ATTESTATION

STATE OF MISSOURI

City of Jefferson

I, Russ Hembree, Revisor of Statutes, hereby certify that I have collated carefully the laws and resolutions passed by the Ninety-ninth General Assembly of the State of Missouri, convened in second regular session and first extraordinary session (2018), as they are contained in the following pages, and have compared them with the original rolls and have corrected them thereby. Headnotes are used for the convenience of the reader and are not part of the laws they precede.

IN TESTIMONY WHEREOF, I have hereunto set my hand at my office in the City of Jefferson this twenty-ninth day of October A.D. two thousand eighteen.

RUS HEMBREE
REVISOR OF STATUTES

EFFECTIVE DATE OF LAWS

All laws having emergency clauses (and appropriation bills) become effective upon signature by the governor. Bills having a specific effective date contained in the text of the act become effective on that date. This date is shown immediately following the section. All other laws become effective in accordance with the provisions of the Constitution of Missouri.

Section 29, Article III of the Constitution provides:

“No law passed by the general assembly, except an appropriation act, shall take effect until ninety days after the adjournment of the session in either odd-numbered or even-numbered years at which it was enacted. However, in case of an emergency, which must be expressed in the preamble or in the body of the act, the general assembly by a two-thirds vote of the members elected to each house, taken by yeas and nays may otherwise direct; and further except that, if the general assembly recesses for thirty days or more it may prescribe by joint resolution that laws previously passed and not effective shall take effect ninety days from the beginning of the recess.”

Pursuant to Section 20(a), Article III, Constitution of Missouri, as amended in 1988, the regular session of the general assembly ends on May 30th and laws passed at that session become effective August 28th of that year.

Section 21.250, which provides for the effective date of bills reconsidered after the governor’s veto, was amended by the General Assembly in 2003 to add the following language:

“Unless the bill provides otherwise, it shall become effective thirty days after approval by constitutional majorities in both houses of the general assembly.”.

The Ninety-ninth General Assembly, Second Regular Session, convened Wednesday, January 3, 2018, and adjourned Wednesday, May 30, 2018. All laws passed by it (other than appropriation acts, those having emergency clauses or different effective dates) became effective ninety days thereafter on August 28, 2018.

JOINT RESOLUTIONS AND INITIATIVE PETITIONS

Section 2(b), Article XII of the Constitution provides:

“All amendments proposed by the general assembly or by the initiative shall be submitted to the electors for their approval or rejection by official ballot title as may be provided by law, on a separate ballot without party designation, at the next general election, or at a special election called by the governor prior thereto, at which he may submit any of the amendments. No such proposed amendment shall contain more than one amended and revised article of this constitution, or one new article which shall not contain more than one subject and matters properly connected therewith. If possible, each proposed amendment shall be published once a week for two consecutive weeks in two newspapers of different political faith in each county, the last publication to be not more than thirty nor less than fifteen days next preceding the election. If there be but one newspaper in any county, publication for four consecutive weeks shall be made. If a majority of the votes cast thereon is in favor of any amendment, the same shall take effect at the end of thirty days after the election. More than one amendment at the same election shall be so submitted as to enable the electors to vote on each amendment separately.”

The Ninety-ninth General Assembly (Second Regular Session and First Extraordinary Session (2018)) passed one Joint Resolution. Resolutions are to be published as provided in Section 116.340, RSMo 2016, which reads:

“116.340. Publication of approved measures. — When a statewide ballot measure is approved by the voters, the secretary of state* shall publish it with the laws enacted by the following session of the general assembly, and the revisor of statutes shall include it in the next edition or supplement of the revised statutes of Missouri. Each of the measures printed above shall include the date of the proclamation or statement of approval under section 116.330.”

*The publication of session laws was delegated to the Joint Committee on Legislative Research in 1997 by Senate Bill 459, section 2.040.

The headnotes used to describe sections printed in this volume may not be identical with the headnotes which appear in the 2018 Revised Statutes of Missouri. Every attempt has been made to develop headnotes which adequately describe the textual material contained in the section.

2. The court may modify or terminate a trust or remove the trustee and appoint a different trustee if it determines that the value of the trust property is insufficient to justify the cost of administration.

3. Upon termination of a trust under this section, the trustee shall distribute the trust property in a manner consistent with the purposes of the trust.

4. This section does not apply to an easement for conservation or preservation.

456.8-808. POWERS TO DIRECT — TRUST PROTECTOR, POWERS, LIMITATIONS. — 1. While a trust is revocable, the trustee may follow a direction of the settlor that is contrary to the terms of the trust.

2. A trust instrument may provide for the appointment of a trust protector. For purposes of this section, a “trust protector”, whether referred to in the trust instrument by that name or by some other name, is a person, other than the settlor, a trustee, or a beneficiary, who is expressly granted in the trust instrument one or more powers over the trust one or more persons, not then serving as a trustee and not the settlor or a beneficiary, to be given any powers over the trust as expressly granted in the trust instrument. Any such person may be identified and appointed as a trust protector or similar term. Whenever a trust instrument names, appoints, authorizes, or otherwise designates a trust protector, the trust shall be deemed a directed trust.

3. A trust protector appointed in the trust instrument shall have only the powers granted to the trust protector by the express terms of the trust instrument, and a trust protector is only authorized to act within the scope of the authority expressly granted in the trust instrument. Without limiting the authority of the settlor to grant powers to a trust protector, the express powers that may be granted include, but are not limited to, the following:

1) Remove and appoint a trustee or a trust protector or name a successor trustee or trust protector;

2) Modify or amend the trust instrument to:
   a) Achieve favorable tax status or respond to changes in the Internal Revenue Code or state law, or the rulings and regulations under such code or law;
   b) Reflect legal changes that affect trust administration;
   c) Correct errors or ambiguities that might otherwise require court construction; or
   d) Correct a drafting error that defeats a grantor's intent;

3) Increase, decrease, modify, or restrict the interests of the beneficiary or beneficiaries of the trust;

4) Terminate the trust in favor of the beneficiary or beneficiaries of the trust;

5) Change the applicable law governing the trust and the trust situs; or

6) Such other powers as are expressly granted to the trust protector in the trust instrument.

4. Notwithstanding any provision in the trust instrument to the contrary, a trust protector shall have no power to modify a trust to:

1) Remove a requirement from a trust created to meet the requirements of 42 U.S.C. Section 1396p(d)(4) to pay back a governmental entity for benefits provided to the permissible beneficiary of the trust at the death of that beneficiary; or

2) Reduce or eliminate an income interest of the income beneficiary of any of the following types of trusts:

EXPLANATION—Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law. Matter in bold-face type is proposed language.
(a) A trust for which a marital deduction has been taken for federal tax purposes under Section 2056 or 2523 of the Internal Revenue Code or for state tax purposes under any comparable provision of applicable state law, during the life of the settlor's spouse;

(b) A charitable remainder trust under Section 664 of the Internal Revenue Code, during the life of the noncharitable beneficiary;

(c) A grantor retained annuity trust under Section 2702 of the Internal Revenue Code, during any period in which the settlor is a beneficiary; or

(d) A trust for which an election as a qualified Sub-Chapter S Trust under Section 1361(d) of the Internal Revenue Code is currently in place.

5. Except to the extent otherwise provided in a trust instrument specifically referring to this subsection, the trust protector shall not exercise a power in a way that would result in a taxable gift for federal gift tax purposes or cause the inclusion of any assets of the trust in the trust protector's gross estate for federal estate tax purposes.

6. Except to the extent otherwise provided in the trust instrument and in subsection 7 of this section, and notwithstanding any provision of sections 456.1-101 to 456.11-1106 to the contrary:

(1) A trust protector shall act in a fiduciary capacity in carrying out the powers granted to the trust protector in the trust instrument, and shall have such duties to the beneficiaries, the settlor, or the trust as set forth in the trust instrument, provided that the trust instrument may provide that the trust protector shall act in a nonfiduciary capacity. A trust protector is not a trustee, and is not liable or accountable as a trustee when performing or declining to perform the express powers given to the trust protector in the trust instrument. A trust protector is not liable for the acts or omissions of any fiduciary or beneficiary under the trust instrument;

(2) A trust protector is exonerated from any and all liability for the trust protector's acts or omissions, or arising from any exercise or nonexercise of the powers expressly conferred on the trust protector in the trust instrument, unless it is established by a preponderance of the evidence that the acts or omissions of the trust protector were done or omitted in breach of the trust protector's duty, in bad faith or with reckless indifference;

(3) A trust protector is authorized to exercise the express powers granted in the trust instrument at any time and from time to time after the trust protector acquires knowledge of their appointment as trust protector and of the powers granted. The trust protector may take any action, judicial or otherwise, necessary to carry out the duties given to the trust protector in the trust instrument;

(4) A trust protector is entitled to receive, from the assets of the trust for which the trust protector is acting, reasonable compensation, and reimbursement of the reasonable costs and expenses incurred, in determining whether to carry out, and in carrying out, the express powers given to the trust protector in the trust instrument;

(5) A trust protector is entitled to receive, from the assets of the trust for which the trust protector is acting, reimbursement of the reasonable costs and expenses, including attorney's fees, of defending any claim made against the trust protector arising from the acts or omissions of the trust protector acting in that capacity unless it is established by clear and convincing evidence that the trust protector was acting in bad faith or with reckless indifference; and

(6) The express powers granted in the trust instrument shall not be exercised by the trust protector for the trust protector's own personal benefit.

7. If a trust protector is granted a power in the trust instrument to direct, consent to, or disapprove a trustee's actual or proposed investment decision, distribution decision, or other decision of the trustee required to be performed under applicable trust law in carrying out the duties of the trustee in administering the trust, then only with respect to such power, excluding the powers
identified in subsection 3 of this section, the trust protector shall have the same duties and liabilities as if serving as a trustee under the trust instrument unless the trust instrument expressly provides otherwise. In carrying out any written directions given to the trustee by the trust protector concerning actual or proposed investment decisions, the trustee shall not be subject to the provisions of sections 469.900 to 469.913. For purposes of this subsection, "investment decisions" means, with respect to any investment, decisions to retain, purchase, sell, exchange, tender, or otherwise engage in transactions affecting the ownership of investments or rights therein and, with respect to nonpublicly traded investments, the valuation thereof.

8. Any trustee of a directed trust shall not be accountable under the law or equity for any act or omission of a trust protector and shall stand absolved from liability for executing the decisions or instructions from a trust protector or for monitoring the actions or inactions of a trust protector. A trustee shall take reasonable steps to facilitate the activity of a trust protector in a directed trust. A trustee shall carry out the written directions given to the trustee by a trust protector acting within the scope of the powers expressly granted to the trust protector in the trust instrument. Except in cases of bad faith or reckless indifference on the part of the trustee, or as otherwise provided in the trust instrument, the trustee shall not be liable for any loss resulting directly or indirectly from any act taken or omitted as a result of the written direction of the trust protector or the failure of the trust protector to provide consent. Except as otherwise provided in the trust instrument, the trustee shall have no duty to monitor the conduct of the trust protector, provide advice to or consult with the trust protector, or communicate with or warn or apprise any beneficiary concerning instances in which the trustee would or might have exercised the trustee's own discretion in a manner different from the manner directed by the trust protector. Except as otherwise provided in the trust instrument, any actions taken by the trustee at the trust protector's direction shall be deemed to be administrative actions taken by the trustee solely to allow the trustee to carry out the instructions of the trust protector and shall not be deemed to constitute an act by the trustee to monitor the trust protector or otherwise participate in actions within the scope of the trust protector's authority. Whenever a directed trust reserves to a person or vests in an advisory or investment committee authority to direct the making or retention of any investment, to the exclusion of the trustee or trustees, the excluded trustee or trustees shall not be liable, individually or as a trustee, for any loss resulting from the making or retention of any investment pursuant to such direction.

9. Except to the extent otherwise expressly provided in the trust instrument, the trust protector shall be entitled to receive information regarding the administration of the trust as follows:

(1) Upon the request of the trust protector, unless unreasonable under the circumstances, the trustee shall promptly provide to the trust protector any and all information related to the trust that may relate to the exercise or nonexercise of a power expressly granted to the trust protector in the trust instrument. The trustee has no obligation to provide any information to the trust protector except to the extent a trust protector requests information under this section;

(2) The request of the trust protector for information under this section shall be with respect to a single trust that is sufficiently identified to enable the trustee to locate the records of the trust; and

(3) If the trustee is bound by any confidentiality restrictions with respect to an asset of a trust, a trust protector who requests information under this section about such asset shall agree to be bound by the confidentiality restrictions that bind the trustee before receiving such information from the trustee.
10. A trust protector may resign by giving thirty days' written notice to the trustee and any successor trust protector. A successor trust protector, if any, shall have all the powers expressly granted in the trust instrument to the resigning trust protector unless such powers are expressly modified for the successor trust protector.

11. A trust protector of a trust having its principal place of administration in this state submits personally to the jurisdiction of the courts of this state during any period that the principal place of administration of the trust is located in this state and the trust protector is serving in such capacity. The trust instrument may also provide that a trust protector is subject to the personal jurisdiction of the courts of this state as a condition of appointment.

total amount of moneys collected [pursuant to] under subdivisions (1) and (2) of subsection 1 of this section subtracted from fifty-five thousand dollars, except under such circumstances where the annual average of funds collected under subsection 1 of this section during the previous three calendar years are insufficient to meet all obligations calculated in this subdivision. If the fund balance is greater than the annual average disbursement from the fund during the previous three years, up to thirty-three percent of the amount that exceeds the annual three-year average to meet the obligation may be used to meet the obligations. Should this amount be insufficient or unavailable to meet the shortfall, the director of the department of revenue shall set a new requisite amount to determine a qualified county under subdivision (1) of this subsection other than fifty-five thousand dollars, which reflects the revenue collected under subdivision (3) of subsection 1 of this section in addition to thirty-three percent of the excess fund balance.

4. For a period of one calendar year following the abolition of the townships or until the voters of the county have approved a tax levy for road and bridge purposes, whichever occurs first, the county collector shall continue to collect a property tax on a countywide basis in an amount equal to the tax levied by the township that had the lowest total tax rate in the county immediately prior to the abolishment of the townships. The continued collection of the tax shall be considered a continuation of an existing tax and shall not be considered a new tax levy.

87.135. MEMBERS SHALL FILE DETAILED ACCOUNT OF SERVICE — VERIFICATION OF SERVICE AND ISSUANCE OF SERVICE CERTIFICATE — COOPERATIVE AGREEMENTS, TRANSFER OF CREDITABLE SERVICE BETWEEN SYSTEMS. — 1. 2. The board of trustees shall fix and determine by proper rules and regulations how much service in any year is equivalent to one year of service, but in no case shall more than one year of service be creditable for all service in one calendar year, nor shall the board of trustees allow credit as service for any period of more than one month's duration during which the member was absent without pay.

3. Subject to the above restrictions and to such other rules and regulations as the board of trustees may adopt, the board of trustees shall verify the service claims as soon as practicable after the filing of the statement of service.

4. Upon verification of the statements of service the board of trustees shall issue prior service certificates, certifying to each member the length of prior service with which the member is credited on the basis of his or her statement of service. When any firefighter ceases to be a member his or her prior service certificate shall become void. Should he or she again become a member, he or she shall enter the retirement system as a member not entitled to prior service credit except as provided in section 87.215.

5. Creditable service at retirement on which the retirement allowance of a member shall be based shall consist of creditable membership service rendered by him or her, and also if the member has a prior service certificate which is in full force and effect, the amount of the service certified on the member's prior service certificate. Service rendered by a firefighter after the operative date and prior to becoming a member shall be included as creditable membership service provided the service was rendered since he or she last became a firefighter.

6. The retirement system, with the approval of the board of trustees, may enter into cooperative agreements to transfer creditable service between the retirement system and any other retirement plan established by the state of Missouri or any political subdivision or instrumentality of the state when a member who has been employed in a position covered by one plan is employed in a position covered by another plan. The transfer of creditable service shall be in accordance with the provisions of section 105.691 and the policies and procedures established by the board of trustees.

(1) May request that a local or state law enforcement agency or juvenile officer, subject to any
required federal authorization, immediately conduct a name-based criminal history record check
to include full orders of protection and outstanding warrants of each person over the age of
seventeen residing in the home by using the Missouri uniform law enforcement system (MULES)
and the National Crime Information Center to access the Interstate Identification Index maintained
by the Federal Bureau of Investigation; and

(2) Shall determine or, in the case of the juvenile court, shall request the division to determine
whether any person over the age of seventeen years residing in the home is listed on the child abuse

age of seventeen residing in the home and all children less than seventeen residing in the home
who the division has determined have been certified as an adult for the commission of a crime

such information. Any child placed in emergency placement in a private home shall be removed
immediately if any person residing in the home fails to provide fingerprints after being requested
to do so, unless the person refusing to provide fingerprints ceases to reside in the private home.

3. If the placement of a child is denied as a result of a name-based criminal history check and
the denial is contested, all persons over the age of seventeen residing in the home and all children
less than seventeen years of age residing in the home who the division has determined have been
certified as an adult for the commission of a crime shall, within fifteen calendar days, submit to the

by the state, including reimbursement of persons incurring fingerprinting costs under this section.

6. For the purposes of this section, "emergency placement" refers to those limited instances
when the juvenile court or children's division is placing a child in the home of private individuals,

The office of state courts administrator shall allow access to the automated court information system by the division. The clerk of each court contacted by the division shall provide the division information within ten days of a request; and

(2) Obtain three sets of fingerprints for any person over the age of seventeen in the applicant's household and for any child less than seventeen years of age residing in the applicant's home who the division has determined has been certified as an adult for the commission of a crime in the same manner set forth in subsection 2 of section 210.482. One set of fingerprints shall be used by the highway patrol to search the criminal history repository, one set shall be forwarded to the Federal Bureau of Investigation for searching the federal criminal history files, and one set shall be forwarded to and retained by the division. The highway patrol shall assist the division and provide the criminal fingerprint background information, upon request under section 43.540; and

(3) Determine whether any person over the age of seventeen residing in the home and any child less than seventeen years of age residing in the applicant's home who the division has determined has been certified as an adult for the commission of a crime is listed on the child abuse and neglect registry. For any children less than seventeen years of age residing in the applicant's home, the children's division shall inquire of the applicant whether any children less than seventeen years of age residing in the home have ever been certified as an adult and been convicted of or pled guilty or nolo contendere to any crime.

2. After the initial investigation is completed under subsection 1 of this section:

(1) No person who submits fingerprints under subsection 1 of this section or section 210.482 shall be required to submit additional fingerprints under this section or section 210.482 unless the original fingerprints retained by the division are lost or destroyed; and

If a remote state takes action, it shall promptly notify the home state and the commission.

6. A home state's EMS authority shall coordinate investigative activities, share information via the coordinated database, and take appropriate action with respect to reported conduct in a remote state as it would if such conduct had occurred within the home state. 7. Nothing in this compact shall override a member state's decision that participation in an alternative program may be used in lieu of adverse action and that such participation shall remain nonpublic if required by the member state's laws. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

(3) Nothing in this compact shall be construed to be a waiver of sovereign immunity.

2. Each member state shall have and be limited to one delegate. The responsible official of the state EMS authority or his or her designee shall be the delegate to this compact for each member state. Any delegate may be removed or suspended from office as provided by the law of the state from which the delegate is appointed. Any vacancy occurring in the commission shall be filled in accordance with the laws of the member state in which the vacancy exists. In the event that more than one board, office, or other agency with the legislative mandate to license EMS personnel at and above the level of EMT exists, the governor of the state shall determine which entity shall be responsible for assigning the delegate.

(1) Each delegate shall be entitled to one vote with regard to the promulgation of rules and creation of bylaws, and shall otherwise have an opportunity to participate in the business and affairs of the commission. A delegate shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for delegates' participation in meetings by telephone or other means of communication.

(2) The commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws.

(e) Accusing any person of a crime or formally censuring any person;
(f) Disclosure of trade secrets or commercial or financial information that is privileged or confidential;
(g) Disclosure of information of a personal nature if disclosure would constitute a clearly unwarranted invasion of personal privacy;

EXPLANATION—Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law. Matter in bold-face type is proposed language.
(h) Disclosure of investigatory records compiled for law enforcement purposes;

(i) Disclosure of information related to any investigatory reports prepared by or on behalf of or for use of the commission or other committee charged with responsibility of investigation or determination of compliance issues pursuant to the compact; or

(j) Matters specifically exempted from disclosure by federal or member state statute.

(5) If a meeting or portion of a meeting is closed under this section, the commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exempting provision. The commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken and the reasons therefor, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the commission or order of a court of competent jurisdiction.

3. The commission shall, by a majority vote of the delegates, prescribe bylaws and rules to govern its conduct as may be necessary or appropriate to carry out the purposes and exercise the powers of the compact including, but not limited to:

   (1) Establishing the fiscal year of the commission;

   (2) Providing reasonable standards and procedures:

      (a) For the establishment and meetings of other committees; and

      (b) Governing any general or specific delegation of any authority or function of the commission;

   (3) Providing reasonable procedures for calling and conducting meetings of the commission, ensuring reasonable advance notice of all meetings, and providing an opportunity for attendance of such meetings by interested parties, with enumerated exceptions designed to protect the public's interest, the privacy of individuals, and proprietary information, including trade secrets. The commission may meet in closed session only after a majority of the membership votes to close a meeting in whole or in part. As soon as practicable, the commission shall make public a copy of the vote to close the meeting revealing the vote of each member with no proxy votes allowed;

   (4) Establishing the titles, duties and authority, and reasonable procedures for the election of the officers of the commission;

   (5) Providing reasonable standards and procedures for the establishment of the personnel policies and programs of the commission. Notwithstanding any civil service or other similar laws of any member state, the bylaws shall exclusively govern the personnel policies and programs of the commission;

   (6) Promulgating a code of ethics to address permissible and prohibited activities of commission members and employees;

   (7) Providing a mechanism for winding up the operations of the commission and the equitable disposition of any surplus funds that may exist after the termination of the compact after the payment or reserving of all of its debts and obligations;

   (8) The commission shall publish its bylaws and file a copy thereof, and a copy of any amendment thereto, with the appropriate agency or officer in each of the member states, if any;

   (9) The commission shall maintain its financial records in accordance with the bylaws; and

   (10) The commission shall meet and take such actions as are consistent with the provisions of this compact and the bylaws.

