided, however, the **[**division**]** **department** shall be exempt from the payment of any fees or other charges for the recording of restitution orders in the offices of the judges of probate. The claimant shall notify this **[**division**]** **department** when restitution is ordered. Failure to notify the **[**division**]** **department** will result in possible forfeiture of any amount already received from the **[**division**]** **department**.

5. Whenever the **[**division**]** **department** shall deem it necessary to protect, maintain or enforce the **[**division's**]** **department's** right to subrogation or to exercise any of its powers or to carry out any of its duties or responsibilities, the attorney general may initiate legal proceedings or intervene in legal proceedings as the **[**division's**]** **department's** legal representative.

595.045. FUNDING — COSTS FOR CERTAIN VIOLATIONS, AMOUNT, DISTRIBUTION OF FUNDS, AUDIT — JUDGMENTS IN CERTAIN CASES, AMOUNT — FAILURE TO PAY, EFFECT, NOTICE — COURT COST DEDUCTED — INSUFFICIENT FUNDS TO PAY CLAIMS, PROCEDURE — INTEREST EARNED, DISPOSITION. — 1. There is established in the state treasury the "Crime Victims' Compensation Fund". A surcharge of seven dollars and fifty cents shall be assessed as costs in each court proceeding filed in any court in the state in all criminal cases including violations of any county ordinance or any violation of criminal or traffic laws of the state, including an infraction and violation of a municipal ordinance; except that no such fee shall be collected in any proceeding in any court when the proceeding or the defendant has been dismissed by the court or when costs are to be paid by the state, county, or municipality. A surcharge of seven dollars and fifty cents shall be assessed as costs in a juvenile court proceeding in which a child is found by the court to come within the applicable provisions of subdivision (3) of subsection 1 of section 211.031, RSMo.

2. Notwithstanding any other provision of law to the contrary, the moneys collected by clerks of the courts pursuant to the provisions of subsection 1 of this section shall be collected and disbursed in accordance with sections 488.010 to 488.020, RSMo, and shall be payable to the director of the department of revenue.

3. The director of revenue shall deposit annually the amount of two hundred fifty thousand dollars to the state forensic laboratory account administered by the department of public safety to provide financial assistance to defray expenses of crime laboratories if such analytical laboratories are registered with the federal Drug Enforcement Agency or the Missouri department of health and senior services. Subject to appropriations made therefor, such funds shall be distributed by the department of public safety to the crime laboratories serving the courts of this state making analysis of a controlled substance or analysis of blood, breath or urine in relation to a court proceeding.

4. The remaining funds collected under subsection 1 of this section shall be denoted to the payment of an annual appropriation for the administrative and operational costs of the office for victims of crime and, if a statewide automated crime victim notification system is established pursuant to section 650.310, RSMo, to the monthly payment of expenditures actually incurred in the operation of such system. Additional remaining funds shall be subject to the following provisions:

(1) On the first of every month, the director of revenue or the director's designee shall determine the balance of the funds in the crime victims' compensation fund available to satisfy the amount of compensation payable pursuant to sections 595.010 to 595.075, excluding sections 595.050 and 595.055;

(2) Beginning on September 1, 2004, and on the first of each month, the director of revenue or the director's designee shall deposit fifty percent of the balance of funds available to the credit of the crime victims' compensation fund and fifty percent to the services to victims' fund established in section 595.100.

5. The director of revenue or such director's designee shall at least monthly report the moneys paid pursuant to this section into the crime victims' compensation fund and the services to victims fund to the **[**division of workers' compensation and the**]** department of public safety**[**, respectively**]**.

6. The moneys collected by clerks of municipal courts pursuant to subsection 1 of this section shall be collected and disbursed as provided by sections 488.010 to 488.020, RSMo. Five percent of such moneys shall be payable to the city treasury of the city from which such funds were collected. The remaining ninety-five percent of such moneys shall be payable to the

director of revenue. The funds received by the director of revenue pursuant to this subsection shall be distributed as follows:

(1) On the first of every month, the director of revenue or the director's designee shall determine the balance of the funds in the crime victims' compensation fund available to satisfy the amount of compensation payable pursuant to sections 595.010 to 595.075, excluding sections 595.050 and 595.055;

(2) Beginning on September 1, 2004, and on the first of each month the director of revenue or the director's designee shall deposit fifty percent of the balance of funds available to the credit of the crime victims' compensation fund and fifty percent to the services to victims' fund established in section 595.100.

7. These funds shall be subject to a biennial audit by the Missouri state auditor. Such audit shall include all records associated with crime victims' compensation funds collected, held or disbursed by any state agency.

8. In addition to the moneys collected pursuant to subsection 1 of this section, the court shall enter a judgment in favor of the state of Missouri, payable to the crime victims' compensation fund, of sixty-eight dollars upon a plea of guilty or a finding of guilt for a class A or B felony; forty-six dollars upon a plea of guilty or finding of guilt for a class C or D felony; and ten dollars upon a plea of guilty or a finding of guilt for any misdemeanor under Missouri law except for those in chapter 252, RSMo, relating to fish and game, chapter 302, RSMo, relating to drivers' and commercial drivers' license, chapter 303, RSMo, relating to motor vehicle financial responsibility, chapter 304, RSMo, relating to traffic regulations, chapter 306, RSMo, relating to watercraft regulation and licensing, and chapter 307, RSMo, relating to vehicle equipment regulations. Any clerk of the court receiving moneys pursuant to such judgments shall collect and disburse such crime victims' compensation judgments in the manner provided by sections 488.010 to 488.020, RSMo. Such funds shall be payable to the state treasury and deposited to the credit of the crime victims' compensation fund.

9. The clerk of the court processing such funds shall maintain records of all dispositions described in subsection 1 of this section and all dispositions where a judgment has been entered against a defendant in favor of the state of Missouri in accordance with this section; all payments made on judgments for alcohol-related traffic offenses; and any judgment or portion of a judgment entered but not collected. These records shall be subject to audit by the state auditor. The clerk of each court transmitting such funds shall report separately the amount of dollars collected on judgments entered for alcohol-related traffic offenses from other crime victims' compensation collections or services to victims collections.

10. The department of revenue shall maintain records of funds transmitted to the crime victims' compensation fund by each reporting court and collections pursuant to subsection 16 of this section and shall maintain separate records of collection for alcohol-related offenses.

11. The state courts administrator shall include in the annual report required by section 476.350, RSMo, the circuit court caseloads and the number of crime victims' compensation judgments entered.

12. All awards made to injured victims under sections 595.010 to 595.105 and all appropriations for administration of sections 595.010 to 595.105, except sections 595.050 and 595.055, shall be made from the crime victims' compensation fund. Any unexpended balance remaining in the crime victims' compensation fund at the end of each biennium shall not be subject to the provision of section 33.080, RSMo, requiring the transfer of such unexpended balance to the ordinary revenue fund of the state, but shall remain in the crime victims' compensation fund. In the event that there are insufficient funds in the crime victims' compensation fund to pay all claims in full, all claims shall be paid on a pro rata basis. If there are no funds in the crime victims' compensation fund, then no claim shall be paid until funds have again accumulated in the crime victims' compensation fund. When sufficient funds become available from the fund, awards which have not been paid shall be paid in chronological order with the oldest paid first. In the event an award was to be paid in installments and some

remaining installments have not been paid due to a lack of funds, then when funds do become available that award shall be paid in full. All such awards on which installments remain due shall be paid in full in chronological order before any other postdated award shall be paid. Any award pursuant to this subsection is specifically not a claim against the state, if it cannot be paid due to a lack of funds in the crime victims' compensation fund.

13. When judgment is entered against a defendant as provided in this section and such sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the state of Missouri to such defendant an amount equal to the unpaid amount of such judgment. Such amount shall be paid forthwith to the crime victims' compensation fund and satisfaction of such judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for such judgment. The director of the department of corrections shall have the authority to pay into the crime victims' compensation fund from an offender's compensation or account the amount owed by the offender to the crime victims' compensation fund, provided that the offender has failed to pay the amount owed to the fund prior to entering a correctional facility of the department of corrections.

14. All interest earned as a result of investing funds in the crime victims' compensation fund shall be paid into the crime victims' compensation fund and not into the general revenue of this state.

15. Any person who knowingly makes a fraudulent claim or false statement in connection with any claim hereunder is guilty of a class A misdemeanor.

16. **[**Any gifts, contributions, grants or federal funds specifically given to the division for the benefit of victims of crime shall be credited to the crime victims' compensation fund. Payment or expenditure of moneys in such funds shall comply with any applicable federal crime victims' compensation laws, rules, regulations or other applicable federal guidelines**] The department may receive gifts and contributions for the benefit of crime victims. Such gifts and contributions shall be credited to the crime victims' compensation fund as used solely for compensating victims under the provisions of sections 595.010 to 595.075**.

595.060. RULES, AUTHORITY — PROCEDURE. — The director shall promulgate rules and regulations necessary to implement the provisions of sections 595.010 to **[**595.070**] 595.220** as provided in this section and chapter 536, RSMo. In the performance of its functions under **[**sections 595.010 to 595.070**] section 595.036**, the division **of workers' compensation** is authorized to promulgate rules pursuant to chapter 536, RSMo, prescribing the procedures to be followed in the **[**filing of applications and the**]** proceedings under **[**sections 595.010 to 595.070**] section 595.036**. **[**No rule or portion of a rule promulgated under the authority of this chapter shall become effective unless it has been promulgated pursuant to the provisions of section 536.024, RSMo.**] Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.**

The provisions of this subdivision shall apply only to proceedings involving the particular case to which the person is a victim or witness;

(17) For victims and witnesses, to be provided by the court, a secure waiting area during court proceedings and to receive notification of the date, time and location of any hearing conducted by the court for reconsideration of any sentence imposed, modification of such sentence or recall and release of any defendant from incarceration**;**

(18) For victims, the right to receive upon request from the department of corrections a photograph taken of the defendant prior to release from incarceration.

Allows motor vehicle dealers, boat dealers, and powersport dealers to charge administrative fees associated with the sale or lease of certain vehicles and vessels under certain conditions

AN ACT to amend chapter 301, RSMo, by adding thereto one new section relating to certain administrative fees associated with the sale of motor vehicles, vessels, and other types of vehicles.

SECTION
A. Enacting clause.
301.558. Dealer may fill in blanks on standardized forms, when — fee authorized — preliminary worksheet on computation of sale price, requirements.

Be it enacted by the General Assembly of the State of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Chapter 301, RSMo, is amended by adding thereto one new section, to be known as section 301.558, to read as follows:

301.558. DEALER MAY FILL IN BLANKS ON STANDARDIZED FORMS, WHEN — FEE AUTHORIZED — PRELIMINARY WORKSHEET ON COMPUTATION OF SALE PRICE, REQUIREMENTS. — 1. A motor vehicle dealer, boat dealer, or powersport dealer may fill in the blanks on standardized forms in connection with the sale or lease of a new or used motor vehicle, vessel, or vessel trailer if the motor vehicle dealer, boat dealer, or powersport dealer does not charge for the services of filling in the blanks or otherwise charge for preparing documents.

2. A motor vehicle dealer, boat dealer, or powersport dealer may charge an administrative fee in connection with the sale or lease of a new or used motor vehicle, vessel, or vessel trailer for the storage of documents or any other administrative or clerical services not prohibited by this section. A portion of the administrative fee may result in profit to the motor vehicle dealer, boat dealer, or powersport dealer.

