5. For any case in which an order for support or maintenance was entered prior to January 1, 1994, which has not been modified subsequent to that date, except a IV-D case, if a party becomes delinquent in maintenance or support payments in an amount equal to one month's total support obligation, the provisions of this subsection shall apply. If the circuit clerk has been appointed trustee under subsection 2 of this section, or if the person entitled to receive the payments files with the clerk an affidavit stating the particulars of the obligor's noncompliance, the circuit clerk shall send by regular mail notice of the delinquency to the obligor. This notice shall advise the obligor of the delinquency, shall state the amount of the obligation, and shall advise that the obligor's income is subject to withholding for repayment of the delinquency and for payment of current support, as provided in section 452.350. For such cases, the circuit clerk shall, in addition to the notice to the obligor, send by regular mail a notice to the obligee. This notice shall state the amount of the delinquency and shall advise the obligee that income withholding, pursuant to section 452.350, is available for collection of support delinquencies and current support, and if the support order includes amounts for child support, that support enforcement services, pursuant to section 454.425, are available through the Missouri **family support** division [of child support enforcement] of the department of social services.

452.346. MEDICAL ASSISTANCE DOCUMENTATION PROVIDED, WHEN. — Upon written request of a parent of a child, as defined in section [452.302] **452.160**, who is receiving medical assistance pursuant to section 208.151, the **family support** division [of child support enforcement] shall provide such parent with documentation that allows the child to obtain medical assistance. This section shall not apply to parents of children in the custody of a public agency.

452.347. NOTICE OF A CHILD SUPPORT ESTABLISHMENT OR MODIFICATION PROCEEDING, WHEN — COPY OF THE ORDER PROVIDED, WHEN. — In any proceeding before a court where child support may be established or modified for an applicant or recipient of child support services pursuant to chapter 454:

(1) The applicant or recipient of child support enforcement services shall be provided by any other party with notice pursuant to Rule 41 of the Missouri rules of civil procedures of all proceedings in which support obligations may be established or modified. Notice to an attorney representing a party is deemed notice on the party for purposes of this section; and

(2) A copy of any order establishing or modifying a child support obligation, or an order denying a modification shall be mailed to the **family support** division [of child support enforcement] by the court within fourteen days of issuance of such order.

452.350. WITHHOLDING OF INCOME, VOLUNTARY OR COURT MAY ORDER, WHEN, WHEN EFFECTIVE — HEARING, WHEN — EMPLOYER, DUTIES, LIABILITIES, FEE — DISCHARGE OR DISCIPLINE OF EMPLOYEE BECAUSE OF A WITHHOLDING NOTICE PROHIBITED, PENALTY — CIVIL CONTEMPT PROCEEDING AUTHORIZED — AMENDMENT, TERMINATION AND PRIORITIES OF WITHHOLDINGS. — 1. Until January 1, 1994, except for orders entered or modified in IV-D cases, each order for child support or maintenance entered

or modified by the court pursuant to the authority of this chapter, or otherwise, shall include a provision notifying the person obligated to pay such support or maintenance that, upon application by the obligee or the Missouri **family support** division [of child support enforcement] of the department of social services, the obligor's wages or other income shall be subject to withholding without further notice if the obligor becomes delinquent in maintenance or child support payments in an amount equal to one month's total support obligation. The order shall also contain provisions notifying the obligor that:

- (1) The withholding shall be for the current month's maintenance and support; and
- (2) The withholding shall include an additional amount equal to fifty percent of one month's child support and maintenance to defray delinquent child support and maintenance, which additional withholding shall continue until the delinquency is paid in full.

2. For all orders entered or modified in IV-D cases, and effective January 1, 1994, for every order for child support or maintenance entered or modified by the court pursuant to the authority of this chapter, or otherwise, income withholding pursuant to this section shall be initiated on the effective date of the order, except that such withholding shall not commence with the effective date of the order in any case where:

- (1) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding. For purposes of this subdivision, any finding that there is good cause not to require immediate withholding must be based on, at least, a written determination and an explanation by the court that implementing immediate wage withholding would not be in the best interests of the child and proof of timely payments of previously ordered support in cases involving the modification of support orders; or

- (2) A written agreement is reached between the parties that provides for an alternative arrangement. If the income of an obligor is not withheld as of the effective date of the support order, pursuant to subdivision (1) or (2) of this subsection, or otherwise, such obligor's income shall become subject to withholding pursuant to this section without further exception on the date on which the obligor becomes delinquent in maintenance or child support payments in an amount equal to one month's total support obligation. Such withholding shall be initiated in the manner provided in subsection 4 of this section. All IV-D orders entered or modified by the court shall contain a provision notifying the obligor that he or she shall notify the **family support** division [of child support enforcement] regarding the availability of medical insurance coverage through an employer or a group plan, provide the name of the insurance provider when coverage is available, and inform the division of any change in access to such insurance coverage. Any income withheld pursuant to this section for a support order initially entered on or after October 1, 1999, shall be paid to the payment center pursuant to section 454.530. Any order of the court entered on or after October 1, 1999, establishing the withholding for a support order as defined in section 454.460, or notice from the clerk issued on or after October 1, 1999, pursuant to this section for a support order shall require payment to the payment center pursuant to section 454.530.

3. The provisions of section 432.030 to the contrary notwithstanding, if income withholding has not been initiated on the effective date of the initial or modified order, the obligated party may execute a voluntary income assignment at any time, which assignment shall be filed with the court and shall take effect after service on the employer or other payer.

4. The circuit clerk, upon application of the obligee or the **family support** division [of child support enforcement], shall send, by certified mail, return receipt requested, a written notice to the employer or other payer listed on the application when the obligated party is subject to withholding pursuant to the child support order or subsection 2 of this section. For orders entered or modified in cases known by the circuit clerk to be IV-D cases in which income withholding is to be initiated on the effective date of the order, and effective January 1, 1994, for all orders entered or modified by the court in which income withholding is to be initiated on the effective date of the order, the circuit clerk shall send such notice to the employer or other payer in the manner provided by this section at the time the order is entered without application of any party

when an employer or other payer is identified to the circuit clerk by inclusion in the pleadings pursuant to section 452.312, or otherwise. The notice of income withholding shall be prepared by the person entitled to support pursuant to the order, or the legal representative of that person, on a form prescribed by the court, and shall be presented to the clerk of the court at the time the order of support is entered. The notice shall direct the employer or other payer to withhold each month an amount equal to one month's child support and maintenance until further notice from the court. In the event of a delinquency in child support or maintenance payments in an amount equal to one month's total support obligation, the notice further shall direct the employer or other payer to withhold each month an additional amount equal to fifty percent of one month's child support and maintenance until the support delinquency is paid in full. The notice shall also include a statement of exemptions which may apply to limit the portion of the obligated party's disposable earnings which are subject to the withholding pursuant to federal or state law and notify the obligor that the obligor may request a hearing and related information pursuant to this section. The notice shall contain the Social Security number of the obligor if available. The circuit clerk shall send a copy of this notice by regular mail to the last known address of the obligated party. A notice issued pursuant to this section shall be binding on the employer or other payer, and successor employers and payers, two weeks after mailing, and shall continue until further order of the court or the **family support** division [of child support enforcement]. If the notice does not contain the Social Security number of the obligor, the employer or other payer shall not be liable for withholding from the incorrect obligor. The obligated party may, within that two-week period, request a hearing on the issue of whether the withholding should take effect. The withholding shall not be held in abeyance pending the outcome of the hearing. The obligor may not obtain relief from the withholding by paying overdue support, if any. The only basis for contesting the withholding is a mistake of fact. For the purpose of this section, "mistake of fact" shall mean an error in the amount of arrearages, if applicable, or an error as to the identity of the obligor. The court shall hold its hearing, enter its order disposing of all issues disputed by the obligated party, and notify the obligated party and the employer or other payer, within forty-five days of the date on which the withholding notice was sent to the employer.

5. For each payment the employer may charge a fee not to exceed six dollars per month, which shall be deducted from each obligor's moneys, income or periodic earnings, in addition to the amount deducted to meet the support or maintenance obligation subject to the limitations contained in the federal Consumer Credit Protection Act (15 U.S.C. 1673).

6. Upon termination of the obligor's employment with an employer upon whom a withholding notice has been served, the employer shall so notify the court in writing. The employer shall also inform the court, in writing, as to the last known address of the obligor and the name and address of the obligor's new employer, if known.

7. Amounts withheld by the employer or other payer shall be transmitted, in accordance with the notice, within seven business days of the date that such amounts were payable to the obligated party. For purposes of this section, "business day" means a day that state offices are open for regular business. The employer or other payer shall, along with the amounts transmitted, provide the date each amount was withheld from each obligor. If the employer or other payer is withholding amounts for more than one order, the employer or other payer may combine all such withholdings that are payable to the same circuit clerk or the family support payment center and transmit them as one payment, together with a separate list identifying the cases to which they apply. The cases shall be identified by court case number, name of obligor, the obligor's Social Security number, the IV-D case number, if any, the amount withheld for each obligor, and the withholding date or dates for each obligor, to the extent that such information is known to the employer or other payer. An employer or other payer who fails to honor a withholding notice pursuant to this section may be held in contempt of court and is liable to the obligee for the amount that should have been withheld. Compliance by an employer or other payer with the withholding notice operates as a discharge of liability to the obligor as to that portion of the obligor's periodic earnings or other income so affected.

8. As used in this section, the term "employer" includes the state and its political subdivisions.

9. An employer shall not discharge or otherwise discipline, or refuse to hire, an employee as a result of a withholding notice issued pursuant to this section. Any obligor who is aggrieved as a result of a violation of this subsection may bring a civil contempt proceeding against the employer by filing an appropriate motion in the cause of action from which the withholding notice issued. If the court finds that the employer discharged, disciplined, or refused to hire the obligor as a result of the withholding notice, the court may order the employer to reinstate or hire the obligor, or rescind any wrongful disciplinary action. If, after the entry of such an order, the employer refuses without good cause to comply with the court's order, or if the employer fails to comply with the withholding notice, the court may, after notice to the employer and a hearing, impose a fine against the employer, not to exceed five hundred dollars. Proceeds of any such fine shall be distributed by the court to the county general revenue fund.

10. A withholding entered pursuant to this section may, upon motion of a party and for good cause shown, be amended by the court. The clerk shall notify the employer of the amendment in the manner provided for in subsection 4 of this section.

11. The court, upon the motion of obligor and for good cause shown, may terminate the withholding, except that the withholding shall not be terminated for the sole reason that the obligor has fully paid past due child support and maintenance.

12. A withholding effected pursuant to this section shall have priority over any other legal process pursuant to state law against the same wages, except that where the other legal process is an order issued pursuant to this section or section 454.505, the processes shall run concurrently, up to applicable wage withholding limitations. If concurrently running wage withholding processes for the collection of support obligations would cause the amounts withheld from the wages of the obligor to exceed applicable wage withholding limitations and includes a wage withholding from another state pursuant to section 454.932, the employer shall first satisfy current support obligations by dividing the amount available to be withheld among the orders on a pro rata basis using the percentages derived from the relationship each current support order amount has to the sum of all current child support obligations. Thereafter, delinquencies shall be satisfied using the same pro rata distribution procedure used for distributing current support, up to the applicable limitation. If concurrently running wage withholding processes for the collection of support obligations would cause the amounts withheld from the wages of the obligor to exceed applicable wage withholding limitations and does not include a wage withholding from another state pursuant to section 454.932, the employer shall withhold and pay to the payment center an amount equal to the wage withholding limitations. The payment center shall first satisfy current support obligations by dividing the amount available to be withheld among the orders on a pro rata basis using the percentages derived from the relationship each current support order amount has to the sum of all current child support obligations. Thereafter, arrearages shall be satisfied using the same pro rata distribution procedure used for distributing current support, up to the applicable limitation.

13. The remedy provided by this section applies to child support and maintenance orders entered prior to August 13, 1986, notwithstanding the absence of the notice to the obligor provided for in subsection 1 of this section, provided that prior notice from the circuit clerk to the obligor in the manner prescribed in subsection 5 of section 452.345 is given.

14. Notwithstanding any provisions of this section to the contrary, in a case in which support rights have been assigned to the state or in which the **family support** division [of child support enforcement] is providing support enforcement services pursuant to section 454.425, the director of the **family support** division [of child support enforcement] may amend or terminate a withholding order issued pursuant to this section, as provided in this subsection without further action of the court. The director may amend or terminate a withholding order and issue an administrative withholding order pursuant to section 454.505 when the director determines that children for whom the support order applies are no longer entitled to support pursuant to section

452.340, when the support obligation otherwise ends and all arrearages are paid, when the support obligation is modified pursuant to section 454.500, or when the director enters an order that is approved by the court pursuant to section 454.496. The director shall notify the employer and the circuit clerk of such amendment or termination. The director's administrative withholding order or withholding termination order shall preempt and supersede any previous judicial withholding order issued pursuant to this or any other section.

15. For the purpose of this section, "income" means any periodic form of payment due to an individual, regardless of source, including wages, salaries, commissions, bonuses, workers' compensation benefits, disability benefits, payments pursuant to a pension or a retirement program and interest.

16. If the secretary of the Department of Health and Human Services promulgates a final standard format for an employer income withholding notice, the court shall use or require the use of such notice.

452.370. MODIFICATION OF JUDGMENT AS TO MAINTENANCE OR SUPPORT, WHEN — TERMINATION, WHEN — RIGHTS OF STATE WHEN AN ASSIGNMENT OF SUPPORT HAS BEEN MADE — COURT TO HAVE CONTINUING JURISDICTION, DUTIES OF CLERK, CLERK TO BE "APPROPRIATE AGENT", WHEN — SEVERANCE OF RESPONSIVE PLEADING. — 1. Except as otherwise provided in subsection 6 of section 452.325, the provisions of any judgment respecting maintenance or support may be modified only upon a showing of changed circumstances so substantial and continuing as to make the terms unreasonable. In a proceeding for modification of any child support or maintenance judgment, the court, in determining whether or not a substantial change in circumstances has occurred, shall consider all financial resources of both parties, including the extent to which the reasonable expenses of either party are, or should be, shared by a spouse or other person with whom he or she cohabits, and the earning capacity of a party who is not employed. If the application of the child support guidelines and criteria set forth in section 452.340 and applicable supreme court rules to the financial circumstances of the parties would result in a change of child support from the existing amount by twenty percent or more, a prima facie showing has been made of a change of circumstances so substantial and continuing as to make the present terms unreasonable, if the existing amount was based upon the presumed amount pursuant to the child support guidelines.

2. When the party seeking modification has met the burden of proof set forth in subsection 1 of this section, the child support shall be determined in conformity with criteria set forth in section 452.340 and applicable supreme court rules.

3. Unless otherwise agreed in writing or expressly provided in the judgment, the obligation to pay future statutory maintenance is terminated upon the death of either party or the remarriage of the party receiving maintenance.

4. Unless otherwise agreed in writing or expressly provided in the judgment, provisions for the support of a child are terminated by emancipation of the child. The parent entitled to receive child support shall have the duty to notify the parent obligated to pay support of the child's emancipation and failing to do so, the parent entitled to receive child support shall be liable to the parent obligated to pay support for child support paid following emancipation of a minor child, plus interest.

5. If a parent has made an assignment of support rights to the **family support** division [of family services] on behalf of the state as a condition of eligibility for benefits pursuant to the Temporary Assistance for Needy Families program and either party initiates a motion to modify the support obligation by reducing it, the state of Missouri shall be named as a party to the proceeding. The state shall be served with a copy of the motion by sending it by certified mail to the director of the **family support** division [of child support enforcement].

6. The court shall have continuing personal jurisdiction over both the obligee and the obligor of a court order for child support or maintenance for the purpose of modifying such order. Both obligee and obligor shall notify, in writing, the clerk of the court in which the

support or maintenance order was entered of any change of mailing address. If personal service of the motion cannot be had in this state, the motion to modify and notice of hearing shall be served outside the state as provided by supreme court rule 54.14. The order may be modified only as to support or maintenance installments which accrued subsequent to the date of personal service. For the purpose of 42 U.S.C. 666(a)(9)(C), the circuit clerk shall be considered the "appropriate agent" to receive notice of the motion to modify for the obligee or the obligor, but only in those instances in which personal service could not be had in this state.

7. If a responsive pleading raising the issues of custody or visitation is filed in response to a motion to modify child support filed at the request of the **family support** division [of child support enforcement] by a prosecuting attorney or circuit attorney or an attorney under contract with the division, such responsive pleading shall be severed upon request.

8. Notwithstanding any provision of this section which requires a showing of substantial and continuing change in circumstances, in a IV-D case filed pursuant to this section by the **family support** division [of child support enforcement] as provided in section 454.400, the court shall modify a support order in accordance with the guidelines and criteria set forth in supreme court rule 88.01 and any regulations thereunder if the amount in the current order differs from the amount which would be ordered in accordance with such guidelines or regulations.

452.416. PARENT'S CHANGE IN INCOME DUE TO MILITARY SERVICE, EFFECT ON ORDER OF CHILD SUPPORT — DIRECTOR OF DIVISION, DUTIES. — 1. Notwithstanding any other provision of law to the contrary, whenever a parent in emergency military service has a change in income due to such military service, such change in income shall be considered a change in circumstances so substantial and continuing as to make the terms of any order or judgment for child support or visitation unreasonable.

2. Upon receipt of a notarized letter from the commanding officer of a noncustodial parent in emergency military service which contains the date of the commencement of emergency military service and the compensation of the parent in emergency military service, the director of the **family support** division [of child support enforcement] shall take appropriate action to seek modification of the order or judgment of child support in accordance with the guidelines and criteria set forth in section 452.340 and applicable supreme court rules. Such notification to the director shall constitute an application for services under section 454.425.

3. Upon return from emergency military service the parent shall notify the director of the **family support** division [of child support enforcement] who shall take appropriate action to seek modification of the order or judgment of child support in accordance with the guidelines and criteria set forth in section 452.340 and applicable supreme court rules. Such notification to the director shall constitute an application for services under section 454.425.

4. As used in this section, the term "emergency military service" means that the parent is a member of a reserve unit or National Guard unit which is called into active military duty for a period of more than thirty days.

453.005. CONSTRUCTION OF SECTIONS 453.010 TO 453.400 — ETHNIC AND RACIAL DIVERSITY CONSIDERATIONS. — 1. The provisions of sections 453.005 to 453.400 shall be construed so as to promote the best interests and welfare of the child in recognition of the entitlement of the child to a permanent and stable home.

2. The **children's** division [of family services] and all persons involved in the adoptive placement of children as provided in subdivisions (1), (2) and (4) of section 453.014 shall provide for the diligent recruitment of potential adoptive homes that reflect the ethnic and racial diversity of children in the state for whom adoptive homes are needed.

3. Placement of a child in an adoptive home may not be delayed or denied on the basis of race, color or national origin.

453.014. WHO MAY PLACE MINOR FOR ADOPTION — RULES AND REGULATIONS, AUTHORITY. — 1. The following persons may place a minor for adoption:

- (1) The **children's** division [of family services] of the department of social services;
- (2) A child placing agency licensed pursuant to sections 210.481 to 210.536;
- (3) The child's parents, without the direct or indirect assistance of an intermediary, in the home of a relative of the child within the third degree;
- (4) An intermediary, which shall include an attorney licensed pursuant to chapter 484; a physician licensed pursuant to chapter 334; or a clergyman of the parents.

2. All persons granted the authority to place a minor child for adoption as designated in subdivision (1), (2) or (4) of subsection 1 of this section shall comply with the rules and regulations promulgated by the department of social services and the department of health and senior services for such placement.

3. The **children's division of the** department of social services[, division of family services] and the department of health and senior services shall promulgate rules and regulations regarding the placement of a minor for adoption.

4. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

453.015. DEFINITIONS. — As used in sections 453.010 to 453.400, the following terms mean:

(1) "Minor" or "child", any person who has not attained the age of eighteen years or any person in the custody of the **children's** division [of family services] who has not attained the age of twenty-one;

(2) "Parent", a birth parent or parents of a child, including the putative father of the child, as well as the husband of a birth mother at the time the child was conceived, or a parent or parents of a child by adoption. The putative father shall have no legal relationship unless he has acknowledged the child as his own by affirmatively asserting his paternity;

(3) "Putative father", the alleged or presumed father of a child including a person who has filed a notice of intent to claim paternity with the putative father registry established in section 192.016 and a person who has filed a voluntary acknowledgment of paternity pursuant to section 193.087; and

(4) "Stepparent", the spouse of a biological or adoptive parent. The term does not include the state if the child is a ward of the state. The term does not include a person whose parental rights have been terminated.

453.026. WRITTEN REPORT TO BE FURNISHED TO PROSPECTIVE ADOPTIVE PARENT, COURT AND GUARDIAN AD LITEM, WHEN. — 1. As early as is practical before a prospective adoptive parent accepts physical custody of a child, the person placing the child for adoption, as authorized by section 453.014, shall furnish to the court, the guardian ad litem and the prospective adoptive parent a written report regarding the child.

2. The person placing the child shall not be held liable for incorrect information as provided by others or unintentional errors when making the written report.

3. The **children's division of the** department of social services[, division of family services] shall promulgate rules and regulations regarding all written information that shall be furnished to the court, the guardian ad litem and the prospective adoptive parent.

4. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

(2) "Diminishing allotment", a monthly payment which periodically diminishes over a period of not longer than four years at which time it ceases;

453.070. INVESTIGATIONS PRECONDITION FOR ADOPTION — CONTENTS OF INVESTIGATION REPORT — HOW CONDUCTED — ASSESSMENTS OF ADOPTIVE PARENTS, CONTENTS — WAIVING OF INVESTIGATION, WHEN — FEES — PREFERENCE TO FOSTER PARENTS, WHEN. — 1. Except as provided in subsection 5 of this section, no decree for the adoption of a child under eighteen years of age shall be entered for the petitioner or petitioners in such adoption as ordered by the juvenile court having jurisdiction, until a full investigation, which includes an assessment of the adoptive parents, an appropriate postplacement assessment and a summary of written reports as provided for in section 453.026, and any other pertinent information relevant to whether the child is suitable for adoption by the petitioner and whether the petitioner is suitable as a parent for the child, has been made. The report shall also include a statement to the effect that the child has been considered as a potential subsidy recipient.

2. Such investigation shall be made, as directed by the court having jurisdiction, either by the **children's** division [of family services] of the department of social services, a juvenile court officer, a licensed child-placement agency, a social worker, a professional counselor, or a psychologist licensed under chapter 337 and associated with a licensed child-placement agency, or other suitable person appointed by the court. The results of such investigation shall be embodied in a written report that shall be submitted to the court within ninety days of the request for the investigation.

3. The [department of social services, division of family services,] **children's division** shall develop rules and regulations regarding the content of the assessment of the petitioner or petitioners. The content of the assessment shall include but not be limited to a report on the condition of the petitioner's home and information on the petitioner's education, financial, marital, medical and psychological status and criminal background check. If an assessment is conducted after August 28, 1997, but prior to the promulgation of rules and regulations by the department concerning the contents of such assessment, any discrepancy between the contents of the actual assessment and the contents of the assessment required by department rule shall not be used as the sole basis for invalidating an adoption. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536.

4. The assessment of petitioner or petitioners shall be submitted to the petitioner and to the court prior to the scheduled hearing of the adoptive petition.

5. In cases where the adoption or custody involves a child under eighteen years of age that is the natural child of one of the petitioners and where all of the parents required by this chapter to give consent to the adoption or transfer of custody have given such consent, the juvenile court

may waive the investigation and report, except the criminal background check, and enter the decree for the adoption or order the transfer of custody without such investigation and report.

6. In the case of an investigation and report made by the **children's** division [of family services] by order of the court, the court may order the payment of a reasonable fee by the petitioner to cover the costs of the investigation and report.

7. Any adult person or persons over the age of eighteen who, as foster parent or parents, have cared for a foster child continuously for a period of nine months or more and bonding has occurred as evidenced by the positive emotional and physical interaction between the foster parent and child, may apply to such authorized agency for the placement of such child with them for the purpose of adoption if the child is eligible for adoption. The agency and court shall give preference and first consideration for adoptive placements to foster parents. However, the final determination of the propriety of the adoption of such foster child shall be within the sole discretion of the court.

8. (1) Nothing in this section shall be construed to permit discrimination on the basis of disability or disease of a prospective adoptive parent.

(2) The disability or disease of a prospective adoptive parent shall not constitute a basis for a determination that the petitioner is unfit or not suitable to be an adoptive parent without a specific showing that there is a causal relationship between the disability or disease and a substantial and significant risk of harm to a child.

453.074. DUTIES OF CHILDREN'S DIVISION IN ADMINISTRATION OF SUBSIDY. — 1. The **children's** division [of family services] shall have the following duties in the administration of the subsidy program:

- (6) Comply with all federal laws relating to adoption subsidies in order to maintain the eligibility of the state of Missouri for federal funds.

2. The provisions of this section shall not apply to the adoption of a child by the spouse of a biological parent or an adoptive parent.

453.077. POSTPLACEMENT ASSESSMENTS REQUIRED, WHEN — RULEMAKING AUTHORITY. — 1. When a child has been placed with the petitioner for the required six-month placement period, the person conducting the preplacement assessment of the adoption or other persons authorized to conduct assessments pursuant to section 453.070 shall provide the court with a postplacement assessment. The specific content of which shall be determined by rule by the **children's division of the** department of social services[, division of family services]. The postplacement assessment shall include an update of the preplacement assessment which was submitted to the court pursuant to section 453.070, and a report on the emotional, physical and psychological status of the child. If an assessment is conducted after August 28, 1997, but prior to the promulgation of rules and regulations by the department concerning the contents of such assessment, any discrepancy between the contents of the actual assessment and the contents of the assessment required by department rule shall not be used as the sole basis for invalidating an adoption.

2. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536.

453.102. DIVISION TO INFORM ADOPTIVE PARENTS OF POSTPLACEMENT SERVICES, WHEN — NATURE OF SERVICES — FAMILY SERVICES TO ASSIST IN CASES OF ADOPTIVE PLACEMENT. — 1. After an adoptive placement has been made, the **children's** division [of family services] or other child-placing agency shall inform the adoptive parents of postplacement services available to them and the child. Such services may include, aiding the family in contacting adoptive family support groups, providing family counseling, periodic visitation by the agency and any other resources or services that would assist the family and the child in adjusting to the adoption.

2. In the event that an adoptive placement or a final adoption is disrupted resulting in the removal of the child from the home of the adoptive parents, the **children's** division [of family services] or other child-placing agency shall assist the parents and the child by providing or arranging contact with support groups, counseling or any other service deemed necessary to aid the family and the child in adjusting to the removal.

453.110. PROHIBITING TRANSFER OF CUSTODY OF CHILD — EXCEPTION — PENALTY — INVESTIGATION AND REPORT — TRANSFER OF CUSTODY ORDER ISSUED, WHEN. — 1. No person, agency, organization or institution shall surrender custody of a minor child, or transfer the custody of such a child to another, and no person, agency, organization or institution shall take possession or charge of a minor child so transferred, without first having filed a petition before the circuit court sitting as a juvenile court of the county where the child may be, praying that such surrender or transfer may be made, and having obtained such an order from such court approving or ordering transfer of custody.

2. If any such surrender or transfer is made without first obtaining such an order, such court shall, on petition of any public official or interested person, agency, organization or institution, order an investigation and report as described in section 453.070 to be completed by the **children's** division [of family services] and shall make such order as to the custody of such child in the best interest of such child.

3. Any person violating the terms of this section shall be guilty of a class D felony.

4. The investigation required by subsection 2 of this section shall be initiated by the **children's** division [of family services] within forty-eight hours of the filing of the court order requesting the investigation and report and shall be completed within thirty days. The court shall order the person having custody in violation of the provisions of this section to pay the costs of the investigation and report.

5. This section shall not be construed to prohibit any parent, agency, organization or institution from placing a child with another individual for care if the right to supervise the care of the child and to resume custody thereof is retained, or from placing a child with a licensed foster home within the state through a child-placing agency licensed by this state as part of a preadoption placement.

6. After the filing of a petition for the transfer of custody for the purpose of adoption, the court may enter an order of transfer of custody if the court finds all of the following:

- (1) A family assessment has been made as required in section 453.070 and has been reviewed by the court;
- (2) A recommendation has been made by the guardian ad litem;
- (3) A petition for transfer of custody for adoption has been properly filed or an order terminating parental rights has been properly filed;

- (5) The written report regarding the child who is the subject of the petition containing the information has been submitted as required by section 453.026;
- (6) Compliance with the Indian Child Welfare Act, if applicable; and

(7) Compliance with the Interstate Compact on the Placement of Children pursuant to section 210.620.

7. A hearing on the transfer of custody for the purpose of adoption is not required if:

- (2) The parties agree and the court grants leave; and
- (3) Parental rights have been terminated pursuant to section 211.444 or 211.447.

453.400. STEPPARENT REQUIRED TO SUPPORT STEPCHILD — RECOVERY FROM NATURAL OR ADOPTIVE PARENT, WHEN — STEPPARENT'S INCOME CONSIDERED IN AID TO DEPENDENT CHILDREN. — 1. A stepparent shall support his or her stepchild to the same extent that a natural or adoptive parent is required to support his or her child so long as the stepchild is living in the same home as the stepparent. However, nothing in this section shall be construed as abrogating or in any way diminishing the duty a parent otherwise would have to provide child support, and no court shall consider the income of a stepparent, or the amount actually provided for a stepchild by a stepparent, in determining the amount of child support to be paid by a natural or adoptive parent.

2. A natural or adoptive parent shall be liable to a stepparent for the sum of money expended by a stepparent for the support of a stepchild when that sum of money was expended because of the neglect or refusal of the natural or adoptive parent to pay any part of or all of the court-ordered amount of support.

3. This section shall not abrogate or diminish the common law right which a stepparent may possess to recover from a natural or adoptive parent the expense of providing necessities for a stepchild in the absence of a court order for child support determining the amount of support to be paid by a natural or adoptive parent.

4. This section shall not be construed as granting to a stepparent any right to the care and custody of a stepchild or as granting a stepchild any right to inherit from a stepparent under the general statutory laws governing descent and distribution.

5. This section shall apply without regard to whether public assistance is being provided on behalf of the stepchild or stepchildren in question.

6. This section shall be construed to apply only to support obligations incurred on or after July 1, 1977, notwithstanding that a marriage giving rise to the support obligation occurred prior to July 1, 1977.

7. With respect to section 208.040, this section shall not be construed to render a child ineligible for public assistance on the basis of the child's not being deprived of parental support, but it shall be construed to permit the inclusion of the income of a stepparent in the determination of eligibility for benefits and in the determination of the amount of the assistance payment.

8. In the determination of eligibility for benefits and in the determination of the amount of the assistance payment under section 208.150, that portion of the stepparent's income, as defined by the **family support** division [of family services] in the administration of aid to families with dependent children, shall be considered.

454.400. FAMILY SUPPORT DIVISION ESTABLISHED — DUTIES, POWERS — RULES, PROCEDURE. — 1. - (5) To adopt, amend and repeal rules and regulations necessary or desirable to carry out the provisions of this chapter and which are not inconsistent with the constitution or laws of this state;
- (6) To cooperate with the United States government in matters of mutual concern pertaining to any duties wherein the **family support** division [of child support enforcement] is acting as a state agency, including the adoption of such methods of administration as are found by the United States government to be necessary for the efficient operation of the state plan hereunder;
- (7) To make such reports in such form and containing such information as the United States government may, from time to time, require, and comply with such provisions as the United States government may, from time to time, find necessary to assure the correctness and verification of such reports;
- (8) To appoint, when and if it may deem necessary, advisory committees to provide professional or technical consultation in respect to child support enforcement problems and program administration. The members of such advisory committees shall receive no compensation for their services other than expenses actually incurred in the performance of their official duties. The number of members of each such advisory committee shall be determined by the **family support** division [of child support enforcement], and such advisory committees shall consult with the **family support** division [of child support enforcement] in respect to problems and policies incident to the administration of the particular function germane to their respective field of competence;

- (12) To accept gifts and grants of any property, real or personal, and to sell such property and expend such gifts or grants not inconsistent with the administration of the state plan for child support enforcement and within the limitations of the donor thereof;
- (13) To review every three years or such shorter cycle as the division may establish, upon the request of the obligee, the obligor or if there is an assignment under Part A of the federal Social Security Act, upon the request of the division, obligee or obligor taking into account the best interest of the child, the adequacy of child support orders in IV-D cases to determine whether modification is appropriate pursuant to the guidelines established by supreme court rule 88.01, to establish rules pursuant to chapter 536, to define the procedure and frequency of such reviews, and to initiate proceedings for modification where such reviews determine that a modification is appropriate. This subdivision shall not be construed to require the division or its designees to represent the interests of an absent parent against the interests of a custodial parent or the state;

(14) To provide services relating to the establishment of paternity and the establishment, modification and enforcement of child support obligations.

The division shall provide such services:

(a) Unless, as provided in this chapter, good cause or other exception exists, to each child for whom:

b. Benefits or services for foster care maintenance are provided under the state program funded under Part IV-E of the Social Security Act; or

(a) Seek to void such transfer; or

(b) Obtain a settlement in the best interest of the child support creditor.

3. No rule or portion of a rule promulgated pursuant to the authority of this chapter shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

454.403. SOCIAL SECURITY NUMBER REQUIRED ON ALL LICENSE, PERMIT OR CERTIFICATE APPLICATIONS. — Notwithstanding any other provision of law to the contrary, applicants for a professional, occupational or recreational license not coming under the purview of the division of professional registration shall be required by the appropriate licensing authority to provide the applicant's Social Security number on any application for a license, permit or certificate, or any renewal of a license, permit or certificate. The **family support** division [of child support enforcement] is authorized to coordinate with and assist with such licensing authorities to develop procedures to implement this requirement.

454.405. ENFORCEMENT OF SUPPORT OBLIGATIONS, COUNTIES TO COOPERATE — AGREEMENTS, CONTENTS, FUNDING, CANCELLATION — PROSECUTING ATTORNEYS, ADDITIONAL STAFF, FUNDS. — 1. Each county shall cooperate with the **family support** division [of child support enforcement] in the enforcement of support obligations under the state plan by appropriating a sufficient sum of money for the offices of the prosecuting attorney or, by entering into a multiple county agreement to share the costs of enforcement of support obligations and appropriating sufficient funds for such enforcement, and by appropriating to the circuit clerk a sufficient sum to enable those offices to perform any duty imposed under this law or any other law with respect to the enforcement of support obligations or to the transmittal of support moneys to the **family support** division [of child support enforcement] for deposit in the state treasury to the credit of the child support enforcement fund.

2. The **family support** division [of child support enforcement] shall enter into cooperative agreements with city or county governing bodies or officers, including, but not necessarily limited to, circuit courts, circuit clerks and prosecuting attorneys who choose to enter into a cooperative agreement, except that the director of the **family support** division [of child support enforcement] may, not less than sixty days prior to the expiration date of an existing cooperative

agreement, notify a city or county governing body or officer that the division will not enter into a cooperative agreement because the city or county governing body or officer failed to comply with the terms of the existing cooperative agreement, or with rules established by the division pursuant to subsection 4 of this section. The notice shall be in writing and shall set forth the reason for not entering into a new cooperative agreement. The notice shall be sent by certified mail, return receipt requested, to all city or county signatories of the existing cooperative agreement. Within thirty days of receipt of the notice, the city or county governing body or officer may submit to the director of the **family support** division [of child support enforcement] objections to the findings of the director, or a proposed plan to bring the city, county or officer into compliance. The director shall respond to the objections or the proposed plan prior to the expiration date of the existing cooperative agreement.

3. The cooperative agreements to be executed shall provide, as a minimum, for the following:

(1) For the governing body of the city or county to hire such additional stenographic, secretarial and administrative assistants as may be required to administer the child support enforcement program within that jurisdiction or, if the city or county is a participant in a multiple county agreement, to participate in the cost of the additional staff;

(2) For the city or county, upon recommendation of the prosecuting attorney, to hire such additional assistant prosecuting attorneys as may be required to administer the child support enforcement program within that jurisdiction or, if the city or county is a participant in a multiple county agreement, to participate in the cost of attorneys retained for that purpose;

(3) For the city or county to furnish office space and other administrative requirements for the proper administration of the child support enforcement program within that jurisdiction or, if the city or county is a participant in a multiple county agreement, to participate in the cost of the office space and other administrative requirements;

(4) For the reimbursement by the state from moneys received from the federal government of reasonable and necessary costs, as determined by the director of the **family support** division [of child support enforcement], associated with enforcement of support obligations by the county or city or, if applicable, the multiple county unit, at the applicable rate, to be paid at least monthly if properly authenticated vouchers are submitted by the city or county. Payments shall be made no later than thirty days from the date of submission of the vouchers;

(5) For the city or county or, if applicable, the multiple county unit, to maintain financial and performance records required by federal regulation to be available for inspection by representatives of the department of social services, the state auditor, or the United States Department of Health and Human Services; and

(6) For the payment of incentive payments by the state from moneys received from the federal government as provided by the Social Security Act and federal and state regulations promulgated thereunder. The **family support** division [of child support enforcement] shall calculate and promptly pay to the city or county a basic incentive payment not less than the minimum incentive payment rate established by 45 CFR 303.52; provided, however, that the total amount paid as incentives for non-AFDC collections shall not exceed the total amount paid as incentives for AFDC collections, unless otherwise agreed upon in the cooperative agreement between the state and county or city. Incentive payments by the state to the counties shall not occur for any period during which the state does not receive incentive payments from the federal government.

4. The **family support** division [of child support enforcement] shall have the authority to promulgate rules pursuant to this section, section 454.400 and chapter 536 in order to establish criteria for record keeping and performance relating to the effective administration of the child support enforcement program, which shall apply to a city or county office or officer, or multiple county unit, with whom a cooperative agreement is entered. The division may cancel a cooperative agreement with a city or county office if the office fails to comply with the rules established under this subsection, or fails to comply with the terms of the cooperative

agreement. The division director shall notify the city or county governing body or officer in writing, setting forth the reason for the cancellation. Notice of cancellation shall be sent by certified mail, return receipt requested, to all city or county signatories of the cooperative agreement, and shall be mailed at least sixty days prior to the effective date of cancellation. Within thirty days of receipt of the notice, the city or county governing body or officer may submit to the director of the **family support** division [of child support enforcement] objections to the findings of the director, or a proposed plan to bring the city, county or officer into compliance with the cooperative agreement or rules established under this subsection. The director shall respond to the objections or proposed plan prior to the effective date of cancellation.

5. At any time after the director determines not to enter into a cooperative agreement under subsection 2 of this section or cancels a cooperative agreement under subsection 4 of this section, the city or county governing body or officer may request that a new cooperative agreement be negotiated. At the time of the request, the city or county governing body or officer shall submit a proposed plan for compliance with a cooperative agreement or with rules established under this section. After the request and submission of the proposed plan, the director may enter into a cooperative agreement with the city or county governing body or officer. The cooperative agreement shall contain the provisions set out in subsection 3 of this section.

6. The limitations set out in chapter 56 regarding the salaries and the number of assistant prosecuting attorneys and the stenographic or administrative personnel shall not apply, and the county or city governing body shall appropriate sufficient funds to compensate such additional staff or multiple county unit for implementing the provisions of the child support enforcement program.

7. With the approval of the city or county governing body and the director of the **family support** division [of child support enforcement], and for the purpose of investigating the child support cases, the prosecuting attorney, circuit attorney or multiple county unit may employ sufficient investigators to properly administer the provisions of the child support enforcement program.

454.408. DUTIES OF THE FAMILY SUPPORT DIVISION. — The **family support** division [of child support enforcement]:

(1) Shall determine whether a person who has applied for or is receiving assistance from a program funded pursuant to Part A or Part E of Title IV of the Social Security Act, Title XIX of the Social Security Act or the Food Stamp Act is cooperating in good faith with the division in establishing the paternity of, or in establishing, modifying or enforcing a support order for any child of such person by providing the division with the name of the noncustodial parent or any other information the division may require. The division may, by regulation, excuse compliance with the provisions of this subsection on a case-by-case basis for good cause or other exceptions as the division may deem to be in the best interest of the child;

(2) Shall require as a condition of cooperation that such person supply additional information deemed necessary by the division and appear at any interviews, hearings or legal proceedings;

(3) Shall require as a condition of cooperation that such person and such person's child submit to genetic testing pursuant to a judicial or administrative order;

(4) May request that such person sign a voluntary acknowledgment of paternity, after notice of the rights and consequences of such an acknowledgment, but may not require such person to sign an acknowledgment or otherwise relinquish the right to a genetic test as a condition of cooperation and eligibility for assistance from a state program funded pursuant to Part A or Part E of Title IV of the Social Security Act, Title XIX of the Social Security Act or the Food Stamp Act; and

(5) Shall promptly notify such person, the **family support** division [of family services] , or the **MO HealthNet** division [of medical services] of every determination made pursuant to

this section, including a determination that such person is not cooperative and the basis for such determination.

454.415. DEFINITIONS — ASSIGNMENT OF SUPPORT RIGHTS TO DIVISION, PROCEDURE — CLERK OF COURT OR FAMILY SUPPORT PAYMENT CENTER MADE TRUSTEE, WHEN, DUTIES — TERMINATION OF ASSIGNMENT, EFFECT OF. — 1. For the purposes of this section, the term "IV-A agency" shall mean:

(2) An agency that has been designated by a state to administer programs pursuant to Title IV-D of the Social Security Act; or

(3) Any other entity entitled to receive and disburse child support payments in that state.

2. When a court has ordered support payments to a person who has made an assignment of support rights to the **family support** division [of family services] or the IV-A agency of another state on behalf of this or such other state, the **family support** division [of child support enforcement] shall notify the court.

(1) Until October 1, 1999, upon such notice, the court shall order all support payments to be made to the clerk of the court as trustee for the division of family services or the other state's IV-A agency, whichever is appropriate, as assignee of the support rights. The clerk shall forward all support payments to the department of social services, which payments have been identified by the department for deposit in the appropriate fund within the state treasury when assignments have been made to the division of family services. The clerk shall forward support payments to the other state's IV-D agency when assignments have been made to that state's IV-A agency. Notification to the court by the division of child support enforcement of the assignment of support rights shall, in and of itself, authorize the court to make the clerk trustee, notwithstanding any provision of any existing court order, statute, or other law to the contrary, and the court need not hold a hearing on the matter. The amount of the obligation owed to this state or the other state's IV-A agency shall be the amount specified in a court order which covers the assigned rights. The clerk shall keep an accurate record of such orders and such payments and shall note such assignment in the case file in such a manner as to make the fact of the assignment easily discernible.

(2) Effective October 1, 1999, support payments are to be made to the payment center pursuant to section 454.530 as trustee for the **family support** division [of family services] or other state's IV-A agency, whichever is appropriate, as assignee of the support rights. The payment center shall forward all support payments to the state, which payments have been identified by the **family support** division [of child support enforcement] for deposit in the appropriate fund within the state treasury when assignments have been made to the **family support** division [of family services]. The payment center shall forward support payments to the other state's IV-D agency when assignments have been made to that state's IV-A agency. Notification to the court by the **family support** division [of child support enforcement] of the assignment of support rights shall, in and of itself, make the payment center trustee, notwithstanding any provision of any existing court order or state law to the contrary, and the court shall not be required to hold a hearing on the matter. The amount of the obligation owed to this state or the other state's IV-A agency shall be the amount specified in a court order which covers the assigned rights. The payment center shall keep an accurate record of such orders and payments.

3. (1) Upon termination of the assignment for any case in which payments are not to be made to the payment center pursuant to section 454.530, the clerk of the court shall continue as trustee for the **family support** division [of family services] or the other state's IV-A agency for any accrued unpaid support at the time of the termination and as trustee for the obligee for any support becoming due after the termination. If there has been an assignment to the **family support** division [of family services] and there is no current assignment to another state's IV-A

agency, the clerk of the court shall forward to the obligee all payments for support accruing subsequent to the termination and shall forward to the department of social services all payments for support which had accrued and were unpaid at the time of the termination. If there has been an assignment to another state's IV-A agency and there is no current assignment to the **family support** division [of family services], the clerk of the court shall continue to forward to that state's IV-D agency all payments for support accruing subsequent to the termination of the assignment as well as all payments for support which had accrued and were unpaid at the time of the termination. When there has been an assignment to the **family support** division [of family services], the clerk of the court shall apply payments first to support which has accrued subsequent to the termination, to the extent thereof, and then to support which accrued prior to termination, except such payments collected by the **family support** division [of child support enforcement] through debt setoff or legal process shall be forwarded to the department of social services, unless the department of social services directs otherwise. After termination of the assignment, the trusteeship may be dissolved upon motion of a party after notice and hearing on behalf of all parties to the proceeding or pursuant to subsections 3 to 7 of section 454.430. Prior to termination of the assignment, no motion may be filed, nor maintained, for the purpose of terminating or abating any trusteeship in favor of the **family support** division [of family services] or another state's IV-A agency.

(2) Effective October 1, 1999, upon termination of the assignment for any case in which payments are to be made to the payment center pursuant to section 454.530, the payment center shall continue as trustee for the **family support** division [of family services] or the other state's IV-A agency for any accrued unpaid support at the time of the termination and as trustee for the obligee for any support coming due after the termination. If there has been an assignment to the **family support** division [of family services] and there is no current assignment to another state's IV-A agency, the payment center shall forward to the obligee all payments for support which accrue after the termination and shall forward to the **family support** division [of child support enforcement] all payments for support which had accrued and were unpaid at the time of termination. If there has been an assignment to another state's IV-A agency and there is no current assignment to the **family support** division [of family services], the payment center shall continue to forward to that state's IV-D agency all payments for support which accrue after the termination of the assignment as well as all payments for support which had accrued and were unpaid at the time of termination. If there has been an assignment to the **family support** division [of family services], the payment center shall apply payments first to support which accrues after the termination, to the extent thereof, and then to support which accrued prior to termination; except that such payments collected by the **family support** division [of child support enforcement] through debt setoff or legal process shall be forwarded to the **family support** division [of child support enforcement], unless the division directs otherwise. After termination of the assignment, the trusteeship may be dissolved upon motion of a party after notice and hearing on behalf of all parties to the proceeding or pursuant to subsections 3 to 7 of section 454.430. Prior to termination of the assignment, no motion shall be filed or maintained for the purpose of terminating or abating any trusteeship in favor of the **family support** division [of family services] or another state's IV-A agency.