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law. Matter in bold-face type is proposed language.
4. The commission shall have the following powers:
   (1) To promulgate uniform rules to facilitate and coordinate implementation and administration of this compact. The rules shall have the force and effect of law and shall be binding on all member states;
   (2) To bring and prosecute legal proceedings or actions in the name of the commission; provided that, the standing of any state EMS authority or other regulatory body responsible for EMS personnel licensure to sue or be sued under applicable law shall not be affected;
   (3) To purchase and maintain insurance and bonds;
   (4) To borrow, accept, or contract for services of personnel including, but not limited to, employees of a member state;
   (5) To hire employees, elect or appoint officers, fix compensation, define duties, grant such individuals appropriate authority to carry out the purposes of the compact, and to establish the commission's personnel policies and programs relating to conflicts of interest, qualifications of personnel, and other related personnel matters;
   (6) To accept any and all appropriate donations and grants of money, equipment, supplies, materials, and services, and to receive, utilize, and dispose of the same; provided that, at all times the commission shall strive to avoid any appearance of impropriety and conflict of interest;
   (7) To lease, purchase, accept appropriate gifts or donations of, or otherwise to own, hold, improve, or use any property, real, personal, or mixed; provided that, at all times the commission shall strive to avoid any appearance of impropriety;

   (2) The commission may accept any and all appropriate revenue sources, donations, and grants of money, equipment, supplies, materials, and services.
   (3) The commission may levy on and collect an annual assessment from each member state or impose fees on other parties to cover the cost of the operations and activities of the commission and its staff, which shall be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the commission, which shall promulgate a rule binding upon all member states.
   (4) The commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the commission pledge the credit of any of the member states, except by and with the authority of the member state.

EXPLANATION—Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law.
Matter in bold-face type is proposed language.
(5) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the commission.

6. (1) The members, officers, executive director, employees, and representatives of the commission shall be immune from suit and liability, either personally or in their official capacity, for any claim, damage to or loss of property, personal injury, or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that, nothing in this subdivision shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional, willful, or wanton misconduct of that person.

(2) The commission shall defend any member, officer, executive director, employee, or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that, nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional, willful, or wanton misconduct.

(3) The commission shall indemnify and hold harmless any member, officer, executive director, employee, or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that, the actual or alleged act, error, or omission did not result from the intentional, willful, or wanton misconduct of the person.

190.927. COORDINATED DATABASE. — 1. The commission shall provide for the development and maintenance of a coordinated database and reporting system containing licensure, adverse action, and significant investigatory information on all licensed individuals in member states.

2. Notwithstanding any other provision of state law to the contrary, a member state shall submit a uniform data set to the coordinated database on all individuals to whom this compact is applicable as required by the rules of the commission, including:
   (1) Identifying information;
   (2) Licensure data;
   (3) Significant investigatory information;
   (4) Adverse actions against an individual's license;

   (6) Nonconfidential information related to alternative program participation;
(7) Any denial of application for licensure and the reasons for such denial; and
(8) Other information that may facilitate the administration of this compact, as
determined by the rules of the commission.

3. The coordinated database administrator shall promptly notify all member states of
any adverse action taken against, or significant investigative information on, any individual
in a member state.

4. Member states contributing information to the coordinated database may designate
information that shall not be shared with the public without the express permission of the
contributing state.

5. Any information submitted to the coordinated database that is subsequently required
to be expunged by the laws of the member state contributing the information shall be
removed from the coordinated database.

190.930. RULEMAKING. — 1. The commission shall exercise its rulemaking powers
pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules and
amendments shall become binding as of the date specified in each rule or amendment.

2. If a majority of the legislatures of the member states rejects a rule by enactment of a
statute or resolution in the same manner used to adopt the compact, then such rule shall
have no further force and effect in any member state.

3. Rules or amendments to the rules shall be adopted at a regular or special meeting of
the commission.

4. Prior to promulgation and adoption of a final rule or rules by the commission, and at
least sixty days in advance of the meeting at which the rule or rules shall be considered and
voted upon, the commission shall file a notice of proposed rulemaking:
   (1) On the website of the commission; and
   (2) On the website of each member state's EMS authority or the publication in which
each state would otherwise publish proposed rules.

5. The notice of proposed rulemaking shall include:
   (1) The proposed time, date, and location of the meeting at which the rule shall be
considered and voted upon;
   (2) The text of the proposed rule or amendment and the reason for the proposed rule;
   (3) A request for comments on the proposed rule from any interested person; and
   (4) The manner in which interested parties may submit notice to the commission of their
intention to attend the public hearing and any written comments.

6. Prior to adoption of a proposed rule, the commission shall allow persons to submit
written data, facts, opinions, and arguments that shall be made available to the public.

7. The commission shall grant an opportunity for a public hearing before it adopts a
rule or amendment if a hearing is requested by:
   (1) At least twenty-five persons;
   (2) A governmental subdivision or agency; or
   (3) An association having at least twenty-five members.

8. If a hearing is held on the proposed rule or amendment, the commission shall publish
the place, time, and date of the scheduled public hearing.
   (1) All persons wishing to be heard at the hearing shall notify the executive director of
the commission or other designated member in writing of their desire to appear and testify
at the hearing not less than five business days before the scheduled date of the hearing.

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law.
Matter in bold-face type is proposed language.
(2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(3) No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subdivision shall not preclude the commission from making a transcript or recording of the hearing if it so chooses.

(4) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

9. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

10. The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

11. If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

12. Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing; provided that, the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be adopted immediately in order to:

1. Meet an imminent threat to public health, safety, or welfare;
2. Prevent a loss of commission or member state funds;
3. Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or
4. Protect public health and safety.

13. The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of thirty days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision shall take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

190.933. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT. — 1. The executive, legislative, and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.
2. All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceedings in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the commission.

3. The commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact, or promulgated rules.

4. If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

   (1) Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default, or any other action to be taken by the commission; and

   (2) Provide remedial training and specific technical assistance regarding the default.

5. If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

6. Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

7. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

8. The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact unless agreed upon in writing between the commission and the defaulting state.

9. The defaulting state may appeal the action of the commission by petitioning the United States District Court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

The board shall consider the appeal within thirty days of receipt of the appeal. The decision of the board shall be by majority vote of the board members and shall be final.

Victims having a right to attend parole hearings may testify either at the site where the board is conducting the videoconference or at the institution where the offender is located. 2. Before ordering the parole of any offender, the board shall conduct a validated risk and needs assessment and evaluate the case under the rules governing parole that are promulgated by the board. The guidelines and rules shall not allow for the waiver of a hearing if a victim requests a hearing. The appearance or presence may occur by means of a videoconference at the discretion of the board. A parole may be ordered only for the best interest of society when there is a reasonable probability, based on the risk assessment and indicators of release readiness, that the person can be supervised under parole supervision and successfully reintegrated into the community, not as an award of clemency; it shall not be considered a reduction of sentence or a pardon. An offender shall be placed on parole only when the board believes that he is able and

All fees collected shall be deposited in the inmate fund established in section 217.430. Fees collected may be used to pay the costs of contracted collections services. The fees collected may otherwise be used to provide community corrections and intervention services for offenders. Such services include substance abuse assessment and treatment, mental health assessment and treatment, electronic monitoring services, residential facilities services, and other offender community corrections or intervention services designated by the [board] division of probation and parole to assist offenders to successfully complete probation, parole, or conditional release. The board shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to sanctioning offenders and with respect to establishing, waiving, collecting, and using fees.

4. The board shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to the eligibility of offenders for parole, the conduct of parole hearings or conditions to be imposed upon paroled offenders. Whenever an order for parole is issued it shall recite the conditions of such parole.

5. 6. Any offender under a sentence for first degree murder who has been denied release on parole after a parole hearing shall not be eligible for another parole hearing until at least three years from the month of the parole denial; however, this subsection shall not prevent a release pursuant to subsection 4 of section 558.011.

7. A victim who has requested an opportunity to be heard shall receive notice that the board is conducting an assessment of the offender's risk and readiness for release and that the victim's input will be particularly helpful when it pertains to safety concerns and specific protective measures that may be beneficial to the victim should the offender be granted release.

[10] 10. The board may, at its discretion, require any offender seeking parole to meet certain conditions during the term of that parole so long as said conditions are not illegal or impossible for the offender to perform. These conditions may include an amount of restitution to the state for the cost of that offender's incarceration.

11. Special parole conditions shall be responsive to the assessed risk and needs of the offender or the need for extraordinary supervision, such as electronic monitoring. The board shall adopt rules to minimize the conditions placed on low risk cases, to frontload conditions upon release, and to require the modification and reduction of conditions based on the person's continuing stability in the community. Board rules shall permit parole conditions to be modified by parole officers with review and approval by supervisors.

[12] 12. Nothing contained in this section shall be construed to require the release of an offender on parole nor to reduce the sentence of an offender heretofore committed.

[13] 13. Beginning January 1, 2001, the board shall not order a parole unless the offender has obtained a high school diploma or its equivalent, or unless the board is satisfied that the offender, while committed to the custody of the department, has made an honest good-faith effort to obtain a high school diploma or its equivalent; provided that the director may waive this requirement by certifying in writing to the board that the offender has actively participated in mandatory education programs or is academically unable to obtain a high school diploma or its equivalent.

[14] 14. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

217.703. EARNED COMPLIANCE CREDITS AWARDED, WHEN.—1. The division of probation and parole shall award earned compliance credits to any offender who is:

   (1) Involuntary manslaughter in the second degree;
   (2) Assault in the second degree except under subdivision (2) of subsection 1 of section 565.052 or section 565.060 as it existed prior to January 1, 2017;

the sentencing court may, upon its own motion or a motion of the prosecuting or circuit attorney, make a finding that the offender is ineligible to earn compliance credits because the nature and circumstances of the offense or the history and character of the offender indicate that a longer term of probation, parole, or conditional release is necessary for the protection of the public or the guidance of the offender. The motion may be made any time prior to the first month in which the person may earn compliance credits under this section or at a hearing under subsection 5 of this section. The offender's ability to earn credits shall be suspended until the court or board makes its finding. If the court or board finds that the offender is eligible for earned compliance credits, the credits shall begin to accrue on the first day of the next calendar month following the issuance of the decision.

3. Earned compliance credits shall reduce the term of probation, parole, or conditional release by thirty days for each full calendar month of compliance with the terms of supervision. Credits shall begin to accrue for eligible offenders after the first full calendar month of supervision or on October 1, 2012, if the offender began a term of probation, parole, or conditional release before September 1, 2012.

4. For the purposes of this section, the term "compliance" shall mean the absence of an initial violation report or notice of citation submitted by a probation or parole officer during a calendar month, or a motion to revoke or motion to suspend filed by a prosecuting or circuit attorney, against the offender.

5. Credits shall not accrue during any calendar month in which a violation report, which may include a report of absconder status, has been submitted, the offender is in custody, or a motion to revoke or motion to suspend has been filed, and shall be suspended pending the outcome of a hearing, if a hearing is held. If no hearing is held, or if a hearing is held and the offender is continued under supervision, or the court or board finds that the violation did not occur, then the offender shall be deemed to be in compliance and shall begin earning credits on the first day of the next calendar month following the month in which the report was submitted or the motion was filed. If a hearing is held, all earned credits shall be rescinded if:
   (1) The court or board revokes the probation or parole or the court places the offender in a department program under subsection 4 of section 559.036 or under section 217.785; or
   (2) The offender is found by the court or board to be ineligible to earn compliance credits because the nature and circumstances of the violation indicate that a longer term of probation, parole, or conditional release is necessary for the protection of the public or the guidance of the offender.

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law.
Matter in bold-face type is proposed language.
Earned credits, if not rescinded, shall continue to be suspended for a period of time during which the court or board has suspended the term of probation, parole, or release, and shall begin to accrue on the first day of the next calendar month following the lifting of the suspension.

6. Offenders who are deemed by the division to be absconders shall not earn credits. For purposes of this subsection, "absconder" shall mean an offender under supervision whose whereabouts are unknown and who has left such offender's place of residency without the permission of the offender's supervising officer and without notifying of their whereabouts for the purpose of avoiding supervision. An offender shall no longer be deemed an absconder when such offender is available for active supervision.

7. Notwithstanding subsection 2 of section 217.730 to the contrary, once the combination of time served in custody, if applicable, time served on probation, parole, or conditional release, and earned compliance credits satisfy the total term of probation, parole, or conditional release, the board or sentencing court shall order final discharge of the offender, so long as the offender has completed restitution and at least two years of his or her probation, parole, or conditional release, which shall include any time served in custody under section 217.718 and sections 559.036 and 559.115.

8. The award or rescission of any credits earned under this section shall not be subject to appeal or any motion for postconviction relief.

9. At least twice a year, the division shall calculate the number of months the offender has remaining on his or her term of probation, parole, or conditional release, taking into consideration any earned compliance credits, and notify the offender of the length of the remaining term.

10. No less than sixty days before the date of final discharge, the division shall notify the sentencing court, the board, and, for probation cases, the circuit or prosecuting attorney of the impending discharge. If the sentencing court, the board, or the circuit or prosecuting attorney upon receiving such notice does not take any action under subsection 5 of this section, the offender shall be discharged under subsection 7 of this section.

11. Any offender who was sentenced prior to January 1, 2017, to an offense that was eligible for earned compliance credits under subsection 1 or 2 of this section at the time of sentencing shall continue to remain eligible for earned compliance credits so long as the offender meets all the other requirements provided under this section.

217.705. Probation, parole, institutional parole, officers — appointment — duties. — 1. The [chairman] director of the division of probation and parole shall appoint probation and parole officers and institutional parole officers as deemed necessary to carry out the purposes of the board.

2. Probation and parole officers shall investigate all persons referred to them for investigation by the board or by any court as provided by sections 217.750 and 217.760. They shall furnish to each offender released under their supervision a written statement of the conditions of probation, parole or conditional release and shall instruct the offender regarding these conditions. They shall keep informed of the offender's conduct and condition and use all suitable methods to aid and encourage the offender to bring about improvement in the offender's conduct and conditions.

3. The probation and parole officer may recommend and, by order duly entered, the court may impose and may at any time modify any conditions of probation. The court shall cause a copy of any such order to be delivered to the probation and parole officer and the offender.

4. Probation and parole officers shall keep detailed records of their work and shall make such reports in writing and perform such other duties as may be incidental to those enumerated that the board may require. In the event a parolee is transferred to another probation and parole officer, the

written record of the former probation and parole officer shall be given to the new probation and parole officer.

5. Institutional parole officers shall investigate all offenders referred to them for investigation by the board and shall provide the board such other reports the board may require. They shall furnish the offender prior to release on parole or conditional release a written statement of the conditions of parole or conditional release and shall instruct the offender regarding these conditions.

6. The department shall furnish probation and parole officers and institutional parole officers, including supervisors, with credentials and a special badge which such officers and supervisors shall carry on their person at all times while on duty.

217.720. ARREST OF PERSON PAROLED OR ON CONDITIONAL RELEASE — REPORT — PROCEDURE — REVOCATION OF PAROLE OR RELEASE — EFFECT OF SENTENCE — ARREST OF PAROLEE FROM ANOTHER STATE. — 1. At any time during release on parole or conditional release the division of probation and parole may issue a warrant for the arrest of a released offender for violation of any of the conditions of parole or conditional release. The warrant shall authorize any law enforcement officer to return the offender to the actual custody of the correctional center from which the offender was released, or to any other suitable facility designated by the division. If any parole or probation officer has probable cause to believe that such offender has violated a condition of parole or conditional release, the probation or parole officer may issue a warrant for the arrest of the offender. The probation or parole officer may effect the arrest or may deputize any officer with the power of arrest to do so by giving the officer a copy of the warrant which shall outline the circumstances of the alleged violation and contain the statement that the offender has, in the judgment of the probation or parole officer, violated conditions of parole or conditional release. The warrant delivered with the offender by the arresting officer to the official in charge of any facility designated by the division to which the offender is brought shall be sufficient legal authority for detaining the offender. After the arrest the parole or probation officer shall present to the detaining authorities a similar statement of the circumstances of violation. Pending hearing as hereinafter provided, upon any charge of violation, the offender shall remain in custody or incarcerated without consideration of bail.

2. If the offender is arrested under the authority granted in subsection 1 of this section, the offender shall have the right to a preliminary hearing on the violation charged unless the offender waives such hearing. Upon such arrest and detention, the parole or probation officer shall immediately notify the board and shall submit in writing a report showing in what manner the offender has violated the conditions of his parole or conditional release. The board shall order the offender discharged from such facility, require as a condition of parole or conditional release the placement of the offender in a treatment center operated by the department of corrections, or shall cause the offender to be brought before it for a hearing on the violation charged, under such rules and regulations as the board may adopt. If the violation is established and found, the board may continue or revoke the parole or conditional release, or enter such other order as it may see fit. If no violation is established and found, then the parole or conditional release shall continue. If at any time during release on parole or conditional release the offender is arrested for a crime which later leads to conviction, and sentence is then served outside the Missouri department of corrections, the board shall determine what part, if any, of the time from the date of arrest until completion of the sentence imposed is counted as time served under the sentence from which the offender was paroled or conditionally released.

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law.
Matter in bold-face type is proposed language.
3. An offender for whose return a warrant has been issued by the board division shall, if it is found that the warrant cannot be served, be deemed to be a fugitive from justice or to have fled from justice. If it shall appear that the offender has violated the provisions and conditions of his parole or conditional release, the board shall determine whether the time from the issuing date of the warrant to the date of his arrest on the warrant, or continuance on parole or conditional release shall be counted as time served under the sentence. In all other cases, time served on parole or conditional release shall be counted as time served under the sentence.

4. At any time during parole or probation, the board division may issue a warrant for the arrest of any person from another jurisdiction, the visitation and supervision of whom the board division has undertaken pursuant to the provisions of the interstate compact for the supervision of parolees and probationers authorized in section 217.810, for violation of any of the conditions of release, or a notice to appear to answer a charge of violation. The notice shall be served personally upon the person. The warrant shall authorize any law enforcement officer to return the offender to any suitable detention facility designated by the board division. Any parole or probation officer may arrest such person without a warrant, or may deputize any other officer with power of arrest to do so by issuing a written statement setting forth that the defendant has, in the judgment of the parole or probation officer, violated the conditions of his release. The written statement delivered with the person by the arresting officer to the official in charge of the detention facility to which the person is brought shall be sufficient legal authority for detaining him. After making an arrest the parole or probation officer shall present to the detaining authorities a similar statement of the circumstances of violation.

217.722. Probation officers, power to arrest, when — preliminary hearing allowed, when — notice to sentencing court. — 1. If any probation officer has probable cause to believe that the person on probation has violated a condition of probation, the probation officer may issue a warrant for the arrest of the person on probation. The officer may effect the arrest or may deputize any other officer with the power of arrest to do so by giving the officer a copy of the warrant which will outline the circumstances of the alleged violation and contain the statement that the person on probation has, in the judgment of the probation officer, violated the conditions of probation. The warrant delivered with the offender by the arresting officer to the official in charge of any jail or other detention facility shall be sufficient authority for detaining the person on probation pending a preliminary hearing on the alleged violation. Other provisions of law relating to release on bail of persons charged with criminal offenses shall be applicable to persons detained on alleged probation violations.

2. Any person on probation arrested under the authority granted in subsection 1 of this section shall have the right to a preliminary hearing on the violation charged as long as the person on probation remains in custody or unless the offender waives such hearing. The person on probation shall be notified immediately in writing of the alleged probation violation. If arrested in the jurisdiction of the sentencing court, and the court which placed the person on probation is immediately available, the preliminary hearing shall be heard by the sentencing court. Otherwise, the person on probation shall be taken before a judge or associate circuit judge in the county of the alleged violation or arrest having original jurisdiction to try criminal offenses or before an impartial member of the staff of the Missouri board division of probation and parole, and the preliminary hearing shall be held as soon as possible after the arrest. Such preliminary hearings shall be conducted as provided by rule of court or by rules of the Missouri parole board of probation and parole. If it appears that there is probable cause to believe that the person on probation has violated a condition of probation, or if the person on probation waives the preliminary hearing, the
judge or associate circuit judge, or member of the staff of the [Missouri board] division of probation and parole shall order the person on probation held for further proceedings in the sentencing court. If probable cause is not found, the court shall not be barred from holding a hearing on the question of the alleged violation of a condition of probation nor from ordering the person on probation to be present at such a hearing.

3. Upon such arrest and detention, the probation officer shall immediately notify the sentencing court and shall submit to the court a written report showing in what manner the person on probation has violated the conditions of probation. Thereupon, or upon arrest by warrant, the court shall cause the person on probation to be brought before it without unnecessary delay for a hearing on the violation charged. Revocation hearings shall be conducted as provided by rule of court.