3. No motor vehicle dealer, boat dealer, or powersport dealer that sells or leases new or used motor vehicles, vessels, or vessel trailers and imposes an administrative fee of less than two hundred dollars in connection with the sale or lease of a new or used vehicle, vessel, or vessel trailer for the storage of documents or any other administrative or clerical services shall be deemed to be engaging in the unauthorized practice of law.

4. If an administrative fee is charged under this section, the administrative fee shall be charged to all retail customers and disclosed on the retail buyer's order form as a separate itemized charge.

5. A preliminary worksheet on which a sale price is computed and that is shown to the purchaser, a retail buyer's order form from the purchaser, or a retail installment contract shall include, in reasonable proximity to the place on the document where the administrative fee authorized by this section is disclosed, the amount of the administrative fee and the following notice in type that is bold-faced, capitalized, underlined, or otherwise conspicuously set out from the surrounding written material:

"AN ADMINISTRATIVE FEE IS NOT AN OFFICIAL FEE AND IS NOT REQUIRED BY LAW BUT MAY BE CHARGED BY A DEALER. THIS ADMINISTRATIVE FEE MAY RESULT IN A PROFIT TO DEALER. NO

PORTION OF THIS ADMINISTRATIVE FEE IS FOR THE DRAFTING, PREPARATION, OR COMPLETION OF DOCUMENTS OR THE PROVIDING OF LEGAL ADVICE. THIS NOTICE IS REQUIRED BY LAW."

6. The general assembly believes that an administrative fee charged in compliance with this section is not the unauthorized practice of law or the unauthorized business of law so long as the activity or service for which the fee is charged is in compliance with the provisions of this section and does not result in the waiver of any rights or remedies. Recognizing, however, that the judiciary is the sole arbitrator of what constitutes the practice of law, in the event that a court determines that an administrative fee charged in compliance with this section, and that does not waive any rights or remedies of the buyer, is the unauthorized practice of law or the unauthorized business of law, then no person who paid that administrative fee may recover said fee or treble damages, as permitted under section 484.020, RSMo, and no person who charged that fee shall be guilty of a misdemeanor, as provided under section 484.020, RSMo.

2. The commissioner of the office of administration may exempt any appliance from the requirements of subsection 1 of this section when the cost of compliance is expected to exceed the projected energy cost savings gained.

3. The provisions of this section shall expire on August 28, 2011.

386.120. OFFICE OF COMMISSION, HOURS — MEETINGS — OFFICIAL SEAL — EQUIPMENT, SUPPLIES — COMMISSIONERS TO RESIDE WHERE — SERVICE UPON COMMISSION, WHAT CONSTITUTES, HOW MADE. — 1. 2. The commission shall at all times, except Saturdays, Sundays and legal holidays, be open and in session for the transaction of business and the commissioners shall devote their entire time to the duties of their office.

3. The commission shall have an official seal bearing the following inscription: "Public Service Commission of the State of Missouri". The seal shall be affixed to all writs and authentications of copies of records and to such other instruments as the commission shall direct. All courts shall take judicial notice of such seal.

4. The commission may sue and be sued in its official name. The offices of said commission shall be supplied with all necessary books, maps, charts, stationery, office furniture, telephone and telegraph connections, and all other necessary appliances and incidentals, to be paid for in the same manner as other expenses authorized by this chapter.

393.1124. CITATION OF LAW — DEFINITIONS — POLICY TO VALUE DEMAND-SIDE INVESTMENTS EQUAL TO TRADITIONAL INVESTMENTS — DEVELOPMENT OF COST RECOVERY MECHANISMS — COSTS NOT TO BE ASSIGNED TO CUSTOMERS, WHEN — RULEMAKING AUTHORITY — ANNUAL REPORT. — 1. This section shall be known as the "Missouri Energy Efficiency Investment Act".

2. As used in this section, the following terms shall mean:

(1) "Commission", the Missouri public service commission;

(2) "Demand response", measures that decrease peak demand or shift demand to off-peak periods;

(3) "Demand-side program", any program conducted by the utility to modify the net consumption of electricity on the retail customer's side of the electric meter, including, but not limited to energy efficiency measures, load management, demand response, and interruptible or curtailable load;

(4) "Energy efficiency", measures that reduce the amount of electricity required to achieve a given end use;

(5) "Interruptible or curtailable rate", a rate under which a customer receives a reduced charge in exchange for agreeing to allow the utility to withdraw the supply of electricity under certain specified conditions;

(6) "Total resource cost test", a test that compares the sum of avoided utility costs and avoided probable environmental compliance costs to the sum of all incremental costs of end-use measures that are implemented due to the program, as defined by the commission in rules.

3. It shall be the policy of the state to value demand-side investments equal to traditional investments in supply and delivery infrastructure and allow recovery of all reasonable and prudent costs of delivering cost-effective demand-side programs. In support of this policy, the commission shall:

(1) Provide timely cost recovery for utilities;

(2) Ensure that utility financial incentives are aligned with helping customers use energy more efficiently and in a manner that sustains or enhances utility customers' incentives to use energy more efficiently; and

(3) Provide timely earnings opportunities associated with cost-effective measurable and verifiable efficiency savings.

4. The commission shall permit electric corporations to implement commission-approved demand-side programs proposed pursuant to this section with a goal of achieving all cost-effective demand-side savings. Recovery for such programs shall not be permitted unless the programs are approved by the commission, result in energy or demand savings and are beneficial to all customers in the customer class in which the programs are proposed, regardless of whether the programs are utilized by all customers. The commission shall consider the total resource cost test a preferred cost-effectiveness test. Programs targeted to low-income customers or general education campaigns do not need to meet a cost-effectiveness test, so long as the commission determines that the program or campaign is in the public interest. Nothing herein shall preclude the approval of demand-side programs that do not meet the test if the costs of the program above the level determined to be cost-effective are funded by the customers participating in the program or through tax or other governmental credits or incentives specifically designed for that purpose.

5. To comply with this section the commission may develop cost recovery mechanisms to further encourage investments in demand-side programs including, in combination and without limitation: capitalization of investments in and expenditures for demand-side programs, rate design modifications, accelerated depreciation on demand-side investments, and allowing the utility to retain a portion of the net benefits of a demand-side program for its shareholders. In setting rates the commission shall fairly apportion the costs and benefits of demand-side programs to each customer class except as provided for in subsection 6 of this section. Prior to approving a rate design modification associated with demand-side cost recovery, the commission shall conclude a docket studying the effects thereof and promulgate an appropriate rule.

6. The commission may reduce or exempt allocation of demand-side expenditures to low income classes, as defined in an appropriate rate proceeding, as a subclass of residential service.

7. Provided that the customer has notified the electric corporation that the customer elects not to participate in demand-side measures offered by an electrical corporation, none of the costs of demand-side measures of an electric corporation offered under this section or by any other authority, and no other charges implemented in accordance with this section, shall be assigned to any account of any customer, including its affiliates and subsidiaries, meeting one or more of the following criteria:

(1) The customer has one or more accounts within the service territory of the electrical corporation that has a demand of five thousand kilowatts or more;

(2) The customer operates an interstate pipeline pumping station, regardless of size; or

(3) The customer has accounts within the service territory of the electrical corporation that have, in aggregate, a demand of two thousand five hundred kilowatts or more, and the customer has a comprehensive demand-side or energy efficiency program and can demonstrate an achievement of savings at least equal to those expected from utility-provided programs.

8. Customers that have notified the electrical corporation that they do not wish to participate in demand-side programs under this section shall not subsequently be eligible to participate in demand-side programs except under guidelines established by the commission in rulemaking.

9. Customers who participate in demand-side programs initiated after August 1, 2009, shall be required to participate in program funding for a period of time to be established by the commission in rulemaking.

10. Customers electing not to participate in an electric corporation's demand-side programs under this section shall still be allowed to participate in interruptible or curtailable rate schedules or tariffs offered by the electric corporation.

11. The commission shall provide oversight and may adopt rules and procedures and approve corporation-specific settlements and tariff provisions, independent evaluation of demand-side programs, as necessary, to ensure that electric corporations can achieve the goals of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

12. Each electric corporation shall submit an annual report to the commission describing the demand-side programs implemented by the utility in the previous year. The report shall document program expenditures, including incentive payments, peak demand and energy savings impacts and the techniques used to estimate those impacts, avoided costs and the techniques used to estimate those costs, the estimated cost-effectiveness of the demand-side programs, and the net economic benefits of the demand-side programs.

13. Charges attributable to demand-side programs under this section shall be clearly shown as a separate line item on bills to the electrical corporation's customers.

14. (1) Any customer of an electrical corporation who has received a state tax credit under sections 135.350 to 135.362, RSMo, or under sections 253.545 to 253.561, RSMo, shall not be eligible for participation in any demand-side program offered by an electrical corporation under this section if such program offers a monetary incentive to the customer.

(2) As a condition of participation in any demand-side program offered by an electrical corporation under this section when such program offers a monetary incentive to the customer, the commission shall develop rules that require documentation to be provided by the customer to the electrical corporation to show that the customer has not received a tax credit listed in subdivision (1) of this subsection.

(3) The penalty for a customer who provides false documentation under subdivision (2) of this subsection shall be a class A misdemeanor.

15. The commission shall develop rules that provide for disclosure of participants in all demand-side programs offered by electrical corporations under this section when such programs provide monetary incentives to the customer. The disclosure required by this subsection may include, but not be limited to, the following: the name of the participant, or the names of the principles if for a company, the property address, and the amount of the monetary incentive received.

Any determination as to whether a person is a sexually violent predator may be appealed.

2. If the court or jury determines that the person is a sexually violent predator, the person shall be committed to the custody of the director of the department of mental health for control, care and treatment until such time as the person's mental abnormality has so changed that the person is safe to be at large. Such control, care and treatment shall be provided by the department of mental health.

429.609. Broker's lien attaches to commercial real estate when, notice to be filed in office of recorder, when — installment payments of compensation, notice recorded when — lease, claim for lien filed when.

Be it enacted by the General Assembly of the State of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Section 429.609, RSMo, is repealed and two new sections enacted in lieu thereof, to be known as sections 67.281 and 429.609, to read as follows:

67.281. INSTALLATION OF FIRE SPRINKLERS TO BE OFFERED TO PURCHASER BY BUILDER OF CERTAIN DWELLINGS — PURCHASER MAY DECLINE — EXPIRATION DATE. — On or before the date of entering into a purchase contract, any builder of single-family dwellings or residences or multifamily dwellings of four or fewer units shall offer to any purchaser the option to install or equip such dwellings or residences with a fire sprinkler system at the purchaser's cost. Notwithstanding any other provision of law to the contrary,

no code, order, ordinance, rule, regulation, or resolution adopted by any political subdivision shall be construed to deny any purchaser of any such dwelling or residence the option to choose or decline the installation or equipping of such dwelling or residence with a fire sprinkler system. Any code, order, ordinance, rule, regulation, or resolution adopted by any political subdivision shall include a provision requiring each builder to provide each purchaser of any such dwelling or residence with the option of purchasing a fire sprinkler system for such dwelling or residence. This section shall expire on December 31, 2011.