4. For purposes of this section, "assignment" includes an assignment to the state by a person who has applied or is receiving assistance under a program funded pursuant to Part A of Title IV or Title XIX of the Social Security Act.

454.420. LEGAL ACTIONS TO ESTABLISH OR ENFORCE SUPPORT OBLIGATIONS, BROUGHT, BY WHOM, PROCEDURE — ASSIGNMENT TO DIVISION TERMINATES, WHEN, EFFECT — MONEY COLLECTED, WHERE DEPOSITED. — Any legal action necessary to establish or enforce support obligations owed to the state shall be brought by prosecuting attorneys, or other attorneys under cooperative agreement with the **family support** division [of child support enforcement], upon being furnished notice by the division of such obligation. If the amount of

the support obligation owed to the state has not been determined because no court order exists, the **family support** division [of child support enforcement] may refer the case to the appropriate prosecuting attorney, or other attorney under cooperative agreement with the division, for establishment and enforcement of a support order or order for reimbursement. When a recipient is no longer eligible for aid to families with dependent children benefits, the assignment shall terminate, unless the recipient and the **family support** division [of child support enforcement] agree otherwise, except for those unpaid support obligations still owing to the state under the assignment at the time of the discontinuance of aid. Upon referral from the **family support** division [of child support enforcement], such unpaid obligations shall be collected by the prosecuting attorney, or other attorney under cooperative agreement with the division, up to the amount of unreimbursed aid paid by the **family support** division [of family services] prior to or after execution of the assignment of support rights. Moneys collected pursuant to this section shall be paid to the department of social services for deposit in the child support enforcement fund in the state treasury.

454.425. Services may be provided to children, custodial parents, noncustodial parents and other persons entitled to receive support. An application may be required by the division for services and fees may be charged by the division pursuant to 42 U.S.C. Section 654 and federal regulations. Services provided under a state plan shall be made available to residents of other states on the same terms as residents of this state. If a family receiving services ceases to receive assistance under a state program funded under Part A of Title IV of the Social Security Act, the division shall provide appropriate notice to such family, and services shall continue under the same terms and conditions as that provided to other individuals under the state plan, except that an application for continued services shall not be required and the requirement for payment of fees shall not apply to the family.

454.430. IV-D AGENCY, DEFINED — CLERK OF COURT OR FAMILY SUPPORT PAYMENT CENTER TO SERVE AS TRUSTEE, WHEN, DUTIES — TERMINATION OF TRUSTEE RESPONSIBILITIES BY DIVISION, PROCEDURE. — 1. For the purposes of this section, the term "IV-D agency" means an agency that has been designated by a state to administer programs pursuant to Title IV-D of the Social Security Act or any other entity entitled to receive and disburse child support payments in that state.

2. When a court has ordered support payments to a person who is receiving child support services pursuant to section 454.425, or pursuant to application for IV-D agency services in another state, the **family support** division [of child support enforcement] shall so notify the court. Until October 1, 1999, upon such notice the court shall order all support payments to be made to the clerk of the court as trustee for such person. The notification to the court by the division shall, in and of itself, authorize the court to make the clerk trustee, notwithstanding any provision of any existing court order, statute, or other law to the contrary, and the court need not hold a hearing on the matter. The clerk shall keep an accurate record of such orders and such payments, and shall report all such collections to the division in the manner specified by the division. The circuit clerk shall forward all such payments to the person receiving child support services pursuant to section 454.425, or to the IV-D agency in the state in which the person is currently receiving IV-D services, as appropriate. Effective October 1, 1999, upon notice by the division, all support payments shall be made to the payment center pursuant to section 454.530 as trustee for such person. The notification by the division shall, in and of itself, authorize the payment center pursuant to section 454.530 to be trustee, notwithstanding any provision of any existing court order or state law to the contrary, and the court shall not be required to hold a hearing on the matter. The payment center shall keep an accurate record of such orders and

payments, and shall report all such collections to the division in a manner specified by the division. The payment center shall forward all such payments to the person receiving child support services pursuant to section 454.425 or to the IV-D agency in the state in which the person is currently receiving IV-D services, as appropriate.

3. The division is authorized to terminate trusteeship responsibilities for future support in IV-D cases pursuant to the procedures set forth in this section. If the division determines that the order no longer provides a continuing obligation for support or the custodial party is no longer receiving child support enforcement services, the division shall send a notice of its intent to terminate the trusteeship by regular mail to the custodial and noncustodial parties. The notice shall advise each party that unless written objection is received by the division within fifteen days of the date the notice is sent, the trusteeship for current support shall be terminated. Unless a party objects to the termination of the trusteeship in writing within the specified period, the division shall terminate the trusteeship for current support.

4. If an objection is filed by either party to the case, the trusteeship may be terminated for future support only upon the filing of a motion with the court in which the trusteeship is established and after notice to all parties and hearing on the motion.

5. If the requirements of subsection 3 of this section have been met, the trusteeship responsibilities for future support shall terminate. The trusteeship shall remain in effect only to the extent that payments are made to satisfy any accrued unpaid support that was due as of the date of the notice. The notice shall, in and of itself, terminate the trusteeship responsibilities for future support, and the court need not hold a hearing on the matter.

6. Any party whose trusteeship is terminated pursuant to this section may reopen a trusteeship pursuant to section 452.345.

7. Termination of a trusteeship pursuant to this section shall not, in and of itself, constitute a judicial determination as to the rights of a party to receive support or the obligation of a party to pay support pursuant to a support order entered in the case.

454.432. CIRCUIT CLERK, RECORDING OF CREDITS FOR AMOUNTS NOT RECEIVED, RESTRICTIONS, CREDITS ON STATE DEBT FOR JOB TRAINING AND EDUCATION, CONDITIONS AND RESTRICTIONS. — 1. 2. Credits allowed pursuant to this section shall include, but not be limited to, in-kind payments as provided in this section, amounts collected from an obligor from federal and state income tax refunds, state lottery payments, Social Security payments, unemployment and workers' compensation benefits, income withholdings authorized by law, liens, garnishment actions, abatements pursuant to section 452.340, and any other amounts required to be credited by statute or case law.

3. Credits shall be recorded on the trusteeship record for payments received by the **family support** division [of child support enforcement] and, at the discretion of the **family support** division [of child support enforcement], and upon receipt of waivers requested pursuant to subsection 4 of this section, credits may be given on state debt judgments obtained pursuant to subsection 1 of section 454.465 for completion of such activities as job training and education, if mutually agreed upon by the division and the obligor. The circuit clerk shall make such credits upon receipt of paper or electronic notification of the amount of the credit from the division. The division may record the credit or adjust the records to reflect payments and disbursements shown on the trusteeship record when the trusteeship record is contained or maintained in the automated child support system established in this chapter.

4. The director of the department of social services shall apply to the United States Secretary of Health and Human Services for all waivers of requirements pursuant to federal law necessary to implement the provisions of subsection 3 of this section.

5. Credits shall be entered on the automated child support system for direct and in-kind payments received by the custodial parent when the custodial parent files an affidavit stating the particulars of the direct and in-kind payments to be credited on the court record with the circuit clerk; however, no such credits shall be entered for periods during which child support payments are assigned to the state pursuant to law. Such credits may include, but shall not be limited to, partial and complete satisfaction of judgment for support arrearages.

6. Nothing contained in this section shall prohibit satisfaction of judgment as provided for in sections 511.570 to 511.620 and by supreme court rule.

7. Application for the federal earned income tax credit shall, when applicable, be required as a condition of participating in the alternative child support credit programs of subsection 3 of this section.

454.433. ORDER OF FOREIGN COURTS, NOTIFICATION BY DIVISION, DUTIES OF CIRCUIT CLERK — CLERK OR FAMILY SUPPORT PAYMENT CENTER TRUSTEE, DUTY TO KEEP RECORDS. — 1. Until October 1, 1999, upon such notice the circuit clerk shall accept all support payments and remit such payments to the person or entity entitled to receive the payments. Effective October 1, 1999, the division shall order the payment center to accept all support payments and remit such payments to the person or entity entitled to receive the payments.

2. Notwithstanding any provision of law to the contrary, the notification to the court by the division shall authorize the court to make the clerk trustee. The clerk shall keep an accurate record of such payments and shall report all collections to the division in the manner specified by the division. Effective October 1, 1999, the duties of the clerk as trustee pursuant to this section shall terminate and all payments shall be made to the payment center pursuant to section 454.530.

454.435. PROSECUTING ATTORNEYS, COOPERATIVE OR MULTIPLE COUNTY AGREEMENT, DUTIES — OTHER ATTORNEYS MAY PROSECUTE, WHEN. — 1. In all cases where a prosecuting attorney seeks the establishment or modification of a support obligation, the prosecuting attorney shall, in addition to periodic monetary support, seek and enforce orders from the court directing the obligated parent to maintain medical insurance on behalf of the child for whom support is sought, which insurance shall, in the opinion of the court, be sufficient to provide adequate medical coverage; or to otherwise provide for such child's necessary medical expenses.

2. In all cases where a prosecuting attorney has entered into a cooperative agreement to litigate or prosecute an action necessary to secure child support, and an information is not filed or civil action commenced within sixty days of the receipt of the referral from the division, the division may demand return of the referral and the case filed and the prosecuting attorney shall return the referral and the case file. The division may then use any other attorney which it employs or with whom it has a cooperative agreement to establish or enforce the support obligation.

3. As used in this section, the term "prosecuting attorney" means, with reference to any city not within a county, the circuit attorney.

4. Prosecuting attorneys are hereby authorized to initiate judicial or administrative modification proceedings on IV-D cases at the request of the division.

Upon request of the division or other state IV-D agency, the attorney general shall bring an action in a circuit court of competent jurisdiction to recover the civil penalty. The court shall have the authority to determine the amount of the civil penalty to be assessed.

5. Any business or financial entity, or any officer, agent or employee of such entity, participating in good faith in providing information requested pursuant to subsections 2 and 3 of this section shall be immune from liability, civil or criminal, that might otherwise result from the release of such information to the division.

6. Upon request of the division or other state IV-D agency, any parent shall complete a statement under oath, upon such form as the division or other state IV-D agency may specify, providing information, including, but not necessarily limited to, the parent's monthly income, the parent's total income for the previous year, the number and name of the parent's dependents and the amount of support the parent provides to each, the nature and extent of the parent's assets, and such other information pertinent to the support of the dependent as the division or other state IV-D agency may request. 9. For the protection of applicants and recipients of services pursuant to sections 454.400 to 454.645, all officers and employees of, and persons and entities under contract to, the state of Missouri are prohibited, except as otherwise provided in this subsection, from disclosing any information obtained by them in the discharge of their official duties relative to the identity of applicants for or recipients of services or relating to proceedings or actions to establish paternity or to establish or enforce support, or relating to the contents of any records, files, papers and communications, except in the administration of the child support program or the administration of public assistance, including civil or criminal proceedings or investigations conducted in connection with the administration of the child support program or the administration of public assistance. Such officers, employees, persons or entities are specifically prohibited from disclosing any information relating to the location of one party to another party:

Nothing in this subsection shall be construed to prohibit the circuit clerk from releasing information, not otherwise privileged, from court records for reasons other than the administration of the child support program, if such information does not identify any individual as an applicant for or recipient of services pursuant to sections 454.400 to 454.645. Anyone who purposely or knowingly violates this subsection is guilty of a class A misdemeanor.

454.445. 454.450. SUPPORT MONEY OWED STATE DUE, WHEN, FAILURE TO PAY WITHIN TIME LIMIT, RIGHTS OF FAMILY SERVICES — AGREEMENTS FOR COLLECTION OF SUPPORT, INVALID, WHEN, FEE ALLOWED PERSON MAKING COLLECTION, WHEN, AMOUNT — DEPRIVING DIVISION OF SUPPORT PAYMENTS, PENALTY. — 1. Whenever a custodian of a child, or other person, receives support moneys paid to him or her, which moneys are paid in whole or in part in satisfaction of a support obligation which is owed to the **family support** division [of family services pursuant to] **under** subsection 2 of section 454.465, or which has been assigned to the **family support** division [of family services pursuant to] **under** subsection 2 of section 208.040, the moneys shall be remitted to the department of social services within ten days of receipt by such custodian or other person. If not so remitted, such custodian or other person shall be indebted to the department in an amount equal to the amount of the support money received and not remitted. By not paying over the moneys to the department, such custodian or other person is deemed, without the necessity of signing any document, to have made an irrevocable assignment to the **family support** division [of family services] of any support delinquency owed which is not already assigned to the **family support** division [of

family services] or to any support delinquency which may accrue in the future in an amount equal to the amount of the support money retained. The department may utilize any available administrative or legal process to collect the assigned delinquency to effect recoupment and satisfaction of the debt incurred by reason of the failure of such custodian or other person to remit. The department is also authorized to make a setoff to effect satisfaction of the debt by deduction from support moneys in its possession or in the possession of any clerk of the court or other forwarding agent which would otherwise be payable to such custodian or other person for the satisfaction of any support delinquency. Nothing in this section authorizes the department to make a setoff as to current support paid during the month for which the payment is due and owing.

2. A custodian of a child, or other person, who has made an assignment of support rights to the **family support** division [of family services,] shall not make any agreement with any private attorney or other person regarding the collection of assigned support obligations without approval of the department of social services. If any private attorney or other person who in good faith and without knowledge of such assignment collects all or part of the assigned support obligations, any agreement regarding the distribution of the proceeds of the assigned support obligations by such private attorney or other person shall not bind the department; provided, however, the department shall be liable to such private attorney or other person for a fee computed in accordance with subsection 3 of this section. When a private attorney or other person has begun to collect a support obligation, and thereafter a notice of assignment of support rights to the division is filed with the court pursuant to section 454.415, notice of such assignment shall be given to that attorney or other person as provided by supreme court rule 43.01.

3. (1) Where an assignment of support rights has been made to the **family support** division [of family services] but notice of such assignment was not filed with the court pursuant to section 454.415, a private attorney who in good faith and without knowledge of such assignment collects all or part of such assigned support obligation shall be awarded by the department a fee of twenty-five percent of the support obligation collected. Such fees shall be paid out of state funds in lieu of federal funds.

(2) Where an assignment of support rights has been made to the **family support** division [of family services] and notice of the assignment was not filed with the court pursuant to section 454.415 until after the private attorney has begun collection proceedings, a private attorney who collects assigned support obligations shall be awarded a fee, as the court shall determine, based upon the time expended, but in no event shall the fee exceed twenty-five percent of the support obligation collected.

(3) Where no assignment of support rights has been made to the **family support** division [of family services] until after the private attorney has collected any part of the support obligation, no recoupment shall be had by the department of the portion collected, and the fee awarded to the private attorney or other person shall be the fee negotiated between the client and the private attorney or other person.

4. A person commits the crime of stealing, as defined by section 570.030, if [he] **such person** takes, obtains, uses, transfers, conceals, or retains possession of child support payments which have been assigned to the **family support** division [of family services] with the purpose to deprive the division thereof, either without the consent of the division or by means of deceit or coercion.

454.455. ASSIGNMENTS BY CARETAKER RELATIVES, TERMINATE, WHEN, EXCEPTIONS — CARETAKER RELATIVE DEFINED. — 1. In any case wherein an order for child support has been entered and the legal custodian and obligee pursuant to the order relinquishes physical custody of the child to a caretaker relative without obtaining a modification of legal custody, and the caretaker relative makes an assignment of support rights to the **family support** division [of family services] in order to receive aid to families with dependent children benefits, the

relinquishment and the assignment, by operation of law, shall transfer the child support obligation pursuant to the order to the division in behalf of the state. The assignment shall terminate when the caretaker relative no longer has physical custody of the child, except for those unpaid support obligations still owing to the state pursuant to the assignment at that time.

2. As used in subsection 1 of this section, the term "caretaker relative" includes only those persons listed in subdivision (2) of subsection 1 of section 208.040.

3. If an order for child support has been entered, no assignment of support has been made, and the legal custodian and obligee under the order relinquishes physical custody of the child to a caretaker relative without obtaining a modification of legal custody, or the child is placed by the court in the legal custody of a state agency, the division may, thirty days after the transfer of custody and upon notice to the obligor and obligee, direct the obligor or other payer to change the payee to the caretaker relative or appropriate state agency. An order changing the payee to a caretaker relative shall terminate when the caretaker relative no longer has physical custody of the child, or the state agency is relieved of legal custody, except for the unpaid support obligations still owed to the caretaker relative or the state.

4. If there has been an assignment of support to an agency or division of the state or a requirement to pay through a state disbursement unit, the division may, upon notice to the obligor and obligee, direct the obligor or other payer to change the payee to the appropriate state agency.

454.465. STATE DEBT, DEFINED, CALCULATION — RIGHTS OF DIVISION REGARDING STATE DEBTS — SERVICE OF PROCESS, PROCEDURE. — 1. For purposes of sections 454.460 to 454.505, a payment of public assistance by the **family support** division [of family services] to or for the benefit of any dependent child, including any payment made for the benefit of the caretaker of the child, creates an obligation, to be called "state debt", which is due and owing to the department by the parent, or parents, absent from the home where the dependent child resided at the time the public assistance was paid. The amount of the state debt shall be determined as follows:

(1) Where there exists a court order directed to a parent which covers that parent's support obligation to a dependent during a period in which the **family support** division [of family services] provided public assistance to or for the benefit of that dependent, the state debt of that parent shall be an amount equal to the obligation ordered by the court, including arrearages and unpaid medical expenses, up to the full amount of public assistance paid; or

(2) Where no court order covers a parent's support obligation to a dependent during a period in which the **family support** division [of family services] provided public assistance to or for the benefit of that dependent, the state debt may be set or reset by the director in an amount not to exceed the amount of public assistance so provided by the **family support** division [of family services].

2. No agreement between any obligee and any obligor regarding any duty of support, or responsibility therefor, or purporting to settle past, present, or future support obligations either as settlement or prepayment shall act to reduce or terminate any rights of the division to recover from that obligor for public assistance provided.

3. The division shall have the right to make a motion to a court or administrative tribunal for modification of any court order creating a support obligation which has been assigned to the **family support** division [of family services] to the same extent as a party to that action.

4. The department, or any division thereof, as designated by the department director is hereby authorized to promulgate such rules pursuant to section 454.400 and chapter 536 as may be necessary to carry out the provisions of this chapter and the requirements of the federal Social Security Act, including, but not necessarily limited to, the opportunity for a hearing to contest an order of the division establishing or modifying support rules for narrowing issues and simplifying the methods of proof at hearings, and establishing procedures for notice and the manner of service to be employed in all proceedings and remedies instituted pursuant to sections 454.460 to 454.505.

5. Service pursuant to sections 454.460 to 454.505 may be made on the parent or other party in the manner prescribed for service of process in a civil action, by an authorized process server appointed by the director, or by certified mail, return receipt requested. The director may appoint any uninterested party, including, but not necessarily limited to, employees of the division, to serve such process. For the purposes of this subsection, a parent who refuses receipt of service by certified mail is deemed to have been served.

6. Creation of or exemption from a state debt pursuant to this section shall not limit any rights which the department has or may obtain pursuant to common or statutory law, including, but not limited to, those obtained pursuant to an assignment of support rights obtained pursuant to section 208.040.

454.472. NO SUIT MAINTAINED IF CHILD SUPPORT IS CURRENT. — No garnishment, withholding, or other financial legal proceeding under chapter 454 to enforce a support order as defined in section 454.460 shall be levied or maintained by the **family support** division [of child support enforcement] against a party who alleges that no current or unpaid child support is due if, after review of the allegations and evidence, the division determines that no current or unpaid child support is due. The enforcement action may continue pending a review by the division, and the division may only levy an enforcement action if current or unpaid support should later become due and owing. The division shall advise a party to a support obligation being enforced by the division of the amount currently due under the support order and how that amount was calculated upon request.

454.478. SUMMARY OF EXPENSES REQUIRED, WHEN. — In cases where an administrative order is entered pursuant to the provisions of section 454.470 or section 454.476, the director of the **family support** division [of child support enforcement] may, upon petition of the party obligated to pay support and upon good cause shown, order the recipient to furnish the party obligated to pay support with a regular summary of expenses paid by such parent on behalf of the child. The director shall prescribe the form and substance of the summary.

454.490. ORDERS ENTERED BY DIRECTOR, DOCKETING OF, EFFECT. — 1. A true copy of any order entered by the director pursuant to sections 454.460 to 454.997, along with a true copy of the return of service, may be filed with the clerk of the circuit court in the county in which the judgment of dissolution or paternity has been entered, or if no such judgment was entered, in the county where either the parent or the dependent child resides or where the support order was filed. Upon filing, the clerk shall enter the order in the judgment docket. Upon docketing, the order shall have all the force, effect, and attributes of a docketed order or decree of the circuit court, including, but not limited to, lien effect and enforceability by supplementary proceedings, contempt of court, execution and garnishment. Any administrative order or decision of the **family support** division [of child support enforcement] filed in the office of the circuit clerk of the court shall not be required to be signed by an attorney, as provided by supreme court rule of civil procedures 55.03(a), or required to have any further pleading other than the director's order.

2. In addition to any other provision to enforce an order docketed pursuant to this section or any other support order of the court, the court may, upon petition by the division, require that an obligor who owes past due support to pay support in accordance with a plan approved by the court, or if the obligor is subject to such plan and is not incapacitated, the court may require the obligor to participate in work activities.

3. In addition to any other provision to enforce an order docketed pursuant to this section or any other support order of the court, division or other IV-D agency, the director may order that an obligor who owes past due support to pay support in accordance with a plan approved by the director, or if the obligor is subject to such plan and is not incapacitated, the director may order the obligor to participate in work activities. 454.495. CIRCUIT CLERK OR FAMILY SUPPORT PAYMENT CENTER MADE TRUSTEE, WHEN, DUTIES—ASSIGNMENT, DEFINED. — 1. Until October 1, 1999, when an administrative order has been docketed pursuant to section 454.490, the court shall order all support payments to be made to the circuit clerk as trustee for the division of family services or other person entitled to receive such payments pursuant to the order. The filing of such order by the director shall in and of itself authorize the court to make the circuit clerk the trustee, notwithstanding any existing court order, statute, or other law to the contrary, and the court need not hold a hearing on the matter. The circuit clerk shall:

- (1) Forward all such payments to the department or other person entitled to receive such payments pursuant to the order;
- (2) Keep an accurate record of the orders and the payments; and
- (3) Report all such collections to the department in the manner specified by the department.

2. Effective October 1, 1999, and if an administrative order has been docketed pursuant to section 454.490, the payment center pursuant to section 454.530 shall be trustee for the **family support** division [of family services] or other person entitled to receive such payments pursuant to the order. The order by the director shall, in and of itself, authorize the payment center to be the trustee, notwithstanding any existing court order or state law to the contrary, and the court shall not be required to hold a hearing on the matter. The payment center shall:

- (1) Forward all such payments to the department or other person entitled to receive such payments pursuant to the order;
- (2) Keep an accurate record of the orders and payments; and
- (3) Report all such collections to the division in the manner specified by the division.

3. As used in this section, "assignment" includes an assignment to the state by a person who has applied for or is receiving assistance under a program funded pursuant to Part A of Title IV or Title XIX of the Social Security Act.

454.496. MOTION TO MODIFY ORDER, REVIEW — FORM OF MOTION, SERVICE, PROCEDURE — EFFECTIVE, WHEN — VENUE FOR JUDICIAL REVIEW OF ADMINISTRATIVE ORDER, PROCEDURE. — 1. At any time after the entry of a court order for child support in a case in which support rights have been assigned to the state pursuant to section 208.040, or a case in which support enforcement services are being provided pursuant to section 454.425, the obligated parent, the obligee or the **family support** division [of child support enforcement] may file a motion to modify the existing child support order pursuant to this section, if a review has first been completed by the director of [child support enforcement pursuant to] **the family support division under** subdivision (13) of subsection 2 of section 454.400. The motion shall be in writing in a form prescribed by the director, shall set out the reasons for modification and shall state the telephone number and address of the moving party. The motion shall be served in the same manner provided for in subsection 5 of section 454.465 upon the obligated parent, the obligee and the division, as appropriate. In addition, if the support rights are held by the **family support** division [of family services] on behalf of the state, the moving party shall mail a true copy of the motion by certified mail to the person having custody of the dependent child at the last known address of that person. The party against whom the motion is made shall have thirty days either to resolve the matter by stipulated agreement or to serve the moving party and the director, as appropriate, by regular mail with a written response setting forth any objections

to the motion and a request for hearing. When requested, the hearing shall be conducted pursuant to section 454.475 by hearing officers designated by the department of social services. In such proceedings, the hearing officers shall have the authority granted to the director pursuant to subsection 6 of section 454.465.

2. When no objections and request for hearing have been served within thirty days, the director, upon proof of service, shall enter an order granting the relief sought. Copies of the order shall be mailed to the parties within fourteen days of issuance.

3. A motion to modify made pursuant to this section shall not stay the director from enforcing and collecting upon the existing order unless so ordered by the court in which the order is docketed.

4. The only support payments which may be modified are payments accruing subsequent to the service of the motion upon all parties to the motion.

5. The party requesting modification shall have the burden of proving that a modification is appropriate pursuant to the provisions of section 452.370.

6. Notwithstanding the provisions of section 454.490 to the contrary, an administrative order modifying a court order is not effective until the administrative order is filed with and approved by the court that entered the court order. The court may approve the administrative order if no party affected by the decision has filed a petition for judicial review pursuant to sections 536.100 to 536.140. After the thirty-day time period for filing a petition of judicial review pursuant to chapter 536 has passed, the court shall render its decision within fifteen days. If the court finds the administrative order should be approved, the court shall make a written finding on the record that the order complies with section 452.340 and applicable supreme court rules and approve the order. If the court finds that the administrative order should not be approved, the court shall set the matter for trial de novo.

7. If a petition for judicial review is filed, the court shall review all pleadings and the administrative record, as defined in section 536.130, pursuant to section 536.140. After such review, the court shall determine if the administrative order complies with section 452.340 and applicable supreme court rules. If it so determines, the court shall make a written finding on the record that the order complies with section 452.340 and applicable supreme court rules and approve the order or, if after review pursuant to section 536.140 the court finds that the administrative order does not comply with supreme court rule 88.01, the court may select any of the remedies set forth in subsection 5 of section 536.140. The court shall notify the parties and the division of any setting pursuant to this section.

8. Notwithstanding the venue provisions of chapter 536 to the contrary, for the filing of petitions for judicial review of final agency decisions and contested cases, the venue for the filing of a petition for judicial review contesting an administrative order entered pursuant to this section modifying a judicial order shall be in the court which entered the judicial order. In such cases in which a petition for judicial review has been filed, the court shall consider the matters raised in the petition and determine if the administrative order complies with section 452.340 and applicable supreme court rules. If the court finds that the administrative order should not be approved, the court shall set the matter for trial de novo. The court shall notify the parties and the division of the setting of such proceeding. If the court determines that the matters raised in the petition are without merit and that the administrative order complies with the provisions of section 452.340 and applicable supreme court rules, the court shall approve the order.

454.500. MODIFICATION OF AN ADMINISTRATIVE ORDER, PROCEDURE, EFFECT — RELIEF FROM ORDERS, WHEN. — 1. At any time after the entry of an order pursuant to sections 454.470 and 454.475, the obligated parent, the division, or the person or agency having custody of the dependent child may file a motion for modification with the director. Such motion shall be in writing, shall set forth the reasons for modification, and shall state the address of the moving party. The motion shall be served by the moving party in the manner provided for in subsection 5 of section 454.465 upon the obligated parent or the party holding the support

rights, as appropriate. In addition, if the support rights are held by the **family support** division [of family services] on behalf of the state, a true copy of the motion shall be mailed by the moving party by certified mail to the person having custody of the dependent child at the last known address of that person. A hearing on the motion shall then be provided in the same manner, and determinations shall be based on considerations set out in section 454.475, unless the party served fails to respond within thirty days, in which case the director may enter an order by default. If the child for whom the order applies is no longer in the custody of a person receiving public assistance or receiving support enforcement services from the department, or a division thereof, pursuant to section 454.425, the director may certify the matter for hearing to the circuit court in which the order was filed pursuant to section 454.490 in lieu of holding a hearing pursuant to section 454.475. If the director certifies the matter for hearing to the circuit court, service of the motion to modify shall be had in accordance with the provisions of subsection 5 of section 452.370. If the director does not certify the matter for hearing to the circuit court, service of the motion to modify shall be considered complete upon personal service, or on the date of mailing, if sent by certified mail. For the purpose of 42 U.S.C. 666(a)(9)(C), the director shall be considered the appropriate agent to receive the notice of the motion to modify for the obligee or the obligor, but only in those instances in which the matter is not certified to circuit court for hearing, and only when service of the motion is attempted on the obligee or obligor by certified mail.

2. A motion for modification made pursuant to this section shall not stay the director from enforcing and collecting upon the existing order pending the modification proceeding unless so ordered by the court.

3. Only payments accruing subsequent to the service of the motion for modification upon all named parties to the motion may be modified. Modification may be granted only upon a showing of a change of circumstances so substantial and continuing as to make the terms unreasonable. In a proceeding for modification of any child support award, the director, in determining whether or not a substantial change in circumstances has occurred, shall consider all financial resources of both parties, including the extent to which the reasonable expenses of either party are, or should be, shared by a spouse or other person with whom he or she cohabits, and the earning capacity of a party who is not employed. If the application of the guidelines and criteria set forth in supreme court rule 88.01 to the financial circumstances of the parties would result in a change of child support from the existing amount by twenty percent or more, then a prima facie showing has been made of a change of circumstances so substantial and continuing as to make the present terms unreasonable.

4. The circuit court may, upon such terms as may be just, relieve a parent from an administrative order entered against that parent because of mistake, inadvertence, surprise, or excusable neglect.

5. No order entered pursuant to section 454.476 shall be modifiable pursuant to this section, except that an order entered pursuant to section 454.476 shall be amended by the director to conform with any modification made by the court that entered the court order upon which the director based his or her order.

6. When the party seeking modifications has met the burden of proof set forth in subsection 3 of this section, then the child support shall be determined in conformity with the criteria set forth in supreme court rule 88.01.

7. The last four digits of the Social Security number of the parents shall be recorded on any order entered pursuant to this section. The full Social Security number of each party and each child shall be retained in the manner required by section 509.520.

454.505. GARNISHMENT OF WAGES, WHEN, PROCEDURE, LIMITATIONS — NOTICE TO EMPLOYER, CONTENTS — EMPLOYER, DUTIES, LIABILITIES — PRIORITIES — DISCHARGE OF EMPLOYEE PROHIBITED, WHEN, PENALTIES FOR — ORDERS ISSUED BY ANOTHER STATE, LAWS TO GOVERN. — 1. In addition to any other remedy provided by law for the enforcement

of support, if a support order has been entered, the director shall issue an order directing any employer or other payer of the parent to withhold and pay over to the division, the payment center pursuant to section 454.530 or the clerk of the circuit court in the county in which a trusteeship is or will be established, money due or to become due the obligated parent in an amount not to exceed federal wage garnishment limitations. For administrative child support orders issued pursuant to sections other than section 454.476, the director shall not issue an order to withhold and pay over in any case in which:

(1) One of the parties demonstrates, and the director finds, that there is good cause not to require immediate income withholding. For purposes of this subdivision, any finding that there is good cause not to require immediate withholding shall be based on, at least, a written determination and an explanation by the director that implementing immediate wage withholding would not be in the best interests of the child and proof of timely payments of previously ordered support in cases involving the modification of support orders; or

(2) A written agreement is reached between the parties that provides for an alternative payment arrangement.

If the income of an obligor is not withheld as of the effective date of the support order, pursuant to subdivision (1) or (2) of this subsection, or otherwise, such obligor's income shall become subject to withholding pursuant to this section, without further exception, on the date on which the obligor becomes delinquent in maintenance or child support payments in an amount equal to one month's total support obligation.

2. An order entered pursuant to this section shall recite the amount required to be paid as continuing support, the amount to be paid monthly for arrearages and the Social Security number of the obligor if available. In addition, the order shall contain a provision that the obligor shall notify the **family support** division [of child support enforcement] regarding the availability of medical insurance coverage through an employer or a group plan, provide the name of the insurance provider when coverage is available, and inform the division of any change in access to such insurance coverage. A copy of section 454.460 and this section shall be appended to the order.

3. An order entered pursuant to this section shall be served on the employer or other payer either by regular mail or by certified mail, return receipt requested or may be issued through electronic means, and shall be binding on the employer or other payer two weeks after mailing or electronic issuance of such service. A copy of the order and a notice of property exempt from withholding shall be mailed to the obligor at the obligor's last known address. The notice shall advise the obligor that the withholding has commenced and the procedures to contest such withholding pursuant to section 454.475 on the grounds that such withholding or the amount withheld is improper due to a mistake of fact by requesting a hearing thirty days from mailing the notice. At such a hearing the certified copy of the court order and the sworn or certified statement of arrearages shall constitute prima facie evidence that the director's order is valid and enforceable. If a prima facie case is established, the obligor may only assert mistake of fact as a defense. For purposes of this section, "mistake of fact" means an error in the amount of the withholding or an error as to the identity of the obligor. The obligor shall have the burden of proof on such issues. The obligor may not obtain relief from the withholding by paying the overdue support. The employer or other payer shall withhold from the earnings or other income of each obligor the amount specified in the order, and may deduct an additional sum not to exceed six dollars per month as reimbursement for costs, except that the total amount withheld shall not exceed the limitations contained in the federal Consumer Credit Protection Act, 15 U.S.C. 1673(b). The employer or other payer shall transmit the payments as directed in the order within seven business days of the date the earnings, money due or other income was payable to the obligor. For purposes of this section, "business day" means a day that state offices are open for regular business. The employer or other payer shall, along with the amounts transmitted, provide the date the amount was withheld from each obligor. If the order does not contain the

Social Security number of the obligor, the employer or other payer shall not be liable for withholding from the incorrect obligor.

4. If the order is served on a payer other than an employer, it shall be a lien against any money due or to become due the obligated parent which is in the possession of the payer on the date of service or which may come into the possession of the payer after service until further order of the director, except for any deposits held in two or more names in a financial institution.

5. The division shall notify an employer or other payer upon whom such an order has been directed whenever all arrearages have been paid in full, and whenever, for any other reason, the amount required to be withheld and paid over to the payment center pursuant to the order as to future pay periods is to be reduced or redirected. If the parent's support obligation is required to be paid monthly and the parent's pay periods are at more frequent intervals, the employer or other payer may, at the request of the obligee or the director, withhold and pay over to the payment center an equal amount at each pay period cumulatively sufficient to comply with the withholding order.

6. An order issued pursuant to subsection 1 of this section shall be a continuing order and shall remain in effect and be binding upon any employer or other payer upon whom it is directed until a further order of the director. Such orders shall terminate when all children for whom the support order applies are emancipated or deceased, or the support obligation otherwise ends, and all arrearages are paid. No order to withhold shall be terminated solely because the obligor has fully paid arrearages.

7. An order issued pursuant to subsection 1 of this section shall have priority over any other legal process pursuant to state law against the same wages, except that where the other legal process is an order issued pursuant to this section or section 452.350, the processes shall run concurrently, up to applicable wage withholding limitations. If concurrently running wage withholding processes for the collection of support obligations would cause the amounts withheld from the wages of the obligor to exceed applicable wage withholding limitations and includes a wage withholding from another state pursuant to section 454.932, the employer shall first satisfy current support obligations by dividing the amount available to be withheld among the orders on a pro rata basis using the percentages derived from the relationship each current support order amount has to the sum of all current child support obligations. Thereafter, arrearages shall be satisfied using the same pro rata distribution procedure used for distributing current support, up to the applicable limitation. If concurrently running wage withholding processes for the collection of support obligations would cause the amounts withheld from the wages of the obligor to exceed applicable wage withholding limitations and does not include a wage withholding from another state pursuant to section 454.932, the employer shall withhold and pay to the payment center an amount equal to the wage withholding limitations. The payment center shall first satisfy current support obligations by dividing the amount available to be withheld among the orders on a pro rata basis using the percentages derived from the relationship each current support order amount has to the sum of all current child support obligations. Thereafter, arrearages shall be satisfied using the same pro rata distribution procedure used for distributing current support, up to the applicable limitation.

8. No employer or other payer who complies with an order entered pursuant to this section shall be liable to the parent, or to any other person claiming rights derived from the parent, for wrongful withholding. An employer or other payer who fails or refuses to withhold or pay the amounts as ordered pursuant to this section shall be liable to the party holding the support rights in an amount equal to the amount which became due the parent during the relevant period and which, pursuant to the order, should have been withheld and paid over. The director is hereby authorized to bring an action in circuit court to determine the liability of an employer or other payer for failure to withhold or pay the amounts as ordered. If a court finds that a violation has occurred, the court may fine the employer in an amount not to exceed five hundred dollars. The court may also enter a judgment against the employer for the amounts to be withheld or paid, court costs and reasonable attorney's fees.

9. The remedy provided by this section shall be available where the state or any of its political subdivisions is the employer or other payer of the obligated parent in the same manner and to the same extent as where the employer or other payer is a private party.

10. An employer shall not discharge, or refuse to hire or otherwise discipline, an employee as a result of an order to withhold and pay over certain money authorized by this section. If any such employee is discharged within thirty days of the date upon which an order to withhold and pay over certain money is to take effect, there shall arise a rebuttable presumption that such discharge was a result of such order. This presumption shall be overcome only by clear, cogent and convincing evidence produced by the employer that the employee was not terminated because of the order to withhold and pay over certain money. The director is hereby authorized to bring an action in circuit court to determine whether the discharge constitutes a violation of this subsection. If the court finds that a violation has occurred, the court may enter an order against the employer requiring reinstatement of the employee and may fine the employer in an amount not to exceed one hundred fifty dollars. Further, the court may enter judgment against the employer for the back wages, costs, attorney's fees, and for the amount of child support which should have been withheld and paid over during the period of time the employee was wrongfully discharged.

11. If an obligor for whom an order to withhold has been issued pursuant to subsection 1 of this section terminates the obligor's employment, the employer shall, within ten days of the termination, notify the division of the termination, shall provide to the division the last known address of the obligor, if known to the employer, and shall provide to the division the name and address of the obligor's new employer, if known. When the division determines the identity of the obligor's new employer, the director shall issue an order to the new employer as provided in subsection 1 of this section.

12. If an employer or other payer is withholding amounts for more than one order issued pursuant to subsection 1 of this section, the employer or other payer may transmit all such withholdings which are to be remitted to the same circuit clerk, other collection unit or to the payment center after October 1, 1999, as one payment together with a separate list identifying obligors for whom a withholding has been made and the amount withheld from each obligor so listed, and the withholding date or dates for each obligor.

13. For purposes of this section, "income" means any periodic form of payment due to an individual, regardless of source, including wages, salaries, commissions, bonuses, workers' compensation benefits, disability benefits, payments pursuant to a pension or a retirement program, and interest.

14. The employer shall withhold funds as directed in the notice, except if an employer receives an income withholding order issued by another state, the employer shall apply the income withholding law of the state of the obligor's principal place of employment in determining:

- (1) The employer's fee for processing an income withholding order;
- (2) The maximum amount permitted to be withheld from the obligor's income;
- (3) The time periods within which the employer shall implement the income withholding order and forward the child support payments;
- (4) The priorities for withholding and allocating income withheld for multiple child support obligees; and
- (5) Any withholding terms and conditions not specified in the order.

15. If the secretary of the Department of Health and Human Services promulgates a final standard format for an employer income withholding notice, the director shall use such notice prescribed by the secretary.

454.513. ATTORNEY REPRESENTATION EXCLUSIVE — ATTORNEY/CLIENT RELATIONSHIP NOT TO EXIST, WHEN — NOTICE TO PARTY NOT REPRESENTED BY ATTORNEY, WHEN. — 1. Any attorney initiating any legal proceedings at the request of the

Missouri **family support** division [of child support enforcement] shall represent the state of Missouri, department of social services, **family support** division [of child support enforcement] exclusively. An attorney/client relationship shall not exist between the attorney and any applicant or recipient of child support enforcement services for and on behalf of a child or children, without regard to the name in which legal proceedings are initiated. The provisions of this section shall apply to a prosecuting attorney, circuit attorney, attorney employed by the state or attorney under contract with the **family support** division [of child support enforcement].

2. An attorney representing the division in a proceeding in which a child support obligation may be established or modified shall, whenever possible, notify an applicant or recipient of child support enforcement services of such proceedings if such applicant or recipient is a party to such a proceeding but is not represented by an attorney.

454.530. FAMILY SUPPORT PAYMENT CENTER ESTABLISHED BY THE DIVISION FOR CHILD SUPPORT ORDERS —DISBURSEMENT OF CHILD SUPPORT —BUSINESS DAY, DEFINED —ELECTRONIC FUNDS TRANSFER SYSTEM. — 1. On or before October 1, 1999, the **family support** division [of child support enforcement] shall establish and operate a state disbursement unit to be known as the "Family Support Payment Center" for the receipt and disbursement of payments pursuant to support orders for:

- (1) All cases enforced by the division pursuant to section 454.400; and
- (2) Any case required by federal law to be collected or disbursed by the payment center including, but not limited to, cases in which a support order is initially issued on or after January 1, 1994, in which the income of the obligor is subject to withholding; and
- (3) Beginning July 1, 2001:
 - (a) Any other case with a support order in which payments are ordered or directed by a court or the division to be made to the payment center or in which the income of the obligor is subject to withholding; and
 - (b) Any case prior to July 1, 2001, in which support payments are ordered paid to the clerk of the court as trustee pursuant to section 452.345.

2. The family support payment center shall be operated by the division, in conjunction with other state agencies pursuant to a cooperative agreement, or by a contractor responsible directly to the division. Notwithstanding any other provision of law to the contrary, after notice by the division or the court that issued the support order to the obligor that all future payments shall be made to the payment center, the payment center shall become trustee for payments made by parents, employers, states and other entities, and all future payments shall be made to the payment center. The payment center shall disburse payments to custodial parents and other obligees, the state or agencies of other states. If the payment center is operated by a contractor and the contractor receives and disburses the payments, the contractor shall have an annual audit conducted by an independent certified public accountant. The audit will determine whether funds received are disbursed or otherwise accounted for, and make recommendations as to the procedures and changes that the contractor should take to protect the funds received from misappropriation and theft. A copy of the audit shall be delivered to the division, the office of administration and the office of the state courts administrator.

3. Except as otherwise provided in sections 454.530 to 454.560, the payment center shall disburse support payments within two business days after receipt from the employer or other source of periodic income, if sufficient information identifying the payee is provided. As used in sections 454.530 to 454.560, "business day" means a day state government offices are open for regular business. Disbursement of payments made toward arrearages may be delayed until the resolution of any timely appeal with respect to such arrearage or upon order of a court.

4. The family support payment center shall establish an electronic funds transfer system for the transfer of child support payments. Obligees who want electronic transfer of support payments to a designated account shall complete an application for direct deposit and submit it to the family support payment center. The family support payment center may issue an

electronic access card for the purpose of disbursing support payments to any obligee not using automated deposit to a designated account. Any person or employer may, without penalty, choose to disburse payments to the payment center by check or draft instead of by electronic transfer.

454.531. RECOVERY OF ERRONEOUSLY PAID CHILD SUPPORT, PROCEDURES — PENALTY. — 1. Whenever a parent or other person receives support moneys for a child paid to him or her by the **family support** division [of child support enforcement pursuant to] **under** the provisions of chapter 454, and the division subsequently determines that such payment, through no fault of the division, was erroneously made, either in good faith, or due to fraud or receipt of inaccurate information from the recipient of such support, such parent or other person shall be indebted to the division in an amount equal to the amount of the support money received by the parent or other person for that child. The division may utilize any available administrative or legal process to collect the erroneously paid support to effect recoupment and satisfaction of the debt incurred by reason of the failure of such parent or other person to reimburse the division for such erroneously paid child support. The division is also authorized to make a setoff to effect satisfaction of the debt by deduction from support moneys for that child in its possession or in the possession of any clerk of the court or other forwarding agent which would otherwise be payable to such parent or other person for the satisfaction of any support reimbursement. Nothing in this section authorizes the division to make a setoff as to current support paid during the month for which the payment is due and owing.

2. A person commits the crime of stealing, as defined by section 570.030, if he or she knowingly retains possession of child support payments which have been erroneously paid by the division through no fault of the division and the division has requested reimbursement of such support paid, if the purpose is to deprive the division of such reimbursement, either without the consent of the division or by means of deceit or coercion.

454.565. REPORT TO THE GENERAL ASSEMBLY, WHEN. — Beginning in 2000, the **family support** division [of child support enforcement] shall report to the general assembly regarding the family support payment center by December 1, 2000, and by each December first thereafter. Such report shall include recommendations and an analysis of the efficiency and effectiveness of the system.