3. Subsection 1 of this section applies to offenders who have been granted probation, and to offenders who have been released on parole, conditional release, or upon serving their full sentence without early release. Supervision of an offender who was released after serving his or her full sentence will be considered as supervision on parole.

4. A mandatory condition of lifetime supervision of an offender under this section is that the offender be electronically monitored. Electronic monitoring shall be based on a global positioning system or other technology that identifies and records the offender's location at all times.

5. In appropriate cases as determined by a risk assessment, the board may terminate the supervision of an offender who is being supervised under this section when the offender is sixty-five years of age or older.

217.760. Probation and Parole Officers Furnished to Circuit Courts, When — Presentence and Preparole Investigations — Requirements. — 1. In all felony cases and class A misdemeanor cases, the basis of which misdemeanor cases are contained in chapters 565 and 566 and section 577.023, at the request of a circuit judge of any circuit court, the [board] division of probation and parole shall assign one or more state probation and parole officers to make an investigation of the person convicted of the crime or offense before sentence is imposed. If a presentence investigation report is completed then the available alternatives shall be included in the presentence investigation report.

2. The presentence investigation shall include a victim impact statement if the defendant caused physical, psychological, or economic injury to the victim.

3. If the court does not order a presentence investigation, the prosecuting attorney may prepare a victim impact statement to be submitted to the court. (2) Ensure that victims of crime are included in meaningful ways in Missouri's response to crime;
(3) Provide structured opportunities for local communities to determine effective local sentencing options to assure that individual community programs are specifically designed to meet local needs;

(5) Utilize community supervision centers to effectively respond to violations and prevent revocations; and
(6) Improve public confidence in the criminal justice system by involving the public in the development of community-based sentencing options for eligible offenders.
2. 217.810. INTERSTATE COMPACT FOR SUPERVISION OF PAROLEES AND PROBATIONERS. —
1. The governor is hereby authorized and directed to enter into the interstate compact for the supervision of parolees and probationers on behalf of the state of Missouri with the commonwealth of Puerto Rico, the Virgin Islands, the District of Columbia and any and all other states of the United States legally joining therein and pursuant to the provisions of an act of the Congress of the United States of America granting the consent of Congress to the commonwealth of Puerto Rico, the Virgin Islands, the District of Columbia and any two or more states to enter into agreements or compacts for cooperative effort and mutual assistance in the prevention of crime and for other purposes, which compact shall have as its objective the permitting of persons placed on probation or released on parole to reside in any other state signatory to the compact assuming the duties of visitation and supervision over such probationers and parolees; permitting the extradition and transportation without interference of prisoners, being retaken, through any and all states signatory to the compact under such terms, conditions, rules and regulations, and for such duration as in the opinion of the governor of this state shall be necessary and proper and in a form substantially as contained in subsection 2 of this section. The chairman of the board shall administer the compact for the state.

2. INTERSTATE COMPACT FOR THE SUPERVISION OF PAROLEES AND PROBATIONERS

This compact shall be entered into by and among the contracting states, signatories hereto, with the consent of the Congress of the United States of America, granted by an act entitled "An act granting the consent of Congress to any two or more states to enter into agreements or compacts for cooperative effort and mutual assistance in the prevention of crime and for other purposes."

The contracting states solemnly agree:

(1) That it shall be competent for the duly constituted judicial and administrative authorities of a state party to this compact (herein called "sending state") to permit any person convicted of an offense within such state and placed on probation or released on parole to reside in any other state party to this compact (herein called "receiving state"), while on probation or parole, if

(a) Such a person is in fact a resident of or has his family residing within the receiving state and can obtain employment there;

(b) Though not a resident of the receiving state and not having his family residing there, the receiving state consents to such person being sent there.

Before granting such permission, opportunity shall be granted to the receiving state to investigate the home and prospective employment of such person.

A resident of the receiving state, within the meaning of this section, is one who has been an actual inhabitant of such state continuously for more than one year prior to his coming to the sending state and has not resided within the sending state more than six continuous months immediately preceding the commission of the offense for which he has been convicted.

(2) The receiving state shall assume the duties of visitation and supervision over probationers or parolees of any sending state transferred under the compact and will apply the same standards of supervision that prevail for its own probationers and parolees.

(3) That duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any person on probation or parole. For that purpose no formalities will
be required other than establishing the authority of the officer and the identity of the person to be
retaken. All legal requirements to obtain extradition of fugitives from justice are hereby expressly
waived on the part of states party hereto, as to such persons. The decision of the sending state to
retake a person on probation or parole shall be conclusive upon and not reviewable within the
receiving state. Provided, however, that if at the time when a state seeks to retake a probationer or
parolee there should be pending against him within the receiving state any criminal charge, or he
should be suspected of having committed within such state a criminal offense, he shall not be
retaken without the consent of the receiving state until discharged from prosecution or from
imprisonment for such offense.

(4) That the duly accredited officers of the sending state will be permitted to transport prisoners
being retaken through any and all states parties to this compact, without interference.

(5) Each state may designate an officer who, acting jointly with like officers of other
contracting states shall promulgate such rules and regulations as may be deemed necessary to more
effectively carry out the terms of this compact.

(6) That this compact shall become operative immediately upon its execution by any state as
between it and any other state or states so executing. When executed it shall have the full force
and effect of law within such state, the form of execution to be in accordance with the laws of the
executing state.

(7) That this compact shall continue in force and remain binding upon each executing state
until renounced by it. The duties and obligations hereunder of a renouncing state shall continue as
to parolees or probationers residing therein at the time of withdrawal until retaken or finally
discharged by the sending state. Renunciation of this compact shall be by the same authority which
executed it, by sending six months’ notice in writing of its intention to withdraw from the compact
to the other states party hereto.

3. If any section, sentence, subdivision or clause within subsection 2 of this section is for any
reason held invalid or to be unconstitutional, such decision shall not affect the validity of the
remaining provisions of that subsection or this section.

4. All necessary and proper expenses accruing as a result of a person being returned to this
state by order of a court or the parole board [of probation and parole] shall be paid by the state as
provided in section 548.241 or 548.243.

221.050. SEPARATION OF PRISONERS. — Persons confined in jails shall be separated and
confined according to sex. Persons confined under civil process or for civil causes shall be kept
separate from criminals. Nothing in this section shall be construed to prohibit the housing of
persons on probation or parole with offenders or persons being held on criminal charges.

221.105. BOARDING OF PRISONERS — AMOUNT EXPENDED, HOW FIXED, HOW PAID, LIMIT
— REIMBURSEMENT BY STATE, WHEN. — 1. The governing body of any county and of any city
not within a county shall fix the amount to be expended for the cost of incarceration of prisoners
confined in jails or medium security institutions. The per diem cost of incarceration of these
prisoners chargeable by the law to the state shall be determined, subject to the review and approval
of the department of corrections.

2. When the final determination of any criminal prosecution shall be such as to render the state
liable for costs under existing laws, it shall be the duty of the sherif[t] to certify to the clerk of the
circuit court or court of common pleas in which the case was determined the total number of days
any prisoner who was a party in such case remained in the county jail. It shall be the duty of the
county commission to supply the cost per diem for county prisons to the clerk of the circuit court
on the first day of each year, and thereafter whenever the amount may be changed. It shall then be
the duty of the clerk of the court in which the case was determined to include in the bill of cost
against the state all fees which are properly chargeable to the state. In any city not within a county
it shall be the duty of the superintendent of any facility boarding prisoners to certify to the chief
executive officer of such city not within a county the total number of days any prisoner who was
a party in such case remained in such facility. It shall be the duty of the superintendents of such
facilities to supply the cost per diem to the chief executive officer on the first day of each year, and
thereafter whenever the amount may be changed. It shall be the duty of the chief executive officer
to bill the state all fees for boarding such prisoners which are properly chargeable to the state. The
chief executive may by notification to the department of corrections delegate such responsibility
to another duly sworn official of such city not within a county. The clerk of the court of any city
not within a county shall not include such fees in the bill of costs chargeable to the state. The
department of corrections shall revise its criminal cost manual in accordance with this provision.

3. Except as provided under subsection 6 of section 217.718, the actual costs chargeable to
the state, including those incurred for a prisoner who is incarcerated in the county jail because the
prisoner's parole or probation has been revoked or because the prisoner has, or allegedly has,
violated any condition of the prisoner's parole or probation, and such parole or probation is a
consequence of a violation of a state statute, or the prisoner is a fugitive from the Missouri
department of corrections or otherwise held at the request of the Missouri department of
corrections regardless of whether or not a warrant has been issued shall be the actual cost of
incarceration not to exceed:

(1) Until July 1, 1996, seventeen dollars per day per prisoner;
(2) On and after July 1, 1996, twenty dollars per day per prisoner;
(3) On and after July 1, 1997, up to thirty-seven dollars and fifty cents per day per prisoner,
subject to appropriations, but not less than the amount appropriated in the previous fiscal year.

4. The presiding judge of a judicial circuit may propose expenses to be reimbursable by
the state on behalf of one or more of the counties in that circuit. Proposed reimbursable
expenses may include pretrial assessment and supervision strategies for defendants who are
ultimately eligible for state incarceration. A county may not receive more than its share of
the amount appropriated in the previous fiscal year, inclusive of expenses proposed by the
presiding judge. Any county shall convey such proposal to the department, and any such
proposal presented by a presiding judge shall include the documented agreement with the
proposal by the county governing body, prosecuting attorney, at least one associate circuit
judge, and the officer of the county responsible for custody or incarceration of prisoners of
the county represented in the proposal. Any county that declines to convey a proposal to the
department, pursuant to the provisions of this subsection, shall receive its per diem cost of
incarceration for all prisoners chargeable to the state in accordance with the provisions of
subsections 1, 2, and 3 of this section.

260.558. RADIOACTIVE WASTE INVESTIGATION FUND CREATED, PURPOSE, USE OF MONEYS — LIMITATION ON TRANSFERS. — 1. There is hereby created in the state treasury the "Radioactive Waste Investigation Fund". The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used solely by the department of natural resources to investigate concerns of exposure to radioactive waste. Upon written request by a local governing body expressing concerns of radioactive waste contamination in a specified area within its jurisdiction, the department of natural resources shall use moneys in the radioactive waste investigation fund to develop and conduct an investigation, using sound scientific methods, for the specified area of concern. The request by a local governing body shall include a specified area of concern and any supporting documentation related to the concern. The department shall prioritize requests in the order in which they are received, except that the department may give priority to requests that are in close proximity to federally designated sites where radioactive contaminants are known or reasonably expected to exist. The investigation shall be performed by applicable federal or state agencies or by a qualified contractor selected by the department through a competitive bidding process. In conducting an investigation under this section, the department shall work with the applicable government agency or approved contractor, as well as local officials, to develop a sampling and analysis plan to determine if radioactive contaminants in the area of concern exceed federal standards for remedial action due to contamination. Within a residential area, this plan may include dust samples collected inside residential homes only after obtaining permission from the homeowners. The samples shall be analyzed for the isotopes necessary to correlate the samples with the suspected contamination, as described in the sampling and analysis plan. Within forty-five days of receiving the final sampling results, the department shall report the results to the attorney general and the local governing body that requested the investigation and make the finalized report and testing results publicly available on the department's website.

2. The transfer to the fund shall not exceed one hundred fifty thousand dollars per fiscal year. Investigation costs expended from this fund shall not exceed one hundred fifty thousand dollars per fiscal year. Any moneys remaining in the fund at the end of the biennium shall revert to the credit of the hazardous waste fund.

3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

2. (1) Any employer required to report under subsection 1 of section 292.605, except local governments and family-owned farm operations, shall submit an annual fee to the commission of one hundred dollars along with the Tier II form. Owners or operators of petroleum retail facilities shall pay a fee of no more than fifty dollars for each such facility. Any person, firm or corporation selling, delivering or transporting petroleum or petroleum products and whose primary business deals with petroleum products or who is covered by the provisions of chapter 323, if such person, firm or corporation is paying fees under the provisions of the federal hazardous materials transportation registration and fee assessment program, shall deduct such federal fees from those fees owed to the state under the provisions of this subsection. If the federal fees exceed or are equal to what would otherwise be owed under this subsection, such employer shall not be liable for state fees under this subsection. In relation to petroleum products "primary business" shall mean that the person, firm or corporation shall earn more than fifty percent of hazardous chemical revenues from the sale, delivery or transport of petroleum products. For the purpose of calculating fees, all grades of gasoline are considered to be one product, all grades of heating oils, diesel fuels, kerosenes, naphthas, aviation turbine fuel, and all other heavy distillate products except for grades of gasoline are considered to be one product, and all varieties of motor lubricating oil are considered to be one product. For the purposes of this section "facility" shall mean all buildings, equipment, structures and other stationary items that are located on a single site or on contiguous or adjacent sites and which are owned or operated by the same person. If more than three hazardous substances or mixtures are reported on the Tier II form, the employer shall submit an additional twenty dollar fee for each hazardous substance or mixture. Fees collected under this subdivision shall be for each hazardous chemical on hand at any one time in excess of ten thousand pounds or for extremely hazardous substances on hand at any one time in excess of five hundred pounds or the threshold planning quantity, whichever is less, or for explosives or blasting agents on hand at any one time in excess of one hundred pounds. However, no employer shall pay more than ten thousand dollars per year in fees. Moneys acquired through litigation and any administrative fees paid pursuant to subsection 3 of this section shall not be applied toward this cap.

(2) Employers engaged in transporting hazardous materials by pipeline except local gas distribution companies regulated by the Missouri public service commission shall pay to the commission a fee of two hundred fifty dollars for each county in which they operate.

(3) Payment of fees is due each year by March first. A late fee of ten percent of the total owed, plus one percent per month of the total, may be assessed by the commission.

(4) If, on March first of each year, fees collected under this section and natural resources damages made available pursuant to section 640.235 exceed one million dollars, any excess over one million dollars shall be proportionately credited to fees payable in the succeeding year by each employer who was required to pay a fee and who did pay a fee in the year in which the excess occurred. The limit of one million dollars contained herein shall be reviewed by the commission concurrent with the review of fees as required in subsection 1 of this section.

3. Beginning January 1, 2013, any employer filing its Tier II form pursuant to subsection 1 of section 292.605 may request that the commission distribute that employer's Tier II report to the local emergency planning committees and fire departments listed in its Tier II report. Any employer opting to have the commission distribute its Tier II report shall pay an additional fee of
ten dollars for each facility listed in the report at the time of filing to recoup the commission's
distribution costs. Fees shall be deposited in the chemical emergency preparedness fund
established under section 292.607. An employer who pays the additional fee and whose Tier II
report includes all local emergency planning committees and fire departments required to be
notified under subsection 1 of section 292.605 shall satisfy the reporting requirements of
subsection 1 of section 292.605. The commission shall develop a mechanism for an employer to
exercise its option to have the commission distribute its Tier II report.

4. Local emergency planning committees receiving funds under section 292.604 shall
coordinate with the commission and the department in chemical emergency planning, training,
preparedness, and response activities. Local emergency planning committees receiving funds
under this section, section 260.394, sections 292.602, 292.604, 292.605, 292.615 and section
640.235 shall provide to the commission an annual report of expenditures and activities.

5. Fees collected by the department and all funds provided to local emergency planning
committees shall be used for chemical emergency preparedness purposes as outlined in sections
292.600 to 292.625 and the federal act, including contingency planning for chemical releases;
exercising, evaluating, and distributing plans, providing training related to chemical emergency
preparedness and prevention of chemical accidents; identifying facilities required to report;
processing the information submitted by facilities and making it available to the public; receiving
and handling emergency notifications of chemical releases; operating a local emergency planning
committee; and providing public notice of chemical preparedness activities. Local emergency
planning committees receiving funds under this section may combine such funds with other local
emergency planning committees to further the purposes of sections 292.600 to 292.625, or the
federal act.

emergency planning committees may be used.

This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

455.095. ELECTRONIC MONITORING, WHEN — REQUIREMENTS — EXPIRATION DATE. —

1. For purposes of this section, the following terms mean:
   (1) "Electronic monitoring with victim notification", an electronic monitoring system that has the capability to track and monitor the movement of a person and immediately transmit the monitored person’s location to the protected person and the local law enforcement agency with jurisdiction over the protected premises through an appropriate means, including the telephone, an electronic beeper, or paging device whenever the monitored person enters the protected premises as specified in the order by the court;
   (2) "Informed consent", the protected person is given the following information before consenting to participate in electronic monitoring with victim notification:
      (a) The protected person’s right to refuse to participate in such monitoring and the process for requesting the court to terminate his or her participation after it has been ordered;
      (b) The manner in which the electronic monitoring technology functions and the risks and limitations of that technology;
      (c) The boundaries imposed on the person being monitored during the electronic monitoring;
      (d) The sanctions that the court may impose for violations of the order issued by the court;
      (e) The procedure that the protected person is to follow if the monitored person violates an order or if the electronic monitoring equipment fails;
      (f) Identification of support services available to assist the protected person in developing a safety plan to use if the monitored person violates an order or if the electronic monitoring equipment fails;

2. When a person is found guilty of violating the terms and conditions of an ex parte or full order of protection under sections 455.085 or 455.538, the court may, in addition to or in lieu of any other disposition:
   (1) Sentence the person to electronic monitoring with victim notification; or
   (2) Place the person on probation and, as a condition of such probation, order electronic monitoring with victim notification.
3. When a person charged with violating the terms and conditions of an ex parte or full order of protection under sections 455.085 or 455.538 is released from custody before trial pursuant to section 544.455, the court may, as a condition of release, order electronic monitoring of the person with victim notification.

4. Electronic monitoring with victim notification shall be ordered only with the protected person’s informed consent. In determining whether to place a person on electronic monitoring with victim notification, the court may hold a hearing to consider the likelihood that the person’s participation in electronic monitoring will deter the person from injuring the protected person. The court shall consider the following factors:
   (1) The gravity and seriousness of harm that the person inflicted on the protected person in the commission of any act of domestic violence;
   (2) The person’s previous history of domestic violence;

If the court determines the person is indigent, the person may be placed on electronic monitoring with victim notification, and the clerk of the court in which the case was determined shall notify the department of corrections that the person was determined to be indigent and shall include in a bill to the department the costs associated with the monitoring. The department shall establish by rule a procedure to determine the portion of costs each indigent person is able to pay based on a person’s income, number of dependents, and other factors as determined by the department and shall seek reimbursement of such costs.

6. An alert from an electronic monitoring device shall be probable cause to arrest the monitored person for a violation of an ex parte or full order of protection.

7. The department of corrections, department of public safety, Missouri state highway patrol, the circuit courts, and county and municipal law enforcement agencies shall share information obtained via electronic monitoring conducted pursuant to this section.

8. No supplier of a product, system, or service used for electronic monitoring with victim notification shall be liable, directly or indirectly, for damages arising from any injury or death associated with the use of the product, system, or service unless, and only to the extent that, such action is based on a claim that the injury or death was proximately caused by a manufacturing defect in the product or system.

9. Nothing in this section shall be construed as limiting a court’s ability to place a person on electronic monitoring without victim notification under sections 544.455 or 557.011.

10. A person shall be found guilty of the offense of tampering with electronic monitoring equipment under section 575.205 if he or she commits the actions prohibited under such section with any equipment that a court orders the person to wear under this section.

11. The department of corrections shall promulgate rules and regulations for the implementation of subsection 5 of this section. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. (3) Shall determine the degree or extent to which the victim's acts or conduct provoked, incited, or contributed to the injuries or death of the victim.

4. The claimant may present evidence and testimony on his own behalf or may retain counsel. The department of public safety may, as part of any award entered under sections 595.010 to 595.075, determine and allow reasonable attorney’s fees, which shall not exceed fifteen percent of the amount awarded as compensation under sections 595.010 to 595.075, which fee shall be paid out of, but not in addition to, the amount of compensation, to the attorney representing the claimant. No attorney for the claimant shall ask for, contract for or receive any larger sum than the amount so allowed.

5. The person filing a claim shall, prior to any hearing thereon, submit reports, if available, from all hospitals, physicians [or surgeons, or other health care providers] who treated or examined the victim for the injury for which compensation is sought. A hospital, physician, surgeon, or other health care provider may submit reports on behalf of the person filing a claim. If, in the opinion of the department of public safety, an examination of the injured victim and a report thereon, or a report on the cause of death of the victim, would be of material aid, the department of public safety may appoint a duly qualified, impartial physician to make such examination and report.

6. Each and every payment shall be exempt from attachment, garnishment or any other remedy available to creditors for the collection of a debt.

7. Payments of compensation shall not be made directly to any person legally incompetent to receive them but shall be made to the parent, guardian or conservator for the benefit of such minor, disabled or incapacitated person.

595.030. COMPENSATION, PAID WHEN — MEDICAL CARE, REQUIREMENTS — COUNSELING, REQUIREMENTS — MAXIMUM AWARD — JOINT CLAIMANTS, DISTRIBUTION—
METHOD, TIMING OF PAYMENT DETERMINED BY DEPARTMENT — NEGOTIATIONS WITH PROVIDERS. — 1. No compensation shall be paid unless the claimant has incurred an out-of-pocket loss of at least fifty dollars or has lost two continuous weeks of earnings or support from gainful employment. “Out-of-pocket loss” shall mean unreimbursed or unreimbursable expenses or indebtedness reasonably incurred:

(1) For medical care or other services, including psychiatric, psychological or counseling expenses, necessary as a result of the crime upon which the claim is based, except that the amount paid for psychiatric, psychological or counseling expenses per eligible claim shall not exceed two thousand five hundred dollars; or

(2) As a result of personal property being seized in an investigation by law enforcement.