429.609. BROKER'S LIEN ATTACHES TO COMMERCIAL REAL ESTATE WHEN, NOTICE TO BE FILED IN OFFICE OF RECORDER, WHEN — INSTALLMENT PAYMENTS OF COMPENSATION, NOTICE RECORDED WHEN — LEASE, CLAIM FOR LIEN FILED WHEN. — A real estate broker's lien authorized by sections 429.600 to 429.627 attaches to the commercial real estate, or an interest in the commercial real estate, when:

(1) The real estate broker procures a person or entity ready, willing and able to purchase, lease or otherwise accept a conveyance of such property upon the terms set forth in the written agreement with the owner or terms otherwise acceptable to the owner or owner's agent, or the real estate broker is entitled to a fee or commission pursuant to a written agreement signed by the owner or the owner's agent; and

(2) The real estate broker records a notice of the lien in the office of the recorder of deeds of the county in which the real property, or any interest in the real property, is located, if such lien is filed prior to the actual conveyance or transfer of the commercial real estate subject to such real estate broker's lien, except that:

(a) If payment to a real estate broker is due in installments and a portion of the payment is due after the conveyance or transfer of the commercial real estate, any claim for a lien for installment payments due after the transfer or conveyance of such real estate may be recorded any time after the transfer or conveyance of the commercial real estate but must be recorded before the date on which the payment is due. Such lien shall only be effective as a lien against the commercial real estate to the extent moneys are still owed to the transferor by the transferee. A single claim for a lien recorded before the transfer or conveyance of the commercial real estate, claiming all moneys due under an installment payment agreement, is not valid or enforceable to the extent of the payments due after the transfer or conveyance. The lien attaches for purposes of this paragraph when the claim for lien is recorded;

(b) In the case of a lease, the claim for lien must be recorded within ninety days after the **[**tenant takes possession of the leased property**]** **date of occupancy or the date of rent commencement as stipulated in the lease, whichever is later**, unless written notice of the intention to sign the lease is personally served on the real estate broker entitled to claim a lien at least ten days before the date of the intended signing of the lease, then the claim for lien must be recorded before the date indicated for the signing of the lease. The lien attaches for purposes of this paragraph when the claim for lien is recorded; or

(c) If the real estate broker has a written agreement with a prospective buyer as provided in subsection 2 of section 429.605, then the lien attaches when the prospective buyer purchases or otherwise accepts a conveyance or transfer of the commercial real estate and records a notice of the lien within ninety days after the purchase or other conveyance or transfer to the buyer in the office of the recorder of deeds in the county in which the commercial real estate, or any interest in the commercial real estate, is located.

"Full-time equivalent average daily attendance of summer school students" shall be computed by dividing the total number of hours, except for physical education hours that do not count as credit toward graduation for students in grades nine, ten, eleven, and twelve, attended by all summer school pupils by the number of hours required in section 160.011, RSMo, in the school term. For purposes of determining average daily attendance under this subdivision, the term "resident pupil" shall include all children between the ages of five and twenty-one who are residents of the school district and who are attending kindergarten through grade twelve in such district. (4) "District's tax rate ceiling", the highest tax rate ceiling in effect subsequent to the 1980 tax year or any subsequent year. Such tax rate ceiling shall not contain any tax levy for debt service;

(5) "Dollar-value modifier", an index of the relative purchasing power of a dollar, calculated as one plus fifteen percent of the difference of the regional wage ratio minus one, provided that the dollar value modifier shall not be applied at a rate less than 1.0:

(a) "County wage per job", the total county wage and salary disbursements divided by the total county wage and salary employment for each county and the city of St. Louis as reported by the Bureau of Economic Analysis of the United States Department of Commerce for the fourth year preceding the payment year;

(b) "Regional wage per job":

b. The total Missouri wage and salary disbursements of the micropolitan area as defined by the Office of Management and Budget divided by the total Missouri micropolitan wage and salary employment for the micropolitan area for the county signified in the school district number, as reported by the Bureau of Economic Analysis of the United States Department of Commerce for the fourth year preceding the payment year, if a micropolitan area for such county has been established and recalculated upon every decennial census to incorporate counties that are newly added to the description of micropolitan areas; or

c. If a county is not part of a metropolitan or micropolitan area as established by the Office of Management and Budget, then the county wage per job, as defined in paragraph (a) of this subdivision, shall be used for the school district, as signified by the school district number;

(c) "Regional wage ratio", the ratio of the regional wage per job divided by the state median wage per job;

(d) "State median wage per job", the fifty-eighth highest county wage per job;

(6) "Free and reduced lunch pupil count", the number of pupils eligible for free and reduced lunch on the last Wednesday in January for the preceding school year who were enrolled as students of the district, as approved by the department in accordance with applicable federal regulations;

(7) "Free and reduced lunch threshold" shall be calculated by dividing the total free and reduced lunch pupil count of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, by the total average daily attendance of all included performance districts;

(8) "Limited English proficiency pupil count", the number in the preceding school year of pupils aged three through twenty-one enrolled or preparing to enroll in an elementary school or secondary school who were not born in the United States or whose native language is a language other than English or are Native American or Alaskan native, or a native resident of the outlying areas, and come from an environment where a language other than English has had a significant impact on such individuals' level of English language proficiency, or are migratory, whose native language is a language other than English, and who come from an environment where a language other than English is dominant; and have difficulties in speaking, reading, writing, or understanding the English language sufficient to deny such individuals the ability to meet the state's proficient level of achievement on state assessments described in Public Law 107-10, the ability to achieve successfully in classrooms where the language of instruction is English, or the opportunity to participate fully in society;

(9) "Limited English proficiency threshold" shall be calculated by dividing the total limited English proficiency pupil count of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, by the total average daily attendance of all included performance districts;

(10) "Local effort":

(a) For the fiscal year 2007 calculation, "local effort" shall be computed as the equalized assessed valuation of the property of a school district in calendar year 2004 divided by one hundred and multiplied by the performance levy less the percentage retained by the county assessor and collector plus one hundred percent of the amount received in fiscal year 2005 for school purposes from intangible taxes, fines, escheats, payments in lieu of taxes and receipts from state-assessed railroad and utility tax, one hundred percent of the amount received for school purposes pursuant to the merchants' and manufacturers' taxes under sections 150.010 to 150.370, RSMo, one hundred percent of the amounts received for school purposes from federal properties under sections 12.070 and 12.080, RSMo, except when such amounts are used in the calculation of federal impact aid pursuant to P.L. 81-874, fifty percent of Proposition C revenues received for school purposes from the school district trust fund under section 163.087, and one hundred percent of any local earnings or income taxes received by the district for school purposes. Under this paragraph, for a special district established under sections 162.815 to 162.940, RSMo, in a county with a charter form of government and with more than one million inhabitants, a tax levy of zero shall be utilized in lieu of the performance levy for the special school district;

(b) In every year subsequent to fiscal year 2007, "local effort" shall be the amount calculated under paragraph (a) of this subdivision plus any increase in the amount received for school purposes from fines. If a district's assessed valuation has decreased subsequent to the calculation outlined in paragraph (a) of this subdivision, the district's local effort shall be calculated using the district's current assessed valuation in lieu of the assessed valuation utilized in calculation outlined in paragraph (a) of this subdivision;

(11) "Membership" shall be the average of:

(a) The number of resident full-time students and the full-time equivalent number of part-time students who were enrolled in the public schools of the district on the last Wednesday in

September of the previous year and who were in attendance one day or more during the preceding ten school days; and

(b) The number of resident full-time students and the full-time equivalent number of part-time students who were enrolled in the public schools of the district on the last Wednesday in January of the previous year and who were in attendance one day or more during the preceding ten school days, plus the full-time equivalent number of summer school pupils. "Full-time equivalent number of part-time students" is determined by dividing the total number of hours for which all part-time students are enrolled by the number of hours in the school term. "Full-time equivalent number of summer school pupils" is determined by dividing the total number of hours for which all summer school pupils were enrolled by the number of hours required pursuant to section 160.011, RSMo, in the school term. Only students eligible to be counted for average daily attendance shall be counted for membership;

(12) "Operating levy for school purposes", the sum of tax rates levied for teachers' and incidental funds plus the operating levy or sales tax equivalent pursuant to section 162.1100, RSMo, of any transitional school district containing the school district, in the payment year, not including any equalized operating levy for school purposes levied by a special school district in which the district is located;

(13) "Performance district", any district that has met all performance standards and indicators as established by the department of elementary and secondary education for purposes of accreditation under section 161.092, RSMo, and as reported on the final annual performance report for that district each year;

(14) "Performance levy", three dollars and forty-three cents;

(15) "School purposes" pertains to teachers' and incidental funds;

(16) "Special education pupil count", the number of public school students with a current individualized education program and receiving services from the resident district as of December first of the preceding school year, except for special education services provided through a school district established under sections 162.815 to 162.940, RSMo, in a county with a charter form of government and with more than one million inhabitants, in which case the sum of the students in each district within the county exceeding the special education threshold of each respective district within the county shall be counted within the special district and not in the district of residence for purposes of distributing the state aid derived from the special education pupil count;

(17) "Special education threshold" shall be calculated by dividing the total special education pupil count of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, by the total average daily attendance of all included performance districts;

(18) "State adequacy target", the sum of the current operating expenditures of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, divided by the total average daily attendance of all included performance districts plus the total amount of funds placed in the schools first elementary and secondary education improvement fund in the preceding fiscal year divided by the total average daily attendance of all school districts for the preceding fiscal year. The department of elementary and secondary education shall first calculate the state adequacy target for fiscal year 2007 and recalculate the state adequacy target every two years using the most current available data**;** provided that the state adequacy target shall be recalculated every year to reflect the per pupil amount of funds placed in the schools first elementary and secondary education improvement fund in the preceding fiscal year. The recalculation shall never result in a decrease from the previous state adequacy target amount. Should a recalculation result in an increase in the state adequacy target amount, fifty percent of that increase shall be included in the state adequacy target amount in the year of recalculation, and fifty percent of that increase

shall be included in the state adequacy target amount in the subsequent year. The state adequacy target may be adjusted to accommodate available appropriations;

(19) "Teacher", any teacher, teacher-secretary, substitute teacher, supervisor, principal, supervising principal, superintendent or assistant superintendent, school nurse, social worker, counselor or librarian who shall, regularly, teach or be employed for no higher than grade twelve more than one-half time in the public schools and who is certified under the laws governing the certification of teachers in Missouri;

(20) "Weighted average daily attendance", the average daily attendance plus the product of twenty-five hundredths multiplied by the free and reduced lunch pupil count that exceeds the free and reduced lunch threshold, plus the product of seventy-five hundredths multiplied by the number of special education pupil count that exceeds the special education threshold, and plus the product of six-tenths multiplied by the number of limited English proficiency pupil count that exceeds the limited English proficiency threshold. For special districts established under sections 162.815 to 162.940, RSMo, in a county with a charter form of government and with more than one million inhabitants, weighted average daily attendance shall be the average daily attendance plus the product of twenty-five hundredths multiplied by the free and reduced lunch pupil count that exceeds the free and reduced lunch threshold, plus the product of seventy-five hundredths multiplied by the sum of the special education pupil count that exceeds the threshold for each county district, plus the product of six-tenths multiplied by the limited English proficiency pupil count that exceeds the limited English proficiency threshold. None of the districts comprising a special district established under sections 162.815 to 162.940, RSMo, in a county with a charter form of government and with more than one million inhabitants, shall use any special education pupil count in calculating their weighted average daily attendance.