In any case in which a parent is required by a court or administrative order to provide medical coverage for a child, under any health benefit plan, as defined in section 454.600, and a parent is eligible through employment, under the provisions of the federal Comprehensive Omnibus Budget Reconciliation Act (COBRA) or the provisions of section 376.892, or for health coverage through an insurer or group health plan, any insurers, including group health plans as defined in Section 607(1) of the federal Employee Retirement Income Security Act of 1974, offering, issuing, or renewing policies in this state on or after July 1, 1994, shall:

(2) Permit enrollment of a child under coverage upon application by the child's other parent, the **family support** division [of child support enforcement], the **MO HealthNet** division [of medical services], or the tribunal of another state, if the parent required by a court or administrative order to provide health coverage fails to make application to obtain coverage for such child;

(3) Not disenroll or eliminate coverage of a child unless:

(a) The insurer is provided satisfactory written evidence that such court or administrative order is no longer in effect; or

(c) The employer or union eliminates family health coverage for all of its employees or members; or

(d) Any available continuation coverage is not elected or the period of such coverage expires.

5. Upon the death of a Tier II member who has been retired and receiving a pension, the surviving spouse of such member entitled to receive a base pension under section 86.1240 or children of such member entitled to receive a base pension under subsection 2 of section 86.1250 shall receive an immediate percentage cost-of-living adjustment to their respective base pension equal to the total percentage cost-of-living adjustments received during such member's lifetime under this section, except that the adjustment provided by this subsection shall not apply for any surviving spouse, or for a child or children entitled to benefits which would be received by a qualified surviving spouse, receiving a benefit pursuant to an election made under subdivision (1) of subsection 2 of section 86.1151.

6. For purposes of this section, the term "base pension" shall mean:

(1) For a member, the pension computed under the provisions of the law as of the date of retirement without regard to cost-of-living adjustments, as adjusted, if applicable, for any election made under subdivision (1) of subsection 2 of section 86.1151 or section 86.1210, but in all events not including any supplemental benefit under section 86.1230 or section 86.1231;

(2) For a surviving spouse, the base pension calculated for such spouse in accordance with the provisions of section 86.1240 or subdivision (3) of subsection 2 of section 86.1151, including any compensation as a consultant to which such surviving spouse is entitled under said section in lieu of a pension thereunder, but not including any supplemental benefit under section 86.1230 or section 86.1231; and

(3) For a member's surviving child who is entitled to receive part or all of the pension which would be received by the surviving spouse, if living, the base pension calculated for such surviving spouse in accordance with the provisions of section 86.1240 or subdivision (3) of

subsection 2 of section 86.1151, including any compensation as a consultant to which such spouse would be entitled under said section, if living, divided by the number of surviving children entitled to share in such pension under subsection 2 of section 86.1250.

7. The cost-of-living adjustment shall be an increase or decrease computed on the base pension amount by the retirement board in an amount that the board, in its discretion, determines to be satisfactory, but in no event shall the adjustment be more than three percent or reduce the pension to an amount less than the base pension. In determining and granting the cost-of-living adjustments, the retirement board shall adopt such rules and regulations as may be necessary to effectuate the purposes of this section, including provisions for the manner of computation of such adjustments and the effective dates thereof. The retirement board shall provide for such adjustments to be determined once each year and granted on a date or dates to be chosen by the board, and may apply such adjustments in full to eligible members as provided in subsections 1 and 2 of this section who have retired during the year prior to such adjustments but who have not been retired for one full year and to the surviving spouse or applicable children of a member who has died during the year prior to such adjustments.

8. The determination of whether the retirement system will remain actuarially sound shall be made at the time any cost-of-living adjustment is granted. If at any time the retirement system ceases to be actuarially sound, pension payments shall continue as adjusted by increases theretofore granted. A member of the retirement board shall have no personal liability for granting increases under this section if that retirement board member in good faith relied and acted upon advice of a qualified actuary that the retirement system would remain actuarially sound.

9. If any benefit under subsection 1 of section 86.1250 on August 27, 2005, would be reduced by application of this section, such benefit shall continue thereafter without reduction, but any benefit so continued shall terminate at the time prescribed in subsection 1 of section 86.1250.

Establishes the Missouri Student Religious Liberties Act

AN ACT to amend chapter 160, RSMo, by adding thereto one new section relating to religious liberties of students.

SECTION

- A. Enacting clause.
- 160.2500. Citation of act — discrimination based on religious viewpoint or expression prohibited — prayer and religious activities in school permitted, when — religious clothing and jewelry permitted — limited public policy forum authorized.
-

Be it enacted by the General Assembly of the state of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Chapter 160, RSMo, is amended by adding thereto one new section, to be known as section 160.2500, to read as follows:

160.2500. CITATION OF ACT —DISCRIMINATION BASED ON RELIGIOUS VIEWPOINT OR EXPRESSION PROHIBITED — PRAYER AND RELIGIOUS ACTIVITIES IN SCHOOL PERMITTED, WHEN — RELIGIOUS CLOTHING AND JEWELRY PERMITTED — LIMITED PUBLIC POLICY FORUM AUTHORIZED. — **1.** This section shall be known and may be cited as the "Missouri Student Religious Liberties Act".

2. A public school district shall not discriminate against students or parents on the basis of a religious viewpoint or religious expression. A school district shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the district treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and shall not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject.

3. Students may express their beliefs about religion in homework, artwork, and other written and oral assignments free from discrimination based on the religious content of their submissions. Homework and classroom assignments shall be judged by ordinary academic standards of substance and relevance and against other legitimate pedagogical concerns identified by the school district. Students shall not be penalized or rewarded on account of the religious content of their work. If an assignment requires a student's viewpoints to be expressed in course work, artwork or other written or oral assignments, a public school district shall not penalize or reward a student on the basis of religious content or a religious viewpoint. In such an assignment, a student's academic work that expresses a religious viewpoint shall be evaluated based on ordinary academic standards of substance and relevance to the course curriculum or requirements of the course work or assignment.

4. Students in public schools may pray or engage in religious activities or religious expression before, during and after the school day in the same manner and to the same extent that students may engage in nonreligious activities or expression, provided that such religious expression or religious activities are not disruptive of scheduled instructional time or other educational activities and do not impede access to school facilities or mobility on school premises. Students may organize prayer groups, religious clubs, or other religious gatherings before, during and after school to the same extent that students are permitted to organize other noncurricular student activities and groups. Religious groups shall be given the same access to school facilities for assembling as is given to other noncurricular groups without discrimination based on the religious content of the student's expression. If student groups that meet for nonreligious activities are permitted to advertise or announce meetings of the groups, the school district shall not discriminate against groups that meet for prayer or other religious speech. A school district may disclaim school sponsorship of noncurricular groups and events in a manner that neither favors nor disfavors groups that meet to engage in prayer or religious speech.

5. Students in public schools may wear clothing, accessories and jewelry that display religious messages or religious symbols in the same manner and to the same extent that other types of clothing, accessories and jewelry that display messages or symbols are permitted, as specified in subsection 7 of section 167.166.

6. (1) To ensure that the school district does not discriminate against a student's publicly stated voluntary expression of a religious viewpoint, if any, and to eliminate any actual or perceived affirmative school sponsorship or attribution to the district of a student's expression of a religious viewpoint, if any, a school district shall adopt a policy, which shall include the establishment of a limited public forum for student speakers at all

school events at which a student is to publicly speak. The policy regarding the limited public forum shall also require the school district to:

- (a) Provide the forum in a manner that does not discriminate against a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject;
- (b) Provide a method, based on neutral criteria, for the selection of student speakers at school events and graduation ceremonies;
- (c) Ensure that a student speaker does not engage in obscene, vulgar, offensively lewd or indecent speech; and
- (d) State, in writing, orally, or both, that the student's speech does not reflect the endorsement, sponsorship, position or expression of the district.

(2) The school district disclaimer required by paragraph (d) of subdivision (1) of this subsection shall be provided at all graduation ceremonies. The school district shall also continue to provide the disclaimer at any other event in which a student speaks publicly for as long as a need exists to dispel confusion over the district's nonsponsorship of the student's speech.

(3) Student expression on an otherwise permissible subject shall not be excluded from the limited public forum because the subject is expressed from a religious viewpoint.

(4) All public school districts shall adopt and implement a local policy regarding a limited public forum and voluntary student expression of religious viewpoints.

7. The provisions of this section shall not be construed to authorize this state or any of its political subdivisions to either:

- (1) Require any person to participate in prayer or in any other religious activity; or
- (2) Violate the constitutional rights of any person.

8. The provisions of this section shall not be construed to limit the authority of any public school to do any of the following:

- (1) Maintain order and discipline on the campus of the public school in a content and viewpoint neutral manner;
- (2) Protect the safety of students, employees and visitors of the public school;
- (3) Adopt and enforce policies and procedures regarding student speech at school, provided that the policies and procedures do not violate the rights of students as guaranteed by law.

9. The provisions of section 1.140 are applicable to this section.

494.430. PERSONS ENTITLED TO BE EXCUSED FROM JURY SERVICE — DETERMINATIONS MADE BY JUDGE — UNDUE OR EXTREME PHYSICAL OR FINANCIAL HARDSHIP DEFINED — DOCUMENTATION REQUIRED, WHEN. — 1. Upon timely application to the court, the following persons shall be excused from service as a petit or grand juror:

(1) Any person who has served on a state or federal petit or grand jury within the preceding two years;

(2) Any nursing mother, upon her request, and with a completed written statement from her physician to the court certifying she is a nursing mother;

~~[(2)]~~ **(3)** Any person whose absence from his or her regular place of employment would, in the judgment of the court, tend materially and adversely to affect the public safety, health, welfare or interest;

~~[(3)]~~ **(4)** Any person upon whom service as a juror would in the judgment of the court impose an undue or extreme physical or financial hardship;

~~[(4)]~~ **(5)** Any person licensed as a health care provider as such term is defined in section 538.205, but only if such person provides a written statement to the court certifying that he or she is actually providing health care services to patients, and that the person's service as a juror would be detrimental to the health of the person's patients;

~~[(5)]~~ **(6)** Any employee of a religious institution whose religious obligations or constraints prohibit their serving on a jury. The certification of the employment and obligation or constraint may be provided by the employee's religious supervisor.

2. A judge of the court for which the individual was called to jury service shall make undue or extreme physical or financial hardship determinations. The authority to make these determinations is delegable only to court officials or personnel who are authorized by the laws of this state to function as members of the judiciary.

3. A person asking to be excused based on a finding of undue or extreme physical or financial hardship must take all actions necessary to have obtained a ruling on that request by no later than the date on which the individual is scheduled to appear for jury duty.

4. Unless it is apparent to the court that the physical hardship would significantly impair the person's ability to serve as a juror, for purposes of sections 494.400 to 494.460 undue or extreme physical or financial hardship is limited to circumstances in which an individual would:

(1) Be required to abandon a person under his or her personal care or supervision due to the impossibility of obtaining an appropriate substitute caregiver during the period of participation in the jury pool or on the jury; or

(2) Incur costs that would have a substantial adverse impact on the payment of the individual's necessary daily living expenses or on those for whom he or she provides the principal means of support; or

(3) Suffer physical hardship that would result in illness or disease.

5. Undue or extreme physical or financial hardship does not exist solely based on the fact that a prospective juror will be required to be absent from his or her place of employment.

6. A person asking a judge to grant an excuse based on undue or extreme physical or financial hardship shall provide the judge with documentation as required by the judge, such as, but not limited to, federal and state income tax returns, medical statements from licensed physicians, proof of dependency or guardianship, and similar documents, which the judge finds

to clearly support the request to be excused. Failure to provide satisfactory documentation shall result in a denial of the request to be excused. Such documents shall be filed under seal.

7. After two years, a person excused from jury service shall become eligible once again for qualification as a juror unless the person was excused from service permanently. A person is excused from jury service permanently only when the deciding judge determines that the underlying grounds for being excused are of a permanent nature.

The local board of education of each school district shall clearly establish a written policy of discipline, including the district's determination on the use of corporal punishment and the procedures in which punishment will be applied. A written copy of the district's discipline policy and corporal punishment procedures, if applicable, shall be provided to the pupil and parent or legal guardian of every pupil enrolled in the district at the beginning of each school year and also made available in the office of the superintendent of such district, during normal business hours, for public inspection. All employees of the district shall annually receive instruction related to the specific contents of the policy of discipline and any interpretations necessary to implement the provisions of the policy in the course of their duties, including but not limited to approved

methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

2. The policy shall require school administrators to report acts of school violence to all teachers at the attendance center and, in addition, to other school district employees with a need to know. For the purposes of this chapter or chapter 167, "need to know" is defined as school personnel who are directly responsible for the student's education or who otherwise interact with the student on a professional basis while acting within the scope of their assigned duties. committed on school property, including but not limited to actions on any school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide that any student who is on suspension for any of the offenses listed in subsection 2 of this section or any act of violence or drug-related activity defined by school district policy as a serious violation of school discipline pursuant to subsection 9 of this section shall have as a condition of his or her suspension the requirement that such student is not allowed, while on such suspension, to be within one thousand feet of any school property in the school district where such student attended school or any activity of that district, regardless of whether or not the activity takes place on district property unless:

(1) Such student is under the direct supervision of the student's parent, legal guardian, or custodian and the superintendent or the superintendent's designee has authorized the student to be on school property;

(2) Such student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which suspended the student and the superintendent or the superintendent's designee has authorized the student to be on school property;

(3) Such student is enrolled in and attending an alternative school that is located within one thousand feet of a public school in the school district where such student attended school; or

(4) Such student resides within one thousand feet of any public school in the school district where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

4. Any student who violates the condition of suspension required pursuant to subsection 3 of this section may be subject to expulsion or further suspension pursuant to the provisions of sections 167.161, 167.164, and 167.171. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within one thousand feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy. Removal of any pupil who is a student with a disability is subject to state and federal procedural rights. This section shall not limit a school district's ability to:

(1) Prohibit all students who are suspended from being on school property or attending an activity while on suspension;

(2) Discipline students for off-campus conduct that negatively affects the educational environment to the extent allowed by law.

5. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

(1) The superintendent or, in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and

(2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. 921 and the following items, as defined in section 571.010: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a

machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

7. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

8. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policies developed by each board, including but not limited to policies of student discipline or when reporting to his or her supervisor or other person as mandated by state law acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

9. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. "Acts of violence" as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020 to any school district in which the student subsequently attempts to enroll.

10. Spanking, when administered by certificated personnel and in the presence of a witness who is an employee of the school district, or the use of reasonable force to protect persons or property, when administered by personnel of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210. The provisions of sections 210.110 to 210.165 notwithstanding, the children's division shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to the use of reasonable force to protect persons or property when administered by personnel of a school district or any spanking administered in a reasonable manner by any certificated school personnel in the presence of a witness who is an employee of the school district pursuant to a written policy of discipline established by the board of education of the school district, as long as no allegation of sexual misconduct arises from the spanking or use of force.

11. If a student reports alleged sexual misconduct on the part of a teacher or other school employee to a person employed in a school facility who is required to report such misconduct to the children's division under section 210.115, such person and the superintendent of the school district shall report the allegation to the children's division as set forth in section 210.115. Reports made to the children's division under this subsection shall be investigated by the division in accordance with the provisions of sections 210.145 to 210.153 and shall not be investigated by the school district under subsections 12 to 20 of this section for purposes of determining whether the allegations should or should not be substantiated. The district may investigate the allegations for the purpose of making any decision regarding the employment of the accused employee.

12. Upon receipt of any reports of child abuse by the children's division other than reports provided under subsection 11 of this section, pursuant to sections 210.110 to 210.165 which allegedly involve personnel of a school district, the children's division shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred.

13. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel or the use of reasonable force to protect persons or property when administered by school personnel pursuant to a written policy of discipline or that the report was made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the children's division and take no further action. In all matters referred back to the children's division, the division shall treat the report in the same manner as other reports of alleged child abuse received by the division.

14. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel or the use of reasonable force to protect persons or property when administered by personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the law enforcement in the county in which the alleged incident occurred.

15. The report shall be jointly investigated by the law enforcement officer and the superintendent of schools or, if the subject of the report is the superintendent of schools, by a law enforcement officer and the president of the school board or such president's designee.

16. The investigation shall begin no later than forty-eight hours after notification from the children's division is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident.

17. The law enforcement officer and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the children's division.

18. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated.

19. The school board shall consider the separate reports referred to in subsection 17 of this section and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The law enforcement officer and the investigating school board personnel agree that there was not a preponderance of evidence to substantiate that abuse occurred;

(2) The report of the alleged child abuse is substantiated. The law enforcement officer and the investigating school district personnel agree that the preponderance of evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved. The law enforcement officer and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

20. The findings and conclusions of the school board under subsection 19 of this section shall be sent to the children's division. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated,

the case closed, and no record shall be entered in the children's division central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child abuse is unresolved, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the children's division unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

21. Any superintendent of schools, president of a school board or such person's designee or law enforcement officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

22. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio.

The superintendent or the designee of the superintendent shall report such information to teachers and other school district employees with a need to know while acting within the scope of their assigned duties. Any information received by school district officials pursuant to this section shall be received in confidence and used for the limited purpose of assuring that good order and discipline is maintained in the school. This information shall not be used as the sole basis for not providing educational services to a public school pupil.

4. The superintendent shall notify the appropriate division of the juvenile or family court upon any pupil's suspension for more than ten days or expulsion of any pupil that the school district is aware is under the jurisdiction of the court.

5. The superintendent or the superintendent's designee may be called to serve in a consultant capacity at any dispositional proceedings pursuant to section 211.031 which may involve reference to a pupil's academic treatment plan.

167.171. SUMMARY SUSPENSION OF PUPIL — APPEAL — GROUNDS FOR SUSPENSION — PROCEDURE — CONFERENCE REQUIRED, WHEN — STATEWIDE SUSPENSION, WHEN. — 1. The school board in any district, by general rule and for the causes provided in section 167.161, may authorize the summary suspension of pupils by principals of schools for a period not to exceed ten school days and by the superintendent of schools for a period not to exceed one

hundred and eighty school days. In case of a suspension by the superintendent for more than ten school days, the pupil, the pupil's parents or others having such pupil's custodial care may appeal the decision of the superintendent to the board or to a committee of board members appointed by the president of the board which shall have full authority to act in lieu of the board. Any suspension by a principal shall be immediately reported to the superintendent who may revoke the suspension at any time. In event of an appeal to the board, the superintendent shall promptly transmit to it a full report in writing of the facts relating to the suspension, the action taken by the superintendent and the reasons therefor and the board, upon request, shall grant a hearing to the appealing party to be conducted as provided in section 167.161.

2. No pupil shall be suspended unless:

- (1) The pupil shall be given oral or written notice of the charges against such pupil;
- (2) If the pupil denies the charges, such pupil shall be given an oral or written explanation of the facts which form the basis of the proposed suspension;
- (3) The pupil shall be given an opportunity to present such pupil's version of the incident;

and

(4) In the event of a suspension for more than ten school days, where the pupil gives notice that such pupil wishes to appeal the suspension to the board, the suspension shall be stayed until the board renders its decision, unless in the judgment of the superintendent of schools, or of the district superintendent, the pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, in which case the pupil may be immediately removed from school, and the notice and hearing shall follow as soon as practicable.

3. No school board shall readmit or enroll a pupil properly suspended for more than ten consecutive school days for an act of school violence as defined in subsection 2 of section 160.261 regardless of whether or not such act was committed at a public school or at a private school in this state, provided that such act shall have resulted in the suspension or expulsion of such pupil in the case of a private school, or otherwise permit such pupil to attend school without first holding a conference to review the conduct that resulted in the expulsion or suspension and any remedial actions needed to prevent any future occurrences of such or related conduct. The conference shall include the appropriate school officials including any teacher employed in that school or district directly involved with the conduct that resulted in the suspension or expulsion, the pupil, the parent or guardian of the pupil or any agency having legal jurisdiction, care, custody or control of the pupil. The school board shall notify in writing the parents or guardians and all other parties of the time, place, and agenda of any such conference. Failure of any party to attend this conference shall not preclude holding the conference. Notwithstanding any provision of this subsection to the contrary, no pupil shall be readmitted or enrolled to a regular program of instruction if:

- (1) Such pupil has been convicted of; or
- (2) An indictment or information has been filed alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or
- (3) A petition has been filed pursuant to section 211.091 alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or
- (4) The pupil has been adjudicated to have committed an act which if committed by an adult would be one of the following:
 - (a) First degree murder under section 565.020;
 - (b) Second degree murder under section 565.021;
 - (c) First degree assault under section 565.050;
 - (d) Forcible rape under section 566.030 as it existed prior to August 28, 2013, or rape in the first degree under section 566.030;

Nothing in this subsection shall prohibit the readmittance or enrollment of any pupil if a petition has been dismissed, or when a pupil has been acquitted or adjudicated not to have committed any of the above acts. This subsection shall not apply to a student with a disability, as identified under state eligibility criteria, who is convicted or adjudicated guilty as a result of an action related to the student's disability. Nothing in this subsection shall be construed to prohibit a school district which provides an alternative education program from enrolling a pupil in an alternative education program if the district determines such enrollment is appropriate.

4. If a pupil is attempting to enroll in a school district during a suspension or expulsion from another in-state or out-of-state school district including a private, charter or parochial school or school district, a conference with the superintendent or the superintendent's designee may be held at the request of the parent, court-appointed legal guardian, someone acting as a parent as defined by rule in the case of a special education student, or the pupil to consider if the conduct of the pupil would have resulted in a suspension or expulsion in the district in which the pupil is enrolling. Upon a determination by the superintendent or the superintendent's designee that such conduct would have resulted in a suspension or expulsion in the district in which the pupil is enrolling or attempting to enroll, the school district may make such suspension or expulsion from another school or district effective in the district in which the pupil is enrolling or attempting to enroll. Upon a determination by the superintendent or the superintendent's designee that such conduct would not have resulted in a suspension or expulsion in the district in which the student is enrolling or attempting to enroll, the school district shall not make such suspension or expulsion effective in its district in which the student is enrolling or attempting to enroll.

188.030. ABORTION OF VIABLE UNBORN CHILD PROHIBITED, EXCEPTIONS — PHYSICIAN DUTIES — VIOLATIONS, PENALTY — SEVERABILITY — RIGHT OF INTERVENTION, WHEN. —

1. Except in the case of a medical emergency, no abortion of a viable unborn child shall be performed or induced unless the abortion is necessary to preserve the life of the pregnant woman whose life is endangered by a physical disorder, physical illness, or physical injury, including a life-endangering physical condition caused by or arising from the pregnancy itself, or when continuation of the pregnancy will create a serious risk of substantial and irreversible physical impairment of a major bodily function of the pregnant woman. For purposes of this section, "major bodily function" includes, but is not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

2. Except in the case of a medical emergency:

(1) Prior to performing or inducing an abortion upon a woman, the physician shall determine the gestational age of the unborn child in a manner consistent with accepted obstetrical and neonatal practices and standards. In making such determination, the physician shall make such inquiries of the pregnant woman and perform or cause to be performed such medical examinations, imaging studies, and tests as a reasonably prudent physician, knowledgeable about the medical facts and conditions of both the woman and the unborn child involved, would consider necessary to perform and consider in making an accurate diagnosis with respect to gestational age;

(2) If the physician determines that the gestational age of the unborn child is twenty weeks or more, prior to performing or inducing an abortion upon the woman, the physician shall determine if the unborn child is viable by using and exercising that degree of care, skill, and proficiency commonly exercised by a skillful, careful, and prudent physician. In making this determination of viability, the physician shall perform or cause to be performed such medical examinations and tests as are necessary to make a finding of the gestational age, weight, and lung maturity of the unborn child and shall enter such findings and determination of viability in the medical record of the woman;

(3) If the physician determines that the gestational age of the unborn child is twenty weeks or more, and further determines that the unborn child is not viable and performs or induces an abortion upon the woman, the physician shall report such findings and determinations and the reasons for such determinations to the health care facility in which the abortion is performed and to the state board of registration for the healing arts, and shall enter such findings and determinations in the medical records of the woman and in the individual abortion report submitted to the department under section 188.052;

(4) (a) If the physician determines that the unborn child is viable, the physician shall not perform or induce an abortion upon the woman unless the abortion is necessary to preserve the life of the pregnant woman or that a continuation of the pregnancy will create a serious risk of substantial and irreversible physical impairment of a major bodily function of the woman.

(b) Before a physician may proceed with performing or inducing an abortion upon a woman when it has been determined that the unborn child is viable, the physician shall first certify in writing the medical threat posed to the life of the pregnant woman, or the medical reasons that continuation of the pregnancy would cause a serious risk of substantial and irreversible physical impairment of a major bodily function of the pregnant woman. Upon completion of the abortion, the physician shall report the reasons and determinations for the abortion of a viable unborn child to the health care facility in which the abortion is performed and to the state board of registration for the healing arts, and shall enter such findings and determinations in the medical record of the woman and in the individual abortion report submitted to the department under section 188.052.

(c) Before a physician may proceed with performing or inducing an abortion upon a woman when it has been determined that the unborn child is viable, the physician who is to perform the abortion shall obtain the agreement of a second physician with knowledge of accepted obstetrical and neonatal practices and standards who shall concur that the abortion is necessary to preserve the life of the pregnant woman, or that continuation of the pregnancy would cause a serious risk of substantial and irreversible physical impairment of a major bodily function of the pregnant woman. This second physician shall also report such reasons and determinations to the health care facility in which the abortion is to be performed and to the state board of registration for the healing arts, and shall enter such findings and determinations in the medical record of the woman and the individual abortion report submitted to the department under section 188.052. The second physician shall not have any legal or financial affiliation or relationship with the physician performing or inducing the abortion, except that such prohibition shall not apply to physicians whose legal or financial affiliation or relationship is a result of being employed by or having staff privileges at the same hospital as the term "hospital" is defined in section 197.020.

(d) Any physician who performs or induces an abortion upon a woman when it has been determined that the unborn child is viable shall utilize the available method or technique of abortion most likely to preserve the life or health of the unborn child. In cases where the method or technique of abortion most likely to preserve the life or health of the unborn child would present a greater risk to the life or health of the woman than another legally permitted and available method or technique, the physician may utilize such other method or technique. In all cases where the physician performs an abortion upon a viable unborn child, the physician shall certify in writing the available method or techniques considered and the reasons for choosing the method or technique employed.

(e) No physician shall perform or induce an abortion upon a woman when it has been determined that the unborn child is viable unless there is in attendance a physician other than the physician performing or inducing the abortion who shall take control of and provide immediate medical care for a child born as a result of the abortion. During the performance of the abortion, the physician performing it, and subsequent to the abortion, the physician required to be in attendance, shall take all reasonable steps in keeping with good medical practice, consistent with the procedure used, to preserve the life or health of the viable unborn child; provided that it does not pose an increased risk to the life of the woman or does not pose an increased risk of substantial and irreversible physical impairment of a major bodily function of the woman.

3. Any person who knowingly performs or induces an abortion of an unborn child in violation of the provisions of this section is guilty of a class [C] **D** felony, and, upon a finding of guilt or plea of guilty, shall be imprisoned for a term of not less than one year, and, notwithstanding the provisions of section [560.011] **558.002**, shall be fined not less than ten thousand nor more than fifty thousand dollars.

4. Any physician who pleads guilty to or is found guilty of performing or inducing an abortion of an unborn child in violation of this section shall be subject to suspension or revocation of his or her license to practice medicine in the state of Missouri by the state board of registration for the healing arts under the provisions of sections 334.100 and 334.103.

5. Any hospital licensed in the state of Missouri that knowingly allows an abortion of an unborn child to be performed or induced in violation of this section may be subject to suspension or revocation of its license under the provisions of section 197.070.

6. Any ambulatory surgical center licensed in the state of Missouri that knowingly allows an abortion of an unborn child to be performed or induced in violation of this section may be subject to suspension or revocation of its license under the provisions of section 197.220.

7. A woman upon whom an abortion is performed or induced in violation of this section shall not be prosecuted for a conspiracy to violate the provisions of this section.

8. Nothing in this section shall be construed as creating or recognizing a right to abortion, nor is it the intention of this section to make lawful any abortion that is currently unlawful.

9. It is the intent of the legislature that this section be severable as noted in section 1.140. In the event that any section, subsection, subdivision, paragraph, sentence, or clause of this section be declared invalid under the Constitution of the United States or the Constitution of the State of Missouri, it is the intent of the legislature that the remaining provisions of this section remain in force and effect as far as capable of being carried into execution as intended by the legislature.

10. The general assembly may, by concurrent resolution, appoint one or more of its members who sponsored or co-sponsored this act in his or her official capacity to intervene as a matter of right in any case in which the constitutionality of this law is challenged.

(2) The person's name will be included in the employee disqualification list of the department;

(3) The consequences of being so listed including the length of time to be listed; and

(4) The person's rights and the procedure to challenge the allegation.

on the employee disqualification list shall be determined by the director or the director's designee, based upon the criteria contained in subsection 9 of this section.

3. If the person so notified wishes to challenge the allegation, such person may file an application for a hearing with the department. The department shall grant the application within thirty days after receipt by the department and set the matter for hearing, or the department shall notify the applicant that, after review, the allegation has been held to be unfounded and the applicant's name will not be listed.

Within thirty days after receipt of the request, the department shall either remove the name from the list or grant a hearing and set a date therefor.

5. Any hearing shall be conducted in the county of the person's residence by the director of the department or the director's designee. 7. A person aggrieved by the decision following the hearing shall be informed of his or her right to seek judicial review as provided under chapter 536. If the person fails to appeal the director's findings, those findings shall constitute a final determination that the person shall be placed on the employee disqualification list.

8. A decision by the director shall be inadmissible in any civil action brought against a facility or the in-home services provider agency and arising out of the facts and circumstances which brought about the employment disqualification proceeding, unless the civil action is brought against the facility or the in-home services provider agency by the department of health and senior services or one of its divisions.

9. The length of time the person's name shall appear on the employee disqualification list shall be determined by the director of the department of health and senior services or the director's designee, based upon the following:

- (1) Whether the person acted recklessly or knowingly, as defined in chapter 562;
- (2) The degree of the physical, sexual, or emotional injury or harm; or the degree of the imminent danger to the health, safety or welfare of a resident or in-home services client;

Such conditions of employment may include, but are not limited to, additional training and employee counseling. Conditional employment shall terminate upon the expiration of the designated length of time and the person's submitting documentation which fulfills the department of health and senior services' requirements.

10. The removal of any person's name from the list under this section shall not prevent the director from keeping records of all acts finally determined to have occurred under this section.

The motion may be made any time prior to the first month in which the person may earn compliance credits under this section. The offender's ability to earn credits shall be suspended until the court or board makes its finding. 558.019. PRIOR FELONY CONVICTIONS, MINIMUM PRISON TERMS — PRISON COMMITMENT DEFINED — DANGEROUS FELONY, MINIMUM TERM PRISON TERM, HOW CALCULATED — SENTENCING COMMISSION CREATED, MEMBERS, DUTIES — EXPENSES — COOPERATION WITH COMMISSION — RESTORATIVE JUSTICE METHODS — RESTITUTION FUND. — 1. This section shall not be construed to affect the powers of the governor under article IV, section 7, of the Missouri Constitution. This statute shall not affect those provisions of section 565.020, section [558.018] **566.125**, or section 571.015, which set minimum terms of sentences, or the provisions of section 559.115, relating to probation.

2. The provisions of subsections 2 to 5 of this section shall be applicable to all classes of felonies except those set forth in chapter [195] **579, or in chapter 195 prior to January 1, 2017**, and those otherwise excluded in subsection 1 of this section. For the purposes of this section, "prison commitment" means and is the receipt by the department of corrections of an offender after sentencing. For purposes of this section, prior prison commitments to the department of corrections shall not include [commitment to a regimented discipline program established pursuant to section 217.378] **an offender's first incarceration prior to release on probation under section 217.362 or 559.115**. Other provisions of the law to the contrary notwithstanding, any offender who has [pleaded guilty to or has] been found guilty of a felony other than a dangerous felony as defined in section 556.061 and is committed to the department of corrections shall be required to serve the following minimum prison terms:

(1) If the offender has one previous prison commitment to the department of corrections for a felony offense, the minimum prison term which the offender must serve shall be forty percent of his or her sentence or until the offender attains seventy years of age, and has served at least thirty percent of the sentence imposed, whichever occurs first;

(2) If the offender has two previous prison commitments to the department of corrections for felonies unrelated to the present offense, the minimum prison term which the offender must serve shall be fifty percent of his or her sentence or until the offender attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first;

(3) If the offender has three or more previous prison commitments to the department of corrections for felonies unrelated to the present offense, the minimum prison term which the offender must serve shall be eighty percent of his or her sentence or until the offender attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first.

3. Other provisions of the law to the contrary notwithstanding, any offender who has [pleaded guilty to or has] been found guilty of a dangerous felony as defined in section 556.061 and is committed to the department of corrections shall be required to serve a minimum prison term of eighty-five percent of the sentence imposed by the court or until the offender attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first.

4. For the purpose of determining the minimum prison term to be served, the following calculations shall apply:

- (1) A sentence of life shall be calculated to be thirty years;
- (2) Any sentence either alone or in the aggregate with other consecutive sentences for [crimes] **offenses** committed at or near the same time which is over seventy-five years shall be calculated to be seventy-five years.

5. For purposes of this section, the term "minimum prison term" shall mean time required to be served by the offender before he or she is eligible for parole, conditional release or other early release by the department of corrections.

6. (1) A sentencing advisory commission is hereby created to consist of eleven members. One member shall be appointed by the speaker of the house. One member shall be appointed by the president pro tem of the senate. One member shall be the director of the department of corrections. Six members shall be appointed by and serve at the pleasure of the governor from among the following: the public defender commission; private citizens; a private member of the Missouri Bar; the board of probation and parole; and a prosecutor. Two members shall be appointed by the supreme court, one from a metropolitan area and one from a rural area. All members shall be appointed to a four-year term. All members of the sentencing commission appointed prior to August 28, 1994, shall continue to serve on the sentencing advisory commission at the pleasure of the governor.

(2) The commission shall study sentencing practices in the circuit courts throughout the state for the purpose of determining whether and to what extent disparities exist among the various circuit courts with respect to the length of sentences imposed and the use of probation for offenders convicted of the same or similar [crimes] **offenses** and with similar criminal histories. The commission shall also study and examine whether and to what extent sentencing disparity among economic and social classes exists in relation to the sentence of death and if so, the reasons therefor, **if** sentences are comparable to other states, if the length of the sentence is appropriate, and the rate of rehabilitation based on sentence. It shall compile statistics, examine cases, draw conclusions, and perform other duties relevant to the research and investigation of disparities in death penalty sentencing among economic and social classes.

(3) The commission shall study alternative sentences, prison work programs, work release, home-based incarceration, probation and parole options, and any other programs and report the feasibility of these options in Missouri.

(4) The governor shall select a chairperson who shall call meetings of the commission as required or permitted pursuant to the purpose of the sentencing commission.

(5) The members of the commission shall not receive compensation for their duties on the commission, but shall be reimbursed for actual and necessary expenses incurred in the performance of these duties and for which they are not reimbursed by reason of their other paid positions.

(6) The circuit and associate circuit courts of this state, the office of the state courts administrator, the department of public safety, and the department of corrections shall cooperate with the commission by providing information or access to information needed by the commission. The office of the state courts administrator will provide needed staffing resources.

7. Courts shall retain discretion to lower or exceed the sentence recommended by the commission as otherwise allowable by law, and to order restorative justice methods, when applicable.

8. If the imposition or execution of a sentence is suspended, the court may order any or all of the following restorative justice methods, or any other method that the court finds just or appropriate:

- (1) Restitution to any victim or a statutorily created fund for costs incurred as a result of the offender's actions;
 - (2) Offender treatment programs;
 - (3) Mandatory community service;
-

- (4) Work release programs in local facilities; and
- (5) Community-based residential and nonresidential programs.

9. The provisions of this section shall apply only to offenses occurring on or after August 28, 2003.

10. Pursuant to subdivision (1) of subsection 8 of this section, the court may order the assessment and payment of a designated amount of restitution to a county law enforcement restitution fund established by the county commission pursuant to section 50.565. Such contribution shall not exceed three hundred dollars for any charged offense. Any restitution moneys deposited into the county law enforcement restitution fund pursuant to this section shall only be expended pursuant to the provisions of section 50.565.

11. A judge may order payment to a restitution fund only if such fund had been created by ordinance or resolution of a county of the state of Missouri prior to sentencing. A judge shall not have any direct supervisory authority or administrative control over any fund to which the judge is ordering a [defendant] **person** to make payment.

12. A [defendant] **person** who fails to make a payment to a county law enforcement restitution fund may not have his or her probation revoked solely for failing to make such payment unless the judge, after evidentiary hearing, makes a finding supported by a preponderance of the evidence that the [defendant] **person** either willfully refused to make the payment or that the [defendant] **person** willfully, intentionally, and purposefully failed to make sufficient bona fide efforts to acquire the resources to pay.

13. Nothing in this section shall be construed to allow the sentencing advisory commission to issue recommended sentences in specific cases pending in the courts of this state.

559.036. DURATION OF PROBATION — REVOCATION. — 1. A term of probation commences on the day it is imposed. Multiple terms of Missouri probation, whether imposed at the same time or at different times, shall run concurrently. Terms of probation shall also run concurrently with any federal or other state jail, prison, probation or parole term for another offense to which the defendant is or becomes subject during the period, unless otherwise specified by the Missouri court.

2. The court may terminate a period of probation and discharge the defendant at any time before completion of the specific term fixed under section 559.016 if warranted by the conduct of the defendant and the ends of justice. The court may extend the term of the probation, but no more than one extension of any probation may be ordered except that the court may extend the term of probation by one additional year by order of the court if the defendant admits he or she has violated the conditions of probation or is found by the court to have violated the conditions of his or her probation. Total time on any probation term, including any extension shall not exceed the maximum term established in section 559.016. Procedures for termination, discharge and extension may be established by rule of court.

3. If the defendant violates a condition of probation at any time prior to the expiration or termination of the probation term, the court may continue him **or her** on the existing conditions, with or without modifying or enlarging the conditions or extending the term.

4. (1) Unless the defendant consents to the revocation of probation, if a continuation, modification, enlargement or extension is not appropriate under this section, the court shall order placement of the offender in one of the department of corrections' one hundred twenty-day programs so long as:

(a) The underlying offense for the probation is a class [C or] **D or E** felony or an offense listed in chapter [195] **579 or an offense previously listed in chapter 195**; except that, the court may, upon its own motion or a motion of the prosecuting or circuit attorney, make a finding that an offender is not eligible if the underlying offense is [involuntary manslaughter in the first degree,] involuntary manslaughter in the second degree, [aggravated] **stalking in the first degree**, assault in the second degree, sexual assault, rape in the second degree, domestic assault in the second degree, assault [of a law enforcement officer in the second degree] **in the third**

degree when the victim is a special victim, statutory rape in the second degree, statutory sodomy in the second degree, deviate sexual assault, sodomy in the second degree, sexual misconduct involving a child, incest, endangering the welfare of a child in the first degree under subdivision (1) or (2) of subsection 1 of section 568.045, abuse of a child, invasion of privacy [or] , any case in which the defendant is found guilty of a felony offense under chapter 571, **or an offense of aggravated stalking or assault of a law enforcement officer in the second degree as such offenses existed prior to January 1, 2017;**

(b) The probation violation is not the result of the defendant being an absconder or being found guilty of, pleading guilty to, or being arrested on suspicion of any felony, misdemeanor, or infraction. For purposes of this subsection, "absconder" shall mean an offender under supervision who has left such offender's place of residency without the permission of the offender's supervising officer for the purpose of avoiding supervision;

(c) The defendant has not violated any conditions of probation involving the possession or use of weapons, or a stay-away condition prohibiting the defendant from contacting a certain individual; and

(d) The defendant has not already been placed in one of the programs by the court for the same underlying offense or during the same probation term.

(2) Upon receiving the order, the department of corrections shall conduct an assessment of the offender and place such offender in the appropriate one hundred twenty-day program under subsection 3 of section 559.115.

(3) Notwithstanding any of the provisions of subsection 3 of section 559.115 to the contrary, once the defendant has successfully completed the program under this subsection, the court shall release the defendant to continue to serve the term of probation, which shall not be modified, enlarged, or extended based on the same incident of violation. Time served in the program shall be credited as time served on any sentence imposed for the underlying offense.

5. If the defendant consents to the revocation of probation or if the defendant is not eligible under subsection 4 of this section for placement in a program and a continuation, modification, enlargement, or extension of the term under this section is not appropriate, the court may revoke probation and order that any sentence previously imposed be executed. If imposition of sentence was suspended, the court may revoke probation and impose any sentence available under section 557.011. The court may mitigate any sentence of imprisonment by reducing the prison or jail term by all or part of the time the defendant was on probation. The court may, upon revocation of probation, place an offender on a second term of probation. Such probation shall be for a term of probation as provided by section 559.016, notwithstanding any amount of time served by the offender on the first term of probation.

6. Probation shall not be revoked without giving the probationer notice and an opportunity to be heard on the issues of whether such probationer violated a condition of probation and, if a condition was violated, whether revocation is warranted under all the circumstances. Not less than five business days prior to the date set for a hearing on the violation, except for a good cause shown, the judge shall inform the probationer that he or she may have the right to request the appointment of counsel if the probationer is unable to retain counsel. If the probationer requests counsel, the judge shall determine whether counsel is necessary to protect the probationer's due process rights. If the judge determines that counsel is not necessary, the judge shall state the grounds for the decision in the record.

7. The prosecuting or circuit attorney may file a motion to revoke probation or at any time during the term of probation, the court may issue a notice to the probationer to appear to answer a charge of a violation, and the court may issue a warrant of arrest for the violation. Such notice shall be personally served upon the probationer. The warrant shall authorize the return of the probationer to the custody of the court or to any suitable detention facility designated by the court. Upon the filing of the prosecutor's or circuit attorney's motion or on the court's own motion, the court may immediately enter an order suspending the period of probation and may order a warrant for the defendant's arrest. The probation shall remain suspended until the court

rules on the prosecutor's or circuit attorney's motion, or until the court otherwise orders the probation reinstated.

8. The power of the court to revoke probation shall extend for the duration of the term of probation designated by the court and for any further period which is reasonably necessary for the adjudication of matters arising before its expiration, provided that some affirmative manifestation of an intent to conduct a revocation hearing occurs prior to the expiration of the period and that every reasonable effort is made to notify the probationer and to conduct the hearing prior to the expiration of the period.

9. A defendant who was sentenced prior to January 1, 2017 to an offense that was eligible at the time of sentencing under paragraph (a) of subdivision (1) of subsection 4 of this section for the court ordered detention sanction shall continue to remain eligible for the sanction so long as the defendant meets all the other requirements provided under subsection 4 of this section.

559.106. LIFETIME SUPERVISION OF CERTAIN SEXUAL OFFENDERS — ELECTRONIC MONITORING — TERMINATION AT AGE SIXTY-FIVE PERMITTED, WHEN. — 1. Notwithstanding any statutory provision to the contrary, when a court grants probation to an offender who has [pleaded guilty to or has] been found guilty of an offense in:

(1) Section 566.030, 566.032, 566.060, [or] 566.062, [based on an act committed on or after August 28, 2006, or the offender has pleaded guilty to or has been found guilty of an offense under section] 566.067, 566.083, 566.100, 566.151, 566.212, 566.213, 568.020, 568.080, or 568.090, based on an act committed on or after August 28, 2006[,] ; or

(2) **Section 566.068, 566.069, 566.210, 566.211, 573.200, or 573.205 based on an act committed on or after January 1, 2017**, against a victim who was less than fourteen years [old] of age and the offender is a prior sex offender as defined in subsection 2 of this section[.];

the court shall order that the offender be supervised by the board of probation and parole for the duration of his or her natural life.

2. For the purpose of this section, a prior sex offender is a person who has previously [pleaded guilty to or has] been found guilty of an offense contained in chapter 566, or violating section 568.020, when the person had sexual intercourse or deviate sexual intercourse with the victim, or of violating subdivision (2) of subsection 1 of section 568.045.

3. When probation for the duration of the offender's natural life has been ordered, a mandatory condition of such probation is that the offender be electronically monitored. Electronic monitoring shall be based on a global positioning system or other technology that identifies and records the offender's location at all times.

4. In appropriate cases as determined by a risk assessment, the court may terminate the probation of an offender who is being supervised under this section when the offender is sixty-five years of age or older.

559.115. APPEALS, PROBATION NOT TO BE GRANTED, WHEN — PROBATION GRANTED AFTER DELIVERY TO DEPARTMENT OF CORRECTIONS, TIME LIMITATION, ASSESSMENT — ONE HUNDRED TWENTY DAY PROGRAM — NOTIFICATION TO STATE, WHEN, HEARING — NO PROBATION IN CERTAIN CASES. — 1. Neither probation nor parole shall be granted by the circuit court between the time the transcript on appeal from the offender's conviction has been filed in appellate court and the disposition of the appeal by such court.

2. Unless otherwise prohibited by subsection 8 of this section, a circuit court only upon its own motion and not that of the state or the offender shall have the power to grant probation to an offender anytime up to one hundred twenty days after such offender has been delivered to the department of corrections but not thereafter. The court may request information and a recommendation from the department concerning the offender and such offender's behavior during the period of incarceration. Except as provided in this section, the court may place the

offender on probation in a program created pursuant to section 217.777, or may place the offender on probation with any other conditions authorized by law.

3. The court may recommend placement of an offender in a department of corrections one hundred twenty-day program under this subsection or order such placement under subsection 4 of section 559.036. Upon the recommendation or order of the court, the department of corrections shall assess each offender to determine the appropriate one hundred twenty-day program in which to place the offender, which may include placement in the shock incarceration program or institutional treatment program. When the court recommends and receives placement of an offender in a department of corrections one hundred twenty-day program, the offender shall be released on probation if the department of corrections determines that the offender has successfully completed the program except as follows. Upon successful completion of a program under this subsection, the board of probation and parole shall advise the sentencing court of an offender's probationary release date thirty days prior to release. The court shall follow the recommendation of the department unless the court determines that probation is not appropriate. If the court determines that probation is not appropriate, the court may order the execution of the offender's sentence only after conducting a hearing on the matter within ninety to one hundred twenty days from the date the offender was delivered to the department of corrections. If the department determines the offender has not successfully completed a one hundred twenty-day program under this subsection, the offender shall be removed from the program and the court shall be advised of the removal. The department shall report on the offender's participation in the program and may provide recommendations for terms and conditions of an offender's probation. The court shall then have the power to grant probation or order the execution of the offender's sentence.