Compensation paid for an out-of-pocket loss under this subdivision shall be in an amount equal to the loss sustained, but shall not exceed two hundred fifty dollars.

2. No compensation shall be paid unless the department of public safety finds that a crime was committed, that such crime directly resulted in personal physical injury to, or the death of, the victim, and that police, court, or other official records show that such crime was promptly reported to the proper authorities. [In no case may compensation be paid if the police records show that such report was made more than forty-eight hours after the occurrence of such crime, unless the department of public safety finds that the report to the police was delayed for good cause.] In lieu of other records the claimant may provide a sworn statement by the applicant under paragraph (c) of subdivision (2) of section 589.663 that the applicant has good reason to believe that he or she is a victim of domestic violence, rape, sexual assault, human trafficking, or stalking, and fears further violent acts from his or her assailant. If the victim is under eighteen years of age such report may be made by the victim's parent, guardian or custodian; by a physician, a nurse, or hospital emergency room personnel; by the children's division personnel; or by any other member of the victim's family. In the case of a sexual offense, filing a report of the offense to the proper authorities may include, but not be limited to, the filing of the report of the forensic examination by the appropriate medical provider, as defined in section 595.220, with the prosecuting attorney of the county in which the alleged incident occurred, receiving a forensic examination, or securing an order of protection.

3. No compensation shall be paid for medical care if the service provider is not a medical provider as that term is defined in section 595.027, and the individual providing the medical care is not licensed by the state of Missouri or the state in which the medical care is provided.

4. No compensation shall be paid for psychiatric treatment or other counseling services, including psychotherapy, unless the service provider is a:

   (1) Physician licensed pursuant to chapter 334 or licensed to practice medicine in the state in which the service is provided;

   (2) Psychologist licensed pursuant to chapter 337 or licensed to practice psychology in the state in which the service is provided;

   (3) Clinical social worker licensed pursuant to chapter 337;

   (4) Professional counselor licensed pursuant to chapter 337; or

   (5) Board-certified psychiatric-mental health clinical nurse specialist or board certified psychiatric-mental health nurse practitioner licensed under chapter 335 or licensed in the state in which the service is provided.

5. Any compensation paid pursuant to sections 595.010 to 595.075 for death or personal injury shall be in an amount not exceeding out-of-pocket loss, together with loss of earnings or support from gainful employment, not to exceed four hundred dollars per week, resulting from such injury or death. In the event of death of the victim, an award may be made for reasonable expenses.
and necessary expenses actually incurred for preparation and burial not to exceed five thousand dollars.

[6.] 5. Any compensation for loss of earnings or support from gainful employment shall be in an amount equal to the actual loss sustained not to exceed four hundred dollars per week; provided, however, that no award pursuant to sections 595.010 to 595.075 shall exceed twenty-five thousand dollars. If two or more persons are entitled to compensation as a result of the death of a person which is the direct result of a crime or in the case of a sexual assault, the compensation shall be apportioned by the department of public safety among the claimants in proportion to their loss.

[7.] 6. The method and timing of the payment of any compensation pursuant to sections 595.010 to 595.075 shall be determined by the department.

[8.] 7. The department shall have the authority to negotiate the costs of medical care or other services directly with the providers of the care or services on behalf of any victim receiving compensation pursuant to sections 595.010 to 595.075.

595.035. AWARD STANDARDS TO BE ESTABLISHED — AMOUNT OF AWARD, FACTORS TO BE CONSIDERED — PURPOSE OF FUND, REDUCTION FOR OTHER COMPENSATION RECEIVED BY VICTIM, EXCEPTIONS. — 1. For the purpose of determining the amount of compensation payable pursuant to sections 595.010 to 595.075, the department of public safety shall, insofar as practicable, formulate standards for the uniform application of sections 595.010 to 595.075, taking into consideration the provisions of sections 595.010 to 595.075, the rates and amounts of compensation payable for injuries and death pursuant to other laws of this state and of the United States, excluding pain and suffering, and the availability of funds appropriated for the purpose of sections 595.010 to 595.075. All decisions of the department of public safety on claims pursuant to sections 595.010 to 595.075 shall be in writing, setting forth the name of the claimant, the amount of compensation and the reasons for the decision. [The department of public safety shall immediately notify the claimant in writing of the decision and shall forward to the state treasurer a certified copy of the decision and a warrant for the amount of the claim. The state treasurer, upon certification by the commissioner of administration, shall, if there are sufficient funds in the crime victims’ compensation fund, pay to or on behalf of the claimant the amount determined by the department.]

2. The crime victims’ compensation fund is not a state health program and is not intended to be used as a primary payor to other health care assistance programs, but is a public, quasi-charitable fund whose fundamental purpose is to assist victims of violent crimes through a period of financial hardship, as a payor of last resort. Accordingly, any compensation paid pursuant to sections 595.010 to 595.075 shall be reduced by the amount of any payments, benefits or awards received or to be received as a result of the injury or death:

   (1) From or on behalf of the offender;
   (2) Under private or public insurance programs, including [champus] Tricare, Medicare, Medicaid and other state or federal programs, but not including any life insurance proceeds; or
   (3) From any other public or private funds, including an award payable pursuant to the workers’ compensation laws of this state.

3. In determining the amount of compensation payable, the department of public safety shall determine whether, because of the victim's consent, provocation, incitement or negligence, the victim contributed to the infliction of the victim's injury or death, and shall reduce the amount of the compensation or deny the claim altogether, in accordance with such determination; provided, however, that the department of public safety may disregard the responsibility of the victim for his or her own injury where such responsibility was attributable to efforts by the victim to aid a victim,
or to prevent a crime or an attempted crime from occurring in his or her presence, or to apprehend a person who had committed a crime in his or her presence or had in fact committed a felony.

4. In determining the amount of compensation payable pursuant to sections 595.010 to 595.075, monthly Social Security disability or retirement benefits received by the victim shall not be considered by the department as a factor for reduction of benefits.

5. The department shall not be liable for payment of compensation for any out-of-pocket expenses incurred more than three years following the date of the occurrence of the crime upon which the claim is based.

595.055. SERVICES FOR VICTIMS NOT PROVIDED, WHEN. — [1. No public or private agency shall provide service to a victim of crime pursuant to any contract made under section 595.050 unless the incident is reported to an appropriate law enforcement office within forty-eight hours after its occurrence or within forty-eight hours after the victim of crime, a dependent, or a member of the family of the victim reasonably could be expected to make such a report.

2.] No service may be provided under section 595.050 if the victim of crime:

(1) Was the perpetrator or a principal or accessory involved in the commission of the crime for which he otherwise would have been eligible for assistance under the provisions of section 595.050; or

(2) Is injured as a result of the operation of a motor vehicle, boat or airplane unless the same was used as a weapon in a deliberate attempt to inflict personal injury upon any person or unless the victim is injured as a result of the crime of driving while intoxicated or vehicular manslaughter.

595.220. FORENSIC EXAMINATIONS, DEPARTMENT OF PUBLIC SAFETY TO PAY MEDICAL PROVIDERS, WHEN — MINOR MAY CONSENT TO EXAMINATION, WHEN — FORMS — COLLECTION KITS — DEFINITIONS — RULEMAKING AUTHORITY. — 1. The department of public safety shall make payments to appropriate medical providers, out of appropriations made for that purpose, to cover the reasonable charges of the forensic examination of persons who may be a victim of a sexual offense if:

(1) The victim or the victim's guardian consents in writing to the examination; and

(2) The report of the examination is made on a form approved by the attorney general with the advice of the department of public safety.

The department shall establish maximum reimbursement rates for charges submitted under this section, which shall reflect the reasonable cost of providing the forensic exam.

2. A minor may consent to examination under this section. Such consent is not subject to disaffirmance because of minority, and consent of parent or guardian of the minor is not required for such examination. The appropriate medical provider making the examination shall give written notice to the parent or guardian of a minor that such an examination has taken place.

3. The department of public safety, with the advice of the attorney general, shall develop the forms and procedures for gathering, transmitting, and storing evidence during and after the forensic examination under the provisions of this section. The department of health and senior services shall develop a checklist, protocols, and procedures for appropriate medical providers to refer to while providing medical treatment to victims of a sexual offense, including those specific to victims who are minors. The procedures for transmitting and storing examination evidence shall include the following requirements:

EXPLANATION—Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law.

Matter in bold-face type is proposed language.
(1) An appropriate medical provider shall provide electronic notification to the appropriate law enforcement agency when the provider has a reported or anonymous evidentiary collection kit;

(2) Within fourteen days of notification from the appropriate medical provider, the law enforcement agency shall take possession of the evidentiary collection kit;

(3) Within fourteen days of taking possession, the law enforcement agency shall provide the evidentiary collection kit to a laboratory;

(4) A law enforcement agency shall secure an evidentiary collection kit for a period of thirty years if the offense has not been adjudicated.

4. Evidentiary collection kits shall be developed and made available, subject to appropriation, to appropriate medical providers by the highway patrol or its designees and eligible crime laboratories. Such kits shall be distributed with the forms and procedures for gathering evidence during forensic examinations of victims of a sexual offense to appropriate medical providers upon request of the provider, in the amount requested, and at no charge to the medical provider. All appropriate medical providers shall, with the written consent of the victim, perform a forensic examination using the evidentiary collection kit, or other collection procedures developed for victims who are minors, and forms and procedures for gathering evidence following the checklist for any person presenting as a victim of a sexual offense.

5. In reviewing claims submitted under this section, the department shall first determine if the claim was submitted within ninety days of the examination. If the claim is submitted within ninety days, the department shall, at a minimum, use the following criteria in reviewing the claim: examination charges submitted shall be itemized and fall within the definition of forensic examination as defined in subdivision (3) of subsection 8 of this section.

6. All appropriate medical provider charges for eligible forensic examinations shall be billed to and paid by the department of public safety. No appropriate medical provider conducting forensic examinations and providing medical treatment to victims of sexual offenses shall charge the victim for the forensic examination. For appropriate medical provider charges related to the medical treatment of victims of sexual offenses, if the victim is an eligible claimant under the crime victims' compensation fund, the victim shall seek compensation under sections 595.010 to 595.075.

7. The department of public safety shall establish rules regarding the reimbursement of the costs of forensic examinations for children under fourteen years of age, including establishing conditions and definitions for emergency and nonemergency forensic examinations and may by rule establish additional qualifications for appropriate medical providers performing nonemergency forensic examinations for children under fourteen years of age. The department shall provide reimbursement regardless of whether or not the findings indicate that the child was abused.

8. For purposes of this section, the following terms mean:

(1) "Anonymous evidentiary collection kit", an evidentiary collection kit collected from a victim, or his or her designee, who has consented to the collection of the evidentiary collection kit, and to participate in the criminal justice process, but who wishes to remain anonymous;

(2) "Appropriate medical provider":
(a) Any licensed nurse, physician, or physician assistant, and any institution employing licensed nurses, physicians, or physician assistants, provided that such licensed professionals are the only persons at such institution to perform tasks under the provisions of this section; or
(b) For the purposes of any nonemergency forensic examination of a child under fourteen years of age, the department of public safety may establish additional qualifications for any provider listed in paragraph (a) of this subdivision under rules authorized under subsection 7 of this section;

(2) "Consent", the electronically documented authorization by the victim, or his or her designee, to allow the evidentiary collection kit to be analyzed;

(3) "Emergency forensic examination", an examination of a person under fourteen years of age that occurs within five days of the alleged sexual offense. The department of public safety may further define the term emergency forensic examination by rule;

(4) "Evidentiary collection kit", a kit used during a forensic examination that includes materials necessary for appropriate medical providers to gather evidence in accordance with the forms and procedures developed by the department of public safety for forensic examinations;

(5) "Forensic examination", an examination performed by an appropriate medical provider on a victim of an alleged sexual offense to gather evidence for the evidentiary collection kit or using other collection procedures developed for victims who are minors;

(6) "Medical treatment", the treatment of all injuries and health concerns resulting directly from a patient's sexual assault or victimization;

(7) "Nonemergency forensic examination", an examination of a person under fourteen years of age that occurs more than five days after the alleged sexual offense. The department of public safety may further define the term nonemergency forensic examination by rule;

(8) "Reported evidentiary collection kit", an evidentiary collection kit collected from a victim, or his or her designee, who has consented to the collection of the evidentiary collection kit and has consented to participate in the criminal justice process;

(9) "Unreported evidentiary collection kit", an evidentiary collection kit collected from a victim, or his or her designee, who has consented to the collection of the evidentiary collection kit but has not consented to participate in the criminal justice process.

9. The attorney general shall establish protocols and an electronic platform to implement an electronic evidence tracking system that:

(1) Identifies, documents, records, and tracks evidentiary collection kits and their components, including individual specimen containers, through their existence from forensic examination, to possession by a law enforcement agency, to testing, to use as evidence in criminal proceedings, and until disposition of such proceedings;

(2) Assigns a unique alphanumeric identifier to each respective evidentiary collection kit, and all its respective components, and to each respective person, or his or her designee, who may handle an evidentiary test kit;

(3) Links the identifiers of an evidentiary collection kit and its components, which shall be machine-readable indicia;

(4) Allows each person, or his or her designees, who is properly credentialed to handle an evidentiary test kit to check the status of an evidentiary test kit or its components and to save a portfolio of identifiers so that the person, or his or her designee may track, obtain reports, and receive updates of the status of evidentiary collection kits or their components; and

(5) Allows sexual assault victims or their designees access in order to monitor the current status of their evidentiary test kit.

10. The department shall have authority to promulgate rules and regulations necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in EXPLANATION—Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law. Matter in bold-face type is proposed language.
section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

610.140. EXPUNGEMENT OF CERTAIN CRIMINAL RECORDS, PETITION, CONTENTS, PROCEDURE — EFFECT OF EXPUNGEMENT ON EMPLOYER INQUIRY — LIFETIME LIMITS. — 1. Notwithstanding any other provision of law and subject to the provisions of this section, any person may apply to any court in which such person was charged or found guilty of any offenses, violations, or infractions for an order to expunge records of such arrest, plea, trial, or conviction. Subject to the limitations of subsection 12 of this section, a person may apply to have one or more offenses, violations, or infractions expunged if such offense, violation, or infraction occurred within the state of Missouri and was prosecuted under the jurisdiction of a Missouri municipal, associate circuit, or circuit court, so long as such person lists all the offenses, violations, and infractions he or she is seeking to have expunged in the petition and so long as all such offenses, violations, and infractions are not excluded under subsection 2 of this section. If the offenses, violations, or infractions were charged as counts in the same indictment or information or were committed as part of the same course of criminal conduct, the person may include all the related offenses, violations, and infractions in the petition, regardless of the limits of subsection 12 of this section, and the petition shall only count as a petition for expungement of the highest level violation or offense contained in the petition for the purpose of determining future eligibility for expungement.

2. The following offenses, violations, and infractions shall not be eligible for expungement under this section:

(1) Any class A felony offense;
(2) Any dangerous felony as that term is defined in section 556.061;
(3) Any offense that requires registration as a sex offender;
(4) Any felony offense where death is an element of the offense;
(5) Any felony offense of assault; misdemeanor or felony offense of domestic assault; or felony offense of kidnapping;
(7) Any offense eligible for expungement under section 577.054 or 610.130;
(8) Any intoxication-related traffic or boating offense as defined in section 577.001, or any offense of operating an aircraft with an excessive blood alcohol content or while in an intoxicated condition;
(9) Any ordinance violation that is the substantial equivalent of any offense that is not eligible for expungement under this section;
(10) Any violation of any state law or county or municipal ordinance regulating the operation of motor vehicles when committed by an individual who has been issued a commercial driver’s license or is required to possess a commercial driver’s license issued by this state or any other state; and

(11) Any offense of section 571.030, except any offense under subdivision (1) of subsection 1 of section 571.030 where the person was convicted or found guilty prior to January 1, 2017.

3. The petition shall name as defendants all law enforcement agencies, courts, prosecuting or circuit attorneys, municipal prosecuting attorneys, central state repositories of criminal records, or others who the petitioner has reason to believe may possess the records subject to expungement for each of the offenses, violations, and infractions listed in the petition. The court's order of expungement shall not affect any person or entity not named as a defendant in the action.

4. The petition shall include the following information:

(1) The petitioner's:
   (a) Full name;
   (b) Sex;
   (c) Race;
   (d) Driver's license number, if applicable; and
   (e) Current address;

(2) Each offense, violation, or infraction for which the petitioner is requesting expungement;

(3) The approximate date the petitioner was charged for each offense, violation, or infraction; and

(4) The name of the county where the petitioner was charged for each offense, violation, or infraction and if any of the offenses, violations, or infractions occurred in a municipality, the name of the municipality for each offense, violation, or infraction; and

(5) The case number and name of the court for each offense.

5. The clerk of the court shall give notice of the filing of the petition to the office of the prosecuting attorney, circuit attorney, or municipal prosecuting attorney that prosecuted the offenses, violations, or infractions listed in the petition. If the prosecuting attorney, circuit attorney, or municipal prosecuting attorney objects to the petition for expungement, he or she shall do so in writing within thirty days after receipt of service. Unless otherwise agreed upon by the parties, the court shall hold a hearing within sixty days after any written objection is filed, giving reasonable notice of the hearing to the petitioner. If no objection has been filed within thirty days after receipt of service, the court may set a hearing on the matter and shall give reasonable notice of the hearing to each entity named in the petition. At any hearing, the court may accept evidence and hear testimony on, and may consider, the following criteria for each of the offenses, violations, or infractions listed in the petition for expungement:

(1) It has been at least seven years if the offense is a felony, or at least three years if the offense is a misdemeanor, municipal offense, or infraction, from the date the petitioner completed any authorized disposition imposed under section 557.011 for each offense, violation, or infraction listed in the petition;

(2) The person has not been found guilty of any other misdemeanor or felony, not including violations of the traffic regulations provided under chapters 304 and 307, during the time period specified for the underlying offense, violation, or infraction in subdivision (1) of this subsection;

(3) The person has satisfied all obligations relating to any such disposition, including the payment of any fines or restitution;

(4) The person does not have charges pending;

(5) The petitioner's habits and conduct demonstrate that the petitioner is not a threat to the public safety of the state; and

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law. Matter in bold-face type is proposed language.
(6) The expungement is consistent with the public welfare and the interests of justice warrant the expungement.

A pleading by the petitioner that such petitioner meets the requirements of subdivisions (5) and (6) of this subsection shall create a rebuttable presumption that the expungement is warranted so long as the criteria contained in subdivisions (1) to (4) of this subsection are otherwise satisfied. The burden shall shift to the prosecuting attorney, circuit attorney, or municipal prosecuting attorney to rebut the presumption. A victim of an offense, violation, or infraction listed in the petition shall have an opportunity to be heard at any hearing held under this section, and the court may make a determination based solely on such victim's testimony.

6. A petition to expunge records related to an arrest for an eligible offense, violation, or infraction may be made in accordance with the provisions of this section to a court of competent jurisdiction in the county where the petitioner was arrested no earlier than three years from the date of arrest; provided that, during such time, the petitioner has not been charged and the petitioner has not been found guilty of any misdemeanor or felony offense.

7. If the court determines that such person meets all the criteria set forth in subsection 5 of this section for each of the offenses, violations, or infractions listed in the petition for expungement, the court shall enter an order of expungement. In all cases under this section, the court shall issue an order of expungement or dismissal within six months of the filing of the petition. A copy of the order of expungement shall be provided to the petitioner and each entity possessing records subject to the order, and, upon receipt of the order, each entity shall close any record in its possession relating to any offense, violation, or infraction listed in the petition, in the manner established by section 610.120. The records and files maintained in any administrative or court proceeding in a municipal, associate, or circuit court for any offense, infraction, or violation ordered expunged under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The central repository shall request the Federal Bureau of Investigation to expunge the records from its files.

8. The order shall not limit any of the petitioner's rights that were restricted as a collateral consequence of such person's criminal record, and such rights shall be restored upon issuance of the order of expungement. Except as otherwise provided under this section, the effect of such order shall be to restore such person to the status he or she occupied prior to such arrests, pleas, trials, or convictions as if such events had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrests, pleas, trials, convictions, or expungement in response to an inquiry made of him or her and no such inquiry shall be made for information relating to an expungement, except the petitioner shall disclose the expunged offense, violation, or infraction to any court when asked or upon being charged with any subsequent offense, violation, or infraction. The expunged offense, violation, or infraction may be considered a prior offense in determining a sentence to be imposed for any subsequent offense that the person is found guilty of committing.

9. Notwithstanding the provisions of subsection 8 of this section to the contrary, a person granted an expungement shall disclose any expunged offense, violation, or infraction when the disclosure of such information is necessary to complete any application for:

(1) A license, certificate, or permit issued by this state to practice such individual's profession;
(2) Any license issued under chapter 313 or permit issued under chapter 571;
(3) Paid or unpaid employment with an entity licensed under chapter 313, any state-operated lottery, or any emergency services provider, including any law enforcement agency;
(4) Employment with any federally insured bank or savings institution or credit union or an affiliate of such institution or credit union for the purposes of compliance with 12 U.S.C. Section 1829 and 12 U.S.C. Section 1785;

(5) Employment with any entity engaged in the business of insurance or any insurer for the purpose of complying with 18 U.S.C. Section 1033, 18 U.S.C. Section 1034, or other similar law which requires an employer engaged in the business of insurance to exclude applicants with certain criminal convictions from employment; or

(6) Employment with any employer that is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

An employer shall notify an applicant of the requirements under subdivisions (4) to (6) of this subsection. Notwithstanding any provision of law to the contrary, an expunged offense, violation, or infraction shall not be grounds for automatic disqualification of an applicant, but may be a factor for denying employment, or a professional license, certificate, or permit; except that, an offense, violation, or infraction expunged under the provisions of this section may be grounds for automatic disqualification if the application is for employment under subdivisions (4) to (6) of this subsection.