313.805. POWERS OF COMMISSION — BOATS TO CRUISE, EXCEPTIONS. — The commission shall have full jurisdiction over and shall supervise all gambling operations governed by sections 313.800 to 313.850. The commission shall have the following powers and shall promulgate rules and regulations to implement sections 313.800 to 313.850:

(1) To investigate applicants and determine the priority and eligibility of applicants for a license and to select among competing applicants for a license the applicant which best serves the interests of the citizens of Missouri;

(2) To license the operators of excursion gambling boats and operators of gambling games within such boats, to identify occupations within the excursion gambling boat operations which require licensing, and adopt standards for licensing the occupations including establishing fees for the occupational licenses and to license suppliers;

(3) To adopt standards under which all excursion gambling boat operations shall be held and standards for the facilities within which the gambling operations are to be held. Notwithstanding the provisions of chapter 311, RSMo, to the contrary, the commission may authorize the operation of gambling games on an excursion gambling boat which is also licensed to sell or serve alcoholic beverages, wine, or beer. The commission shall regulate the wagering structure for gambling excursions [including providing a maximum loss of five hundred dollars per individual player per gambling excursion], <u>provided that the commission shall not establish any regulations or policies that limit the amount of wagers, losses, or buy in amounts</u>.

(4) To enter the premises of excursion gambling boats, facilities, or other places of business of a licensee within this state to determine compliance with sections 313.800 to 313.850;

(5) To investigate alleged violations of sections 313.800 to 313.850 or the commission rules, orders, or final decisions;

(6) To assess any appropriate administrative penalty against a licensee, including, but not limited to, suspension, revocation, and penalties of an amount as determined by the commission up to three times the highest daily amount of gross receipts derived from wagering on the gambling games, whether unauthorized or authorized, conducted during the previous twelve months as well as confiscation and forfeiture of all gambling game equipment used in the conduct of

unauthorized gambling games. Forfeitures pursuant to this section shall be enforced as provided in sections 513.600 to 513.645, RSMo;
(7) To require a licensee, an employee of a licensee or holder of an occupational license to remove a person violating a provision of sections 313.800 to 313.850 or the commission rules, orders, or final orders, or other person deemed to be undesirable from the excursion gambling boat or adjacent facilities;
(8) To require the removal from the premises of a licensee, an employee of a licensee, or a holder of an occupational license for a violation of sections 313.800 to 313.850 or a commission rule or engaging in a fraudulent practice;
(9) To require all licensees to file all financial reports required by rules and regulations of the commission;
(10) To issue subpoenas for the attendance of witnesses and subpoenas duces tecum for the production of books, records, and other pertinent documents, and to administer oaths and affirmations to the witnesses, when, in the judgment of the commission, it is necessary to enforce sections 313.800 to 313.850 or the commission rules;
(11) To keep accurate and complete records of its proceedings and to certify the records as may be appropriate;
(12) To ensure that the gambling games are conducted fairly. No gambling device shall be set to pay out less than eighty percent of all wagers;
(13) To require all licensees of gambling game operations to use a cashless wagering system whereby all players' money is converted to physical or electronic tokens, electronic cards, or chips which only can be used for wagering on the excursion gambling boat;
(14) To require excursion gambling boat licensees to develop a system, approved by the commission, that allows patrons the option to prohibit the excursion gambling boat licensee from using identifying information for marketing purposes. The provisions of this subdivision shall apply only to patrons giving identifying information for the first time. Such system shall be submitted to the commission by October 1, 2000, and approved by the commission by January 1, 2001. The excursion gambling boat licensee shall use identifying information obtained from patrons who have elected to have marketing blocked under the provisions of this section only for the purposes of enforcing the requirements contained in sections 313.800 to 313.850. This section shall not prohibit the commission from accessing identifying information for the purposes of enforcing section 313.004 and sections 313.800 to 313.850;
(15) To determine which of the authorized gambling games will be permitted on any licensed excursion gambling boat;
(16) Excursion gambling boats shall cruise, unless the commission finds that the best interest of Missouri and the safety of the public indicate the need for continuous docking of the excursion gambling boat in any city or county authorized pursuant to subsection 10 of section 313.812. The commission shall base its decision to allow continuously docked excursion gambling boats on any of the following criteria: the docking location or the excursion cruise could cause danger to the boat's passengers, violate federal law or the law of another state, or cause disruption of interstate commerce or possible interference with railway or barge transportation. In addition, the commission shall consider economic feasibility or impact that would benefit land-based development and permanent job creation. The commission shall not discriminate among applicants for continuous-docking excursion gambling that are similarly situated with respect to the criteria set forth in this section;
(17) The commission shall render a finding concerning the possibility of continuous docking, as described in subdivision (15) of this section, within thirty days after a hearing on any request from an applicant or licensee. Such hearing may be held prior to any final action on licensing to assist an applicant and any city or county in the finalizing of their economic development plan;
(18) To require any applicant for a license or renewal of a license to operate an excursion gambling boat to provide an affirmative action plan which has as its goal the use of best efforts to achieve maximum employment of African-Americans and other minorities and maximum

participation in the procurement of contractual purchases of goods and services. This provision shall be administered in accordance with all federal and state employment laws, including Title VII of the Civil Rights Act of 1964, as amended by the Civil Rights Act of 1991. At license renewal, the licensee will report on the effectiveness of the plan. The commission shall include the licensee's reported information in its annual report to the joint committee on gaming and wagering;

(19) To take any other action as may be reasonable or appropriate to enforce sections 313.800 to 313.850 and the commission rules.

Except as permitted in this section, the licensee licensed to operate gambling games shall permit no form of wagering on gambling games.

2. The licensee may receive wagers only from a person present on a licensed excursion gambling boat.

3. Wagering shall not be conducted with money or other negotiable currency. The licensee shall exchange the money of each wagerer for electronic or physical tokens, chips, or other forms of credit to be wagered on the gambling games. The licensee shall exchange the tokens, chips, or other forms of wagering credit for money at the request of the wagerer.

4. A person under twenty-one years of age shall not make a wager on an excursion gambling boat and shall not be allowed in the area of the excursion boat where gambling is being conducted; provided that employees of the licensed operator of the excursion gambling boat who have attained eighteen years of age shall be permitted in the area in which gambling is being conducted when performing employment-related duties, except that no one under twenty-one years of age may be employed as a dealer or accept a wager on an excursion gambling boat. The governing body of a home dock city or county may restrict the age of entrance onto an excursion gambling boat by passage of a local ordinance.

5. In order to help protect patrons from invasion of privacy and the possibility of identity theft, patrons shall not be required to provide fingerprints, retinal scans, biometric forms of identification, any type of patron tracking cards, or other types of identification prior to being permitted to enter the area where gambling is being conducted on an excursion gambling boat or to make a wager, except that, for purposes of establishing that a patron is at least twenty-one years of age as provided in subsection 4 above, a licensee operating an excursion gambling boat shall be authorized to request such patron to provide a valid state or federal photo identification or a valid passport. This section shall not prohibit enforcement of identification requirements that are required by federal law. This section shall not prohibit enforcement of any Missouri statute requiring identification of patrons for reasons other than being permitted to enter the area of an excursion gambling boat where gambling is being conducted or to make a wager.

6. A licensee shall only allow wagering and conduct gambling games at the times allowed by the commission.

[6.] 7. It shall be unlawful for a person to present false identification to a licensee or a gaming agent in order to gain entrance to an excursion gambling boat, cash a check or verify that such person is legally entitled to be present on the excursion gambling boat. Any person who violates the provisions of this subsection shall be guilty of a class B misdemeanor for the first offense and a class A misdemeanor for second and subsequent offenses.

313.822. ADJUSTED GROSS RECEIPTS, TAX ON, RATE, COLLECTION PROCEDURES — PORTION TO HOME DOCK CITY OR COUNTY, PROCEDURE — GAMING PROCEEDS FOR EDUCATION FUND, CREATED, PURPOSE — AUDIT OF CERTAIN EDUCATION FUNDS. — A tax is imposed on the adjusted gross receipts received from gambling games authorized pursuant to sections 313.800 to 313.850 at the rate of [twenty] twenty-one percent. The taxes imposed by

this section shall be returned to the commission in accordance with the commission's rules and regulations who shall transfer such taxes to the director of revenue. All checks and drafts remitted for payment of these taxes and fees shall be made payable to the director of revenue. If the commission is not satisfied with the return or payment made by any licensee, it is hereby authorized and empowered to make an assessment of the amount due based upon any information within its possession or that shall come into its possession. Any licensee against whom an assessment is made by the commission may petition for a reassessment. The request for reassessment shall be made within twenty days from the date the assessment was mailed or delivered to the licensee, whichever is earlier. Whereupon the commission shall give notice of a hearing for reassessment and fix the date upon which the hearing shall be held. The assessment shall become final if a request for reassessment is not received by the commission within the twenty days. Except as provided in this section, on and after April 29, 1993, all functions incident to the administration, collection, enforcement, and operation of the tax imposed by sections 144.010 to 144.525, RSMo, shall be applicable to the taxes and fees imposed by this section.

(1) Each excursion gambling boat shall designate a city or county as its home dock. The home dock city or county may enter into agreements with other cities or counties authorized pursuant to subsection 10 of section 313.812 to share revenue obtained pursuant to this section. The home dock city or county shall receive ten percent of the adjusted gross receipts tax collections, as levied pursuant to this section, for use in providing services necessary for the safety of the public visiting an excursion gambling boat. Such home dock city or county shall annually submit to the commission a shared revenue agreement with any other city or county. All moneys owed the home dock city or county shall be deposited and distributed to such city or county in accordance with rules and regulations of the commission. All revenues provided for in this section to be transferred to the governing body of any city not within a county and any city with a population of over three hundred fifty thousand inhabitants shall not be considered state funds and shall be deposited in such city's general revenue fund to be expended as provided for in this section.

(2) The remaining amount of the adjusted gross receipts tax shall be deposited in the state treasury to the credit of the "Gaming Proceeds for Education Fund" which is hereby created in the state treasury. Moneys deposited in this fund shall be kept separate from the general revenue fund as well as any other funds or accounts in the state treasury, shall be used solely for education pursuant to the Missouri Constitution and shall be considered the proceeds of excursion boat gambling and state funds pursuant to article IV, section 15 of the Missouri Constitution. All interest received on the gaming proceeds for education fund shall be credited to the gaming proceeds for education fund. Appropriation of the moneys deposited into the gaming proceeds for education fund shall be pursuant to state law.

(3) The state auditor shall perform an annual audit of the gaming proceeds for education fund and the schools first elementary and secondary education improvement fund, which shall include the evaluation of whether appropriations for elementary and secondary education have increased and are being used as intended by this act. The state auditor shall make copies of each audit available to the public and to the general assembly.

PROPOSITION B. — (Proposed by Initiative Petition) Shall Missouri law be amended to enable the elderly and Missourians with disabilities to continue living independently in their homes by creating the Missouri Quality Homecare Council to ensure the availability of quality home care services under the Medicaid program by recruiting, training, and stabilizing the home care workforce?

The exact cost of this proposal to state governmental entities is unknown, but is estimated to exceed $510,560 annually. Additional costs for training are possible. Matching federal funds, if available, could reduce state costs. It is estimated there would be no costs or savings to local governmental entities.