4. If the court is advised that an offender is not eligible for placement in a one hundred twenty-day program under subsection 3 of this section, the court shall consider other authorized dispositions. If the department of corrections one hundred twenty-day program under subsection 3 of this section is full, the court may place the offender in a private program approved by the department of corrections or the court, the expenses of such program to be paid by the offender, or in an available program offered by another organization. If the offender is convicted of a class C [or] , class D, or class E nonviolent felony, the court may order probation while awaiting appointment to treatment.

5. Except when the offender has been found to be a predatory sexual offender pursuant to section [558.018] **566.125**, the court shall request the department of corrections to conduct a sexual offender assessment if the defendant [has pleaded guilty to or] has been found guilty of sexual abuse when classified as a class B felony. Upon completion of the assessment, the department shall provide to the court a report on the offender and may provide recommendations for terms and conditions of an offender's probation. The assessment shall not be considered a one hundred twenty-day program as provided under subsection 3 of this section. The process for granting probation to an offender who has completed the assessment shall be as provided under subsections 2 and 6 of this section.

6. Unless the offender is being granted probation pursuant to successful completion of a one hundred twenty-day program the circuit court shall notify the state in writing when the court intends to grant probation to the offender pursuant to the provisions of this section. The state may, in writing, request a hearing within ten days of receipt of the court's notification that the court intends to grant probation. Upon the state's request for a hearing, the court shall grant a hearing as soon as reasonably possible. If the state does not respond to the court's notice in writing within ten days, the court may proceed upon its own motion to grant probation.

7. An offender's first incarceration under this section prior to release on probation shall not be considered a previous prison commitment for the purpose of determining a minimum prison term under the provisions of section 558.019.

8. Notwithstanding any other provision of law, probation may not be granted pursuant to this section to offenders who have been convicted of murder in the second degree pursuant to

section 565.021; forcible rape pursuant to section 566.030 as it existed prior to August 28, 2013; rape in the first degree under section 566.030; forcible sodomy pursuant to section 566.060 as it existed prior to August 28, 2013; sodomy in the first degree under section 566.060; statutory rape in the first degree pursuant to section 566.032; statutory sodomy in the first degree pursuant to section 566.062; child molestation in the first degree pursuant to section 566.067 when classified as a class A felony; abuse of a child pursuant to section 568.060 when classified as a class A felony; or an offender who has been found to be a predatory sexual offender pursuant to section [558.018] **566.125**; or any offense in which there exists a statutory prohibition against either probation or parole.

559.633. COURT TO ORDER PARTICIPATION IN PROGRAM, WHEN — FEES DETERMINED BY DEPARTMENT OF CORRECTIONS — SUPPLEMENTAL FEE TO BE DEPOSITED IN CORRECTIONAL SUBSTANCE ABUSE EARNINGS FUND. — 1. Upon [a plea of guilty or] a finding of [guilty for a commission of] **guilt for a felony offense pursuant to chapter 195 or 579**, except for those offenses in which there exists a statutory prohibition against either probation or parole, when placing the person on probation, the court shall order the person to begin a required educational assessment and community treatment program within the first sixty days of probation as a condition of probation. Persons who are placed on probation after a period of incarceration pursuant to section 559.115 may not be required to participate in a required educational assessment and community treatment program.

2. The fees for the required educational assessment and community treatment program, or a portion of such fees, to be determined by the department of corrections, shall be paid by the person receiving the assessment. Any person who is assessed shall pay, in addition to any fee charged for the assessment, a supplemental fee of sixty dollars. The administrator of the program shall remit to the department of corrections the supplemental fees for all persons assessed, less two percent for administrative costs. The supplemental fees received by the department of corrections pursuant to this section shall be deposited in the correctional substance abuse earnings fund created pursuant to section 559.635.

 - (4) The type and status of any permit which was held by the person who performed the test;
-

(5) If the test was administered by means of a breath-testing instrument, the date [of performance] of the most recent [required] maintenance of such instrument. Full information does not include manuals, schematics, or software of the instrument used to test the person or any other material that is not in the actual possession of the state. Additionally, full information does not include information in the possession of the manufacturer of the test instrument.

7. Any person given a chemical test of the person's breath pursuant to subsection 1 of this section or a field sobriety test may be videotaped during any such test at the direction of the law enforcement officer. Any such video recording made during the chemical test pursuant to this subsection or a field sobriety test shall be admissible as evidence at [either] any trial of such person for [either] a violation of any state law or county or municipal ordinance, [or] **and at** any license revocation or suspension proceeding **held** pursuant to the provisions of chapter 302.

577.037. CHEMICAL TESTS, RESULTS ADMITTED INTO EVIDENCE, WHEN, EFFECT OF. —

1. Upon the trial of any person for [violation of any of the provisions of section 565.024, or section 565.060, or section 577.010 or 577.012, or upon the trial of any criminal action] **any criminal offense** or violations of county or municipal ordinances, or in any license suspension or revocation proceeding pursuant to the provisions of chapter 302, arising out of acts alleged to have been committed by any person while [driving] **operating a [motor] vehicle, vessel, or aircraft, or acting as a flight crew member of any aircraft**, while in an intoxicated condition **or with an excessive blood alcohol content**, the amount of alcohol in the person's blood at the time of the act [alleged], as shown by any chemical analysis of the person's blood, breath, saliva, or urine, is admissible in evidence and the provisions of subdivision (5) of section 491.060 shall not prevent the admissibility or introduction of such evidence if otherwise admissible. [If there was eight-hundredths of one percent or more by weight of alcohol in the person's blood, this shall be prima facie evidence that the person was intoxicated at the time the specimen was taken.]

2. **If a chemical analysis of the defendant's breath, blood, saliva, or urine demonstrates there was eight-hundredths of one percent or more by weight of alcohol in the person's blood, this shall be prima facie evidence that the person was intoxicated at the time the specimen was taken. If a chemical analysis of the defendant's breath, blood, saliva, or urine demonstrates that there was less than eight-hundredths of one percent of alcohol in the defendant's blood, any charge alleging a criminal offense related to the operation of a vehicle, vessel, or aircraft while in an intoxicated condition or with an excessive blood alcohol content shall be dismissed with prejudice unless one or more of the following considerations cause the court to find a dismissal unwarranted:**

(1) **There is evidence that the chemical analysis is unreliable as evidence of the defendant's intoxication at the time of the alleged violation due to the lapse of time between the alleged violation and the obtaining of the specimen;**

(2) **There is evidence that the defendant was under the influence of a controlled substance, or drug, or a combination of either or both with or without alcohol; or**

(3) **There is substantial evidence of intoxication from physical observations of witnesses or admissions of the defendant.**

3. Percent by weight of alcohol in the blood shall be based upon grams of alcohol per one hundred milliliters of blood or grams of alcohol per two hundred ten liters of breath.

[3.] 4. The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question of whether the person was intoxicated.

[4.] 5. A chemical analysis of a person's breath, blood, saliva or urine, in order to give rise to the presumption or to have the effect provided for in subsection [1] 2 of this section, shall have been performed as provided in sections 577.020 to 577.041 and in accordance with methods and standards approved by the state department of health and senior services.

[5. Any charge alleging a violation of section 577.010 or 577.012 or any county or municipal ordinance prohibiting driving while intoxicated or driving under the influence of

alcohol shall be dismissed with prejudice if a chemical analysis of the defendant's breath, blood, saliva, or urine performed in accordance with sections 577.020 to 577.041 and rules promulgated thereunder by the state department of health and senior services demonstrate that there was less than eight-hundredths of one percent of alcohol in the defendant's blood unless one or more of the following considerations cause the court to find a dismissal unwarranted:

- (1) There is evidence that the chemical analysis is unreliable as evidence of the defendant's intoxication at the time of the alleged violation due to the lapse of time between the alleged violation and the obtaining of the specimen;
- (2) There is evidence that the defendant was under the influence of a controlled substance, or drug, or a combination of either or both with or without alcohol; or
- (3) There is substantial evidence of intoxication from physical observations of witnesses or admissions of the defendant.]

577.041. REFUSAL TO SUBMIT TO CHEMICAL TEST — ADMISSIBILITY — REQUEST TO INCLUDE REASONS AND EFFECT OF REFUSAL. — 1. If a person under arrest, or who has been **detained pursuant to subdivision (2) of subsection 1 of section 577.020, or** stopped pursuant to subdivision [(2) or] (3) **or (4)** of subsection 1 of section 577.020, refuses upon the request of the officer to submit to any test allowed pursuant to section 577.020, then evidence of the refusal shall be admissible in [a] **any proceeding [pursuant to section 565.024, 565.060, or 565.082, or section 577.010 or 577.012] related to the acts resulting in such detention, stop, or arrest.**

2. The request of the officer **to submit to any chemical test** shall include the reasons of the officer for requesting the person to submit to a test and also shall inform the person that evidence of refusal to take the test may be used against such person [and that the person's] . **If such person was operating a vehicle prior to such detention, stop, or arrest, he or she shall further be informed that his or her** license shall be immediately revoked upon refusal to take the test.

3. If a person when requested to submit to any test allowed pursuant to section 577.020 requests to speak to an attorney, the person shall be granted twenty minutes in which to attempt to contact an attorney. If, upon the completion of the twenty-minute period the person continues to refuse to submit to any test, it shall be deemed a refusal. [In this event, the officer shall, on behalf of the director of revenue, serve the notice of license revocation personally upon the person and shall take possession of any license to operate a motor vehicle issued by this state which is held by that person. The officer shall issue a temporary permit, on behalf of the director of revenue, which is valid for fifteen days and shall also give the person a notice of such person's right to file a petition for review to contest the license revocation.

2. The officer shall make a certified report under penalties of perjury for making a false statement to a public official. The report shall be forwarded to the director of revenue and shall include the following:

- (1) That the officer has:
 - (a) Reasonable grounds to believe that the arrested person was driving a motor vehicle while in an intoxicated or drugged condition; or
 - (b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or
 - (c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer has reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater;
- (2) That the person refused to submit to a chemical test;
- (3) Whether the officer secured the license to operate a motor vehicle of the person;
- (4) Whether the officer issued a fifteen-day temporary permit;

(5) Copies of the notice of revocation, the fifteen-day temporary permit and the notice of the right to file a petition for review, which notices and permit may be combined in one document; and

(6) Any license to operate a motor vehicle which the officer has taken into possession.

3. Upon receipt of the officer's report, the director shall revoke the license of the person refusing to take the test for a period of one year; or if the person is a nonresident, such person's operating permit or privilege shall be revoked for one year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, an order shall be issued denying the person the issuance of a license or permit for a period of one year.

4. If a person's license has been revoked because of the person's refusal to submit to a chemical test, such person may petition for a hearing before a circuit division or associate division of the court in the county in which the arrest or stop occurred. The person may request such court to issue an order staying the revocation until such time as the petition for review can be heard. If the court, in its discretion, grants such stay, it shall enter the order upon a form prescribed by the director of revenue and shall send a copy of such order to the director. Such order shall serve as proof of the privilege to operate a motor vehicle in this state and the director shall maintain possession of the person's license to operate a motor vehicle until termination of any revocation pursuant to this section. Upon the person's request the clerk of the court shall notify the prosecuting attorney of the county and the prosecutor shall appear at the hearing on behalf of the director of revenue. At the hearing the court shall determine only:

(1) Whether or not the person was arrested or stopped;

(2) Whether or not the officer had:

(a) Reasonable grounds to believe that the person was driving a motor vehicle while in an intoxicated or drugged condition; or

(b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or

(c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer had reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater; and

(3) Whether or not the person refused to submit to the test.

5. If the court determines any issue not to be in the affirmative, the court shall order the director to reinstate the license or permit to drive.

6. Requests for review as provided in this section shall go to the head of the docket of the court wherein filed.

7. No person who has had a license to operate a motor vehicle suspended or revoked pursuant to the provisions of this section shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 577.001, or a program determined to be comparable by the department of mental health or the court. Assignment recommendations, based upon the needs assessment as described in subdivision (24) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future,

except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.023, or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

8. The fees for the substance abuse traffic offender program, or a portion thereof to be determined by the division of alcohol and drug abuse of the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010 and section 577.001. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rates established pursuant to the provisions of section 32.065, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053.

9. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

10. Any person who has had a license to operate a motor vehicle revoked under this section and who has a prior alcohol-related enforcement contact, as defined in section 302.525, shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of license reinstatement. Such ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months. If the person fails to maintain such proof with the director as required by this section, the license shall be rerevoked and the person shall be guilty of a class A misdemeanor.

11. The revocation period of any person whose license and driving privilege has been revoked under this section and who has filed proof of financial responsibility with the department of revenue in accordance with chapter 303 and is otherwise eligible, shall be terminated by a notice from the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, the person's license and driving privilege shall be rerevoked and the person shall be guilty of a class A misdemeanor.]

The local board of education of each school district shall clearly establish a written policy of discipline, including the district's determination on the use of corporal punishment and the procedures in which

punishment will be applied. A written copy of the district's discipline policy and corporal punishment procedures, if applicable, shall be provided to the pupil and parent or legal guardian of every pupil enrolled in the district at the beginning of each school year and also made available in the office of the superintendent of such district, during normal business hours, for public inspection. All employees of the district shall annually receive instruction related to the specific contents of the policy of discipline and any interpretations necessary to implement the provisions of the policy in the course of their duties, including but not limited to approved methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

2. The policy shall require school administrators to report acts of school violence to all teachers at the attendance center and, in addition, to other school district employees with a need to know. For the purposes of this chapter or chapter 167, "need to know" is defined as school personnel who are directly responsible for the student's education or who otherwise interact with the student on a professional basis while acting within the scope of their assigned duties. As used in this section, the phrase "act of school violence" or "violent behavior" means the exertion of physical force by a student with the intent to do serious physical injury as defined in subdivision (6) of section 565.002 to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. The policy shall at a minimum require school administrators to report, as soon as reasonably practical, to the appropriate law enforcement agency any of the following crimes, or any act which if committed by an adult would be one of the following crimes:

- (1) First degree murder under section 565.020;

- (13) Voluntary manslaughter under section 565.023;

committed on school property, including but not limited to actions on any school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide that any student who is on suspension for any of the offenses listed in subsection 2 of this section or any act of violence or drug-related activity defined by school district policy as a serious violation of school discipline pursuant to subsection 9 of this section shall have as a condition of his or her suspension the requirement that such student is not allowed, while on such suspension, to be within one thousand feet of any school property in the school district where such student attended school or any activity of that district, regardless of whether or not the activity takes place on district property unless:

(1) Such student is under the direct supervision of the student's parent, legal guardian, or custodian and the superintendent or the superintendent's designee has authorized the student to be on school property;

(2) Such student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which suspended the student and the superintendent or the superintendent's designee has authorized the student to be on school property;

(3) Such student is enrolled in and attending an alternative school that is located within one thousand feet of a public school in the school district where such student attended school; or

(4) Such student resides within one thousand feet of any public school in the school district where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

4. Any student who violates the condition of suspension required pursuant to subsection 3 of this section may be subject to expulsion or further suspension pursuant to the provisions of sections 167.161, 167.164, and 167.171. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within one thousand feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy. Removal of any pupil who is a student with a disability is subject to state and federal procedural rights. This section shall not limit a school district's ability to:

(1) Prohibit all students who are suspended from being on school property or attending an activity while on suspension;

(2) Discipline students for off-campus conduct that negatively affects the educational environment to the extent allowed by law.

5. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

(1) The superintendent or, in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and

(2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. 921 and the following items, as defined in section 571.010: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

7. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

8. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policies developed by each board, including but not limited to policies of student discipline or when reporting to his or her supervisor or other person as mandated by state law acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

9. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. "Acts of violence" as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020 to any school district in which the student subsequently attempts to enroll.

10. Spanking, when administered by certificated personnel and in the presence of a witness who is an employee of the school district, or the use of reasonable force to protect persons or property, when administered by personnel of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210. The provisions of sections 210.110 to 210.165 notwithstanding, the children's division shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to the use of reasonable force to protect persons or property when administered by personnel of a school district or any spanking administered in a reasonable manner by any certificated school personnel in the presence of a witness who is an employee of the school district pursuant to a written policy of discipline established by the board of education of the school district, as long as no allegation of sexual misconduct arises from the spanking or use of force.

11. If a student reports alleged sexual misconduct on the part of a teacher or other school employee to a person employed in a school facility who is required to report such misconduct to the children's division under section 210.115, such person and the superintendent of the school district shall report the allegation to the children's division as set forth in section 210.115. Reports made to the children's division under this subsection shall be investigated by the division in accordance with the provisions of sections 210.145 to 210.153 and shall not be investigated by the school district under subsections 12 to 20 of this section for purposes of determining whether the allegations should or should not be substantiated. The district may investigate the allegations for the purpose of making any decision regarding the employment of the accused employee.

12. Upon receipt of any reports of child abuse by the children's division other than reports provided under subsection 11 of this section, pursuant to sections 210.110 to 210.165 which allegedly involve personnel of a school district, the children's division shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred.

13. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel or the use of reasonable force to protect persons or property when administered by school personnel pursuant to a written policy of discipline or that the report was made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the children's division and take no further action. In all matters referred back to the children's division, the division shall treat the report in the same manner as other reports of alleged child abuse received by the division.

14. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel or the use of reasonable force to protect persons or property when administered by personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the law enforcement in the county in which the alleged incident occurred.

15. The report shall be jointly investigated by the law enforcement officer and the superintendent of schools or, if the subject of the report is the superintendent of schools, by a law enforcement officer and the president of the school board or such president's designee.

16. The investigation shall begin no later than forty-eight hours after notification from the children's division is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident.

17. The law enforcement officer and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the children's division.

18. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated.

19. The school board shall consider the separate reports referred to in subsection 17 of this section and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The law enforcement officer and the investigating school board personnel agree that there was not a preponderance of evidence to substantiate that abuse occurred;

(2) The report of the alleged child abuse is substantiated. The law enforcement officer and the investigating school district personnel agree that the preponderance of evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved. The law enforcement officer and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

20. The findings and conclusions of the school board under subsection 19 of this section shall be sent to the children's division. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the children's division central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child abuse is unresolved, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the children's division unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

21. Any superintendent of schools, president of a school board or such person's designee or law enforcement officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

22. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio.]

[167.171. SUMMARY SUSPENSION OF PUPIL — APPEAL — GROUNDS FOR SUSPENSION — PROCEDURE — CONFERENCE REQUIRED, WHEN — STATEWIDE SUSPENSION, WHEN. — 1. The school board in any district, by general rule and for the causes provided in section 167.161, may authorize the summary suspension of pupils by principals of schools for a period not to exceed ten school days and by the superintendent of schools for a period not to exceed one hundred and eighty school days. In case of a suspension by the superintendent for more than ten school days, the pupil, the pupil's parents or others having such pupil's custodial care may appeal the decision of the superintendent to the board or to a committee of board members appointed by the president of the board which shall have full authority to act in lieu of the board. Any suspension by a principal shall be immediately reported to the superintendent who may revoke the suspension at any time. In event of an appeal to the board, the superintendent shall promptly transmit to it a full report in writing of the facts relating to the suspension, the action taken by the superintendent and the reasons therefor and the board, upon request, shall grant a hearing to the appealing party to be conducted as provided in section 167.161.

2. No pupil shall be suspended unless:

(1) The pupil shall be given oral or written notice of the charges against such pupil;

(2) If the pupil denies the charges, such pupil shall be given an oral or written explanation of the facts which form the basis of the proposed suspension;

(3) The pupil shall be given an opportunity to present such pupil's version of the incident; and

(4) In the event of a suspension for more than ten school days, where the pupil gives notice that such pupil wishes to appeal the suspension to the board, the suspension shall be stayed until the board renders its decision, unless in the judgment of the superintendent of schools, or of the district superintendent, the pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, in which case the pupil may be immediately removed from school, and the notice and hearing shall follow as soon as practicable.

3. No school board shall readmit or enroll a pupil properly suspended for more than ten consecutive school days for an act of school violence as defined in subsection 2 of section 160.261 regardless of whether or not such act was committed at a public school or at a private school in this state, provided that such act shall have resulted in the suspension or expulsion of such pupil in the case of a private school, or otherwise permit such pupil to attend school without first holding a conference to review the conduct that resulted in the expulsion or suspension and any remedial actions needed to prevent any future occurrences of such or related conduct. The conference shall

include the appropriate school officials including any teacher employed in that school or district directly involved with the conduct that resulted in the suspension or expulsion, the pupil, the parent or guardian of the pupil or any agency having legal jurisdiction, care, custody or control of the pupil. The school board shall notify in writing the parents or guardians and all other parties of the time, place, and agenda of any such conference. Failure of any party to attend this conference shall not preclude holding the conference. Notwithstanding any provision of this subsection to the contrary, no pupil shall be readmitted or enrolled to a regular program of instruction if:

- (1) Such pupil has been convicted of; or
- (2) An indictment or information has been filed alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or
- (3) A petition has been filed pursuant to section 211.091 alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or
- (4) The pupil has been adjudicated to have committed an act which if committed by an adult would be one of the following:
 - (a) First degree murder under section 565.020;
 - (b) Second degree murder under section 565.021;
 - (c) First degree assault under section 565.050;
 - (d) Forcible rape under section 566.030 as it existed prior to August 28, 2013, or rape in the first degree under section 566.030;
 - (e) Forcible sodomy under section 566.060 as it existed prior to August 28, 2013, or sodomy in the first degree under section 566.060;
 - (f) Statutory rape under section 566.032;
 - (g) Statutory sodomy under section 566.062;
 - (h) Robbery in the first degree under section 569.020 **as it existed prior to January 1, 2017, or robbery in the first degree under section 570.023;**
 - (i) Distribution of drugs to a minor under section 195.212;
 - (j) Arson in the first degree under section 569.040;
 - (k) Kidnapping **or kidnapping in the first degree**, when classified as a class A felony under section 565.110.

Nothing in this subsection shall prohibit the readmittance or enrollment of any pupil if a petition has been dismissed, or when a pupil has been acquitted or adjudicated not to have committed any of the above acts. This subsection shall not apply to a student with a disability, as identified under state eligibility criteria, who is convicted or adjudicated guilty as a result of an action related to the student's disability. Nothing in this subsection shall be construed to prohibit a school district which provides an alternative education program from enrolling a pupil in an alternative education program if the district determines such enrollment is appropriate.

4. If a pupil is attempting to enroll in a school district during a suspension or expulsion from another in-state or out-of-state school district including a private, charter or parochial school or school district, a conference with the superintendent or the superintendent's designee may be held at the request of the parent, court-appointed legal guardian, someone acting as a parent as defined by rule in the case of a special education student, or the pupil to consider if the conduct of the pupil would have resulted in a suspension or expulsion in the district in which the pupil is enrolling. Upon a determination by the superintendent or the superintendent's designee that such conduct would have resulted in a suspension or expulsion in the district in which the pupil is enrolling or attempting to enroll, the school district may make such suspension

or expulsion from another school or district effective in the district in which the pupil is enrolling or attempting to enroll. Upon a determination by the superintendent or the superintendent's designee that such conduct would not have resulted in a suspension or expulsion in the district in which the student is enrolling or attempting to enroll, the school district shall not make such suspension or expulsion effective in its district in which the student is enrolling or attempting to enroll.]

[188.030. ABORTION OF VIABLE UNBORN CHILD PROHIBITED, EXCEPTIONS — PHYSICIAN DUTIES — VIOLATIONS, PENALTY — SEVERABILITY — RIGHT OF INTERVENTION, WHEN. — 1. Except in the case of a medical emergency, no abortion of a viable unborn child shall be performed or induced unless the abortion is necessary to preserve the life of the pregnant woman whose life is endangered by a physical disorder, physical illness, or physical injury, including a life-endangering physical condition caused by or arising from the pregnancy itself, or when continuation of the pregnancy will create a serious risk of substantial and irreversible physical impairment of a major bodily function of the pregnant woman. For purposes of this section, "major bodily function" includes, but is not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

2. Except in the case of a medical emergency:

(1) Prior to performing or inducing an abortion upon a woman, the physician shall determine the gestational age of the unborn child in a manner consistent with accepted obstetrical and neonatal practices and standards. In making such determination, the physician shall make such inquiries of the pregnant woman and perform or cause to be performed such medical examinations, imaging studies, and tests as a reasonably prudent physician, knowledgeable about the medical facts and conditions of both the woman and the unborn child involved, would consider necessary to perform and consider in making an accurate diagnosis with respect to gestational age;

(2) If the physician determines that the gestational age of the unborn child is twenty weeks or more, prior to performing or inducing an abortion upon the woman, the physician shall determine if the unborn child is viable by using and exercising that degree of care, skill, and proficiency commonly exercised by a skillful, careful, and prudent physician. In making this determination of viability, the physician shall perform or cause to be performed such medical examinations and tests as are necessary to make a finding of the gestational age, weight, and lung maturity of the unborn child and shall enter such findings and determination of viability in the medical record of the woman;

(3) If the physician determines that the gestational age of the unborn child is twenty weeks or more, and further determines that the unborn child is not viable and performs or induces an abortion upon the woman, the physician shall report such findings and determinations and the reasons for such determinations to the health care facility in which the abortion is performed and to the state board of registration for the healing arts, and shall enter such findings and determinations in the medical records of the woman and in the individual abortion report submitted to the department under section 188.052;

(4) (a) If the physician determines that the unborn child is viable, the physician shall not perform or induce an abortion upon the woman unless the abortion is necessary to preserve the life of the pregnant woman or that a continuation of the pregnancy will create a serious risk of substantial and irreversible physical impairment of a major bodily function of the woman.

(b) Before a physician may proceed with performing or inducing an abortion upon a woman when it has been determined that the unborn child is viable, the physician shall first certify in writing the medical threat posed to the life of the pregnant woman, or the medical reasons that continuation of the pregnancy would cause a serious risk of substantial and irreversible physical impairment of a major bodily function of the pregnant woman. Upon completion of the abortion, the physician shall report the reasons and determinations for the abortion of a viable unborn child to the health care facility in which the abortion is performed and to the state board of registration for the healing arts, and shall enter such findings and determinations in the medical record of the woman and in the individual abortion report submitted to the department under section 188.052.

(c) Before a physician may proceed with performing or inducing an abortion upon a woman when it has been determined that the unborn child is viable, the physician who is to perform the abortion shall obtain the agreement of a second physician with knowledge of accepted obstetrical and neonatal practices and standards who shall concur that the abortion is necessary to preserve the life of the pregnant woman, or that continuation of the pregnancy would cause a serious risk of substantial and irreversible physical impairment of a major bodily function of the pregnant woman. This second physician shall also report such reasons and determinations to the health care facility in which the abortion is to be performed and to the state board of registration for the healing arts, and shall enter such findings and determinations in the medical record of the woman and the individual abortion report submitted to the department under section 188.052. The second physician shall not have any legal or financial affiliation or relationship with the physician performing or inducing the abortion, except that such prohibition shall not apply to physicians whose legal or financial affiliation or relationship is a result of being employed by or having staff privileges at the same hospital as the term "hospital" is defined in section 197.020.

(d) Any physician who performs or induces an abortion upon a woman when it has been determined that the unborn child is viable shall utilize the available method or technique of abortion most likely to preserve the life or health of the unborn child. In cases where the method or technique of abortion most likely to preserve the life or health of the unborn child would present a greater risk to the life or health of the woman than another legally permitted and available method or technique, the physician may utilize such other method or technique. In all cases where the physician performs an abortion upon a viable unborn child, the physician shall certify in writing the available method or techniques considered and the reasons for choosing the method or technique employed.

(e) No physician shall perform or induce an abortion upon a woman when it has been determined that the unborn child is viable unless there is in attendance a physician other than the physician performing or inducing the abortion who shall take control of and provide immediate medical care for a child born as a result of the abortion. During the performance of the abortion, the physician performing it, and subsequent to the abortion, the physician required to be in attendance, shall take all reasonable steps in keeping with good medical practice, consistent with the procedure used, to preserve the life or health of the viable unborn child; provided that it does not pose an increased risk to the life of the woman or does not pose an increased risk of substantial and irreversible physical impairment of a major bodily function of the woman.

3. Any person who knowingly performs or induces an abortion of an unborn child in violation of the provisions of this section is guilty of a class [C] D felony, and, upon a finding of guilt or plea of guilty, shall be imprisoned for a term of not less than one year, and, notwithstanding the provisions of section 560.011, shall be fined not less than ten thousand nor more than fifty thousand dollars.

4. Any physician who pleads guilty to or is found guilty of performing or inducing an abortion of an unborn child in violation of this section shall be subject to suspension or revocation of his or her license to practice medicine in the state of Missouri by the state board of registration for the healing arts under the provisions of sections 334.100 and 334.103.

5. Any hospital licensed in the state of Missouri that knowingly allows an abortion of an unborn child to be performed or induced in violation of this section may be subject to suspension or revocation of its license under the provisions of section 197.070.

6. Any ambulatory surgical center licensed in the state of Missouri that knowingly allows an abortion of an unborn child to be performed or induced in violation of this section may be subject to suspension or revocation of its license under the provisions of section 197.220.

7. A woman upon whom an abortion is performed or induced in violation of this section shall not be prosecuted for a conspiracy to violate the provisions of this section.

8. Nothing in this section shall be construed as creating or recognizing a right to abortion, nor is it the intention of this section to make lawful any abortion that is currently unlawful.

9. It is the intent of the legislature that this section be severable as noted in section 1.140. In the event that any section, subsection, subdivision, paragraph, sentence, or clause of this section be declared invalid under the Constitution of the United States or the Constitution of the State of Missouri, it is the intent of the legislature that the remaining provisions of this section remain in force and effect as far as capable of being carried into execution as intended by the legislature.

10. The general assembly may, by concurrent resolution, appoint one or more of its members who sponsored or co-sponsored this act in his or her official capacity to intervene as a matter of right in any case in which the constitutionality of this law is challenged.]

EMPLOYEE DISQUALIFICATION LIST, NOTIFICATION OF PLACEMENT, CONTENTS — CHALLENGE OF ALLEGATION, PROCEDURE — HEARING, PROCEDURE — APPEAL — REMOVAL OF NAME FROM LIST — LIST PROVIDED TO WHOM — PROHIBITION OF EMPLOYMENT. — 1. After an investigation and a determination has been made to place a person's name on the employee disqualification list, that person shall be notified in writing mailed to his or her last known address that:

(1) An allegation has been made against the person, the substance of the allegation and that an investigation has been conducted which tends to substantiate the allegation;

(2) The person's name will be included in the employee disqualification list of the department;

(3) The consequences of being so listed including the length of time to be listed; and

(4) The person's rights and the procedure to challenge the allegation.

2. If no reply has been received within thirty days of mailing the notice, the department may include the name of such person on its list. The length of time the person's name shall appear on the employee disqualification list shall be determined by the director or the director's designee, based upon the criteria contained in subsection 9 of this section.

3. If the person so notified wishes to challenge the allegation, such person may file an application for a hearing with the department. The department shall grant the application within thirty days after receipt by the department and set the matter for

hearing, or the department shall notify the applicant that, after review, the allegation has been held to be unfounded and the applicant's name will not be listed.

4. If a person's name is included on the employee disqualification list without the department providing notice as required under subsection 1 of this section, such person may file a request with the department for removal of the name or for a hearing. Within thirty days after receipt of the request, the department shall either remove the name from the list or grant a hearing and set a date therefor.

5. Any hearing shall be conducted in the county of the person's residence by the director of the department or the director's designee. The provisions of chapter 536 for a contested case except those provisions or amendments which are in conflict with this section shall apply to and govern the proceedings contained in this section and the rights and duties of the parties involved. The person appealing such an action shall be entitled to present evidence, pursuant to the provisions of chapter 536, relevant to the allegations.

6. The director of the department or the director's designee shall clearly state the reasons for his or her decision and shall include a statement of findings of fact and conclusions of law pertinent to the questions in issue.

7. A person aggrieved by the decision following the hearing shall be informed of his or her right to seek judicial review as provided under chapter 536. If the person fails to appeal the director's findings, those findings shall constitute a final determination that the person shall be placed on the employee disqualification list.

8. A decision by the director shall be inadmissible in any civil action brought against a facility or the in-home services provider agency and arising out of the facts and circumstances which brought about the employment disqualification proceeding, unless the civil action is brought against the facility or the in-home services provider agency by the department of health and senior services or one of its divisions.

9. The length of time the person's name shall appear on the employee disqualification list shall be determined by the director of the department of health and senior services or the director's designee, based upon the following:

- (1) Whether the person acted recklessly or knowingly, as defined in chapter 562;
- (2) The degree of the physical, sexual, or emotional injury or harm; or the degree of the imminent danger to the health, safety or welfare of a resident or in-home services client;

- (7) Whether alternative sanctions resulting in conditions of continued employment are appropriate in lieu of placing a person's name on the employee disqualification list. Such conditions of employment may include, but are not limited to, additional training and employee counseling. Conditional employment shall terminate upon the expiration of the designated length of time and the person's submitting documentation which fulfills the department of health and senior services' requirements.

10. The removal of any person's name from the list under this section shall not prevent the director from keeping records of all acts finally determined to have occurred under this section.

11. The department shall provide the list maintained pursuant to this section to other state departments upon request and to any person, corporation, organization, or association who:

- (1) Is licensed as an operator under chapter 198;

(9) Any case in which the defendant is found guilty of a felony offense under chapter 571, the sentencing court may, upon its own motion or a motion of the prosecuting or circuit attorney, make a finding that the offender is ineligible to earn compliance credits because the nature and circumstances of the offense or the history and character of the offender indicate that a longer term of probation, parole, or conditional release is necessary for the protection of the public or the guidance of the offender. The motion may be made any time prior to the first month in which the person may earn compliance credits under this section. The offender's ability to earn credits shall be suspended until the court or board makes its finding. If the court or board finds that the offender is eligible for earned compliance credits, the credits shall begin to accrue on the first day of the next calendar month following the issuance of the decision.

3. Earned compliance credits shall reduce the term of probation, parole, or conditional release by thirty days for each full calendar month of compliance with the terms of supervision. Credits shall begin to accrue for eligible offenders after the first full calendar month of supervision or on October 1, 2012, if the offender began a term of probation, parole, or conditional release before September 1, 2012.

4. For the purposes of this section, the term "compliance" shall mean the absence of an initial violation report submitted by a probation or parole officer during a calendar month, or a motion to revoke or motion to suspend filed by a prosecuting or circuit attorney, against the offender.

5. Credits shall not accrue during any calendar month in which a violation report has been submitted or a motion to revoke or motion to suspend has been filed, and shall be suspended pending the outcome of a hearing, if a hearing is held. If no hearing is held or the court or board finds that the violation did not occur, then the offender shall be deemed to be in compliance and shall begin earning credits on the first day of the next calendar month following the month in which the report was submitted or the motion was filed. All earned credits shall be rescinded if the court or board revokes the probation or parole or the court places the offender in a department program under subsection 4 of section 559.036. Earned credits shall continue to be suspended for a period of time during which the court or board has suspended the term of probation, parole, or release, and shall begin to accrue on the first day of the next calendar month following the lifting of the suspension.

6. Offenders who are deemed by the division to be absconders shall not earn credits. For purposes of this subsection, "absconder" shall mean an offender under supervision who has left such offender's place of residency without the permission of the offender's supervising officer for the purpose of avoiding supervision. An offender shall no longer be deemed an absconder when such offender is available for active supervision.

7. Notwithstanding subsection 2 of section 217.730 to the contrary, once the combination of time served in custody, if applicable, time served on probation, parole, or conditional release, and earned compliance credits satisfy the total term of probation, parole, or conditional release, the board or sentencing court shall order final discharge of the offender, so long as the offender has completed at least two years of his or her probation or parole, which shall include any time served in custody under section 217.718 and sections 559.036 and 559.115.

8. The award or rescission of any credits earned under this section shall not be subject to appeal or any motion for postconviction relief.

9. At least twice a year, the division shall calculate the number of months the offender has remaining on his or her term of probation, parole, or conditional release, taking into consideration any earned compliance credits, and notify the offender of the length of the remaining term.

10. No less than sixty days before the date of final discharge, the division shall notify the sentencing court, the board, and, for probation cases, the circuit or prosecuting attorney of the impending discharge. If the sentencing court, the board, or the circuit or prosecuting attorney upon receiving such notice does not take any action under subsection 5 of this section, the offender shall be discharged under subsection 7 of this section.]

This section shall not be construed to affect the powers of the governor under article IV, section 7, of the Missouri Constitution. This statute shall not affect those provisions of section 565.020, section [558.018] **566.125**, or section 571.015, which set minimum terms of sentences, or the provisions of section 559.115, relating to probation.

2. The provisions of subsections 2 to 5 of this section shall be applicable to all classes of felonies except those set forth in chapter [195] **579**, and those otherwise excluded in subsection 1 of this section. For the purposes of this section, "prison commitment" means and is the receipt by the department of corrections of an offender after sentencing. For purposes of this section, prior prison commitments to the department of corrections shall not include [commitment to a regimented discipline program established pursuant to section 217.378] **an offender's first incarceration prior to release on probation under section 217.362 or an offender's incarceration prior to release on probation under section 559.115**. (1) A sentence of life shall be calculated to be thirty years;

(2) Any sentence either alone or in the aggregate with other consecutive sentences for [crimes] **offenses** committed at or near the same time which is over seventy-five years shall be calculated to be seventy-five years.

5. For purposes of this section, the term "minimum prison term" shall mean time required to be served by the offender before he or she is eligible for parole, conditional release or other early release by the department of corrections.

(2) The commission shall study sentencing practices in the circuit courts throughout the state for the purpose of determining whether and to what extent disparities exist among the various circuit courts with respect to the length of sentences imposed and the use of probation for offenders convicted of the same or similar [crimes] **offenses** and with similar criminal histories. The commission shall also study and examine whether and to what extent sentencing disparity among economic and social classes exists in relation to the sentence of death and if so, the reasons therefor, **if** sentences are comparable to other states, if the length of the sentence is appropriate, and the rate of rehabilitation based on sentence. It shall compile statistics, examine cases, draw conclusions, and perform other duties relevant to the research and investigation of disparities in death penalty sentencing among economic and social classes.

(3) The commission shall study alternative sentences, prison work programs, work release, home-based incarceration, probation and parole options, and any other programs and report the feasibility of these options in Missouri.

(4) The governor shall select a chairperson who shall call meetings of the commission as required or permitted pursuant to the purpose of the sentencing commission.

Any restitution moneys deposited into the county law enforcement restitution fund pursuant to this section shall only be expended pursuant to the provisions of section 50.565.

11. A judge may order payment to a restitution fund only if such fund had been created by ordinance or resolution of a county of the state of Missouri prior to sentencing. A judge shall not have any direct supervisory authority or administrative control over any fund to which the judge is ordering a [defendant] **person** to make payment.

12. A [defendant] **person** who fails to make a payment to a county law enforcement restitution fund may not have his or her probation revoked solely for failing to make such payment unless the judge, after evidentiary hearing, makes a finding supported by a preponderance of the evidence that the [defendant] **person** either willfully refused to make the payment or that the [defendant] **person** willfully, intentionally, and purposefully failed to make sufficient bona fide efforts to acquire the resources to pay.

13. Nothing in this section shall be construed to allow the sentencing advisory commission to issue recommended sentences in specific cases pending in the courts of this state.]

2. The court may terminate a period of probation and discharge the defendant at any time before completion of the specific term fixed under section 559.016 if warranted by the conduct of the defendant and the ends of justice. The court may extend the term of the probation, but no more than one extension of any probation may be ordered except that the court may extend the term of probation by one additional year by order of the court if the defendant admits he or she has violated the conditions of probation or is found by the court to have violated the conditions of his or her probation. Total time on any probation term, including any extension shall not exceed the maximum term established in section 559.016. Procedures for termination, discharge and extension may be established by rule of court.

3. If the defendant violates a condition of probation at any time prior to the expiration or termination of the probation term, the court may continue him **or her** on the existing conditions, with or without modifying or enlarging the conditions or extending the term.

4. (1) Unless the defendant consents to the revocation of probation, if a continuation, modification, enlargement or extension is not appropriate under this section, the court shall order placement of the offender in one of the department of corrections' one hundred twenty-day programs so long as:

(a) The underlying offense for the probation is a class [C or] **D or E felony** or an offense listed in chapter [195] **579 or an offense previously listed in chapter 195**; except that, the court may, upon its own motion or a motion of the prosecuting or circuit attorney, make a finding that an offender is not eligible if the underlying offense is involuntary manslaughter in the first degree, involuntary manslaughter in

the second degree, [aggravated] stalking **in the first degree**, assault in the second degree, sexual assault, rape in the second degree, domestic assault in the second degree, assault [of a law enforcement officer in the second degree] **in the third degree when the victim is a special victim**, statutory rape in the second degree, statutory sodomy in the second degree, deviate sexual assault, sodomy in the second degree, sexual misconduct involving a child, incest, endangering the welfare of a child in the first degree under subdivision (1) or (2) of subsection 1 of section 568.045, abuse of a child, invasion of privacy [or], any case in which the defendant is found guilty of a felony offense under chapter 571, **or an offense of aggravated stalking or assault of a law enforcement officer in the second degree as such offenses existed prior to January 1, 2017;**

For purposes of this subsection, "absconder" shall mean an offender under supervision who has left such offender's place of residency without the permission of the offender's supervising officer for the purpose of avoiding supervision;

(c) The defendant has not violated any conditions of probation involving the possession or use of weapons, or a stay-away condition prohibiting the defendant from contacting a certain individual; and

(d) The defendant has not already been placed in one of the programs by the court for the same underlying offense or during the same probation term.

(2) Upon receiving the order, the department of corrections shall conduct an assessment of the offender and place such offender in the appropriate one hundred twenty-day program under subsection 3 of section 559.115.

(3) Notwithstanding any of the provisions of subsection 3 of section 559.115 to the contrary, once the defendant has successfully completed the program under this subsection, the court shall release the defendant to continue to serve the term of probation, which shall not be modified, enlarged, or extended based on the same incident of violation. Time served in the program shall be credited as time served on any sentence imposed for the underlying offense.

5. If the defendant consents to the revocation of probation or if the defendant is not eligible under subsection 4 of this section for placement in a program and a continuation, modification, enlargement, or extension of the term under this section is not appropriate, the court may revoke probation and order that any sentence previously imposed be executed. If imposition of sentence was suspended, the court may revoke probation and impose any sentence available under section 557.011. The court may mitigate any sentence of imprisonment by reducing the prison or jail term by all or part of the time the defendant was on probation. The court may, upon revocation of probation, place an offender on a second term of probation. Such probation shall be for a term of probation as provided by section 559.016, notwithstanding any amount of time served by the offender on the first term of probation.

6. Probation shall not be revoked without giving the probationer notice and an opportunity to be heard on the issues of whether such probationer violated a condition of probation and, if a condition was violated, whether revocation is warranted under all the circumstances. Not less than five business days prior to the date set for a hearing on the violation, except for a good cause shown, the judge shall inform the probationer that he or she may have the right to request the appointment of counsel if the probationer is unable to retain counsel. If the probationer requests counsel, the judge shall determine whether counsel is necessary to protect the probationer's due process rights. If the judge determines that counsel is not necessary, the judge shall state the grounds for the decision in the record.

7. The prosecuting or circuit attorney may file a motion to revoke probation or at any time during the term of probation, the court may issue a notice to the probationer to appear to answer a charge of a violation, and the court may issue a warrant of arrest for the violation. Such notice shall be personally served upon the probationer. The warrant shall authorize the return of the probationer to the custody of the court or to any suitable detention facility designated by the court. Upon the filing of the prosecutor's or circuit attorney's motion or on the court's own motion, the court may immediately enter an order suspending the period of probation and may order a warrant for the defendant's arrest. The probation shall remain suspended until the court rules on the prosecutor's or circuit attorney's motion, or until the court otherwise orders the probation reinstated.

8. The power of the court to revoke probation shall extend for the duration of the term of probation designated by the court and for any further period which is reasonably necessary for the adjudication of matters arising before its expiration, provided that some affirmative manifestation of an intent to conduct a revocation hearing occurs prior to the expiration of the period and that every reasonable effort is made to notify the probationer and to conduct the hearing prior to the expiration of the period.]

400.9-105. CONTROL OF ELECTRONIC CHATTEL PAPER. — (a) A secured party has control of electronic chattel paper if **a system employed for evidencing the transfer of interests in the chattel paper reliably establishes the secured party as the person to which the chattel paper was assigned.**

(b) **A system satisfies subsection (a) if** the record or records comprising the chattel paper are created, stored, and assigned in such a manner that:

(1) A single authoritative copy of the record or records exists which is unique, identifiable and, except as otherwise provided in paragraphs (4), (5), and (6), unalterable;

(2) The authoritative copy identifies the secured party as the assignee of the record or records;

(3) The authoritative copy is communicated to and maintained by the secured party or its designated custodian;

(4) Copies or [revisions] **amendments** that add or change an identified assignee of the authoritative copy can be made only with the [participation] **consent** of the secured party;

(5) Each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy that is not the authoritative copy; and

(6) Any [revision] **amendment** of the authoritative copy is readily identifiable as [an] authorized or unauthorized [revision].