10. A person who has been granted an expungement of records pertaining to a misdemeanor or felony offense, an ordinance violation, or an infraction may answer "no" to an employer's inquiry into whether the person has ever been convicted of a crime if, after the granting of the expungement, the person has no public record of a misdemeanor or felony offense, an ordinance violation, or an infraction. The person, however, shall answer such an inquiry affirmatively and disclose his or her criminal convictions, including any offense or violation expunged under this section or similar law, if the employer is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

11. If the court determines that the petitioner has not met the criteria for any of the offenses, violations, or infractions listed in the petition for expungement or the petitioner has knowingly provided false information in the petition, the court shall enter an order dismissing the petition. Any person whose petition for expungement has been dismissed by the court for failure to meet the criteria set forth in subsection 5 of this section may not refile another petition until a year has passed since the date of filing for the previous petition.

12. A person may be granted more than one expungement under this section provided that during his or her lifetime, the total number of offenses, violations, or infractions for which orders of expungement are granted to the person shall not exceed the following limits:

(1) Not more than two misdemeanor offenses or ordinance violations that have an authorized term of imprisonment; and

(2) Not more than one felony offense.

A person may be granted expungement under this section for any number of infractions. Nothing in this section shall prevent the court from maintaining records to ensure that an individual has not exceeded the limitations of this subsection. Nothing in this section shall be construed to limit or impair in any way the subsequent use of any record expunged under this section of any arrests or findings of guilt by a law enforcement agency, criminal justice agency, prosecuting attorney, circuit attorney, or municipal prosecuting attorney, including its use as a prior offense, violation, or infraction.

13. The court shall make available a form for pro se petitioners seeking expungement, which shall include the following statement: "I declare under penalty of perjury that the statements made herein are true and correct to the best of my knowledge, information, and belief."

EXPLANATION—Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law. Matter in bold-face type is proposed language.
14. Nothing in this section shall be construed to limit or restrict the availability of expungement to any person under any other law.

**610.210. Health care coordination, certain records may be released.** — Notwithstanding any other provisions of law to the contrary, information in law enforcement agency records that would enable the provision of health care to a person in contact with law enforcement may be released for the purpose of health care coordination to any health care provider, as defined in the Health Insurance Portability and Accountability Act of 1996 as amended, that is providing or may provide services to the person.

**650.035. Missouri law enforcement assistance program, purpose — funding, eligibility.** — 1. There is hereby created the "Missouri Law Enforcement Assistance Program" within the department of public safety.

2. The purpose of this program is to provide state financial and technical assistance to create or improve local law enforcement pilot programs that may include:

   (1) Reimbursement for overtime required to enhance specialized, non-routine training opportunities;

   (2) Analytical capacity for targeting enforcement efforts; and

   (3) Community policing efforts derived from research-based models.

3. Distribution of state funds or technical assistance shall be by contractual arrangement between the department and each recipient law enforcement agency. Terms of the contract shall be negotiable each year. The state auditor shall periodically audit all law enforcement agencies receiving state funds.

4. Nothing in this section shall prohibit any law enforcement agency from receiving federal or local funds should such funds become available.

5. Be it enacted by the General Assembly of the state of Missouri, as follows:

SECTION A. ENACTING CLAUSE. — Sections 292.606, 319.129, and 414.032, RSMo, are repealed and four new sections enacted in lieu thereof, to be known as sections 292.606, 319.129, 319.140, and 414.032, to read as follows:

2. (1) Any employer required to report under subsection 1 of section 292.605, except local governments and family-owned farm operations, shall submit an annual fee to the commission of one hundred dollars along with the Tier II form. Owners or operators of petroleum retail facilities shall pay a fee of no more than fifty dollars for each such facility. Any person, firm or corporation selling, delivering or transporting petroleum or petroleum products and whose primary business deals with petroleum products or who is covered by the provisions of chapter 323, if such person, firm or corporation is paying fees under the provisions of the federal hazardous materials transportation registration and fee assessment program, shall deduct such federal fees from those fees owed to the state under the provisions of this subsection. If the federal fees exceed or are equal to what would otherwise be owed under this subsection, such employer shall not be liable for state fees under this subsection. In relation to petroleum products "primary business" shall mean that the person, firm or corporation shall earn more than fifty percent of hazardous chemical revenues from the sale, delivery or transport of petroleum products. For the purpose of calculating fees, all grades of gasoline are considered to be one product, all grades of heating oils, diesel fuels, kerosenes, naphthas, aviation turbine fuel, and all other heavy distillate products except for grades of gasoline are considered to be one product, and all varieties of motor lubricating oil are considered to be one product. For the purposes of this section "facility" shall mean all buildings, equipment, structures and other stationary items that are located on a single site or on contiguous or adjacent sites and which are owned or operated by the same person. If more than three hazardous substances or mixtures are reported on the Tier II form, the employer shall submit an additional twenty dollar fee for each hazardous substance or mixture. However, no employer shall pay more than ten thousand dollars per year in fees. EXPLANATION—Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law. Matter in bold-face type is proposed language.
(3) Payment of fees is due each year by March first. A late fee of ten percent of the total owed, plus one percent per month of the total, may be assessed by the commission.

(4) If, on March first of each year, fees collected under this section and natural resources damages made available pursuant to section 640.235 exceed one million dollars, any excess over one million dollars shall be proportionately credited to fees payable in the succeeding year by each employer who was required to pay a fee and who did pay a fee in the year in which the excess occurred. The limit of one million dollars contained herein shall be reviewed by the commission concurrent with the review of fees as required in subsection 1 of this section.

3. Beginning January 1, 2013, any employer filing its Tier II form pursuant to subsection 1 of section 292.605 may request that the commission distribute that employer's Tier II report to the local emergency planning committees and fire departments listed in its Tier II report. Any employer opting to have the commission distribute its Tier II report shall pay an additional fee of ten dollars for each facility listed in the report at the time of filing to recoup the commission's distribution costs. Fees shall be deposited in the chemical emergency preparedness fund established under section 292.607. An employer who pays the additional fee and whose Tier II report includes all local emergency planning committees and fire departments required to be notified under subsection 1 of section 292.605 shall satisfy the reporting requirements of subsection 1 of section 292.605. The commission shall develop a mechanism for an employer to exercise its option to have the commission distribute its Tier II report.

4. Local emergency planning committees receiving funds under section 292.604 shall coordinate with the commission and the department in chemical emergency planning, training, preparedness, and response activities. Local emergency planning committees receiving funds under this section, section 260.394, sections 292.602, 292.604, 292.605, 292.615 and section 640.235 shall provide to the commission an annual report of expenditures and activities.

To meet the recertification requirement, continuation of the labor organization's status as the exclusive bargaining representative shall be favored in a secret ballot election conducted by the board by more than fifty percent of the public employees in the bargaining unit. Public employees shall vote by telephone or online during a two-week period beginning on the anniversary of initial certification, whether such certification occurred prior to, on, or after August 28, 2018. Failure to schedule an election within the prescribed time period on the part of the labor organization shall result in immediate decertification as the exclusive bargaining representative.

13. In the event of the decertification of a labor organization as the exclusive bargaining representative of the public employees in any bargaining unit or failure to recertify a labor organization, all terms and conditions of employment existing at the time of decertification or failure to recertify shall remain in place until such time as those terms or conditions of employment are altered by the public body.

14. No more than one election shall take place in any bargaining unit within the same twelve-month period. 2. No labor organization may refuse to meet with designated representatives of any public body or engage in conduct intended to cause the removal or replacement of any designated representative by the public body.

3. The labor organization and the public body shall engage in bargaining with each other's designated representatives, but neither side shall be required to offer any particular concession or withdraw any particular proposal.

4. The public body shall not pay any labor organization representative or employee for time spent participating in collective bargaining or preparing for collective bargaining on behalf of a labor organization, except to the extent the person in question is an employee of the public body and elects to use accrued paid time off that was personally accrued by such person to cover the time so spent.

5. Before any proposed agreement or memorandum of understanding is presented to a public body, the labor organization, as a condition of its presentation, shall establish that it has been ratified by a majority of its members. The public body may approve the entire agreement or any part thereof. If the public body rejects any portion of the agreement, the public body may return any rejected portion of the agreement to the parties for further bargaining, adopt a replacement provision of its own design, or state that no provision covering the topic in question shall be adopted. Any tentative agreement reached between the parties' representatives shall not be binding on the public body or labor organization.

(5) Every labor agreement shall inform public employees of their right to refrain from engaging in and supporting labor organization activity as well as their right to oppose labor organization activity; and

(6) Every labor agreement shall include a provision stating that in the event of a budget shortfall, the public body shall have the right to require the modification of the economic terms of any labor agreement. Every labor agreement shall also state that if the public body deems it necessary to modify, upon good cause, the economic terms of any labor agreement, the public body shall so notify the labor organization and shall provide a period of thirty days during which the public body and the labor organization shall bargain over any necessary adjustments to the economic terms of the agreement. The labor agreement shall state that if, at the end of the thirty-day period, the parties have been unable to agree upon modifications that meet the public body's requirements, the public body shall have the right, upon good cause, to make necessary adjustments on its own authority.

105.595. Civil action for violations. — Whenever it shall appear that any labor organization or representative of any labor organization or any public body or representative of a public body has violated or is about to violate any of the provisions of sections 105.570 to 105.590, the department, a public body, or any citizen of the state of Missouri may bring a civil action for such relief, including injunctive relief, as may be appropriate. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

Personal care attendants who are related to or members of the family of the consumer to whom they provide services shall not for that reason be excluded from the unit. The state board of mediation shall conduct an election, by mail ballot, to determine whether an organization shall be designated the exclusive bargaining representative as defined in subdivision (2) of section 105.500 for the statewide unit of personal care attendants under section 105.525 upon a showing that ten percent of the personal care attendants in said unit want to be represented by a representative. The Missouri office of administration shall represent the council in any collective bargaining with a representative of personal care attendants. Upon completion of bargaining, any agreements shall be reduced to
writing and presented to the council for adoption, modification or rejection [in accordance with section 105.520].

8. (1) The provisions of sections 105.500 to 105.598 shall apply to all personal care attendants, organizations elected as the exclusive bargaining representative of the bargaining unit of personal care attendants under this section, and all officers and employees of such organizations. The certificates shall be marketed through financial institutions authorized to do business in Missouri. The receipts shall be pledged to the payment of principal and interest on the certificates. Certificates may be sold at public sale or at private sale at par, premium, or discount of not less than ninety-five percent of the par value thereof, at the discretion of the board of trustees, and may bear interest at such rate or rates as the board of trustees shall determine, notwithstanding the provisions of section 108.170 to the contrary. However, the provisions of chapter 176 shall not apply to the issuance of such certificates. Certificates may be issued with respect to a single project or multiple projects and may contain terms or conditions as the board of trustees may provide by resolution authorizing the issuance of the certificates.

9. Certificates issued to refund other certificates may be sold at public sale or at private sale as provided in this section, with the proceeds from the sale to be used for the payment of the certificates being refunded. The refunding certificates may be exchanged in payment and discharge of the certificates being refunded, in installments at different times or an entire issue or series at one time. Refunding certificates may be sold or exchanged at any time on, before, or after the maturity of the outstanding certificates to be refunded. They may be issued for the purpose of refunding a like, greater, or lesser principal amount of certificates and may bear a rate of interest that is higher, lower, or equivalent to that of the certificates being renewed or refunded.

10. Before certificates are issued, the board of trustees shall publish once a notice of its intention to issue the certificates, stating the amount, the purpose, and the project or projects for which the certificates are to be issued. A person with standing may, within fifteen days after the publication of the notice, by action in the circuit court of a county in the district, appeal the decision of the board of trustees to issue the certificates. The action of the board of trustees in determining to issue the certificates shall be final and conclusive unless the circuit court finds that the board of trustees has exceeded its legal authority. An action shall not be brought which questions the legality of the certificates, the power of the board of trustees to issue the certificates, the effectiveness of any proceedings relating to the authorization of the project, or the authorization and issuance of the certificates from and after fifteen days from the publication of the notice of intention to issue.

11. The board of trustees shall make a finding based on information supplied by the qualified company that revenues provided in the agreement are sufficient to secure the faithful performance of obligations in the agreement.

12. Certificates issued under this section shall not be deemed to be an indebtedness of the state, the community college district, or any other political subdivision of the state, and the principal and interest on any certificates shall be payable only from the sources provided in subdivision (1) of subsection 4 of this section which are pledged in the agreement.

13. Pursuant to section 23.253 of the Missouri sunset act:

(1) The [new] program authorized under sections 620.800 to 620.809 shall [automatically sunset July 1, 2019, unless reauthorized by an act of the general assembly] be reauthorized as of the effective date of this act and shall expire on August 28, 2030; and

EXPLANATION—Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law.

Matter in bold-face type is proposed language.
(2) If such program is reauthorized, the program authorized under sections 620.800 to 620.809 shall automatically sunset twelve years after the effective date of the reauthorization of sections 620.800 to 620.809; and

(3) Sections 620.800 to 620.809 shall terminate on September first of the calendar year immediately following the calendar year in which a program authorized under sections 620.800 to 620.809 is sunset.

620.2020. Participation procedures, department duties, qualified company duties — maximum tax credits allowed, allocation — prohibited acts — report, contents — rulemaking authority — sunset date. — 1. The department shall respond to a written request, by or on behalf of a qualified company, for a proposed benefit award under the provisions of this program within five business days of receipt of such request. Such response shall contain either a proposal of benefits for the qualified company, or a written response refusing to provide such a proposal and stating the reasons for such refusal. A qualified company that intends to seek benefits under the program shall submit to the department a notice of intent. The department shall respond within thirty days to a notice of intent with an approval or a rejection, provided that the department may withhold approval or provide a contingent approval until it is satisfied that proper documentation of eligibility has been provided. Failure to respond on behalf of the department shall result in the notice of intent being deemed approved. A qualified company receiving approval for program benefits may receive additional benefits for subsequent new jobs at the same facility after the full initial project period if the applicable minimum job requirements are met. There shall be no limit on the number of project periods a qualified company may participate in the program, and a qualified company may elect to file a notice of intent to begin a new project period concurrent with an existing project period if the applicable minimum job requirements are achieved, the qualified company provides the department with the required annual reporting, and the qualified company is in compliance with this program and any other state programs in which the qualified company is currently or has previously participated. However, the qualified company shall not receive any further program benefits under the original approval for any new jobs created after the date of the new notice of intent, and any jobs created before the new notice of intent shall not be included as new jobs for purposes of the benefit calculation for the new approval. When a qualified company has filed and received approval of a notice of intent and subsequently files another notice of intent, the department shall apply the definition of project facility under subdivision (18) of section 620.2005 to the new notice of intent as well as all previously approved notices of intent and shall determine the application of the definitions of new job, new payroll, project facility base employment, and project facility base payroll accordingly.

2. Notwithstanding any provision of law to the contrary, the benefits available to the qualified company under any other state programs for which the company is eligible and which utilize withholding tax from the new or retained jobs of the company shall first be credited to the other state program before the withholding retention level applicable under this program will begin to accrue.

If any qualified company also participates in a job training program utilizing withholding tax, the company shall retain no withholding tax under this program, but the department shall issue a refundable tax credit for the full amount of benefit allowed under this program. The calendar year annual maximum amount of tax credits which may be issued to a qualifying company that also participates in a job training program shall be increased by an amount equivalent to the withholding tax retained by that company under a jobs training program.

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law.
Matter in bold-face type is proposed language.
3. A qualified company receiving benefits under this program shall provide an annual report of the number of jobs and such other information as may be required by the department to document the basis for program benefits available no later than ninety days prior to the end of the qualified company's tax year immediately following the tax year for which the benefits provided under the program are attributed. In such annual report, if the average wage is below the applicable percentage of the county average wage, the qualified company has not maintained the employee insurance as required, or if the number of jobs is below the number required, the qualified company shall not receive tax credits or retain the withholding tax for the balance of the project period. Failure to timely file the annual report required under this section shall result in the forfeiture of tax credits attributable to the year for which the reporting was required and a recapture of withholding taxes retained by the qualified company during such year.

4. The department may withhold the approval of any benefits under this program until it is satisfied that proper documentation has been provided, and shall reduce the benefits to reflect any reduction in full-time employees or payroll. Upon approval by the department, the qualified company may begin the retention of the withholding taxes when it reaches the required number of jobs and the average wage meets or exceeds the applicable percentage of county average wage. Tax credits, if any, may be issued upon satisfaction by the department that the qualified company has exceeded the applicable percentage of county average wage and the required number of jobs.

5. Any qualified company approved for benefits under this program shall provide to the department, upon request, any and all information and records reasonably required to monitor compliance with program requirements. This program shall be considered a business recruitment tax credit under subdivision (4) of subsection 2 of section 135.800, and any qualified company approved for benefits under this program shall be subject to the provisions of sections 135.800 to 135.830.

6. Any taxpayer who is awarded benefits under this program who knowingly hires individuals who are not allowed to work legally in the United States shall immediately forfeit such benefits and shall repay the state an amount equal to any state tax credits already redeemed and any withholding taxes already retained.

7. The maximum amount of tax credits that may be authorized under this program for any fiscal year shall be limited as follows, less the amount of any tax credits previously obligated for that fiscal year under any of the tax credit programs referenced in subsection 13 of this section:

   (1) For the fiscal year beginning on July 1, 2013, but ending on or before June 30, 2014, no more than one hundred six million dollars in tax credits may be authorized;

   (2) For the fiscal year beginning on July 1, 2014, but ending on or before June 30, 2015, no more than one hundred eleven million dollars in tax credits may be authorized; and

   (3) For any fiscal year beginning on or after July 1, 2015, no more than one hundred sixteen million dollars in tax credits may be authorized for each fiscal year.

8. For tax credits for the creation of new jobs under section 620.2010, the department shall allocate the annual tax credits based on the date of the approval, reserving such tax credits based on the department's best estimate of new jobs and new payroll of the project, and any other applicable factors in determining the amount of benefits available to the qualified company under this program. However, the annual issuance of tax credits shall be subject to annual verification of actual payroll by the department. Any authorization of tax credits shall expire if, within two years from the date of commencement of operations, or approval if applicable, the qualified company has failed to meet the applicable minimum job requirements. The qualified company may retain authorized amounts from the withholding tax under the project once the applicable minimum job requirements have been met for the duration of the project period. No benefits shall
be provided under this program until the qualified company meets the applicable minimum new job requirements. In the event the qualified company does not meet the applicable minimum new job requirements, the qualified company may submit a new notice of intent or the department may provide a new approval for a new project of the qualified company at the project facility or other facilities.

9. Tax credits provided under this program may be claimed against taxes otherwise imposed by chapters 143 and 148, and may not be carried forward, but shall be claimed within one year of the close of the taxable year for which they were issued. Tax credits provided under this program may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and the value received for the credit, as well as any other information reasonably requested by the department. For a qualified company with flow-through tax treatment to its members, partners, or shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion to their share of ownership on the last day of the qualified company's tax period.

10. Prior to the issuance of tax credits or the qualified company beginning to retain withholding taxes, the department shall verify through the department of revenue and any other applicable state department that the tax credit applicant does not owe any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments levied by any state department and through the department of insurance, financial institutions and professional registration that the applicant does not owe any delinquent insurance taxes or other fees. Such delinquency shall not affect the approval, except that any tax credits issued shall be first applied to the delinquency and any amount issued shall be reduced by the applicant's tax delinquency. If the department of revenue, the department of insurance, financial institutions and professional registration, or any other state department concludes that a taxpayer is delinquent after June fifteenth but before July first of any year and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the administering agency shall notify the appropriate department and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law.

11. The director of revenue shall issue a refund to the qualified company to the extent that the amount of tax credits allowed under this program exceeds the amount of the qualified company's tax liability under chapter 143 or 148.

12. An employee of a qualified company shall receive full credit for the amount of tax withheld as provided in section 143.211.

13. Notwithstanding any provision of law to the contrary, beginning August 28, 2013, no new benefits shall be authorized for any project that had not received from the department a proposal or approval for such benefits prior to August 28, 2013, under the development tax credit program created under sections 32.100 to 32.125, the rebuilding communities tax credit program created under section 135.535, the enhanced enterprise zone tax credit program created under sections 135.950 to 135.973, and the Missouri quality jobs program created under sections 620.1875 to 620.1890. The provisions of this subsection shall not be construed to limit or impair the ability of any administering agency to authorize or issue benefits for any project that had received an approval or a proposal from the department under any of the programs referenced in this subsection prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits or to retain

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law. Matter in bold-face type is proposed language.
any withholding tax under an approval issued prior to that date. The provisions of this subsection shall not be construed to limit or in any way impair the ability of any governing authority to provide any local abatement or designate a new zone under the enhanced enterprise zone program created by sections 135.950 to 135.963. Notwithstanding any provision of law to the contrary, no qualified company that is awarded benefits under this program shall:

1. Simultaneously receive benefits under the programs referenced in this subsection at the same capital investment; or

2. Receive benefits under the provisions of section 620.1910 for the same jobs.

14. If any provision of sections 620.2000 to 620.2020 or application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of these sections which can be given effect without the invalid provisions or application, and to this end, the provisions of sections 620.2000 to 620.2020 are hereby declared severable.