Be it enacted by the people of the State of Missouri:

***SECTION A. ENACTING CLAUSE.** — Eight new sections are enacted, to be known as sections 1, 2, 3, 4, 5, 6, 7 and 8 to read as follows:*

SECTION 1. TITLE. — Title.

This Act shall be known as and may be cited as "The Quality Home Care Act."

SECTION 2. FINDINGS AND PURPOSE. — Findings and purposes.

The people of the state of Missouri find as follows:

1. Thousands of Missouri senior citizens and people with disabilities continue to live independently in their own homes and avoid placement in institutions such as nursing homes only as the result of the availability of qualified personal care attendants who assist them with the activities of daily living.

2. Many Missouri senior citizens and people with disabilities who could not otherwise afford personal care assistance services in their own homes receive the services with assistance provided by the State and federal governments under the Missouri Consumer Directed Services Program.

3. The United States Supreme Court has mandated that states provide services to persons with disabilities "in community settings rather than in institutions" when remaining in the community is appropriate, consistent with the wishes of the disabled person, and can be reasonably accommodated.

4. In-home care is not only the choice of most senior citizens and people with disabilities, it is less costly than institutional care such as that provided in nursing homes and thus saves Missouri taxpayers significant amounts of money.

5. The Consumer Directed Services Program permits the consumers of these highly intimate and personal services to hire, terminate and supervise the individual providing the services, but it does not currently give consumers any role in setting wage rates for personal care attendants.

6. Personal care attendants generally receive low wages, minimal or no benefits, little if any training, and have no meaningful input into their terms and conditions of employment and no

meaningful means of making suggestions for improvements in the Consumer Directed Services Program.

7. The continued availability of quality home care services is threatened by a looming shortage of qualified personal care attendants due to the aging population in the State as well as low wages, a lack of benefits, and high rates of occupational injury. These poor working conditions also contribute to high turnover among personal care attendants that impairs the continuity of care.

8. The safety of home care services is threatened by both the failure of existing safeguards to protect consumers from potentially abusive attendants and lengthy delays in processing background checks as recently documented by the State Auditor.

9. The continued availability of quality, safe home care services can be ensured through the creation of the Missouri Quality Homecare Council with authority to investigate the quality, safety and availability of home care services, recruit eligible personal care attendants, recommend qualifications for personal care attendants, improve the training of personal care attendants, establish a state-wide list of eligible personal care attendants, refer consumers to eligible personal care attendants, engage in collective bargaining with a representative of personal care attendants, and recommend changes in personal care attendants' wages and benefits to the General Assembly.

SECTION 3. COUNCIL CREATED, EXPENSES, MEMBERS, TERMS, REMOVAL. — The Missouri Quality Homecare Council.

1. Effective January 31, 2009, the Missouri Quality Homecare Council is hereby created to insure the availability and improve the quality of home care services by recruiting, training and stabilizing the personal care attendant work force. Expenses of the Council in carrying out its powers and duties shall be paid from any appropriations for that purpose by the General Assembly. The Council shall be assigned to the Department of Health and Senior Services with supervision by the Department extending only to budgeting and reporting as provided by subdivisions (4) and (5) of subsection 6 of section 1 of the Reorganization Act of 1974. Supervision by the Department shall not extend to matters relating to policies, regulatory functions or other matters specifically delegated to the Council by this Act and the Director of the Department or any employee of the Department, either directly or indirectly, shall not participate or interfere with the activities of the Council in any manner not specifically provided by law.

2. The Council shall consist of eleven members appointed by the Governor with the advice and consent of the Senate as follows:

(1) Six members shall be current or former recipients of personal care assistance services under the Consumer Directed Services Program, or its successor program(s). Two of the consumer members shall have received services for a period of at least one year, two shall have received services for a period of at least two years, and two shall have received services for a period of at least three years. In order to insure that at least one of the consumer members has personal knowledge of challenges rural consumers face, at least one of these members shall be a resident of a third class county.

(2) One member shall be a representative of the Missouri Department of Health and Senior Services, or its successor entity.

(3) Two members shall be representatives of Missouri Centers for Independent Living, or their successor entities.

(4) One member shall be a representative of the Governor's Council on Disabilities, or its successor entity.

(5) One member shall be a representative of the Governor's Advisory Council on Aging, or its successor entity.

3. Each member of the Council shall serve a term of three years, except the first eleven members who shall serve staggered terms as follows: three recipient members and the

Department of Health and Senior Services member shall serve one year terms, two recipient members and one Centers for Independent Living member shall serve two year terms, and one recipient member, one Centers for Independent Living member, and the Council on Disabilities and Advisory Council on Aging members shall serve three year terms. The initial members of the Council shall be appointed by the Governor by March 1, 2009. If a vacancy occurs, the Governor will appoint a replacement for the remainder of the departing member's term. Commission members shall be eligible for reappointment but shall serve no more than two terms. In making appointments, the Governor shall consider nominations or recommendations from the agencies or groups represented on the Council. Members of the Council shall serve without compensation, but shall be reimbursed their actual and necessary expenses. The Governor may remove a Council member for good cause.

SECTION 4. POWERS AND DUTIES OF THE COUNCIL. — The powers and duties of the Council.

The Council shall have the following powers and duties:

1. Assess the size, quality and stability of the homecare workforce in Missouri and the ability of the existing workforce to meet the growing and changing needs of both aging and disabled consumers.

2. Encourage eligible individuals to serve as personal care attendants.

3. Provide training on a voluntary basis, either directly or through contracts, in cooperation with vendors (as defined in section 6.5 below), for prospective and current personal care attendants.

4. Recommend minimum qualifications for personal care attendants to the Department of Health and Senior Services.

5. Establish and maintain a state-wide list of eligible, available personal care attendants, in cooperation with vendors, including attendants available to provide respite and replacement services. In order to facilitate the creation of such a list, all vendors shall provide the Council with the list of persons eligible to be a personal care attendant which vendors are required to maintain under RSMo 208.906.4 and 208.918.1(3). The Council shall insure that all personal care attendants placed on the state-wide list are registered with the family care safety registry as provided in RSMo 210.900 to 210.936 and are not listed on any of the background check lists in the family care safety registry, absent a good cause waiver obtained from the Department pursuant to RSMo 660.317. All consumers seeking personal care attendants, whether or not they are participants in the Consumer Directed Services Program, shall have access to the state-wide list.

6. Provide routine, emergency, respite, and replacement referrals of eligible and available personal care attendants to vendors and consumers.

7. In cooperation with the Missouri State Highway Patrol, the Department of Social Services' Children's Division, the Department of Mental Health, the Department of Health and Senior Services, and vendors and on an on-going basis, assess existing mechanisms for preventing abuse and neglect of consumers in the home care setting and recommend improvements to those agencies and the General Assembly. As part of this duty, members and employees of the Council shall have access to the Employee Disqualification List established in RSMo 660.315 and the Family Care Safety Registry. Members and employees of the Council shall report to the Department of Health and Senior Services when they have reasonable cause to believe that a consumer has been abused or neglected as defined in RSMo 660.250 subject to the same standards set forth in RSMo 208.912.

8. Recommend the wage rate or rates to be paid personal care attendants and any economic benefits to be received by personal care attendants to the General Assembly. The Department shall retain its existing authority to establish the Medicaid reimbursement rate for personal care assistance services under RSMo 208.903.2.

9. Establish other terms and conditions of employment of personal care attendants consistent with consumers' right to hire, fire, train, and supervise personal care attendants.

10. Cooperate with the Department of Health and Senior Services and vendors to improve the provision of personal care assistance services.

11. In carrying out its powers and duties under this Act, the Council may:

(1) Make and execute contracts and all other instruments necessary or convenient for the performance of its duties or exercise of its powers;

(2) Issue rules under the Missouri Administrative Procedures Act, Chapter 536, RSMo, as necessary for the purposes and policies of this Act. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section, shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void;

(3) Establish offices, employ an Executive Director and such other staff as is necessary to carry out its functions and fix their compensation, retain contractors as necessary and prescribe their duties and power, incur expenses, and create such liabilities as are reasonable and proper for the administration of this act;

(4) Solicit and accept for use any grant of money, services or property from the federal government, the state, or any political subdivision or agency thereof, including federal matching funds under Title XIX of the federal Social Security Act, and do all things necessary to cooperate with the federal government, the State, or any political subdivision or agency thereof in making an application for any grant;

(5) Keep records and engage in research and the gathering of relevant statistics;

(6) Acquire, hold, or dispose of personal property or any interest therein, and contract for, lease, or otherwise provide facilities for the activities conducted under this measure;

(7) Sue and be sued in its own name;

(8) Delegate to the appropriate persons the power to execute contracts and other instruments on its behalf and delegate any of its powers and duties if consistent with the purposes of this act; and

(9) Do other acts necessary or convenient to execute the powers expressly granted to it.

SECTION 5. CONSUMER RIGHTS AND EMPLOYMENT RELATIONS. — Consumer rights and employment relations.

1. Consumers shall retain the right to hire, fire, supervise, and train personal care attendants.

2. Vendors shall continue to perform the functions provided in RSMo 208.900-208.930. In addition to having a philosophy that promotes the consumer's ability to live independently in the most integrated setting or the maximum community inclusion of persons with physical disabilities, as required by RSMo 208.918.1, vendors shall provide to consumers advocacy, independent living skills training, peer counseling, and information and referral services, as those terms are used in RSMo 178.656.3.

3. The Council shall be a public body as that term is used in RSMo 105.500 and personal care attendants shall be employees of the Council solely for purposes of RSMo 105.500 et seq.

4. The sole appropriate unit of personal care attendants, as that term is used in RSMo. 105.500(1) shall be a state-wide unit. Personal care attendants who are related to or members of the family of the consumer to whom they provide services shall not for that reason be excluded from the unit. The State Board of Mediation shall conduct an election, by mail ballot, to determine whether an organization shall be designated the exclusive bargaining representative as defined in RSMo 105.500(2) for the state-wide unit of personal care attendants under RSMo 105.525 upon a showing that ten percent of the personal care attendants in said unit want to be represented by a representative. The Missouri Office of Administration shall represent the Council in any collective bargaining with a representative of personal care attendants. Upon

completion of bargaining, any agreements shall be reduced to writing and presented to the Council for adoption, modification or rejection in accordance with RSMo 105.520.

5. The State of Missouri and all vendors shall cooperate in the implementation of any agreements reached by the Council and any representative of personal care attendants, including making any payroll deductions authorized by the agreements which can lawfully be made pursuant to agreements entered into under RSMo 105.500 to 105.530 as currently construed by the Missouri Appellate Courts.

6. Personal care attendants shall not have the right to strike and breach of this prohibition will result in disqualification from participation in the Consumer Directed Services Program.

7. Personal care attendants shall not be considered employees of the State of Missouri or any vendor for any purpose.

SECTION 6. DEFINITIONS. — Definitions.

As used in this act:

1. Council means the Missouri Quality Homecare Council.

2. Department means the Missouri Department of Health and Senior Services.

3. Personal care attendant means a person, other than a consumer's spouse, providing consumer-directed personal care assistance services as defined in RSMo 208.900(2) and (5) under RSMo 208.900-208.927, similar consumer-directed personal care assistance services under RSMo 208.930, and similar consumer-directed personal care assistance services through a program operated pursuant to a waiver obtained under section 1915(c) of the federal Social Security Act or similar consumer-directed services under the successor to any of said programs.