400.9-311. PERFECTION OF SECURITY INTERESTS IN PROPERTY SUBJECT TO CERTAIN STATUTES, REGULATIONS, AND TREATIES. — (a) Except as otherwise provided in subsection (d), the filing of a financing statement is not necessary or effective to perfect a security interest in property subject to:

(1) A statute, regulation, or treaty of the United States whose requirements for a security interest's obtaining priority over the rights of a lien creditor with respect to the property preempt section 400.9-310(a);

(2) Sections 301.600 to 301.661, section 700.350, and section 400.2A-304; or

(3) A [certificate-of-title] statute of another jurisdiction which provides for a security interest to be indicated on [the] **a certificate of title** as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the property.

(b) Compliance with the requirements of a statute, regulation, or treaty described in subsection (a) for obtaining priority over the rights of a lien creditor is equivalent to the filing of a financing statement under this article. Except as otherwise provided in subsection (d) and sections 400.9-313 and 400.9-316(d) and (e) for goods covered by a certificate of title, a security interest in property subject to a statute, regulation, or treaty described in subsection (a) may be perfected only by compliance with those requirements, and a security interest so perfected remains perfected notwithstanding a change in the use or transfer of possession of the collateral.

(c) Except as otherwise provided in subsection (d) and section 400.9-316(d) and (e), duration and renewal of perfection of a security interest perfected by compliance with the requirements prescribed by a statute, regulation, or treaty described in subsection (a) are governed by the statute, regulation, or treaty. In other respects, the security interest is subject to this article.

(d) During any period in which collateral is inventory held for sale or lease by a person or leased by that person as lessor and that person is in the business of selling goods of that kind, this section does not apply to a security interest in that collateral created by that person.

400.9-317. INTERESTS THAT TAKE PRIORITY OVER OR TAKE FREE OF SECURITY INTEREST OR AGRICULTURAL LIEN. — (a) A security interest or agricultural lien is subordinate to the rights of:

(1) A person entitled to priority under section 400.9-322; and
(2) Except as otherwise provided in subsection (e), a person that becomes a lien creditor before the earlier of the time:

(A) The security interest or agricultural lien is perfected; or

(B) One of the conditions specified in section 400.9-203(b)(3) is met and a financing statement covering the collateral is filed.

(b) Except as otherwise provided in subsection (e), a buyer, other than a secured party, of tangible chattel paper, documents, goods, instruments, or a [security certificate] **certificated security** takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(c) Except as otherwise provided in subsection (e), a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(d) A licensee of a general intangible or a buyer, other than a secured party, of collateral other than tangible chattel paper, tangible documents, goods, instruments, or a certificated security takes free of a security interest if the licensee or buyer gives value without knowledge of the security interest and before it is perfected.

(e) Except as otherwise provided in sections 400.9-320 and 400.9-321, if a person files a financing statement with respect to a purchase-money security interest before or within twenty days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee, or lien creditor which arise between the time the security interest attaches and the time of filing.

400.9-326. PRIORITY OF SECURITY INTERESTS CREATED BY NEW DEBTOR. — (a) Subject to subsection (b), a security interest that is created by a new debtor in collateral in which the new debtor has or acquires rights and is perfected solely by a filed financing statement that would be [effective] **ineffective** to perfect the security interest but for the application of section **400.9-316(i)(1)** or 400.9-508 is subordinate to a security interest in the same collateral which is perfected other than by such a filed financing statement.

(b) The other provisions of this part determine the priority among conflicting security interests in the same collateral perfected by filed financing statements described in subsection (a). However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same original debtor, the conflicting security interests rank according to priority in time of the new debtor's having become bound.

400.9-503. NAME OF DEBTOR AND SECURED PARTY. — (a) A financing statement sufficiently provides the name of the debtor:

(1) Except as otherwise provided in paragraph (3), if the debtor is a registered organization or the collateral is held in a trust that is a registered organization, only if the financing statement provides the name that is stated to be the registered organization's name on the public organic record most recently filed with or issued or enacted by the registered organization's jurisdiction of organization which purports to state, amend, or restate the registered organization's name;

(2) Subject to subsection (f), if the collateral is being administered by the personal representative of a decedent, only if the financing statement provides as the name of the debtor, the name of the decedent and, in a separate part of the financing statement, indicates that the collateral is being administered by a personal representative;

(3) If the collateral is held in a trust that is not a registered organization, only if the financing statement:

(A) Provides, as the name of the debtor:

(i) If the organic record of the trust specifies a name for the trust, the name specified; or

(ii) If the organic record of the trust does not specify a name for the trust, the name of the settlor or testator; and

- (B) In a separate part of the financing statement:
- (i) If the name is provided in accordance with subparagraph (A)(i), indicates that the collateral is held in a trust; or
 - (ii) If the name is provided in accordance with subparagraph (A)(ii), provides additional information sufficient to distinguish the trust from other trusts having one or more of the same settlors or the same testator and indicates that the collateral is held in a trust, unless the additional information so indicates;
- (4) Subject to subsection (g), if the debtor is an individual to whom this state has issued a driver's license **or nondriver's license** that has not expired, only if the financing statement provides the name of the individual which is indicated on the driver's license **or nondriver's license**;
- (5) If the debtor is an individual to whom paragraph (4) does not apply, only if the financing statement provides the individual name of the debtor or the surname and first personal name of the debtor; and
- (6) In other cases:
- (A) If the debtor has a name, only if the financing statement provides the organizational name of the debtor; and
 - (B) If the debtor does not have a name, only if it provides the names of the partners, members, associates, or other persons comprising the debtor, in a manner that each name provided would be sufficient if the person named were the debtor.
- (b) A financing statement that provides the name of the debtor in accordance with subsection (a) is not rendered ineffective by the absence of:
- (1) A trade name or other name of the debtor; or
 - (2) Unless required under subsection [(a)(4)(B)] **(a)(6)(B)**, names of partners, members, associates, or other persons comprising the debtor.
- (c) A financing statement that provides only the debtor's trade name does not sufficiently provide the name of the debtor.
- (d) Failure to indicate the representative capacity of a secured party or representative of a secured party does not affect the sufficiency of a financing statement.
- (e) A financing statement may provide the name of more than one debtor and the name of more than one secured party.
- (f) The name of the decedent indicated on the order appointing the personal representative of the decedent issued by the court having jurisdiction over the collateral is sufficient as the name of the decedent under subsection (a)(2).
- (g) If this state has issued to an individual more than one driver's license **or nondriver's license** of a kind described in subsection (a)(4), the one that was issued most recently is the one to which subsection (a)(4) refers.
- (h) In this section, the name of the settlor or testator means:
- (1) If the settlor is a registered organization, the name that is stated to be the settlor's name on the public organic record most recently filed with or issued or enacted by the settlor's jurisdiction of organization which purports to state, amend, or restate the settlor's name; or
 - (2) In other cases, the name of the settlor or testator indicated in the trust's organic record.

400.9-507. EFFECT OF CERTAIN EVENTS ON EFFECTIVENESS OF FINANCING STATEMENT.

- (a) A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed, or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured party knows of or consents to the disposition.
- (b) Except as otherwise provided in subsection (c) and section 400.9-508, a financing statement is not rendered ineffective if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under section 400.9-506.
- (c) If [a debtor so changes its] **the name that a filed financing statement provides for a debtor becomes insufficient as the name of the debtor under section 400.9-503(a) so that the financing statement becomes** seriously misleading under section 400.9-506:

(1) The financing statement is effective to perfect a security interest in collateral acquired by the debtor before, or within four months after, the [change] **filed financing statement becomes seriously misleading**; and

(2) The financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the [change] **filed financing statement becomes seriously misleading**, unless an amendment to the financing statement which renders the financing statement not seriously misleading is filed within four months after the [change] **financing statement became seriously misleading**.

400.9-516. WHAT CONSTITUTES FILING — EFFECTIVENESS OF FILING. — (a) Except as otherwise provided in subsection (b), communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

(b) Filing does not occur with respect to a record that a filing office refuses to accept because:

(1) The record is not communicated by a method or medium of communication authorized by the filing office;

(2) An amount equal to or greater than the applicable filing fee is not tendered;

(3) The filing office is unable to index the record because:

(A) In the case of an initial financing statement, the record does not provide a name for the debtor;

(B) In the case of an amendment or [correction] **information** statement, the record:

(i) Does not identify the initial financing statement as required by section 400.9-512 or 400.9-518, as applicable; or

(ii) Identifies an initial financing statement whose effectiveness has lapsed under section 400.9-515;

(C) In the case of an initial financing statement that provides the name of a debtor identified as an individual or an amendment that provides a name of a debtor identified as an individual which was not previously provided in the financing statement to which the record relates, the record does not identify the debtor's [last name] **surname**; or

(D) In the case of a record filed or recorded in the filing office described in section 400.9-501(a)(1), the record does not provide a sufficient description of the real property to which it relates;

(4) In the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;

(5) In the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:

(A) Provide a mailing address for the debtor; or

(B) Indicate whether the name provided as the name of the debtor is the name of an individual or an organization;

(6) In the case of an assignment reflected in an initial financing statement under section 400.9-514(a) or an amendment filed under section 400.9-514(b), the record does not provide a name and mailing address for the assignee; or

(7) In the case of a continuation statement, the record is not filed within the six-month period prescribed by section 400.9-515(d).

(c) For purposes of subsection (b):

(1) A record does not provide information if the filing office is unable to read or decipher the information; and

(2) A record that does not indicate that it is an amendment or identify an initial financing statement to which it relates, as required by section 400.9-512, 400.9-514 or 400.9-518, is an initial financing statement.

(d) A record that is communicated to the filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other than one set forth in subsection (b), is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.

400.9-607. COLLECTION AND ENFORCEMENT BY SECURED PARTY. — (a) If so agreed, and in any event after default, a secured party:

(1) May notify an account debtor or other person obligated on collateral to make payment or otherwise render performance to or for the benefit of the secured party;

(3) May enforce the obligations of an account debtor or other person obligated on collateral and exercise the rights of the debtor with respect to the obligation of the account debtor or other person obligated on collateral to make payment or otherwise render performance to the debtor, and with respect to any property that secures the obligations of the account debtor or other person obligated on the collateral;

(4) If it holds a security interest in a deposit account perfected by control under section 400.9-104(a)(1), may apply the balance of the deposit account to the obligation secured by the deposit account; and

(5) If it holds a security interest in a deposit account perfected by control under section 400.9-104(a)(2) or (3), may instruct the bank to pay the balance of the deposit account to or for the benefit of the secured party.

(b) If necessary to enable a secured party to exercise under subsection (a)(3) the right of a debtor to enforce a mortgage nonjudicially, the secured party may record in the office in which a record of the mortgage is recorded:

(1) A copy of the security agreement that creates or provides for a security interest in the obligation secured by the mortgage; and

(d) A secured party may deduct from the collections made pursuant to subsection (c) reasonable expenses of collection and enforcement, including reasonable attorney's fees and legal expenses incurred by the secured party.

400.9-802. SAVINGS CLAUSE. — (a) Except as otherwise provided in this part, this act applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created [before this act takes effect on July 1, 2013] **prior to August 28, 2013.**

(b) This act does not affect an action, case, or proceeding commenced before this act takes effect.

400.9-805. EFFECTIVENESS OF ACTION TAKEN BEFORE EFFECTIVE DATE. — (a) The filing of a financing statement before this act takes effect is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under article 9 as amended by this act.

(b) This act does not render ineffective an effective financing statement that, before this act takes effect, is filed and satisfies the applicable requirements for perfection under the law of the

jurisdiction governing perfection as provided in article 9 as it existed before amendment. However, except as otherwise provided in subsections (c) and (d) and section 400.9-806, the financing statement ceases to be effective:

(1) If the financing statement is filed in this state, at the time the financing statement would have ceased to be effective had this act not taken effect; or

(2) If the financing statement is filed in another jurisdiction, at the earlier of:

(A) The time the financing statement would have ceased to be effective under the law of that jurisdiction; or

(B) [June 30, 2018] **August 27, 2018.**

(c) The filing of a continuation statement after this act takes effect does not continue the effectiveness of a financing statement filed before this act takes effect. However, upon the timely filing of a continuation statement after this act takes effect and in accordance with the law of the jurisdiction governing perfection as provided in article 9 as amended by this act, the effectiveness of a financing statement filed in the same office in that jurisdiction before this act takes effect continues for the period provided by the law of that jurisdiction.

(d) Subsection (b)(2)(B) applies to a financing statement that, before this act takes effect, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in article 9 as it existed before amendment, only to the extent that article 9 as amended by this act provides that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

(e) A financing statement that includes a financing statement filed before this act takes effect and a continuation statement filed after this act takes effect is effective only to the extent that it satisfies the requirements of Part 5 as amended by this act for an initial financing statement. A financing statement that indicates that the debtor is a decedent's estate indicates that the collateral is being administered by a personal representative within the meaning of section 400.9-503(a)(2) as amended by this act. A financing statement that indicates that the debtor is a trust or is a trustee acting with respect to property held in trust indicates that the collateral is held in a trust within the meaning of section 400.9-503(a)(3) as amended by this act.

400.9-806. WHEN INITIAL FINANCING STATEMENT SUFFICES TO CONTINUE EFFECTIVENESS OF FINANCING STATEMENT. — (a) The filing of an initial financing statement in the office specified in section 400.9-501 continues the effectiveness of a financing statement filed before this act takes effect if:

(1) The filing of an initial financing statement in that office would be effective to perfect a security interest under article 9 as amended by this act;

(2) The pre-effective-date financing statement was filed in an office in another state; and

(3) The initial financing statement satisfies subsection (c).

(b) The filing of an initial financing statement under subsection (a) continues the effectiveness of the pre-effective-date financing statement:

(1) If the initial financing statement is filed before this act takes effect, for the period provided in unamended section 400.9-515 with respect to an initial financing statement; [or] **and**

(2) If the initial financing statement is filed after this act takes effect, for the period provided in section 400.9-515 as amended by this act with respect to an initial financing statement.

(1) Satisfy the requirements of section 400.9-500, et. seq., as amended by this act for an initial financing statement;

(2) Identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and

- (3) Indicate that the pre-effective-date financing statement remains effective.

AN ACT to repeal sections 173.030 and 174.450, RSMo, and to enact in lieu thereof two new sections relating to state authorization of reciprocity agreements for distance education.

SECTION

173.030. Additional responsibilities.

174.450. Board of governors to be appointed for certain public institutions of higher education, qualifications, terms — change in congressional districts, effect of.

Be it enacted by the General Assembly of the state of Missouri, as follows: Section A. Sections 173.030 and 174.450, RSMo, are repealed and two new sections enacted in lieu thereof, to be known as sections 173.030 and 174.450, to read as follows:

173.030. ADDITIONAL RESPONSIBILITIES. — The coordinating board, in addition, shall have responsibility, within the provisions of the constitution and the statutes of the state of Missouri, for:

(1) Requesting the governing boards of all state-supported institutions of higher education, and of major private institutions to submit to the coordinating board any proposed policy changes which would create additional institutions of higher education, additional residence centers, or major additions in degree and certificate programs, and make pertinent recommendations relating thereto;

(2) Recommending to the governing board of any institution of higher education in the state the development, consolidation, or elimination of programs, degree offerings, physical facilities

or policy changes where that action is deemed by the coordinating board as in the best interests of the institutions themselves and/or the general requirements of the state. Recommendations shall be submitted to governing boards by twelve months preceding the term in which the action may take effect;

(3) Recommending to the governing boards of state-supported institutions of higher education, including public community colleges receiving state support, formulas to be employed in specifying plans for general operations, for development and expansion, and for requests for appropriations from the general assembly. Such recommendations will be submitted to the governing boards by April first of each year preceding a regular session of the general assembly of the state of Missouri;

(4) Promulgating rules to include selected off-campus instruction in public college and university appropriation recommendations where prior need has been established in areas designated by the coordinating board for higher education. Funding for such off-campus instruction shall be included in the appropriation recommendations, shall be determined by the general assembly and shall continue, within the amounts appropriated therefor, unless the general assembly disapproves the action by concurrent resolution;

(5) Coordinating reciprocal agreements between or among Missouri state institutions of higher education at the request of one or more of the institutions party to the agreement, and between or among Missouri state institutions of higher education and publicly supported higher education institutions located outside the state of Missouri at the request of any Missouri institution party to the agreement;

(6) Entering into agreements for interstate reciprocity regarding the delivery of postsecondary distance education, administering such agreements, and approving or disapproving applications to participate in such agreements from a postsecondary institution that has its principal campus in the state of Missouri:

(a) The coordinating board shall establish standards for institutional approval. Those standards shall include, but are not limited to the:

a. Definition of physical presence for non-Missouri institutions serving Missouri residents consistent with other states' definitions of physical presence; and

b. Establishment of consumer protection policies for distance education addressing recruitment and marketing activities; disclosure of tuition, fees, and other charges; disclosure of admission processes and procedures; and student complaints;

(b) The coordinating board shall establish policies for the review and resolution of student complaints arising from distance education programs offered under the agreement;

(c) The coordinating board may charge fees to any institution that applies to participate in an interstate postsecondary distance education reciprocity agreement authorized pursuant to this section. Such fees shall not exceed the coordinating board for higher education's cost of reviewing and evaluating the applications; and

(d) The coordinating board shall promulgate rules to implement the provisions of this subdivision. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2014, shall be invalid and void;

(7) Administering the nurse training incentive fund;

[(7)] (8) Conducting, in consultation with each public four-year institution's governing board and the governing board of technical colleges and community colleges, a review every five years of the mission statements of the institutions comprising Missouri's system of public higher

education. This review shall be based upon the needs of the citizens of the state as well as the requirements of business, industry, the professions and government. The purpose of this review shall be to ensure that Missouri's system of higher education is responsive to the state's needs and is focused, balanced, cost-effective, and characterized by programs of high quality as demonstrated by student performance and program outcomes. As a component of this review, each institution shall prepare, in a manner prescribed by the coordinating board, a mission implementation plan for the coordinating board's consideration and approval. If the coordinating board determines that an institution has qualified for a mission change or additional targeted resources pursuant to review conducted under this subdivision and subdivision [(8)] (9) of this subsection, the coordinating board shall submit a report to the general assembly that outlines the proposed mission change or targeted state resources. No change of mission for an institution under this subdivision establishing a statewide mission shall become effective until the general assembly approves the proposed mission change by concurrent resolution, except for the institution defined pursuant to subdivision (1) of section 174.010, and has been approved by the coordinating board and the institutions for which the coordinating board has recommended a statewide mission prior to August 28, 1995. The effective date of any mission change under this subdivision shall be the first day of July immediately following the approval of the concurrent resolution by the general assembly as required under this subdivision, and shall be August 28, 1995, for any institution for which the coordinating board has recommended a statewide mission which has not yet been implemented on such date. Nothing in this subdivision shall preclude an institution from initiating a request to the coordinating board for a revision of its mission; and

[(8)] (9) Reviewing applications from institutions seeking a statewide mission. Such institutions shall provide evidence to the coordinating board that they have the capacity to discharge successfully such a mission. Such evidence shall consist of the following:

(a) That the institution enrolls a representative cross-section of Missouri students. Examples of evidence for meeting this requirement which the institution may present include, but are not limited to, the following: enrolling at least forty percent of its Missouri resident, first-time degree-seeking freshmen from outside its historic statutory service region; enrolling its Missouri undergraduate students from at least eighty percent of all Missouri counties; or enrolling one or more groups of special population students such as minorities, economically disadvantaged, or physically disadvantaged from outside its historic statutory service region at rates exceeding state averages of such populations enrolled in the higher educational institutions of this state;

(b) That the institution offers one or more programs of unusual strength which respond to a specific statewide need. Examples of evidence of meeting this requirement which the institution may present include, but are not limited to, the following: receipt of national, discipline-specific accreditation when available; receipt of independent certification for meeting national or state standards or requirements when discipline-specific accreditation is not available; for occupationally specific programs, placement rates significantly higher than average; for programs for which state or national licensure is required or for which state or national licensure or registration is available on a voluntary basis, licensure or registration rates for graduates seeking such recognition significantly higher than average; or quality of program faculty as measured by the percentage holding terminal degrees, the percentage writing publications in professional journals or other appropriate media, and the percentage securing competitively awarded research grants which are higher than average;

(c) That the institution has a clearly articulated admission standard consistent with the provisions of subdivision (4) of subsection 2 of section 173.005 or section 174.130;

(d) That the institution is characterized by a focused academic environment which identifies specific but limited areas of academic emphasis at the undergraduate, and if appropriate, at the graduate and professional school levels, including the identification of programs to be continued, reduced, terminated or targeted for excellence. The institution shall, consistent with its focused academic environment, also have the demonstrable capacity to provide significant public service or research support that address statewide needs for constituencies beyond its historic statutory service region; and

(e) That the institution has adopted and maintains a program of continuous quality improvement, or the equivalent of such a program, and reports annually appropriate and verifiable measures of institutional accountability related to such program. Such measures shall include, but not be limited to, indicators of student achievement and institutional mission attainment such as percentage of students meeting institutional admission standards; success of remediation programs, if offered; student retention rate; student graduation rate; objective measures of student, alumni, and employer satisfaction; objective measures of student learning in general education and the major, including written and oral communication skills and critical thinking skills; percentage of students attending graduate or professional schools; student placement, licensure and professional registration rates when appropriate to a program's objectives; objective measures of successful attainment of statewide goals as may be expressed from time to time by the coordinating board or by the general assembly; and objective measures of faculty teaching effectiveness. In the development and evaluation of these institutional accountability reports, the coordinating board and institutions are expected to use multiple measures of success, including nationally developed and verified as well as locally developed and independently verified assessment instruments; however, preference shall be given to nationally developed instruments when they are available and if they are appropriate. Institutions which serve or seek to serve a statewide mission shall be judged to have met the prerequisites for such a mission when they demonstrate to the coordinating board that they have met the criteria described in this subdivision. As a component of this process, each institution shall prepare, in a manner prescribed by the coordinating board, a mission implementation plan for the coordinating board's consideration and approval.

3. If a voting member of the board of governors of Missouri State University is found by unanimous vote of the other governors to have moved such governor's residence from the district from which such governor was appointed, then the office of such governor shall be forfeited and considered vacant.

4. Should the total number of Missouri congressional districts be altered, all members of the board of governors of Missouri State University shall be allowed to serve the remainder of the term for which they were appointed.

534.350. EXECUTION — WHEN ISSUED AND LEVIED. — The judge rendering judgment in any such cause may issue execution at any time after judgment, but such execution shall not be levied until after the expiration of the time allowed for [the filing of an application for trial de novo or] the taking of an appeal, except as in the next succeeding section is provided.

534.360. EXECUTION, WHEN DEFENDANT IS ABOUT TO ABSCOND. — If it shall appear to the officer having charge of the execution that the defendant therein is about to remove, conceal or dispose of his property, so as to hinder or delay the levy, the rents and profits, damages and costs may be levied before the expiration of the time allowed for [the filing of an application for a trial de novo or] taking an appeal.

534.380. JUDGMENT STAY FOR APPEALS. — Applications for [trials de novo and] appeals shall be allowed and conducted in the manner provided in chapter 512 **as in other civil cases.** Application for [a trial de novo or] appeal shall not stay execution for restitution of the premises unless the defendant gives bond within the time for appeal. The bond shall be for the amount of the judgment and with the condition to stay waste and to pay all subsequently accruing rent, if any, into court within ten days after it becomes due, pending determination of the [trial de novo or] appeal, subject to the judge's discretion. However, in any case in which the defendant receives a reduction in rent due to a local, state or federal subsidy program, the amount of the bond shall be reduced by the amount of said subsidy. Execution other than for restitution shall be stayed if the defendant files a bond in the proper amount at such time as otherwise provided by law.

535.030. SERVICE OF SUMMONS — COURT DATE INCLUDED IN SUMMONS. — 1. Such summons shall be served as in other civil cases at least four days before the court date in the summons. The summons shall include a court date which shall not be more than twenty-one business days from the date the summons is issued unless at the time of filing the affidavit the plaintiff or plaintiff's attorney consents in writing to a later date.

2. In addition to attempted personal service, the plaintiff may request, and thereupon the clerk of the court shall make an order directing that the officer, or other person empowered to execute the summons, shall also serve the same by securely affixing a copy of such summons and the complaint in a conspicuous place on the dwelling of the premises in question at least ten days before the court date in such summons, and by also mailing a copy of the summons and

complaint to the defendant at the defendant's last known address by ordinary mail at least ten days before the court date. If the officer, or other person empowered to execute the summons, shall return that the defendant is not found, or that the defendant has absconded or vacated his or her usual place of abode in this state, and if proof be made by affidavit of the posting and of the mailing of a copy of the summons and complaint, the judge shall at the request of the plaintiff proceed to hear the case as if there had been personal service, and judgment shall be rendered and proceedings had as in other cases, except that no money judgment shall be granted the plaintiff where the defendant is in default and service is by the posting and mailing procedure set forth in this section.

3. If the plaintiff does not request service of the original summons by posting and mailing as provided in subsection 2 of this section, and if the officer, or other person empowered to execute the summons, makes return that the defendant is not found, or that the defendant has absconded or vacated the defendant's usual place of abode in this state, the plaintiff may request the issuance of an alias summons and service of the same by posting and mailing in the time and manner provided in subsection 2 of this section. In addition, the plaintiff or an agent of the plaintiff who is at least eighteen years of age may serve the summons by posting and mailing a copy of the summons in the time and manner provided in subsection 2 of this section. Upon proof by affidavit of the posting and of the mailing of a copy of the summons or alias summons and the complaint, the judge shall proceed to hear the case as if there had been personal service, and judgment shall be rendered and proceedings had as in other cases, except that no money judgment shall be granted the plaintiff where the defendant is in default and service is by the posting and mailing procedure provided in subsection 2 of this section.

4. On the date judgment is rendered as provided in this section where the defendant is in default, the clerk of the court shall mail to the defendant at the defendant's last known address by ordinary mail a notice informing the defendant of the judgment and the date it was entered, and stating that the defendant has ten days from the date of the judgment to file a motion to set aside the judgment [or to file an application for a trial de novo] in the circuit court, as the case may be, and that unless the judgment is set aside [or an application for a trial de novo is filed] within ten days, the judgment will become final and the defendant will be subject to eviction from the premises without further notice.

535.110. APPEALS, DEFENDANT TO FURNISH BOND TO STAY EXECUTION. — Applications for [trials de novo and] appeals shall be allowed and conducted in the manner provided in chapter 512 **as in other civil cases**; but no application for [a trial de novo or] **an** appeal shall stay execution unless the defendant give bond, with security sufficient to secure the payment of all damages, costs and rent then due, and with condition to stay waste and to pay all subsequently accruing rent, if any, into court within ten days after it becomes due, pending determination of the [trial de novo or] appeal.

535.160. TENDER OF RENT AND COSTS ON JUDGMENT DATE, EFFECT — NOT BAR TO LANDLORD'S APPEAL — NO STAY OF EXECUTION IF NO MONEY JUDGMENT, EXCEPTIONS. — If the defendant, on the date any money judgment is given in any action pursuant to this chapter, either tenders to the landlord, or brings into the court where the suit is pending, all the rent then in arrears, and all the costs, further proceedings in the action shall cease and be stayed. If on any date after the date of any original trial [but before any trial de novo] the defendant shall satisfy such money judgment and pay all costs, any execution for possession of the subject premises shall cease and be stayed; except that the landlord shall not thereby be precluded from making application for appeal from such money judgment. If for any reason no money judgment is entered against the defendant and judgment for the plaintiff is limited only to possession of the subject premises, no stay of execution shall be had, except as provided by the provisions of section 535.110 or the rules of civil procedure or by agreement of the parties.

535.170. LESSEE BARRED FROM RELIEF, WHEN — APPEAL PERMITTED, WHEN. — After the execution of any judgment for possession pursuant to this chapter, the lessee and the lessee's assignees, and all other persons deriving title under the lease from such lessee, shall be barred from reentry of such premises and from all relief, and except for error in the record or proceedings, the landlord shall from that day hold the demised premises discharged from the lease. Nothing in this section shall preclude an aggrieved party from perfecting an appeal [or securing a trial de novo] as to any judgment rendered, and may as a result of such appeal [or trial de novo] recover any damage incurred, including damages incurred from an unlawful dispossession.

Specifies that it shall be a crime to intentionally file a fraudulent financing statement or any financing statement with the Secretary of State with the intent to harass or defraud any other person

AN ACT to repeal sections 400.9-501 and 400.9-516, RSMo, and to enact in lieu thereof two new sections relating to the filing of fraudulent documents, with penalty provisions.

SECTION

- A. Enacting clause.
- 400.9-501. Filing office.
- 400.9-516. What constitutes filing — effectiveness of filing.

Be it enacted by the General Assembly of the state of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Sections 400.9-501 and 400.9-516, RSMo, are repealed and two new sections enacted in lieu thereof, to be known as sections 400.9-501 and 400.9-516, to read as follows:

400.9-501. FILING OFFICE. — (a) Except as otherwise provided in subsection (b), if the local law of this state governs perfection of a security interest or agricultural lien, the office in which to file a financing statement to perfect the security interest or agricultural lien is:

(1) The office designated for the filing or recording of a record of a mortgage on the related real property, if:

(A) The collateral is as-extracted collateral or timber to be cut; or

(B) The financing statement is filed as a fixture filing and the collateral is goods that are or are to become fixtures; or

(2) The office of the secretary of state in all other cases, including a case in which the collateral is goods that are or are to become fixtures and the financing statement is not filed as a fixture filing.

(b) The office in which to file a financing statement to perfect a security interest in collateral, including fixtures, of a transmitting utility is the office of the secretary of state. The financing statement also constitutes a fixture filing as to the collateral indicated in the financing statement which is or is to become fixtures.

(c) A person shall not knowingly or intentionally file, attempt to file, or record any document related to real property with a recorder of deeds under chapter 59 or a financing statement with the secretary of state under subdivision (2) of subsection (a) or subsection (b) of this section, with the intent that such document or statement be used to harass or defraud any other person or knowingly or intentionally file, attempt to file, or record such a document or statement that is materially false or fraudulent.

(1) A person who violates this subsection shall be guilty of a class D felony.

(2) If a person is convicted of a violation under this subsection, the court may order restitution.

(d) In the alternative to the provisions of sections 428.105 through 428.135, if a person files a false or fraudulent financing statement with the secretary of state under subdivision (2) of subsection (a) or subsection (b) of this section, a debtor named in that financing statement may file an action against the person that filed the financing statement seeking appropriate equitable relief, actual damages, or punitive damages, including, but not limited to, reasonable attorney fees.

400.9-516. WHAT CONSTITUTES FILING — EFFECTIVENESS OF FILING. — (a) Except as otherwise provided in subsection (b), communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

(b) Filing does not occur with respect to a record that a filing office refuses to accept because:

(1) The record is not communicated by a method or medium of communication authorized by the filing office;

(2) An amount equal to or greater than the applicable filing fee is not tendered;

(3) The filing office is unable to index the record because:

(A) In the case of an initial financing statement, the record does not provide a name for the debtor;

(B) In the case of an amendment or correction statement, the record:

(i) Does not identify the initial financing statement as required by section 400.9-512 or 400.9-518, as applicable; or

(ii) Identifies an initial financing statement whose effectiveness has lapsed under section 400.9-515;

(C) In the case of an initial financing statement that provides the name of a debtor identified as an individual or an amendment that provides a name of a debtor identified as an individual which was not previously provided in the financing statement to which the record relates, the record does not identify the debtor's last name; or

(D) In the case of a record filed or recorded in the filing office described in section 400.9-501(a)(1), the record does not provide a sufficient description of the real property to which it relates;

(4) In the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;

(5) In the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:

- (A) Provide a mailing address for the debtor; or
- (B) Indicate whether the name provided as the name of the debtor is the name of an individual or an organization;
- (6) In the case of an assignment reflected in an initial financing statement under section 400.9-514(a) or an amendment filed under section 400.9-514(b), the record does not provide a name and mailing address for the assignee; [or]
- (7) In the case of a continuation statement, the record is not filed within the six-month period prescribed by section 400.9-515(d);
- (8) The secretary of state has reasonable cause to believe the record is materially false or fraudulent; or**
- (9) The record on its face reveals, based on factors such as whether the debtor and the secured party are substantially the same person, the individual debtor is a transmitting utility, or whether the collateral described is within the scope of this chapter, that the record is being filed for a purpose other than a transaction that is within the scope of this chapter. This includes a record that asserts a claim against a current or former employee or officer of a federal, state, county, or other local governmental unit that relates to the performance of the officer's or employee's public duties, and for which the filer does not hold a properly executed security agreement or judgment from a court of competent jurisdiction.**
- (c) For purposes of subsection (b):
- (1) A record does not provide information if the filing office is unable to read or decipher the information; [and]
- (2) A record that does not indicate that it is an amendment or identify an initial financing statement to which it relates, as required by section 400.9-512, 400.9-514 or 400.9-518, is an initial financing statement; **and**
- (3) A document, instrument, or record shall be presumed to be materially false or fraudulent if the document, instrument, or record is filed by an offender or on behalf of an offender. This presumption may be rebutted by providing the secretary of state the original or a copy of a sworn and notarized document signed by the obligor, debtor, or owner of the property designated as collateral stating that the person entered into a security agreement with the offender and authorized the filing of the instrument as provided in section 400.9-509. For the purposes of this subdivision the term "offender" shall have the same definition as provided in section 217.010, except, it shall only include inmates in the custody of the department of corrections.**
- (d) A record that is communicated to the filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other than one set forth in subsection (b), is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.
- (e) In the alternative to the provisions of sections 428.105 through 428.135, if an information statement filed with the secretary of state under section 400.9-518 alleges that a previously filed record was wrongfully filed, the secretary of state shall, without undue delay, determine whether the contested record was wrongfully filed. To determine whether the record was wrongfully filed, the secretary of state may require the person who filed the information statement or the secured party to provide any additional relevant information, including an original or copy of a security agreement that is related to the record. If the secretary of state finds that the record was wrongfully filed, the secretary of state shall terminate the record and the record shall be void and ineffective. The secretary of state shall notify the secured party named in the contested record of the termination.**

The statewide assessment system shall assess problem solving, analytical ability, evaluation, creativity, and application ability in the different content areas and shall be performance-based to identify what students know, as well as what they are able to do, and shall enable teachers to evaluate actual academic performance. The **statewide** assessment system shall neither promote nor prohibit rote memorization and shall not include existing versions of tests approved for use pursuant to the provisions of section 160.257, nor enhanced versions of such tests. **After the state board of education adopts and implements academic performance standards as required under section 161.855, the state board of education shall develop and adopt a standardized assessment instrument under this section based on the academic performance standards adopted under section 161.855.** The statewide assessment system shall measure, where appropriate by grade level, a student's knowledge of academic subjects including, but not limited to, reading skills, writing skills, mathematics skills, world and American history, forms of government, geography and science.**

Further, the provisions of other law to the contrary notwithstanding, the plan shall detail a means for the waiver of requirements otherwise imposed on the school related to the authority of the state board of education to classify school districts pursuant to subdivision (9) of section 161.092 and such other rules and regulations as determined by the commissioner of education, excepting such waivers shall be confined to the school and not other schools in the district unless such other schools meet the criteria established by the state board of education consistent with subsection 3 of this section and the waivers shall not include the requirements contained in this section and section 160.514. The advisory panel shall attempt to identify preexisting developmentally appropriate alternate assessments but shall, if necessary, develop alternate assessments and recommend one or more alternate assessments for adoption by the state board. The state board shall consider the recommendations of the advisory council in establishing such alternate assessment or assessments. Any student who receives special educational services, as that term is defined pursuant to section 162.675, shall be assessed by an alternate assessment established pursuant to this subsection upon a determination by the student's individualized education program team that such alternate assessment is more appropriate to assess the student's knowledge, skills and competencies than the assessment developed pursuant to subsection 1 of this section. The alternate assessment shall evaluate the student's independent living skills, which include how effectively the student addresses common life demands and how well the student meets standards for personal independence expected for someone in the student's age group, sociocultural background, and community setting.

7. The state board of education shall also develop recommendations regarding alternate assessments for any military dependent who relocates to Missouri after the commencement of a school term, in order to accommodate such student while ensuring that he or she is proficient in the knowledge, skills, and competencies adopted under section 160.514.

Changes the laws regarding tax increment financing

AN ACT to repeal section 99.845, RSMo, and to enact in lieu thereof one new section relating to tax increment financing.

SECTION

A. Enacting clause.

99.845. Tax increment financing adoption — division of ad valorem taxes — payments in lieu of tax, deposit, inclusion and exclusion of current equalized assessed valuation for certain purposes, when — other taxes included, amount — supplemental tax increment financing fund established, disbursement.

Be it enacted by the General Assembly of the state of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Section 99.845, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 99.845, to read as follows:

99.845. TAX INCREMENT FINANCING ADOPTION — DIVISION OF AD VALOREM TAXES — PAYMENTS IN LIEU OF TAX, DEPOSIT, INCLUSION AND EXCLUSION OF CURRENT EQUALIZED ASSESSED VALUATION FOR CERTAIN PURPOSES, WHEN — OTHER TAXES INCLUDED, AMOUNT — SUPPLEMENTAL TAX INCREMENT FINANCING FUND ESTABLISHED, DISBURSEMENT. — 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval

of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. **Beginning August 28, 2014, if the voters in a taxing district vote to approve an increase in such taxing district's levy rate for ad valorem tax on real property, any additional revenues generated within an existing redevelopment project area that are directly attributable to the newly voter-approved incremental increase in such taxing district's levy rate shall not be considered payments in lieu of taxes subject to deposit into a special allocation fund without the consent of such taxing district. Revenues will be considered directly attributable to the newly voter-approved incremental increase to the extent that they are generated from the difference between the taxing district's actual levy rate currently imposed and the maximum voter approved levy rate at the time that the redevelopment project was adopted.** Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to Article VI, Section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the

debt limitation on local government pursuant to Article VI, Section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of Article III, Section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of Section 6 of Article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, taxes imposed on sales pursuant to subsection 2 of section 67.1712 for the purpose of operating and maintaining a metropolitan park and recreation district, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities, or for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 28, 2013, taxes imposed on sales under and pursuant to section **67.700** or 650.399 for the purpose of emergency communication systems, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. **Beginning August 28, 2014, if the voters in a taxing district vote to approve an increase in such taxing district's sales tax or use tax, other than the renewal of an expiring sales or use tax, any additional revenues generated within an existing redevelopment project area that**

are directly attributable to the newly voter-approved incremental increase in such taxing district's levy rate shall not be considered economic activity taxes subject to deposit into a special allocation fund without the consent of such taxing district.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

5. The treasurer or other designated financial officer of the municipality with approved plans or projects shall deposit such funds in a separate segregated account within the special allocation fund established pursuant to section 99.805.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

8. For purposes of this section, "new state revenues" means:

(1) The incremental increase in the general revenue portion of state sales tax revenues received pursuant to section 144.020, excluding sales taxes that are constitutionally dedicated, taxes deposited to the school district trust fund in accordance with section 144.701, sales and use taxes on motor vehicles, trailers, boats and outboard motors and future sales taxes earmarked by law. In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of economic development and such entities have made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. The incremental increase in the general revenue portion of state sales tax revenues for an existing or relocated facility shall be the amount that current state sales tax revenue exceeds the state sales tax revenue in the base year as stated in the redevelopment plan as provided in subsection 10 of this section; or

(2) The state income tax withheld on behalf of new employees by the employer pursuant to section 143.221 at the business located within the project as identified by the municipality.

The state income tax withholding allowed by this section shall be the municipality's estimate of the amount of state income tax withheld by the employer within the redevelopment area for new employees who fill new jobs directly created by the tax increment financing project.

9. Subsection 4 of this section shall apply only to blighted areas located in enterprise zones, pursuant to sections 135.200 to 135.256, blighted areas located in federal empowerment zones, or to blighted areas located in central business districts or urban core areas of cities which districts or urban core areas at the time of approval of the project by ordinance, provided that the enterprise zones, federal empowerment zones or blighted areas contained one or more buildings at least fifty years old; and

(1) Suffered from generally declining population or property taxes over the twenty-year period immediately preceding the area's designation as a project area by ordinance; or

(2) Was a historic hotel located in a county of the first classification without a charter form of government with a population according to the most recent federal decennial census in excess of one hundred fifty thousand and containing a portion of a city with a population according to the most recent federal decennial census in excess of three hundred fifty thousand.

10. The initial appropriation of up to fifty percent of the new state revenues authorized pursuant to subsections 4 and 5 of this section shall not be made to or distributed by the department of economic development to a municipality until all of the following conditions have been satisfied:

(1) The director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee have approved a tax increment financing application made by the municipality for the appropriation of the new state revenues. The municipality shall include in the application the following items in addition to the items in section 99.810:

(a) The tax increment financing district or redevelopment area, including the businesses identified within the redevelopment area;

(b) The base year of state sales tax revenues or the base year of state income tax withheld on behalf of existing employees, reported by existing businesses within the project area prior to approval of the redevelopment project;

(c) The estimate of the incremental increase in the general revenue portion of state sales tax revenue or the estimate for the state income tax withheld by the employer on behalf of new employees expected to fill new jobs created within the redevelopment area after redevelopment;

(d) The official statement of any bond issue pursuant to this subsection after December 23, 1997;

(e) An affidavit that is signed by the developer or developers attesting that the provisions of subdivision (1) of subsection 1 of section 99.810 have been met and specifying that the redevelopment area would not be reasonably anticipated to be developed without the appropriation of the new state revenues;

(f) The cost-benefit analysis required by section 99.810 includes a study of the fiscal impact on the state of Missouri; and

of administration or his or her designee. Upon approval of the application, the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee shall issue a certificate of approval. The department of economic development may request the appropriation following application approval;

(3) The appropriation shall be either a portion of the estimate of the incremental increase in the general revenue portion of state sales tax revenues in the redevelopment area or a portion of the estimate of the state income tax withheld by the employer on behalf of new employees who fill new jobs created in the redevelopment area as indicated in the municipality's application, approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. 11. In addition to the areas authorized in subsection 9 of this section, the funding authorized pursuant to subsection 4 of this section shall also be available in a federally approved levee district, where construction of a levee begins after December 23, 1997, and which is contained within a county of the first classification without a charter form of government with a population between fifty thousand and one hundred thousand inhabitants which contains all or part of a city with a population in excess of four hundred thousand or more inhabitants.

12. There is hereby established within the state treasury a special fund to be known as the "Missouri Supplemental Tax Increment Financing Fund", to be administered by the department of economic development. The department shall annually distribute from the Missouri supplemental tax increment financing fund the amount of the new state revenues as appropriated as provided in the provisions of subsections 4 and 5 of this section if and only if the conditions of subsection 10 of this section are met. The fund shall also consist of any gifts, contributions, grants or bequests received from federal, private or other sources. Moneys in the Missouri supplemental tax increment financing fund shall be disbursed per project pursuant to state appropriations.

13. Redevelopment project costs may include, at the prerogative of the state, the portion of salaries and expenses of the department of economic development and the department of revenue reasonably allocable to each redevelopment project approved for disbursements from the Missouri supplemental tax increment financing fund for the ongoing administrative functions associated with such redevelopment project. Such amounts shall be recovered from new state revenues deposited into the Missouri supplemental tax increment financing fund created under this section.

14. For redevelopment plans or projects approved by ordinance that result in net new jobs from the relocation of a national headquarters from another state to the area of the redevelopment project, the economic activity taxes and new state tax revenues shall not be based on a calculation of the incremental increase in taxes as compared to the base year or prior calendar year for such redevelopment project, rather the incremental increase shall be the amount of total taxes generated from the net new jobs brought in by the national headquarters from another state. In no event shall this subsection be construed to allow a redevelopment project to receive an appropriation in excess of up to fifty percent of the new state revenues.

Changes the laws regarding the management, investment, and expenditures of endowment funds held by charitable institutions and other entities holding funds for charitable purposes

AN ACT to repeal section 402.134, RSMo, and to enact in lieu thereof one new section relating to endowment funds, with an emergency clause.

SECTION

A. Enacting clause.

- 402.134. Appropriation for expenditure or accumulation of endowment fund, amount permitted — factors to consider.
- B. Emergency clause.

Be it enacted by the General Assembly of the state of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Section 402.134, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 402.134, to read as follows:

402.134. APPROPRIATION FOR EXPENDITURE OR ACCUMULATION OF ENDOWMENT FUND, AMOUNT PERMITTED — FACTORS TO CONSIDER. — 1. Subject to the intent of the donor expressed in the gift instrument, an institution may appropriate for expenditure or accumulate so much of an endowment fund as the institution determines is prudent for the uses, benefits, purposes, and duration for which the endowment fund is established. Unless otherwise stated in the gift instrument, the assets in an endowment fund are donor-restricted assets until appropriated for expenditure by the institution. In making a determination to appropriate or accumulate, the institution shall act in good faith with the care that an ordinary prudent person in a like position would exercise under similar circumstances and shall consider, if relevant, the following factors:

- (1) The duration and preservation of the endowment fund;
- (2) The purposes of the institution and the endowment fund;
- (3) General economic conditions;
- (4) The possible effect of inflation or deflation;
- (5) The expected total return from income and the appreciation of investments;
- (6) Other resources of the institution; and
- (7) The investment policy of the institution.

2. To limit the authority to appropriate for expenditure or accumulate under subsection 1 of this section, a gift instrument shall specifically state the limitation.

3. Terms in a gift instrument designating a gift as an endowment, or a direction or authorization in the gift instrument to use only "income", "interest", "dividends", or "rents, issues or profits", or "to preserve the principal intact", or words of [that] **similar** import [that]:

- (1) Create an endowment fund of permanent duration unless other language in the gift instrument limits the duration or purpose of the fund; and
- (2) Do not otherwise limit the authority to appropriate for expenditure or accumulate under subsection 1 of this section.

SECTION B. EMERGENCY CLAUSE. — Because immediate action is necessary to preserve the charitable purpose of certain endowment funds, the repeal and reenactment of section 402.134 of section A of this act is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the repeal and reenactment of section 402.134 of section A of this act shall be in full force and effect upon its passage and approval.