15. By no later than January 1, 2014, and the first day of each calendar quarter thereafter, the department shall present a quarterly report to the general assembly detailing the benefits authorized under this program during the immediately preceding calendar quarter to the extent such information may be disclosed under state and federal law. The report shall include, at a minimum:

1. A list of all approved and disapproved applicants for each tax credit;

2. A list of the aggregate amount of new or retained jobs that are directly attributable to the tax credits authorized;

3. A statement of the aggregate amount of new capital investment directly attributable to the tax credits authorized;

4. Documentation of the estimated net state fiscal benefit for each authorized project and, to the extent available, the actual benefit realized upon completion of such project or activity; and

5. The department's response time for each request for a proposed benefit award under this program.

16. The department may adopt such rules, statements of policy, procedures, forms, and guidelines as may be necessary to carry out the provisions of sections 620.2000 to 620.2020. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

17. Under section 23.253 of the Missouri sunset act:

1. The provisions of the [new] program authorized under sections 620.2000 to 620.2020 shall automatically sunset six years after August 28, 2013, unless reauthorized by an act of the general assembly; and

2. If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of this reauthorization of sections 620.2000 to 620.2020; and

3. Sections 620.2000 to 620.2020 shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under sections 620.2000 to 620.2020 is sunset.

(1) Beginning July 1, 2009, and until June 30, 2010, the department of elementary and secondary education shall pay monthly, out of the funds appropriated to it for that purpose, to each sheltered workshop a sum equal to ninety dollars for each standard workweek (Monday through Friday) of up to and including thirty hours worked during the preceding calendar month. Eighteen dollars shall be paid for each six-hour or longer day worked by a handicapped employee on Saturdays or Sundays. For each handicapped worker employed by a sheltered workshop for less than a thirty-hour week or a six-hour day on Saturdays or Sundays, the workshop shall receive a percentage of the corresponding amount normally paid based on the percentage of time worked by the handicapped employee.

(2) Beginning July 1, 2010, and thereafter, the department of elementary and secondary education shall pay monthly, out of the funds appropriated to it for that purpose, to each sheltered workshop a sum equal to ninety-five dollars for each standard workweek (Monday through Friday) of up to and including thirty hours worked during the preceding calendar month. Nineteen dollars shall be paid for each six-hour or longer day worked by a handicapped employee on Saturdays or Sundays. For each handicapped worker employed by a sheltered workshop for less than a thirty-hour week or a six-hour day on Saturdays or Sundays, the workshop shall receive a percentage of the corresponding amount normally paid based on the percentage of time worked by the handicapped employee.

A statement signed by the president, secretary, and manager of the sheltered workshop, setting forth the dates worked and the number of hours worked each day by each handicapped person employed by that sheltered workshop during the preceding calendar month, together with any other information required by the rules or regulations of the department, shall be maintained at the workshop location.

3. There is hereby created in the state treasury the "Sheltered Workshop Per Diem Revolving Fund" which shall be administered by the commissioner of the department of elementary and secondary education. All moneys appropriated pursuant to subsection 1 of this section shall be deposited in the fund and expended as described in subsection 1 of this section.

4. The balance of the sheltered workshop per diem revolving fund shall not exceed five hundred thousand dollars at the end of each fiscal year and shall be exempt from the provisions of section 33.080 relating to the transfer of unexpended balances to the general revenue fund. Any unexpended balance in the sheltered workshop per diem revolving fund at the end of each fiscal year exceeding five hundred thousand dollars shall be deposited in the general revenue fund.

SECTION B. EMERGENCY CLAUSE.—Because immediate action is necessary to ensure that as many people can be employed in sheltered workshops as possible, and that the employment of people can occur as soon as possible, the repeal of section 178.930 and the enactment of section 178.931 of this act is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the repeal of section 178.930 and the enactment of section 178.931 of this act shall be in full force and effect on July 1, 2018, or upon its passage and approval, whichever occurs later.

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of
the proposal, then the ordinance shall be in effect as provided herein. If a majority of the votes cast
by the qualified voters voting are opposed to the proposal, then the county commission shall have
no power to impose the tax authorized by this section unless and until the county commission shall
again have submitted another proposal to authorize the county commission to impose the tax under
the provisions of this section, and such proposal is approved by a majority of the qualified voters
voting thereon.

4. The sales tax may be imposed at a rate not to exceed one percent on the receipts from the
sale at retail of all tangible personal property or taxable services at retail within any county adopting
such tax, if such property and services are subject to taxation by the state of Missouri under the
provisions of sections 144.010 to 144.525. The sales tax shall not be collected prior to thirty-six
months before operation of the central dispatching of emergency services.

5. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply
to the tax imposed under this section.

6. Any tax imposed pursuant to section 190.305 shall terminate at the end of the tax year in
which the tax imposed pursuant to this section for emergency services is certified by the board to
be fully operational. Any revenues collected from the tax authorized under section 190.305 shall
be credited for the purposes for which they were intended.

7. At least once each calendar year, the board shall establish a tax rate, not to exceed the
amount authorized, that together with any surplus revenues carried forward will produce sufficient
revenues to fund the expenditures authorized by this act. Amounts collected in excess of that
necessary within a given year shall be carried forward to subsequent years. The board shall make
its determination of such tax rate each year no later than September first and shall fix the new rate
which shall be collected as provided in this act. Immediately upon making its determination and
fixing the rate, the board shall publish in its minutes the new rate, and it shall notify every retailer
by mail of the new rate.
8. Immediately upon the affirmative vote of voters of such a county on the ballot proposal to establish a county sales tax pursuant to the provisions of this section, the county commission shall appoint the initial members of a board to administer the funds and oversee the provision of emergency services in the county. Beginning with the general election in 1994, all board members shall be elected according to this section and other applicable laws of this state. At the time of the appointment of the initial members of the board, the commission shall relinquish and no longer exercise the duties prescribed in this chapter with regard to the provision of emergency services and such duties shall be exercised by the board.

9. The initial board shall consist of seven members appointed without regard to political affiliation, who shall be selected from, and who shall represent, the fire protection districts, ambulance districts, sheriff's department, municipalities, any other emergency services and the general public. This initial board shall serve until its successor board is duly elected and installed in office. The commission shall ensure geographic representation of the county by appointing no more than four members from each district of the county commission.

10. Beginning in 1994, three members shall be elected from each district of the county commission and one member shall be elected at large, such member to be the chairman of the board. Of those first elected, four members from districts of the county commission shall be elected for terms of two years and two members from districts of the county commission and the member at large shall be elected for terms of four years. In 1996, and thereafter, all terms of office shall be four years; provided that, if a board established under this section consolidates with a board established under this section, section 190.327, or section 190.328, under the provisions of section 190.470, the term of office for the existing board members shall end on the thirtieth day following the appointment of the initial board of directors for the consolidated district. Notwithstanding any other provision of law, if there is no candidate for an open position on the board, then no election shall be held for that position and it shall be considered vacant, to be filled pursuant to the provisions of section 190.339, and, if there is only one candidate for each open position, no election shall be held and the candidate or candidates shall assume office at the same time and in the same manner as if elected.

11. Notwithstanding the provisions of subsections 8 to 10 of this section to the contrary, in any county of the first classification with more than two hundred forty thousand but fewer than two hundred forty thousand four hundred inhabitants or in any county of the third classification with a township form of government and with more than twenty-eight thousand but fewer than thirty-one thousand inhabitants or in any county of the third classification without a township form of government and with more than thirty-seven thousand but fewer than forty-one thousand inhabitants or in any county of the third classification without a township form of government and with more than thirty-one thousand but fewer than thirty-one thousand four hundred inhabitants or in any county of the third classification with a city of the fourth classification with more than four thousand five hundred but fewer than five thousand inhabitants as the county seat, any emergency telephone service 911 board appointed by the county under section 190.309 which is in existence on the date the voters approve a sales tax under this section shall continue to exist and shall have the powers set forth under section 190.339. Such boards which existed prior to August 25, 2010, shall not be considered a body corporate and a political subdivision of the state for any purpose, unless and until an order is entered upon an unanimous vote of the commissioners of the county in which such board is established reclassifying such board as a corporate body and political subdivision of the state. The order shall approve the transfer of the assets and liabilities related to the operation of the emergency telephone service 911 system to the new entity created by the reclassification of the board.

12. (1) Notwithstanding the provisions of subsections 8 to 10 of this section to the contrary, in any county of the second classification with more than fifty-four thousand two hundred but
fewer than fifty-four thousand three hundred inhabitants or any county of the first classification with more than fifty thousand but fewer than seventy thousand inhabitants that has approved a sales tax under this section, the county commission shall appoint the members of the board to administer the funds and oversee the provision of emergency services in the county.

(2) The board shall consist of seven members appointed without regard to political affiliation. Except as provided in subdivision (4) of this subsection, each member shall be one of the following:

(a) The head of any of the county's fire protection districts, or a designee;
(b) The head of any of the county's ambulance districts, or a designee;
(c) The county sheriff, or a designee;
(d) The head of any of the police departments in the county, or a designee; and
(e) The head of any of the county's emergency management organizations, or a designee.

(3) Upon the appointment of the board under this subsection, the board shall have the power provided in section 190.339 and shall exercise all powers and duties exercised by the county commission under this chapter, and the commission shall relinquish all powers and duties relating to the provision of emergency services under this chapter to the board.

(4) In any county of the first classification with more than fifty thousand but fewer than seventy thousand inhabitants, each of the entities listed in subdivision (2) of this subsection shall be represented on the board by at least one member.

(5) In any county with more than fifty thousand but fewer than seventy thousand inhabitants and with a county seat with more than two thousand one hundred but fewer than two thousand four hundred inhabitants, the entities listed in subdivision (2) of this subsection shall be represented by one member, and two members shall be residents of the county not affiliated with any of the entities listed in subdivision (2) of this subsection and shall be known as public members.

13. Any county that has authorized a tax levy under this section, and such levy is reduced automatically in future years, shall not submit to the voters of the county for approval any proposal authorized under this section that is greater than the amount at the time of reduction.

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law. Matter in bold-face type is proposed language.

d. Is available to a prepaid user or a standard user; (b) The term includes, but is not limited to, the following:

   b. Commercial mobile radio service; and
   c. Interconnected voice over internet protocol service and voice over power lines;
   (c) The term does not include broadband internet access service; and
   (d) For purposes of this section, if a device that is capable of contacting 911 is permanently installed in a vehicle, it shall not be subject to this section unless the owner of such vehicle purchases or otherwise subscribes to a commercial mobile service as defined under 47 U.S.C. Section 332(d) of the Telecommunications Act of 1996;

(3) "Provider" or "communications service provider", a person who provides retail communications services to the public that include 911 communications service including, but not limited to, a local exchange carrier, a wireless provider, and a voice over internet protocol provider, but only if such entity provides access to, and connection and interface with, a 911 communications service or its successor service;

(4) "Public safety agency", a functional division of a public agency which provides fire fighting, police, medical or other emergency services. For the purpose of providing wireless service to users of 911 emergency services, as expressly provided in this section, the department of public safety and state highway patrol shall be considered a public safety agency;

(5) "Public safety answering point", the location at which 911 calls are initially answered;

(6) "Subscriber", a person who contracts with and is billed by a provider for a retail communications service. All fees collected pursuant to sections 190.400 to 190.440 by wireless service providers shall be remitted to the director of the department of revenue.

2. The director of the department of revenue shall deposit such payments into the Wireless Service Provider Enhanced Missouri 911 Service trust fund. Moneys in the fund shall be used for...
the purpose of reimbursing expenditures actually incurred in the implementation and operation of the wireless service provider enhanced Missouri 911 systems and for the answering and dispatching of emergency calls as determined to be appropriate by the governing body of the county or city imposing the fee.

3. Any unexpended balance in the fund shall be exempt from the provisions of section 33.080, relating to the transfer of unexpended balances to the general revenue fund, and shall remain in the fund. Any interest earned on the moneys in the fund shall be deposited into the fund.

4. The moneys in the trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of moneys in the trust fund which were collected in each county, city not within a county, or home rule city with more than fifteen thousand but fewer than seventeen thousand inhabitants and partially located in any county of the third classification without a township form of government and with more than thirty-seven thousand but fewer than forty-one thousand inhabitants under sections 190.400 to 190.460, and the records shall be open to the inspection of officers of a participating county or city and the public.

190.455. SUBSCRIBER FEES — ELECTION, BALLOT — DEPOSIT OF MONEYS — CONFIDENTIALITY OF PROPRIETARY INFORMATION — IMMUNITY FROM LIABILITY, WHEN — LIMITATIONS ON FEES. — 1. Except as provided under subsection 9 of this section, in lieu of the tax levy authorized under section 190.305 or 190.325, or the sales tax imposed under section 190.292 or 190.335, the governing body of any county, city not within a county, or home rule city with more than fifteen thousand but fewer than seventeen thousand inhabitants and partially located in any county of the third classification without a township form of government and with more than thirty-seven thousand but fewer than forty-one thousand inhabitants may impose, by order or ordinance, a monthly fee on subscribers of any communications service that has been enabled to contact 911. The monthly fee authorized in this section shall not exceed one dollar and shall be assessed to the subscriber of the communications service, regardless of technology, based upon the number of active telephone numbers, or their functional equivalents or successors, assigned by the provider and capable of simultaneously contacting the public safety answering point; provided that, for multiline telephone systems and for facilities provisioned with capacity greater than a voice-capable grade channel or its equivalent, regardless of technology, the charge shall be assessed on the number of voice-capable grade channels as provisioned by the provider that allow simultaneous contact with the public safety answering point. Only one fee may be assessed per active telephone number, or its functional equivalent or successor, used to provide a communications service. No fee imposed under this section shall be imposed on more than one hundred voice-grade channels or their equivalent per person per location. Notwithstanding any provision of this section to the contrary, the monthly fee shall not be assessed on the provision of broadband internet access service. The fee shall be imposed solely for the purpose of funding 911 service in such county or city. The monthly fee authorized in this section shall be limited to one fee per device. The fee authorized in this section shall be in addition to all other taxes and fees imposed by law and may be stated separately from all other charges and taxes. The fee shall be the liability of the subscriber, not the provider, except that the provider shall be liable to remit all fees that the provider collects under this section.

2. No such order or ordinance adopted under this section shall become effective unless the governing body of the county or city submits to the voters residing within the county or
city at a state general, primary, or special election a proposal to authorize the governing body to impose a fee under this section. The question submitted shall be in substantially the following form:

"Shall _________ (insert name of county or city) impose a monthly fee of _________ (insert amount) on a subscriber of any communications service that has been enabled to contact 911 for the purpose of funding 911 service in the _________ (county or city)?"

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, the fee shall become effective on the first day of the second calendar quarter after the director of revenue receives notification of adoption of the fee. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, the fee shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question.

3. Except as modified in this section, all provisions of sections 32.085 and 32.087 and subsection 7 of section 144.190 shall apply to the fee imposed under this section.

4. All revenue collected under this section by the director of the department of revenue on behalf of the county or city, except for two percent to be withheld by the provider for the cost of administering the collection and remittance of the fee, and one percent for the cost of collection which shall be deposited in the state's general revenue fund, shall be deposited in the Missouri 911 service trust fund created under section 190.420. The director of the department of revenue shall remit such funds to the county or city on a monthly basis. The governing body of any such county or city shall control such funds remitted to the county or city unless the county or city has established an elected board for the purpose of administering such funds. In the event that any county or city has established a board under any other provision of state law for the purpose of administering funds for 911 service, such existing board may continue to perform such functions after the county or city has adopted the monthly fee under this section.

5. Nothing in this section imposes any obligation upon a provider of a communications service to take any legal action to enforce the collection of the tax imposed in this section. The tax shall be collected in compliance, as applicable, with the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. Sections 116 to 124, as amended.

6. Notwithstanding any other provision of law to the contrary, proprietary information submitted under this section shall only be subject to subpoena or lawful court order. Information collected under this section shall only be released or published in aggregate amounts that do not identify or allow identification of numbers of subscribers or revenues attributable to an individual communications service provider.

7. Notwithstanding any other provision of law to the contrary, in no event shall any communications service provider, its officers, employees, assigns, agents, vendors, or anyone acting on behalf of such persons, be liable for any form of civil damages or criminal liability that directly or indirectly results from, or is caused by:

(1) An act or omission in the development, design, installation, operation, maintenance, performance, or provision of service to a public safety answering point or to subscribers that use such service, whether providing such service is required by law or is voluntary; or
(2) The release of subscriber information to any governmental entity under this section unless such act, release of subscriber information, or omission constitutes gross negligence, recklessness, or intentional misconduct.

Nothing in this section is intended to void or otherwise override any contractual obligation pertaining to equipment or services sold to a public safety answering point by a communications service provider. No cause of action shall lie in any court of law against any provider of communications service, commercial mobile service, or other communications-related service, or its officers, employees, assignees, agents, vendors, or anyone acting on behalf of such persons, for providing call location information concerning the user of any such service in an emergency situation to a law enforcement official or agency in order to respond to a call for emergency service by a subscriber, customer, or user of such service or for providing caller location information or doing a ping locate in an emergency situation that involves danger of death or serious physical injury to any person where disclosure of communications relating to the emergency is required without delay, whether such provision of information is required by law or voluntary.

8. The fee imposed under this section shall not be imposed on customers who pay for service prospectively, including customers of prepaid wireless telecommunications service.

9. The fee imposed under this section shall not be imposed in conjunction with any tax imposed under section 190.292, 190.305, 190.325, or 190.335. No county or city shall simultaneously impose more than one tax authorized in this section or section 190.292, 190.305, 190.325, or 190.335. No fee imposed under this section shall be imposed on more than one hundred exchange access facilities or their equivalent per person per location. The fee imposed under this section shall not be imposed in conjunction with any tax imposed for central dispatching of emergency services in any home rule city with more than four hundred thousand inhabitants and located in more than one county or any county containing a portion of such city, and such city or counties shall not simultaneously impose more than one tax or fee for central dispatching of emergency services; provided however, if any such county approves the fee authorized under this section, collection of such fee shall be in lieu of any tax authorized for central dispatching of emergency services in the county and any portion of the city within the county.

10. No county or legally authorized entity shall submit a proposal to the voters of the county under this section or section 190.335 until either:

(1) All providers of emergency telephone service as defined in section 190.300 and public safety answering point operations within the county are consolidated into one public agency as defined in section 190.300 that provides emergency telephone service for the county, or such providers and the public safety answering point have entered into a shared services agreement for such services;

(2) The county develops a plan for consolidation of emergency telephone service, as defined in section 190.300, and public safety answering point operations within the county are consolidated into one public agency, as defined in section 190.300, that provides emergency telephone service for the county; or

(3) The county emergency services board, as defined in section 190.290, develops a plan for consolidation of emergency telephone service, as defined in section 190.300, and public safety answering point operations within the county that includes either consolidation or entering into a shared services agreement for such services, which shall be implemented on approval of the fee by the voters.

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law.
Matter in bold-face type is proposed language.
11. Any plan developed under subdivision (2) or (3) of subsection 10 of this section shall be filed with the Missouri 911 service board under subsection 4 of section 650.330. Any plan that is filed under this subsection shall provide for the establishment of a joint emergency communications board as described in section 70.260 unless a joint emergency communication board or emergency services board for the area in question has been previously established. The director of the department of revenue shall not remit any funds as provided under this section until the department receives notification from the Missouri 911 service board that the county has filed a plan that is ready for implementation. If, after one year following the enactment of the fee described in subsection 1 of this section, the county has not complied with the plan that the county submitted under subdivision (2) or (3) of subsection 10 of this section, but the county has substantially complied with the plan, the Missouri 911 service board may grant the county an extension of up to six months to comply with its plan. Not more than one extension may be granted to a county. The authority to impose the fee granted to the county in subsection 1 of this section shall be null and void if after one year following the enactment of the fee described in subsection 1 of this section the county has not complied with the plan and has not been granted an extension by the Missouri 911 service board, or if the six-month extension expires and the county has not complied with the plan.

12. Each county that does not have a public agency, as defined in section 190.300, that provides emergency telephone service as defined in section 190.300 for the county shall either:
   (1) Enter into a shared services agreement for providing emergency telephone services with a public agency that provides emergency telephone service, if such an agreement is feasible; or
   (2) Form with one or more counties an emergency telephone services district in conjunction with any county with a public agency that provides emergency telephone service within the county. If such a district is formed under this subdivision, the governing body of such district shall be the county commissioners of each county within the district, and each county within such district shall submit to the voters of the county a proposal to impose the fee under this section.

13. A county operating joint or shared emergency telephone service, as defined in section 190.300, may submit to the voters of the county a proposal to impose the fee to support joint operations and further consolidation under this section.

14. All 911 fees shall be imposed as provided in the Mobile Telecommunications Sourcing Act, 4 U.S.C. Sections 116 to 124, as amended.

15. Nothing in subsections 10, 11, 12, and 13 of this section shall apply to a county with a charter form of government where all public safety answering points within the county utilize a common 911 communication service as implemented by the appropriate local and county agencies prior to August 28, 2018.