4. Consumer means a person receiving personal care assistance services from a personal care attendant as defined in section 6.3.

5. Vendor is defined in RSMo 208.900(10) and in Section 5.2.

SECTION 7. FEDERAL APPROVAL AND FUNDING. — Federal approval and funding.

The Council and the State of Missouri shall take all actions reasonably necessary to obtain any approval from the United States needed to implement any part of this act and to insure continued federal funding of any program governed by this act.

SECTION 8. SEVERABILITY CLAUSE. — Severability.

If any section, subsection, subdivision, paragraph, sentence, or clause of this act is held to be invalid or unconstitutional, such decision shall not affect any remaining portion, section, or part thereof which can be given effect without the invalid provision.

PROPOSITION C. — (Proposed by Initiative Petition) Shall Missouri law be amended to require investor-owned electric utilities to generate or purchase electricity from renewable energy sources such as solar, wind, biomass and hydropower with the renewable energy sources equaling at least 2% of retail sales by 2011 increasing incrementally to at least 15% by 2021, including at least 2% from solar energy; and restricting to no more than 1% any rate increase to consumers for this renewable energy?

The estimated direct cost to state governmental entities is $395,183. It is estimated there are no direct costs or savings to local governmental entities. However, indirect costs may be

incurred by state and local governmental entities if the proposal results in increased electricity retail rates.

Be it enacted by the people of the state of Missouri:

ENACTING CLAUSE. — Chapter 393, RSMo, is amended by repealing sections 393.1020, 393.1025, 393.1030, and 393.1035, and substituting therefor three new sections to be known as sections 393.1020, 393.1025 and 393.1030, to read as follows:

393.1020. CITATION OF LAW. — Sections 393.1025 to 393.1030 shall be known as the Renewable Energy Standard.

393.1025. DEFINITIONS. — As used in sections 393.1020 to 393.1030, the following terms mean:

1. "Commission", the public service commission;

2. "Department", the department of natural resources;

3. "Electric utility", any electrical corporation as defined by section 386.020;

4. "Renewable energy resources", electric energy produced from wind, solar thermal sources, photovoltaic cells and panels, dedicated crops grown for energy production, cellulosic agricultural residues, plant residues, methane from landfills or from wastewater treatment, clean and untreated wood such as pallets, hydropower (not including pumped storage) that does not require a new diversion or impoundment of water and that has a nameplate rating of 10 megawatts or less, fuel cells using hydrogen produced by one of the above-named renewable energy sources, and other sources of energy not including nuclear that become available after the effective date of this section and are certified as renewable by rule by the department; and

5. "Renewable energy credit" or "REC", a tradable certificate of proof that one megawatt-hour of electricity has been generated from renewable energy sources.

393.1030. ELECTRIC UTILITIES, PORTFOLIO REQUIREMENTS — TRACKING REQUIREMENTS — RULEMAKING AUTHORITY — REBATE OFFERS — CERTIFICATION OF ELECTRICITY GENERATED. — 1. The commission shall, in consultation with the department, prescribe by rule a portfolio requirement for all electric utilities to generate or purchase electricity generated from renewable energy resources. Such portfolio requirement shall provide that electricity from renewable energy resources shall constitute the following portions of each electric utility's sales:

(a) No less than two percent for calendar years 2011 through 2013;

(b) No less than five percent for calendar years 2014 through 2017;

(c) No less than ten percent for calendar years 2018 through 2020; and

(d) No less than fifteen percent in each calendar year beginning in 2021.

At least two percent of each portfolio requirement shall be derived from solar energy. The portfolio requirements shall apply to all power sold to Missouri consumers whether such power is self-generated or purchased from another source in or outside of this state. A utility may comply with the standard in whole or in part by purchasing RECs. Each kilowatt-hour of eligible energy generated in Missouri shall count as 1.25 kilowatt-hours for purposes of compliance.

2. The commission, in consultation with the department and within one year of the effective date of sections 393.1020 to 393.1030, shall select a program for tracking and verifying the trading of renewable energy credits. An unused credit may exist for up to three years from the date of its creation. A credit may be used only once to comply with this act and may not also be used to satisfy any similar non-federal requirement. An electric utility may not use a credit derived from a green pricing program. Certificates from net-metered sources shall initially be owned by the customer-generator. The commission, except where the department is specified, shall make whatever rules are necessary to enforce the Renewable Energy Standard. Such rules shall include:

(a) A maximum average retail rate increase of one percent determined by estimating and comparing the electric utility's cost of compliance with least-cost renewable generation and the cost of continuing to generate or purchase electricity from entirely non-renewable sources, taking into proper account future environmental regulatory risk including the risk of greenhouse gas regulation;

(b) Penalties of at least twice the average market value of renewable energy credits for the compliance period for failure to meet the targets of subsection 1. An electric utility will be excused if it proves to the commission that failure was due to events beyond its reasonable control that could not have been reasonably mitigated, or that the maximum average retail rate increase has been reached. Penalties shall not be recovered from customers. Amounts forfeited under this section shall be remitted to the department to purchase renewable energy credits needed for compliance. Any excess forfeited revenues shall be used by the department's energy center solely for renewable energy and energy efficiency projects;

(c) Provisions for an annual report to be filed by each electric utility in a format sufficient to document its progress in meeting the targets.

(d) Provision for recovery outside the context of a regular rate case of prudently incurred costs and the pass-through of benefits to customers of any savings achieved by an electrical corporation in meeting the requirements of this section.

3. Each electric utility shall make available to its retail customers a standard rebate offer of at least $2.00 per installed watt for new or expanded solar electric systems sited on customers' premises, up to a maximum of 25 kilowatts per system, that become operational after 2009.

4. The department shall, in consultation with the commission, establish by rule a certification process for electricity generated from renewable resources and used to fulfill the requirements of subsection 1 of this section. Certification criteria for renewable energy generation shall be determined by factors that include fuel type, technology, and the environmental impacts of the generating facility. Renewable energy facilities shall not cause undue adverse air, water, or land use impacts, including impacts associated with the gathering of generation feedstocks. If any amount of fossil fuel is used with renewable energy resources, only the portion of electrical output attributable to renewable energy resources shall be used to fulfill the portfolio requirements.

The following sections shall be repealed:

[393.1020. CITATION OF LAW — DEFINITIONS. — 1. It is the general assembly's intent to encourage the development and utilization of technically feasible and economical renewable technologies, creating cleaner and more sustainable forms of energy for the residents of the state. It is for this reason that sections 393.1020 to 393.1040 shall be known as the "Green Power Initiative".

2. The definitions provided in section 386.020, RSMo, shall apply to sections 393.1020 to 393.1040. As used in sections 393.1020 to 393.1040, the following terms mean:

(1) "Department", the department of natural resources;

(2) "Eligible renewable energy technology", sources of energy that shall be considered renewable for purposes of this section shall include but not be limited to the following:

(a) Solar, including photovoltaic cells, concentrating solar power technologies, and low temperature solar collectors;

(b) Wind;

(c) Hydroelectric, not including pump storage;
(d) Hydrogen from renewable sources;
(e) Biomass, any organic matter available on a renewable basis, including dedicated energy crops and trees, agricultural food and feed crops, agricultural crop wastes and residues, wood wastes and residues, animal waste, aquatic plants, biogas from landfills or wastewater treatment plants; and
(f) Other renewable energy sources defined by rule by the commission after consultation with the department;
(3) "Energy efficiency", verifiable reductions in energy consumption, or verifiable reductions in the rate of energy consumption growth, as defined by rule by the commission after consultation with the department, as a result of measures implemented by electrical corporations and electricity consumers which may include, but not be limited to, pricing signals, electronic controls, education, information, infrastructure improvements, and the use of high efficiency equipment and lighting;
(4) "Total retail electric sales", the kilowatt-hours of electricity delivered in a year by an electrical corporation to its Missouri retail customers.

393.1025. ELECTRICAL CORPORATIONS, DUTIES REGARDING TECHNOLOGY—COMMISSION TO ADOPT RULES. — 1. Each electrical corporation shall make a good faith effort to generate or procure sufficient electricity generated by an eligible renewable energy technology, and support energy efficiency measures, so that by 2012, four percent of total retail electric sales in the aggregate by electrical corporations is generated by eligible renewable energy technologies, increasing to eight percent by 2015, and eleven percent generated by eligible renewable energy technologies by 2020. Generation provided by any existing eligible renewable energy technology, owned, controlled, or purchased by electrical corporations, that are operational prior to August 28, 2007, shall be applied towards meeting the objective so long as it continues to generate electricity. Credit towards the objective also may be achieved through energy efficiency that includes electrical corporation and consumer efforts to reduce the consumption of electric energy. After consulting with the department, the commission may establish intermediate goals for the use of renewable energy technologies as part of its rulemaking process.
2. By July 1, 2008, the commission shall, after consultation with the department, adopt rules that integrate into its resource planning rules the renewable energy objective of subsection 1 of this section and the criteria and standards by which it will measure an electrical corporation's efforts to meet that objective to determine whether it is making the required good faith effort. In this rulemaking, the commission shall include criteria and standards that, at a minimum, shall:
(1) Protect against adverse economic impacts, including the costs of any transmission investments necessary to access eligible renewable energy technologies, on the ratepayers and shareholders;
(2) Protect against undesirable impacts on the reliability of each electrical corporation's system;
(3) Consider environmental compliance costs, present and future, of each source being evaluated; and
(4) Consider technical feasibility, providing for flexibility in meeting the objective in the event electrical corporations are, for good cause shown, unable to meet in aggregate the objective of this section.
3. In its rulemaking under this section, the commission shall provide for a weighted scale of how energy produced by various eligible renewable energy technologies shall count toward an electrical corporation's objective. In establishing this scale, the commission shall consider the attributes of various technologies and fuels and shall establish a system that grants multiple credits toward the objective for those technologies and fuels the commission determines are in the public interest to encourage. The commission may also grant multiple credits toward the objective for generation in the state or procurement of electricity generated in the state that uses an eligible renewable energy technology.
4. The commission shall develop rules as provided in this section in consultation with the department as necessary to implement the requirements of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section and section 393.1020 shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.

393.1030. BIENNIAL REPORT REQUIRED, CONTENTS. — 1. Each electric corporation shall submit to the commission a biennial report by December thirty-first, beginning in 2009, on its plans, activities, and progress with regard to the objective of section 393.1025, demonstrating to the commission that it is making the required good faith effort. The report must be submitted in a format prescribed by the commission, not to exceed fifty pages, and it shall include the following:
(1) Sufficient data to specify and verify the status of its renewable energy mix relative to the good faith objective;
(2) Sufficient data to specify and verify the status of the electric corporation's and its customers' energy efficiency efforts relative to the good faith objective;
(3) Efforts taken to meet the objective;

(4) Any obstacles encountered or anticipated in meeting the objective; and
(5) Potential solutions to the obstacles.
2. The commission shall compile the information provided under subsection 1 of this section and biennially report by July first, beginning in 2010, to the governor, the speaker of the house of representatives, the president pro tempore of the senate, the chairs of the committees in the house of representatives and senate with jurisdiction over energy and environment policy issues, and the department as to the progress of electrical corporations in the state in increasing the amount of renewable energy provided to retail customers and increasing energy efficiency, with any recommendations for regulatory or legislative action. In addition, the Missouri director of the department of economic development shall issue a biennial report by July first, beginning in 2010, on the impact of the renewable portfolio standard on the Missouri economy and the director of the department of natural resources shall issue a biennial report by July first, beginning in 2010, on the environmental impact of sections 393.1020 to 393.1040. The biennial reporting requirements under this subsection shall end after July 1, 2022.