10. Scholarship granting organizations shall not provide educational scholarships for students to attend any school or children to receive services from any qualified service provider with paid staff or board members who are relatives within the first degree of consanguinity or affinity.

11. A scholarship granting organization shall publicly report to the department, by June first of each year, the following information prepared by a certified public accountant regarding its grants in the previous calendar year:

12. The department shall adopt rules and regulations consistent with this section as necessary to implement the program.

13. The department shall provide a standardized format for a receipt to be issued by a scholarship granting organization to a donor to indicate the value of a contribution received.

14. The department shall provide a standardized format for scholarship granting organizations to report the information in this section.

The director or the director's designee shall issue a decision within thirty days. A scholarship granting organization may appeal the director's decision to the administrative hearing commission for a hearing in accordance with the provisions of chapter 621.

17. If the scholarship granting organization is barred from participating in the program, the department shall notify affected scholarship students or children and their parents of this decision within fifteen days.

18. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

Specifies that the Air Conservation Commission shall develop emissions standards and compliance schedules under federal law through a unit-by-unit analysis of each existing source of a designate

AN ACT to amend chapter 643, RSMo, by adding thereto one new section relating to the air conservation commission.

SECTION

A. Enacting clause.

643.640. Emission standards to be developed for certain carbon dioxide sources — unit-by-unit analysis required, procedure — severability clause.

Be it enacted by the General Assembly of the state of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Chapter 643, RSMo, is amended by adding thereto one new section, to be known as section 643.640, to read as follows:

643.640. EMISSION STANDARDS TO BE DEVELOPED FOR CERTAIN CARBON DIOXIDE SOURCES — UNIT-BY-UNIT ANALYSIS REQUIRED, PROCEDURE — SEVERABILITY CLAUSE. — **1. The commission shall develop emission standards under 42 U.S.C. Section 7411(d) and 40 CFR 60.24 through a unit-by-unit analysis of each existing affected source of carbon dioxide within the state. As used in this section, "unit-by-unit analysis" means an analysis**

of each generation plant individually, regardless of the number of turbines at each plant site.

2. The commission shall consider in developing and implementing emission standards for each existing affected source of carbon dioxide, among other factors, the remaining useful life of the existing affected source to which such standard applies, consistent with 42 U.S.C. Section 7411(d).

3. The commission shall consider, consistent with its statutory duties to achieve the prevention, abatement, and control of air pollution by all commercially available and economically feasible methods, the overall economic impact from any and all emission standards and compliance schedules developed and implemented under 42 U.S.C. Section 7411(d).

4. The commission may develop, on a unit-by-unit basis for individual existing affected sources and emissions of carbon dioxide at these existing affected sources, consistent with 40 CFR 60.24(f), emission standards that are less stringent, but not more stringent, than applicable federal emission guidelines or longer compliance schedules than those required by federal regulations. This determination shall be based on:

(1) Unreasonable cost of control resulting from plant age, location, or basic process design;

(2) Physical impossibility of installing necessary control equipment; or

(3) Other factors specific to the existing affected source or class of existing affected sources that make application of a less stringent standard or final compliance time significantly more reasonable, including, but not limited to, the absolute cost of applying the emission standard and compliance schedule to the existing affected source; the outstanding debt associated with the existing affected source; the economic impacts of closing the existing affected source, including expected job losses if the existing affected source is unable to comply with the performance standard; and the customer impacts of applying the emission standard and compliance schedule to the existing affected source, including any disproportionate electric rate impacts on low income populations.

5. As required by 40 CFR 60.26, the commission has legal authority to carry out any state implementation plan with emission standards and compliance schedules that are developed and implemented consistent with this chapter.

6. If any provision of this section or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are declared to be severable.

163.011. DEFINITIONS — METHOD OF CALCULATING STATE AID. — As used in this chapter unless the context requires otherwise:

(1) "Adjusted operating levy", the sum of tax rates for the current year for teachers' and incidental funds for a school district as reported to the proper officer of each county pursuant to section 164.011;

(2) "Average daily attendance", the quotient or the sum of the quotients obtained by dividing the total number of hours attended in a term by resident pupils between the ages of five and twenty-one by the actual number of hours school was in session in that term. To the average daily attendance of the following school term shall be added the full-time equivalent average daily attendance of summer school students. "Full-time equivalent average daily attendance of summer school students" shall be computed by dividing the total number of hours, except for physical education hours that do not count as credit toward graduation for students in grades nine, ten, eleven, and twelve, attended by all summer school pupils by the number of hours required in section 160.011 in the school term. For purposes of determining average daily attendance under this subdivision, the term "resident pupil" shall include all children between the ages of five and twenty-one who are residents of the school district and who are attending kindergarten through grade twelve in such district. If a child is attending school in a district other than the district of residence and the child's parent is teaching in the school district or is a regular employee of the school district which the child is attending, then such child shall be considered a resident pupil of the school district which the child is attending for such period of time when the district of residence is not otherwise liable for tuition. Average daily attendance for students below the age of five years for which a school district may receive state aid based on such attendance shall be computed as regular school term attendance unless otherwise provided by law;

(3) "Current operating expenditures":

(a) For the fiscal year 2007 calculation, "current operating expenditures" shall be calculated using data from fiscal year 2004 and shall be calculated as all expenditures for instruction and support services except capital outlay and debt service expenditures minus the revenue from federal categorical sources; food service; student activities; categorical payments for

transportation costs pursuant to section 163.161; state reimbursements for early childhood special education; the career ladder entitlement for the district, as provided for in sections 168.500 to 168.515; the vocational education entitlement for the district, as provided for in section 167.332; and payments from other districts;

(b) In every fiscal year subsequent to fiscal year 2007, current operating expenditures shall be the amount in paragraph (a) of this subdivision plus any increases in state funding pursuant to sections 163.031 and 163.043 subsequent to fiscal year 2005, not to exceed five percent, per recalculation, of the state revenue received by a district in the 2004-05 school year from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payments for any district from the first preceding calculation of the state adequacy target. Beginning on July 1, 2010, current operating expenditures shall be the amount in paragraph (a) of this subdivision plus any increases in state funding pursuant to sections 163.031 and 163.043 subsequent to fiscal year 2005 received by a district in the 2004-05 school year from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payments for any district from the first preceding calculation of the state adequacy target;

(4) "District's tax rate ceiling", the highest tax rate ceiling in effect subsequent to the 1980 tax year or any subsequent year. Such tax rate ceiling shall not contain any tax levy for debt service;

(5) "Dollar-value modifier", an index of the relative purchasing power of a dollar, calculated as one plus fifteen percent of the difference of the regional wage ratio minus one, provided that the dollar value modifier shall not be applied at a rate less than 1.0:

(a) "County wage per job", the total county wage and salary disbursements divided by the total county wage and salary employment for each county and the city of St. Louis as reported by the Bureau of Economic Analysis of the United States Department of Commerce for the fourth year preceding the payment year;

(b) "Regional wage per job":

a. The total Missouri wage and salary disbursements of the metropolitan area as defined by the Office of Management and Budget divided by the total Missouri metropolitan wage and salary employment for the metropolitan area for the county signified in the school district number or the city of St. Louis, as reported by the Bureau of Economic Analysis of the United States Department of Commerce for the fourth year preceding the payment year and recalculated upon every decennial census to incorporate counties that are newly added to the description of metropolitan areas; or if no such metropolitan area is established, then:

b. The total Missouri wage and salary disbursements of the micropolitan area as defined by the Office of Management and Budget divided by the total Missouri micropolitan wage and salary employment for the micropolitan area for the county signified in the school district number, as reported by the Bureau of Economic Analysis of the United States Department of Commerce for the fourth year preceding the payment year, if a micropolitan area for such county has been established and recalculated upon every decennial census to incorporate counties that are newly added to the description of micropolitan areas; or

c. If a county is not part of a metropolitan or micropolitan area as established by the Office of Management and Budget, then the county wage per job, as defined in paragraph (a) of this subdivision, shall be used for the school district, as signified by the school district number;

(c) "Regional wage ratio", the ratio of the regional wage per job divided by the state median wage per job;

(d) "State median wage per job", the fifty-eighth highest county wage per job;

(6) "Free and reduced lunch pupil count", **for school districts not eligible for and those that do not choose the USDA Community Eligibility Option**, the number of pupils eligible for free and reduced lunch on the last Wednesday in January for the preceding school year who were enrolled as students of the district, as approved by the department in accordance with applicable federal regulations. **For eligible school districts that choose the USDA**

Community Eligibility Option, the free and reduced lunch pupil count shall be the percentage of free and reduced lunch students calculated as eligible on the last Wednesday in January of the most recent school year that included household applications to determine free and reduced lunch count multiplied by the district's average daily attendance figure;

(7) "Free and reduced lunch threshold" shall be calculated by dividing the total free and reduced lunch pupil count of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, by the total average daily attendance of all included performance districts;

(8) "Limited English proficiency pupil count", the number in the preceding school year of pupils aged three through twenty-one enrolled or preparing to enroll in an elementary school or secondary school who were not born in the United States or whose native language is a language other than English or are Native American or Alaskan native, or a native resident of the outlying areas, and come from an environment where a language other than English has had a significant impact on such individuals' level of English language proficiency, or are migratory, whose native language is a language other than English, and who come from an environment where a language other than English is dominant; and have difficulties in speaking, reading, writing, or understanding the English language sufficient to deny such individuals the ability to meet the state's proficient level of achievement on state assessments described in Public Law 107-10, the ability to achieve successfully in classrooms where the language of instruction is English, or the opportunity to participate fully in society;

(9) "Limited English proficiency threshold" shall be calculated by dividing the total limited English proficiency pupil count of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, by the total average daily attendance of all included performance districts;

(10) "Local effort":

(a) For the fiscal year 2007 calculation, "local effort" shall be computed as the equalized assessed valuation of the property of a school district in calendar year 2004 divided by one hundred and multiplied by the performance levy less the percentage retained by the county assessor and collector plus one hundred percent of the amount received in fiscal year 2005 for school purposes from intangible taxes, fines, escheats, payments in lieu of taxes and receipts from state-assessed railroad and utility tax, one hundred percent of the amount received for school purposes pursuant to the merchants' and manufacturers' taxes under sections 150.010 to 150.370, one hundred percent of the amounts received for school purposes from federal properties under sections 12.070 and 12.080 except when such amounts are used in the calculation of federal impact aid pursuant to P.L. 81-874, fifty percent of Proposition C revenues received for school purposes from the school district trust fund under section 163.087, and one hundred percent of any local earnings or income taxes received by the district for school purposes. Under this paragraph, for a special district established under sections 162.815 to 162.940 in a county with a charter form of government and with more than one million inhabitants, a tax levy of zero shall be utilized in lieu of the performance levy for the special school district;

(b) In every year subsequent to fiscal year 2007, "local effort" shall be the amount calculated under paragraph (a) of this subdivision plus any increase in the amount received for school purposes from fines. If a district's assessed valuation has decreased subsequent to the calculation outlined in paragraph (a) of this subdivision, the district's local effort shall be calculated using the district's current assessed valuation in lieu of the assessed valuation utilized in the calculation outlined in paragraph (a) of this subdivision. **When a change in a school district's boundary lines occurs because of a boundary line change, annexation, attachment, consolidation, reorganization, or dissolution under section 162.071, 162.081,**

sections 162.171 to 162.201, section 162.221, 162.223, 162.431, 162.441, or 162.451, or in the event that a school district assumes any territory from a district that ceases to exist for any reason, the department of elementary and secondary education shall make a proper adjustment to each affected district's local effort, so that each district's local effort figure conforms to the new boundary lines of the district. The department shall compute the local effort figure by applying the calendar year 2004 assessed valuation data to the new land areas resulting from the boundary line change, annexation, attachment, consolidation, reorganization, or dissolution and otherwise follow the procedures described in this subdivision;

(11) "Membership" shall be the average of:

(a) The number of resident full-time students and the full-time equivalent number of part-time students who were enrolled in the public schools of the district on the last Wednesday in September of the previous year and who were in attendance one day or more during the preceding ten school days; and

(b) The number of resident full-time students and the full-time equivalent number of part-time students who were enrolled in the public schools of the district on the last Wednesday in January of the previous year and who were in attendance one day or more during the preceding ten school days, plus the full-time equivalent number of summer school pupils. "Full-time equivalent number of part-time students" is determined by dividing the total number of hours for which all part-time students are enrolled by the number of hours in the school term. "Full-time equivalent number of summer school pupils" is determined by dividing the total number of hours for which all summer school pupils were enrolled by the number of hours required pursuant to section 160.011 in the school term. Only students eligible to be counted for average daily attendance shall be counted for membership;

(12) "Operating levy for school purposes", the sum of tax rates levied for teachers' and incidental funds plus the operating levy or sales tax equivalent pursuant to section 162.1100 of any transitional school district containing the school district, in the payment year, not including any equalized operating levy for school purposes levied by a special school district in which the district is located;

(13) "Performance district", any district that has met [all] performance standards and indicators as established by the department of elementary and secondary education for purposes of accreditation under section 161.092 and as reported on the final annual performance report for that district each year; **for calculations to be utilized for payments in fiscal years subsequent to fiscal year 2018, the number of performance districts shall not exceed twenty-five percent of all public school districts;**

(14) "Performance levy", three dollars and forty-three cents;

(15) "School purposes" pertains to teachers' and incidental funds;

(16) "Special education pupil count", the number of public school students with a current individualized education program or services plan and receiving services from the resident district as of December first of the preceding school year, except for special education services provided through a school district established under sections 162.815 to 162.940 in a county with a charter form of government and with more than one million inhabitants, in which case the sum of the students in each district within the county exceeding the special education threshold of each respective district within the county shall be counted within the special district and not in the district of residence for purposes of distributing the state aid derived from the special education pupil count;

(17) "Special education threshold" shall be calculated by dividing the total special education pupil count of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, by the total average daily attendance of all included performance districts;

(18) "State adequacy target", the sum of the current operating expenditures of every performance district that falls entirely above the bottom five percent and entirely below the top five percent of average daily attendance, when such districts are rank-ordered based on their current operating expenditures per average daily attendance, divided by the total average daily attendance of all included performance districts. The department of elementary and secondary education shall first calculate the state adequacy target for fiscal year 2007 and recalculate the state adequacy target every two years using the most current available data. The recalculation shall never result in a decrease from the previous state adequacy target amount. Should a recalculation result in an increase in the state adequacy target amount, fifty percent of that increase shall be included in the state adequacy target amount in the year of recalculation, and fifty percent of that increase shall be included in the state adequacy target amount in the subsequent year. The state adequacy target may be adjusted to accommodate available appropriations **as provided in subsection 8 of section 163.031;**

(19) "Teacher", any teacher, teacher-secretary, substitute teacher, supervisor, principal, supervising principal, superintendent or assistant superintendent, school nurse, social worker, counselor or librarian who shall, regularly, teach or be employed for no higher than grade twelve more than one-half time in the public schools and who is certified under the laws governing the certification of teachers in Missouri;

(20) "Weighted average daily attendance", the average daily attendance plus the product of twenty-five hundredths multiplied by the free and reduced lunch pupil count that exceeds the free and reduced lunch threshold, plus the product of seventy-five hundredths multiplied by the number of special education pupil count that exceeds the special education threshold, plus the product of six-tenths multiplied by the number of limited English proficiency pupil count that exceeds the limited English proficiency threshold. For special districts established under sections 162.815 to 162.940 in a county with a charter form of government and with more than one million inhabitants, weighted average daily attendance shall be the average daily attendance plus the product of twenty-five hundredths multiplied by the free and reduced lunch pupil count that exceeds the free and reduced lunch threshold, plus the product of seventy-five hundredths multiplied by the sum of the special education pupil count that exceeds the threshold for each county district, plus the product of six-tenths multiplied by the limited English proficiency pupil count that exceeds the limited English proficiency threshold. None of the districts comprising a special district established under sections 162.815 to 162.940 in a county with a charter form of government and with more than one million inhabitants, shall use any special education pupil count in calculating their weighted average daily attendance.

The total number of such pupils included in the district's or charter school's calculation of average daily attendance shall not exceed four percent of the total number of pupils who are eligible for free and reduced lunch between the ages of three and eighteen who are included in the district's or charter school's calculation of average daily attendance.

For any school district meeting the eligibility criteria for state aid as established in section 163.021, but which is considered an option district under section 163.042 and therefore receives no state aid, the commissioner of education shall present a plan to the superintendent of the school district for the waiver of rules and the duration of said waivers, in order to promote flexibility in the operations of the district and to enhance and encourage efficiency in the delivery of instructional services as provided in section 163.042.

6. (1) No less than seventy-five percent of the state revenue received under the provisions of subsections 1, 2, and 4 of this section shall be placed in the teachers' fund, and the remaining percent of such moneys shall be placed in the incidental fund. In the event a district fails to comply with this provision, the amount by which the district fails to spend funds as provided herein shall be deducted from the district's state revenue received under the provisions of subsections 1, 2, and 4 of this section for the following year, provided that the state board of education may exempt a school district from this provision if the state board of education determines that circumstances warrant such exemption.

7. 247.060. BOARD OF DIRECTORS — POWERS, QUALIFICATIONS, APPOINTMENT, TERMS, VACANCIES, HOW FILLED — ELECTIONS HELD, WHEN, PROCEDURE — ATTENDANCE FEE — SUSPENSION OF MEMBERS, WHEN. — 1. The management of the business and affairs of the district is hereby vested in a board of directors, who shall have all the powers conferred upon the district except as herein otherwise provided. It shall be composed of five members, each of whom shall be a voter of the district and shall have resided in said district one whole year immediately prior to his **or her** election], or if not a voter or resident of said district, shall have received service from the district at his or her primary place of residence one whole year immediately prior to his or her election]. A member shall be at least twenty-five years of age and shall not be delinquent in the payment of taxes at the time of his election. Except as provided in subsection 2 of this section, the term of office of a member of the board shall be three years. The remaining members of the board shall appoint a qualified person to fill any vacancy on the board. If no qualified person who lives in the subdistrict for which there is a vacancy is willing to serve on the board, the board may appoint an otherwise qualified person who lives in the district but not in the subdistrict in which the vacancy exists to fill such vacancy.

2. After notification by certified mail that he or she has two consecutive unexcused absences, any member of the board failing to attend the meetings of the board for three consecutive regular meetings, unless excused by the board for reasons satisfactory to the board, shall be deemed to have vacated the seat, and the secretary of the board shall certify that fact to the board. The vacancy shall be filled as other vacancies occurring in the board.

3. The initial members of the board shall be appointed by the circuit court and one shall serve until the immediately following first Tuesday after the first Monday in April, two shall serve until the first Tuesday after the first Monday in April on the second year following their appointment and the remaining appointees shall serve until the first Tuesday after the first Monday in April on the third year following their appointment. On the expiration of such terms and on the expiration of any subsequent term, elections shall be held as otherwise provided by law, and such elections shall be held in April pursuant to section 247.180.

4. In 2008, 2009, and 2010, directors elected in such years shall serve from the first Tuesday after the first Monday in June until the first Tuesday in April of the third year following the year of their election. All directors elected thereafter shall serve from the first Tuesday in April until the first Tuesday in April of the third year following the year of their election.

5. Each member of the board may receive an attendance fee not to exceed one hundred dollars for attending each regularly called board meeting, or special meeting, but shall not be paid for attending more than two meetings in any calendar month, except that in a county of the first classification, a member shall not be paid for attending more than four meetings in any calendar month. However, no board member shall be paid more than one attendance fee if such member attends more than one board meeting in a calendar week. In addition, the president of the board of directors may receive fifty dollars for attending each regularly or specially called board meeting, but shall not be paid the additional fee for attending more than two meetings in any calendar month. Each member of the board shall be reimbursed for his or her actual expenditures in the performance of his or her duties on behalf of the district.

6. In no event, however, shall a board member receive any attendance fees or additional compensation authorized in subsection 5 of this section until after such board member has completed a minimum of six hours training regarding the responsibilities of the board and its members concerning the basics of water treatment and distribution, budgeting and rates, water utility planning, the funding of capital improvements, the understanding of water utility financial statements, the Missouri sunshine law, and this chapter.

7. The circuit court of the county having jurisdiction over the district shall have jurisdiction over the members of the board of directors to suspend any member from exercising his or her office, whensoever it appears that he or she has abused his or her trust or become disqualified; to remove any member upon proof or conviction of gross misconduct or disqualification for his or her office; or to restrain and prevent any alienation of property of the district by members, in cases where it is threatened, or there is good reason to apprehend that it is intended to be made in fraud of the rights and interests of the district.

8. The jurisdiction conferred by this section shall be exercised as in ordinary cases upon petition, filed by or at the instance of any member of the board, or at the instance of any ten voters residing in the district who join in the petition, verified by the affidavit of at least one of them. The petition shall be heard in a summary manner after ten days' notice in writing to the member or officer complained of. An appeal shall lie from the judgment of the circuit court as in other causes, and shall be speedily determined; but an appeal does not operate under any condition as a supersedeas of a judgment of suspension or removal from office.

247.080. BOARD — FURTHER POWERS. — 1. The exercise of the powers conferred upon the district by sections 247.010 to 247.220 shall be by its board of directors, acting as a board.

2. The board shall have power and it shall be its duty to employ necessary help and to contract for such professional service as the demands of the district require in creating and operating a waterworks system contemplated in this law, and shall pay out of the funds of the

district available for such purposes reasonable compensation for the service rendered. It shall have made by a competent accountant an annual audit of the receipts and expenditures of the district. All persons employed shall serve for an indefinite term and at the will of the board, and party politics shall not enter into the selection of employees.

249.424. LATERAL SERVER LINE REPAIR, ANNUAL FEE AUTHORIZED — SUBMITTED TO VOTERS, BALLOT LANGUAGE — FEE MAY BE ADDED TO GENERAL TAX LEVY BILLS. — 1. If approved by a majority of the voters voting on the proposal, and upon the adoption of a resolution by a majority of the sewer district's board of trustees, any sewer district established and organized under this chapter, may levy and impose annually a fee not to exceed thirty-six dollars per year within its boundaries for the repair of lateral sewer service lines on or connecting residential property having six or fewer dwelling units, except that the fee shall not be imposed on property in the sewer district that is located within any city, town, village, or unincorporated area of a county that already imposes a fee under section 249.422. Any sewer district that establishes or increases the fee used to repair any portion of the lateral sewer service line shall include all defective portions of the lateral sewer service line from the residential structure to its connection with the public sewer system line. Notwithstanding any provision of chapter 448, the fee imposed pursuant to this chapter shall be imposed upon condominiums that have six or fewer condominium units per building and each condominium unit shall be responsible for its proportionate share of any fee charged pursuant to this chapter, and in addition, any condominium unit shall, if determined to be responsible for and served by its own individual lateral sewer line, be treated as an individual residence regardless of the number of units in the development. It shall be the responsibility of the condominium owner or condominium association to notify the sewer district that they are not properly classified as provided in this section.

2. The question shall be submitted to the registered voters who reside within the boundaries of the sewer district, excluding any voters who live within the boundaries of any city, town, village, or unincorporated area of a county that already imposes a fee under section 249.422. The question shall be submitted in substantially the following form:

Shall a maximum charge not to exceed thirty-six dollars be assessed annually on residential property for each lateral sewer service line serving six or fewer dwelling units on that property and condominiums that have six or fewer condominium units per building and any condominium responsible for its own individual lateral sewer line to provide funds to pay the cost of certain repairs of those lateral sewer service lines which may be billed quarterly or annually?

YES

NO

3. If a majority of the voters voting thereon approve the proposal provided for in subsection 2 of this section, any sewer district established and organized under this chapter may, upon the adoption of a resolution by a majority of the sewer district's board of trustees, collect and administer such fee in order to protect the public health, welfare, peace, and safety. The funds collected shall be deposited in a special account to be used

solely for the purpose of paying for all or a portion of the costs reasonably associated with and necessary to administer and carry out the defective lateral sewer service line repairs. All interest generated on deposited funds shall be accrued to the special account established for the repair of lateral sewer service lines.

4. The collector in any county containing a sewer district that adopts a resolution under this section to collect a fee for the repair of lateral sewer service lines may add such fee to the general tax levy bills of property owners within the boundaries of the sewer district, excluding property located in any city, town, village, or unincorporated area of the county that already imposes a fee under section 249.422. All revenues received on such combined bill for the purpose of providing for the repair of lateral sewer service lines shall be separated from all other revenues so collected and credited to the special account established by the sewer district under subsection 3 of this section.

5. If a city, town, village, or county, which is within the sewer district and imposed a fee under section 249.422, later rescinds such fee after voters authorized the fee provided under this section, the sewer district may submit the question provided under subsection 2 of this section to the registered voters of such city, town, village, or county that have property within the boundaries of the sewer district. If a majority of voters voting on the proposal approve, the sewer district may levy and impose the fee as provided under this section on property within such city, town, village, or county.

8. **In the event of any damage, dislocation, or disturbance of any underground facility in connection with any excavation, the person responsible for the excavation operations shall notify the notification center. This subsection shall be deemed to require reporting of any damage, dislocation, or disturbance to trace wires, encasements, cathode protection, permanent above-ground stakes, or other such items utilized for protection of the underground facility. The excavator shall immediately contact 911 when any damage or contact with a pipeline results in a release from the pipeline of hazardous liquid or gas to occur.**

9. **In the event of any damage, dislocation, or disturbance to any underground facility or any protective devices required to be reported by the excavator under subsection 8 of this section in advance of or during the excavation work, the person responsible for the excavation operations shall not conceal or attempt to conceal such damage, dislocation, or disturbance, nor shall that person attempt to make repairs to the facility unless authorized by the underground facility owner. In the case of sewer lines or facilities, emergency temporary repairs may be made by the excavator after notification without the owners' or operators' authorization to prevent further damage to the facilities. Such emergency repairs shall not relieve the excavator of responsibility to make notification as required by subsection 8 of this section.**

10. **No later than April 1, 2015, and each year thereafter, each underground facility owner who owns or operates electric, gas, or pipeline facilities shall submit to a central repository designated by the notification center a report of damages experienced by its facilities for the prior calendar year. The notification center shall determine the minimum information to be reported. All data submitted shall be aggregated and anonymous. Information provided by the underground facility owner specific to damage data submitted shall be accessible only to the underground facility owner unless otherwise designated by the underground facility owner.**

319.027. DESIGN REQUESTS, HOW MADE—MARKING LOCATION REQUIRED.—1. Any person may make design requests by contacting the notification center. Such design requests shall include all information deemed necessary by the notification center to complete the notice, including the identification of the person and a description of the location of the project being designed and other information similar to that required of excavators under section 319.026.

2. Design requests shall be made to the notification center at least five working days, but not more than ten working days, before the date the person has requested receiving the information from the underground facility owner. Upon receipt of a design request, the notification center shall inform the person of the name of all notification center participants to whom the notice will be transmitted and shall promptly transmit such notice to the appropriate underground facility owners.

3. Every underground facility owner who receives a design request shall mark the location of the facility, or contact the person making the request, within five working days after the date the notice was received from the notification center. If the person making the request was contacted as an alternative to marking location, the person and the underground facility owner shall mutually agree on a schedule and method for providing the information, **provided that the**

facility shall be marked within five working days if the facility owner and the person making the request are unable to agree.

4. No excavation may be commenced based upon information received through a design request. Obtaining information through a design request shall not excuse any person commencing an excavation from making notice and obtaining information under sections 319.025 and 319.026 concerning the possible location of any underground facilities which may be affected.

319.030. NOTIFICATION OF LOCATION OF UNDERGROUND FACILITY, WHEN, HOW — FAILURE TO PROVIDE NOTICE OF LOCATION, EFFECT. — 1. Every person owning or operating an underground facility to whom notice of intent to excavate is required to be given shall, upon receipt of such notice as provided in this section from a person intending to commence an excavation, inform the excavator as promptly as practical, but not in excess of two working days, unless [otherwise mutually agreed,] **the excavator agrees to extend the start date and time provided in the locate request through methods established by the notification center,** of the approximate location of underground facilities in or near the area of the excavation so as to enable the person engaged in the excavation work to locate the facilities in advance of and during the excavation work, **provided that no excavation shall begin earlier than the scheduled excavation date provided on the locate request unless the excavator has confirmed that all underground facilities have been located.** The two working days provided for notice in this subsection and subsection 1 of section 319.026, shall begin at 12:00 a.m. following the receipt of the request by the notification center. **Each underground facility owner receiving notifications from the notification center by use of the internet shall, after December 31, 2014, use the locate status system provided by the notification center. Those underground facility owners that do not receive notifications by use of the internet shall, no later than January 1, 2016, provide locate status to the notification center by an alternate method provided by the notification center.** [If the information available to the owner or operator of a pipeline facility or an underground electric or communications cable discloses that valves, vaults or other appurtenances are located in or near the area of excavation, the owner or operator shall either inform the excavator of the approximate location of such appurtenances at the same time and in the same manner as the approximate location of the remainder of the facility is provided, or shall at such time inform the excavator that appurtenances exist in the area and provide a telephone number through which the excavator may contact a representative of the owner or operator who will meet at the site within one working day after request from the excavator and at such meeting furnish the excavator with the available information about the location and nature of such appurtenances.] If the excavator states in the notice of intent to excavate that the excavation will involve trenchless technology, the owner or operator shall inform the excavator of the depth, to the best of his or her knowledge or ability, of the facility according to the records of the owner or operator. The owner or operator shall provide the approximate location of underground facilities by use of markings **as designated in section 319.015.** [If flags or stakes are used, such marking shall be consistent with the color code and other standards for ground markings.] Persons representing the excavator and the owner or operator shall meet on the site of excavation within two working days of a request by either person for such meeting for the purpose of clarifying markings, or upon agreement of the excavator and owner or operator, such meeting may be an alternate means of providing the location of facilities by originally marking the approximate location of the facility at the time of the meeting. If upon receipt of a notice of intent to excavate, an owner or operator determines that he or she neither owns or operates underground facilities in or near the area of excavation, the owner or operator shall within two working days after receipt of the notice, inform the excavator that the owner or operator has no facilities located in the area of the proposed excavation. The owner or operator of the underground facility shall make notice to the excavator that no facilities are located in the area of excavation by contacting the excavator by any of the following methods:

- (1) By calling the primary number of the excavator or by calling the telephone number of the responsible person as provided by the excavator under subdivision (4) of subsection 2 of section 319.026;
- (2) By leaving a message on the recording device for such numbers;
- (3) By calling the cellular telephone number of the excavator or responsible person;
- (4) By notifying the excavator by facsimile or electronic mail at numbers or addresses stated by the excavator in the notice of excavation made under subsection 2 of section 319.026;
- (5) By marking "clear" or "OK" at the site of excavation; [or]
- (6) By verbally informing the excavator in person.

If the only means of contacting the excavator is one or more telephone numbers provided by the excavator in the notice of excavation under section 319.026, then two attempts by the underground facility owner to contact the excavator at one of the telephone numbers provided shall constitute compliance with this subsection; **or**

(7) By use of a locate status system.

2. A record of the date and means of informing the excavator that no facilities were located by the owner or operator shall be included in the written records of the underground facility owner regarding each specific notice of excavation **and shall be retained for a period of five years.**

3. **If the owner or operator notifies the excavator that the area of excavation cannot be determined from the description provided by the excavator through the notice required by this section, the excavator shall provide clarification of the area of excavation by marking the area with white flags or white paint, or by providing project plans to the owner or operator, or by meeting on the site of the excavation with representatives of the owner or operator as provided for in this section.**

4. In the event that a person owning or operating an underground facility fails to comply with the provisions of subsection 1 of this section after notice given by an excavator in compliance with section 319.026, the excavator, prior to commencing the excavation, shall give a second notice to the notification center as required by section 319.026 stating that there has been no response to the original notice given under section 319.026. After the receipt of the notice stating there has been "no response", the owner or operator of an underground facility shall, within two hours of the receipt of such notice, mark its facilities or contact and inform the excavator of when the facilities will be marked; provided, however, that for "no response" notices made to the notification center by 2:00 p.m., the markings shall be completed on the working day the notice is made to the notification center, and provided that for "no response" notices made to the notification center after 2:00 p.m., the markings shall be completed no later than 10:00 a.m. on the next working day. If an underground facility owner fails to mark its facilities or contact the excavator as required by this subsection, the excavator may commence the excavation. Nothing in this subsection shall excuse the excavator from exercising the degree of care in making the excavation as is otherwise required by law.

[4.] 5. For purposes of this section, a period of two working days begins at 12:00 a.m. following when the request is made.

319.031. SEWER SYSTEM OWNER DUTIES UPON NOTIFICATION OF INTENT TO EXCAVATE. — 1. In addition to the other requirements of section 319.030, the response to a notice of intent to excavate received by a sewer system owner, when such owner has underground facilities located in the area of excavation identified in the notice and when the notice indicates that trenchless excavation methods will be used, shall include a determination of whether sewer service connections exist in the area of the excavation.

2. If the sewer system owner determines that sewer service connections exist in the area of the excavation identified in a notice of intent to excavate, the owner shall provide his or her best available information, or notice that the information does not exist,

regarding the location of such connections to the excavator by any of the following methods:

- (1) Placing a triangular green mark at the approximate location of the sewer service connection pointing in the direction of the customer structure serviced;
- (2) Providing electronic copies of the information to the excavator;
- (3) Delivering copies of the information to the excavator by facsimile or by other agreed upon means; or
- (4) Arranging to meet the excavator at the site of the excavation to provide the information.

3. Providing the best available information, or notice that the information does not exist, regarding the location of sewer service connections that exist in the area of excavation identified in a notice of intent to excavate shall constitute full compliance with this section, and a sewer system owner shall not be liable to any party for damages or injuries resulting from an excavation if they are in compliance with this section.

4. Providing the best available information regarding the location of sewer service connections that exist in the area of excavation identified in a notice of intent to excavate shall not in and of itself constitute ownership, operation, control, or management of sewer service lines by a sewer system owner.

319.033. PUBLIC RIGHT-OF-WAY, INSTALLATION WITHIN, REQUIREMENTS. — By January 1, 2016, if new lateral sewer pipes or water service lines are installed and connected to an underground facility within the public right-of-way, as defined in section 319.015, or if such infrastructure is fully replaced by excavation within the public right-of-way, the facility owner shall be required to place tracer wire or other utility location technology and an access point within a protective enclosure over water lines and cleanouts for gravity sewer laterals. For sewer laterals operating under pressure or vacuum, the facility owner shall be required to place an access point within a protective enclosure and shall not be required to place a cleanout. All protective enclosures and cleanouts shall be extended to grade and installed so that it is easily accessible. For water service lines and sewer laterals operating under pressure or vacuum, tracer wire, or other utility location technology, shall be placed within the protective enclosure to provide approximate location of the underground facilities in these areas that are located within a public right-of-way. An underground facility owner shall not be liable to any party for damages or injuries resulting from an excavation if they are in compliance with this section. This section shall apply to all installations of water service lines and sewer laterals without regard to their status as underground facilities under section 319.015. Nothing in this section shall require any owner of underground facilities who is not otherwise required under sections 319.010 to 319.050 to become a notification center participant.

319.035. COMPLIANCE WITH LAW STILL REQUIRES EXCAVATION TO BE MADE IN CAREFUL AND PRUDENT MANNER — FAILURE TO GIVE NOTICE OR MARK FACILITIES, REBUTTABLE PRESUMPTION OF NEGLIGENCE. — 1. Obtaining information as required by sections 319.010 to 319.050 does not excuse any person making any excavation from doing so in a careful and prudent manner.

2. Nothing in sections 319.010 to 319.050 shall relieve an excavator from the obligation to excavate in a safe and prudent manner, nor shall it absolve an excavator from liability for damage to underground facilities.

3. The failure of any excavator to give notice of proposed excavation activities as required by this chapter shall be a rebuttable presumption of negligence on his or her part in the event that such failure shall cause injury, loss, or damage. In addition to any penalties provided herein, liability under common law may apply.

4. The failure of an underground facility owner to mark his or her facilities that are located in an area of excavation described in a notice of intent to excavate received by the

underground facility owner, as required by section 319.030, or the failure of an underground facility owner to be a notification center participant, consistent with the provisions of section 319.022, shall be a rebuttable presumption of negligence on the part of such owner in the event that such failure shall cause injury, loss, or damage. In addition to any penalties provided herein, liability under common law may apply.

319.045. CIVIL PENALTIES — ATTORNEY GENERAL MAY BRING ACTION AND SHALL MAKE PUBLIC NUMBER OF ENFORCEMENT ACTIONS. — 1. [In the event of any damage or dislocation or disturbance of any underground facility in connection with any excavation, the person responsible for the excavation operations shall immediately notify the notification center. This subsection shall be deemed to require reporting of any damage, dislocation, or disturbance to trace wires, encasements, cathode protection, permanent above-ground stakes or other such items utilized for protection of the underground facility.

2. In the event of any damage or dislocation or disturbance to any underground facility or any protective devices required to be reported by the excavator under subsection 1 of this section, in advance of or during the excavation work, the person responsible for the excavation operations shall not conceal or attempt to conceal such damage or dislocation or disturbance, nor shall that person attempt or make repairs to the facility unless authorized by the owner or operator of the facility. In the case of sewer lines or facilities, emergency temporary repairs may be made by the excavator after notification without the owners' or operators' authorization to prevent further damage to the facilities. Such emergency repairs shall not relieve the excavator of responsibility to make notification as required by subsection 1 of this section.

3.] Any person who violates in any material respect the provisions of section 319.022, 319.025, 319.026, [319.029,] 319.030, 319.037, or this section or who willfully damages an underground facility shall be liable to the state of Missouri for a civil penalty of up to ten thousand dollars for each violation for each day such violation persists, except that the maximum penalty for violation of the provisions of sections 319.010 to 319.050 shall not exceed five hundred thousand dollars for any related series of violations. An action to recover such civil penalty may be brought by the attorney general or a prosecuting attorney on behalf of the state of Missouri in any appropriate circuit court of this state. Trial thereof shall be before the court, which shall consider the nature, circumstances and gravity of the violation, and with respect to the person found to have committed the violation, the degree of culpability, the absence or existence of prior violations, whether the violation was a willful act, the effect on ability to continue to do business, any good faith in attempting to achieve compliance, ability to pay the penalty, and such other matters as justice may require in determining the amount of penalty imposed.

[4.] 2. The attorney general may bring an action in any appropriate circuit court of this state for equitable relief to redress or restrain a violation by any person of any provision of sections 319.010 to 319.050. The court may grant such relief as is necessary or appropriate, including mandatory or prohibitive injunctive relief, temporary or permanent.

3. The attorney general shall make public the aggregate number of enforcement actions for the previously completed calendar year prior to March thirty-first of the current year.

319.046. ARBITRATION OF DISPUTES, WHEN. — **Parties with a dispute related to the provisions of sections 319.015 to 319.050 may request arbitration for disputes of less than five thousand dollars.**

319.050. EXEMPTIONS FROM REQUIREMENT TO OBTAIN INFORMATION. — **1.** The provisions of sections 319.025 and 319.026 shall not apply to any excavation when necessary due to an emergency as defined in section 319.015. An excavation may proceed regarding such emergency, provided all reasonable precautions have been taken to protect the underground

facilities. In any such case, the excavator shall give notification, substantially in compliance with section 319.026, as soon as practical, and upon being notified that an emergency exists, each underground facility owner in the area shall, within two hours after receiving such notice, provide markings or contact the excavator with any information immediately available to assist the excavator and shall inform the excavator if not able to mark within the two hours of when the underground facility will be marked at the site of the emergency.

2. For a request submitted as an emergency request that does not meet the definition of an emergency as defined in section 319.015, the facility owner shall notify the excavator within two hours that the request does not meet the requirements of an emergency, and the locate request will be marked within two working days under subsection 1 of section 319.030.

3. The excavator may be liable to the owner or operator for costs directly associated with the locating of any such underground facility relating to a notification of an emergency that does not meet the definition of emergency as stated in section 319.015.

[319.016. NOTIFICATION CENTER PARTICIPANT, COMMISSION NOT REQUIRED TO BE, WHEN. — Notwithstanding any provision of sections 319.010 to 319.050 to the contrary, the state highways and transportation commission shall not be required to be a notification center participant after December 31, 2014, but nothing in this section shall prohibit the commission from voluntarily choosing to be a notification center participant after that date.]

[319.028. PARTICIPATION IN NOTIFICATION CENTER REQUIRED, EXCEPTIONS — WITHDRAWAL FROM NOTIFICATION CENTER INADMISSIBLE IN COURT PROCEEDINGS. — 1. On or after January 1, 2003, an owner or operator of underground facilities, who has become a participant in the notification center as required in section 319.022, will maintain participation in the notification center, unless it is determined that the inaccuracy rate of the notification center reaches fifteen percent. The accuracy rate shall be determined by the number of notifications of an excavation, where the owner or operator has no underground facilities at the excavation site, as described in the excavators notification, divided by the total number of notifications to an owner or operator of underground facilities during any twelve-month period.

2. Once the notification center has an inaccuracy rate of fifteen percent or higher for any owner or operator of underground facilities, then any such owner or operator may withdraw from participation in the notification center by providing written notice to the notification center of its withdrawal. The owner or operator shall then file with the recorder of deeds for each county it has underground facilities a statement that it has underground facilities and a name and phone number of a contact person that excavators shall contact and notify of its intent to excavate. The owner or operator shall also publish, at least quarterly, in a newspaper or other publication of general circulation in counties that have underground facilities a statement that the owner or operator has underground facilities and who the excavator shall contact regarding its intent to excavate.

3. After January 1, 2003, in the event that an owner or operator withdraws from the notification center no party may use in any legal proceeding the fact that an owner or operator has withdrawn from the notification center as evidence to establish negligence, recklessness, lack of adherence to industry standards, or any other manner which would suggest that the owner or operator failed to comply with any standard of care.]

[319.029. NOTIFICATION REQUIRED PRIOR TO EXCAVATION. — Notwithstanding the fact that a project is a preengineered project or a permitted project, or that a design request was previously made, excavators connected therewith shall be required to give notification in accordance with sections 319.025 and 319.026 prior to commencement of excavation.]

[319.040. PRESUMPTION OF NEGLIGENCE, WHEN, REBUTTABLE. — The failure of any excavator to give notice of proposed excavation activities as required by this chapter shall be a rebuttable presumption of negligence on his part in the event that such failure shall cause injury, loss or damage. In addition to any penalties provided herein, liability under common law may apply.]

[319.041. SAFE AND PRUDENT EXCAVATION REQUIRED. — Nothing in the foregoing shall relieve an excavator from the obligation to excavate in a safe and prudent manner, nor shall it absolve an excavator from liability for damage to legally installed facilities.]

[389.586. CROSSING BY UTILITY, NOTICE, APPROVAL OR REJECTION OF PROPOSAL — MAINTENANCE OF PROPERTY. — 1. After the land management company receives a copy of the notice from the utility, the land management company shall send a complete copy of that notice, by certified mail or by private delivery service which requires a return receipt, to the railroad or railroad corporation within two business days. No utility may commence a crossing until the railroad or railroad corporation has approved the crossing. The railroad or railroad corporation shall have thirty days from the receipt of the notice to review and approve or reject the proposed crossing. The railroad or railroad corporation shall reject a proposed crossing only if special circumstances exist. If the railroad or railroad corporation rejects a proposed crossing, the utility may submit an amended proposal for a crossing. The railroad or railroad corporation shall have an additional thirty days from receipt of the amended proposal to review and approve or reject the amended crossing proposal. The railroad or railroad corporation shall not unreasonably withhold approval. Once the railroad or railroad corporation grants such approval, and upon payment of the fee and any other payments authorized pursuant to sections 389.586 or 389.587, the utility shall be deemed to have authorization to commence the crossing activity. The utility shall provide the railroad or railroad corporation with written notification of the commencement of the crossing activity before beginning such activity.

2. The land management company and the utility shall maintain and repair its own property within the land management corridor and each shall bear responsibility for its own acts and omissions, except that the utility shall be responsible for any bodily injury or property damage arising from the installation, maintenance, repair and its use of the crossing. The railroad or railroad corporation may require the utility and the land management company to obtain reasonable amounts of comprehensive general liability insurance and railroad protective liability insurance coverage for a crossing, and that this insurance coverage name the railroad or railroad corporation as an insured. Further, the land management company and the utility shall provide the railroad or railroad corporation with proof that they have liability insurance coverage which meets such requirements, if any.

3. A utility shall have immediate access to a crossing for repair and maintenance of existing facilities in case of an immediate threat to life and upon notification to the applicable railroad or railroad corporation. Before commencing any such work, the utility must first contact the railroad or railroad corporation's dispatch center, command center or other facility which is designated to receive emergency communications.

4. The utility shall be provided a crossing, absent a claim of special circumstances, after payment by the utility of the standard crossing fee, submission of completed engineering specifications to the land management company, and approval of the crossing by the railroad or railroad corporation. The engineering specifications shall comply with the clearance requirements as established by the National Electrical Safety Code, the American Railway Engineering and Maintenance of Way Association and the standards of the applicable railroad or railroad corporation which are in effect and which apply to conditions at a particular crossing. The land management company and utility shall further be responsible for any modifications, upgrades or other changes which may be needed to comply with changes in said standards.

5. The utility, the railroad or railroad corporation, and the land management company shall agree to such other terms and conditions as may be necessary to provide for reasonable use of a land management corridor by a utility.]