16. Any home rule city with more than four hundred thousand inhabitants and located in more than one county and any county in which it is located shall establish an agreement regarding the allocation of anticipated revenue created upon passage of a ballot proposition submitted to the voters as provided for in sections 190.292, 190.305, 190.325, 190.335, and 190.455, as well as revenue provided based upon section 190.460 and the divided costs related to regional 911 services. The allocation and actual expenses of the regional 911 service shall be determined based upon the percentage of residents of each county who also reside in the home rule city. The agreement between the counties and the home rule city may either be
between the individual counties and the home rule city or jointly between all entities. The agreement to divide costs and revenue as required in this section shall not take effect until the passage of a ballot proposition as provided for in sections 190.292, 190.305, 190.325, 190.335, or 190.455. The population shall be determined based upon the most recent decennial census. This subsection shall not apply to a county of the first classification without a charter form of government and with less than five percent of its population living in any home rule city with more than four hundred thousand inhabitants and located in more than one county.

190.460. PREPAID WIRELESS EMERGENCY TELEPHONE SERVICE CHARGE — DEFINITIONS — AMOUNT, HOW COLLECTED — DEPOSIT AND USE OF MONEYS — RATES, HOW SET — EFFECTIVE AND EXPIRATION DATES. — 1. As used in this section, the following terms mean:

(2) "Consumer", a person who purchases prepaid wireless telecommunications service in a retail transaction;

(3) "Department", the department of revenue;

(4) "Prepaid wireless service provider", a provider that provides prepaid wireless service to an end user;

(5) "Prepaid wireless telecommunications service", a wireless telecommunications service that allows a caller to dial 911 to access the 911 system and which service shall be paid for in advance and is sold in predetermined units or dollars of which the number declines with use in a known amount;

(6) "Retail transaction", the purchase of prepaid wireless telecommunications service from a seller for any purpose other than resale. The purchase of more than one item that provides prepaid wireless telecommunication service, when such items are sold separately, constitutes more than one retail transaction;

(7) "Seller", a person who sells prepaid wireless telecommunications service to another person;

(8) "Wireless telecommunications service", commercial mobile radio service as defined by 47 CFR 20.3, as amended.

2. (1) Beginning January 1, 2019, there is hereby imposed a prepaid wireless emergency telephone service charge on each retail transaction. The amount of such charge shall be equal to three percent of the amount of each retail transaction over the minimal amount. However, if a minimal amount of prepaid wireless telecommunications service is sold with a prepaid wireless device for a single nonitemized price, the seller may elect not to apply such service charge to such transaction. For purposes of this subdivision, an amount of service denominated as less than fifteen dollars is minimal.

(2) The prepaid wireless emergency telephone service charge shall be collected by the seller from the consumer with respect to each retail transaction occurring in this state. The amount of the prepaid wireless emergency telephone service charge shall be either separately stated on an invoice, receipt, or other similar document that is provided to the consumer by the seller or otherwise disclosed to the consumer.

(3) For purposes of this subsection, a retail transaction that is effected in person by a consumer at a business location of the seller shall be treated as occurring in this state if that business location is in this state, and any other retail transaction shall be treated as occurring in this state if the retail transaction is treated as occurring in this state under state law.

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law.

Matter in bold-face type is proposed language.
(4) The prepaid wireless emergency telephone service charge is the liability of the consumer and not of the seller or of any provider; except that, the seller shall be liable to remit all charges that the seller is deemed to collect if the amount of the charge has not been separately stated on an invoice, receipt, or other similar document provided to the consumer by the seller.

(5) The amount of the prepaid wireless emergency telephone service charge that is collected by a seller from a consumer, if such amount is separately stated on an invoice, receipt, or other similar document provided to the consumer by the seller, shall not be included in the base for measuring any tax, fee, surcharge, or other charge that is imposed by this state, any political subdivision of this state, or any intergovernmental agency.

3. (1) Prepaid wireless emergency telephone service charges collected by sellers shall be remitted to the department at the times and in the manner provided by state law with respect to sales and use taxes. The department shall establish registration and payment procedures that substantially coincide with the registration and payment procedures that apply under state law.

(2) Beginning on January 1, 2019, and ending on January 31, 2019, when a consumer purchases prepaid wireless telecommunications service in a retail transaction from a seller under this section, the seller shall be allowed to retain one hundred percent of the prepaid wireless emergency telephone service charges that are collected by the seller from the consumer. Beginning on February 1, 2019, a seller shall be permitted to deduct and retain three percent of prepaid wireless emergency telephone service charges that are collected by the seller from consumers.

(3) The department shall establish procedures by which a seller of prepaid wireless telecommunications service may document that a sale is not a retail transaction, which procedures shall substantially coincide with the procedures for documenting sale for resale transactions for sales and use purposes under state law.

(4) The department shall deposit all remitted prepaid wireless emergency telephone service charges into the general revenue fund for the department's use until eight hundred thousand one hundred fifty dollars is collected to reimburse its direct costs of administering the collection and remittance of prepaid wireless emergency telephone service charges. From then onward, the department shall deposit all remitted prepaid wireless emergency telephone service charges into the Missouri 911 service trust fund created under section 190.420 within thirty days of receipt for use by the board. After the initial eight hundred thousand one hundred fifty dollars is collected, the department may deduct an amount not to exceed one percent of collected charges to be retained by the department to reimburse its direct costs of administering the collection and remittance of prepaid wireless emergency telephone service charges.

(5) The board shall set a rate between twenty-five and one hundred percent of the prepaid wireless emergency telephone service charges deposited in the Missouri 911 service trust fund collected in counties without a charter form of government, less the deductions authorized in subdivision (4) of this subsection, that shall be remitted to such counties in direct proportion to the amount of charges collected in each county. The board shall set a rate between sixty-five and one hundred percent of the prepaid wireless emergency telephone service charges deposited in the Missouri 911 service trust fund collected in counties with a charter form of government and any city not within a county, less the deductions authorized in subdivision (4) of this subsection, that shall be remitted to each such county or city not within a county in direct proportion to the amount of charges collected in each county.
collected in each such county or city not within a county. The initial percentage rate set by the board for counties with and without a charter form of government and any city not within a county may be adjusted after three years, and thereafter the rate may be adjusted every two years; however, at no point shall the board set rates that fall below twenty-five percent for counties without a charter form of government and sixty-five percent for counties with a charter form of government and any city not within a county.

(6) Any amounts received by a county or city under subdivision (5) of this subsection shall be used only for purposes authorized in sections 190.305, 190.325, and 190.335. Any amounts received by any county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants under this section may be used for emergency service notification systems.

Any contracting counties or boards may seek assistance and advice from the Missouri 911 service board established in section 650.325 regarding the terms of
the joint contract and the administration and operation of the contracting counties, cities, and boards.

3. If two or more counties, cities, 911 districts, or existing emergency communications entities desire to consolidate their emergency communications operations, a joint emergency communications entity may be established by the parties through an agreement identifying the conditions and provisions of the consolidation and the operation of the joint entity. This agreement may include the establishment of a joint governing body that may be comprised of the boards of the entities forming the agreement currently authorized by statute or an elected or appointed joint board authorized under section 70.260; provided that, the representation on the joint board of each of the entities forming the agreement shall be equal. If the entities entering into an agreement under this subsection decide that any 911 service center responsible for the answering of 911 calls and the dispatch of assistance shall be physically located in a county other than a county with the lowest average county wage from the set of counties where the entities entering into an agreement under this subsection are located in whole or part, such entities shall provide a written reason for this decision to the Missouri 911 service board and such document shall be considered a public record under chapter 610. The county average wage comparison shall be conducted using the information from the Missouri department of economic development, which calculates such county average wages under section 135.950.

4. After August 28, 2018, no public safety answering point operation may be established as a result of its separation from an existing public safety answering point operation without a study by, and the approval of, the Missouri 911 service board.

5. No provision of this section shall be construed to prohibit or discourage in any manner the formation of multiagency or multijurisdictional public safety answering point operations.

190.470. Alternate consolidation — petition, election — board appointed, requirements. 1. As an alternative to the procedure provided in section 190.465, two or more 911 central dispatch centers that are organized under sections 190.327 to 190.329 or section 190.335 and funded by public taxes may consolidate into one 911 central dispatch center by following the procedures set forth in this section.

2. If the consolidation of existing 911 central dispatch centers is desired, a number of voters residing in the existing 911 central dispatch centers' service areas equal to ten percent of the votes cast for governor in those service areas in the preceding gubernatorial election may file with the county clerk in which the territory or greater part of the proposed consolidated 911 central dispatch center service area will be situated a petition requesting consolidation of two or more 911 central dispatch centers.

3. The petition shall be in the following form:

"We, the undersigned voters residing in the service areas for the following 911 central dispatch centers, do hereby petition that the following existing 911 central dispatch centers be consolidated into one 911 central dispatch center."

4. An alternative procedure of consolidation may be followed if each of the boards of directors of the existing 911 central dispatch centers passes a resolution in the following form:

"The board of directors of the ________ 911 central dispatch center resolves that the ________ and ________ 911 central dispatch centers be consolidated into one 911 central dispatch center."

EXPLANATION—Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law.

Matter in bold-face type is proposed language.
5. Upon the filing of a petition or resolution with the county clerk from each of the service areas of the 911 central dispatch centers to be consolidated, the clerk shall present the petition or resolution to the commissioners of the county commission having jurisdiction, who shall order the submission of the question to voters within the affected 911 central dispatch center service areas. The filing of a petition shall be no later than twelve months after any original voter's signature contained therein.

6. The notice of election shall contain the names of the existing 911 central dispatch centers to be included in the consolidated 911 central dispatch center.

7. The question shall be submitted in substantially the following form:

"Shall the existing _________ 911 central dispatch centers be consolidated into one 911 central dispatch center?"

8. If the question of consolidation of the 911 central dispatch centers receives a majority of the votes cast in each service area, the county commissions having joint jurisdiction shall each enter an order declaring the proposition passed.

9. Within thirty days after the 911 central dispatch center has been declared consolidated, the respective county commissions having jurisdiction shall jointly meet to appoint a new seven-person board consisting of the agencies and professions listed in subsection 9 of section 190.335, and shall ensure geographic representation by appointing no more than four members from any one county having jurisdiction within the consolidated area for the newly consolidated 911 central dispatch center.

At the first meeting, the newly appointed board of directors shall choose a name for the consolidated 911 central dispatch center and shall notify the clerks of the county commission of each county within which the newly consolidated 911 central dispatch center’s service area now subsumes.

All assets and obligations of the existing 911 central dispatch centers shall become the assets and obligations of the newly consolidated 911 central dispatch center.

13. In any county that has a single board established under chapter 190 or under section 321.243, if a consolidation under this section only affects existing 911 central dispatch centers located wholly within such county, the existing board shall vote as to whether the existing board shall continue to exist. Upon a majority vote for approval of the existing board continuing to exist, subsections 9 to 12 of this section shall not apply, and the existing board shall continue to exist and have the powers set forth under the applicable section or sections within chapter 190 or under section 321.243. Upon a majority vote in disapproval of the existing board continuing to exist, all applicable subsections of this section shall apply to the consolidation. A tied vote shall be considered a disapproval of the existing board continuing to exist.

Section 265, as amended). The reduction shall only be made if it is at least five hundred dollars;

If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

Section 168) as amended by the Job Creation and Worker Assistance Act of 2002;

may approve disbursements. The fund shall be a dedicated fund and money in the fund shall be used solely to finance eligible projects under this section.

(2) Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

(3) The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

2. Projects eligible for financing under this section shall:

(3) Be an improvement needed to reduce fatal and disabling motor vehicle crashes within an area designated as a safe travel zone by the department of transportation;

(4) Be an improvement listed on the 2014 state freight plan; and

(5) Be slated to receive not less than thirty-five percent of the funds required for project completion from sources other than the state road fund or general revenue.

3. HCS HB 1461

Enacts provisions relating to the address confidentiality program.

AN ACT to repeal sections 452.375, 452.377, 589.660, 589.663, 589.664, 589.666, 589.669, 589.672, and 589.678, RSMo, and to enact in lieu thereof nine new sections relating to the address confidentiality program.

SECTION A. Enacting clause.

SEC. 1. As used in this chapter, unless the context clearly indicates otherwise:

(1) Custody means joint legal custody, sole legal custody, joint physical custody or sole physical custody or any combination thereof;

(2) Joint legal custody means that the parents share the decision-making rights, responsibilities, and authority relating to the health, education and welfare of the child, and, unless allocated, apportioned, or decreed, the parents shall confer with one another in the exercise of decision-making rights, responsibilities, and authority;

(3) Joint physical custody means an order awarding each of the parents significant, but not necessarily equal, periods of time during which a child resides with or is under the care and supervision of each of the parents. Joint physical custody shall be shared by the parents in such a way as to assure the child of frequent, continuing and meaningful contact with both parents;

(4) Third-party custody means a third party designated as a legal and physical custodian pursuant to subdivision (5) of subsection 5 of this section.

2. The court shall determine custody in accordance with the best interests of the child. When the parties have not reached an agreement on all issues related to custody, the court shall consider
all relevant factors and enter written findings of fact and conclusions of law, including, but not limited to, the following:

(1) The wishes of the child's parents as to custody and the proposed parenting plan submitted by both parties;

(2) The needs of the child for a frequent, continuing and meaningful relationship with both parents and the ability and willingness of parents to actively perform their functions as mother and father for the needs of the child;

(3) The interaction and interrelationship of the child with parents, siblings, and any other person who may significantly affect the child's best interests;

(4) Which parent is more likely to allow the child frequent, continuing and meaningful contact with the other parent;

(5) The child's adjustment to the child's home, school, and community;

(6) The mental and physical health of all individuals involved, including any history of abuse of any individuals involved. If the court finds that a pattern of domestic violence as defined in section 455.010 has occurred, and, if the court also finds that awarding custody to the abusive parent is in the best interest of the child, then the court shall enter written findings of fact and conclusions of law. Custody and visitation rights shall be ordered in a manner that best protects the child and any other child or children for whom the parent has custodial or visitation rights, and the parent or other family or household member who is the victim of domestic violence from any further harm;

(7) The intention of either parent to relocate the principal residence of the child; and

(8) The wishes of a child as to the child's custodian. The fact that a parent sends his or her child or children to a home school, as defined in section 167.031, shall not be the sole factor that a court considers in determining custody of such child or children.

3. (1) In any court proceedings relating to custody of a child, the court shall not award custody or unsupervised visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any of the following offenses when a child was the victim:

(a) A felony violation of section 566.030, 566.032, 566.031, 566.060, 566.062, 566.064, 566.067, 566.068, 566.061, 566.083, 566.101, 566.100, 566.111, 566.151, 566.203, 566.206, 566.209, 566.211, or 566.215;

(b) A violation of section 568.020;

(c) A violation of subdivision (2) of subsection 1 of section 568.060;

(d) A violation of section 568.065;

(e) A violation of section 573.200;

(f) A violation of section 573.205; or

(g) A violation of section 568.175.

(2) For all other violations of offenses in chapters 566 and 568 not specifically listed in subdivision (1) of this subsection or for a violation of an offense committed in another state when a child is the victim that would be a violation of chapter 566 or 568 if committed in Missouri, the court may exercise its discretion in awarding custody or visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any such offense.

4. The general assembly finds and declares that it is the public policy of this state that frequent, continuing and meaningful contact with both parents after the parents have separated or dissolved their marriage is in the best interest of the child, except for cases where the court specifically finds that such contact is not in the best interest of the child, and that it is the public policy of this state
to encourage parents to participate in decisions affecting the health, education and welfare of their children, and to resolve disputes involving their children amicably through alternative dispute resolution. In order to effectuate these policies, the court shall determine the custody arrangement which will best assure both parents participate in such decisions and have frequent, continuing and meaningful contact with their children so long as it is in the best interests of the child.

5. Prior to awarding the appropriate custody arrangement in the best interest of the child, the court shall consider each of the following as follows:
   (1) Joint physical and joint legal custody to both parents, which shall not be denied solely for the reason that one parent opposes a joint physical and joint legal custody award. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;
   (2) Joint physical custody with one party granted sole legal custody. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;
   (3) Joint legal custody with one party granted sole physical custody;
   (4) Sole custody to either parent; or
   (5) Third-party custody or visitation:
      (a) When the court finds that each parent is unfit, unsuitable, or unable to be a custodian, or the welfare of the child requires, and it is in the best interests of the child, then custody, temporary custody or visitation may be awarded to any other person or persons deemed by the court to be suitable and able to provide an adequate and stable environment for the child. Before the court awards custody, temporary custody or visitation to a third person under this subdivision, the court shall make that person a party to the action;
      (b) Under the provisions of this subsection, any person may petition the court to intervene as a party in interest at any time as provided by supreme court rule.

6. If the parties have not agreed to a custodial arrangement, or the court determines such arrangement is not in the best interest of the child, the court shall include a written finding in the judgment or order based on the public policy in subsection 4 of this section and each of the factors listed in subdivisions (1) to (8) of subsection 2 of this section detailing the specific relevant factors that made a particular arrangement in the best interest of the child. If a proposed custodial arrangement is rejected by the court, the court shall include a written finding in the judgment or order detailing the specific relevant factors resulting in the rejection of such arrangement.

7. Upon a finding by the court that either parent has refused to exchange information with the other parent, which shall include but not be limited to information concerning the health, education and welfare of the child, the court shall order the parent to comply immediately and to pay the prevailing party a sum equal to the prevailing party's cost associated with obtaining the requested information, which shall include but not be limited to reasonable attorney's fees and court costs.

8. As between the parents of a child, no preference may be given to either parent in the awarding of custody because of that parent's age, sex, or financial status, nor because of the age or sex of the child. The court shall not presume that a parent, solely because of his or her sex, is more qualified than the other parent to act as a joint or sole legal or physical custodian for the child.

9. Any judgment providing for custody shall include a specific written parenting plan setting forth the terms of such parenting plan arrangements specified in subsection 8 of section 452.310. Such plan may be a parenting plan submitted by the parties pursuant to section 452.310 or, in the absence thereof, a plan determined by the court, but in all cases, the custody plan approved and ordered by the court shall be in the court's discretion and shall be in the best interest of the child.

10. After August 28, 2016, every court order establishing or modifying custody or visitation shall include the following language: "In the event of noncompliance with this order, the aggrieved
party may file a verified motion for contempt. If custody, visitation, or third-party custody is
denied or interfered with by a parent or third party without good cause, the aggrieved person may
file a family access motion with the court stating the specific facts that constitute a violation of the
custody provisions of the judgment of dissolution, legal separation, or judgment of paternity. The
circuit clerk will provide the aggrieved party with an explanation of the procedures for filing a
family access motion and a simple form for use in filing the family access motion. A family access
motion does not require the assistance of legal counsel to prepare and file."

11. No court shall adopt any local rule, form, or practice requiring a standardized or default
parenting plan for interim, temporary, or permanent orders or judgments. Notwithstanding any
other provision to the contrary, a court may enter an interim order in a proceeding under this
chapter, provided that the interim order shall not contain any provisions about child custody or a
parenting schedule or plan without first providing the parties with notice and a hearing, unless the
parties otherwise agree.

12. Unless a parent has been denied custody rights pursuant to this section or visitation rights
under section 452.400, both parents shall have access to records and information pertaining to a
minor child including, but not limited to, medical, dental, and school records. If the parent without
custody has been granted restricted or supervised visitation because the court has found that the
parent with custody or any child has been the victim of domestic violence, as defined in section
455.010, by the parent without custody, the court may order that the reports and records made
available pursuant to this subsection not include the address of the parent with custody or the child.
A court shall order that the reports and records made available under this subsection not include the address of the parent with custody if the parent with custody is a participant in
the address confidentiality program under section 589.663. Unless a parent has been denied
custody rights pursuant to this section or visitation rights under section 452.400, any judgment of
dissolution or other applicable court order shall specifically allow both parents access to such
records and reports.

13. Except as otherwise precluded by state or federal law, if any individual, professional,
public or private institution or organization denies access or fails to provide or disclose any and all
records and information, including, but not limited to, past and present dental, medical and school
records pertaining to a minor child, to either parent upon the written request of such parent, the
court shall, upon its finding that the individual, professional, public or private institution or
organization denied such request without good cause, order that party to comply immediately with
such request and to pay to the prevailing party all costs incurred, including, but not limited to,
attorney's fees and court costs associated with obtaining the requested information.

14. An award of joint custody does not preclude an award of child support pursuant to section
452.340 and applicable supreme court rules. The court shall consider the factors contained in
section 452.340 and applicable supreme court rules in determining an amount reasonable or
necessary for the support of the child.

15. If the court finds that domestic violence or abuse as defined in section 455.010 has
occurred, the court shall make specific findings of fact to show that the custody or visitation
arrangement ordered by the court best protects the child and the parent or other family or household
member who is the victim of domestic violence, as defined in section 455.010, and any other
children for whom such parent has custodial or visitation rights from any further harm.

452.377. Relocation of child by parent for more than ninety days, required
procedure — violation, effect — notice of relocation of parent, required
procedure. — 1. For purposes of this section and section 452.375, "relocate" or "relocation"
means a change in the principal residence of a child for a period of ninety days or more, but does not include a temporary absence from the principal residence.

2. Notice of a proposed relocation of the residence of the child, or any party entitled to custody or visitation of the child, shall be given in writing by certified mail, return receipt requested, to any party with custody or visitation rights. Absent exigent circumstances as determined by a court with jurisdiction, written notice shall be provided at least sixty days in advance of the proposed relocation. The notice of the proposed relocation shall include the following information:

   (1) The intended new residence, including the specific address and mailing address, if known, and if not known, the city;
   (2) The home telephone number of the new residence, if known;
   (3) The date of the intended move or proposed relocation;
   (4) A brief statement of the specific reasons for the proposed relocation of a child, if applicable; and
   (5) A proposal for a revised schedule of custody or visitation with the child, if applicable.