393.1035. OBJECTIVES, ELECTRICITY PRODUCTION TO COUNT TOWARD, WHEN — BLENDING OF FUELS PERMITTED, WHEN. — 1. Electricity produced by fuel combustion may only count toward an electrical corporation's objectives if the generation facility complies with all federal and state statutes and rules.
2. An electrical corporation may blend or co-fire a fuel listed in subsection 2 of section 393.1020, with other fuels in the generation facility, but only the percentage of electricity that is attributable to a fuel listed in that section can be counted toward an electric corporation's renewable energy objectives.]

SENATE JOINT RESOLUTION 45 [SJR 45]

CONSTITUTIONAL AMENDMENT NO. 4. — (Proposed by the Ninety-fourth General Assembly, Second Regular Session) Shall the Missouri Constitution be amended to change provisions relating to the financing of stormwater control projects by:

- limiting availability of grants and loans to public water and sewer districts only;
- removing the cap on available funding and existing restrictions on disbursements;
- requiring loan repayments to be used only for stormwater control projects?

It is estimated the cost to state governmental entities is $0 to $236,000 annually. It is estimated state governmental entities will save approximately $7,500 for each bond issuance. It is estimated local governmental entities participating in this program may experience savings, however the amount is unknown.

JOINT RESOLUTION Submitting to the qualified voters of Missouri, an amendment repealing section 37(h) of article III of the Constitution of Missouri, and adopting one new section in lieu thereof relating to storm water control assistance.

SECTION

A. Enacting clause.

37(h). Storm water control plans, studies and projects — bonds authorized, procedure — storm water control bond and interest fund created, administration (includes St. Louis City and counties of the first classification)..

Be it resolved by the Senate, the House of Representatives concurring therein:

That at the next general election to be held in the state of Missouri, on Tuesday next following the first Monday in November, 2008, or at a special election to be called by the governor for that purpose, there is hereby submitted to the qualified voters of this state, for adoption or rejection, the following amendment to article III of the Constitution of the state of Missouri:

SECTION A. ENACTING CLAUSE. — Section 37(h), article III, Constitution of Missouri, is repealed and one new section adopted in lieu thereof, to be known as section 37(h), to read as follows:

SECTION 37(h). STORM WATER CONTROL PLANS, STUDIES AND PROJECTS — BONDS AUTHORIZED, PROCEDURE — STORM WATER CONTROL BOND AND INTEREST FUND CREATED, ADMINISTRATION (INCLUDES ST. LOUIS CITY AND COUNTIES OF THE FIRST CLASSIFICATION). — 1. In addition to any other indebtedness authorized under this constitution or the laws of this state, the general assembly may authorize the contracting of an indebtedness on behalf of the state of Missouri and the issuance of bonds or other evidences of indebtedness not exceeding in the aggregate the sum of two hundred million dollars for the purpose of providing funds for use in this state for stormwater control plans, studies and projects in counties of the first classification and in any city not within a county, through grants and loans administered by the clean water commission and the department of natural resources pursuant to the procedures in chapter 644, RSMo. The bonds shall be issued by the state board of fund commissioners from time to time and in such amounts as may be necessary to carry on the program of the clean water commission and the department of natural resources as determined by the general assembly for the financing and constructing of these plans, studies and projects by any municipality, **public** sewer district, sewer district established pursuant to article VI, section 30(a) of the Missouri Constitution, **public** water district, or any combination of the same located in a county of the first classification or in any city not within a county or by any county of the first classification. The board of fund commissioners shall offer such bonds at public sale,

and shall provide such method as it may deem necessary for the advertisement of the sale of each issue of bonds before such bonds are sold. The proceeds of the sale or sales of any bonds issued hereunder shall be paid into the state treasury and be credited to a fund to be designated the "Stormwater Control Fund". The bonds shall be retired serially and by installments within a period not to exceed twenty-five years from their date of issue and shall bear interest at a rate or rates not exceeding the rate permitted by law. The proceeds of the sale of the bonds herein authorized shall be expended for the purposes for which the bonds are hereinabove authorized to be issued.

2. The bonds and the interest thereon shall be paid out of the "Stormwater Control Bond and Interest Fund", which is hereby created, and the payment of such bonds and the interest thereon shall be secured by a pledge of the full faith, credit and resources of the state of Missouri. Upon the issuance of such bonds, or any portion thereof, the state board of fund commissioners shall notify the commissioner of administration of the amount of money required, in the remaining portion of the fiscal year during which such bonds shall have been issued, for the payment of interest on the bonds, and of the amount of money required for the payment of interest on the bonds in the next succeeding fiscal year, and to pay such bonds as they mature. Thereafter, within thirty days after the beginning of each fiscal year, the state board of fund commissioners shall notify the commissioner of administration of the amount of money required for the payment of interest on the bonds in the next succeeding fiscal year and to pay such bonds maturing in the next succeeding fiscal year.

3. It shall be the duty of the commissioner of administration to transfer at least monthly, from the state general revenue fund, after deducting therefrom the proportionate part thereof appropriated for the support of the free public schools, and to credit to the stormwater control bond and interest fund such sum as may be necessary from time to time until there shall have been transferred to such fund the amount so certified to the commissioner of administration by the state board of fund commissioners, as provided in this section.

4. If at any time after the issuance of any of the bonds, it shall become apparent to the commissioner of administration that the funds available in the state general revenue fund will not be sufficient for the payment of the sinking fund and interest on outstanding obligations of the state and for the purpose of public education and the principal and interest maturing and accruing on the bonds during the next succeeding fiscal year, a direct tax shall be levied upon all taxable tangible property in the state for the payment of such bonds and the interest that will accrue thereon. In such event, it shall be the duty of the commissioner of administration annually, on or before the first day of July, to determine the rate of taxation necessary to be levied upon all taxable tangible property within the state to raise the amount of money needed to pay the principal of and interest on such bonds maturing and accruing in the next succeeding fiscal year, taking into consideration available funds, delinquencies and costs of collection. The commissioner of administration shall annually certify the rate of taxation so determined to the county clerk of each county and to the comptroller or other officer in the city of St. Louis whose duty it shall be to make up and certify the tax books wherein are extended the ad valorem state taxes. It shall be the duty of such clerks and the comptroller or other proper officer in the city of St Louis to extend upon the tax books the taxes to be collected and to certify the same to the collectors of the revenue of their respective counties and of the city of St. Louis, who shall collect such taxes at the same time and in the same manner and by the means as are now or may hereafter be provided by law for the collection of state and county taxes, and to pay the same into the state treasury for the credit of the stormwater control bond and interest fund.

5. All funds paid into the stormwater control bond and interest fund shall be and stand appropriated without legislative action to the payment of principal and interest of the bonds, there to remain until paid out in discharge of the principal of such bonds and the interest accruing thereon, and no part of such fund shall be used for any other purpose so long as any of the principal of such bonds and the interest thereon shall be unpaid. The general assembly may appropriate in any year such amount from the stormwater control fund as it determines to be

necessary for the purposes specified in this section**[**; provided that such appropriations may not exceed twenty million dollars, in the aggregate, per fiscal year. Of those grant and loan funds appropriated pursuant to this section, fifty percent shall be allocated to grants and fifty percent shall be allocated to loans**]**. Grants **[**shall be fifty percent of the cost of the plan, study or project and**]** may be combined with loans such as those provided by the commission or the department. **Funding for** grants **[**and**] or** loans from the stormwater control fund shall be **[**dispersed**] initially offered** to eligible recipients in counties of the first classification and in a city not within a county in an amount equal to the percentage ratio that the population of the recipient county or city bears to the total population of all counties of the first classification and cities not within a county as determined by the last decennial census. Any city with a population of at least twenty-five thousand inhabitants located in such counties of the first classification shall **[**receive**] initially be offered** such funds **[**directly**]** in an amount equal to the percentage ratio that the city's population bears to the total population of the county. Other provisions of this section notwithstanding, in those cities or counties served by a sewer district established pursuant to article VI, section 30(a) of the Missouri Constitution, such district shall receive the grants or loans directly. **Any funds not accepted in the initial offers of funding under this subsection shall be subsequently offered to recipients of the initial offer of funding who continue to have eligible projects until all funds have been accepted. Any such subsequent funding offer shall be equal to the percentage ratio that the population of the funding recipient bears to the total population of all other recipients with eligible projects.**

6. **Repayments of storm water loans and any interest payments on such loans shall be deposited in a fund as provided by law for the purposes of financing and constructing storm water control plans, studies, and projects. Any unexpended balance in such fund shall not be subject to biennial transfer under the provisions of section 33.080, RSMo, and all interest earned shall accrue to the fund.**

7. The general assembly may enact such laws as may be necessary to carry out the provisions of this section.

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in bold-face type in the above bill is proposed language.

Proposes a constitutional amendment exempting all real property used as a homestead by a former prisoner of war with a total service-connected disability from property taxation

JOINT RESOLUTION Submitting to the qualified voters of Missouri an amendment repealing section 6 of article X of the Constitution of Missouri, and adopting one new section in lieu thereof relating to property tax exemption.

SECTION
A. Enacting clause.
6. Property exempt from taxation.

Be it resolved by the House of Representatives, the Senate concurring therein:

That at the next general election to be held in the state of Missouri, on Tuesday next following the first Monday in November, 2010, or at a special election to be called by the governor for that purpose, there is hereby submitted to the qualified voters of this state, for adoption or rejection, the following amendment to article X of the Constitution of the state of Missouri:

SECTION A. ENACTING CLAUSE. — Section 6, article X, Constitution of Missouri, is repealed and one new section adopted in lieu thereof, to be known as section 6, to read as follows:

SECTION 6. PROPERTY EXEMPT FROM TAXATION. — 1. All property, real and personal, of the state, counties and other political subdivisions, and nonprofit cemeteries, **and all real property used as a homestead as defined by law of any citizen of this state who is a former prisoner of war, as defined by law, and who has a total service-connected disability,** shall be exempt from taxation; all personal property held as industrial inventories, including raw materials, work in progress and finished work on hand, by manufacturers and refiners, and all personal property held as goods, wares, merchandise, stock in trade or inventory for resale by distributors, wholesalers, or retail merchants or establishments shall be exempt from taxation; and all property, real and personal, not held for private or corporate profit and used exclusively for religious worship, for schools and colleges, for purposes purely charitable, for agricultural and horticultural societies, or for veterans' organizations may be exempted from taxation by general law. In addition to the above, household goods, furniture, wearing apparel and articles of personal use and adornment owned and used by a person in his home or dwelling place may be exempt from taxation by general law but any such law may provide for approximate restitution to the respective political subdivisions of revenues lost by reason of the exemption. All laws exempting from taxation property other than the property enumerated in this article, shall be void. The provisions of this section exempting certain personal property of manufacturers, refiners, distributors, wholesalers, and retail merchants and establishments from taxation shall become

effective, unless otherwise provided by law, in each county on January 1 of the year in which that county completes its first general reassessment as defined by law.