[389.587. STANDARD CROSSING FEE AND OTHER COSTS. — Unless otherwise agreed by the parties and subject to section 389.588, a utility that locates its facilities

within the railroad right-of-way for a crossing, other than a crossing along a state highway or other public road, shall pay the land management company a one-time standard crossing fee of one thousand five hundred dollars for each crossing plus the costs associated with modifications to existing insurance contracts of the land management company. The standard crossing fee shall be in lieu of any license, permit, application, plan review, or any other fees or charges to reimburse the land management company for the direct expenses incurred by the land management company as a result of the crossing. The utility shall also reimburse the land management company for any actual flagging expenses associated with a crossing in addition to the standard crossing fee. The railroad or railroad corporation has the right to halt work at the crossing if the flagging does not meet the standards of the railroad or railroad corporation. Nothing in this section is intended to otherwise restrict or limit any authority or right a utility may have to locate facilities at a crossing along a state highway or any other public road or to otherwise enter upon lands where authorized by law.]

[389.588. NEGOTIATION OF TERMS AND CONDITIONS, DISPUTE RESOLUTION AUTHORIZED — EMINENT DOMAIN, EFFECT ON. — 1. Notwithstanding the provisions of section 389.586, nothing shall prevent a land management company and a utility from otherwise negotiating the terms and conditions applicable to a crossing or the resolution of any disputes relating to the crossing so long as they do not interfere with the rights of a railroad or railroad corporation. No agreement between a land management company and a utility shall affect the rights, interests or operations of a railroad or railroad corporation.

2. Notwithstanding subsection 1 of this section, the provisions of this section shall not impair the authority of a utility to secure crossing rights by easement pursuant to the exercise of the power of eminent domain.]

[389.589. BINDING ARBITRATION, WHEN, PROCEDURE. — 1. If the parties cannot agree that special circumstances exist, the dispute shall be submitted to binding arbitration.

2. Either party may give written notice to the other party of the commencement of a binding arbitration proceeding in accordance with the commercial rules of arbitration in the American Arbitration Association. Any decision by the board of arbitration shall be final, binding and conclusive as to the parties. Nothing provided in this section shall prevent either party from submission of disputes to the courts. Land management companies and utilities may seek enforcement of sections 389.586 through 389.591 in a court of proper jurisdiction and shall be entitled to reasonable attorney fees if they prevail.

3. If the dispute over special circumstances concerns only the compensation associated with a crossing, then the utility may proceed with installation of the crossing during the pendency of the arbitration.]

[389.591. APPLICABILITY TO ALL CROSSINGS. — 1. Notwithstanding any provision of law to the contrary, sections 389.585 to 389.591 shall apply in all crossings of land management corridors involving a land management company and a utility and shall govern in the event of any conflict with any other provision of law, except that sections 389.585 to 389.591 shall not override or nullify the condemnation laws of this state nor confer the power of eminent domain on any entity not granted such power prior to August 28, 2013.

2. The provisions of sections 389.585 to 389.591 shall apply to a crossing commenced after August 28, 2013. These provisions shall also apply to a crossing

commenced before August 28, 2013, but only upon the expiration or termination of the agreement for such crossing.]

SECTION B. DELAYED EFFECTIVE DATE. — This act shall become effective January 1, 2015.

2. The unfunded actuarial accrued liabilities associated with benefit changes described in this section shall be amortized over a period not to exceed twenty years for purposes of determining the contributions associated with the adoption or implementation of any such benefit increase, supplement, or enhancement.

3. Any plan with a funded ratio below sixty percent shall have the actuary prepare an accelerated contribution schedule based on a descending amortization period for inclusion in the actuarial valuation.

4. Nothing in this section shall apply to any plan established under chapter 70 or chapter 476.

The tax imposed by this chapter shall not apply to passenger motor vehicles, buses as defined in section 301.010, or commercial motor vehicles registered in this state which are powered by alternative fuel, and for which a valid decal has been acquired as provided in this section, **provided that sales made to alternative fueled vehicles powered by compressed natural gas or liquefied natural gas that do not meet the requirements of subsection 3 of this section shall be taxed exclusively pursuant to subdivisions (4) and (5) of subsection 1 of section 142.803, respectively.** The owners or operators of such motor vehicles shall, in lieu of the tax imposed by section 142.803, pay an annual alternative fuel decal fee as follows: seventy-five dollars on each passenger motor vehicle, school bus as defined in section 301.010, and commercial motor vehicle with a licensed gross vehicle weight of eighteen thousand pounds or less; one hundred dollars on each motor vehicle with a licensed gross weight in excess of eighteen thousand pounds but not more than thirty-six thousand pounds used for farm or farming transportation operations and registered with a license plate designated with the letter "F"; one hundred fifty dollars on each motor vehicle with a licensed gross vehicle weight in excess of eighteen thousand pounds but less than or equal to thirty-six thousand pounds, and each passenger-carrying motor vehicle subject to the registration fee provided in sections 301.059, 301.061 and 301.063; two hundred fifty dollars on each motor vehicle with a licensed gross weight in excess of thirty-six thousand pounds used for farm or farming transportation operations and registered with a license plate designated with the letter "F"; and one thousand dollars on each motor vehicle with a licensed gross vehicle weight in excess of thirty-six thousand pounds.

Notwithstanding provisions of this section to the contrary, motor vehicles licensed as historic under section 301.131 which are powered by alternative fuel shall be exempt from both the tax imposed by this chapter and the alternative fuel decal requirements of this section.

2. Except interstate fuel users and vehicles licensed under a reciprocity agreement as defined in section 142.617, the tax imposed by section 142.803 shall not apply to motor vehicles registered outside this state which are powered by alternative fuel **other than compressed natural gas and liquefied natural gas**, and for which a valid temporary alternative fuel decal has been acquired as provided in this section. The owners or operators of such motor vehicles shall, in lieu of the tax imposed by section 142.803, pay a temporary alternative fuel decal fee of eight dollars on each such vehicle. Such decals shall be valid for a period of fifteen days from the date of issuance and shall be attached to the lower right-hand corner of the front windshield on the motor vehicle for which it was issued. Such decal and fee shall not be transferable. All proceeds from such decal fees shall be deposited as specified in section 142.345. Alternative fuel dealers selling such decals in accordance with rules and regulations prescribed by the director shall be allowed to retain fifty cents for each decal fee timely remitted to the director.

3. **Owners or operators of passenger motor vehicles, buses as defined in section 301.010, or commercial motor vehicles registered in this state which are powered by compressed natural gas or liquefied natural gas who have installed a compressed natural gas fueling station or liquefied natural gas fueling station used solely to fuel the motor vehicles they own or operate as of December 31, 2015, may continue to apply for and use the alternative fuel decal in lieu of paying the tax imposed under subdivisions (4) and (5) of subsection 1 of section 142.803. Owners or operators of compressed natural gas fueling stations or liquefied natural gas fueling stations whose vehicles bear an alternative fuel decal shall be prohibited from selling or providing compressed natural gas or liquefied natural gas to any motor vehicle they do not own or operate. Owners or operators of motor vehicles powered by compressed natural gas or liquefied natural gas bearing an alternative fuel decal after January 1, 2016 that decline to renew the alternative fuel decals for such motor vehicles shall no longer be eligible to apply for and use alternative fuel decals under this subsection. Any compressed natural gas or liquefied natural gas obtained at any fueling station not owned by the owner or operator of the motor vehicle bearing an alternative fuel decal shall be subject to the tax under subdivisions (4) and (5) of subsection 1 of section 142.803.**

4. The director shall annually, on or before January thirty-first of each year, collect or cause to be collected from owners or operators of the motor vehicles specified in subsection 1 of this section the annual decal fee. Applications for such decals shall be supplied by the department of revenue. In the case of a motor vehicle which is not in operation by January thirty-first of any year, a decal may be purchased for a fractional period of such year, and the amount of the decal fee shall be reduced by one-twelfth for each complete month which shall have elapsed since the beginning of such year.

[4.] 5. Upon the payment of the fee required by subsection 1 of this section, the director shall issue a decal, which shall be valid for the current calendar year and shall be attached to the lower right-hand corner of the front windshield on the motor vehicle for which it was issued.

[5.] 6. The decal fee paid pursuant to subsection 1 of this section for each motor vehicle shall be transferable upon a change of ownership of the motor vehicle and, if the LP gas or natural gas equipment is removed from a motor vehicle upon a change of ownership and is reinstalled in another motor vehicle, upon such reinstallation. Such transfers shall be accomplished in accordance with rules and regulations promulgated by the director.

[6.] 7. It shall be unlawful for any person to operate a motor vehicle required to have an alternative fuel decal upon the highways of this state without a valid decal.

[7.] 8. No person shall cause to be put, or put, LP gas [or natural gas] into the fuel supply receptacle of a motor vehicle required to have an alternative fuel decal unless the motor vehicle has a valid decal attached to it. Sales of fuel placed in the supply receptacle of a motor vehicle

displaying such decal shall be recorded upon an invoice, which invoice shall include the decal number, the motor vehicle license number and the number of gallons placed in such supply receptacle.

[8.] 9. Any person violating any provision of this section is guilty of an infraction and shall, upon conviction thereof, be fined five hundred dollars.

1. The state highways and transportation commission shall administer an aeronautics program within this state. The commission shall encourage, foster and participate with the political subdivisions of this state in the promotion and development of aeronautics. The commission may provide financial assistance in the form of grants from funds appropriated for such purpose to any political subdivision or instrumentality of this state acting independently or jointly or to the owner or owners of any privately owned airport designated as a reliever by the Federal Aviation Administration for the planning, acquisition, construction, improvement or maintenance of airports, or for other aeronautical purposes.

2. Any political subdivision or instrumentality of this state or the owner or owners of any privately owned airport designated as a reliever by the Federal Aviation Administration receiving state funds for the purchase, construction, or improvement, except maintenance, of an airport shall agree before any funds are paid to it to control by ownership or lease the airport for a period equal to the useful life of the project as determined by the commission following the last payment of state or federal funds to it. In the event an airport authority ceases to exist for any reason, this obligation shall be carried out by the governing body which created the authority.

3. Unless otherwise provided, grants to political subdivisions, instrumentalities or to the owner or owners of any privately owned airport designated as a reliever by the Federal Aviation Administration shall be made from the aviation trust fund. In making grants, the commission shall consider whether the local community has given financial support to the airport in the past. Priority shall be given to airports with local funding for the past five years with no reduction in such funding. The aviation trust fund is a revolving trust fund exempt from the provisions of section 33.080 relating to the transfer of funds to the general revenue funds of the state by the state treasurer. All interest earned upon the balance in the aviation trust fund shall be deposited to the credit of the same fund.

4. The moneys in the aviation trust fund shall be administered by the commission and, when appropriated, shall be used for the following purposes:

(1) As matching funds on an up to ninety percent state/ten percent local basis, except in the case where federal funds are being matched, when the ratio of state and local funds used to match the federal funds shall be fifty percent state/fifty percent local:

(a) For preventive maintenance of runways, taxiways and aircraft parking areas, and for emergency repairs of the same;

(b) For the acquisition of land for the development and improvement of airports;

(c) For the earthwork and drainage necessary for the construction, reconstruction or repair of runways, taxiways, and aircraft parking areas;

(d) For the construction, or restoration of runways, taxiways, or aircraft parking areas;

(e) For the acquisition of land or easements necessary to satisfy Federal Aviation Administration safety requirements;

(f) For the identification, marking or removal of natural or manmade obstructions to airport control zone surfaces and safety areas;

(g) For the installation of runway, taxiway, boundary, ramp, or obstruction lights, together with any work directly related to the electrical equipment;

- (h) For the erection of fencing on or around the perimeter of an airport;
 - (i) For purchase, installation or repair of air navigational and landing aid facilities and communication equipment;
 - (j) For engineering related to a project funded under the provisions of this section and technical studies or consultation related to aeronautics;
 - (k) For airport planning projects including master plans and site selection for development of new airports, for updating or establishing master plans [and] , airport layout plans, **airport business plans, and strategic plans** at existing airports;
 - (l) For the purchase, installation, or repair of safety equipment and such other capital improvements and equipment as may be required for the safe and efficient operation of the airport;
 - (m) If at least [six] **four million five hundred thousand** dollars is deposited into the aviation trust fund in the previous calendar year, [up to two million dollars may be expended annually upon] **funds may be spent for** the study or promotion of expanded domestic or international scheduled commercial service, the study or promotion of intrastate scheduled commercial service, **the promotion of aviation in the state**, or to assist airport sponsors participating in a federally funded air service program supporting intrastate scheduled commercial service, **subject to the following provisions:**
 - a. No more than two million dollars may be spent from the aviation trust fund for the purposes provided in this paragraph in any calendar year; and**
 - b. The commission shall be required to expend at least four million dollars of the annual, calendar year deposits into the aviation trust fund for purposes other than the purposes described in this paragraph;**
- (2) As total funds, with no local match:
 - (a) For providing air markers, windsocks, and other items determined to be in the interest of the safety of the general flying public;

 - (3) As total funds with no local match, up to five hundred thousand dollars per year may be used for the cost of operating existing air traffic control towers that do not receive funding from the Federal Aviation Administration or the United States Department of Defense, except no more than one hundred sixty-seven thousand dollars per year may be used for any individual control tower;
 - (4) As total funds with a local match, up to five hundred thousand dollars per year may be used for air traffic control towers partially funded by the federal government under a cost-share program. Any expenditures under this program require a nonfederal match, comprised of a ratio of fifty percent state and fifty percent local funds. No more than one hundred thousand dollars per year may be expended for any individual control tower.
5. In the event of a natural or manmade disaster which closes any runway or renders inoperative any electronic or visual landing aid at an airport, any funds appropriated for the purpose of capital improvements or maintenance of airports may be made immediately available for necessary repairs once they are approved by the commission. For projects designated as emergencies by the commission, all requirements relating to normal procurement of engineering and construction services are waived.
6. As used in this section, the term "instrumentality of the state" shall mean any state educational institution as defined in section 176.010 or any state agency which owned or operated an airport on January 1, 1997, and continues to own or operate such airport.

Time periods over one hour shall be computed to the nearest one-quarter hour. On the first day of January, 2014, and each year thereafter, the director of agriculture shall ascertain the total receipts and expenses for the metrology calibrations during the preceding year and shall fix a fee schedule for the ensuing year at a rate per hour as will yield revenue not more than the total cost of operating the metrology laboratory during the ensuing year, but not to exceed one hundred twenty-five dollars;

(2) All device test fees charged shall include, but not be limited to, the following devices:

- (a) Small scales;
- (b) Vehicle scales;
- (c) Livestock scales;
- (d) Hopper scales;
- (e) Railroad scales;
- (f) Monorail scales;

(3) Devices that require participation in on-site field evaluations for National Type Evaluation Program Certification and all tests of in-motion scales shall be charged a fee, plus mileage from the inspector's official domicile to and from the inspection site. The time shall begin when the state inspector performing the inspection arrives at the site to be inspected and shall end when the final report is signed by the owner/operator and the inspector departs;

(4) Every person shall register each location of such person's place of business where devices or instruments are used to ascertain the moisture content of grains and seeds offered for sale, processing or storage in this state with the director and shall pay a registration fee for each location so registered and a fee for each additional device or instrument at such location. Thereafter, by January thirty-first of each year, each person who is required to register pursuant to this subdivision shall pay an annual fee for each location so registered and an additional fee for each additional machine at each location. The fee on newly purchased devices shall be paid within thirty days after the date of purchase. In addition to fees required by this subdivision, a fee shall be charged for each device subject to retest.

2. On the first day of January, 1995, and each year thereafter, the director of agriculture shall ascertain the total receipts and expenses for the testing of weighing and measuring devices referred to in subdivisions (2), (3), and (4) of subsection 1 of this section and shall fix the fees or rate per hour for such weighing and measuring devices to derive revenue not more than the total cost of the operation.

3. On the first day of October, 2014, and each year thereafter, the director of the department of agriculture shall submit a report to the general assembly that states the current laboratory fees for metrology calibration, the expenses for administering this section for the previous calendar year, any proposed change to the laboratory fee structure, and estimated expenses for administering this section during the ensuing year. The proposed change to the laboratory fee structure shall not yield revenue greater than the total cost of administering this section during the ensuing year.

4. Beginning August 28, 2013, and each year thereafter, the director of the department of agriculture shall publish the laboratory fee schedule on the departmental website. The website shall be updated within thirty days of a change in the laboratory fee schedule set forth in this section.

5. Retests for any device within the same calendar year will be charged at the same rate as the initial test. Devices being retested in the same calendar year as a result of rejection and repair are exempt from the requirements of this subsection.

6. All device inspection fees shall be paid within thirty days of the issuance of the original invoice. Any fee not paid within ninety days after the date of the original invoice will be cause for the director to deem the device as incorrect and it may be condemned and taken out of service, and may be seized by the director until all fees are paid.

7. No fee provided for by this section shall be required of any person owning or operating a moisture-measuring device or instrument who uses such device or instrument solely in agricultural or horticultural operations on such person's own land, and not in performing services, whether with or without compensation, for another person.

2. The provisions of sections 413.005 to 413.229 shall apply to the following commercial weighing and measuring equipment used for measuring and ascertaining the quantity of gas, electricity, or fuel for vehicle use:

- (1) Compressed natural gas meters;
- (2) Liquefied natural gas meters;
- (3) Electrical charging stations; and
- (4) Hydrogen fuel meters.

Except as otherwise specifically provided by law, it shall be unlawful for the director of revenue, any officer, employee, agent or deputy or former director, officer, employee, agent or deputy of the department of revenue, any person engaged or retained by the department of revenue on an independent contract basis, any person to whom authorized or unauthorized disclosure is made by the department of revenue, or any person who lawfully or unlawfully inspects any report or return filed with the department of revenue or to whom a copy, an abstract or a portion of any report or return is furnished by the

department of revenue to make known in any manner, to permit the inspection or use of or to divulge to anyone any information relative to any such report or return, any information obtained by an investigation conducted by the department in the discharge of official duty, or any information received by the director in cooperation with the United States or other states in the enforcement of the revenue laws of this state. Such confidential information is limited to information received by the department in connection with the administration of the tax laws of this state.

2. Nothing in this section shall be construed to prohibit:

(1) The disclosure of information, returns, reports, or facts shown thereby, as described in subsection 1 of this section, by any officer, clerk or other employee of the department of revenue charged with the custody of such information:

(a) To a taxpayer or the taxpayer's duly authorized representative under regulations which the director of revenue may prescribe;

(b) In any action or proceeding, civil, criminal or mixed, brought to enforce the revenue laws of this state;

(c) To the state auditor or the auditor's duly authorized employees as required by subsection 4 of this section;

(d) To any city officer designated by ordinance of a city within this state to collect a city earnings tax, upon written request of such officer, which request states that the request is made for the purpose of determining or enforcing compliance with such city earnings tax ordinance and provided that such information disclosed shall be limited to that sufficient to identify the taxpayer, and further provided that in no event shall any information be disclosed that will result in the department of revenue being denied such information by the United States or any other state. The city officer requesting the identity of taxpayers filing state returns but not paying city earnings tax shall furnish to the director of revenue a list of taxpayers paying such earnings tax, and the director shall compare the list submitted with the director's records and return to such city official the name and address of any taxpayer who is a resident of such city who has filed a state tax return but who does not appear on the list furnished by such city. The director of revenue may set a fee to reimburse the department for the costs reasonably incurred in providing this information;

(e) To any employee of any county or other political subdivision imposing a sales tax which is administered by the state department of revenue whose office is authorized by the governing body of the county or other political subdivision to receive any and all records of the state director of revenue pertaining to the administration, collection and enforcement of its sales tax. The request for sales tax records and reports shall include a description of the type of report requested, the media form including electronic transfer, computer tape or disk, or printed form, and the frequency desired. The request shall be made by annual written application and shall be filed with the director of revenue. (3) The director of revenue from permitting the Secretary of the Treasury of the United States or the Secretary's delegates, the proper officer of any state of the United States imposing a tax equivalent to any of the taxes administered by the department of revenue of the state of Missouri or the appropriate representative of the multistate tax commission to inspect any return or report required by the respective tax provision of this state, or may furnish to such officer an abstract of the return or report or supply the officer with information contained in the return or disclosed by the report of any authorized investigation. Such permission, however, shall be granted on condition that the corresponding revenue statute of the United States or of such other state, as the case may be, grants substantially similar privileges to the director of revenue and on further condition that such corresponding statute gives confidential status to the material with which it is concerned;

(4) The disclosure of information, returns, reports, or facts shown thereby, by any person on behalf of the director of revenue, in any action or proceeding to which the director is a party or on behalf of any party to any action or proceeding pursuant to the revenue laws of this state when such information is directly involved in the action or proceeding, in either of which events the court may require the production of, and may admit in evidence, so much of such information as is pertinent to the action or proceeding and no more;

(4) Such student resides within one thousand feet of any public school in the school district where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

4. Any student who violates the condition of suspension required pursuant to subsection 3 of this section may be subject to expulsion or further suspension pursuant to the provisions of sections 167.161, 167.164, and 167.171. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within one thousand feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy. Removal of any pupil who is a student with a disability is subject to state and federal procedural rights. This section shall not limit a school district's ability to:

(1) Prohibit all students who are suspended from being on school property or attending an activity while on suspension;

(2) Discipline students for off-campus conduct that negatively affects the educational environment to the extent allowed by law.

5. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

(1) The superintendent or, in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and

(2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. 921 and the following items, as defined in section 571.010: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

7. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

8. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policies developed by each board, including but not limited to policies of student discipline or when reporting to his or her supervisor or other person as mandated by state law acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

9. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. "Acts of violence" as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020 to any school district in which the student subsequently attempts to enroll.

10. Spanking, when administered by certificated personnel and in the presence of a witness who is an employee of the school district, or the use of reasonable force to protect persons or property, when administered by personnel of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210. The provisions of sections 210.110 to 210.165 notwithstanding, the children's division shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to the use of reasonable force to protect persons or property when administered by personnel of a school district or any spanking administered in a reasonable manner by any certificated school personnel in the presence of a witness who is an employee of the school district pursuant to a written policy of discipline established by the board of education of the school district, as long as no allegation of sexual misconduct arises from the spanking or use of force.

11. If a student reports alleged sexual misconduct on the part of a teacher or other school employee to a person employed in a school facility who is required to report such misconduct to the children's division under section 210.115, such person and the superintendent of the school district shall report the allegation to the children's division as set forth in section 210.115. Reports made to the children's division under this subsection shall be investigated by the division in accordance with the provisions of sections 210.145 to 210.153 and shall not be investigated by the school district under subsections 12 to 20 of this section for purposes of determining whether the allegations should or should not be substantiated. The district may investigate the allegations for the purpose of making any decision regarding the employment of the accused employee.

12. Upon receipt of any reports of child abuse by the children's division other than reports provided under subsection 11 of this section, pursuant to sections 210.110 to 210.165 which allegedly involve personnel of a school district, the children's division shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred.

13. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel or the use of reasonable force to protect persons or property when administered by school personnel pursuant to a written policy of discipline or that the report was made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the children's division and take no further action. In all matters referred back to the children's division, the division shall treat the report in the same manner as other reports of alleged child abuse received by the division.

14. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel or the use of reasonable force to protect persons or property when administered by personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the law enforcement in the county in which the alleged incident occurred.

15. The report shall be jointly investigated by the law enforcement officer and the superintendent of schools or, if the subject of the report is the superintendent of schools, by a law enforcement officer and the president of the school board or such president's designee.

16. The investigation shall begin no later than forty-eight hours after notification from the children's division is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident.

17. The law enforcement officer and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the children's division.

18. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated.

19. The school board shall consider the separate reports referred to in subsection 17 of this section and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The law enforcement officer and the investigating school board personnel agree that there was not a preponderance of evidence to substantiate that abuse occurred;

(2) The report of the alleged child abuse is substantiated. The law enforcement officer and the investigating school district personnel agree that the preponderance of evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved.

The law enforcement officer and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

20. The findings and conclusions of the school board under subsection 19 of this section shall be sent to the children's division. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the children's division central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the

school board are that the issue involved in the alleged incident of child abuse is unresolved, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the children's division unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

21. Any superintendent of schools, president of a school board or such person's designee or law enforcement officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

22. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio.

167.171. SUMMARY SUSPENSION OF PUPIL — APPEAL — GROUNDS FOR SUSPENSION — PROCEDURE — CONFERENCE REQUIRED, WHEN — STATEWIDE SUSPENSION, WHEN. — 1.

The school board in any district, by general rule and for the causes provided in section 167.161, may authorize the summary suspension of pupils by principals of schools for a period not to exceed ten school days and by the superintendent of schools for a period not to exceed one hundred and eighty school days. In case of a suspension by the superintendent for more than ten school days, the pupil, the pupil's parents or others having such pupil's custodial care may appeal the decision of the superintendent to the board or to a committee of board members appointed by the president of the board which shall have full authority to act in lieu of the board. Any suspension by a principal shall be immediately reported to the superintendent who may revoke the suspension at any time. In event of an appeal to the board, the superintendent shall promptly

transmit to it a full report in writing of the facts relating to the suspension, the action taken by the superintendent and the reasons therefor and the board, upon request, shall grant a hearing to the appealing party to be conducted as provided in section 167.161.

2. No pupil shall be suspended unless:

- (1) The pupil shall be given oral or written notice of the charges against such pupil;
 - (2) If the pupil denies the charges, such pupil shall be given an oral or written explanation of the facts which form the basis of the proposed suspension;
 - (3) The pupil shall be given an opportunity to present such pupil's version of the incident;
- and

(4) In the event of a suspension for more than ten school days, where the pupil gives notice that such pupil wishes to appeal the suspension to the board, the suspension shall be stayed until the board renders its decision, unless in the judgment of the superintendent of schools, or of the district superintendent, the pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, in which case the pupil may be immediately removed from school, and the notice and hearing shall follow as soon as practicable.

3. No school board shall readmit or enroll a pupil properly suspended for more than ten consecutive school days for an act of school violence as defined in subsection 2 of section 160.261 regardless of whether or not such act was committed at a public school or at a private school in this state, provided that such act shall have resulted in the suspension or expulsion of such pupil in the case of a private school, or otherwise permit such pupil to attend school without first holding a conference to review the conduct that resulted in the expulsion or suspension and any remedial actions needed to prevent any future occurrences of such or related conduct. The conference shall include the appropriate school officials including any teacher employed in that school or district directly involved with the conduct that resulted in the suspension or expulsion, the pupil, the parent or guardian of the pupil or any agency having legal jurisdiction, care, custody or control of the pupil. The school board shall notify in writing the parents or guardians and all other parties of the time, place, and agenda of any such conference. Failure of any party to attend this conference shall not preclude holding the conference. Notwithstanding any provision of this subsection to the contrary, no pupil shall be readmitted or enrolled to a regular program of instruction if:

- (1) Such pupil has been convicted of; or
- (2) An indictment or information has been filed alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or
- (3) A petition has been filed pursuant to section 211.091 alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or
- (4) The pupil has been adjudicated to have committed an act which if committed by an adult would be one of the following:
 - (a) First degree murder under section 565.020;
 - (b) Second degree murder under section 565.021;
 - (c) First degree assault under section 565.050;
 - (d) Forcible rape under section 566.030 as it existed prior to August 28, 2013, or rape in the first degree under section 566.030;
 - (e) Forcible sodomy under section 566.060 as it existed prior to August 28, 2013, or sodomy in the first degree under section 566.060;
 - (f) Statutory rape under section 566.032;
 - (g) Statutory sodomy under section 566.062;
 - (h) Robbery in the first degree under section 569.020 **as it existed prior to January 1, 2017, or robbery in the first degree under section 570.023;**
 - (i) Distribution of drugs to a minor under section 195.212;
 - (j) Arson in the first degree under section 569.040;

(k) **Kidnapping or kidnapping in the first degree**, when classified as a class A felony under section 565.110.

Nothing in this subsection shall prohibit the readmittance or enrollment of any pupil if a petition has been dismissed, or when a pupil has been acquitted or adjudicated not to have committed any of the above acts. This subsection shall not apply to a student with a disability, as identified under state eligibility criteria, who is convicted or adjudicated guilty as a result of an action related to the student's disability. Nothing in this subsection shall be construed to prohibit a school district which provides an alternative education program from enrolling a pupil in an alternative education program if the district determines such enrollment is appropriate.

4. If a pupil is attempting to enroll in a school district during a suspension or expulsion from another in-state or out-of-state school district including a private, charter or parochial school or school district, a conference with the superintendent or the superintendent's designee may be held at the request of the parent, court-appointed legal guardian, someone acting as a parent as defined by rule in the case of a special education student, or the pupil to consider if the conduct of the pupil would have resulted in a suspension or expulsion in the district in which the pupil is enrolling. Upon a determination by the superintendent or the superintendent's designee that such conduct would have resulted in a suspension or expulsion in the district in which the pupil is enrolling or attempting to enroll, the school district may make such suspension or expulsion from another school or district effective in the district in which the pupil is enrolling or attempting to enroll. Upon a determination by the superintendent or the superintendent's designee that such conduct would not have resulted in a suspension or expulsion in the district in which the student is enrolling or attempting to enroll, the school district shall not make such suspension or expulsion effective in its district in which the student is enrolling or attempting to enroll.

Based upon such a request, no hearing shall be held until after a trial has been completed on this criminal charge.

5. The certificate holder shall be given not less than thirty days' notice of any hearing held pursuant to this section.

188.030. ABORTION OF VIABLE UNBORN CHILD PROHIBITED, EXCEPTIONS — PHYSICIAN DUTIES — VIOLATIONS, PENALTY — SEVERABILITY — RIGHT OF INTERVENTION, WHEN. —

1. Except in the case of a medical emergency, no abortion of a viable unborn child shall be performed or induced unless the abortion is necessary to preserve the life of the pregnant woman whose life is endangered by a physical disorder, physical illness, or physical injury, including a life-endangering physical condition caused by or arising from the pregnancy itself, or when continuation of the pregnancy will create a serious risk of substantial and irreversible physical impairment of a major bodily function of the pregnant woman. For purposes of this section, "major bodily function" includes, but is not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

2. Except in the case of a medical emergency:

(1) Prior to performing or inducing an abortion upon a woman, the physician shall determine the gestational age of the unborn child in a manner consistent with accepted obstetrical and neonatal practices and standards. In making such determination, the physician shall make such inquiries of the pregnant woman and perform or cause to be performed such medical examinations, imaging studies, and tests as a reasonably prudent physician, knowledgeable about the medical facts and conditions of both the woman and the unborn child involved, would

consider necessary to perform and consider in making an accurate diagnosis with respect to gestational age;

(2) If the physician determines that the gestational age of the unborn child is twenty weeks or more, prior to performing or inducing an abortion upon the woman, the physician shall determine if the unborn child is viable by using and exercising that degree of care, skill, and proficiency commonly exercised by a skillful, careful, and prudent physician. In making this determination of viability, the physician shall perform or cause to be performed such medical examinations and tests as are necessary to make a finding of the gestational age, weight, and lung maturity of the unborn child and shall enter such findings and determination of viability in the medical record of the woman;

(3) If the physician determines that the gestational age of the unborn child is twenty weeks or more, and further determines that the unborn child is not viable and performs or induces an abortion upon the woman, the physician shall report such findings and determinations and the reasons for such determinations to the health care facility in which the abortion is performed and to the state board of registration for the healing arts, and shall enter such findings and determinations in the medical records of the woman and in the individual abortion report submitted to the department under section 188.052;

(4) (a) If the physician determines that the unborn child is viable, the physician shall not perform or induce an abortion upon the woman unless the abortion is necessary to preserve the life of the pregnant woman or that a continuation of the pregnancy will create a serious risk of substantial and irreversible physical impairment of a major bodily function of the woman.

(b) Before a physician may proceed with performing or inducing an abortion upon a woman when it has been determined that the unborn child is viable, the physician shall first certify in writing the medical threat posed to the life of the pregnant woman, or the medical reasons that continuation of the pregnancy would cause a serious risk of substantial and irreversible physical impairment of a major bodily function of the pregnant woman. Upon completion of the abortion, the physician shall report the reasons and determinations for the abortion of a viable unborn child to the health care facility in which the abortion is performed and to the state board of registration for the healing arts, and shall enter such findings and determinations in the medical record of the woman and in the individual abortion report submitted to the department under section 188.052.

(c) Before a physician may proceed with performing or inducing an abortion upon a woman when it has been determined that the unborn child is viable, the physician who is to perform the abortion shall obtain the agreement of a second physician with knowledge of accepted obstetrical and neonatal practices and standards who shall concur that the abortion is necessary to preserve the life of the pregnant woman, or that continuation of the pregnancy would cause a serious risk of substantial and irreversible physical impairment of a major bodily function of the pregnant woman. This second physician shall also report such reasons and determinations to the health care facility in which the abortion is to be performed and to the state board of registration for the healing arts, and shall enter such findings and determinations in the medical record of the woman and the individual abortion report submitted to the department under section 188.052. The second physician shall not have any legal or financial affiliation or relationship with the physician performing or inducing the abortion, except that such prohibition shall not apply to physicians whose legal or financial affiliation or relationship is a result of being employed by or having staff privileges at the same hospital as the term "hospital" is defined in section 197.020.

(d) Any physician who performs or induces an abortion upon a woman when it has been determined that the unborn child is viable shall utilize the available method or technique of abortion most likely to preserve the life or health of the unborn child. In cases where the method or technique of abortion most likely to preserve the life or health of the unborn child would present a greater risk to the life or health of the woman than another legally permitted and available method or technique, the physician may utilize such other method or technique. In all

cases where the physician performs an abortion upon a viable unborn child, the physician shall certify in writing the available method or techniques considered and the reasons for choosing the method or technique employed.

(e) No physician shall perform or induce an abortion upon a woman when it has been determined that the unborn child is viable unless there is in attendance a physician other than the physician performing or inducing the abortion who shall take control of and provide immediate medical care for a child born as a result of the abortion. During the performance of the abortion, the physician performing it, and subsequent to the abortion, the physician required to be in attendance, shall take all reasonable steps in keeping with good medical practice, consistent with the procedure used, to preserve the life or health of the viable unborn child; provided that it does not pose an increased risk to the life of the woman or does not pose an increased risk of substantial and irreversible physical impairment of a major bodily function of the woman.

3. Any person who knowingly performs or induces an abortion of an unborn child in violation of the provisions of this section is guilty of a class [C] **D** felony, and, upon a finding of guilt or plea of guilty, shall be imprisoned for a term of not less than one year, and, notwithstanding the provisions of section 560.011, shall be fined not less than ten thousand nor more than fifty thousand dollars.

4. Any physician who pleads guilty to or is found guilty of performing or inducing an abortion of an unborn child in violation of this section shall be subject to suspension or revocation of his or her license to practice medicine in the state of Missouri by the state board of registration for the healing arts under the provisions of sections 334.100 and 334.103.

7. A woman upon whom an abortion is performed or induced in violation of this section shall not be prosecuted for a conspiracy to violate the provisions of this section.

8. Nothing in this section shall be construed as creating or recognizing a right to abortion, nor is it the intention of this section to make lawful any abortion that is currently unlawful.

9. It is the intent of the legislature that this section be severable as noted in section 1.140. In the event that any section, subsection, subdivision, paragraph, sentence, or clause of this section be declared invalid under the Constitution of the United States or the Constitution of the State of Missouri, it is the intent of the legislature that the remaining provisions of this section remain in force and effect as far as capable of being carried into execution as intended by the legislature.

10. The general assembly may, by concurrent resolution, appoint one or more of its members who sponsored or co-sponsored this act in his or her official capacity to intervene as a matter of right in any case in which the constitutionality of this law is challenged.

195.015. AUTHORITY TO CONTROL. — 1. The department of health and senior services shall administer [sections 195.005 to 195.425] **this chapter** and may add substances to the schedules after public notice and hearing. In making a determination regarding a substance, the department of health and senior services shall consider the following:

- (1) The actual or relative potential for abuse;
- (2) The scientific evidence of its pharmacological effect, if known;
- (3) The state of current scientific knowledge regarding the substance;
- (4) The history and current pattern of abuse;
- (5) The scope, duration, and significance of abuse;
- (6) The risk to the public health;
- (7) The potential of the substance to produce psychic or physiological dependence liability;

and

(8) Whether the substance is an immediate precursor of a substance already controlled under [sections 195.005 to 195.425] **this chapter**.

2. After considering the factors enumerated in subsection 1 of this section the department of health and senior services shall make findings with respect thereto and issue a rule controlling the substance if it finds the substance has a potential for abuse.

3. If the department of health and senior services designates a substance as an immediate precursor, substances which are precursors of the controlled precursor shall not be subject to control solely because they are precursors of the controlled precursor.

4. If any substance is designated, rescheduled, or deleted as a controlled substance under federal law and notice thereof is given to the department of health and senior services, the department of health and senior services shall similarly control the substance under [sections 195.005 to 195.425] **this chapter** after the expiration of thirty days from publication in the

federal register of a final order designating a substance as a controlled substance or rescheduling or deleting a substance, unless within that thirty-day period, the department of health and senior services objects to inclusion, rescheduling, or deletion. In that case, the department of health and senior services shall publish the reasons for objection and afford all interested parties an opportunity to be heard. At the conclusion of the hearing, the department of health and senior services shall publish its decision, which shall be final unless altered by statute. Upon publication of objection to inclusion, rescheduling or deletion under [sections 195.005 to 195.425] **this chapter** by the department of health and senior services, control under [sections 195.005 to 195.425] **this chapter** is stayed as to the substance in question until the department of health and senior services publishes its decision.

5. The department of health and senior services shall exclude any nonnarcotic substance from a schedule if such substance may, under the federal Food, Drug, and Cosmetic Act and the law of this state, be lawfully sold over the counter without a prescription.

6. The department of health and senior services shall prepare a list of all drugs falling within the purview of controlled substances. Upon preparation, a copy of the list shall be filed in the office of the secretary of state.

No registration shall be granted to any person who is abusing controlled substances.

3. The department of health and senior services shall register an applicant to manufacture, distribute or dispense controlled substances unless it determines that the issuance of that registration would be inconsistent with the public interest. In determining the public interest, the following factors shall be considered:

(1) Maintenance of effective controls against diversion of controlled substances into other than legitimate medical, scientific, or industrial channels;

(2) Compliance with applicable state and local law;

(3) Any convictions of an applicant under any federal or state laws relating to any controlled substance;

(4) Past experience in the manufacture or distribution of controlled substances and the existence in the applicant's establishment of effective controls against diversion;

(5) Furnishing by the applicant of false or fraudulent material information in any application filed under [sections 195.005 to 195.425] **this chapter**;

(6) Suspension or revocation of the applicant's federal registration to manufacture, distribute or dispense narcotics or controlled dangerous drugs as authorized by federal law; and

(7) Any other factors relevant to and consistent with the public health and safety.

4. Registration does not entitle a registrant to manufacture and distribute controlled substances in Schedule I or II other than those specified in the registration.

5. Practitioners shall be registered to dispense any controlled substance or to conduct research with controlled substances in Schedules II through V if they are authorized to dispense or conduct research under the laws of this state. The department of health and senior services need not require separate registration under [sections 195.005 to 195.425] **this chapter** for practitioners engaging in research with nonnarcotic substances in Schedules II through V where the registrant is already registered under [sections 195.005 to 195.425] **this chapter** in another capacity. Practitioners registered under federal law to conduct research with Schedule I substances may conduct research with Schedule I substances within this state upon furnishing the department of health and senior services evidence of that federal registration.

6. Compliance by manufacturers and distributors with the provisions of federal law respecting registration (excluding fees) shall entitle them to be registered under [sections 195.005 to 195.425] **this chapter**.

7. A registration to manufacture, distribute, or dispense a controlled substance may be suspended or revoked by the department of health and senior services upon a finding that the registrant:

(1) Has furnished false or fraudulent material information in any application filed under [sections 195.005 to 195.425] **this chapter**;

(2) Has been convicted of a felony under any state or federal law relating to any controlled substance;

(3) Has had his **or her** federal registration to manufacture, distribute or dispense suspended or revoked;

(4) Has violated any federal controlled substances statute or regulation, or any provision of [sections 195.005 to 195.425] **this chapter or chapter 579** or regulation promulgated [pursuant to sections 195.005 to 195.425] **under this chapter**; or

(5) Has had the registrant's professional license to practice suspended or revoked.

8. The department of health and senior services may warn or censure a registrant; limit a registration to particular controlled substances or schedules of controlled substances; limit revocation or suspension of a registration to a particular controlled substance with respect to which grounds for revocation or suspension exist; restrict or limit a registration under such terms and conditions as the department of health and senior services considers appropriate for a period of five years; suspend or revoke a registration for a period not to exceed five years; or deny an application for registration. In any order of revocation, the department of health and senior services may provide that the registrant may not apply for a new registration for a period of time ranging from one to five years following the date of the order of revocation. All stay orders shall toll this time period. Any registration placed under a limitation or restriction by the department of health and senior services shall be termed "under probation".

9. If the department of health and senior services suspends or revokes a registration, all controlled substances owned or possessed by the registrant at the time of suspension or the effective date of the revocation order may be placed under seal by such agency and held pending final disposition of the case. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded, unless a court, upon

application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon a revocation order becoming final, all controlled substances may be forfeited to the state.

10. The department of health and senior services may, upon review, terminate any restriction or limitation previously imposed upon a registration by the department of health and senior services if the registrant has remained in compliance with the imposed restrictions or limitations and local, state and federal laws since the time the restrictions or limitations were imposed.

11. The department of health and senior services shall promptly notify the Drug Enforcement Administration, United States Department of Justice, or its successor agency, of all orders suspending or revoking registration and all forfeitures of controlled substances.

12. If after first providing the registrant an opportunity for an informal conference, the department of health and senior services proposes to deny, suspend, restrict, limit or revoke a registration or refuse a renewal of registration, the department of health and senior services shall serve upon the applicant or registrant written notice of the proposed action to be taken on the application or registration. The notice shall contain a statement of the type of discipline proposed, the basis therefor, the date such action shall go into effect and a statement that the registrant shall have thirty days to request in writing a hearing before the administrative hearing commission. If no written request for a hearing is received by the department of health and senior services within thirty days of the applicant's or registrant's receipt of the notice, the proposed discipline shall take effect thirty-one days from the date the original notice was received by the applicant or registrant. If the registrant or applicant makes a written request for a hearing, the department of health and senior services shall file a complaint with the administrative hearing commission within sixty days of receipt of the written request for a hearing. The complaint shall comply with the laws and regulations for actions brought before the administrative hearing commission. The department of health and senior services may issue letters of censure or warning and may enter into agreements with a registrant or applicant which restrict or limit a registration without formal notice or hearing.

13. The department of health and senior services may suspend any registration simultaneously with the institution of proceedings under subsection 7 of this section if the department of health and senior services finds that there is imminent danger to the public health or safety which warrants this action. The suspension shall continue in effect until the conclusion of the proceedings, including review thereof, unless sooner withdrawn by the department of health and senior services, dissolved by a court of competent jurisdiction or stayed by the administrative hearing commission.

For purposes of the issuance of administrative inspection warrants, probable cause exists upon showing a valid public interest in the effective enforcement of [sections 195.005 to 195.425] **this chapter and chapter 579** sufficient to justify administrative inspection of the area, premises, building or conveyance in the circumstances specified in the application for the warrant.

2. If property is seized pursuant to a warrant, a copy shall be given to the person from whom or from whose premises the property is taken, together with a receipt for the property taken. The return of the warrant shall be made promptly, accompanied by a written inventory of any property taken. A copy of the inventory shall be delivered to the person from whom or from whose premises the property was taken and to the applicant for the warrant.

(a) If the owner, operator, or agent in charge of the controlled premises consents;

(b) In situations presenting imminent danger to health or safety;

(c) In situations involving inspection of conveyances if there is reasonable cause to believe that the mobility of the conveyance makes it impracticable to obtain a warrant;

(d) In any other exceptional or emergency circumstance where time or opportunity to apply for a warrant is lacking; or

(e) In all other situations in which a warrant is not constitutionally required;

(5) An inspection authorized by this section shall not extend to financial data, sales data, other than shipment data, or pricing data unless the owner, operator, or agent in charge of the controlled premises consents in writing;

The application for the warrant or order shall identify the eligible adult and the facts and circumstances which require the issuance of the warrant or order. The director may also seek an order to enjoin the person from barring access to an eligible adult or from interfering with the investigation. If the court finds that, based on the report and relevant circumstances and facts, probable cause exists showing that the eligible adult faces abuse or neglect, or otherwise faces a likelihood of serious physical harm and is in need of protective services and the director has been prevented by another person from investigating the report, the court may issue the warrant or enjoin the interference with the investigation or both.

[660.275.] 197.1020. INTERFERENCE WITH DELIVERY OF SERVICES, EFFECT—REMEDY. — If an eligible adult gives consent to receive protective services and any other person interferes with or prevents the delivery of such services, the director may petition the appropriate court for an order to enjoin the interference with the delivery of the services. The petition shall allege the consent of the eligible adult and shall allege specific facts sufficient to show that the eligible adult faces a likelihood of serious physical harm and is in need of the protective services and that delivery is barred by the person named in the petition. If the court finds upon a preponderance

of evidence that the allegations in the petition are true, the court may issue an order enjoining the interference with the delivery of the protective services and may establish such conditions and restrictions on the delivery as the court deems necessary and proper under the circumstances.

[660.280.] 197.1022. RECIPIENT UNABLE TO GIVE CONSENT, PROCEDURE, REMEDY. —

When an eligible adult facing the likelihood of serious physical harm and in need of protective services is unable to give consent because of incapacity or legal disability and the guardian of the eligible adult refuses to provide the necessary services or allow the provision of such services, the director shall inform the court having supervisory jurisdiction over the guardian of the facts showing that the eligible adult faces the likelihood of serious physical harm and is in need of protective services and that the guardian refuses to provide the necessary services or allow the provision of such services under the provisions of sections [660.250 to 660.295] **197.1000 to 197.1028**. Upon receipt of such information, the court may take such action as it deems necessary and proper to insure that the eligible adult is able to meet his essential human needs.