3. If a party seeking to relocate a child is a participant in the address confidentiality program under section 589.663, such party shall not be required to provide the information in subdivision (1) of subsection 2 of this section, but may be required to submit such information under seal to the court for in camera review. Prior to disclosure of this information, a court shall comply with the provisions of section 589.664.

4. A party required to give notice of a proposed relocation pursuant to subsection 2 of this section has a continuing duty to provide a change in or addition to the information required by this section as soon as such information becomes known.

5. In exceptional circumstances where the court makes a finding that the health or safety of any adult or child would be unreasonably placed at risk by the disclosure of the required identifying information concerning a proposed relocation of the child, the court may order that:

   (1) The specific residence address and telephone number of the child, parent or person, and other identifying information shall not be disclosed in the pleadings, notice, other documents filed in the proceeding or the final order except for an in camera disclosure;
   (2) The notice requirements provided by this section shall be waived to the extent necessary to protect the health or safety of a child or any adult; or
   (3) Any other remedial action the court considers necessary to facilitate the legitimate needs of the parties and the best interest of the child.

6. The court shall consider a failure to provide notice of a proposed relocation of a child as:

   (1) A factor in determining whether custody and visitation should be modified;
   (2) A basis for ordering the return of the child if the relocation occurs without notice; and
   (3) Sufficient cause to order the party seeking to relocate the child to pay reasonable expenses and attorneys fees incurred by the party objecting to the relocation.

7. If the parties agree to a revised schedule of custody and visitation for the child, which includes a parenting plan, they may submit the terms of such agreement to the court with a written affidavit signed by all parties with custody or visitation assenting to the terms of the agreement, and the court may order the revised parenting plan and applicable visitation schedule without a hearing.

8. The residence of the child may be relocated sixty days after providing notice, as required by this section, unless a parent files a motion seeking an order to prevent the relocation within thirty days after receipt of such notice. Such motion shall be accompanied by an affidavit setting forth the specific factual basis supporting a prohibition of the relocation. The person seeking relocation shall file a response to the motion within fourteen days, unless extended by the court for good cause, and include a counter-affidavit setting forth the facts in support of the relocation as well as a proposed revised parenting plan for the child.

EXPLANATION--Matter enclosed in bold-faced brackets [thus] is not enacted and is intended to be omitted in the law. Matter in bold-face type is proposed language.
9. If relocation of the child is proposed, a third party entitled by court order to legal custody of or visitation with a child and who is not a parent may file a cause of action to obtain a revised schedule of legal custody or visitation, but shall not prevent a relocation.

10. The party seeking to relocate shall have the burden of proving that the proposed relocation is made in good faith and is in the best interest of the child.

11. If relocation is permitted:

(1) The court shall order contact with the nonrelocating party including custody or visitation and telephone access sufficient to assure that the child has frequent, continuing and meaningful contact with the nonrelocating party unless the child's best interest warrants otherwise; and

(2) The court shall specify how the transportation costs will be allocated between the parties and adjust the child support, as appropriate, considering the costs of transportation.

12. After August 28, 1998, every court order establishing or modifying custody or visitation shall include the following language:

"Absent exigent circumstances as determined by a court with jurisdiction, you, as a party to this action, are ordered to notify, in writing by certified mail, return receipt requested, and at least sixty days prior to the proposed relocation, each party to this action of any proposed relocation of the principal residence of the child, including the following information:

(1) The intended new residence, including the specific address and mailing address, if known, and if not known, the city;

(2) The home telephone number of the new residence, if known;

(3) The date of the intended move or proposed relocation;

(4) A brief statement of the specific reasons for the proposed relocation of the child; and

(5) A proposal for a revised schedule of custody or visitation with the child.

Your obligation to provide this information to each party continues as long as you or any other party by virtue of this order is entitled to custody of a child covered by this order. Your failure to obey the order of this court regarding the proposed relocation may result in further litigation to enforce such order, including contempt of court. In addition, your failure to notify a party of a relocation of the child may be considered in a proceeding to modify custody or visitation with the child. Reasonable costs and attorney fees may be assessed against you if you fail to give the required notice."

13. A participant in the address confidentiality program under section 589.663 shall not be required to provide a requesting party with the specific physical or mailing address of the child's proposed relocation destination, but in the event of an objection by a requesting party, a participant may be required to submit such information under seal to the court for in camera review. Prior to disclosure of this information, a court shall comply with the provisions of section 589.664.

14. Violation of the provisions of this section or a court order under this section may be deemed a change of circumstance under section 452.410, allowing the court to modify the prior custody decree. In addition, the court may utilize any and all powers relating to contempt conferred on it by law or rule of the Missouri supreme court.

15. Any party who objects in good faith to the relocation of a child's principal residence shall not be ordered to pay the costs and attorney's fees of the party seeking to relocate.

The program shall be administered by the secretary under the following application and certification procedures:

(2) The secretary may approve an application [only] if it is filed with the office of the secretary in the manner established by rule and on a form prescribed by the secretary. A completed application shall contain:

(a) The [application preparation date] date the application was prepared, the applicant's signature, and the signature and registration number of the application assistant who assisted the applicant in applying to be a program participant;

A program participant is certified for four years following the date of initial certification unless the certification is withdrawn by the applicant or cancelled by the secretary before that date. (4) The secretary shall forward first class mail, legal documents, and certified mail to the appropriate program participants.

(5) This section shall be liberally construed as to not hold omissions by the secretary against participants or applicants.

589.664. Disclosure of address, when — notice — limitation on dissemination. — 1. If an individual is deemed a participant in the address confidentiality program by the secretary of state, no person or entity shall be compelled to disclose the participant's actual address during the discovery phase of or during a proceeding before a court or other tribunal unless the court or tribunal first finds, on the record, that:

(1) There is a reasonable belief that the address is needed to obtain information or evidence without which the investigation, prosecution, or litigation cannot proceed; and
(2) There is no other practicable way of obtaining the information or evidence.

2. The court shall first provide the program participant and the secretary notice that address disclosure is sought.

3. The program participant shall have an opportunity to present evidence regarding the potential harm to the safety of the program participant if the address is disclosed. In determining whether to compel disclosure, the court shall consider whether the potential harm to the safety of the participant is outweighed by the interest in disclosure.

4. Notwithstanding any other provision of law to the contrary, no court shall order an individual who has had his or her application to the program accepted by the secretary to disclose his or her actual address or the location of his or her residence without giving the secretary proper notice. The secretary shall have the right to intervene in any civil proceeding in which a court is considering ordering a participant to disclose his or her actual address.

5. Disclosure of a participant's actual address under this section shall be limited under the terms of the order to ensure that the disclosure and dissemination of the actual address will be no greater than necessary for the purposes of the investigation, prosecution, or litigation.

6. Nothing in this section shall be construed to prevent the court or any other tribunal from issuing a protective order to prevent the disclosure of information other than the participant's actual address that could reasonably lead to the discovery of the program participant's location.

589.666. Cancellation of certification, when. — Certification of a program participant may be cancelled by the secretary if one or more of the following conditions apply:

1. If the program participant obtains a name change, unless the program participant provides the secretary with documentation of a legal name change within ten business days of the name change;

2. If there is a change in the mailing address for the person listed on the application, unless the program participant provides the secretary with notice of the change in such manner as the secretary provides by rule; or

(2) The program participant's address or mailing address shall be used only for those statutory and administrative purposes and shall not be made publicly available.

589.672. AVAILABILITY OF PARTICIPANT ADDRESSES. — If the secretary deems it appropriate, the secretary may make a program participant's address or mailing address available for inspection or copying, under the following circumstances:

(2) [Upon request to the secretary by] If a director of a [state] government agency or the director's designee requests it in the manner provided for by rule and upon a showing of a bona fide statutory or administrative requirement for the use of the program participant's address or mailing address, such that the director or the director's designee is unable to fulfill statutory duties and obligations without the address or mailing address.

589.678. APPLICATION, SUPPORTING MATERIALS, AND COMMUNICATIONS NOT PUBLIC RECORDS. — A program participant's application and all supporting materials and all communications with the secretary of state's address confidentiality program are not a public record and shall be kept confidential by the secretary records and are exempt from chapter 610.

163.191. STATE AID TO COMMUNITY COLLEGES — DEFINITIONS — DISTRIBUTION TO BE BASED ON RESOURCE ALLOCATION MODEL, ADJUSTMENT ANNUALLY, FACTORS INVOLVED — REPORT ON EFFECTIVENESS OF MODEL, DUE WHEN. — 1. As used in this section, the following terms shall mean:

(1) "Community college", an institution of higher education deriving financial resources from local, state, and federal sources, and providing postsecondary education primarily for persons above the twelfth grade age level, including courses in:

(a) Liberal arts and sciences, including general education;
(b) Occupational, vocational-technical; and
(c) A variety of educational community services.

Community college course offerings shall generally lead to the granting of certificates, diplomas, or associate degrees, but do not and may include baccalaureate or higher degrees only when authorized by the coordinating board for higher education in circumstances where the level of education required in a field for accreditation or licensure increases to the baccalaureate degree level or, in the case of applied bachelor's degrees, the level of education required for employment in a field increases to that level, and when doing so would not unnecessarily duplicate an existing program, collaboration with a university is not feasible or the approach is not a viable means of meeting the needs of students and employers, and the institution has the academic and financial capacity to offer the program in a high-quality manner. Quality for such baccalaureate degree programs shall be evaluated at least in part by the delivery of upper-level coursework or competencies, and defined by accreditation or compliance with the Higher Learning Commission standards for bachelor's degrees;

(2) "Operating costs", all costs attributable to current operations, including all direct costs of instruction, instructors' and counselors' compensation, administrative costs, all normal operating costs and all similar noncapital expenditures during any year, excluding costs of construction of facilities and the purchase of equipment, furniture, and other capital items authorized and funded in accordance with subsection 6 of this section. Operating costs shall be computed in accordance with accounting methods and procedures to be specified by the department of higher education;

(3) "Year", from July first to June thirtieth of the following year.

2. Each year public community colleges in the aggregate shall be eligible to receive from state funds, if state funds are available and appropriated, an amount up to but not more than fifty percent of the state community colleges' planned operating costs as determined by the department of higher education. The department of higher education shall review all institutional budget requests and prepare appropriation recommendations annually for the community colleges under the

supervision of the department. The department's budget request shall include a recommended level of funding.

3. (1) Except as provided in subdivision (2) of this subsection, distribution of appropriated funds to community college districts shall be in accordance with the community college resource allocation model. This model shall be developed and revised as appropriate cooperatively by the community colleges and the department of higher education. The department of higher education shall recommend the model to the coordinating board for higher education for their approval. The core funding level for each community college shall initially be established at an amount agreed upon by the community colleges and the department of higher education. This amount will be adjusted annually for inflation, limited growth, and program improvements in accordance with the resource allocation model starting with fiscal year 1993.

   (2) Unless the general assembly chooses to otherwise appropriate state funding, beginning in fiscal year 2016, at least ninety percent of any increase in core funding over the appropriated amount for the previous fiscal year shall be distributed in accordance with the achievement of performance-funding measures under section 173.1006.

4. The department of higher education shall be responsible for evaluating the effectiveness of the resource allocation model and shall submit a report to the governor, the joint committee on education, the speaker of the house of representatives and president pro tempore of the senate by October 31, 2019, and every four years thereafter.

5. The department of higher education shall request new and separate state aid funds for any new community college district for its first six years of operation. The request for the new district shall be based upon the same level of funding being provided to the existing districts, and should be sufficient to provide for the growth required to reach a mature enrollment level.

6. In addition to state funds received for operating purposes, each community college district shall be eligible to receive an annual appropriation, exclusive of any capital appropriations, for the cost of maintenance and repair of facilities and grounds, including surface parking areas, and purchases of equipment and furniture. Such funds shall not exceed in any year an amount equal to ten percent of the state appropriations, exclusive of any capital appropriations, to community college districts for operating purposes during the most recently completed fiscal year. The department of higher education may include in its annual appropriations request the necessary funds to implement the provisions of this subsection and when appropriated shall distribute the funds to each community college district as appropriated. The department of higher education appropriations request shall be for specific maintenance, repair, and equipment projects at specific community college districts, shall be in an amount of fifty percent of the cost of a given project as determined by the coordinating board and shall be only for projects which have been approved by the coordinating board through a process of application, evaluation, and approval as established by the coordinating board. The coordinating board, as part of its process of application, evaluation, and approval, shall require the community college district to provide proof that the fifty-percent share of funding to be defrayed by the district is either on hand or committed for maintenance, repair, and equipment projects. Only salaries or portions of salaries paid which are directly related to approved projects may be used as a part of the fifty-percent share of funding.

7. School districts offering two-year college courses pursuant to section 178.370 on October 31, 1961, shall receive state aid pursuant to subsection 2, subdivision (1) of subsection 3, and subsection 6 of this section if all scholastic standards established pursuant to sections 178.770 to 178.890 are met.

8. In order to make postsecondary educational opportunities available to Missouri residents who do not reside in an existing community college district, community colleges organized
pursuant to section 178.370 or sections 178.770 to 178.890 shall be authorized pursuant to the funding provisions of this section to offer courses and programs outside the community college district with prior approval by the coordinating board for higher education. The classes conducted outside the district shall be self-sustaining except that the coordinating board shall promulgate rules to reimburse selected out-of-district instruction only where prior need has been established in geographical areas designated by the coordinating board for higher education. Funding for such off-campus instruction shall be included in the appropriation recommendations, shall be determined by the general assembly and shall continue, within the amounts appropriated therefor, unless the general assembly disapproves the action by concurrent resolution.

9. When distributing state aid authorized for community colleges, the state treasurer may, in any year if requested by a community college, disregard the provision in section 30.180 requiring the state treasurer to convert the warrant requesting payment into a check or draft and wire transfer the amount to be distributed to the community college directly to the community college’s designated deposit for credit to the community college’s account.

172.280. AUTHORITY TO CONFER DEGREES — ONLY PUBLIC RESEARCH UNIVERSITY AND EXCLUSIVE GRANTOR OF CERTAIN DEGREES. — The curators shall have the authority to confer, by diploma, under their common seal, on any person whom they may judge worthy thereof, such degrees as are known to and usually granted by any college or university. The University of Missouri is the state’s only public research university and the exclusive grantor of research doctorates. As such, except as provided in section 175.040, the University of Missouri shall be the only state college or university that may offer doctor of philosophy degrees or first-professional degrees, including dentistry, law, medicine, optometry, pharmacy, and veterinary medicine.

173.005. DEPARTMENT OF HIGHER EDUCATION CREATED — AGENCIES, DIVISIONS, TRANSFERRED TO DEPARTMENT — COORDINATING BOARD, APPOINTMENT QUALIFICATIONS, TERMS, COMPENSATION, DUTIES, ADVISORY COMMITTEE, MEMBERS. — 1. There is hereby created a "Department of Higher Education", and the division of higher education of the department of education is abolished and all its powers, duties, functions, personnel and property are transferred as provided by the Reorganization Act of 1974, Appendix B, RSMo.

2. The commission on higher education is abolished and all its powers, duties, personnel and property are transferred by type I transfer to the "Coordinating Board for Higher Education", which is hereby created, and the coordinating board shall be the head of the department. The coordinating board shall consist of nine members appointed by the governor with the advice and consent of the senate, and not more than five of its members shall be of the same political party. None of the members shall be engaged professionally as an educator or educational administrator with a public or private institution of higher education at the time appointed or during his term. Moreover, no person shall be appointed to the coordinating board who shall not be a citizen of the United States, and who shall not have been a resident of the state of Missouri two years next prior to appointment, and at least one but not more than two persons shall be appointed to said board from each congressional district. The term of service of a member of the coordinating board shall be six years and said members, while attending the meetings of the board, shall be reimbursed for their actual expenses. Notwithstanding any provision of law to the contrary, nothing in this section relating to a change in the composition and configuration of congressional districts in this state shall prohibit a member who is serving a term on August 28, 2011, from completing his or her term. The coordinating board may, in order to carry out the duties prescribed for it in subsections 1, 2, 3, 7,
and 8 of this section, employ such professional, clerical and research personnel as may be necessary to assist it in performing those duties, but this staff shall not, in any fiscal year, exceed twenty-five full-time equivalent employees regardless of the source of funding. In addition to all other powers, duties and functions transferred to it, the coordinating board for higher education shall have the following duties and responsibilities:

(1) The coordinating board for higher education shall have approval of proposed new degree programs to be offered by the state institutions of higher education. The coordinating board may authorize a degree program outside an institution's coordinating board-approved mission only when the coordinating board has received clear evidence that the institution proposing to offer the program:

(a) Made a good-faith effort to explore the feasibility of offering the program in collaboration with an institution the mission of which includes offering the program;

(b) Is contributing substantially to the goals in the coordinating board's coordinated plan for higher education;

(c) Has the existing capacity to ensure the program is delivered in a high-quality manner;

(d) Has demonstrated that the proposed program is needed;

(e) Has a clear plan to meet the articulated workforce need; and

(f) Such other factors deemed relevant by the coordinating board;

(2) The governing board of each public institution of higher education in the state shall have the power and authority to confer degrees in chiropractic, osteopathic medicine, and podiatry only in collaboration with the University of Missouri, provided that such collaborative agreements are approved by the governing board of each institution and that in these instances the University of Missouri will be the degree-granting institution. Should the University of Missouri decline to collaborate in the offering of such programs, any of these institutions may seek approval of the program through the coordinating board for higher education's comprehensive review process when doing so would not unnecessarily duplicate an existing program, collaboration is not feasible or a viable means of meeting the needs of students and employers, and the institution has the academic and financial capacity to offer the program in a high quality manner;

(3) The coordinating board for higher education may promote and encourage the development of cooperative agreements between Missouri public four-year institutions of higher education which do not offer graduate degrees and Missouri public four-year institutions of higher education which do offer graduate degrees for the purpose of offering graduate degree programs on campuses of those public four-year institutions of higher education which do not otherwise offer graduate degrees. Such agreements shall identify the obligations and duties of the parties, including assignment of administrative responsibility. Any diploma awarded for graduate degrees under such a cooperative agreement shall include the names of both institutions inscribed thereon. Any cooperative agreement in place as of August 28, 2003, shall require no further approval from the coordinating board for higher education. Any costs incurred with respect to the administrative provisions of this subdivision may be paid from state funds allocated to the institution assigned the administrative authority for the program. The provisions of this subdivision shall not be construed to invalidate the provisions of subdivision (1) of this subsection;

(4) In consultation with the heads of the institutions of higher education affected and against a background of carefully collected data on enrollment, physical facilities, manpower needs, and institutional missions, the coordinating board for higher education shall establish guidelines for appropriation requests by those institutions of higher education; however, other

provisions of the Reorganization Act of 1974 notwithstanding, all funds shall be appropriated by
the general assembly to the governing board of each public four-year institution of higher
education which shall prepare expenditure budgets for the institution;

[44] (5) No new state-supported senior colleges or residence centers shall be established
except as provided by law and with approval of the coordinating board for higher education;

[45] (6) The coordinating board for higher education shall establish admission guidelines
consistent with institutional missions;

[46] (7) The coordinating board for higher education shall require all public two-year and
four-year higher education institutions to replicate best practices in remediation identified by the
coordinating board and institutions from research undertaken by regional educational laboratories,
higher education research organizations, and similar organizations with expertise in the subject,
and identify and reduce methods that have been found to be ineffective in preparing or retaining
students or that delay students from enrollment in college-level courses;

[47] (8) The coordinating board shall establish policies and procedures for institutional
decisions relating to the residence status of students;

[48] (9) The coordinating board shall establish guidelines to promote and facilitate the transfer
of students between institutions of higher education within the state and, with the assistance of the
committee on transfer and articulation, shall require all public two-year and four-year higher
education institutions to create by July 1, 2014, a statewide core transfer library of at least
twenty-five lower division courses across all institutions that are transferable among all public
higher education institutions. The coordinating board shall establish policies and procedures to
ensure such courses are accepted in transfer among public institutions and treated as equivalent to
similar courses at the receiving institutions. The coordinating board shall develop a policy to foster
reverse transfer for any student who has accumulated enough hours in combination with at least
one public higher education institution in Missouri that offers an associate degree and one public
four-year higher education institution in the prescribed courses sufficient to meet the public higher
education institution's requirements to be awarded an associate degree. The department of
elementary and secondary education shall maintain the alignment of the assessments found in
section 160.518 and successor assessments with the competencies previously established under
this subdivision for entry-level collegiate courses in English, mathematics, foreign language,
sciences, and social sciences associated with an institution's general education core;

[49] (10) The coordinating board shall collect the necessary information and develop
comparable data for all institutions of higher education in the state. The coordinating board shall
use this information to delineate the areas of competence of each of these institutions and for any
other purposes deemed appropriate by the coordinating board;

[449] (11) Compliance with requests from the coordinating board for institutional information
and the other powers, duties and responsibilities, herein assigned to the coordinating board, shall
be a prerequisite to the receipt of any funds which the coordinating board is responsible for
administering;

[444] (12) If any institution of higher education in this state, public or private, willfully fails
or refuses to follow any lawful guideline, policy or procedure established or prescribed by the
coordinating board, or knowingly deviates from any such guideline, or knowingly acts without
coordinating board approval where such approval is required, or willfully fails to comply with any
other lawful order of the coordinating board, the coordinating board may, after a public hearing,
withhold or direct to be withheld from that institution any funds the disbursement of which is
subject to the control of the coordinating board, or may remove the approval of the institution as
an approved institution within the meaning of section 173.1102. If any such public institution