2. All revenues lost because of the exemption of certain personal property of manufacturers, refiners, distributors, wholesalers, and retail merchants and establishments shall be replaced to each taxing authority within a county from a countywide tax hereby imposed on all property in subclass 3 of class 1 in each county. For the year in which the exemption becomes effective, the county clerk shall calculate the total revenue lost by all taxing authorities in the county and extend upon all property in subclass 3 of class 1 within the county, a tax at the rate necessary to produce that amount. The rate of tax levied in each county according to this subsection shall not be increased above the rate first imposed and will stand levied at that rate unless later reduced according to the provisions of subsection 3. The county collector shall disburse the proceeds according to the revenue lost by each taxing authority because of the exemption of such property in that county. Restitution of the revenues lost by any taxing district contained in more than one county shall be from the several counties according to the revenue lost because of the exemption of property in each county. Each year after the first year the replacement tax is imposed, the amount distributed to each taxing authority in a county shall be increased or decreased by an amount equal to the amount resulting from the change in that district's total assessed value of property in subclass 3 of class 1 at the countywide replacement tax rate. In order to implement the provisions of this subsection, the limits set in section 11(b) of this article may be exceeded, without voter approval, if necessary to allow each county listed in section 11(b) to comply with this subsection.

3. Any increase in the tax rate imposed pursuant to subsection 2 of this section shall be decreased if such decrease is approved by a majority of the voters of the county voting on such decrease. A decrease in the increased tax rate imposed under subsection 2 of this section may be submitted to the voters of a county by the governing body thereof upon its own order, ordinance, or resolution and shall be submitted upon the petition of at least eight percent of the qualified voters who voted in the immediately preceding gubernatorial election.

4. As used in this section, the terms "revenues lost" and "lost revenues" shall mean that revenue which each taxing authority received from the imposition of a tangible personal property tax on all personal property held as industrial inventories, including raw materials, work in progress and finished work on hand, by manufacturers and refiners, and all personal property held as goods, wares, merchandise, stock in trade or inventory for resale by distributors, wholesalers, or retail merchants or establishments in the last full tax year immediately preceding the effective date of the exemption from taxation granted for such property under subsection 1 of this section, and which was no longer received after such exemption became effective.

SENATE CONCURRENT RESOLUTION NO. 5 [SCR 5]

WHEREAS, the State of Missouri contains 553 miles of the Missouri River, which borders 23 Missouri counties and over 50 Missouri communities, making it one of the State's greatest natural resources; and

WHEREAS, the Missouri General Assembly supports this natural resource as a vital link in the State of Missouri's total transportation system and wishes to maximize this valuable asset in order to move freight and to support our state's economy; and

WHEREAS, barge transport allows for significant economic benefits and cost savings, since one barge can transport the same amount of freight as 15 railcars or 60 trucks; and

WHEREAS, river transportation is the most environmentally friendly form of transporting goods and commodities, creating almost no noise pollution and emitting 35 to 60 percent fewer pollutants than either trucks or trains; and

WHEREAS, barges are also the most fuel efficient method of freight transport, barges can move one ton of cargo 576 miles per gallon of fuel, compared to 413 miles per gallon of fuel for railcars and only 155 miles per gallon of fuel for trucks; and

WHEREAS, the Missouri General Assembly recognizes that the State of Missouri is investing more of its resources to develop and improve public ports in the state, including those on the Missouri River; and

WHEREAS, the Flood Control Act of 1944, as amended, expresses the United States Congress' intent to support inland waterway navigation and to provide flood control on our nation's rivers; and

WHEREAS, the June 4, 2003, August 16, 2005, and February 8, 2008, decisions of the United States Court of Appeals of the Eighth Circuit held that navigation was a dominant function of the Flood Control Act of 1944; and

WHEREAS, navigation on the Missouri River is operated in accordance with the updated Master Manual, which contains the management plan for the River and was adopted by the United States Army Corps of Engineers in 2004; and

WHEREAS, the Missouri General Assembly recognizes that the United States Army Corps of Engineers utilized extensive public processes to complete the 2004 Master Manual and worked to balance the needs and desires of many competing stakeholder groups in establishing the Manual's navigation guidelines; and

WHEREAS, the 2004 Master Manual was finalized after 15 years of debate and litigation and after the expenditure of over $35 million in federal funds; and

WHEREAS, the 2004 Missouri River Master Water Control Manual reduced the length of the navigation season, shifting a large amount of water away from navigation and other downstream uses of the Missouri River to benefit upstream uses, such as reservoir recreation; and

WHEREAS, the upstream states have requested that the United States Army Corps of Engineers conduct a study to reexamine the authorized purposes of the Missouri River reservoir system as outlined in the 1994 Flood Control Act; and

WHEREAS, the study requested by the upstream states would be the first of its kind, because it would scrutinize the authorized purposes of the Missouri River reservoir system rather than studying the current Missouri River Master Water Control Manual, thereby undermining the Manual's management plan for the Missouri River; and

WHEREAS, in requesting this study, the upstream states are seeking an additional shift in water to upstream states, despite Congress' authorization of downstream uses of Missouri River water, including navigation; and

WHEREAS, increasing Missouri River water in upstream states will have a significant, negative impact upon Missouri and other downstream states by impacting navigation, power generation, flood control, and drinking water availability; and

WHEREAS, eighteen power plants, which have the capacity to generate over 11,000 megawatts of electricity, draw cooling water from the lower Missouri River basin, and the viability of those power plants would be jeopardized if the authorized purposes of the Missouri River reservoir system were changed; and

WHEREAS, the State of Missouri has constructed infrastructure to support water supply and power generation in the lower Missouri River basin with the understanding that reliable navigation flows would be maintained in the future, and this study could threaten the reliability of those navigation flows; and

WHEREAS, the Missouri General Assembly believes that all of the congressionally authorized uses of the Missouri River should be promoted, not just those uses benefitting the upstream states:

NOW, THEREFORE, BE IT RESOLVED by the members of the Missouri Senate, Ninety-fifth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby urge the United States Congress to deny any request that would authorize a study of the Missouri River's congressionally authorized purposes; and

BE IT FURTHER RESOLVED that the members of the Missouri Senate, Ninety-fifth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby urge Missouri's Congressional delegation to actively oppose the authorization and funding of the Missouri River study proposed by the upstream states; and

BE IT FURTHER RESOLVED that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the United States Army Corps of Engineers and to each member of Missouri's Congressional delegation.

SENATE CONCURRENT RESOLUTION NO. 8 [SCR 8]

WHEREAS, horse processing is the most tightly regulated of any animal harvest, and the horse is the only animal that has its transportation to processing regulated. If horse processing plants are forced to close and export options are eliminated, the Horse Welfare Coalition estimates that 90,000 to 100,000 unwanted horses annually would be exposed to potential abandonment and neglect; and

WHEREAS, the 90,000 to 100,000 additional unwanted horses each year would compete for adoption with the 32,000 wild horses that United States taxpayers are already paying $40 million to shelter and feed; and

WHEREAS, the nation's inadequate, overburdened, and unregulated horse rescue and adoption facilities cannot handle the influx of the approximately 60,000 or more additional horses each year that would result from a harvesting ban, according to the Congressional Research Service; and

WHEREAS, many zoo animal diets rely on equine protein because it mimics what the animal would receive in the wild. Veterinarians and animal nutritionists say it is the healthiest diet for big cats and rare birds. If legislation shuts down horse processing facilities, the only source for this meat that is inspected by the U.S. Department of Agriculture (USDA) will be eliminated:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-fifth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby urge the United States Congress to strongly support the continuation of horse

processing in the United States and to offer incentives that help create horse processing plants throughout the United States, such as state-inspected horse harvest for export; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly strongly encourage Congress to support new horse processing facilities and the continuation of existing facilities on both the state and national level; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly urge Congress to oppose any legislation introduced in the 111th Congress that would restrict the transportation and processing of horses in the United States and internationally; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly support the location of USDA-approved horse processing facilities on state, tribal, or private lands under mutually-acceptable and market-driven land leases and, if necessary, a mutually-acceptable assignment of revenues that meet the needs of all parties involved with the facility; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President of the United States Senate, the Speaker of the United States House of Representatives and the members of the Missouri Congressional delegation.

SENATE CONCURRENT RESOLUTION NO. 27 [SCR 27]

WHEREAS, the United States Congress recently passed, and President Obama signed, the American Recovery and Reinvestment Act of 2009 (ARRA); and

WHEREAS, the ARRA allocates federal stimulus and stabilization money to the various states via several funds that come with different stipulations as to the use of the allocated moneys; and

WHEREAS, the state of Missouri's share of the federal stimulus and stabilization money could be approximately four billion dollars; and

WHEREAS, there is great confusion as to the conditions and stipulations that must be met in order to maximize the amount of funds that the state may receive under ARRA; and

WHEREAS, some of the ARRA funds will use preexisting formulas to determine how much money will go to certain programs, such as worker training, food stamps and renewable energy promotion; and

WHEREAS, other ARRA funds, such as those that come from the stabilization fund, may provide the state with more discretion as to how such funds are spent by the state; and

WHEREAS, it is necessary for the General Assembly to conduct in-depth studies regarding the parameters of the ARRA funds in order to ensure compliance with federal law and that Missouri receives its fair share of the ARRA funds:

NOW, THEREFORE, BE IT RESOLVED by the members of the Missouri Senate, Ninety-fifth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby establish a Joint Interim Committee on Oversight of Federal Stimulus and Stabilization Funds; and

BE IT FURTHER RESOLVED that the committee shall be charged with the following:

(1) Conducting a comprehensive study and analysis of strategies for securing the maximum amount of federal dollars for Missouri and Missourians that will come from the ARRA; and

(2) Examine any conditions or stipulations that are attached to the receipt of federal funds under ARRA; and

(3) Investigate exactly for what purpose or programs moneys under ARRA may be used; and

(4) Such other matters as the Joint Interim Committee may deem necessary in order to determine the proper course of future legislative and budgetary action regarding these issues; and

BE IT FURTHER RESOLVED that the committee shall be composed of ten members, three majority party members and two minority party members of the Senate, to be appointed by the President Pro Tem of the Senate, and three majority party members and two minority party members of the House of Representatives, to be appointed by the Speaker of the House of Representatives; and

BE IT FURTHER RESOLVED that the Joint Interim Committee is authorized to function during the legislative interim between the First Regular Session of the Ninety-fifth General Assembly through January 15, 2010, of the Second Regular Session of the Ninety-fifth General Assembly; and

BE IT FURTHER RESOLVED that the Joint Interim Committee may solicit input and information necessary to fulfill its obligations, including but not limited to soliciting input and information from any state department or agency the Joint Interim Committee deems relevant, political subdivisions of this State, and the general public; and

BE IT FURTHER RESOLVED that the staffs of Senate Appropriations, Senate Research, House Appropriations, House Research, and the Joint Committee on Legislative Research shall provide such legal, research, clerical, technical, and bill drafting services as the Joint Interim Committee may require in the performance of its duties; and

BE IT FURTHER RESOLVED that the actual and necessary expenses of the Joint Interim Committee, its members, and any staff assigned to the Joint Interim Committee incurred by the Joint Interim Committee shall be paid by the Joint Contingent Fund.