[660.285.] 197.1024. DIRECTOR MAY PROCEED UNDER OTHER LAW, WHEN — LEGAL COUNSEL MAY BE RETAINED, WHEN. — 1. If the director determines after an investigation that an eligible adult is unable to give consent to receive protective services and presents a likelihood of serious physical harm, the director may initiate proceedings pursuant to chapter 202 or chapter 475, if appropriate.

2. In order to expedite adult guardianship and conservatorship cases, the department may retain, within existing funding sources of the department, legal counsel on a case-by-case basis.

2. Where access to the eligible adult is barred and a substantial likelihood exists of serious physical harm resulting to the eligible adult if he is not immediately afforded protective services, the peace officer may apply to the appropriate court for a warrant to enter upon the described premises and remove the eligible adult. The application for the warrant shall identify the eligible adult and the circumstances and facts which require the issuance of the warrant.

3. If immediately upon admission to a medical facility, a person who is legally authorized to give consent for the provision of medical treatment for the eligible adult, has not given or refused to give such consent, and it is the opinion of the medical staff of the facility that treatment is necessary to prevent serious physical harm, the director or the head of the medical facility shall file a petition in the appropriate court for an order authorizing specific medical treatment. The court shall hold a hearing and issue its decision forthwith. Notwithstanding the above, if a licensed physician designated by the facility for such purpose examines the eligible adult and determines that the treatment is immediately or imminently necessary and any delay occasioned by the hearing provided in this subsection would jeopardize the life of the person affected, the medical facility may treat the eligible adult prior to such court hearing.

4. The court shall conduct a hearing pursuant to chapter 475 forthwith and, if the court finds the eligible adult incapacitated, it shall appoint a guardian ad litem for the person of the eligible adult to determine the nature and extent of the medical treatment necessary for the benefit of the eligible adult and to supervise the rendition of such treatment. The guardian ad litem shall promptly report the completion of treatment to the court, who shall thereupon conduct a restoration hearing or a hearing to appoint a permanent guardian.

5. The medical care under this section may not be rendered in a mental health facility unless authorized pursuant to the civil commitment procedures in chapter 632.

6. Nothing contained in this section or in any other section of sections [660.250 to 660.295] **197.1000 to 197.1028** shall be construed as requiring physician or medical care or hospitalization of any person who, because of religious faith or conviction, relies on spiritual means or prayer to cure or prevent disease or suffering nor shall any provision of sections [660.250 to 660.295] **197.1000 to 197.1028** be construed so as to designate any person as an eligible adult who presents a likelihood of suffering serious physical harm and is in need of protective services solely because such person, because of religious faith or conviction, relies on spiritual means or prayer to cure or prevent disease or suffering.

[660.295.] 197.1028. DISCONTINUANCE OF SERVICES, WHEN — EXCEPTION. — If an eligible adult does not consent to the receipt of reasonable and necessary protective services, or if an eligible adult withdraws previously given consent, the protective services shall not be provided or continued; except that, if the director has reasonable cause to believe that the eligible adult lacks the capacity to consent, the director may seek a court order pursuant to the provisions of section [660.285] **197.1024**.

If the report is made by a physician of the in-home services client, the department shall maintain contact with the physician regarding the progress of the investigation.

2. When a report of deteriorating physical condition resulting in possible abuse or neglect of an in-home services client is received by the department, the client's case manager and the department nurse shall be notified. The client's case manager shall investigate and immediately report the results of the investigation to the department nurse. The department may authorize the in-home services provider nurse to assist the case manager with the investigation.

3. If requested, local area agencies on aging shall provide volunteer training to those persons listed in subsection 1 of this section regarding the detection and report of abuse and neglect pursuant to this section.

4. Any person required in subsection 1 of this section to report or cause a report to be made to the department who fails to do so within a reasonable time after the act of abuse or neglect is guilty of a class A misdemeanor.

In addition to those persons required to report under subsection 1 of this section, any other person having reasonable cause to believe that an in-home services client or home health patient has been abused or neglected by an in-home services employee or home health agency employee may report such information to the department.

7. If the investigation indicates possible abuse or neglect of an in-home services client or home health patient, the investigator shall refer the complaint together with his or her report to the department director or his or her designee for appropriate action. If, during the investigation or at its completion, the department has reasonable cause to believe that immediate action is necessary to protect the in-home services client or home health patient from abuse or neglect, the department or the local prosecuting attorney may, or the attorney general upon request of the department shall, file a petition for temporary care and protection of the in-home services client or home health patient in a circuit court of competent jurisdiction. The circuit court in which the petition is filed shall have equitable jurisdiction to issue an ex parte order granting the department authority for the temporary care and protection of the in-home services client or home health patient, for a period not to exceed thirty days.

8. Reports shall be confidential, as provided under section [660.320] **197.1040**.

9. Anyone, except any person who has abused or neglected an in-home services client or home health patient, who makes a report pursuant to this section or who testifies in any administrative or judicial proceeding arising from the report shall be immune from any civil or criminal liability for making such a report or for testifying except for liability for perjury, unless such person acted negligently, recklessly, in bad faith, or with malicious purpose.

10. Within five working days after a report required to be made under this section is received, the person making the report shall be notified in writing of its receipt and of the initiation of the investigation.

11. No person who directs or exercises any authority in an in-home services provider agency or home health agency shall harass, dismiss or retaliate against an in-home services client or home health patient, or an in-home services employee or a home health agency employee because he or any member of his or her family has made a report of any violation or suspected violation of laws, standards or regulations applying to the in-home services provider agency or home health agency or any in-home services employee or home health agency employee which he has reasonable cause to believe has been committed or has occurred.

12. Any person who abuses or neglects an in-home services client or home health patient is subject to criminal prosecution under section [565.180, 565.182, or] 565.184. If such person is an in-home services employee and has been found guilty by a court, and if the supervising in-home services provider willfully and knowingly failed to report known abuse by such employee to the department, the supervising in-home services provider may be subject to administrative penalties of one thousand dollars per violation to be collected by the department and the money received therefor shall be paid to the director of revenue and deposited in the state treasury to the credit of the general revenue fund. Any in-home services provider which has had administrative penalties imposed by the department or which has had its contract terminated may seek an administrative review of the department's action pursuant to chapter 621. Any decision of the administrative hearing commission may be appealed to the circuit court in the county where the violation occurred for a trial de novo. For purposes of this subsection, the term "violation" means a determination of guilt by a court.

13. The department shall establish a quality assurance and supervision process for clients that requires an in-home services provider agency to conduct random visits to verify compliance with program standards and verify the accuracy of records kept by an in-home services employee.

14. The department shall maintain the employee disqualification list and place on the employee disqualification list the names of any persons who have been finally determined by the department, pursuant to section [660.315] **197.1036**, to have recklessly, knowingly or purposely abused or neglected an in-home services client or home health patient while employed by an in-

home services provider agency or home health agency. For purposes of this section only, "knowingly" and "recklessly" shall have the meanings that are ascribed to them in this section. A person acts "knowingly" with respect to the person's conduct when a reasonable person should be aware of the result caused by his or her conduct. A person acts "recklessly" when the person consciously disregards a substantial and unjustifiable risk that the person's conduct will result in serious physical injury and such disregard constitutes a gross deviation from the standard of care that a reasonable person would exercise in the situation.

15. At the time a client has been assessed to determine the level of care as required by rule and is eligible for in-home services, the department shall conduct a "Safe at Home Evaluation" to determine the client's physical, mental, and environmental capacity. The department shall develop the safe at home evaluation tool by rule in accordance with chapter 536. The purpose of the safe at home evaluation is to assure that each client has the appropriate level of services and professionals involved in the client's care. The plan of service or care for each in-home services client shall be authorized by a nurse. The department may authorize the licensed in-home services nurse, in lieu of the department nurse, to conduct the assessment of the client's condition and to establish a plan of services or care. The department may use the expertise, services, or programs of other departments and agencies on a case-by-case basis to establish the plan of service or care. The department may, as indicated by the safe at home evaluation, refer any client to a mental health professional, as defined in 9 CSR 30-4.030, for evaluation and treatment as necessary.

16. Authorized nurse visits shall occur at least twice annually to assess the client and the client's plan of services. The provider nurse shall report the results of his or her visits to the client's case manager. If the provider nurse believes that the plan of service requires alteration, the department shall be notified and the department shall make a client evaluation. All authorized nurse visits shall be reimbursed to the in-home services provider. All authorized nurse visits shall be reimbursed outside of the nursing home cap for in-home services clients whose services have reached one hundred percent of the average statewide charge for care and treatment in an intermediate care facility, provided that the services have been preauthorized by the department.

17. All in-home services clients shall be advised of their rights by the department or the department's designee at the initial evaluation. The rights shall include, but not be limited to, the right to call the department for any reason, including dissatisfaction with the provider or services. The department may contract for services relating to receiving such complaints. The department shall establish a process to receive such nonabuse and neglect calls other than the elder abuse and neglect hotline.

18. Subject to appropriations, all nurse visits authorized in sections [660.250 to 660.300] **197.1000 to 197.1030** shall be reimbursed to the in-home services provider agency.

[660.305.] 197.1032. IN-HOME SERVICES CLIENT, MISAPPROPRIATION OF PROPERTY, REPORT—INVESTIGATION—PENALTY—CONFIDENTIALITY OF REPORT—IMMUNITY—RETALIATION PROHIBITED—EMPLOYEE DISQUALIFICATION LIST. — 1. Any person having reasonable cause to believe that a misappropriation of an in-home services client's property or funds, or the falsification of any documents verifying service delivery to the in-home services client has occurred, may report such information to the department.

2. For each report the department shall attempt to obtain the names and addresses of the in-home services provider agency, the in-home services employee, the in-home services client, information regarding the nature of the misappropriation or falsification, the name of the complainant, and any other information which might be helpful in an investigation.

3. Any in-home services provider agency or in-home services employee who puts to his or her own use or the use of the in-home services provider agency or otherwise diverts from the in-home services client's use any personal property or funds of the in-home services client, or falsifies any documents for service delivery, is guilty of a class A misdemeanor.

4. Upon receipt of a report, the department shall immediately initiate an investigation and report information gained from such investigation to appropriate law enforcement authorities.

5. If the investigation indicates probable misappropriation of property or funds, or falsification of any documents for service delivery of an in-home services client, the investigator shall refer the complaint together with the investigator's report to the department director or the director's designee for appropriate action.

6. Reports shall be confidential, as provided under section [660.320] **197.1040**.

7. Anyone, except any person participating in or benefitting from the misappropriation of funds, who makes a report pursuant to this section or who testifies in any administrative or judicial proceeding arising from the report shall be immune from any civil or criminal liability for making such a report or for testifying except for liability for perjury, unless such person acted negligently, recklessly, in bad faith, or with malicious purpose.

8. Within five working days after a report required to be made under this section is received, the person making the report shall be notified in writing of its receipt and of the initiation of the investigation.

9. No person who directs or exercises any authority in an in-home services provider agency shall harass, dismiss or retaliate against an in-home services client or employee because he or she or any member of his or her family has made a report of any violation or suspected violation of laws, ordinances or regulations applying to the in-home services provider agency or any in-home services employee which he or she has reasonable cause to believe has been committed or has occurred.

10. The department shall maintain the employee disqualification list and place on the employee disqualification list the names of any persons who are or have been employed by an in-home service provider agency and who have been finally determined by the department to, pursuant to section [660.315] **197.1036**, have misappropriated any property or funds, or falsified any documents for service delivery of an in-home services client and who came to be known to the person, directly, or indirectly while employed by an in-home services provider agency.

[660.310.] 197.1034. ALTERATION OF IN-HOME SERVICES PROVIDER AGENCY CONTRACTS, PROCEDURE — LETTERS OF CENSURE — STAYING OF SUSPENSIONS — APPEAL PROCESS. — 1. Notwithstanding any other provision of law, if the department of health and senior services proposes to deny, suspend, place on probation, or terminate an in-home services provider agency contract, the department of health and senior services shall serve upon the applicant or contractor written notice of the proposed action to be taken. The notice shall contain a statement of the type of action proposed, the basis for it, the date the action will become effective, and a statement that the applicant or contractor shall have thirty days from the date of mailing or delivery of the notice to file a complaint requesting a hearing before the administrative hearing commission. The administrative hearing commission may consolidate an applicant's or contractor's complaint with any proceeding before the administrative hearing commission filed by such contractor or applicant pursuant to subsection 3 of section 208.156 involving a common question of law or fact. Upon the filing of the complaint, the provisions of sections 621.110, 621.120, 621.125, 621.135, and 621.145 shall apply. With respect to cases in which the department has denied a contract to an in-home services provider agency, the administrative hearing commission shall conduct a hearing to determine the underlying basis for such denial. However, if the administrative hearing commission finds that the contract denial is supported by the facts and the law, the case need not be returned to the department. The administrative hearing commission's decision shall constitute affirmation of the department's contract denial.

2. The department of health and senior services may issue letters of censure or warning without formal notice or hearing.

3. The administrative hearing commission may stay the suspension or termination of an in-home services provider agency's contract, or the placement of the contractor on probation, pending the commission's findings and determination in the cause, upon such conditions, with

or without the agreement of the parties, as the commission deems necessary and appropriate, including the posting of bond or other security except that the commission shall not grant a stay, or if a stay has already been entered shall set aside its stay, unless the commission finds that the contractor has established that servicing the department's clients pending the commission's final determination would not present an imminent danger to the health, safety, or welfare of any client or a substantial probability that death or serious physical harm would result. The commission may remove the stay at any time that it finds that the contractor has violated any of the conditions of the stay. Such stay shall remain in effect, unless earlier removed by the commission, pending the decision of the commission and any subsequent departmental action at which time the stay shall be removed. In any case in which the department has refused to issue a contract, the commission shall have no authority to stay or to require the issuance of a contract pending final determination by the commission.

4. Stays granted to contractors by the administrative hearing commission shall, as a condition of the stay, require at a minimum that the contractor under the stay operate under the same contractual requirements and regulations as are in effect, from time to time, as are applicable to all other contractors in the program.

5. The administrative hearing commission shall make its final decision based upon the circumstances and conditions as they existed at the time of the action of the department and not based upon circumstances and conditions at the time of the hearing or decision of the commission.

6. In any proceeding before the administrative hearing commission pursuant to this section, the burden of proof shall be on the contractor or applicant seeking review.

7. Any person, including the department, aggrieved by a final decision of the administrative hearing commission may seek judicial review of such decision as provided in section 621.145.

[660.315.] 197.1036. EMPLOYEE DISQUALIFICATION LIST, NOTIFICATION OF PLACEMENT, CONTENTS — CHALLENGE OF ALLEGATION, PROCEDURE — HEARING, PROCEDURE — APPEAL — REMOVAL OF NAME FROM LIST — LIST PROVIDED TO WHOM — PROHIBITION OF EMPLOYMENT. — 1. After an investigation and a determination has been made to place a person's name on the employee disqualification list, that person shall be notified in writing mailed to his or her last known address that:

(1) An allegation has been made against the person, the substance of the allegation and that an investigation has been conducted which tends to substantiate the allegation;

(2) The person's name will be included in the employee disqualification list of the department;

(3) The consequences of being so listed including the length of time to be listed; and

(4) The person's rights and the procedure to challenge the allegation.

2. If no reply has been received within thirty days of mailing the notice, the department may include the name of such person on its list. The length of time the person's name shall appear on the employee disqualification list shall be determined by the director or the director's designee, based upon the criteria contained in subsection 9 of this section.

3. If the person so notified wishes to challenge the allegation, such person may file an application for a hearing with the department. The department shall grant the application within thirty days after receipt by the department and set the matter for hearing, or the department shall notify the applicant that, after review, the allegation has been held to be unfounded and the applicant's name will not be listed.

4. If a person's name is included on the employee disqualification list without the department providing notice as required under subsection 1 of this section, such person may file a request with the department for removal of the name or for a hearing. Within thirty days after receipt of the request, the department shall either remove the name from the list or grant a hearing and set a date therefor.

5. Any hearing shall be conducted in the county of the person's residence by the director of the department or the director's designee. The provisions of chapter 536 for a contested case except those provisions or amendments which are in conflict with this section shall apply to and govern the proceedings contained in this section and the rights and duties of the parties involved. The person appealing such an action shall be entitled to present evidence, pursuant to the provisions of chapter 536, relevant to the allegations.

6. Upon the record made at the hearing, the director of the department or the director's designee shall determine all questions presented and shall determine whether the person shall be listed on the employee disqualification list. The director of the department or the director's designee shall clearly state the reasons for his or her decision and shall include a statement of findings of fact and conclusions of law pertinent to the questions in issue.

7. A person aggrieved by the decision following the hearing shall be informed of his or her right to seek judicial review as provided under chapter 536. If the person fails to appeal the director's findings, those findings shall constitute a final determination that the person shall be placed on the employee disqualification list.

8. A decision by the director shall be inadmissible in any civil action brought against a facility or the in-home services provider agency and arising out of the facts and circumstances which brought about the employment disqualification proceeding, unless the civil action is brought against the facility or the in-home services provider agency by the department of health and senior services or one of its divisions.

9. The length of time the person's name shall appear on the employee disqualification list shall be determined by the director of the department of health and senior services or the director's designee, based upon the following:

- (1) Whether the person acted recklessly or knowingly, as defined in chapter 562;
- (2) The degree of the physical, sexual, or emotional injury or harm; or the degree of the imminent danger to the health, safety or welfare of a resident or in-home services client;
- (3) The degree of misappropriation of the property or funds, or falsification of any documents for service delivery of an in-home services client;
- (4) Whether the person has previously been listed on the employee disqualification list;
- (5) Any mitigating circumstances;
- (6) Any aggravating circumstances; and
- (7) Whether alternative sanctions resulting in conditions of continued employment are appropriate in lieu of placing a person's name on the employee disqualification list. Such conditions of employment may include, but are not limited to, additional training and employee counseling. Conditional employment shall terminate upon the expiration of the designated length of time and the person's submitting documentation which fulfills the department of health and senior services' requirements.

10. The removal of any person's name from the list under this section shall not prevent the director from keeping records of all acts finally determined to have occurred under this section.

11. The department shall provide the list maintained pursuant to this section to other state departments upon request and to any person, corporation, organization, or association who:

- (1) Is licensed as an operator under chapter 198;

Such a consumer reporting agency shall conduct the employee disqualification list check only upon the initiative or request of an entity described in subdivisions (1), (2), (5), or (6) of this subsection when the entity is fulfilling its duties required under this section. The information shall be disclosed only to the requesting entity. The department shall inform any person listed above who inquires of the department whether or not a particular name is on the list. The department may require that the request be made in writing. No person, corporation, organization, or association who is entitled to access the employee disqualification list may disclose the information to any person, corporation, organization, or association who is not entitled to access the list. Any person, corporation, organization, or association who is entitled to access the employee disqualification list who discloses the information to any person, corporation, organization, or association who is not entitled to access the list shall be guilty of an infraction.

12. No person, corporation, organization, or association who received the employee disqualification list under subdivisions (1) to (7) of subsection 11 of this section shall knowingly employ any person who is on the employee disqualification list. Any person, corporation, organization, or association who received the employee disqualification list under subdivisions (1) to (7) of subsection 11 of this section, or any person responsible for providing health care service, who declines to employ or terminates a person whose name is listed in this section shall be immune from suit by that person or anyone else acting for or in behalf of that person for the failure to employ or for the termination of the person whose name is listed on the employee disqualification list.

The request shall be written and may not be made more than once every twelve months. The request will be granted by the director upon a clear showing, by written submission only, that the person will not commit additional acts of abuse, neglect, misappropriation of the property or funds, or the falsification of any documents of service delivery to an in-home services client. The director may make conditional the removal of a person's name from the list on any terms that the director deems appropriate, and failure to comply with such terms may result in the person's name being relisted. The director's determination of whether to remove the person's name from the list is not subject to appeal.

CRIMINAL BACKGROUND CHECKS OF EMPLOYEES, REQUIRED WHEN — PERSONS WITH CRIMINAL HISTORY NOT TO BE HIRED, WHEN, PENALTY — FAILURE TO DISCLOSE, PENALTY — IMPROPER HIRINGS, PENALTY — DEFINITIONS — RULES TO WAIVE HIRING RESTRICTIONS. — 1. 3. Prior to allowing any person who has been hired as a full-time, part-time or temporary position to have contact with any patient or resident the provider shall, or in the case of temporary employees hired through or contracted for an employment agency, the employment agency shall prior to sending a temporary employee to a provider:

(1) Request a criminal background check as provided in section 43.540. Completion of an inquiry to the highway patrol for criminal records that are available for disclosure to a provider for the purpose of conducting an employee criminal records background check shall be deemed to fulfill the provider's duty to conduct employee criminal background checks pursuant to this section; except that, completing the inquiries pursuant to this subsection shall not be construed to exempt a provider from further inquiry pursuant to common law requirements governing due diligence. If an applicant has not resided in this state for five consecutive years prior to the date of his or her application for employment, the provider shall request a nationwide check for the purpose of determining if the applicant has a prior criminal history in other states. The fingerprint cards and any required fees shall be sent to the highway patrol's central repository. The first set of fingerprints shall be used for searching the state repository of criminal history information. If no identification is made, the second set of fingerprints shall be forwarded to the Federal Bureau of Investigation, Identification Division, for the searching of the federal criminal history files. The patrol shall notify the submitting state agency of any criminal history information or lack of criminal history information discovered on the individual. The provisions relating to applicants for employment who have not resided in this state for five consecutive years shall apply only to persons who have no employment history with a licensed Missouri facility during that five-year period. Notwithstanding the provisions of section 610.120, all records related to any criminal history information discovered shall be accessible and available to the provider making the record request; and

(2) Make an inquiry to the department of health and senior services whether the person is listed on the employee disqualification list as provided in section [660.315] **197.1036**.

4. When the provider requests a criminal background check pursuant to section 43.540, the requesting entity may require that the applicant reimburse the provider for the cost of such record check. 5. An applicant for a position to have contact with patients or residents of a provider shall:

- (1) Sign a consent form as required by section 43.540 so the provider may request a criminal records review;

(2) Disclose the applicant's criminal history. 7. Any in-home services provider agency or home health agency shall be guilty of a class A misdemeanor if such agency knowingly employs a person to provide in-home services or home health services to any in-home services client or home health patient and such person either refuses to register with the family care safety registry or is listed on any of the background check lists in the family care safety registry pursuant to sections 210.900 to 210.937.

8. The highway patrol shall examine whether protocols can be developed to allow a provider to request a statewide fingerprint criminal records review check through local law enforcement agencies.

9. A provider may use a private investigatory agency rather than the highway patrol to do a criminal history records review check, and alternatively, the applicant pays the private investigatory agency such fees as the provider and such agency shall agree.

10. Except for the hiring restriction based on the department of health and senior services employee disqualification list established pursuant to section [660.315] **197.1036**, the department of health and senior services shall promulgate rules and regulations to waive the hiring restrictions pursuant to this section for good cause. For purposes of this section, "good cause" means the department has made a determination by examining the employee's prior work history and other relevant factors that such employee does not present a risk to the health or safety of residents.

(9) Any case in which the defendant is found guilty of a felony offense under chapter 571, the sentencing court may, upon its own motion or a motion of the prosecuting or circuit attorney, make a finding that the offender is ineligible to earn compliance credits because the nature and circumstances of the offense or the history and character of the offender indicate that a longer term of probation, parole, or conditional release is necessary for the protection of the public or the guidance of the offender. The motion may be made any time prior to the first month in which the person may earn compliance credits under this section. The offender's ability to earn credits shall be suspended until the court or board makes its finding. If the court or board finds that the offender is eligible for earned compliance credits, the credits shall begin to accrue on the first day of the next calendar month following the issuance of the decision.

3. Earned compliance credits shall reduce the term of probation, parole, or conditional release by thirty days for each full calendar month of compliance with the terms of supervision. Credits shall begin to accrue for eligible offenders after the first full calendar month of supervision or on October 1, 2012, if the offender began a term of probation, parole, or conditional release before September 1, 2012.

4. For the purposes of this section, the term "compliance" shall mean the absence of an initial violation report submitted by a probation or parole officer during a calendar month, or a motion to revoke or motion to suspend filed by a prosecuting or circuit attorney, against the offender.

5. Credits shall not accrue during any calendar month in which a violation report has been submitted or a motion to revoke or motion to suspend has been filed, and shall be suspended pending the outcome of a hearing, if a hearing is held. If no hearing is held or the court or board finds that the violation did not occur, then the offender shall be deemed to be in compliance and shall begin earning credits on the first day of the next calendar month following the month in which the report was submitted or the motion was filed. All earned credits shall be rescinded if the court or board revokes the probation or parole or the court places the offender in a department program under subsection 4 of section 559.036. Earned credits shall continue to be suspended for a period of time during which the court or board has suspended the term of probation, parole, or release, and shall begin to accrue on the first day of the next calendar month following the lifting of the suspension.

6. Offenders who are deemed by the division to be absconders shall not earn credits. For purposes of this subsection, "absconder" shall mean an offender under supervision who has left such offender's place of residency without the permission of the offender's supervising officer for the purpose of avoiding supervision. An offender shall no longer be deemed an absconder when such offender is available for active supervision.

7. Notwithstanding subsection 2 of section 217.730 to the contrary, once the combination of time served in custody, if applicable, time served on probation, parole, or conditional release, and earned compliance credits satisfy the total term of probation, parole, or conditional release, the board or sentencing court shall order final discharge of the offender, so long as the offender has completed at least two years of his or her probation or parole, which shall include any time served in custody under section 217.718 and sections 559.036 and 559.115.

8. The award or rescission of any credits earned under this section shall not be subject to appeal or any motion for postconviction relief.

9. At least twice a year, the division shall calculate the number of months the offender has remaining on his or her term of probation, parole, or conditional release, taking into consideration any earned compliance credits, and notify the offender of the length of the remaining term.

10. No less than sixty days before the date of final discharge, the division shall notify the sentencing court, the board, and, for probation cases, the circuit or prosecuting attorney of the impending discharge. If the sentencing court, the board, or the circuit or prosecuting attorney upon receiving such notice does not take any action under subsection 5 of this section, the offender shall be discharged under subsection 7 of this section.

3. Subsection 1 of this section applies to offenders who have been granted probation, and to offenders who have been released on parole, conditional release, or upon serving their full sentence without early release. Supervision of an offender who was released after serving his or her full sentence will be considered as supervision on parole.

4. A mandatory condition of lifetime supervision of an offender under this section is that the offender be electronically monitored. Electronic monitoring shall be based on a global positioning system or other technology that identifies and records the offender's location at all times.

5. In appropriate cases as determined by a risk assessment, the board may terminate the supervision of an offender who is being supervised under this section when the offender is sixty-five years of age or older.

Persons required to attend a program pursuant to this

section may be charged a reasonable fee to cover the costs of the program. Failure of an offender to complete successfully the noninstitutional phase of the program shall be sufficient cause for the offender to be remanded to the sentencing court for assignment to the institutional phase of the program or any other authorized disposition.

4. A probationer shall be eligible for assignment to the institutional phase of the postconviction drug treatment program if he has failed to complete successfully the noninstitutional phase of the program. If space is available, the sentencing court may assign the offender to the institutional phase of the program as a special condition of probation, without the necessity of formal revocation of probation.

5. The availability of space in the institutional program shall be determined by the department of corrections. If the sentencing court is advised that there is no space available, then the court shall consider other authorized dispositions.

6. Any time after ninety days and prior to one hundred twenty days after assignment of the offender to the institutional phase of the program, the department shall submit to the court a report outlining the performance of the offender in the program. If the department determines that the offender will not participate or has failed to complete the program, the department shall advise the sentencing court, who shall cause the offender to be brought before the court for consideration of revocation of the probation or other authorized disposition. If the offender successfully completes the program, the department shall release the individual to the appropriate probation and parole district office and so advise the court.

A judge may, in his or her discretion, credit any such period of electronic monitoring against any period of confinement or incarceration ordered, however, electronic monitoring shall not be considered to be in custody or incarceration for purposes of eligibility for the MO HealthNet program, nor shall it be considered confinement in a correctional center or private or county jail for purposes of determining responsibility for the individual's health care.

3. This section shall not authorize a court to place an individual on electronic monitoring in lieu of the required imprisonment, community service, or court-ordered treatment program involving community service, if that individual is a prior, persistent, aggravated, [or] chronic, **or habitual** offender sentenced pursuant to section [577.023] **577.001 or section 577.023 as it existed prior to January 1, 2017.**

If the person fails to maintain such proof with the director, the license shall be suspended for the remainder of the six-month period

The director shall notify by ordinary mail any operator of the point value charged against the operator's record when the record shows four or more points have been accumulated in a twelve-month period.

2. In an action to suspend or revoke a license or driving privilege under this section points shall be accumulated on the date of conviction. No case file of any conviction for a driving violation for which points may be assessed pursuant to section 302.302 may be closed until such time as a copy of the record of such conviction is forwarded to the department of revenue.

3. The director shall suspend the license and driving privileges of any person whose driving record shows the driver has accumulated eight points in eighteen months.

4. The license and driving privilege of any person whose license and driving privilege have been suspended under the provisions of sections 302.010 to 302.540 except those persons whose license and driving privilege have been suspended under the provisions of subdivision (8) of subsection 1 of section 302.302 or has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section 302.302 and who has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible, shall be reinstated as follows:

- (3) In the case of the third and subsequent suspensions, ninety days after the effective date of the suspension.

Unless proof of financial responsibility is filed with the department of revenue, a suspension shall continue in effect for two years from its effective date.

5. The period of suspension of the driver's license and driving privilege of any person under the provisions of subdivision (8) of subsection 1 of section 302.302 or who has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section

Upon completion of such period of restricted driving privilege, upon compliance with other requirements of law and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. If a person, otherwise subject to the provisions of this subsection, files proof of installation with the department of revenue that any vehicle operated by such person is equipped with a functioning, certified ignition interlock device, there shall be no period of suspension. However, in lieu of a suspension the person shall instead complete a ninety-day period of restricted driving privilege. If the person fails to maintain such proof of the device with the director of revenue as required, the restricted driving privilege shall be terminated. Upon completion of such ninety-day period of restricted driving privilege, upon compliance with other requirements of law, and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. However, if the monthly monitoring reports during such ninety-day period indicate that the ignition interlock device has registered a confirmed blood alcohol concentration level above the alcohol setpoint established by the department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional thirty-day period of restricted driving privilege.

6. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, or, if applicable, if the person fails to maintain proof that any vehicle operated is equipped with a functioning, certified ignition interlock device installed pursuant to subsection 5 of this section, the person's driving privilege and license shall be resuspended.

7. The revocation period of any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 and who has filed proof of financial responsibility with the department of revenue in accordance with chapter 303 and is otherwise eligible, shall be terminated by a notice from the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, except as provided in subsection 2 of section 302.541, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, the person's license and driving privilege shall be rerevoked. Any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 shall, upon receipt of the notice of termination of the revocation from the director, pass the complete driver examination and apply for a new license before again operating a motor vehicle upon the highways of this state.

8. If, prior to conviction for an offense that would require suspension or revocation of a person's license under the provisions of this section, the person's total points accumulated are reduced, pursuant to the provisions of section 302.306, below the number of points required for suspension or revocation pursuant to the provisions of this section, then the person's license shall not be suspended or revoked until the necessary points are again obtained and accumulated.

9. If any person shall neglect or refuse to surrender the person's license, as provided herein, the director shall direct the state highway patrol or any peace or police officer to secure possession thereof and return it to the director.

10. Upon the issuance of a reinstatement or termination notice after a suspension or revocation of any person's license and driving privilege under the provisions of sections 302.010 to 302.540, the accumulated point value shall be reduced to four points, except that the points of any person serving as a member of the Armed Forces of the United States outside the limits of the United States during a period of suspension or revocation shall be reduced to zero upon the date of the reinstatement or termination of notice. It shall be the responsibility of such

member of the Armed Forces to submit copies of official orders to the director of revenue to substantiate such overseas service. Any other provision of sections 302.010 to 302.540 to the contrary notwithstanding, the effective date of the four points remaining on the record upon reinstatement or termination shall be the date of the reinstatement or termination notice.

11. No credit toward reduction of points shall be given during periods of suspension or revocation or any period of driving under a limited driving privilege granted by a court or the director of revenue.

12. Any person or nonresident whose license or privilege to operate a motor vehicle in this state has been suspended or revoked under this or any other law shall, before having the license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee of twenty dollars which shall be in addition to all other fees provided by law.

13. Notwithstanding any other provision of law to the contrary, if after two years from the effective date of any suspension or revocation issued under this chapter, **except any suspension or revocation issued under section 302.410, 302.462, or 302.574**, the person or nonresident has not paid the reinstatement fee of twenty dollars, the director shall reinstate such license or privilege to operate a motor vehicle in this state. **Any person who has had his or her license suspended or revoked under section 302.410, 302.462, or 302.574, shall be required to pay the reinstatement fee.**

14. No person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (8), (9) or (10) of subsection 1 of section 302.302 shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, or a program determined to be comparable by the department of mental health. Assignment recommendations, based upon the needs assessment as described in subdivision (24) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section [577.023] **577.001** or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

15. The fees for the program authorized in subsection 14 of this section, or a portion thereof to be determined by the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee in an amount to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010 [and section 577.001] or a program determined to be comparable by the department of mental health. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due the division

of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rate established pursuant to the provisions of section 32.065, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053.

16. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

17. Any person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a conviction for an intoxication-related traffic offense as defined under section [577.023] **577.001**, and who has a prior alcohol-related enforcement contact as defined under section 302.525, shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement of the license. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months. If the person fails to maintain such proof with the director, the license shall be resuspended or revoked and the person shall be guilty of a class A misdemeanor.

However, if the monthly monitoring reports during such seventy-five day period indicate that the ignition interlock device has registered a blood alcohol concentration level above the alcohol setpoint established by the department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional seventy-five day period of restricted driving privilege without any such violations.

6. 8. If, prior to conviction for an offense that would require suspension or revocation of a person's license under the provisions of this section, the person's total points accumulated are reduced, pursuant to the provisions of section 302.306, below the number of points required for suspension or revocation pursuant to the provisions of this section, then the person's license shall not be suspended or revoked until the necessary points are again obtained and accumulated.

9. If any person shall neglect or refuse to surrender the person's license, as provided herein, the director shall direct the state highway patrol or any peace or police officer to secure possession thereof and return it to the director.

It shall be the responsibility of such member of the Armed Forces to submit copies of official orders to the director of revenue to substantiate such overseas service. Any other provision of sections 302.010 to 302.540 to the contrary notwithstanding, the effective date of the four points remaining on the record upon reinstatement or termination shall be the date of the reinstatement or termination notice.

11. No credit toward reduction of points shall be given during periods of suspension or revocation or any period of driving under a limited driving privilege granted by a court or the director of revenue.

12. Any person or nonresident whose license or privilege to operate a motor vehicle in this state has been suspended or revoked under this or any other law shall, before having the license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee of twenty dollars which shall be in addition to all other fees provided by law.

13. Notwithstanding any other provision of law to the contrary, if after two years from the effective date of any suspension or revocation issued under this chapter, the person or nonresident has not paid the reinstatement fee of twenty dollars, the director shall reinstate such license or privilege to operate a motor vehicle in this state.

14. No person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (8), (9) or (10) of subsection 1 of section 302.302 shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, or a program determined to be comparable by the department of mental health. Assignment recommendations, based upon the needs assessment as described in subdivision (22) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the

motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.023 or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

15. The fees for the program authorized in subsection 14 of this section, or a portion thereof to be determined by the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee in an amount to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010 and section 577.001 or a program determined to be comparable by the department of mental health. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rate established pursuant to the provisions of section 32.065, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053.

16. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

17. Any person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (9) of subsection 1 of section 302.302 shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement of the license. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months. If the person fails to maintain such proof with the director, the license shall be resuspended or revoked and the person shall be guilty of a class A misdemeanor.]

302.309. RETURN OF LICENSE, WHEN — LIMITED DRIVING PRIVILEGE, WHEN GRANTED, APPLICATION, WHEN DENIED — JUDICIAL REVIEW OF DENIAL BY DIRECTOR OF REVENUE — RULEMAKING. — 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts, the director of revenue, or a commissioner operating under section 478.007 shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges, except as provided under subdivision (8) of this subsection. Any application may be made in writing to the director of revenue and the person's reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

- (a) A business, occupation, or employment;
- (b) Seeking medical treatment for such operator;
- (c) Attending school or other institution of higher education;
- (d) Attending alcohol or drug treatment programs;
- (e) Seeking the required services of a certified ignition interlock device provider; or
- (f) Any other circumstance the court or director finds would create an undue hardship on the operator,

the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator's principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant's driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with chapter 303 for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303 for that vehicle.

(4) No limited driving privilege shall be issued to any person otherwise eligible under the provisions of paragraph (a) of subdivision (6) of this subsection on a license revocation resulting from a conviction under subdivision (9) of subsection 1 of section 302.302, or a license denial under paragraph (a) or (b) of subdivision (8) of this subsection, or a license revocation under paragraph (g) of subdivision (6) of this subsection, until the applicant has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of limited driving privilege. The ignition interlock device required for obtaining a limited driving privilege under paragraph (a) or (b) of subdivision (8) of this subsection shall have a photo identification technology [and global positioning system features] **feature, and a court may require a global positioning system feature for such device.**

(5) The court order or the director's grant of the limited or restricted driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. The court order or the director's grant of the limited or restricted driving privilege shall also indicate whether a functioning, certified ignition interlock device is required as a condition of operating a motor vehicle with the limited driving privilege. A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. Failure of the driver to maintain proof of financial responsibility, as required by chapter 303, or to maintain proof of installation of a functioning, certified ignition interlock device, as applicable, shall terminate the privilege. The director shall notify by ordinary mail the driver whose privilege is so terminated.

(6) Except as provided in subdivision (8) of this subsection, no person is eligible to receive a limited driving privilege whose license at the time of application has been suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) or (11) of subsection 1 of section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, or having left the scene of an accident as provided in section 577.060;

(e) Due to a revocation for failure to submit to a chemical test pursuant to section [577.041] **302.574** or due to a refusal to submit to a chemical test in any other state, unless such person has completed the first ninety days of such revocation and files proof of installation with the department of revenue that any vehicle operated by such person is equipped with a functioning, certified ignition interlock device, provided the person is not otherwise ineligible for a limited driving privilege;

(f) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not completed the first thirty days of such suspension, provided the person is not otherwise ineligible for a limited driving privilege; or

(g) Due to a revocation pursuant to subsection 2 of section 302.525 if such person has not completed the first forty-five days of such revocation, provided the person is not otherwise ineligible for a limited driving privilege.

(7) No person who possesses a commercial driver's license shall receive a limited driving privilege issued for the purpose of operating a commercial motor vehicle if such person's driving privilege is suspended, revoked, cancelled, denied, or disqualified. Nothing in this section shall prohibit the issuance of a limited driving privilege for the purpose of operating a noncommercial motor vehicle provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege.

(8) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the

manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of subsection 1 of section 302.060, to apply for a limited driving privilege pursuant to this subsection. Such person shall present evidence satisfactory to the court or the director that such person's habits and conduct show that the person no longer poses a threat to the public safety of this state. A circuit court shall grant a limited driving privilege to any individual who otherwise is eligible to receive a limited driving privilege, has filed proof of installation of a certified ignition interlock device, and has had no alcohol-related enforcement contacts since the alcohol-related enforcement contact that resulted in the person's license denial.

(b) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege or convicted of [involuntary manslaughter while operating a motor vehicle in an intoxicated condition] **acting with criminal negligence while driving while intoxicated to cause the death of another person**, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of five years because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of subsection 1 of section 302.060, to apply for a limited driving privilege pursuant to this subsection. Such person shall present evidence satisfactory to the court or the director that such person's habits and conduct show that the person no longer poses a threat to the public safety of this state. Any person who is denied a license permanently in this state because of an alcohol-related conviction subsequent to a restoration of such person's driving privileges pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege pursuant to the provisions of this subdivision. A circuit court shall grant a limited driving privilege to any individual who otherwise is eligible to receive a limited driving privilege, has filed proof of installation of a certified ignition interlock device, and has had no alcohol-related enforcement contacts since the alcohol-related enforcement contact that resulted in the person's license denial.

(9) A DWI docket or court established under section 478.007 may grant a limited driving privilege to a participant in or graduate of the program who would otherwise be ineligible for such privilege under another provision of law. The DWI docket or court shall not grant a limited driving privilege to a participant during his or her initial forty-five days of participation.

4. Any person who has received notice of denial of a request of limited driving privilege by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

license or driving privilege has been cancelled, suspended, or revoked under the laws of this state or any other state and acts with criminal negligence with respect to knowledge of the fact that such person's driving privilege has been cancelled, suspended, or revoked.

2. Any person convicted of driving while revoked is guilty of a misdemeanor. A first violation of this section shall be punishable [by a fine not to exceed three hundred dollars] **as a class D misdemeanor**. A second or third violation of this section shall be punishable [by imprisonment in the county jail for a term not to exceed one year and/or a fine not to exceed one thousand dollars] **as a class A misdemeanor**. Any person with no prior alcohol-related enforcement contacts as defined in section 302.525, convicted a fourth or subsequent time of driving while revoked or a county or municipal ordinance of driving while suspended or revoked where the defendant was represented by or waived the right to an attorney in writing, and where the prior three driving-while-revoked offenses occurred within ten years of the date of occurrence of the present offense; and any person with a prior alcohol-related enforcement contact as defined in section 302.525, convicted a third or subsequent time of driving while revoked or a county or municipal ordinance of driving while suspended or revoked where the defendant was represented by or waived the right to an attorney in writing, and where the prior two driving-while-revoked offenses occurred within ten years of the date of occurrence of the present offense and where the person received and served a sentence of ten days or more on such previous offenses is guilty of a class [D] **E felony**. Except upon conviction as a first offense, no court shall suspend the imposition of sentence as to such a person nor sentence such person to pay a fine in lieu of a term of imprisonment, nor shall such person be eligible for parole or probation until such person has served a minimum of forty-eight consecutive hours of imprisonment, unless as a condition of such parole or probation, such person performs at least ten days involving at least forty hours of community service under the supervision of the court in those jurisdictions which have a recognized program for community service. Driving while revoked is a class [D] **E felony** on the second or subsequent conviction pursuant to section 577.010 or a fourth or subsequent conviction for any other offense. Prior pleas of guilty and prior findings of guilty shall be pleaded and proven in the same manner as required by section 558.021.

The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section [577.023] **577.001** or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. 302.574. TEMPORARY PERMIT ISSUED BY OFFICER, WHEN — REPORT REQUIRED, CONTENTS — REVOCATION OF LICENSE, PROCEDURE — REINSTATEMENT, WHEN — FEES — PROOF OF INTERLOCK DEVICE, WHEN — VIOLATIONS, PENALTY. — 1. If a person who was operating a vehicle refuses upon the request of the officer to submit to any chemical test under section 577.041, the officer shall, on behalf of the director of revenue, serve the notice of license revocation personally upon the person and shall take possession of any license to operate a vehicle issued by this state which is held by that person. The officer shall issue a temporary permit, on behalf of the director of revenue, which is valid for fifteen days and shall also give the person notice of his or her right to file a petition for review to contest the license revocation.

2. Such officer shall make a certified report under penalties of perjury for making a false statement to a public official. The report shall be forwarded to the director of revenue and shall include the following:

- (1) That the officer has:
 - (a) Reasonable grounds to believe that the arrested person was driving a motor vehicle while in an intoxicated condition; or
 - (b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or
 - (c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer has reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater;
- (2) That the person refused to submit to a chemical test;
- (3) Whether the officer secured the license to operate a motor vehicle of the person;
- (4) Whether the officer issued a fifteen-day temporary permit;
- (5) Copies of the notice of revocation, the fifteen-day temporary permit, and the notice of the right to file a petition for review. The notices and permit may be combined in one document; and
- (6) Any license, which the officer has taken into possession, to operate a motor vehicle.

3. Upon receipt of the officer's report, the director shall revoke the license of the person refusing to take the test for a period of one year; or if the person is a nonresident,

such person's operating permit or privilege shall be revoked for one year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, an order shall be issued denying the person the issuance of a license or permit for a period of one year.

4. If a person's license has been revoked because of the person's refusal to submit to a chemical test, such person may petition for a hearing before a circuit division or associate division of the court in the county in which the arrest or stop occurred. The person may request such court to issue an order staying the revocation until such time as the petition for review can be heard. If the court, in its discretion, grants such stay, it shall enter the order upon a form prescribed by the director of revenue and shall send a copy of such order to the director. Such order shall serve as proof of the privilege to operate a motor vehicle in this state and the director shall maintain possession of the person's license to operate a motor vehicle until termination of any revocation under this section. Upon the person's request, the clerk of the court shall notify the prosecuting attorney of the county and the prosecutor shall appear at the hearing on behalf of the director of revenue. At the hearing, the court shall determine only:

- (1) Whether the person was arrested or stopped;
- (2) Whether the officer had:
 - (a) Reasonable grounds to believe that the person was driving a motor vehicle while in an intoxicated or drugged condition; or
 - (b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or
 - (c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer had reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater; and
- (3) Whether the person refused to submit to the test.

5. If the court determines any issue not to be in the affirmative, the court shall order the director to reinstate the license or permit to drive.

6. Requests for review as provided in this section shall go to the head of the docket of the court wherein filed.

7. No person who has had a license to operate a motor vehicle suspended or revoked under the provisions of this section shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, or a program determined to be comparable by the department of mental health. Assignment recommendations, based upon the needs assessment as described in subdivision (24) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion under the provisions of chapter 517. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a similar offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section

577.001, or of a person determined to have operated a motor vehicle with a blood alcohol content of fifteen-hundredths of one percent or more by weight. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted under this subsection shall not be necessary unless directed by the court.
